Upcoming events

The Holiday Party has been cancelled out of an abundance of caution.

President's message:

Well winter seems to have given us a brief greeting and will hopefully stay away for a little while longer. I must say I am not ready to winterize the Boxster and tuck it away quite yet. Although I did see a fair bit of salt on some of the back roads so I may have to rethink things. Ever since my motor-

cycling days I've lived by the rule that when the salt hits the road, the car gets tucked away.

Hopefully we'll get some rain or something to wash the roads so I can enjoy a few more days in the sun. October seems to have slipped by quite fast and now we're starting down November. If things keep going quickly enough it will be spring again.

In case you haven't heard, the Board has decided that for the safety of all members, we will not be holding a holiday party this year. I know it's a bummer for a lot of us who look forward to everyone getting together for a fun time but with the way things are looking now, it is best to not push things and risk our health. Hopefully 2021 will bring better news and lots of fun activities.

One activity you can put on your calendar will be the 2021 Fall Treffen at the American Club in Kohler. You will hear us talking a lot about this national event that is being co-hosted by the Fox Valley and Milwaukee Regions.

Both regions are working very hard on making this event a top notch Treffen but we will need help when the time comes. Events like this take a lot of volunteers and there are many spots where you can help out.

More information on areas where help is needed and the various time commitments will be coming out early next year so if you have any desire to help out even for a short time contact Todd Benz and he'll be happy to add your name to the volunteer list!

Until next month, stay safe and stay healthy!

Shaun Stamnes, President
Fox Valley Region Porsche Club of America
920-217-6427
Email: sstamnes@netnet.net

Editor's note: Always thankful for reader input

This is the season where we focus on being thankful. As the editor of this monthly newsletter, I am always thankful for the input, especially photos, that you send. This year it has been more difficult to come up with material since we haven't had many events to cover.

This issue reflects member input. Thanks to Keary Kautzer for the cover photo and Todd and Justin Benz for the back cover photo. I sure could use your photos for the December issue. Remember to think vertical – turn that camera to take a portrait (vertically oriented image) and it could be on the cover or featured as photo of the month.

Do read the statements of the region officer candidates. You will receive an email with a ballot for your votes. Even though these members are running unopposed, your vote conveys your confidence in their leadership.

– Bev

J D Power says Porsche is no. 1 in customer experience with new vehicles for the second year in a row

U.S. customers have rated Porsche highest among all automotive brands in the J.D. Power 2020 U.S. Automotive Performance, Execution and Layout

2019 Cayenne Coupe
Photo credit: Porsche AG

(APEAL) Study. It was the second year in a row that Porsche took the top position in the annual study of customer experience with owning and driving a new vehicle.

Klaus Zellmer, president and CEO of Porsche Cars North America, Inc., said: "Porsche believes in continuous improvement and winning the top spot again just encourages us to find new ways to delight our drivers."

The 2020 U.S. Automotive Performance, Execution and Layout Study measures owners' emotional attachment and level of excitement with their new vehicle across 37 attrib-

utes, ranging from the sense of comfort and luxury on climbing into the driver's seat to the power they feel when they step on the gas. These attributes combine into an overall APEAL index score measured on a 1,000-point scale.

Porsche earned 881 points on the 1,000-point scale, compared to the premium brand average of 861. The study is based on responses gathered from February through May of this year from more than 87,000 purchasers and lessees of new 2020 model-year vehicles who were surveyed after 90 days of ownership.

PORSCHE SALES

First positive quarter of 2020 reflects ongoing recovery from pandemic impact

Porsche Cars North America, Inc. (PCNA) announced Oct. 1 that third quarter U.S. retail deliveries rose 5.0 percent from the same period a year ago, continuing a recovery trend from coronavirus lockdowns in the first half of 2020. Retail deliveries by the 192 independently owned and operated U.S. dealers totaled 15,548 from July through September.

The year-over-year increase in the quarter means that for the first nine months of 2020, sales were 11.8 percent below the same period in 2019, which was a record year for PCNA deliveries. This marks an improvement from the end of Q2, when sales for the first six months were down 20.1 percent year-over-year.

“The third quarter remained challenging for many people, so I am grateful to our customers for their enthusiasm and to our dealers and their employees for the energy they continue to bring to Porsche,” said Joe Lawrence, executive vice president and chief operating officer of PCNA. “We’ve never had such an exciting lineup in U.S. showrooms – with demand for the new all-electric Taycan growing to the point that it was our third best-selling model line this quarter, just behind the Macan and Cayenne. Our thrilling cars and the legendary customer experience provided by Porsche dealers are contributing to an ongoing recovery.”

Porsche Approved Certified Pre-Owned (CPO) sales in the U.S. totaled 7,661 vehicles from July through September, up 26.4 percent year-over-year.

Model	July-September		
	2020	2019	Difference
ALL 911	1,567	1,701	-7.9%
ALL 718	1,084	1,048	3.4%
ALL TAYCAN	1,858	n/a	n/a
ALL PANAMERA	1,064	1,276	-16.6%
ALL CAYENNE	4,509	4,300	4.9%
ALL MACAN	5,466	6,480	-15.6%
TOTAL	15,548	14,805	5.0%

Meet the board candidates

The region extends its special thanks to past president and outgoing vice president **Todd Benz** who has served in a leadership position with the board for the past seven years. Todd is moving up to serve as the PCA national secretary. **Jim Janes**, who has served as treasurer for many years is also stepping down. We thank him for his service as well.

Region members will receive an email in November with a ballot to elect region officers for 2021. The ballot will include these candidates.

Shaun Stamnes is running for the position of President. He has been a PCA member since 2013 “after I realized my lifelong dream of owning my own Porsche.

“I have been a passionate supporter, (i.e. obsessed), with Porsche for as long as I can remember. When I learned about PCA in the early 80’s I had hoped to become a member someday if I was ever lucky enough to own a

Porsche.

“At first I was planning on just being a ‘magazine member.’ However after attending our first region function Dee and I were hooked. The friendships we have made not just in the region but from other regions are amazing. On top of that the technical knowledge and helpfulness of the members is something that cannot be overstated.

Todd Whitenack is running for vice president of the Fox Valley region board. He has been a PCA member since January 2019

“There a number of reasons for being a member: the obvious one is of course is sharing an interest in both the old and new Porsches with people of like mind. Another reason is the events; Sandra and I like to drive our car a lot and the club provides additional opportunities for us to do that.

“My interest in Porsches started in the early 1980s while I was working at a car stereo store which was across the street from the local Porsche dealer. While installing stereos

in Honda Accords and Toyota Corollas I would watch 911 SCs and Turbos going out for test drives. On one of my more confident days I ventured over there in my home improved 1979 VW Scirocco. After a few minutes of self-assuring banter with the sales person, I expressed my desire to test drive the more modest 911 base car. I was after all certain that I was ready for two more cylinders. To set the scene just bit more, I was around 18 years of age and in spite of wearing my best shirt, it turned out that sales person was not as convinced as I that I needed to drive that car; perhaps it was the obvious lack of money, we just can’t be sure. Let’s just say I never I got the keys to that 911 or even that used 914 parked out front.

“But there is a bright side, I got a new VW Jetta just a couple years later when Sandra and I got married and over the 30+ years of marriage I never lost thought of that ‘82 911 SC. I may even still have that sales person’s card. More recently our youngest child graduated from college, and it was at that time I said, it’s time for someone to get a Porsche. So we purchased a 2000 Boxster for my wife; face it she earned it more than me. Side note: she said I get a Porsche too. So if anyone knows where I can find an early ‘80s SC, I have my best shirt ready and my wife let me have the check book. I will find that sales person to do a drive by. Who is with me?”

Mary Haen is running for secretary. Mary and her husband Jim have been members since 1996. “It all started in the mid-1980s while working timing and scoring at Road America. I wanted to know what that ‘cute little car with the bug eyes’ was. I’d been bitten by the Porsche bug and didn’t know it yet. It only took another 10 years to get our first one. And she’s tucked in for the winter under a cover in the garage.

“I value PCA because someone, somewhere in the club, is willing to share advice, tips and ideas that have work for them over time. And the sharing and support isn’t just limited to cars.”

continued on next page

Meet the board candidates

Erik Scharinger is running for treasurer. "The time in PCA is complicated. I allowed my membership to lapse a few times but I've been involved with PCA Fox Valley since 1992. My official join date is August 2014.

"I grew up surrounded by cars. My father was a founding member of the Kettle Moraine Corvette Club and growing up in Kansas in the '80s I attended the first races at Heartland Park in Topeka while also spending summers in Sheboygan going to Road America. In this era of IMSA prototype racing it was impossible to miss the awesome 962 Porsche and as an Indy Car fan, Porsche re-entered that arena in 1987.

"Also, sometime in the '80s my father turned his attention away from Corvettes to German cars (started with an Audi, then Mercedes), and as they say, the rest is history. He picked up a 1981 928 in 1992 and I found a 1987 944S to purchase in 1996. I still have both of these cars.

"My passion for the marque has always been threefold for the whole family: Porsche / Audi / Volkswagen. You may find me showing up for an event in a Scirocco or my Turbo S Beetle.

"Having lifelong friends in the Corvette club, my parents knew the value of car club membership and promptly joined Fox Valley PCA back in 1992 and we attended the Door County weekend with PCA (I was navigator riding shotgun with FVPCA President Jim Stephenson). I moved away from the Fox Valley a few times over the years and allowed my membership to lapse, but I never lost contact with many friends within the club. Porsche owners come from all walks of life and I often marvel at all the great people I've met thanks to PCA. I don't know how I would have met them otherwise. From dinner runs, tech sessions, cars & coffee, picnics etc., this club does a great job putting together events not just car related but any excuse we can think of just to get together. My wife Lorelei and I have made many lifelong friends with this club and try to give back as much as possible. "

Tyler Hoffman took this photo of some of the Porsches that showed up for the last cars and coffee (a non-region event) in De Pere in the former Creamery, now called Toast & Co. Erik Scharinger also attended.

Treffen volunteers needed to achieve success

By Todd Benz, vice president
tbenz@onesourcetechnet.net

As you may know, the Milwaukee and Fox Valley PCA regions will be hosting the 2021 PCA Fall Treffen at The American Club in Kohler, Wis., from Oct. 13-17, 2021. This is a tremendous honor and privilege to showcase what our state has to offer to the rest of PCA.

We have formed a Treffen Planning team, made up of members of both regions that will work with the PCA National Treffen staff to help plan the event. Jim Janes, Fox Valley Region Treasurer, is the Region Treffen Chair and I am one of two volunteer recruiters. This event will require many volunteers to create a five-star experience. A minimum of approximately 50-60 volunteers will be needed from our combined two regions. Many of you have already contacted Shaun Stammes or me with an offer to help and we have documented those inquiries.

Here are some of the areas where we will need volunteers. Time slots will be created based on the numbers of volunteers.

- Registration (Wednesday)
- Information Desk (Wednesday-Saturday)
- Tour Departure Area (TBD)
- Tour Participation / Lead-Mid-Sweeps (Two days TBD)

If you think you would like to volunteer in some capacity and have not contacted anyone, please reach out me and I can provide additional information. I know October 2021 seems like a long way off, but it will go by fast and we want you to be part of this exciting event.

From the archives: 1992 concours winners

In the November 1992 Whaletales, a story reported on a tour of Door County that also included a concours competition. The winners of the concours were announced.

Jim Stephenson won the People's choice award with his 356. Jeff Dreyfuss was the runner up with his white slantnose. Fred Pesche took third place with a mint green slantnose. Fourth place went to editor Dave Hoern with his 1975 911S. (Note: The editor at the time was not big on a lot of detail. No years given for the 356, the white slantnose and the mint green slantnose.)

Of those noted above, Jim Stephenson has continued his membership throughout these 30 years. Thanks for staying with us Jim.

Nothing ordinary about Porsche greens

Porsche owners are usually obsessive about the color of their car. It's not just "green," but it is one of these greens that Porsche painted onto its various models. The numbers in parentheses indicate the years that this color was used.

Lucky you if you have a Porsche in one of the more distinctive greens that were only available for one model year, noted by * after the year

If you own one of these, let's see it. Send a photo to the editor.

Board Meeting minutes: October 10, 2020

Meeting called to order at 10:05 a.m. Adjourned at 11:21 a.m.

Roll call of members attending: Shaun Stamnes, Todd Benz, Mary Haen, Jim Janes, Dee Stamnes, Jim Haen, Erik Scharinger, Bev Jurkowski, and member at large, Todd Whitenack.

Absent: Andrew Opicka, Steve Groddy

Approval of the previous meeting minutes

Motion – Jim Haen

Second – Todd Benz

Approved - all

President Report / Webmaster Report

As of Sept. 31, 2020, our region currently has 186 primary members and 136 affiliate members for a total of 322. These numbers are up slightly since our last board meeting.

Most events have been cancelled or postponed until next year. A few of these event include our 30th Anniversary Celebration, the Auto Museum and our Holiday Party.

Webmaster Report. With a new vendor taking over, there will be changes to our web store. We will be allowed 15 items, one logo type, in color only. Shaun will check to see if we would be allowed special order items if ordered in bulk quantity.

Vice President Report (Todd Benz)

This past 6 months has been a challenge for all but as we learn to adapt we will get through this. There is not much to report with the exception of Treffen Fall 2021.

Treffen Update

Jim Janes is the Treffen Planning Chair. We have currently established the Treffen Planning Team and are having Zoom meetings to discuss the different driving, NDO and individual tours. Jim can provide more detail. As one of the volunteer leads I am working with Tony from the Milwaukee Region to recruit people. I will be sending out a email blast to our region members to see if they are interested in volunteering. We have about half of the total volunteers needed so far. Would be great if we had some events to recruit as well. This will be my last year serving on the Fox Valley Region PCA Board. It has been an amazing past 7 years serving on this board in many positions. I have met so many new people and created many friendships along the way. I will still be here to help and attend as many events as possible. Thank you for all that you have done to make this club yours.

Treasurer Report (Jim Janes)

We are solvent. Since our notes are published and made public, the Secretary and Editor will not publish these numbers. Although we do not publish these figures, interested members can contact the treasurer for a copy of this report. We have received our Quarterly rebate from PCA National.

Secretary Report (Mary Haen)

No nominations or interest from the general membership. Did anyone else hear of a candidate? Do Shaun, Todd, Jim and Mary still want to be on the ballot for 2021? Shaun Stamnes – yes. Todd Benz – could we look for a replacement. Jim Janes – could we look for a replacement. Mary Haen - Yes Todd Whitenack has graciously volunteered to run for Vice President. Erik Scharinger has graciously volunteered to run for Treasurer.

Ballots should be ready to go out the beginning of November with a mid November deadline. I will get the winners names to Connie at Oshkosh Trophy. Jim Janes is willing to pick up/coordinate plaques and awards with Gordon/ Auto Clinic and Connie at Oshkosh Trophy. I'll get winner information to Shaun for presentation in December.

Committee Reports

Membership Report (Dee Stamnes) As stated above, our region currently has 186 primary members and 136 affiliate members, for a total of 322. These numbers are up slightly since our last board meeting. We also have 10 junior members

Social Chair Report (Dee Stamnes) With Covid, there is nothing currently going on in our region. There was discussion on our contract with postponing or cancelling the Holiday Party. Dee will contact the Radisson to see if we can postpone until next year without penalty.

Social Media Chair Report (Erik Scharinger) Currently a bit slow. Always on the lookout for new content.

Board Meeting minutes: October 10, 2020 continued

Dealer liaison Report (Steve Groddy) No update.

Historian Report (Jim Haen) Nothing to report.

Insurance/Safety Chair Report (Andrew Opicka) No activities - no update.

Technical/Driving Tour Chair Report (formerly Dan Pankratz) Dan has resigned his position. We are currently looking for a new Tour Chair. A few possible names were brought up. Shaun will check to see if they would be interested in helping with the position. Please let a board member know if you are interested.

Webmaster Report (Shaun Stamnes) Provided with President's Report.

Newsletter Report (Bev Jurkowski) Nothing new to report.

Discussion on New Business President's items for discussion:

New Webstore update. See notes above.

Fall Treffen 2021 - Updates Todd Benz and Jim Janes gave updates on their progress. Multiple navigation tours, driving tours and self guided tours are in the works.

Region Zoom Account? Discussion regarding Zoom restrictions on length of Zoom meetings and license costs. With Treffen and BOD Zoom meetings working best due varied locations and Covid, we agreed that Shaun will set up a paid Zoom account for board meetings and Treffen planning use for one year. If at the end of that year we no longer need Zoom, we will cancel the license. A motion was made and passed to buy a one year Zoom license for \$150.

Holiday Party - Dee will contact the Radisson to see if we can postpone until next year without penalty.

Charities for 2021 - Suggestions? Due to Covid, many charities are hurting this year. Please consider possible charity choices. You will be able to give your suggestions on the ballot coming out the beginning of November. Criteria available on our web page.

Possible events for 2021, all subject to COVID revision.

Labor Day picnic at Road America

31st Anniversary Event

Bergstrom Tech Sessions

Cars and Coffee one Saturday per month starting in May through September at the dealership and possible other Cars and Coffee throughout the region

Driving events (TBD)

Tech sessions at Auto Clinic, Zero to Sixty or other facilities

Automobile Gallery in Green Bay (405 S Adams Street) in conjunction with Milwaukee Region

Consider a future Motion Products tour as they have now focused on Porsche.

Review of Old Business

New board of directors mentoring opportunities/succession plan for board members if appropriate. Please consider getting involved. All current board members would be willing to assist in transitioning.

Event planning to include getting more members involved with hosting. Would like to see at least multiple events per month. Do we need to advertise more, if so how? Can we have every BOD member host at least one event? Sharing events between regions.

Editorial Policy

Whaletales is your official source for news of FVR events (past, present, and future) and is proudly distributed monthly by the Fox Valley Region of the Porsche Club of America. Statements and opinions appearing in Whaletales are those of the authors, and not necessarily those of PCA, FVR, the Board, or the Editor. The Editor reserves the right to edit all material and to publish only material that is felt to be in the best interest of FVR-PCA. Other regions are welcome to reprint Whaletales articles, provided that the source and author are credited.

Email addresses are maintained by PCA at <http://www.pca.org> (login and select "Membership" – "Member Service" – Member Record" from the menu) and member email address changes must be made through PCA national. To have your questions, comments, articles or pictures published in Whaletales, email the Newsletter Editor – Beverly.jurkowski@gmail.com – no later than the 25th of the month.

Please send all information (text and pictures) as an attachment in your email. Do not let concerns about spelling, grammar or the like prevent you from sharing your story about your favorite Porsche or your extended family of Porsche friends – but please do include the name of event, captions for photos, and the names of people in photos. And don't forget to include the name of who took the picture. We appreciate member submissions and want to give credit.

Have you signed up for PCA Juniors?

It's not just the cars. And it's not just the grown-ups. PCA is about the kids too!

The PCA Juniors program is here for kids to enjoy PCA events, learn about Porsches, and continue the passion that runs throughout the Porsche Club of America. As a PCA member, you may sign up your child, grandchild, niece, or nephew under the age of 18. It's free to join! Your PCA Junior will receive a welcome box with an ID name badge in the mail. Many region events include activities for children and teens geared to grow enthusiasm for Porsche and PCA for generations to come.

SIGN UP HERE. IT'S FREE! <https://www.pca.org/pca-juniors>

The PCA Juniors program has worked with coloring book illustrator Fireball Tim to create custom coloring sheets for you to download and enjoy.

PORSCHE CLUB OF AMERICA

Classifieds

FOR SALE: 2002 911 996 Cabriolet \$28,500

911 996 Carrera Cabriolet 3.6 6-speed manual \$28,500 39,600 miles Arctic Silver Metallic/Graphite Grey leather

This is a 2002 Porsche Carrera Cabriolet from a non-smoking family. It is decked out in Arctic Silver Metallic paint with Graphite Grey leather seats and a black power top. The Bose AM/FM CD player with 6 disk CD changer sounds great. There are dual power front seats with lumbar support and heat. Keyless entry, 18" wheels, Xenon headlights, flared rocker panels, rear spoiler, clear bra and Porsche Crest embossed in the headrests makes this a beautiful car in beautiful condition. Very clean inside and out. Stored during the winter and has not seen inclement weather. This car has been serviced regularly with records to show. Regrettably the "silver bullet" doesn't get much use now and needs a new home.

For more info and photos contact: Wayne Slowinski 920-810-5148.

FOR SALE: TechArt Formula 1 20-in wheels, tires and spacers – price reduced \$2,300

No scratches or rash, tires 2000 miles on Hankook tires from Tire Rack, spacers for rear wheels included. These were dealer installed on my 2006 Cayman S for \$10k. Retail about \$6,500. They are at Auto Clinic in Neenah. Sold the car. More photos available. They will fit other Porsches; not sure which ones. \$2,300 wheels, tires and spacers. Bob Hawley 920-252-2544. Pick up only.

Photo of the Month

Todd Benz drives this 2019 991.2 911 GT3 in Carmine Red with black interior, sport bucket seats, deviated red stitching with lots of extra leather and carbon fiber interior appointments. Photo credit: Justin Benz
