COLOR INDEX 2012

*Refinish*

# La pratica del nostro sistema: vantaggi *in chiaro* !

Nei nostri **Center for Excellence** studiamo le migliori applicazioni della tecnologia per la gamma dei prodotti e per gli strumenti di lavoro ed organizziamo i servizi sulla base delle vostre necessità.

Il sistema Lechler consente una scelta consapevole dei cicli più idonei per raggiungere il massimo dell'efficienza nella duplice ottica di risultato ed economicità, innalza il livello di produttività in carrozzeria adottando modalità di lavoro più agevoli e sicure.

**Non limitarti a scegliere tra i prodotti migliori, adotta il sistema Lechler e accumula grandi e piccoli benefici concreti per la tua pratica di lavoro quotidiana.**

# Our system practice gains clear benefits!

In our Centres for Excellence we design and train with the best technology for our product range application and for our working tools. We tailor our services in order to meet your needs.

The Lechler system allows you to choose the most suitable paint processes in order to achieve the highest efficiency for both the result and low cost. It increases, then, productivity by adopting safe and easy working methods.

**Do not simply choose the best products, use the Lechler system and gain great and small benefits for your daily working activities.**
