

# 55-57 TRI-FIVE CARS

2021-2022

# ABOUT THE RIDE

This is not Sam Kirendolls, of Farmington Arkansas, first Trifive. He has owned 2 1956's before. However this is his 1st 1957. After purchasing the car in November 2019. He decided that it was time to blow this all apart and start over. After some extensive sheet metal work and dropping in a 350 Small with mild cam and automatic transmission. He painted this 210 2-door Sedan bright white, added Bel-Air upper window trim and side inserts for that cool custom look. The attention to detail on this car and custom add ons is why we chose Sam's 57 for the cover our catalog.

# Welcome to H&H Classic Parts

Thank you for requesting our 2019-2020 catalog! We've spent countless hours editing, refining, and creating the most customer friendly experience for you. Our customers are always at the forefront of everything we do, so if you have any suggestions please feel free to share your thoughts with us.

Thirty-two years ago our company, H&H, was born with a modest investment as a part-time hobby business. With hard work and dedication we've grown into an internationally recognized brand. We've established a reputation for superior customer service, fairness, and fast shipping. We will continue to take care of you, our customer, placing your needs above our own. Price is not always our first concern; quality products are more important to us. Our goal is to offer you a better product than our competition at the lowest price we can, and always with the fastest shipping in the nation.

As you may have heard, we started 2019 with a change in leadership. Our founder Herman JR stepped down and Herman III, better known as Tray, is now serving as the President and CEO of H&H. Change often brings new opportunities and challenges. H&H will always be devoted to our core business of restoration. However, we are looking to add several new product lines that will allow us to expand into more Restomods and Performance products. Stay tuned for lots of exciting news from H&H.

Again, we thank YOU; we would be nothing without our customers! Those of you that have bought from us in the past, present, and also to our future customers: if at any time we fail to meet your expectations with our service, product, or shipping, please contact us. As Herman would say, "We can't fix it, if we don't know about it."

We also encourage you to send us pictures of your projects and tag us on social media (Facebook and Instagram: @HHClassicParts). We enjoy featuring and highlighting your progress. Happy shopping and restoring; we look forward to serving you!

Sincerely,

A handwritten signature in black ink, appearing to read "Herman D. Smith III".

Herman D. "Tray" Smith III  
President CEO

Sincerely,

A handwritten signature in black ink, appearing to read "Herman D. Smith, Jr.".

Herman D. Smith, Jr.  
Founder

# POLICIES AND GENERAL INFORMATION

## **Returns Information**

All parts in this catalog are sold with a satisfaction guaranteed policy. **Please examine your order immediately. All shortages, incorrect items, and damages must be reported within 7 days!** If the package was damaged in shipment, save the merchandise and packaging and notify us immediately for instructions. To return an item to us, please contact us for instructions and a return authorization number. If H&H is responsible for the incorrect shipment we will reimburse the customer for their return shipping charges but under no circumstances will H&H pay for additional charges incurred by using packaging services, air shipping or accept COD shipments. For your protection, send the package by UPS or insured Parcel Post, saving the receipt until you hear from us. All Returns are subject to a 20% restocking fee. Special order items are non returnable except for warranty issues. No Returns on any items after 90 days. Any item sent back to H&H that has been opened or packaging defaced in any way will be subject to a repackaging fee. H&H reserves the right to refuse a returned item based upon its condition.

## **Pricing, Terms, Conditions**

H&H Classic Parts reserves the right to change all prices, terms, specifications, and other information without notice. Please call or write us if you have any questions or if you feel there is a discrepancy.

## **Guarantee or Warranty**

All of your parts are guaranteed for 90 days to be free of defects in materials and workmanship, unless noted within the catalog. Of course, the guarantee does not apply in the advent of any misuse, neglect, or improper installation or modification.

## **Payment**

We accept Visa, Mastercard, Discover, American Express, PayPal (PayPal on website orders only). There is a minimum purchase of \$10.00 on all credit card sales. Please provide the card number, expiration date, cardholder's name, and on mail orders the cardholder's signature. We also accept money orders and certified checks that are drawn on a US bank and/or financial institution. Sorry, no COD's or personal checks.

## **Damage or Shipping Claims**

Make certain you inspect all packages in the presence of the driver/carrier. If you receive a package that has been damaged or opened, make a claim with the driver/carrier at that time. All claims of loss, concealed damage or other destruction must be made by you with the carrier. Save all boxes and packing materials as the carrier may want to inspect it. We apologize for any inconvenience that this may cause, but this is the policy of UPS and FedEx. Any shortages not the fault of the carrier must be reported within 7 days of receiving order. No exceptions allowed.

## **Back Orders**

Listings in the catalog do not imply availability. It is rare that we are out of an item, however it will happen from time to time. In the event of a back order, we will cancel that item and you will need to reorder at a later date.

## **Product Changes**

H&H Classic Parts reserves the right to make changes and improvements in our products without incurring any liability to include these in any products previously manufactured or sold.

## **Core Charges or Deposits**

The purpose of core charge or deposit is to insure the return of rebuildable parts. Your deposit will be promptly refunded when we receive your complete, rebuildable core. A copy of your original purchase invoice must accompany your core. No refund will be issued for damaged, broken, disassembled, or incomplete cores. No exceptions will be allowed. Your cooperation and understanding is appreciated

## **Sales Tax**

Arkansas residents must include state sales tax. If you are an automotive parts business and/or you have a tax number, please include a copy of your permit with your order. To calculate sales tax you will have to contact us.

## **Notice**

This catalog, its wording and/or pictures are property and copyrights of H&H Classic Parts and are forbidden to be used by anyone under the penalty of law!!!

## POLICIES AND GENERAL INFORMATION

### **PHONE**

Monday through Friday 8:00-5:00 (CST)

Saturday by Appointment

### **FAX**

**479-787-6118**

When ordering via fax, please include a phone number where you can be reached during the day.

### **INTERNET**

VISIT OUR WEBSITE AT:

**www.hhclassic.com**

**FOR SECURE ONLINE ORDERING**

**E-MAIL US AT:**

**info@hhclassic.com**

### **MAIL**

**H&H Classic Parts**

**12325 West Highway 72**

**Bentonville, AR 72712**

Please include name, shipping address, phone number, and a detailed list of the parts being ordered. Please include a method of payment such as credit card, money order, or cashiers check (sorry, no COD's or personal checks). If you have any questions, please call 479-787-5575 and we will be happy to assist you in any way.

**Do you have an order that you want brought to one of the events? Well, go ahead and call it in the week before the show! We will have it pulled, invoiced, and waiting for you to pick up when you get there! To have parts brought to the show please call your order in by the Friday before the event. Cruisin' the Coast and the GoodGuy's PPG National show orders must be called in THREE WEEKS BEFORE those shows. The truck is gone for multiple weeks during those events.**

### **US Ground Shipping Charges**

Shipping charges are based upon how much you order and the size of the boxes or tubes that it will take to ship them. Our shipping charges are as follows:

FROM	TO	FEE
\$0.01	\$25.00	\$9.95
\$25.01	\$50.00	\$10.95
\$50.01	\$100.00	\$14.95
\$100.01	\$200.00	\$21.95
\$200.01	\$300.00	\$26.95
\$300.01	\$400.00	\$34.95
\$400.01	\$500.00	\$42.95
\$500.01	\$600.00	\$51.95
\$600.01	\$700.00	\$59.95
\$700.01	\$800.00	\$67.95
\$800.01	\$900.00	\$75.95
\$900.01	\$1000.00	\$83.95
\$1000.01	over \$1000.01	\$94.95

Due to size and / or weight, some parts will fall into the "Oversized" shipping classification resulting in an **additional fee on top of the normal shipping rate**. Please make sure you check on our website or in our catalog to see if your parts fall into this classification to correctly estimate your shipping charges. Any item that is a "Truck Freight" classification will have to be shipped by UPS Freight. For Truck Freight items, please contact our sales department for shipping costs. **If you have any questions regarding our shipping policy, please call us at 479-787-5575 BEFORE ordering.**

CLASSIFICATION	SYMBOL	FEE
Oversized 1	①	\$8.00
Oversized 2	②	\$16.00
Oversized 3	③	\$80.00
Truck Freight	🚚	Call for quote

### **Air Shipping Charges**

All air shipments are sent by UPS. Charges are based upon the size and weight of the box. We will have to call you back with a freight total.

### **Shipping Charges to Hawaii and Alaska**

All orders shipped to Hawaii, Alaska, US territories and possessions must be prepaid with a credit card and will be shipped by the best means possible.

### **Shipping to Foreign Countries**

All orders shipped to foreign countries must be prepaid with a credit card and will be shipped by the best means possible. Orders to foreign countries may incur customs and duty charges, customs broker and any other fees related to the importation of merchandise. All such charges are the responsibility of the recipient.

## **AC/HEATER PARTS** 1-5

Vintage Air Systems, Ac Vents, Duct Hose, Factory Heater Control Parts, Heater Cores, Heater Hoses

## **BOOKS/MANUALS** 5-6

Shop Manuals, Assembly Manuals, Wiring Diagrams, Owners Manuals, Instructional Books

## **BRAKE PARTS** 6-10

Master Cylinders, Wheel Cylinders, Brake Shoes, Lines, Hoses, Pedal Parts, Ebrake Parts, Disc Brake Conversions

## **CHASSIS & SUSPENSION** 10-15

Power Steering Kits, Factory Power Steering Parts, Springs, Leaf Springs, Shocks, Suspension, Coil Over Kits, Air Ride, Ridetech

## **CONVERTIBLE PARTS** 15-16

Top Handles, Top Boots, Cylinders, Motors, Hoses

## **COOLING SYSTEM PARTS** 16-19

Radiators, Aluminum Radiators, Electric Fan Kits, Core Support Parts

## **DECALS** 19-20

Air Cleaner, Valve Cover, Hub Cap Decals

## **DOOR PARTS** 20-22

Strikers, Latches, Handles, Keyless Entry, Hinges

## **EMBLEMS** 22-24

Hood, Grille, Quarter Panel, Trunk, Dash, Horn

## **ENGINE & TRANSMISSION** 24-31

Alternator Brackets, Ac Compressor Brackets, Serpentine Belt Systems, Carb Linkage, Choke Tubes, Exhaust Hangers, Ignition Hardware, Ls Engine Swap Parts, Engine Mounts, Clutch Parts, Transmission Mounts

## **EXTERIOR PARTS & TRIM** 31-47

Chrome Bumpers, Bumper Brackets, Clip Sets, Grilles, Headlight Parts, Hood Hinges, Hood Trim, Parklight Parts, Taillight Parts, Backup Light Parts, Side Trim, Tailgate Parts, Trunk Parts, Outside Mirrors

## **FUEL SYSTEM PARTS** 48-49

Gas Tanks, Gas Lines, Sending Units, EFI Gas Tanks, Filler Necks, Gas Caps

## **INTERIOR HARD PARTS & TRIM** 50-68

Arm Rest Parts, Clutch Pedal Parts, Dash Indicators, Dash Bezels, Dash Trim, Dash Lenses, Classic Instrument Gauges, Dakota Digital Gauges, Factory Gauges, Dome Light Parts, Firewall Pads, Floor Mats, Gas Pedals, Glove Box Parts, Firewall Pads, Floor Mats, Horn Rings, Inside Mirrors, Steering Column Parts, Ididit, Seat Belts, Sill Plates, Turn Signal Parts, Wiper Parts

## **INTERIOR SOFT GOODS** 69-86

Door Panel Cardboard, Door Panel Stainless, Package Trays, Seat Foam, Carpet, Windlace, Seat Covers, Side Panel Sets, Kick Panels, Sunvisors, Headliners

## **LOCK SETS** 86-87

Key Blanks, Individual Locks, Lock Sets

## **RADIO & AUDIO PARTS** 87-89

Speakers, Radios, CD Players, Antennas

## **SHEET METAL BODY PANELS** 90-98

Floor Pans, Floor Braces, Trunk Floors, Toe Boards, Spare Tire Wheels, Wheel Wells, Wheel Houses, Quarter Panels, Firewalls, Hoods, Trunk Lids, Fenders, Doors, Tailpans Roof Skins

## **WEATHERSTRIPPING & RUBBER PARTS** 98-104

Body Mounts, Fender Seals, Hood Seals, Rubber Bumpers, Door Rubber Seals, Tailgate Seals, Fur Channel Kits

## **WINDOW PARTS** 104-108

Garnish Screw Sets, Glass, Power Window Kits, Window Regulators, Window Frames, Handles

## **WIRING & ELECTRICAL PARTS** 109-112

Battery Boxes, Switches, Front Light Harness, Engine Harness, Under Dash Harness, Fuse Panels, Classic Update Wiring Kits

**WARNING:** When using a crate or salvage motor, make sure the compressor isn't a variable speed or output-type. These will not work with any Vintage Air system. These are most common on LS motors.

## SURE-FIT KITS (GEN-IV)

Vintage Air SureFit kits are the most complete, bolt-in climate control systems available for classic and late model muscle cars, restomods, and trucks. SureFit kits install easily and utilize most of the factory sheet metal and body features, and are engineered as "vehicle specific" complete systems. With the ever-increasing value of classic cars and trucks, particularly Corvettes, "pony cars," and muscle cars of the '60s, we have engineered these kits to be installed using as many of the factory-drilled holes and brackets as possible to maintain the vehicle's value. In some cases, very minor adjustments or an extra hole may be required. This is because all auto manufacturers made changes to their vehicle assembly designs during production runs. SureFit kits also offer the most complete and straightforward installations available anywhere. Our award-winning instruction booklets and carefully engineered system packages should make your SureFit installation job simple, fun and very cool! Our SureFit kits are designed to place the evaporator case and air duct hoses behind the dash for a factory-clean look. In most cases, the SureFit system will be controlled by your stock dash controls using our exclusive patented "Cable Converters." In some applications, a new "factory" look control panel is included with the kit. Some early truck kits must use additional switches. All SureFit systems provide full OEM-style operations including air conditioning, floor or vent exit heating and a powerful dehumidified defroster. To retain a true factory look, the A/C air exits through the factory dash louvers, if originally equipped in your car's dash.

**NOTES:** Some installations may require additional engine pulleys not included with kits. You must provide pulleys, v-belts, heater hose, and refrigerant. Vintage Air recommends using their heavy duty fan blade and a fan shroud.

4087	57	V8 Mount	299.95 Kit
4088	57	6cyl Mount	299.95 Kit

This SuperFlow condenser design was pioneered by Vintage Air to provide leading-edge technology and superior performance with today's 134a refrigerants. The importance of this unique new micro tube design and its improved refrigerant flow cannot be overemphasized. By providing increased refrigerant contact with the micro tube walls and multiple passes per circuit for low restriction pathway, SuperFlow condensers provide up to 40% more capacity than comparably sized old-style tube-and-fin condensers. **WILL NOT WORK WITH ORIGINAL AC SYSTEM.**

## 500 POWER STEERING CONVERSION BOX

Our 500 power steering box is unlike your average 605 box. Instead of using old parts from a 55-57 steering box and using the remainder of the lower housing from a manual steering box, we have cast a new Pitman shaft with the correct number of teeth already in the right position and a new lower housing with the bracket made into the housing. Once you see your 500 box, you will decide that this is the best box on the market today.

1561	55-57	All	449.95 Ea
------	-------	-----	-----------

**FOR STEERING COLUMN CONVERSIONS OR IDIDIT STEERING COLUMN PARTS TO FIT THIS CONVERSION BOX GO TO PAGE #65-66**

## 500 POWER STEERING KITS

Each 500 power steering kit comes with the 500 gear itself, power steering pump with dual groove pulley, hose kit, and pump bracket. It does not come with a steering column. For steering columns, you will have to purchase a modified column, convert your original column to work. All kits are for auto column shift or all floor shift.

2540	55-57	V8 Small Block	619.95 Kit
2541	55-57	V8 Small Block	629.95 Kit

### ROLLER BEARING CONVERSION KIT

This conversion kit eliminates the old ball bearings and replaces them with modern roller bearings. Though this is an excellent way to modernize stock wheel applications, its an absolute must-have for those with custom, non-original wheels. Old-style ball bearings can not withstand the side loads that custom width wheels transmit to the bearing. You can use your stock brake drums and will not notice any changes in front end alignment. Kit comes complete with new cast iron hubs, studs, inner bearings, outer bearings, races, grease seals, hub caps, and spindle nut washers. Easy to install.

If you decide to put larger tires on your Tri-Five, you are going to need to move the springs to get the extra room you need. This rear spring relocater pocket moves in-board springs on all models of 1955 through 1957 Bel Airs, 210 and 150s. The kit helps you move the springs into the frame in order to give you room for your new tires. It comes with two frame pockets, two frame cut out plates, new spring pads and new shackles complete with bushings. You get instructions inside the kit. This only works on models that have stock springs. It has been manufactured by Classic Performance.

CPP now offers a complete front and rear coil-over systems for your classic car or truck. Each kit includes a bolt-on front coil-over system that includes high-quality dual-adjustable shocks, specially designed conical springs and all mounting hardware. We offer different Stages of rear suspension options to cater to your budget or driving environment! Both front and rear shock bodies are made of high-quality billet aluminum, featuring dual 19-click rebound and compression adjustment knobs providing an amazing total of 361 possible dampening combinations. The threaded body allows ride height adjustment and shock compression/rebounded adjustments.

### FRONT COIL OVER CONVERSION KITS-DOUBLE ADJUSTABLE

4381★ 55-57 Small Block 699.95 Kit  
4510★ 55-57 Big Block 699.95 Kit

CPP's new Pro-Touring Kits are the most complete packages on the market and offer the ultimate in performance upgrades to your car or truck for an affordable price. Our kits come in 4 different stages, from suspension only (Stage I & II) to full kits (Stage III & IV) including front and rear brake packages. Our kits are made in the USA with the quality you have come to expect from Classic Performance Products, Inc. All our PTK kits include front and rear Totally Tubular™ upper and lower control arms, front and rear Pro-Touring sway bars with an optional billet aluminum mount upgrade, lowered front and rear coil springs with nitrogen gas shocks in the PTK1 or the dual-adjustable coil over package with rear dual-adjustable shocks (PTK2, PTK3, PTK4), lowered rear leaf springs (for leaf spring applications). Add CPP's chrome master cylinder/adjustable stop-block combo along with our front and rear 11" or 13" Big Brake disc brake kits, and you have a "tried and true" Pro-Touring package in the PTK3 (Stage III) and PTK4 (Stage IV) kits.

Works with RidePRO-X pressure measurement for ultimate "Pressure+Height" accuracy. Compact, heavy-duty Ride Height Sensors with stainless steel arms. Sensor Arms feature six linkage rod holes to fine-tune motion ratio – No need for drilling. Ride Height Sensors rotate through full 360 degrees to eliminate over-travel damage. Bendable Linkage Rods with Rubberized Rod Ends. Maximum articulation and service life. Weatherproof mil spec connectors and wiring harnesses. Can be added onto existing pressure-only system installations Can also be used with older Gen 2 and Gen 3 RidePRO systems (not Gen 1)

# U.S. Radiator

The Difference Is In The Tooling

For over 50 years, U.S. Radiator Corp. has been in the business of providing cooling system confidence to car builders and travelers world-wide. Having the local Mohave Desert and Death Valley as natural testing ground, a line of high performance radiators appropriately named, The Desert Cooler®, was developed in the early sixties. Distributed through a network of performance minded dealers and engine builders. U.S. Radiator is dedicated to cooling system testing. Research and development is a never ending quest for the best solutions our has to offer the high performance automotive enthusiasts. With this dedication, we bring our customers fact-based, extensively tested products to enhance their driving enjoyment.

# U.S. Radiator

The Difference Is In The Tooling

US Radiator aluminum crossflow radiators are designed to use original radiator core supports and side filler panels. Modifications will be made to side filler panels to mount radiator and for radiator hoses. Not designed for LS engines. Available as radiator only or with shroud and dual fan assembly.

## CROSSFLOW ALUMINUM RADIATORS

131 55-57 All Rear View 409.95 Ea

148 55-57 All w/Shroud & Electric Fans 1099.95 Ea

At Cold Case, their goal is to produce the highest quality aluminum radiator, make every model be a direct fit, look original, all while maintaining a reasonable price point. Their extensive research and development team ensures that you are getting a drop in radiator with every purchase. They don't cut corners or cross over year ranges if the dimensions are close. If we list it, it's a direct fit with no modifications to be made.

All Cold Case Radiators Feature:

- Lifetime Warranty
- Correct OEM Fitment
- 100% Expert TIG Welded
- 2 Oversized Cooling Rows
- (2x) 1" to 1 1/4" Tubes Per Row
- OEM Stamped Fully Polished Tanks

## ALUMINUM RADIATOR CORE SUPPORT KITS

Each module comes fully assembled and ready to bolt into your vehicle. They consist of an aluminum radiator support, big 1.25" tube dual core cross flow radiator, two 2800cfm fans/shroud combination, billet cap and billet overflow tank. These are very popular with high tech, high horsepower builds in which maximum cooling is a must. Available in either standard Chevrolet outlet configurations or LS outlet configurations, they are 100% TIG welded and polished for a show stopping appearance and backed by our limited lifetime warranty and 60 day cool guarantee.

These new radiator supports modules feature:

- Complete modular unit fully assembled ready to install
- Extra forward design will clear Big Block and LS front drives
- 100% TIG welded
- Polished aluminum finish
- 2 row design with 1.25" tubes
- Available in standard Chevy or LS configurations
- Includes dual 14" 2800 CFM fans and shroud combination setup
- Easy to install even in finished cars
- Optional AC condenser and electronic fan controller upgrades available

ALAN GROVE COMPONENTS INC. has specialized in fabricated specialty vehicle components for many years. Our mounting brackets are crafted from steel plate and represent our commitment to quality. All welding is T.I.G and all edges are smoothly finished. Our brackets are guaranteed to fit and include all the necessary bolts, nuts, spacers, hardware, belt-length recommendations and "easy to follow" illustrated instructions for simple installation. Dimension requirements for our brackets are provided within each bracket description on this web site. Please refer to these before ordering. Your satisfaction continues to be our goal.

## What kind of water pump do I have?

### SMALL BLOCK WITH SHORT WATER PUMP

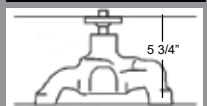

### SMALL BLOCK WITH LONG WATER PUMP

Chevrolet used many different water pumps throughout their history. Please take the time and make sure that you identify which water pump you have so that you will be able to order the correct AC system or correct brackets and pulleys.

## What kind of water pump do I have?

### BIG BLOCK WITH SHORT WATER PUMP

### BIG BLOCK WITH LONG WATER PUMP

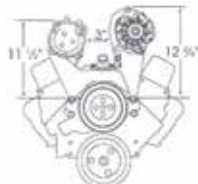

Chevrolet used many different water pumps throughout their history. Please take the time and make sure that you identify which water pump you have so that you will be able to order the correct AC system or correct brackets and pulleys.

### Small Block With Short Water Pump

3605 Compressor Mounting Bracket 105.95 Ea  
3606 Alternator Mounting Bracket 95.95 Ea

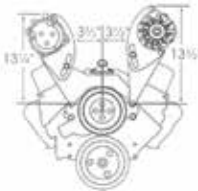

### Small Block With Long Water Pump

3616 Compressor Mounting Bracket 105.95 Ea  
3617 Alternator Mounting Bracket 99.95 Ea

These brackets bolt to the top water pump and the two front intake bolts. They may be used individually or as a pair, Will clear tall valve covers.

FRONT VIEW

## BRACKETS FOR SMALL BLOCK

### Small Block With Short Water Pump

3607 Compressor Mounting Bracket 115.95 Ea  
3608 Alternator Mounting Bracket 99.95 Ea

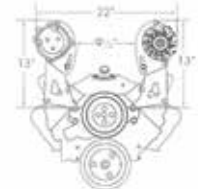

### Small Block With Long Water Pump

3618 Compressor Mounting Bracket 105.95 Ea  
3619 Alternator Mounting Bracket 99.95 Ea

Designed for use in applications that require added clearance for tri-power carbs and dual quad carbs. Bolt to top water pump and the two front intake bolts. Alternator bracket works well with intake mounted oil filler tube and offset thermostat housings. Will clear up to 4 1/2" tall valve covers.

Front View

## BRACKETS FOR SMALL BLOCK

### Small Block With Short Water Pump

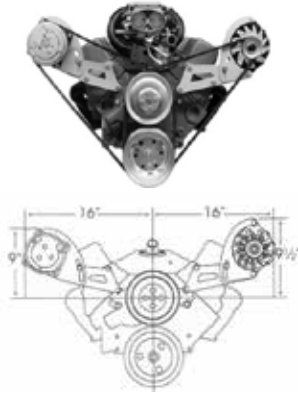

3609 Compressor Mounting Bracket 105.95 Ea  
3610 Alternator Mounting Bracket 105.95 Ea

### Small Block With Long Water Pump

3620 Compressor Mounting Bracket 105.95 Ea  
3621 Alternator Mounting Bracket 105.95 Ea

A very versatile bracket system. Works with most induction systems. Will clear multiple carbs and most fuel injection. The alternator bracket will fit all 1969 and newer heads except Vortec. The AC bracket Fits all GM aluminum heads and may be used on 1969-1986 cast iron heads by drilling and tapping one hole for the upper mounting point. Will clear up to 3" tall center bolt valve covers when used on 1987 and later heads. Will clear up to 3 3/4" tall valve covers when used on 1986 and earlier heads.

**BRACKETS FOR SMALL BLOCK**

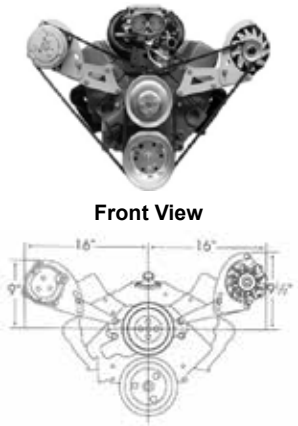

**Small Block With Short Water Pump**

3611	Compressor Mounting Bracket	105.95 Ea

**Small Block With Long Water Pump**

3622	Compressor Mounting Bracket	105.95 Ea
3623	Alternator Mounting Bracket	105.95 Ea

Designed for cars with low hood clearance: Vettes, Camaros, etc. These brackets also work great on most vehicles with a wide engine compartment: trucks, 50's and 60's cars, etc. These brackets bolt to the head and top water pump bolt holes. The AC compressor bracket Fits all GM aluminum heads and may be used on 1969 through 1986 cast iron heads by drilling and tapping one hole for the upper mounting point.

**BRACKETS FOR SMALL BLOCK**

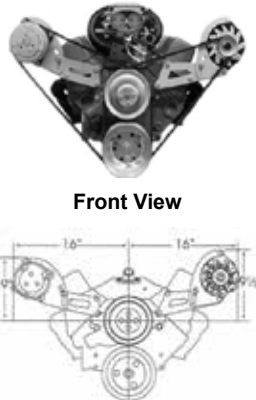

**Small Block With Short Water Pump**

Engineered for low hood applications. Works great on any vehicle with a wide engine compartment: trucks, 50's and 60's cars, etc. Bolts to the heads and water pump.

**FRONT RUNNER ENGINE DRIVE SYSTEMS**

- Exclusive front runner spring tensioner provides continuous SAE-SPEC static and dynamic belt tensioning for OEM quality belt life
- Exclusive block-mounted design allows any deck height/cylinder head combination. Uses no head or intake mounting bolts like conventional brackets.
- Super rigid truss-architecture design CNC machined from 6061-T billet aluminum. Available in machined or gray anodized finish.
- Engineered to clear most GM and aftermarket tuned port fuel injection systems.
- Exclusive fixed-position component mounting creates a super compact package within the basic engine size envelope. Fits into extremely tight chassis configurations.
- Uses exclusive new Vintage Air Tite-Fit Line/ Compact Compressor Package.
- Exclusive precision machined hard-coated aluminum pulleys reduce weight and wear like steel.
- Pulley sized engineered and matched for optimum component speeds.
- Uses compact GM Type II power steering pump and modified GM 140 amp alternator

### STANDARD FRAME

### SEAMLESS FRAME

When determining which frame you have, look below the front floor pan area and if your frame looks like two pieces of "C" channel welded together, you have a standard frame. If your frame looks like a smooth box, then you have a seamless frame.

Eddie Motorsports manufactures billet aluminum hood hinges for most models of Chevrolet and Ford muscle cars as well as some trucks. The hinges are CNC machined from solid chunks of 6061-T6 billet aluminum in the USA at our southern California facility. The hinges utilize a stainless steel nitrogen filled strut in place of the inferior stock compression springs to actuate the hood. The hinges use high quality sealed ball bearings at all pivot points for an ultra smooth and reliable operation. The hinges are available with a raw machined or bright polished finish or in a wide variety of anodized and Fusioncoated colors. Designed as direct fit, "bolt on" units, the hinges utilize the stock mounting holes with elongated slots for ease of gap adjustment.

## EFI GAS TANKS

1955-57 Chevy Passenger Car EFI Fuel Tanks. Will fit Hardtop, Sedans, and Convertibles. Fuel Injection ready, some units include 2 piece neck design for easier shipping. Utilizes tanks brand GPA series fuel pumps. Uses aftermarket 5 bolt senders. Internal baffling with extra large 4.8 liter dual tube fuel tray to prevent fuel pump starvations. Perfect for Pro-touring, Autocross, or Road racing applications. Looks like OE tank when installed. Coated galvanized steel then powder coated silver. 1" deeper than stock, longer straps included with tank

Tri-Five instrument cluster set includes a 4 5/8" SpeedTachular (with built-in ECM filter signal switch) and quad gauge with temp, volt, oil pressure, and fuel gauge programmed to read the stock 0-90 OHM

fuel sender. The package is ready to bolt into your dash, complete with instrument wiring harness and all necessary sending units.

## SKYDRIVE

Calibrate your speedometer in less than a minute and you don't even have to leave your driveway! Sky Drive is the world's most accurate electronic speedometer sending unit. No need for ECU convertors or pulse signal generators screwed onto your transmission. The new Sky Drive uses GPS Satellite signals to operate your electronic speedometer. It updates 10 times per second and with one push of a button it's ready to go.

4272	55-57	All w/Classic Instrument Gauges	249.95 Ea
------	-------	---------------------------------	-----------

## FUEL LINK

The Fuel Link interface is the problem-solver between fuel senders and gauges to correct ohm mismatch and erratic movement due to fuel slosh.

4392	55-57	All	139.95 Ea

## SPEED SIGNAL INTERFACE

4627	55-57	All w/Classic Instruments	121.95 Ea
------	-------	---------------------------	-----------

## GAUGE CONVERSION KITS

### EXCLUSIVE CHEVY REMOTE INTERFACE BOX

Electronic speedometer calibration no longer requires knuckle busting or removal of the dash panel! We've moved the essential electronic circuit boards into a separate "black box" for convenience and easier mounting. The three foot "quick connect" lead cable allows you to position the electronics on the firewall or wherever you choose. Box measures just 4.5" x 7.5" x 1" thick.

- 140 MPH electronic programmable speedometer.
- 8000 RPM tachometer.
- Fuel, volts, oil and temperature gauges.
- Plug & play set-up with remote interface control box.
- Fits into stock or aftermarket 1955-1956 bezel or includes mounting bracket to mount in stock 1957 gauge bezel.
- All kits include glass lens.
- All fuel gauges set up for stock fuel sending (0-30 ohms).
- All speedometers are electric programmable.

**BEZELS NOT INCLUDED!**

Since 1986, Dakota Digital has proudly designed, built and supported digital instrumentation from their Sioux Falls, South Dakota facility. Starting with the spark of an idea, plans are made; from the overall look to the internal circuitry and software. With plans in hand, housings, substructures and other hard parts are carved out of billet aluminum and lightweight HDPE in their fully equipped machine shop. A CNC router, several lathes and multiple CNC mills handle the dirty work. The housings are then carted across the 40,000sqft facility to the production floor, where intricate circuit boards are being populated on state of the art machines. Subassemblies featuring countless laser-cut bits are fitted to their respective housings, software is loaded, and the conglomeration of pieces is starting to look like a car part!

## DAKOTA DIGITAL GAUGE SYSTEMS

Get modern conveniences with a classic look by updating to digital gauges! No need for drilling extra holes. These gauges are made to exactly replace originals.

**Bezels & housings not included!**

**DAKOTA VHX SERIES GAUGES**

Fully lit needles, backlit faces, and highly visible LCD message centers are a few of the things that you can see which set the VHX Series apart from yesterday's traditional approach to instrumentation. A few of the features which you don't normally see are the micro-controlled precision stepper motors, solid state sensors for unparalleled accuracy, and user-customizable display feedback, all supported by an unrivaled limited lifetime warranty which has become the standard for Dakota Digital instrumentation systems. Completely engineered and manufactured at our facility in Sioux Falls, South Dakota, the VHX Series has completely revolutionized the instrumentation industry! **BEZELS NOT INCLUDED!**

## DAKOTA DIGITAL HDX SERIES GAUGES

HDX system allows the user to select their favorite illumination color for the gauge readings and needles, as well as the TFT message center displays. Available with your choice of black or silver gauge-face styling, each HDX system allows the user to select independent illumination colors for the gauge readings and needles, as well as the message centers. Calibration and personal settings are manipulated with the built-in capacitive-touch buttons or the available Bluetooth App. for the Apple and Android devices. Each needle hub is black nickel plated spun-aluminum to match the buttons. All HDX instrument systems feature dead-faced indicators (turn signals, high beam, check engine, cruise control, parking brake plus two user-definable) and a red, settable warning light for each gauge. With our central control box, installation is greatly simplified with vehicle-harness sourced signals and supplied, solid state sending nits connection cleanly to their respective terminal.

## DAKOTA DIGITAL RTX SERIES GAUGES

This 21st century wonder has the look of a stock 1955-57 Chevy cluster but offers a full-color TFT message center and LED backlighting (user-adjustable colors). The casual observer will think this is vintage stuff, right down to the mesh pattern behind the speedometer needle – until you hit the key! Use a stock or reproduction bezel; available separately. Add RLC-55C clock to finish off the passenger side. The RTX series is the latest from Dakota Digital, focused on retaining that stock look without sacrificing the late-model features you love. Every effort has been put forth to incorporate OEM design elements regarding the layout, face styling and indicators. A casual glance may dismiss these as original equipment, but once you hit the switch and the LED backlighting comes on in your favorite color scheme, all doubts will be removed.

Starting from scratch, CNC machined housings are filled with electronics designed and built in-house, helping Dakota Digital once again raise the bar for aftermarket instrumentation. The high-definition TFT message centers can be fully configured to display just about any piece of information needed. As you've come to expect from Dakota Digital, the RTX series utilizes a central control box to make installation and setup as easy as possible. Click the tabs below for a more in-depth look at the RTX series!

For installing an option that never was, Ididit designed the perfect replacement for original 1955-1957 columns, but with the added comfort of five-way tilt adjustment. Each column comes in four finishes: paintable steel, chrome, and polished or brushed aluminum. Each column can be adapted to work with the original steering wheel using the #3575 adapter kit or any GM steering wheel made after 1969, as well as many aftermarket wheels with the use of an adapter.

We offer each column in either non-column shift for all floor shift cars as well as in column shift for automatics. Each column is the correct length for 500 boxes. You will need to purchase a column installation depending on what steering box you have.

### IDIDIT DOESN'T BUILD ANY COLUMNS FOR 3-SPEED ON THE COLUMN.

### STRAIGHT COLUMNS FOR COLUMN SHIFT

ACC was born in 1977, and we've been on an epic journey ever since. From our beginnings as an Auto Trim Business to becoming the world's largest manufacturer of Automotive Flooring products, we've tried to stay true to our core principles. Deliver exceptional products made in the USA. Strive every day to be better than the day before. Do it faster than anyone. We are very grateful to the millions of customers who trust us each year and for joining us on this awesome ride. We hope that you'll continue to be a part of our story.

**Why ACC?**  
Automotive Flooring is what we do. It's all we do. It's not a side business. It's not one of numerous other product lines that could divide our attention. It's all we focus on every day. We know you and your vehicle deserve that.  
Our dedicated team is our biggest asset. These long time employees insure the products we produce every day are of the highest quality and made with the best craftsmanship. From our engineers, to the materials and equipment we use, to our dedicated staff, we are relentless in our pursuit to manufacture a product that we all are proud of.

**1955-56 CONVERTIBLE DAYTONA WEAVE**

Original tight weave "Daytona" set consisting of front and rear passenger area with jute underlay, heel pad and with dimmer switch grommet for easy installation. 1957 carpet can be used in 55-56 cars if you are wanting a more economical carpeting.

**1956 DOOR PANELS**

The front and rear panels are completely assembled (minus your stainless trim and your front armrest assemblies (rear also on four door models). Ready to install with nails welded to the metal edge door bands. Bel-Air models have armrests covered and sewn into door panels (we must have your armrests before we can start to build these panels. They must be cleaned and painted or you can purchase new ones) 150 and 210 models will come with material to recover the armrest pads. Hardtop and Convertible models will also have pre-sewn material to cover the rear armrests (can be installed on new or your armrests for an additional charge). Set also includes windlace and colored kick panels to match your new door panels.

## BLUETOOTH ADAPTER KITS

Wireless interface for Custom Autosound CD controller radios (USA-630, Secretaudio (SST & SRMS), USA-66). This adapter plugs into the CD changer port of your Custom Autosound radio and gives you the ability to do hands free calling from your bluetooth capable phone.

Also listen to music stored on your A2DP enabled bluetooth device. If you have a CD changer or CD1 single player you can still use it with the adapter plugged in (there is a CD changer port on the control box of the Blukit).

Main control box has a 1.5' cord that goes to radio CD port, 6.5' cord to answer button and 3.5' cord from answer button to microphone.

4552 All w/630 or Slide Bar Radios 119.95 Kit

## SECRET AUDIO SYSTEM

Hideaway 200 Watt AM/FM CD controller with USB MP3/WMA Flash Drive, iPod interface and more. Featuring "RF" (radio frequency) remote control. Ideal for Streetrods, Classics, Customs or any Vehicle! Leave original radio intact! LCD display unit can be mounted almost anywhere and be controlled by wireless remote from up to 40 feet away. The tuner/amplifier unit (black box) can be hidden out of site (under seat, dash or trunk). Comes with 10' cable from LCD panel to tuner/amp. Two mounting options included for the LCD control panel! (Flush mount bezel, or a swivel mount bracket!) We have even included the iPod docking cable (iPod not included).

3914 55-57 All 359.95 Ea

## USA 230 RADIOS

If you don't need USB/MP3 or CD changer control this is the model for you. An awesome looking radio at a great price. Radio has no cassette but comes with auxiliary audio input. If you have a portable MP3 player or Satellite radio just plug it into the Aux input and listen to it through this radio. Our kits modify each radio to fit specific vehicles right out of the box. No extra kits/bezels needed!

• AM-FM Stereo • 200 Watts (4x50) • Auxiliary Input (RCA Rear) RCA to 1/8" pin jack included • Digital Clock • Electronic Tuner • 16 Pre-sets (4AM-12FM) • 4 Channel RCA Pre-outs • 4 way Fader • Power Antenna Lead

264 57 All 199.95 Ea

## USA 630 RADIOS

This radio has large OEM style push-buttons that give a perfect look in a classic dash. Although it looks classic it has the latest modern features. USB input on the back of the radio allows you to plug in a USB flash drive for playback of MP3/WMA song files. This jack is on an 14" extension which allows you to place it in the glove box or ash tray for easy access (no unsightly wires or plugs hanging out of the front of the radio). The new alpha numeric display (30% larger than previous models) shows the song/artist/album (id3) titles during playback of MP3/WMA files. w/ the built in CD controller you have complete control (no FM modulation) of CAM's 6 disc CD changer. This same CD controller also facilitates the optional iPod® interface that turns your iPod on/off and charge it while giving you control to advance songs or play list from the buttons on the radio. A great feature so you can keep the iPod hidden away in your glove box or console. The back of the radio also has auxiliary audio input for satellite radio or any portable player you may wish to use. Our kits modify each radio to fit specific vehicles right out of the box. No extra kits/bezels needed!

• AM-FM Stereo • 240 Watts • USB Port for Flash Memory MP3/WMA Playback • Direct 10 CD Changer Control • Alpha Numeric id3 Display for MP3/WMA files • Electronic Tuning and Volume Control • 4 way Fader • Left Right Balance • Digital Clock • 2 Channel RCA Auxiliary Input for Satellite / iPod etc. • 16 Pre-sets (12FM-4AM) • 4 Channel RCA Pre-outs • Separate Bass and Treble • USA/Euro Tuner • Power Antenna Lead

3708 57 All 279.95 Ea

## USA 740 RADIOS

The USA-740 offers the same classic look that Custom Autosound has always been known for with today's latest features. Now, with built-in Bluetooth (microphone included), answer calls and get Bluetooth streaming music from your Bluetooth capable phone or Bluetooth compatible device. Classic style with today's sound and performance taking every road and curve with you in your vintage vehicle.

• AM-FM Stereo • 300-watt • Hi 4volt, 4channel RCA Pre-outs and a Subwoofer RCA pre-out for additional amplifiers. • USB input • Front mini jack auxiliary audio input • Rear RCA auxiliary audio input Match the dominant color of your instrument cluster with user selectable multiple LCD color choices with LCD dimmer control. The AM/FM RDS tuner shows station, song and artist on the LCD display. For those of us committed to music collections on compact disc, the USA-740 fully controls our optional CD-1 CD player.

## AM/FM RADIO SLIDE BAR

The Slidebar Radio is Custom Autosound's latest innovation in the quest for a perfect classic car radio. Just slide the 'slidebar' to the right and the analog AM radio display drops away to reveal a full featured digital display. With the large OEM style push-buttons you get a perfect look in a classic dash. Now a radio that not only looks right and sounds great in your classic vehicle, it gives you a direct connection to today's modern audio. Although it looks classic it has the latest modern features that include an iPod doc. Navigation for the iPod includes artist/song/album/playlist all from the buttons on the radio. A great feature so you can keep the iPod hidden away in your glove box or console. The USB input is still there on the back of the radio and allows you to plug in a USB flash drive for playback of MP3/WMA song files. The alpha numeric LCD display shows the song/artist/album titles during playback of flash drive (thumb drive), iPod files and RDS radio station information. This LCD display has 7 user selectable color choices so you can match it to your other dash illumination. As an option you can get Bluetooth music streaming from your Bluetooth capable phone or Bluetooth compatible player with the BLUKIT. A2DP music streaming allows you to advance the songs on your phone buy using the track up/down button on the radio. It will also mute the music to take a hands free phone call through the radio. With 300 watts peak the radio should have all the power you may need, if you want more there are four pre-outs jacks and a subwoofer out on the back of the radio for optional amplifiers. The back of the radio also has auxiliary audio input for satellite radio or any portable player you may wish to use. If CD's are your thing we have you covered as this radio will control an optional 6 disc changer USA-CD60 or our CD1 compact size CD/DVD mp3 compatible player. • AM-FM Stereo with 25 pre-sets (15-FM / 10AM) • RDS tuner shows station / song / artist on LCD display • 300 Watts Peak • 7 LCD color choices (user selectable - white/red/blue/cyan/green/yel-

low/pink) • LCD dimmer control • Bluetooth Option Available (#Blukit) • iPod doc and control (Control your iPod from the buttons on the radio) • USB Port for Flash Drive MP3/WMA Playback • Direct CD1 Control • Alpha Numeric Display for MP3/WMA/iPod files • Electronic Tuning and Volume Control w/Last Volume Memory • Bass / Mid / Treble Tone Control • Loudness compensation • DSP EQ • Front Rear Fader • Left Right Balance • Digital Clock • 2 Channel RCA Auxiliary Input for Satellite etc. • 4 Channel RCA Pre-outs • Subwoofer Line out w/Level and x-over Adjustments • USA/Euro Tuner • Power Antenna Lead

Looking for top quality dependable power windows for your Classic Cars, Classic Trucks, Muscle Cars, Street Rod or Hot Rods? Nu-Relics manufactures direct bolt in gear driven windows for classic cars. The power window conversion kits are truly make and model specific - designed for the regulator to work like the original manual regulator with correct bolt patterns and arm lengths. Installation is easy - unbolt the manual regulator. Reverse the process and bolt in the power regulator in the exact same location. Nu-Relics power window kits for classic cars and hot

rods provide some great features such as:

- The kits are available with various switch options. Has chrome switches and Nu-Cranks that allows your original crank handle to operate as a power switch.
- Kits include: regulators, motors, completed wire harness, choice of switches, conduit to protect the wires going thru the door. Each product page includes pictures of all the parts included in the kits.
- Works with curved glass
- Regulators are constructed of durable components (treated gear plates, 1018 cold rolled steel, Bronze Oilite® thrust bearings at pivot, etc.)
- Lifetime warranty against manufactures defects on the regulators, motors, and switches purchased from Nu-Relics Power Windows, LLC.

4411	55-57	4-Dr Sedan/Wagon	Rear Lower	22.95 Ea
Use w/Part #S 1184 & 1185				

\*NOTE: Due to a mid-year design change in 1955, there are two designs for parts 1180 & 1181. Some 1956 models could possibly be affected as well. The first design has a shorter lower slide track that is welded onto the channel. The second design has a LONGER lower slide track and IS NOT welded onto the channel. The second design is currently the only style being produced. If you have the first design you will need to purchase part #4409 to complete installation. PLEASE CHECK YOUR EXISTING PART PRIOR TO ORDERING TO MAKE SURE THIS IS THE CORRECT REPLACEMENT PART.

**American Autowire**

American Autowire is a premier automotive electrical manufacturer of OEM, restoration, and performance parts for stock, modified, and customized rides. They have decades of industry experience, and are committed to delivering outstanding products and excellent customer service. Co-founded by Michael Manning and Frank Colonna in 1983, this company had humble beginnings as a basement business in Laurel Springs, New Jersey. Fast forward thirty years and the modern operation is based in a manufacturing facility in Bellmawr, New Jersey. The founders are still working away with the assistance of a sizable workforce and a more resourceful operation.

All products made by American Autowire are American-made right there in their facility where work is overseen by the founders and visionaries of the company. Hailed by buyers as being "extremely well-made", "the best quality product", and "truly painless" when customers offered feedback about their products – American Autowire puts a lot of consideration into the parts they make. These products are made by car enthusiasts, for car enthusiasts.

## TRANSMISSION TORQUE CONVERTER LOCK UP KITS

Our lock up kit allows you to install a 700-R4 or 200-R4 without a computer. This is a complete external kit and takes ten minutes to install without removing the transmission pan. No brake switches or vacuum switches are needed. Our kit allows lock up only in fourth gear which eliminates most converter shudder. This item works with all 700-R4 and 200-R4 with square connector plugs. This kit will not work with 4L60E or 4L80E transmissions!

What makes the Classic Update Series harness kit better than the competition? The Classic Update Series design philosophy is to build complete "full function" systems and engineer them for easy access, easy installation, and connectivity with common update accessories, all while allowing for future expansion.

Each kit is a completely new design engineered around the specification and physical dimension of your car or truck, as well as the space constraint imposed by many aftermarket accessories vying for the limited space under the dash. These kits are not generic street rod products. Superior design has given the builder complete flexibility to use original stock switches and components as well as Custom Update accessories such as: Dakota Digital instruments, RainGear wiper systems, Vintage Air heat and AC systems, Ididit and Flaming River steering columns, and late model GM tilt steering columns.

The fuse box was chosen for its adaptability in mounting configurations and its ability to handle the increased current loads demanded by power accessories such as power windows, power seats, power door locks, cruise control, etc. It is a proven GM design that incorporates heavy duty circuit bussing. There is no circuit board in this high-power fuse box assembly, as the potential power demands are too high for a circuit board design. It is the attention to detail that removes the engineering exercise from the builder and makes installation much smoother.

**Warning: This wiring kit will not support an ampmeter of any form. There are no instructions included on how to wire up an ampmeter.**

## CLASSIC UPDATE WIRING HARNESS KITS

2190	55-56	All	559.95 Kit
2191	57	All	589.95 Kit

## TECHNICAL SPECIFICATIONS AND FEATURES

- Fuse box incorporates 18 fused circuits and expansion capability for 11 additional power circuits. Fuse box measures
- 4" x 6" and is molded in resistant nylon 6/6. All necessary mounting hardware is included.
- Fuse link protection on fuse panel power feed.
- Circuit breaker capability on power circuit.
- High heat and abrasion resistant XLPE wire withstands -60°F to 275°F. GM wire color coding system.
- Wire circuit inkjet printed every 3 inches.
- Wire circuit take-off points predetermined to clear under rdash accessories, allowing pretermination of most circuit branches and plug-in installation of most circuits.
- Standard turn flasher, four-way hazard flasher,

- and horn relay mounted on fuse panel.
- 8-gauge alternator power lead wire supplied with fuse panel.
- Alternator connector supplied for GM "SI" series internally regulated alternators and "one wire" alternators.
- Original boot and tube assemblies with original light socket connectors included for installation into existing or reproduction taillight housings. Even custom applications require these assemblies for weather protection.
- Terminals and connectors are provided for all dome light and door jamb switches cover two and four door models.
- Front lighting includes headlight connectors, headlight bucket grommets, connections front parking and directional lights.
- Complete wiring for updated GM steering column, turn signals and hazard switch.
- Mating connector and terminals supplied to adapt to original steering column. Ignition switch connectors supplied for GM columns with ignition switch in column.
- Engine wiring for points type and HEI distributors. Power and tachometer connectors supplied for GM HEI distributors.
- Gauge sender leads are provided for fuel, water temperature, oil pressure, voltmeter, and tachometer.
- Power wiring for electric engine fan, fuel pump, windows, door locks, seats, cruise control, and accessory radio included.
- Instrument cluster disconnect built into under dash harness for complete flexibility in gauge cluster section. All original terminals, connectors and light sockets are supplied for original cluster gauge wiring.
- Cluster disconnect also supports any custom gauge configuration.
- Late model GM headlight switch included.
- Floor mounted dimmer included.
- New ignition switch included.
- Fully detailed installation instructions and wiring.
