The shape of seduction

Designed with seduction in mind, the New Renault Clio has inspired a story all about passion. Thought of as a sculpture, the New Renault Clio is an object of desire with an almost human sensuality. Its muscle structure and curves express the dynamics inspired by the DeZir concept car. No sharp, aggressive angles here: just curves that make you want to get closer and caress it.

"Great style and features, an uncommonly good drive at a very good price."

Tim O'Brien
The Motor Report

"One of the best cars in its class, with style, energy and class."

Feann Torr
Carsales.com.au

Anatomy of desire

Renault Clio makes hearts melt. Sensuous curves, an expressive front end and sporty rear shoulders. The Renault logo takes centre stage on the radiator grille. Desire in every detail.

[BOOK A TEST DRIVE >](#)

Make life easier for yourself

Sleek, aeroplane-wing dashboard design, accessible centre panel, digital speedometer for enhanced readability, height-adjustable driver's seat with a range of 70 mm, height- and depth-adjustable steering column, choice of colours, chrome and glossy black materials: everything you need in a practical, modern car.

Clio GT 120 EDC. Smart and sporty

Clio GT 120 EDC is the very picture of stylish sportiness. It adheres to the Renault Sport design code: special bumpers, offset LED daytime running lights, spoiler, rear diffusers, twin tailpipe and GT badges. Out on the road, Clio GT 120 EDC offers a dynamic yet comfortable drive, with its 120 hp engine coupled to an EDC multi-mode gearbox, fixed paddle shifters behind the steering wheel and specially-adjusted chassis. On the inside, it offers all the features of an upper-range model. A dual personality for optimum seductive power.

[FIND A DEALER](#)

Renault CLIO R.S. Boost your competitive spirit

With Clio R.S., enjoy motorsport sensations every day: it brings together the best of technology with a dual-clutch gearbox, steering wheel paddle shifters and R.S. Drive driving modes.

In sports mode, Clio R.S. plays on your emotions. F1® blade and spoiler on the front bumper. Rear spoiler, diffuser and twin tailpipe. Offset LED daytime running lights, side skirts and special 17" and 18" alloy wheel rims. You cannot fail to be moved by a personality like this; you are simply overawed. For an even more thrilling drive, Clio R.S. also comes in a Trophy version.

Renault CLIO INITIALE PARIS. An exclusive signature

Step into the world of the Clio Initialie Paris and revel in an experience of aesthetic refinement and comfort. On the outside, Renault Clio Initialie Paris displays a distinctive, light signature. The Initialie Paris markings and exclusive wheel rims only add to the effect. Inside, every detail augments your sense of well-being. The contoured seats are upholstered in finest Nappa leather*. And to help you enjoy the whole experience with even greater peace-of-mind, Renault has tailored a range of services exclusively for its Initialie Paris customers. Renault Clio Initialie Paris, from a sketch on a drawing board to the love of your life.

*Full-grain bovine leather, more hard-wearing, more breathable and softer to the touch.

Renault Clio under the X-ray

Driving pleasure and on-board comfort: two key benefits from Renault Clio closely scrutinised.

Stay connected with Renault R-Link

With Renault R-Link Evolution, you can stay connected to the rest of your life when you are out on the road: your contacts, your music and your apps are at your fingertips thanks to the touchscreen and the steering column controls. With the intuitive R-Link Voice* system, you can give an address, call a contact from your phone book, make a phone call or launch an application. With the new DAB* (Digital Audio Broadcasting) equipment, you benefit from a better audio experience.

Renault has its own catalogue of applications designed for car users: social networks, mobility, journey optimisation, lifestyle and games. Get the following applications free for six months: e-mails, R-Link Tweet, Renault Assistance and weather forecasts, along with access to R-Link Store and the LIVE* and Coyote Series services.

Renault brings you R-Sound Effect for customised acoustics. This application offers 6 attractive engine moods in perfect harmony with the vehicle's acceleration and gear changes. For a whole new, immersive sensory experience!

* Availability depending on country, three months' free connectivity.

** Availability may vary depending on country.

Efficient engines and driving pleasure

Based on a combination of innovative technologies - some hot off the race circuit - the new Energy engines are revolutionising current standards. They mean that Renault Clio is breaking fuel efficiency and CO₂ emission records, while making sure driving pleasure remains intact.

Energy TCE 90 **Driving pleasure and efficiency**

This new engine combines driving pleasure with remarkable fuel efficiency. This three-cylinder 898cm³ 90 hp turbo petrol engine delivers efficient acceleration at all speeds. Driving is especially flexible around town, thanks to 90% of maximum torque being available from 1,650 rpm, which means you don't need to keep changing gear. The Energy TCE engine comes with the overboost function, offering a more dynamic drive and even better pick-up. Equipped with Stop & Start, it offers reduced fuel consumption (in combined cycle) of 4.6l/100 km. The CO₂ emissions are 104 g/km*.

Energy dCi 90 **Comfortable and efficient**

As for diesel, the new Energy dCi 90 engine is quite simply the best! With fuel consumption in combined cycle of 3.2l/100 km* and emissions of 82 g of

CO₂/km* (optimised version**), Clio guarantees clear savings whether you are driving for business or for pleasure. And let's not forget the driving pleasure - with generous torque of 220 Nm available even at low engine speeds, you will enjoy a comfortable drive and lively pick-up every time.

TCE 120 **Power and control**

Powerful, lively and responsive, its 120 hp delivers 205 Nm of torque at 2,000 rpm. It is combined with the EDC double clutch 6-speed automatic gearbox for even more driving pleasure. It offers smooth gear changes, responsiveness and liveliness, with fuel consumption comparable to that of a manual gearbox.

*Combined cycle consumption. Official consumption and emissions according to applicable regulations.

**Optimised versions have even lower CO₂ levels and fuel consumption thanks to a combination of different factors, including longer transmission ratios.

EDC automatic gearbox **Comfort and enjoyment**

The 6-speed dual-clutch EDC automatic gearbox is available with the TCE 120 and dCi 90 engines. Upshifting is fast and smooth, with no jerking or loss in acceleration. Fuel consumption is comparable to that of a manual gearbox.

Clio from the inside

Renault Clio has a beautifully designed interior, with technological and functional features created for easy use, day after day. There is plenty of storage: gear lever compartment, 7-litre glove box, front-seat passenger storage tray, cup holder, central armrest and door panel storage. To make it easy to transport long or bulky items, the 1/3-2/3 splitfold bench seat comes as standard. Renault Clio also has a boot volume of 300 dm³, the best in its category. Everyday life made beautiful and practical. Job done!

Safety for all

Renault's responsible vision involves providing the most modern and effective passive and active safety systems, regardless of the equipment level of your vehicle. Enjoy 5-star safety with Clio.

Protection

Reinforced structure, high-efficiency front airbags, head/chest-level side airbags, pressure sensor to detect impacts, seat belts with pretensioners and load limiters (front seats), anti-whiplash headrests, load limiter function (rear seats), luggage retention bar and anti-submerging front and rear seats (Fix4sure).

Isofix

Two 3-point Isofix seat attachments (rear side seats). Very easy to attach a child seat.

Electronic Stability Control (ESC)

New-generation ESC and Anti-Slip Regulation (ASR) Ensure the vehicle remains stable even in difficult road conditions.

Hill start assist

When starting the vehicle on a hill, the brake pressure is automatically maintained for two seconds, giving the driver time to manoeuvre.

AUTHENTIQUE

- ABS with electronic brakeforce distribution + Emergency Brake Assist (EBA)
- Front and side (head and chest-level) driver and passenger airbags
- Electronic Stability Control (ESC)
- Hill start assist
- Isofix fastening system on rear side seats
- Cruise control and speed limiter
- On-board computer
- Hands-free car starting and door locking/unlocking card
- Height adjustable driver's seat
- Height- and reach-adjustable steering wheel
- LED daytime running lamps
- Front electric windows
- Electrically-adjusted door mirrors, manual folding
- 1/3-2/3 folding rear bench seat with 2 height-adjustable headrests
- Storage area under the boot carpet
- 15" steel wheel rims with Extrême hub caps
- Tyre inflation and repair kit

Options

- Manual air conditioning
- 2 x 20 W R-Plug&Radio
- Fixed passenger seat with flat-folding backrest
- Metallic paint
- Spare wheel

EXPRESSION (AUTHENTIQUE +)

- Manual air conditioning
- MEDIA NAV 7" multimedia touchscreen system: 4 x 20 W radio + navigation +
- Bluetooth® audio-streaming + hands-free telephone system + USB/Jack ports
- ECO driving mode with on/off button (except on 1.2 16 V 75 hp)
- 15" steel wheel rims with Caraïbes hub caps (Extrême for Energy dCi 90 82 g)
- Body-coloured door handles and mirrors
- Satin chrome roof bars
- Third height-adjustable rear headrest
- Techno pack: fog lights, hands-free card, one-touch-up driver's window
- Rear parking distance control
- Fixed passenger seat with flat-folding backrest
- Paradise 15" hub caps
- Passion 16" alloy rims
- Metallic paint
- Spare wheel (except Energy dCi 90 82 g)
- Customisation range

Options

- Renault R-Link Evolution 7" connected multimedia tablet

Creative workshop

DYNAMIQUE (EXPRESSION +)

- Fog lights
- Hands-free Renault card (opening, starting, remote locking)
- Spatialisation from the 3D Sound by Arkamys® sound system
- Full-grain leather* steering wheel
- One-touch-up driver's window
- Fixed passenger seat with flat-folding backrest
- 16" steel rims with designer hub caps

Options

- R-Link Evolution multimedia connected tablet with 7" capacitive screen
- Renault R-Link Evolution: touchscreen + 4 x 35 W radio + TomTom navigation + Bluetooth® audio streaming + hands-free calls + USB/Jack ports + vehicle and web connections
- Rear parking distance control

- Rain and light sensors
- Passion 16" alloy rims
- City Pack: rear parking aid with reversing camera + electric rear windows + electrically folding door mirrors
- Comfort Pack: front armrest and climate control
- Design Pack: fixed glass roof + tinted rear windows
- Maps of Europe
- Metallic paint
- Spare wheel
- Customisation range
- GT-Line Pack interior: Sport front seats with side supports, special GT-Line leather* steering wheel, ZAMAC aluminium gear knob, aluminium pedal set* (left-hand drive only)

GT (DYNAMIQUE +)

- Shiny grey dashboard with Renault Sport badging
- Sport front seats with side supports, front headrests with GT marking
- Special GT leather* steering wheel and industrial grey paddle shifters
- Automatic EDC gearbox, R.S. multimode Drive (2 modes: normal, sport)
- Renault R-Link 7" Evolution connected multimedia tablet: 7" capacitive touch screen, voice control, radio, TomTom® navigation, Bluetooth® audio streaming and hands-free calls, USB and jack sockets, 3D Sound by Arkamys® concert-hall sound
- Special front and rear bumpers and side sills
- Chrome twin tailpipe
- Sport chassis
- Spare wheel

Options

- Special R.S. tailgate spoiler, body-coloured deflectors
- Fixed glass panoramic sunroof
- Leather* upholstery and shiny grey fabric inserts
- Rear parking distance control
- Reversing camera with display on 7" screen
- R.S. Monitor 2.0

*Bovine leather.

CLIO R.S.

Leather interior decor

Design

- "R.S. Renault Sport" badge on the tailgate
- R.S. badge under front end logo
- Tinted rear quarter glass and rear screen
- Tibor 17" silver-grey alloy wheel rims with R.S. studs
- Special R.S. spoiler
- Body-coloured bumper with Glossy Dark Metal F1® blade
- Special sill panel (sills)
- High-gloss black rear bumper skirt/door mirror shells
- Body-coloured door side protector
- Body-coloured exterior front door handles (Glossy Black on Sirius Yellow or Frosty Matt Pearl)
- Rectangular chrome twin tailpipe, integrated into the diffuser

- Glossy Dark Metal rear diffuser
- Black headlight covers with white beads
- Special Renault Sport rev counter background
- Aluminium door sill with Renault Sport marking

Driving

- Dark Metal gear change paddles behind the steering wheel
- Gear lever with flick-shift function
- Hands-free Renault Card (access, starting, remote locking)
- Variable power-assisted steering
- Voice control button on steering wheel
- On-board computer
- R.S. Drive (3 modes: Normal, Sport and Race) with driving mode indicator

Tibor 17"

Fabric interior decor

- Gear change indicator (visual and audible)
- Left/right indicators with motorway function (pulse)
- Stop & Start system
- Sport chassis

Audio and multimedia

- USB and jack ports on front panel
- Renault R-Link* Evolution connected multimedia tablet: 7" capacitive touchscreen, voice control, radio, TomTom navigation, Bluetooth® audio streaming and hands-free telephone system

On-board experience

- Very dark Carbon matching colours
- Specific Renault Sport leather** steering wheel with red top-stitching and red marking in the centre, height and depth adjustable

Leather upholstery

Fabric upholstery

- Anodised red insert with chrome surround and R.S. marking on steering wheel
- Aluminium pedal pads and foot rests
- Leather** handbrake handle with red top-stitching
- Renault Sport seats, Dark carbon fabric, extra support
- Height-adjustable driver's seat
- 5 height-adjustable headrests with R.S. marking at the front

Safety and driving assistance

- ESC with ASR, with full disable function
- Red "Spyder" seat belts, driver and front passenger height-adjustable with load limiters
- Red "Spyder" rear three-point inertia reel seat belts with load limiters in side seats

5.

1. Carbon Look Titanium Sport Kit. Accessorise your Clio with a Carbon Look Titanium Sport kit. This kit comprises a front spoiler, a diffuser and side skirts for a stylish sporty look. **2. Front blade.** The glossy black blade emphasises the front lines of your Clio and fits perfectly with the glossy black diffuser available as an option on new vehicles. **3. Diffuser.** Carbon Look Titanium material. Reinforces the lower structure of the vehicle and gives it a sporty profile. Combine with the front spoiler and the side sills. **4. Wheel arch finishers.** Carbon Look Titanium material. Protect the wheel arch. **5. Door mirror stem supports.** Carbon Look Titanium material. Complete the sport kit.

Transport

1. Touring Line roof locker. Can be fitted to the Renault roof bars in just a few minutes to give additional loading space. Opens on both sides for ease of use and can be held open to make loading easier.

2. Transverse roof bars Tested according to the strictest standards, this set of 2 aluminium roof bars ensures compatibility between the vehicle and the bars. Quick and easy to install, the bars can be used to safely transport a roof locker, ski rack or bicycle rack.

3. Ski rack. Very easy to use, supplied with 2 anti-theft systems, can be used to safely transport up to 4 pairs of skis (2 snowboards).

4. Bicycle rack. Attaches to any type of tow bar and can be used to easily transport up to 3 bicycles.

5. Towbar with removable ball joint. Preserves the stylish appeal of your Clio thanks to its ball joint that only takes a few seconds to remove, with no need for any tools.

Interior

1. DVD player. Discover the Nextbase Click & Go DVD player with its two 9" screens, two brackets and two headsets. Attaches easily to the headrests allowing rear passengers to watch two DVDs, view JPG images or listen to MP3 files separately.

2. Premium floor mats. These passenger compartment mats are a perfect match for your Clio's interior and protect the original carpet. Available in 4 colours, they are perfectly coordinated with the colours of your vehicle's dashboard and seats.

3. After-sales radio. Only available on the Authentique version. Discover a range of CD radios at your local dealership. To be fitted with a special radio surround.

4. Reversible loadliner. Made-to-measure, reversible with 1 textile side and 1 rubber side. Effective protection for the original boot carpet.

5. PV/CV kit. This kit lets you transform a passenger vehicle into your commercial vehicle. The made-to-measure plastic conversion tray with load stop is crash-tested and meets the strictest safety requirements.

6. Smoker's kit. Comprises a movable ashtray and cigarette lighter.

7. Alarm. The essential item for ensuring the security of your vehicle. It effectively reduces the risk of vehicle theft and the theft of objects in the passenger compartment.

Renault Services. For peace-of-mind.

Comprehensive Warranty

Renault has been building and racing motor vehicles for more than 100 years, creating a legacy of invention, innovation and a competitive spirit that drives us to excel. The wealth of experience we've gained is reflected in the design, performance and quality of every vehicle we sell. We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with a comprehensive 5 years unlimited kilometre warranty on all of our passenger vehicles.

24/7 Roadside Assistance

Renault Roadside Assistance is a service Renault provides to you as a new Renault owner for the period of your new vehicle warranty, regardless of how many kilometres you travel. You could run out of fuel, lose your car keys, have a flat tyre or an accident just around the corner or a long way from home. Just call 1800 009 008 and we'll arrange the assistance you need to get back on the road. The service is available 24 hours a day, 365 days per year and covers you right across Australia.

Capped Price Servicing[^]

Fantastic Renault value doesn't end once you've got your new vehicle home – you'll enjoy the benefits of lower maintenance costs for your first 3 years or 90,000 km (whichever occurs first) behind the wheel thanks to Capped Price Servicing. The Capped Price Service program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services. And because you're busy, Renault vehicles are designed to require servicing only once per calendar year – not every six months like many other manufacturers.

Genuine Renault Parts

Genuine Renault parts, lubricants and accessories are of the highest quality, and specifically designed for Renault vehicles. They are purpose-built to our exacting specifications, guaranteeing fit, function and performance first and every time. They are also covered by our 1-year unlimited kilometres warranty. Authorised Renault Dealers keep high stock levels of commonly used genuine Renault parts to ensure continuous availability.
