Dear Fellow NEPGA Professionals,

I'd like to extend a warm welcome from all of us at Manchester Country Club. We are thrilled to see the New England PGA Section return to New Hampshire for the first time since 2014, and honored to host the event for the first time in our Club's history.

Manchester is a rare, historic par 71 golf course, designed by Donald Ross and completed in 1923. The course embraces nearly 100 years of history, and was created to be of true championship caliber, evident in the 48 National, Regional and State Championships that selected Manchester as their host site.

Today, the course maintains much of the original integrity of Donald Ross' design - namely his classic undulating greens and strategic routing, which present a true test of a player's short game and reward accurate approach shots. Over the years, any of the Ross features that slipped away, like cross bunkers and fescue mounds, have recently become part of the experience again thanks to the latest course renovation work.

Truly, we believe that the course at Manchester Country Club is a special one, and we hope that you enjoy your time here. If there is anything you need, please don't hesitate to connect with me or a member of the Golf Professional staff; we're happy to assist and wish you the best of luck in the Championship!

Sincerely,

Jefferson May, PGA
Director of Golf Operations

Dear Fellow Professional of the New England PGA,

On behalf of the Board of Directors and our 355 members, we extend a warm welcome to you. We are excited to host the NEPGA Championship, and we are pleased to be able to share our golf course with you.

In 1930 Ralph Barton designed nine holes which became the Concord Country Club. In the 1970's the club expanded to 18 holes with the help of Geoff Cornish. In 2005 the golf course, under the direction of our Board of Directors and architect, Ross Forbes, the "Cornish Nine" were renovated to match the style and flavor of the original Barton design.

The Concord Country Club has hosted a Hogan Tour event in 1983, which was a precursor to the Korn Ferry Tour we have today. Dave Stockton shot the competitive course record of 65 that year. That record has since been eclipsed, it currently stands at 64 from the Championship Tees. We have hosted the NH State Amateur, the NH State Junior Championship, and later this season we will host the NH Mid-Amateur Championship. We trust that you will enjoy our golf course.

Please feel free to call on us if there is anything we can do to enhance your enjoyment of the Championship

Good luck to all, and enjoy the competition.

Sincerely,

Rich

Dear New England PGA Professional,

Thank you for participating in the 2019 New England PGA Championship. This will be the 99th playing of the major championship in our Section's illustrious history! This year's Championship will once again feature one of the strongest PGA Professionals fields in the country, with each player looking to punch their ticket to the PGA Professional Championship.

It has been five years since we conducted the Championship in New Hampshire and we are excited to return to the Granite State for this year's event. I want to extend a special thank you to our gracious host facilities, Manchester CC and Concord CC, as well as our host PGA Professionals Jeff May, PGA and Rich Thibeault, PGA, and the members of each club for opening their doors to our premier championship.

The last time we visited New Hampshire for our 2014 Section Championship, Rich Berberian, Jr. won his first of what would become three NEPGA Championships and he will be defending his most recent title after winning last August in Rhode Island.

Since the PGA Professional Championship moved to April and the PGA Championship moved to May, we already have one NEPGA Professional exempt into the 2020 PGA Professional Championship thanks to his strong play in South Carolina this past April. This year's field will be vying for 12 additional qualifying spots at 2020 PPC being played at the Omni Barton Creek Resort in Austin, Texas next April. So, including Rich, 13 NEPGA Professionals will be representing the New England Section next year.

The NEPGA Championship is sure to feature exciting coverage via our website and social media accounts. Be sure to tune in and share the great content our communications staff churns out during the championship.

On behalf of the entire staff of the New England PGA, play well and enjoy the 99th edition of the New England PGA Championship!

Sincerely,

Mike Higgins
Executive Director

CHAMPIONSHIP HISTORY

Supporting Sponsor of PGA of America Professional Tournaments

The New England PGA Championship has been in existence since 1921, five years after the PGA of America and the New England Section were founded. Since that time, the championship has been contested 98 times, with this being the 99th. There have been 63 champions in the 98-year history of the event, with 20 winning the event multiple times. The Championship has been hosted or co-hosted at 56 different sites throughout New England, giving the Championship a very unique history, and a big reason why there have been so many different winners throughout the years.

The list of winners is a who's who of the best players in New England PGA history. Names from the past such as Lester Kennedy, Tex McReynolds, Bob Crowley, Charlie Volpone, Joe Carr, Tony Morosco and Dana Quigley give a glimpse of the great history of the section. Present names such as Kirk Hanefeld, Chip Johnson, Ron Philo, Troy Pare, Frank Dully, Paul Parajeckas, John Hickson and Eddie Kirby litter the brass plating around the Tom Mahan, Sr. Trophy. The leaders of a new generation of New England PGA Professionals, such as four-time Wogan Player of the Year Shawn Warren, 2017 Champion Liam Friedman, and three-time Champion, two-time Wogan Player of the Year and two-time PGA of America Player of the Year, the defending champion Rich Berberian, give a strong indication that the talent is still strong and will be for many years to come.

This year presents another opportunity for a New England PGA Professional to join the exclusive club of NEPGA Championship Winners. Over three days in August, contested on two spectacular golf courses, we will add another name to the storied list of Champions of this prestigious event.

Good Luck!

THE MAHAN CLUB

PRESENTED BY

SUPPORTED BY

Supporting Sponsor of PGA of America Professional Tournaments

While the Mahan Club is six years old, its members have close to 100 years of experience in winning the most coveted prize in New England Professional Golf. The Club, as well as the NEPGA Championship trophy, are named for Thomas Mahan, Sr., who was President of the NEPGA for over 19 years, and served as Vice President of the PGA of America in the 1960's. This year, nearly 150 NEPGA Professionals will compete for the Mahan Trophy.

Each year since 2011, on the Sunday night before the NEPGA Championship, past winners of the Tom Mahan, Sr. Trophy are invited to a Champions dinner. The hope is to gather the players fortunate enough to have hoisted the NEPGA Championship trophy for a few hours of camaraderie, story-telling and good-will the night before Round 1 of the Championship. While there are 98 years of winners, and many are not living or local anymore, the ones that are have a lifetime of wisdom and experience to share, and will get to share it with this small and exclusive group one night each year.

The Mahan Club did not initiate a new member in 2018, as Rich Berberian, Jr., captured the Section Championship for the third time (2014, 2015, 2018). Berberian has been giving his competitors nightmares for years, and is in the midst of penning a dynasty not only within the New England Section, but on the national level as well. Since bursting onto the scene in 2014, Berberian has collected two NEPGA Wogan Player of the Year honors, has twice been named the PGA of America Player of the Year, advanced to the PGA Professional National Championship five times, winning the whole thing in 2016, and reaching the last four PGA Championships.

One Hundred and Fourty Two challengers await the defending champion, looking to write their way into the history books. Who will be the next to join the club?
