35th Annual Shalena's Breakfast with Santa

— Hauser Lake Fire Protection District —

Every December the Hauser Lake Fire District holds its annual Shalena's Breakfast with Santa. This fundraising event began in 1985 to raise money to help alleviate medical bills and family financial distress for the family of a Hauser lake Volunteer Firefighter whose daughter was diagnosed with cancer. Even though Shalena lost her battle, her name lives on with the breakfast.

This event has since become an annual tradition. With help from area a hospital, and local business and hopefully your help, proceeds will go to a family with a child with cancer. Sometimes these children are dealing with terminal illnesses. This is our 35 year.

This year our recipient is a 7-year-old girl named Shaye who has Leukemia and lives in CdA.

When: Sunday, December 12th, 7am-1pm, Hauser Lake Fire Station, this year is a drive through. Menu: Sausage and egg burritos orange juice, water and coffee. Suggested donation \$3 each or \$10 per family. Call Gary Mobbs 208-659-4922 for more information.

Donations: Hauser Lake Fire District, Attn: Captain Mobbs, 10728 N Hauser, ID 83854.

How to get there:

From Washington: East on Trent into Idaho, go 3 miles. Turn left (North) on Hauser lake road. Go 1 1/2 miles and you will come to the fire station. Near the public boat launch at the south end of Hauser Lake.

From Idaho: West on Hwy 53 just past Pleasant view road, turn right on Hauser Lake road (3-miles from state line) and go 1 1/2 miles to the fire station.

CHRISTMAS CHOCOLATE Lab puppies: Beautiful, chocolate AKC Labrador retrievers. Champion bloodline. All puppies come with first worming, shots, dewclaws removed, and microchip. A \$200 non-refundable deposit will hold a puppy for you. Your choice will be determined by the date I receive the deposit. You will have the opportunity to spend time with the litter to see the personality that fits best for your family. Puppies come from a family home with lots of handling. Perfect family pets, support dogs, and hunters. Google "Silver Bow Labradors" to see father (Buck). AKC limited-registration. Text 509-302-0210 for more pictures and info. Asking \$2000. Ready for new family 12/20. Can help make your Christmas delivery! Ho ho ho!

Pets of the Week: Lucy and Bindy

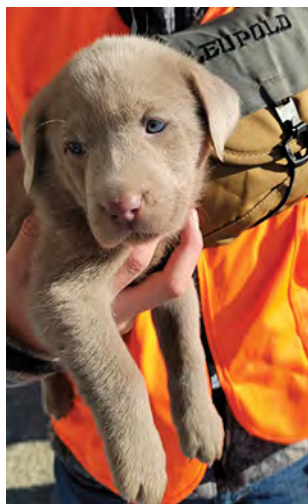

— Kootenai Humane Society —

Want to get more exercise? My name is Bindy, and I am a get up and go kind of gal. I adore running, long walks, playing in the yard, and hanging out with the family. I am 2 years old, and I already know some basic obedience commands, but I am ready and willing to learn more! I am spayed, vaccinated, and microchipped. Public walk-through viewing of the animals is unavailable. However, all services, including adoptions, are available by appointment. Complete your Pre-Adoption Questionnaire at www.kootenaihumane.org.

Lucy is patiently waiting for someone to fall in love with her. She's a well-mannered, independent 4 year old lady who needs a kind-hearted person who will give her a quiet, loving home. Lucy is spayed, vaccinated, and microchipped. Public walk-through viewing of the animals is unavailable. However, all services, including adoptions, are available by appointment. Complete your Pre-Adoption Questionnaire at www.kootenaihumane.org.

Second Chance Pets: Ziva and Bonnie & Clyde!

Meet Ziva, 3 year old female purebred Australian Cattle Dog (blue Heeler), docked tail, spayed, fully vaccinated and microchipped. Housebroke and crate trained. A shy girl who bonds strongly with one person. She is not great with other dogs, and chases cats, so a home as an only pet would be best. She also prefers to be with her human all the time, so a retired or stay home working person(s) would be best.

Meet Bonnie and Clyde, 10 month old brother-sister pair of Tabby/ Bengal mixes. Super outgoing, friendly, calm and used to noise and other pets. Seeking an indoor, loving home with a large family to love.

Hunters: Know What Hunting Units Have Motorized Hunting Rule Restrictions

— Fish and Game —

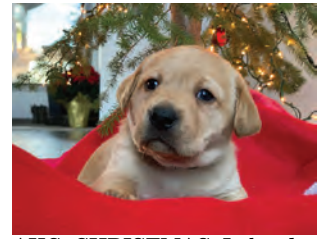

Hunters are reminded that the Motorized Hunting Rule is specific to hunting big game animals, including moose, bighorn sheep and mountain goat, in designated units, and applies from Aug. 30th through Dec. 31st. ATVs, UTVs, e-bikes, and other off-road motor vehicles are restricted to roads that are built, maintained, approved or designated by any governmental entity or private landowner for the purpose of travel by full-sized automobiles.

For the past 20 years, Idaho Fish and Game has been regulating the use of motorized vehicles during big game hunting dates. Hunter conflict, noise disruptions, off-trail use, and access to closed areas were all taken into consideration by the Fish and Game Commission to determine these restrictions.

Hunters are also reminded that some trails and routes will be open to other motorized recreationists who are not hunting. There are exceptions to the rule:

- Hunters may use a motorized vehicle to retrieve downed game if such travel is allowed by the land owner or manager.
- Hunters may use a motorized vehicle to pack camping equipment in or out if such travel is allowed by the land owner or manager. However, hunters may not hunt while packing camping equipment.

When in doubt, stay on the road. Know and follow the vehicle use restrictions for the area you are hunting, have applicable maps, and print off our Motorized Hunting Rule brochure. For more details on motorized travel and the Motorized Hunting Rule, read pages 104-106 in the 2021 Big Game Hunting Seasons and Rules booklet.

LABRADOODLE PUPPIES: Only 3 females left. These puppies are a cross between a Labradoodle and a poodle. These two breeds combine to produce a friendly, healthy, highly-intelligent dog who is low-shed and is far more hypoallergenic than many other breeds. Your puppy comes from a loving family home and has been socialized from birth. Your puppy is considered a F2BB because the mother, an F2B Labradoodle, was crossed back (the "b" of F2B) with a poodle. Labradoodles do not come with papers from the AKC, because the American Kennel Club only registers purebreds. 509-945-7500

AKC SHIH TZU: We have 3 males and 1 female that will be ready for their new homes mid-December. With a \$500 deposit, you can choose your puppy today. The final cost of your puppy is \$2500. Puppies come with AKC papers, family tree, microchip, and are vaccinated and wormed. If interested, call or text 509-521-6492. Serious inquiries only

1. Autographs Are an Investment. Autograph collectors may enjoy collecting as a hobby, but the main motivation is the potential worth of every autograph collected.

Some artists' autographs are more likely to see a high investment in the future more than others. Signatures from living artists such as Taylor Swift, Bruce Springsteen, and Elton John are safe investments thanks to their superstardom and net worth.

Deceased artists who rarely gave out signatures are the ultimate investment opportunity. Autographs from famed artists like Johnny Cash and Bing Crosby are harder to find, but you can find these musician autographs for sale and grow your collection.

Autographs kept in good condition and stored away for a long time gain the most value. However, some celebrity signatures reach peak demand during their life, so keep an eye on the value of each autograph you own.

2. Autographs Are a Fantastic Gift. If you ask someone who their favorite musician is, they probably have one or several answers for you. Surprising someone with an autograph of their favorite artist will lead to a happy reaction. After all, autographs aren't always easy to come by.

Take your gift to the next level by getting a signed photo professionally framed. That way, the person who received the gift can display it and admire the autograph whenever they want.

If you're giving a signed gift to a loved one, consider getting one of their personal items signed by their favorite artists if you have the capacity to do so. Signed unique items, like baseballs or vinyl, have more value in the long run.

3. Autographs Embody History. Many of us think about what stories we're going to tell our grandchildren in the future, and autographs provide a great story to tell.

As time goes on and musicians retire, autographs become more interesting. Sharing autographs from a different generation is an easy way to spark an interest in history for younger generations.

Autographs are also a great item to pass down in the family. Autographs as inheritance items still increase in value as long as they're in good condition. For example, the most valuable autograph is quite old. It's a signature from George Washington that's worth millions.

Not only will your family have a sentimental memory of you and your hobbies, but they'll also own a very valuable item.

HOW WE MAKE THE PERFECT PELLET...

The process begins with **RECYCLED** tree by-products.

Only the highest quality, **PREMIUM SELECT** wood shavings & sawdust are used

Next, the shavings go through a series of augers which chops them into smaller sawdust...

This allows the sawdust to more efficiently go through **THE DRIER**

At this stage, **MOISTURE** is driven from the wood fiber to ensure clean, consistent, hot burning pellets, that far exceed industry standards.

Through heat and pressure, **100% NATURAL** wood fiber is formed into a Super Premium Wood Pellet

RESULTING IN...

THE PERFECT PELLET!

Opening lead — jack of clubs.

Today's deal, from a Harvard-Yale bridge match some years ago, provides ample proof of the high caliber of play to be found at the university level.

South, Bill Cole of Harvard, wound up in six spades after the auction shown. His initial one-spade overcall admittedly "kept a little in reserve." After West made a limit raise in clubs and North raised spades, Cole cuebid to show first-round control of diamonds. When North responded in kind in hearts, South bid the slam.

East won the opening club lead with the king and continued with the ace, ruffed by Cole. He then drew three rounds of trump ending in dummy, taking note of West's void in spades. Declarer now made the excellent play of a

low diamond from dummy, a move designed to find out where the missing diamond honors were located.

After East played low, Cole ruffed and drew these conclusions:

1. East would surely have gone up with the ace of diamonds if he had it, or played an honor from the A-K or K-Q. Also, West would have led a diamond originally if he held the A-K. Therefore, East held the diamond king and West the A-Q.

2. The opposing clubs figured to be divided 5-5, since either opponent would probably have bid differently with six of the suit. Additionally, East must have at most four diamonds, since he would have opened one diamond with five cards in each minor. So East's distribution might well be 3-1-4-5.

3. This brought Cole to the key question of who had the king of hearts. He reasoned that if West held that card plus five clubs, the A-Q of diamonds and a spade void, he would have bid more than he did. Therefore, East had to have the heart king.

4. So at trick seven, Cole led a heart but did not finesse. Instead, he put up the ace and dropped East's king, thereby proving himself a bridge player as well as a scholar.

Small Holiday Gathering Can Still Stress Pets

DEAR PAW'S CORNER: This year, we are only going to have a few family members over on Christmas Day. In past years, I've put our dog, cat and rabbit in the back of the house with plenty of water and beds to sleep in, so the noise and lights and strange people don't stress them out. I feel like we can safely keep the pets in their usual spots this year because there will only be eight people here for dinner and presents. What do you think? — *Cheryl in Lake City, Florida*

DEAR CHERYL: That's your call. You know your pets.

In addition to the size of the gathering, you should consider the personalities of your guests: Are any of them timid or afraid around pets, and would anyone be upset if your dog starts barking?

The big question here is how many strangers each of your pets can handle. Rabbits, for example, are very susceptible to stress and should be kept in a quiet spot and not handled too much by visitors. A calm, well-socialized dog may be able to handle the influx of people. Same with your cat, who will simply disappear to a hiding spot if things get a little overwhelming.

Even though it's a smaller crowd this year, make a plan and share it. How much time should the pets spend with visitors around? When should they be placed in a separate area? (During dinner or when presents are opened, for example.) If a pet shows signs of stress, such as barking, yelping, meowing, hissing or growling, who will grab them and take them to the quiet spot to calm down?

When everyone knows the strategy, they can act quickly to keep the party calm and pets healthy and safe.

Send your tips, comments and questions to ask@pawscorner.com.

National Mutt Day

— National Day Calendar —

National Mutt Day encourages us to embrace, save and celebrate mixed breed dogs twice a year on July 31st and December 2nd.

Desperately longing for a new home, millions of loving and healthy mixed breed dogs in shelters wait for someone to come and adopt them. National Mutt Day provides an excellent opportunity to find the perfect canine companion. Despite the name, a mutt learns, obeys and trains much like purebred animals. While their lineage cannot be traced and their features a bit murky, their companionship will be faithful.

According to the ASPCA, approximately 3.3 million dogs enter shelters every year. When these abandoned and often abused animals find their way to a shelter, each one needs a forever home. Whether you know it or not, their potential is limitless. Some of the benefits of adoption are often hidden. Human and canine both enjoy increased physical activity. Another boost is social interaction through daily walks. While humans develop patience, their four-legged companion learns to trust and new limits. For example, as dogs explore the many scents of the human lifestyle, they usually discover shoes are off-limits.

No matter the breed, size or demeanor of the human, er, canine, the shelter will take the time to find the right home for their animals. They schedule visits and have procedures in place to promote healthy adoptions for families and individuals. While some dogs experience injury or illness, the shelters work with veterinarians to heal the animals before making them available for adoption.

Of course, shelters always welcome donations and volunteers. Dogs love walking, playing and being loved even if they haven't found their forever home. Every moment they spend socializing increases their opportunity for adoption.

How to Observe #NationalMuttDay

Visit a shelter; if you are unable to adopt a dog, you can always volunteer. Post on social media using #NationalMuttDay and encourage others to join in.

F&G Commission Sets 2022-2024 Fishing Seasons and Rules

— Fish and Game —

During their meeting on Nov. 16th, the Idaho Fish and Game Commission approved the 2022-2024 Fishing Seasons and Rules proposals presented by Fish and Game fisheries staff. Fishing seasons and bag limits are established on a three-year cycle, which last started in 2019 and is expiring this December.

During spring 2021, Fish and Game conducted an extensive public outreach campaign with virtual open houses and web surveys to collect ideas for potential changes to existing fishing seasons. During summer, regional fisheries managers proposed changes for fisheries across the state, and under the Commission's direction, gathered public input on those proposals.

After reviewing the extensive public input, the Commission adopted the upcoming 2022-2024 fishing seasons and bag limits. Anglers will see about 23 changes to seasons and bag limit throughout the state. These changes will not take effect until Jan. 1, 2022.

Steelhead rules have also been modified for spring 2022 seasons, which will not be reflected in the 2022-2024 Fishing Seasons & Rules printed booklet, but the changes will be reflected online.

The 2022-2024 Seasons and Rules brochure will be available online (digitally) and in printed booklets at Fish and Game regional offices and license sales vendors near the end of January 2022.

Overview of what anglers will see beginning on Jan. 1st, 2022.

- Boundary changed for the Pend Oreille River boundaries to include: from Highway 95 bridge at Sandpoint downstream to Idaho-Washington border, including tributaries and sloughs to the edge of flat water

- New season schedule provides better opportunities for catch-and-release and harvest-oriented steelhead anglers. Anglers will be able to fish during each of the two runs of steelhead that use the Clearwater River and will provide a time (September 10th through October 14th) when steelhead, fall Chinook salmon, and Coho salmon could all be harvested at the same time.

F&G Seeking Public Input on Idaho Wild Turkey Management Plan, 2022-2027

— Fish and Game —

Idaho Fish and Game is seeking comments on its Idaho Wild Turkey Management Plan, 2022-2027. The draft plan is open to public comment through Dec. 10, 2021. Fish and Game welcomes input from the public, and encourages references to specific sections or pages of the plan when leaving a general comment.

To better understand views of Idaho wild turkey hunters and inform management guidance for this planning process, Fish and Game staff conducted an opinion survey of wild turkey tag holders during June 2020. Data from the survey was used to inform this plan.

Note: This plan is for long-term turkey management and separate from the current public comment period for the proposed changes to the upland game, turkey and furbearer seasons for 2022-2023.

The draft turkey management plan will provide guidance for staff to implement management actions that will enhance wild turkey habitat and populations, resolve landowner and wild turkey conflicts and provide recreational hunting opportunities that reflect preferences of Idaho hunters.

North America's largest game bird

The wild turkey is not native to Idaho. Fish and Game first introduced wild turkeys in 1961. Through subsequent releases, and trapping and translocation efforts, turkey populations are now estimated between 26,000 and 55,000 birds, with hunting opportunities in all seven administrative regions.

The wild turkey has become a valuable game species in Idaho and provides generous hunting opportunities during both spring and fall seasons. Further, turkey hunters spend millions of dollars on trip-related expenses, which contribute significantly to rural Idaho communities.

While turkey populations have increased in size and distribution to provide considerable hunting opportunities, so too have agricultural damage and nuisance complaints. Consequently, statewide guidance is needed to optimize wild turkey management in Idaho. Fish and Game has not previously developed a statewide wild turkey management plan.

The plan identifies major issues that affect wild turkey management in Idaho and will function as the action plan to help guide overall direction for management during the next six years (2022-2027). This plan will guide Fish and Game staff in annual work plan development and program prioritization, and provide guidance on development of regulatory recommendations.

The final draft of the plan will be presented for the Commission's consideration at their January 2022 meeting at the new Fish and Game Headquarters Office in Boise.

Mac and Cheese with Pecan Breadcrumbs

— Family Features —

With cheddar and ricotta cheeses, sour cream and cavatappi noodles, this Mac and Cheese with Pecan Breadcrumbs is an extra creamy, creative twist on the kid-friendly classic. Pair this family favorite with the pork tenderloin for an easy weeknight combination that little ones can help with in the kitchen by stirring together the cheesy goodness.

Total time: 50 minutes

Servings: 6

- 8 ounces cavatappi pasta
- 1 tablespoon butter
- 1 block (8 ounces) cheddar cheese
- 1/2 cup raw pecan pieces
- 15 ounces part-skim ricotta cheese
- 4 tablespoons sour cream
- 1 teaspoon salt
- 1/4 teaspoon ground pepper
- 1 large egg, lightly beaten

Directions

Preheat oven to 375 F.

In salted boiling water, cook pasta according to package instructions. Drain, reserving 1/2 cup pasta cooking water. Return pasta to pot and stir in butter.

Using box grater, shred cheddar cheese.

Using food processor, process 1/4 cup shredded cheese with pecans to coarse breadcrumb consistency.

Add remaining cheddar cheese, ricotta, sour cream, salt and pepper to warm pasta. Stir until thoroughly combined. Add egg; stir. Add reserved pasta water to loosen mixture; stir until smooth.

Pour into buttered 9-inch square or round casserole dish and top evenly with pecan topping.

Bake 30 minutes.

Red Kettle Challenge and \$20 Match Planned for Upcoming Big Weekend for The Salvation Army Spokane

— The Salvation Army Spokane —

This coming weekend, December 3rd and 4th will be big for The Salvation Army Spokane. However, the community's support is needed to make it a success!

On December 3rd: Major Ken Perine, corps officer of the local Salvation Army has accepted the call from The Salvation Army's National Commander, Commissioner Kenneth G. Hodder, to a Red Kettle Challenge from 11am-3pm at Walmart

Due to the lasting impact of COVID, and other personal tragedies in the lives of children, women, and men in the Spokane region and throughout the nation, the National Commander has decided to challenge Salvation Army corps officers around the country to raise more money than him during a 4-hour bell ringing competition. The goal is to raise \$1,000,000.

Joining Major Perine will be The Salvation Army's brass band, employees, advisory board members, and The Salvation Army's two mascots, Kettleman and the Red Shield.

On December 4th: For every \$20 bill or check placed in a local Red Kettle or online, it will be matched up to \$25,000 by an anonymous donor.

"I am looking forward to December 4th," said Major Perine. "Just think, anyone who puts a \$20 bill or check in a Red Kettle that day will do so knowing that it will be matched up to the value of the matching gift! And please don't forget that the public can also donate online that day and it will be matched, too. Praise the Lord!"

The Salvation Army has kettles through the counties of Spokane and Stevens. Online donation can be given at <https://salarmy.us/sporedkettle>.

On December 4th: The Salvation Army Spokane will hold a Christmas Burst-A-Bus Toy Drive on Saturday, December 4 from 8 am to 8 pm at Target North Spokane, 9770 N Newport Hwy.

The Salvation Army will have volunteers at Target all day to collect new, unwrapped gifts for local children, newborns to age 18, as there are many families hurting due to the lasting impact of COVID-19, as well as other personal tragedies in their lives.

To participate, customers can simply purchase one or more items and drop them off at The Salvation Army's toy bins that day. For gift ideas, or if you can't make it to Target, please visit <https://www.target.com/gift-registry/gift/salvation-army-toy-drive-2021>. Toys can be ordered through this link.

All funds and donated toys collected will remain local to help provide a hand-up to children and families in need. For more information, please call 509-325-6810.

Mark Trail

By Jules Rivera

MARK HAS JUST DISCOVERED THAT DUCK DUCK GOOSE SHIPS DO SPREAD ZEBRA MUSSELS.

YOU THINK IT'S UGLY NOW? WAIT TILL WE DROP THIS ARTICLE AND CALL OUT A POWERFUL SHIPPING COMPANY.

HAVE ANY OF DUCK DUCK GOOSE'S PEOPLE REACHED OUT TO YOU SINCE THE RIVER INCIDENT?

NO, THE DUCK DUCK GOOSE PEOPLE DON'T SEEM TO KNOW WHO I AM JUST YET. I AM INCOGNITO.

THIS SITUATION IS GETTING UGLY.

WHEE, RETALIATION.

MARK REALLY BELIEVES THAT.

IF DUCK DUCK GOOSE ISN'T FOLLOWING US BY NOW, THEY WILL.

UPLOAD AS MANY PHOTOS OF THE DDG FREIGHTER AS YOU CAN TO THE HOT CATCH MAGAZINE SERVER.

DON'T YOU THINK YOU'RE BEING A LITTLE PARANOID?

OPEN UP! WE KNOW YOU'RE IN THERE, MARK TRAIL!

ONCE THEY FIND OUT WHAT WE'RE DOING, WE WON'T BE SAFE.

YOU'RE NOT PARANOID IF THEY REALLY ARE OUT TO GET YOU.

MARK TRAIL'S ZEBRA MUSSEL WORK HAS HIT A BUMP--

COME ON, MARK! WE JUST WANNA TALK! OPEN UP!

ARE WE GONNA HAVE TO...FIGHT OUR WAY OUT?

YOU DIDN'T DO THAT TO DIG UP THE TRUTH, DID YOU?

IT'S FINE. I STOLE THIS SHOVEL FROM MARK'S WIFE'S TRUCK.

NICE ONE, MARK.

MARK TRAIL AND HIS FRIENDS FIND THEMSELVES UNDER THREAT BY THE MYSTERIOUS MEN FROM DUCK DUCK GOOSE SHIPPING.

WE CAN'T LET THESE GOONS IN OR THEY'LL DESTROY OUR RESEARCH! BUT HOW DO WE GET THEM OUT OF HERE?

YOU WANT 'EM MOVED? LET ME HIT THEM WITH A SHOVEL.

LET'S NOT DIG OURSELVES TOO DEEP.

OPEN UP! WE JUST WANNA TALK!

TRAPPED AT THE BED AND BREAKFAST, MARK AND HIS FRIENDS CONSIDER THEIR OPTIONS.

WE'VE GOT BAD GUYS UP FRONT, BUT THE CAR IS NEARBY. YOU TWO SHOULD PACK UP YOUR LAPTOPS AND LEAVE. I CAN TALK TO THEM.

CLIFF, THIS ISN'T GOING TO BE LIKE THE FREIGHTER, WHERE YOU CAN TAKE ON A FEW HOSES AND TAKE OFF. THESE GUYS CAN BE DANGEROUS!

SO WE CAN'T REASON WITH THESE GUYS, THEN?

NOTHING MAKES PEOPLE SEE REASON LIKE A SHOVEL TO THE HEAD.

MARK DECIDES TO REASON WITH THE LARGE, SCARY CORPORATE GOONS THREATENING HIM AND HIS FRIENDS.

IF Y'ALL DON'T COME OUT AND TALK, WE'RE COMING INSIDE!

ARE YOU MARK TRAIL?

BOFFO!

BUT YOU CAN'T REASON WITH CORPORATE GOONS!

THE CORPORATE GOONS BEHIND DUCK DUCK GOOSE HAVE BROKEN INTO DIANA'S ROOM TO STEAL THE ZEBRA MUSSELS RESEARCH.

NO, YOU JUST KINDA HIT ME IN THE FACE.

EVERYONE! CLEAR OUT! I'LL HIT THESE GUYS WITH THE TWO FISTS O' JUSTICE!

GUESS I SHOWED YOU WHY I'M CALLED BOFFO!

CORPORATE GOONS ATTACK MARK FOR HIS RESEARCH...

...BUT THEY CATCH TWO FISTS O' JUSTICE...

MARK, WATCH OUT!

...AND A SHOVEL INSTEAD.

MARK, CLIFF AND DIANA MAKE A HASTY EXIT FROM THE BED AND BREAKFAST AFTER GETTING A VISIT FROM CORPORATE GOONS.

THAT WAS CLOSE!

HOW DID THEY FIND US? WE'RE NOT SAFE AT THE BED AND BREAKFAST ANYMORE. WHERE AM I SUPPOSED TO GO NOW?

DON'T YOU WORRY, DIANA. WE'LL TAKE YOU TO OUR FISHING LODGE AND WE CAN... DE-BAIT ABOUT IT!
