BRONCO TRUCK CAMPERS

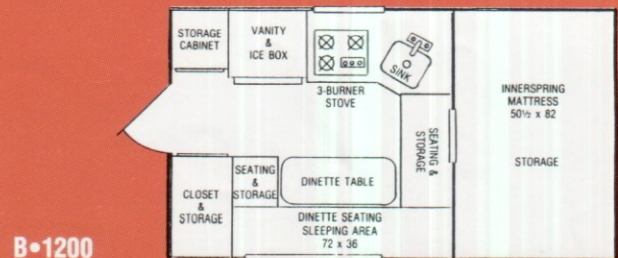

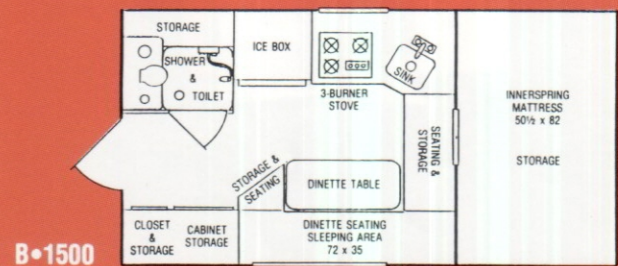

**BRONCO
B•1500**

**BRONCO
B•1200**

Palomino Pop-Up Truck Campers — one of the lightest weight lines — are the ideal match for today's trucks. The B-600 fits many of today's mini trucks — both imported and domestic — while the B-1200 is perfectly suited for any half-ton truck.

New Bronco Models for 1995 — include the B-800 which is designed for the short bed half-ton trucks and the B-1500 model which includes a self-contained toilet and hot water system with shower as standard equipment (Dakota Option also available for 1995 on the B-800 and B-1200 Models).

B•600**

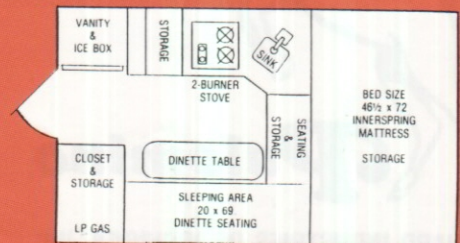

All Models are well equipped for maximum comfort. Standard features include a full height entrance door, complete kitchen, storage space for Port-A-Potti, a comfortable innerspring mattress and underbed storage. Vinyl Tent fabric with tinted windows, an Ice Box and combination sliding/jalousie windows are also included as standard equipment.

When closed, Palomino Truck Campers have a low profile for greater fuel efficiency. A smooth operating crank-up system raises and lowers the roof quickly and easily.
