STREAMSONG® RESORT

Situated amid stunning scenery and hushed seclusion in Central Florida, Streamsong® is a new luxury golf resort destination intentionally designed in harmony with its natural surroundings.

The resort's unparalleled golf courses—Streamsong® Red, designed by Bill Coore and Ben Crenshaw, and Streamsong® Blue, designed by Tom Doak—can both be found in GOLF Magazine's "Top 100 Courses You Can Play"... Streamsong® Red #10 and Streamsong® Blue #14. 36 holes creatively intertwine through a landscape of towering sand dunes, unexpected shifts in elevation and windswept prairie grasses. Simply put, Streamsong is like nothing you have ever seen or played.

As a proper complement to Streamsong® Red and Blue, Streamsong's third championship layout, the highly acclaimed Streamsong® Black debuted in autumn 2017. Streamsong® Black is designed by acclaimed golf course architect Gil Hanse, designer of the 2016 Olympic Course in Rio de Janeiro, Castle Stuart Golf Links in Inverness, Scotland (host of the Scottish Open), Los Angeles Country Club (North and South), and one of the most entrusted architects in the game to restore many of America's most prominent private clubs. Streamsong® Black, Par 73, is an expansive, strategic and eye-popping layout with rolling terrain, sand and vistas which are reminiscent of the Sand Belt of Australia.

Set on 16,000 acres convenient to Tampa and Orlando, Streamsong invites guests to explore the outdoors beyond the fairways. The resort offers on site guided bass fishing on its multiple lakes and streams, and its 12 -station sporting clays course and new archery range are perfect for both beginner and expert shots. The resort also features a lakeside infinity-edge pool, a nature trail,

tennis courts and the AcquaPietra™ spa.

Streamsong offers guests four distinct restaurant options as stunning and sophisticated as the resort itself. Every dining experience at Streamsong presents the chance to enjoy excellent food and drink in the most beautiful setting imaginable.

The Clubhouse at Streamsong features an outdoor lakefront terrace, 12 guestrooms, Restaurant Fifty-Nine, a steak-themed restaurant serving three meals daily, a lounge, and a well-appointed golf shop.

It's rare that one resort can offer so many authentic experiences.

Golf is at the heart of PGA National. Guests can test their games on some of Florida's top-rated golf courses designed by world-renowned architects Jack Nicklaus, Arnold Palmer, Tom Fazio and George Fazio. All of our award-winning layouts have been updated

with new turf, rebuilt bunkers, and expanded tee and green complexes; PGA National's first 18-hole course, The Haig now known as The Fazio, was modernized by third-generation designer Tom Fazio II. Recently, the Champion Course jumped in Golfweek's 2017 "Best Resort Courses" list, an annual compilation of America's finest playing options. The famed Nicklaus design has welcomed the world's best golfers for the Honda Classic since 2007 and hosted the 1983 Ryder Cup. Immaculate conditions and a challenging layout make the Champion a "must-play" for all serious golfers; the infamous "Bear Trap" (holes 15 through 17) comprises what USA Today hails as "one of the toughest stretches in golf."

PGA National Resort & Spa has a multitude of facilities available for guests looking to improve their golf skills during their stay. Three elite golf academies – The David Leadbetter Golf Academy, Dave Pelz Scoring Game Golf School and Every Ball Counts Elite Training – are on site, as well as the LOFT Golf Performance Boutique offering TOUR-level, custom club fitting. No other resort can match the level and quality of instruction available at PGA National, especially with the introduction of the new Bear Trap

Indoor Golf Training Facility run by PGA Professionals providing indoor instruction and equipment fitting for every club in the bag as well as shoes. And be sure to check out the new short game area adjacent to the Champion Range. Designed with TOUR players in mind, the comprehensive facility is perfect for practicing everything from putting to fairway bunker shots. A variety of golf packages are offered year-round; guests can book tee times 180 days in advance making future planning a breeze.

With an enviable year-round climate, five unique golf courses, sleek accommodations, spa, sports club and a variety of dining options, PGA National is the complete package. You and your friends can relax on the splendid iDeck overlooking our zero-entry pool and golf courses while you mingle with world travelers and even the occasional TOUR pro. THE NAPLES BEACH HOTEL & GOLF CLUB

When you learn that an 11-year-old once shot par on The Naples Beach Hotel & Golf Club's 18-hole course, you can't help but wonder how challenging that course is. But when you learn that the child in question was none other than future PGA legend Jack Nicklaus, you get a better idea of the quality of play. Today, some 67 years later, this Four Diamond resort's championship golf course is better than ever. A year after its complete renovation by acclaimed course architect John Sanford in conjunction with Jack Nicklaus himself, the course remains challenging for all levels of play. While thorough, ongoing course maintenance keeps the course at peak playing levels year-round, a professional golf staff lets players elevate their golf experience to new heights. Whether golfers are looking for group or private lessons, scrambles and tournament organization, or expert advice on clubs and the game's latest equipment and technologies, The Naples Beach Hotel & Golf Club's pro shop handles all requests. The golf course is public, but membership at The Naples Beach Hotel & Golf Club affords players a number of benefits. These include unlimited play, discounted cart fees, and discounted greens fees for accompanying guests. Members also have full access to the practice facility, can take advantage of club storage and can even make tee times up to 14 days in advance. Club membership is available on a year-round or seasonal basis and includes other "perks" such as discounts on hotel accommodations, savings on full price retail items in the Golf Pro Shop and 10 percent off food at any of the resort's three restaurants.

For golfers looking for more than a round of play, an overnight, weekend or even a week-long stay, the resort offers a wealth of opportunities for relaxation and recreation. Situated directly on the Gulf of Mexico's gentle shoreline, The Naples Beach Hotel & Golf offers a

seven-mile stretch of white-sand beach and a variety of water sports. Its world-class spa is staffed by trained professionals who provide wellness treatments and services. The Mary C. Harding Tennis Center boasts a fully stocked Pro Shop, USTA teaching professionals and eight Har-Tru courts. At the edge of the beach is a multiple swimming pool complex, including an "adults only" pool for those who prefer to be out of the splash zone. Guests with children delight in the resort's complimentary Kids Club which keeps youngsters busy and engaged while Mom and Dad play golf, tennis, or pursue other interests. Indulgence is always on the menu at the resort's three restaurants. Fine dining at the award-winning HB's on the Gulf boasts fresh seafood, steaks and a comprehensive wine list. Breakfast and lunch can be enjoyed at Broadwell's, the golf course's "19th hole." The Sunset Beach Bar & Grill serves ice cold libations and light fare. Featuring live entertainment nightly, it is consistently voted Southwest Florida's best place to enjoy a sunset. Whether you go for a round of golf or an extended stay, The Naples Beach Hotel & Golf Club will accommodate you perfectly. To learn more, call 855-861-7168 or visit NaplesBeachHotel.com.

THE CLUB AT IBIS

This Palm Beach enclave with three Nicklaus courses offers the best of both worlds—city sophistication and convenience in a lush oasis of unexpected tranquility

Florida is treasured for its wildlife and nowhere is it more abundant, or more revered, than within the gates of The Club at Ibis on the western outskirts of West Palm Beach. Just a few miles west of I-95 and minutes from the elegance and diversions of the Palm Beaches, this private golf community bordered by the 12,000-acre Grassy Waters Nature Preserve feels like an oasis of natural beauty. From the moment you enter royal palm-lined Ibis Boulevard, you feel a world apart.

The landscaping is lush, scenic lakes accent the grounds, and birds—spoonbills, blue heron, sandhill cranes, and ibis—are always in view. The streets are lined with trails for walking, jogging, and biking in the midst of the beauty. Ibis has a flavor unlike any other luxurious residential community in this desirable region of Florida.

Golf certainly defines the Ibis experience. This is the only club in the world with three Nicklaus family courses (Jack, Jack II, and Steve) and each of them are unique. Jack's Signature Legend Course features an abundance of mounding. Jack II's Heritage gives you the benefit of generous fairways, but requires more water carries. And Steve's Tradition is more links style, with undulating greens that place a premium on your short game. Play all 54 holes and you'll never see the same hole twice.

What all the courses have in common, beyond the Nicklaus stamp, outstanding layouts, and meticulous grooming, is that the finishing holes of each course comprise arguably the three hardest finishing holes in Palm Beach County, which sits just fine with a membership that loves to play golf. The Club boasts numerous member

events and playing opportunities for all skill levels.

Heading up a friendly instructional staff of 11 is Martin Hall, host of Golf Channel's popular program, School of Golf. One the country's top 50 instructors, Hall is a veteran of the European Tour and has taught players on the PGA Tour, Champions Tour, and LPGA Tour, including Morgan Pressel.

While the superb quality of the golf initially draws many to Ibis, it is the extraordinary quality of life (what they refer to as The Ibis Experience™) that makes this multi-generational membership well satisfied.

Great pride is taken to create as many activities to enjoy as possible. That is important, as this is a year-round south Florida community (more than half the members consider this their permanent home) that is engaged and very active every season. Facilities are open all year and there is always plenty going on, including tennis (16 Har-Tru, HydroGrid-lighted courts), bocce ball, pickleball, water aerobics, card games, kids' camps, and popular member events held at the clubhouse.

Cultural opportunities abound thanks to the tireless efforts of the Ibis Cultural Association. Members can participate in acting and writing workshops, take language and art classes, perform in musical presentations, showcase their photography, and sharpen their cooking skills. The roster of events is diverse and full. BodyMind Connection™ programming includes the Club's annual Health & Wellness Expo, keynote speakers, and healthy menu options at the four on-site restaurants.

Members stay active at the expansive Sports Village, an unbelievable gathering place for families and friends. The Sports Village consists of a two-story fitness complex, full-service spa, casual bistro, and a resort-style aquatic center. Here members enjoy Pilates, yoga, spinning classes, swimming laps, relaxing in the spa, or dining poolside with friends.

The modern Clubhouse (remodeled a few years back) includes a spacious cultural activities room, card rooms, an exquisite ballroom with pre-function spaces, a library, and several dining venues including a formal dining restaurant and bar, casual pub with an outdoor terrace, and main grille dining overlooking Jack's Legend Course.

With more than 1,800 homes featuring lake, golf, or preserve views in a collection of 33 beautiful neighborhoods, there are plenty of choices when it comes to finding the home that suits you best. Ibis offers everything from golf villas, condominiums, single-family homes and custom estate homes, priced from the \$200,000s into the millions.

Ibis is an equity club owned by the members, who are justifiably proud of their spectacular amenities, unsurpassed lifestyle, and well-earned reputation. The readers of the Palm Beach Post voted Ibis as the 2019 Best Country Club in Palm Beach County. The much-awarded club is an Emerald Club of Distinction, a Platinum Club of America, one of Americas Healthiest Clubs.

FLORIDA

It's more than Golf; it's a Destination.

BY JASON HENDRIX

Director of Communications for the Florida Sports Foundation

Whether on land or in the water, Florida's 67 counties, 282 cities, 109 towns, and 19 villages offer a combination of sporting entertainment and natural charm that is unrivaled.

While Florida is loaded with spotlight-grabbing attractions like Walt Disney World, Universal Studios, and Busch Gardens, shopping outlets aplenty, and beaches galore, Florida still remains the #1 destination for golf. With its more than 1,100 golf courses, the Sunshine State accounts for more than \$16.5 billion in economic impact, 170,000 total jobs, and \$764 million in revenue. Outside of the links and greens, there are countless forms of entertainment and activity that also add to the state's shimmer, prowess, and luster.

Florida's favorable climate supports year-round sporting activity making the Sunshine State the world's sports Mecca. More than 8.5 million out-of-state visitors descend on Florida solely for recreational sports.

Did you know Florida features more than 1,000 miles of coastline and 12,000 miles of rivers, streams and canals and more than 8,000 lakes covering three million total acres, many of those spots brimming with fish? Thus, it is no surprise anglers of all ages spend almost a combined total of 60 million days fishing each year in the state and the sport is a booming \$7.5 billion industry.

With its pre-eminent fishing scene, Florida's waters also host multiple swimming, boating, snorkeling, and kayaking adventures throughout the Sunshine State. For a unique experience, paddlers can take part in self-guided or guided tours on its glowing waters of the Gulf of Mexico or smooth streams of Wakulla Springs.

Want to take in a round and also witness the world's top rowers in action? There's no better place than Nathan Benderson Park. Located in Sarasota, NBP is a unique 600-acre community park that is North America's premier 2,000-meter sprint rowing course and Regatta

Center. NBP is one of a handful of sites in the United States identified as having all of the natural attributes that make up a world class rowing and recreational facility.

Another striking territory for the Sunshine State is the 1,400-mile Florida Trail, which begins at Big Cypress National preserve in Southwest Florida and ends at Fort Pickens on Santa Rosa Island in Northwest Florida. As one of only 11 National Scenic Trails in the country, the trek is teeming with swamps, forests, springs and a host of wildlife.

Florida's sports industry has grown to an estimated \$57.4 billion per year industry, supporting more than 588,000 jobs for Floridians while attracting more than 16 million international and out-of-state visitors annually. Through more than 2,800 sporting activities across Florida, the Sunshine State attracts more than 5.3 million non-resident visitors annually, expending more than \$3.3 billion.

Florida is home to 10 major professional sports franchises in 5 major sports leagues: Major League Baseball, the National Hockey League, National Football League, National Basketball Association, and Major League Soccer and is home to NASCAR, the PGA Tour, the LPGA, and the PGA of America. The Sunshine State is home to 9 Professional Sports championships, including 3 Super Bowl titles, 3 NBA Finals Champions, 2 MLB championships, and 1 Stanley Cup Champion. The Sunshine State's Professional Sports footprint has an impact of \$5.3 billion and accounts for more than 50,000 jobs where more than \$2.5 billion of this footprint is associated with the impacts of non-resident visitor expenditures. Of note, events such as Super Bowl LIV (Miami, 2020), Super Bowl LV (Tampa, 2021), 2021 NCAA Division I College Football Playoff Championship in Miami, and World Cup in 2026 are coming to the Sunshine State. Previously, Florida has hosted the MLB All-Star Game (Miami), NHL All-Star game (Tampa), the 2019 NCAA Women's Basketball Final Four (Tampa), and NFL Pro Bowl as well. Have you bought your ticket yet?

With the winter chill in the northern states in full gear, the Sunshine State opens its doors to Major League Baseball's Florida

Grapefruit League Spring Training that lends an economic impact of \$687.1 million. Florida is home to 15 of the 30 MLB club's spring training programs. Each year, nearly 1.5 million fans attend the 200+ games in 13 communities through the state. Since 2000, a total of 29,651,981 have attended MLB Spring Training games in Florida. Just imagine playing 18 holes of golf in the morning, catching a nine-inning contest in the afternoon, and rounding out the evening with dinner and a drink at one of the many locally-owned restaurants. Name a better combination, we dare you.

From wild, natural beauty to exotic tropical paradise, there is nothing like golfing in Florida with 1,100 courses to discover. From friendly, wide fairways to professionally challenging tour courses, we invite you to explore them all. This is where winter never means a day away from the tee and the sun is always shining and served daily. We invite you to share in the history and wonder that makes Florida the world's premiere golfing destination. Golf in Florida and experience its vast opportunities today!

Thanks to affordable green fees and year-round tee times, you too can enjoy golfing in paradise, complete with 162 different chances for a hole-in-one.

BAY POINT GOLF CLUB AT SHERATON BAY POINT RESORT

Recently renovated with new TifEagle Ultra-dwarf Bermuda-grass greens and now re-opened after the effects of Hurricane Michael, the Nicklaus Course is the only Nicklaus Design in the Panhandle and is set against the backdrop of St. Andrew Bay and a marshland wildlife sanctuary. The conversion to TifEagle on all 18 greens creates a more consistent putting surface with faster green speeds year-round. In addition, 23 renovated green-side bunkers compliment the greens and include new sand and drainage. Bay Point's Nicklaus Course weaves through the Sheraton Panama City Beach Golf & Spa Resort with numerous strategically placed bunkers and water features. The signature fifth hole offers a spectacular tee shot to an island fairway in the middle of the Grand Lagoon with a second shot to a peninsula green overlooking St. Andrew Bay.

FUN FOR THE WHOLE FAMILY

Centrally located in the heart of Panama City Beach is the one and only **Holiday Golf Club**. Covered in TifEagle Turf, you'll find that their nineteen greens are ideal for speed and consistency. You are sure to love their forgiving fairways and true southern hospitality.

For the junior golfer, they also offer the area's only lighted par 3 course. Open into the night, this course is your chance to play a quick 60 minute game on its 1003 yards. Plus, if you're going to turn your golf outing into more of an occasion, club rental is available.

Signal Hill Golf Course opened in 1962, making it the oldest golf course in Panama City Beach. An eighteen hole course, it offers 5,617 yards of golf from the longest tees. With its challenging greens and precise fairways, you'll see why Signal Hill has been a relaxed, reliable community golf course for decades.

IMPROVE YOUR GAME

Are you ready to take your game to the next level? If you want to learn tips and tricks from the pros, this is the place. **Dewsweepers Golf Instruction** offers lessons for golfers of all ages and skill levels. Available by appointment at Bay Point Golf Club, all lessons include video analysis. Book by the hour or by the day, depending on your schedule and needs.

Panama City Beach offers a collection of courses for novice, leisure, and serious golfers. Whether you are seeking a relaxed

afternoon or the chance to make a once in a lifetime shot, the right course is here, waiting for you. Come for the golf and stick around for the drinks, dining and expert-level pro-shops.

NIGHTLIFE

There is no doubt that your days will be full in Panama City Beach. But what about your nights?

You're in luck—we also have plenty of fun places to go once the sun goes down. While you visit, you can enjoy a thriving nightlife that's coupled with a chill, welcoming atmosphere. Flip-flops welcome!

DANCE CLUBS

If you are in the mood to dance after a day of fishing and water activities, Panama City Beach has exactly what you need to make a night of it.

Are you seeking the biggest nightclub in the US? With a capacity for 6,000 people. **Club La Vela** appeals to all kinds of musical tastes with theme rooms featuring musical genres from country to EDM and everything in-between. Check out the schedule for special events including special

guest deejays, live musical performances and events exclusively for teens.

LIVELY BARS AND RESTAURANTS

If you are looking for a drink and a bite to eat instead, not to worry, we've got you covered. Choose from a wide variety of lively and colorful spots, many right off the beach. Stop by **Sharky's Beachfront Restaurant** for steak and seafood. You can also find the best ribs on the beach and signature drinks at **Pineapple Willy's**, or treat yourself to a Gulf Coast feast with simply prepared, fresh seafood at **Schooners Last Local Beach Club**. So grab a stool and order yourself a specialty cocktail or a round of ice cold beer for your friends.

For something a little different, head over to Hofbräu Beer Garden. It focuses on Bavarian specialties and even imports their own signature beer from Germany. Thanks to authentic beer hall tables, people who arrive as strangers leave as friends.

LIVE MUSIC

Nothing beats the once in a lifetime experience that is live music and we are happy to provide. **Spinnaker Beach Club** features

live music every night of the week in addition to their delicious burgers and coastal grub. Music fans will love this venue, complete with beach access.

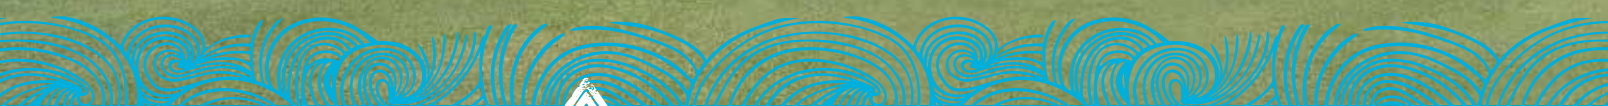

Tootsie's Orchid Lounge is known as "the #1 honky tonk in the world" and is the place to be for country music. Now located at **Pier Park**, Tootsie's has a long history in Panama Beach City and has been part of the country scene since Willie Nelson got his first songwriting gig. You can't miss it!

LEGENDARY KARAOKE

Do you fancy yourself the next American Idol? Well, there's only one way to prove it. Karaoke is a staple of Panama City Beach nightlife. Head on over to **Ms. Newby's** or **Newby's Two** to show off those high notes.

Come dance and sing with us. Feel the irresistible beat. When you are in Panama City Beach, the night is always young.

Golfing on Florida's Sports Coast

A destination for the adventurous, Florida's Sports Coast is an unbeatable location for golf enthusiasts. With 18 top-notch courses – and several world-famous ones – you'll discover over 320 holes designed for golfers of all abilities, making it easy to find the perfect course that suits your game. Many of golf's top players and designers – names like Arnold Palmer, Tom Lehman, Kurt Sandness, and Robert Trent Jones Sr. – have contributed to the courses on Florida's Sports Coast, providing a wide range of design styles, exciting layouts, and varying wilderness areas. Coupled with the year-round warm weather of this area, you'll find every round of golf on Florida's Sports Coast is both challenging and enjoyable.

SADDLEBROOK

Home to two of Florida's Sports Coast's most picturesque and playable courses, Saddlebrook is a well-known destination for world-class golf. Both courses were designed by golf legend Arnold Palmer and feature rolling fairways, well-maintained greens and wilderness areas full of cypress, pine and palm trees.

Contoured to resemble a rolling New England course, the 6,641-yard Palmer Golf

Couse is a Par-71 masterpiece without equal. Here, you'll find generous driving areas and TifEagle greens that are firm, fast and undulating. Facing the green from the slanting fairways, the small elevated emerald islands are framed by white-faced bunkers, azure

ponds and gently swaying palm trees. On this course, some holes require strength, but all reward finesse.

The Saddlebrook Golf Course is 6,480 yards of unparalleled golf surrounded by cypress and oak trees. On this beautiful Par-

70 course, you'll find emerald-ribbon fairways, white-faced bunkers, lush greens and low hanging Spanish moss. Don't miss out on this amazing course, the 425-yard signature hole (the 18th hole) is famously tricky, and you'll want to tell this golfing story for years to come.

LAKE JOVITA GOLF AND COUNTRY CLUB

Designed by US Open Champion Tom Lehman and golf course architect Kurt Sandness, the 220-acre Lake Jovita South Course takes full advantage of the unique hilly terrain to create a course that is professional tour quality in every sense. A Par-72 course, you'll enjoy generous fairways, velvet greens, and immaculate course conditions. Also, the 11th hole features a 94-foot drop from tee to green—the largest natural elevation change in the state of Florida!

The 263-acre Lake Jovita North Course is equally impressive. A little more contemporary in style, this Par-72 course has even greater elevation changes than the South Course. In fact, from the second tee box, you can see five or six miles to the northeast! A delight to play, you don't want to miss out on this course's beautiful fairways, soft greens, and challenging layouts.

FOX HOLLOW GOLF CLUB

One of Robert Trent Jones Sr.'s last designs, Fox Hollow Golf Club is a masterpiece Par-71 course. Featuring Sea Dwarf, Seashore

Paspalum greens, rolling fairways, and large white-sand bunkers, this 7,079-yard course provides a true test for golfers of all skill levels. Complete with a grass driving range with over 25 hitting stations, a chipping green with a practice bunker, and a 10,800

square foot practice green, it's easy to see why this is an unrivaled Florida golf course.

Central Florida

The Hidden Gem of Florida Golf

Golfers who live in Central Florida already know, and more visitors are beginning to learn, some truly fantastic golf opportunities abound throughout Central Florida's Polk County. With more than 40 public access courses offering 612 holes of golf, Central Florida's Polk County boasts one of the top collections of golf courses in the United States. Golf groups traveling to the area will find a wide range of course options and unforgettable off-course activities that will make your Central Florida trip one to remember.

UNIQUE COURSE OFFERINGS

With so many course offerings it is very difficult to pick our favorites, but when it comes to distinctive course design, one has to begin the conversation with Streamsong Resort. Streamsong Resort's Red Course, designed by Bill Coore and Ben Crenshaw, the Blue Course designed by Tom Doak and the Black Course designed by Gil Hanse, utilize the natural contours, sand dunes and native grasses to offer a golf experience that is reminiscent of the links-style courses of the British Isles. Built upon reclaimed phosphate mining land, Streamsong's courses are atypical of most Florida golf courses.

Southern Dunes Golf & Country Club

stretches out to more than 7,200 yards from the championship tees and this demanding layout features high ornamental grasses and decorative plantings, paired with 180 distinctively colored bunkers that provide spectacular visual appeal throughout your round of golf.

The Club at Eaglebrooke provides a challenging, but fair test of golf for players of all ability levels. Oak trees, numerous lakes and strategically placed mounding define the lush rolling fairways, and visually frame each hole as from the tee.

BREWS, BLUES AND BARBEQUE

Once the golf clubs have been put away, and the side bets settled, your group can then explore some of the great local dining and entertainment offerings that are available throughout Central Florida's Polk County.

With more than 550 lakes dotting Polk County, locals and visitors alike all have their favorite lakeside dining spot. In Winter Haven, with full length windows and a lakeside patio, Harborside Restaurant is a modern American steakhouse, seafood and oyster bar featuring the finest cuts of dry aged meat and daily delivered fresh fish. Also in Winter Haven, with its neighborhood restaurant feel

and its location on the shores of Lake Ned, no place epitomizes casual lakefront dining more than Harry's Old Place. Situated on the shores of scenic Lake Pierce.

Lakeland's Lake Mirror is best known for its large events and being a perfect place to catch a spectacular sunset over downtown Lakeland, the lake also serves as the backdrop for Texas Cattle Company, the place for those that have a craving for a nice juicy steak cooked over a specially built open-pit mesquite wood fire.

A trip to Florida wouldn't be complete without fresh seafood. Gary's Oyster Bar & Seafood House in Lake Alfred is known for its eclectic décor, friendly service and fresh seafood. Crazy Fish Bar and Grill is well worth the drive to Lake Wales. For a little taste of Louisiana, Harry's Seafood Bar & Grille in Lakeland, serves up some good 'ole down home Cajun favorites.

Mojo Federal Swine and Spirits has transformed Lakeland's Federal Building into the newest culinary and entertainment experience. Mojo Federal is a premier barbecue, southern food, and craft cocktail destination.

In Central Florida, Lakeland has served as the leader in the brewpub movement. Brew Hub is a partner brewing enterprise

that brings together a number of smaller craft brewers to brew their beer. The Brew Hub Tasting Room serves locally sourced, naturally raised, made to order food options that are great for pairing with their beers. Swan Brewing offers lakefront views and micro-brews just a few blocks from downtown. Kick back in the taproom or relax on the patio as you sip on a selection of more than 20 seasonal and small-batch beers. Brimming with authenticity and local love, Winter Haven's Grove Roots Brewing Company looks to create inventive, artisanal beers. With names like "Kind & Shine" and "6am Pickers" scrawled onto the chalkboard tap list, there's no question Grove Roots is serious about bringing Polk County's citrus heritage to life. While they don't serve food, Grove Roots has a rotating roster of food trucks available for those wishing to eat. On Friday and Saturday nights, live music is offered at the venue.

After a long day on the course, and after a delicious meal, the way to cap off the evening is with a trip to the Lakeland Loft Cigar Bar and Jazz Club, an ultra-premium upscale Jazz and cigar lounge, located in historic downtown Lakeland. The Lakeland Loft offers a unique musical experience featuring talented local musicians, with live Jazz performances every Thursday, Friday and Saturday night.

TAKE IN A GAME

No matter what time of year you visit Central Florida, your group can catch some professional sports action. Lakeland has been the spring training home of the Detroit Tigers for more than 80 years. From late February through the month of March, you can catch the Detroit Tigers at Joker Marchant Stadium as they face other Grapefruit League teams such as the New York Yankees, Boston Red Sox, Atlanta Braves, Philadelphia Phillies and the Baltimore Orioles. In fact, there are five other MLB teams within an hour's drive of Lakeland, making it the perfect "home base" for an extended golf and Spring Training tour.

If you prefer the hardcourt to the baseball diamond, Lakeland's RP Funding Center is home from November to March to the

Lakeland Magic, Orlando Magic's G league affiliate. The Center also plays host to the Major Arena Soccer League's Florida Tropics from December through April. Each May through July, the Tropics take to the outdoor soccer pitch as they compete in the United Soccer League, one of the MSL's professional soccer development leagues.

CHOOSE EVERYTHING

Central Florida's Polk County is one of the most beautiful and affordable golf destinations in Florida. While not as widely known as its more commercial neighbors, Orlando and Tampa, Polk County is a "hidden gem" that offers hundreds of unique attractions, both natural and man-made, that will provide your golf group with plenty of off-course thrills for the young and old alike. For more details or information on all of our local restaurants and craft breweries, our nightlife and entertainment offerings and exciting area attractions, log on to www.VisitCentralFlorida.org to begin planning your group's Central Florida golf experience.

CENTRAL EAST

MELBOURNE/TITUSVILLE
PORT ST. LUCIE/VERO BEACH
DAYTONA BEACH

Daytona Beach

Daytona Beach is home to a pair of iconic attractions in the “World’s Most Famous Beach” and the “Great American Race.” While Daytona International Speedway and the Atlantic Ocean are powerful lures, they are only part of what makes the area so attractive to golfers in search of a dream trip.

Daytona Beach has established itself as a premier central Florida golf destination and the reasons are many, not the least of which is the area’s idyllic weather during the heart of the golf travel season.

With more than 20 courses, golf is part of the area’s DNA, and Daytona Beach is as accessible as any destination in Florida with direct flights into Daytona Beach International Airport and easy access to additional airports in Orlando and Jacksonville.

LPGA, Donald Ross and a Rich History

Daytona Beach’s connections to golf, both past and present, run much deeper than many realize. The LPGA is headquartered in Daytona Beach, and LPGA International, a 36-hole facility with layouts designed by Rees Jones and Arthur Hills, is one of Florida’s best.

The Jones Course has hosted multiple LPGA events and World Golf Hall of Famer Karrie Webb and Dottie Pepper, a two-time

major champion, are among the players who have triumphed on the unforgettable links-style design.

The Hills Course is absolutely the equal of the Jones, challenging players with magnolia and pine tree-lined fairways. A 4.5-star design, the Hills Course, which has no parallel holes, is a design worthy of building a trip around.

While LPGA International is the area’s contemporary favorite, legendary architect Donald Ross is the father of Daytona Beach golf. Ross designed the South Course at Daytona Beach Golf Club, the area’s oldest public course and one of three layouts that are part of Florida’s Historic Golf Trail, joining the Ross-designed New Smyrna Golf Club, and Riviera Country Club.

Layouts like Victoria Hills Golf Club, Spruce Creek Golf & Country Club and DeBary Golf & Country Club help provide Daytona Beach with the depth and quality of courses golfers crave. For more information on area golf courses, visit DaytonaBeach.Golf.

The Fun Doesn’t End With the Final Putt

Golf is the most important component of a trip, but it’s not the only one. A good time off the course is vital part of the experience and

few destinations offer as much fun as Daytona Beach.

The area’s abundant off-course attractions begin with Daytona International Speedway, where a tour of the track and a visit to the Motorsports Hall of Fame of America are a must. The truly ambitious may also want to enjoy the NASCAR Racing Experience, which offers the opportunity to get in a stock car and race around the famed 2.5-mile trioval, 31-degree banked track.

After an exhilarating trip to the Speedway, a visit to ONE DAYTONA, the area’s newest dining, shopping and entertainment complex located directly across the street is not to be missed.

Baseball fans will relish the opportunity to visit historic Jackie Robinson Ballpark, home of the Daytona Tortugas, the Cincinnati Reds’ Class A Florida State League affiliate.

When it’s time to eat, restaurants like The Cellar, Hyde Park Prime and 31 Supper Club are destination dining spots, but the area’s waterfront local eateries are equally appealing. Daytona Beach Ale Trail, a collection of more than 20 craft breweries, tap rooms and artisan distilleries that stretches throughout Volusia County, offers great options for those in search of quality suds and good food. Ormond Brewing Company, Daytona Tap Room, The Half Wall Beer House, a locally

owned chain, and Tomoka Brewery are just a sampling of the Ale Trail's most popular offerings.

Whether it's a great meal or high adrenaline adventures, Daytona Beach's off-course offerings make every trip a little more memorable.

Where to Stay

Quality accommodations can be the difference between a good experience and a great one, and Daytona Beach is a destination that delivers unrivaled offerings. The area is home to more than 200 properties and 12,000 rooms, allowing groups to choose between

everything from bed & breakfasts and smaller independent hotels to luxury oceanfront resorts and condo hotels.

Daytona Beach continues to raise the bar for accommodations. The 200-room Hard Rock Hotel Daytona Beach and the 133-room Delta by Marriott Daytona Beach opened in 2018. Both the Hilton Daytona Beach Oceanfront Resort and The Shores Resort & Spa recently completed renovations and the area's newest luxury hotel, The DAYTONA, opened in April 2019.

Daytona Beach's rising popularity is perfectly complemented by its ever-improving accommodations offerings. Golfers wanting

to research where to stay on a trip are best served to visit DaytonaBeach.Golf which offers a look at the best the area has to offer.

The One Thing Everyone Must Do

Whether you come to Daytona Beach to play LPGA International and enjoy the best the area has to offer or you are more interested in a value-centric trip, the one thing every golfer should do is visit the "World's Most Famous Beach."

Daytona Beach is comprised of 23 miles of expansive coastline. Some sections are pedestrian only and other sections allow cars to drive, very slowly, on one of the nation's most stunning beaches. At low tide, the beach is up to 500 feet wide offering ample room for everyone to share the beautiful white sand. Beachfront parks offer off-beach parking as well.

Daytona Beach has everything golfers want in a destination - a diversity of courses and price points, outstanding accommodations and ample fun off-the-course - highlighting the area's appeal to players.

For a comprehensive look at the destination - on and off the course - visit DaytonaBeach.com.

NAPLES/MARCO ISLAND

FORT MYERS

SARASOTA/BRADENTON/VENICE

PORT CHARLOTTE/PUNTA GORDA

On or off the course, Florida's Paradise Coast offers an experience par excellence.

Imagine world-class golf courses designed by the likes of Tom Fazio, Jack Nicklaus, Greg Norman, and Arnold Palmer. Ideal weather that's perfect for teeing it up all year round. And countless ways to stay, play and dine in a destination that's as luxurious as it is beautiful.

If that sounds like paradise to you, that's because it is.

Florida's Paradise Coast, to be precise: Naples, Marco Island and the Everglades.

With more than 90 public and private golf courses perfectly suited to all skill levels and handicaps, the area has earned its well-deserved reputation as Southwest Florida's premier golf destination. It's so

good, the International Association of Golf Travel Operators (IAGTO) has named it the Number 1 Golf Destination in North America. Which means it's time you packed up your sticks and made your way to Paradise!

PLAY WHERE THE PROS PLAY.

If you need proof that Florida's Paradise Coast has some pretty serious credentials when it comes to the greatest game ever invented, consider this: The area is home to several top-tier golf tournaments:

- The LPGA CME Group Tour Championship, held annually at The Tiburon Golf Club at The Ritz-Carlton Golf

Resort in Naples.

- The PGA Chubb Classic Champions Tour, celebrates 32 years in Naples, and will be held in February at The Classics @ Lely Resort.
- The PGA QBE Shootout, founded by Golf Hall of Famer Greg Norman, and held every year at The Tiburon Golf Club.

Both pros and amateurs alike will tell you the same thing: That the courses and conditions on Florida's Paradise Coast are among the best in world. So, whether you're teeing it up for big prize money, bragging rights, or anything in between, you're sure to experience a round you'll never forget.

COURTESY FLORIDA'S PARADISE COAST

AROUND HERE, EVERY SEASON IS GOLF SEASON.

Mother Nature must be a single-digit hand-capper, because she always sees to it that the weather on Florida's Paradise Coast is absolutely perfect for a round of golf.

From December through May, you can trade your winter boots for golf shoes and tee it up under sunny, clear blue skies every day. Be advised, however: It's the peak tourist season, so tee times may be limited.

From June through November, you can take advantage of the area's "value season." That means fewer golfers, faster play, and even discounted greens fees and hotel rates. Summer and fall temperatures are warmer, of course, so it's best to make your tee times early. You'll be off the course and on the beach by midday!

THE ONE GOLF DESTINATION WHERE WATER ALWAYS COMES INTO PLAY.

On Florida's Paradise Coast, the only thing more impressive than its golf courses are its award-winning beaches.

The area boasts 30 miles of uncrowded white sand beaches along the turquoise waters of the Gulf of Mexico. They're the perfect place to relax after a day on the links, or enjoy a barefoot stroll on the beach at sunset.

Of course, if you're looking to add a little more excitement to your visit, there are plenty of other ways to make a splash. Rent a paddleboard or kayak and navigate the calm waters of the Gulf. Rent a watercraft and explore the mangrove-surrounded waterways of the Ten Thousand Islands. Hop aboard one of the area's many sightseeing

boats for a leisurely cruise where you can spot dolphins, manatees, eagles and more. Or simply charter a fishing boat and reel in The Big One on a deep-sea excursion you'll never forget.

With so much water at your disposal, there's no limit to the ways you can enjoy it – or the memories you'll head home with!

Punta Gorda/Englewood Beach: our best side is outside

The Charlotte Harbor Gulf Island Coast, a charming, laid-back destination nestled between Sarasota and Fort Myers on the gulf coast, features an array of quality courses allowing any golf aficionado to experience some of the best golf Florida has to offer. Golf Digest has ranked the area as “3rd Best Place in the Country to Live and Play Golf.”

Although Florida’s terrain is relatively flat, Southwest Florida is home to many different types of ecosystems providing the aesthetic appeal and natural obstacles necessary to enhance and challenge a player’s experience.

One can choose an itinerary of courses to include heavily wooded terrain, salt

marshes, and wetlands, as well as Audubon certified courses teeming with a variety of native wildlife. This diverse pool of courses also features two 4 ½ star courses, including Riverwood Golf Club, which

Golfweek Magazine ranked as the #15 best course in the state of Florida in May 2012.

Whether taking a golf vacation with the guys or gals or simply playing a couple rounds during a family vacation, it doesn’t need to be stressful or cost a fortune. In fact, the area was named the U.S. Best Value Destination in 2014 by trivago. According to the world’s largest online hotel search site, the destination offers “the biggest

bang for your buck on vacation.” Adding to the value, virtually every course in Punta Gorda/Englewood Beach is open to the public year-round and greens fees (with a cart) in peak season average approximately \$55 per round with summer and fall rates even lower. Find adventure off the greens, too. Aquatic adventures beckon with nearly 200 miles of Blueway Trails ideal for kayaking, canoeing and standup paddle boarding. Charlotte Harbor has been named one of the top 10 places to sail by SAIL Magazine and the area is known for its world-class fishing with deep sea and back bay angling opportunities. For a true adrenaline rush, fish for silver king in the Tarpon Capital of the World.

PHOTOS BY THE PUNTA GORDA/ENGLEWOOD BEACH VISITORS AND CONVENTION BUREAU

Speaking of water, soak up the sun and beachcomb on some of the 12 miles of Gulf of Mexico beaches, or, island hop without a passport. Five barrier islands hug the coast with some only accessible by boat offering a true natural Florida adventure.

On land, take advantage of the City of Punta Gorda's free bicycle loaner program. Peddle away on either one of the four bicycle routes, which range from 17 to 31 miles, or ride the 18-mile Punta Gorda Pathways which circles the city and includes a ride along the tranquil Peace River. Along this ride, stop at the Punta Gorda Outdoor Fitness Zone to tone up your muscles on this free, outdoor gym equipment.

The dining scene in Charlotte Harbor & the Gulf Islands is an eclectic mix of seafood shacks, sidewalk cafes, waterfront eateries, fine dining and sweet spots. Primary dining districts include downtown Punta Gorda, Fishermen's Village, Manasota Key and Englewood's Dearborn Street. Familiar chain restaurants are bountiful, too. Whatever the craving and occasion, there's a restaurant satisfying every taste bud.

Plan your Southwest Florida golf vacation by visiting PureFlorida.com.

The Naples Beach Hotel & Golf Club

NAPLES, FLORIDA

The Naples Beach Hotel
& Golf Club
A Naples Original

When you learn that an 11-year-old once shot par on The Naples Beach Hotel & Golf Club's 18-hole course, you can't help but wonder how challenging that course is. But when you learn that the child in question was none other than future PGA legend Jack Nicklaus, you get a better idea of the quality of play.

Today, some 67 years later, this Four Diamond resort's championship golf course is better than ever. A year after its complete renovation by acclaimed course architect John Sanford in conjunction with Jack Nicklaus himself, the course remains challenging for all levels of play.

While thorough, ongoing course maintenance keeps the course at peak playing levels year-round, a professional golf staff lets players elevate their golf experience to new heights. Whether golfers are looking for group

or private lessons, scrambles and tournament organization, or expert advice on clubs and the game's latest equipment and technologies, The Naples Beach Hotel & Golf Club's pro shop handles all requests.

The golf course is public, but membership at The Naples Beach Hotel & Golf Club affords players a number of benefits. These include unlimited play, discounted cart fees, and discounted greens fees for accompanying guests. Members also have full access to the practice facility, can take advantage of club storage and can even make tee times up to 14 days in advance. Club membership is available on a year-round or seasonal basis and includes other "perks" such as discounts on hotel accommodations, savings on full price retail items in the Golf Pro Shop and 10 percent off food at any of the resort's three restaurants.

For golfers looking for more than a round of play, an overnight, weekend or even a week-long stay, the resort offers a wealth of opportunities for relaxation and recreation. Situated directly on the Gulf of Mexico's gentle shoreline, The Naples Beach Hotel & Golf offers a seven-mile stretch of white-sand beach and a variety of water sports. Its world-class spa is staffed by trained professionals who provide wellness treatments and services. The Mary C. Harding Tennis Center boasts a fully stocked Pro Shop, USTA teaching professionals and eight Har-Tru courts. At the edge of the beach is a multiple swimming pool complex, including an "adults only" pool for those who prefer to be out of the splash zone.

Guests with children delight in the resort's complimentary Kids Club which keeps

youngsters busy and engaged while Mom and Dad play golf, tennis, or pursue other interests.

Indulgence is always on the menu at the resort's three restaurants. Fine dining at the award-winning HB's on the Gulf boasts fresh seafood, steaks and a comprehensive wine list. Breakfast and lunch can be enjoyed at Broadwell's, the golf course's "19th hole." The Sunset Beach Bar & Grill serves ice cold libations and light fare. Featuring live entertainment nightly, it is consistently voted Southwest Florida's best place to enjoy a sunset

Whether you go for a round of golf or an extended stay, The Naples Beach Hotel & Golf Club will accommodate you perfectly.

To learn more, call 855-861-7168 or visit NaplesBeachHotel.com.

The Naples Beach Hotel & Golf Club is located at 851 Gulf Shore Blvd. North, Naples, Florida 34102.
