From Darkness to Sight

chronicles the remarkable life journey of Dr. Ming Wang, a world-renowned laser eye surgeon, philanthropist and Kiwanis Nashvillian of the Year.

As a teenager, Ming fought valiantly to escape one of history's darkest eras – China's Cultural Revolution – during which millions of innocent youth were deported to remote areas to face a life sentence of poverty and hard labor. Through his own tenacity and his parents' tireless efforts to provide a chance of freedom for their son, Ming eventually made his way to America with \$50 in his pocket and an American dream in his heart, where against all odds he would earn a PhD in laser physics and graduate magna cum laude with the highest honors from Harvard Medical School and MIT. He embraced the Christian faith and tackled one

of the most important questions of our time – Are faith and science friends or foes? – which led to his invention of a breakthrough biotechnology to restore sight.

To date, Dr. Wang has performed over 55,000 eye procedures and has treated patients from nearly every state in the U.S. and from over 55 countries worldwide.

He is considered the “doctor's doctor,” as he has operated on over 4,000 physicians. Dr. Wang has published 8 textbooks, holds several U.S. patents and performed the world's first laser artificial cornea implantation. He is currently the only surgeon in the state who performs 3D LASIK (age 18+), 3D Laser Kamra (age 45+), 3D Forever Young Lens Surgery (age 50+), and 3D Laser Cataract Surgery (age 60+). He established a non-profit foundation which provides sight restoration surgeries for indigent patients who otherwise would never have the opportunity to receive them free-of-charge.

This is a story of one man's inspirational journey, of turning fear, poverty, persecution and prejudice into healing and love for others. It demonstrates how focus, determination, humility and profound faith can inspire a life that, in turn, impacts that of countless others.

All proceeds
donated to the Wang
Foundation, a 501c(3)

INTEGRITY
& CARING

You don't come to be in the top 7 percent of universities overnight. We've been working at it since 1891 when David Lipscomb first laid the groundwork for developing and graduating principle-centered leaders through a curriculum based on strong ethics and academic excellence. And as a result, today our highly acclaimed undergrad and graduate programs are making a significant difference in the community and around the world.

See the possibilities.

Concerns or compliments?
PatronServices@TPAC.org

Accessibility Services at TPAC include parking, elevators, wheelchair seating, use of a TPAC wheelchair, designated restrooms, and services for hearing and visually impaired patrons. Infrared assisted listening devices are available at no charge at the entrance to each theater. TPAC offers signing for hearing impaired patrons, and audio description and Braille programs for blind and visually impaired patrons on the Sunday matinee in the season ticket series of HCA/TriStar Health Broadway at TPAC. Large print programs are available for Broadway and TPAC Presents shows. Special accessibility requests and concerns, excluding assisted listening headsets, should be discussed in advance with the TPAC House Manager at 615-782-4087. Reservations for a wheelchair should be made on the day of performance.

Restrooms for Jackson Hall are located one level down from the 6th Avenue entrance, in the halls behind the seats in the tier and balcony, and downstairs in the back of the orchestra level. Restrooms for Polk Theater are located down the stairs to the left of the entrance to the orchestra level and on the balcony level.

Bars are located in the lobbies and in the back of the orchestra level of Jackson Hall.

An ATM is on the G-Level, near the main security desk at the Deaderick Street entrance to the building.

All electronic devices including cell phones, pagers, watch alarms, cameras, and recorders should be turned off prior to the performance or checked-in with the floor manager or an usher, who will note the seating location of physicians and others who expect emergency calls.

Call Lost and Found at 615-782-4098 to report an item you might have left at TPAC.

In case of an emergency, the number to leave with others is 615-782-4000 (plus performance, theater, and seat location).

Smoking, including use of all tobacco products and electronic cigarettes, is permitted outside the building.
