LEGENDARY COACHES

Charles
LANCON

Head Coach
(1990-2002)

Charles Lancon was the longest tenured head track and field coach at the University of Louisiana. Lancon took over the Cajuns' track program on October 1st, 1989 after three decades of working in the local high school ranks.

Lancon's guidance turned the Cajuns' track and field program into a powerhouse not only in the Sun Belt Conference, but also in the entire South. Before he took over the program for the 1990 season, the Ragin; Cajuns hadn't claimed a conference track championship of any kind since the mid-1970s. Since Lancon's arrival, the Cajuns' outgrew the trophy case with 17 Conference titles, including three of them in only his second year of his tenure in 1991.

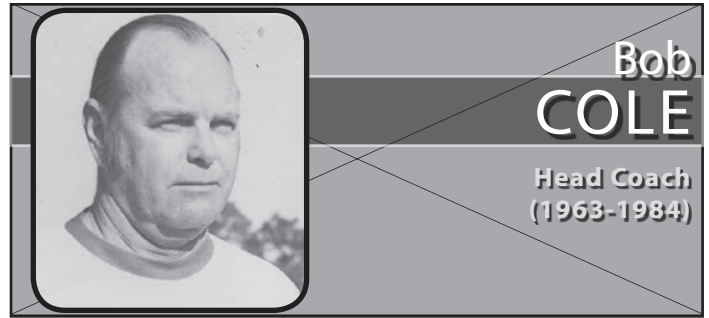

Fourteen times during a nine-year period, Lancon was honored with "Coach of the Year" accolades in the Sun Belt Conference including winning the Quadruple crown" in the league in 1993 with both men's and women's honor in the league indoor and outdoor meets, and won 11 honors' in men's combined indoor and outdoor competition. The Louisiana Sports Writers Association honored him as the "Men's Coach of the Year" in Louisiana seven times over a ten-year period.

Lancon was also honored as the "All-Time Greatest Track Coach" in the history of the Sun Belt Conference for women's indoor track, men's indoor track and men's outdoor track and field for his team's domination! Lancon coached more than two dozen NCAA All-Americans and several former prep All-Americans that went on to collegiate success. Triple jumper, Ndaba Mdhlongwa won the NCAA Individual Championship in 1995. The Ragin Cajuns also had two individual NCAA runner-ups and one third place finish. The 1996 indoor team finished 16th place in the NCAA Indoor track & field Championships.

Lancon was one of the most successful high school coaches in the state of Louisiana for almost 30

years prior to taking over the UL program. At Lafayette High School, his teams captured 16 district titles, 5 regional championships and one state runner-up slot at the state track championships.

Lancon graduated from Hansen Memorial High school in 1953. He was a four sport standout in football, basketball, baseball and track. Lancon was a star football player at UL where he lettered in 1958 and 1959. Lancon graduated in 1959 from UL. Lancon was also a member of the Lafayette Sports Hall of Fame. A native of Ashton, La. Lancon was married to the former Beryl Richard and had one son, Kevin Charles.

Bob
COLE

Head Coach
(1963-1984)

Coach **Robert M. "Bob" Cole** came to UL (then USL) in 1963 as head Track and Assistant Football Coach after a stint at his high school alma mater, powerhouse Sulphur High School. After attending USL and Northeast Louisiana on baseball scholarships, and a brief stint in minor league baseball, Cole settled on coaching high school football and track before making his mark on the USL record books.

Once he arrived in Lafayette, it took him three seasons to transform USL from the doormat of the Gulf States Conference to perennial Track and Field and Cross Country champions and by the time he retired in 1984, he had become the most prolific coach of any USL sport – winning more conference championships and producing more all-Americans than any other coach in the history of the school.

After a last-place finish in his first year, he took a handful of scholarship athletes and walk-ons and molded them into conference champions in year three – and from there, winning conference championships became the norm for the next twenty years.

Once the word was out that USL had become a track powerhouse, attracting better athletes like Ireland's John McDonnell, became easier. Once on board, McDonnell ran his way to All-

America honors six times before leaving to establish himself as America's premiere collegiate track coach at the University of Arkansas. McDonnell is quick to praise Cole and attributes his 42 NCAA team Championships to (motivational) lessons learned from Cole.

As USL mentor, he won numerous conference coach of the year honors and became known as the dean of conference coaches. His most notable honor, however, came in year five when he was named "National Coach of The Year"

He instilled discipline and a strong work ethic in his athletes—many of whom established "fatherly" relationships with him after they graduated. Dozens came back to visit year after year during his 22 years at the helm of the Bulldogs' track program. Coach Cole retired in 1984 and moved shortly thereafter to Toledo Bend where he took up hunting and fishing and Real Estate.

He died in January of 2007, shortly after learning that the UL Track and Soccer Complex would bear his name along side another stellar coach who followed in his footsteps to keep the UL tradition alive. A Cole-Lancon Memorial Track and Field Memorial Fund has been set at the UL-Foundation to help continue the dominance and tradition both men established over an unprecedented 35-year span.
