FROM THE DIRECTOR OF ATHLETICS

Dear Trojan Nation,

It is with great anticipation we start the 2021 Trinity International University baseball season and train young student-athletes in developing both on and off the field. It is a privilege to be a part of the Chicagoland Collegiate Athletic Conference, as it is one of the stronger conferences in the NAIA. With this, our student athletes face excellent competition and have the opportunity to grow through adversity and develop skills that they can take with them the rest of their lives.

Trinity is an NAIA school, which means that sport is much more than having success on the field. The NAIA strives to build into student-athletes skills they can take with them for the rest of their lives through their Champions of Character program. At the heart of this program are five core values:

- Integrity
- Respect
- Responsibility
- Sportsmanship
- Servant Leadership

It is our desire for every student-athlete to grow and develop in the core values of the NAIA.

We are also part of the NCCAA (National Christian College Athletic Association) where we believe:

- Athletics are a means to an end, not the end in themselves
- The process is as important as the performance
- The person (student-athlete) is more important than the program

We are committed to equipping student-athletes and coaches to make a positive impact for Christ. Please join us in cheering on our TIU Trojan baseball team as they take the field this season.

Thank you for your support, and go Trojans!

In Christ,
Heather Logue
Director of Athletics

TIU BASEBALL FIELD

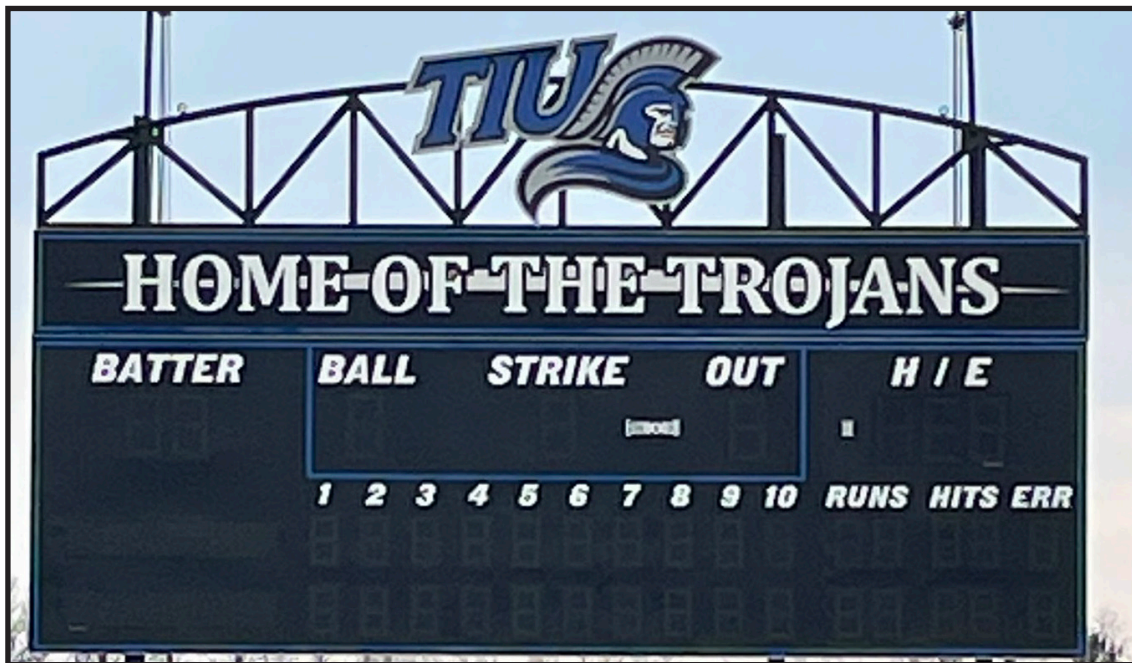

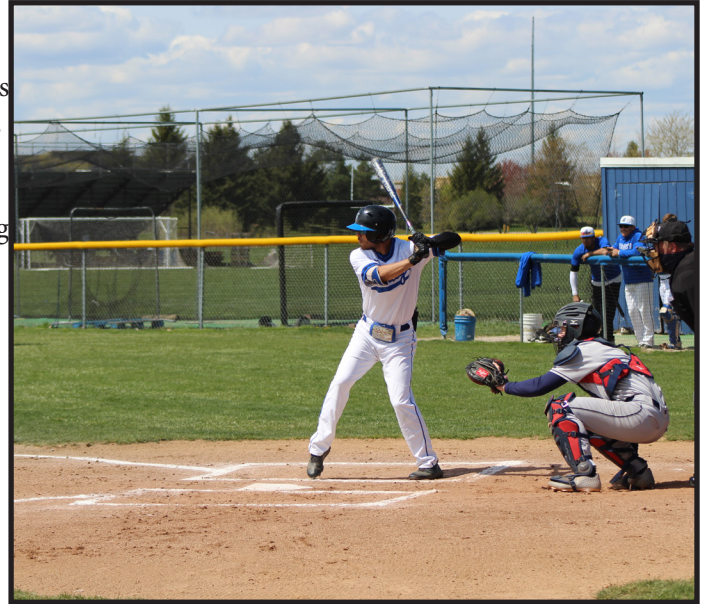

The home of Trojan baseball since 1971, the TIU Baseball Field maximizes the ideal on-campus diamond just steps away from the Meyers Sports Complex building. With dirt infield and grass outfield the field includes bullpens installed along the baselines, as well as ground level dugouts.

The outfield fence was improved with a blue windshield, helping better define the outfield boundaries. The foul poles in left and right field measure both 315 feet from home plate while dead center field measures 385 feet.

Most recently, the backstop and netting has been replaced as well as a new addition to the field, a brand new scoreboard.

Since their first season, the program has seen 10 NCCAA All-Americans, 16 NCCAA All-Region and 24 All-Conference players play at the facility.

The Trojan baseball team has put together a number of quality seasons on the diamond, including four NCCAA World Series appearances in 1998, 2005, 2006 and 2007.

SHANE GARDNER - HEAD COACH

Shane Gardner was named the 16th head baseball coach at Trinity International University in the summer of 2019. While his first season was cut short during the 2020 season, Garder coached the Trojans to a 5-11 record. Five players would earn NCCAA Scholar-Athletes honors, while nine earned CCAC All-Academic recognition.

In his first full season with Trinity in 2021, Coach Gardner led TIU to 14 wins, with a pair of NCCAA All-Region selections in Blake Lazaris and Sam Willis, Ten Trojans would be named to the CCAC's All-Academic team, the most in a single-season in program history.

Gardner joined the Trinity staff after spending the previous eight seasons at Hiwassee College putting together a coaching record of 214 wins and 189 losses, and where raising the bar and setting new program records for the Tigers became the norm. Under his leadership, the Tigers put together five consecutive seasons of 30 or more wins, while making four straight NCCAA World Series appearances from 2016 to 2019. The 2019 Tigers finished the season as the NCCAA Midwest Regional runner-up with a 30-20 record, and ended the season ranked

eighth in the final NCCAA national poll.

During Gardner's time at Hiwassee, the Tigers also set a number of team records on the mound and in the batter's box, including team earned run average (2.71), opposing batting average (.226), and opposing strikeouts per game (6.7) in 2016, as well as team batting average (.324 in 2015), team on base percentage (.455 in 2015), stolen bases (125 in 2017), and runs scored per game (7 in 2015). While at Hiwassee, Gardner helped coach four NCCAA All-American athletes, as well as 25 All-Midwest Regional First Team and 15 Second Team players. Gardner was also honored in 2016 as the Midwest Regional Coach of the Year, as well as the Tennessee Baseball Coaches Association College Coach of the Year.

Prior to accepting the head coaching position at Hiwassee, Gardner worked as an assistant coach for the Tigers, as well as for Loudon High School in Loudon, Tennessee.

Gardner earned his Bachelor of Arts degree in Interdisciplinary Studies from Hiwassee in 2013 while majoring in history. He also earned a Master's degree in sports management at Missouri Baptist University in 2019.

Raised in Philadelphia, Tennessee, Gardner is married to his wife Carri, and has one son, Wyatt.

ANDREW GROTELUESCHEN - ASSISTANT COACH

Andrew Grotelueschen joined the TIU baseball staff in 2015, after a successful four-year career as a Trojan. A former second baseman and short stop, Grotelueschen is responsible for working with the team's infielders.

During his playing career, Grotelueschen started no fewer than 30 games each year, finishing with a career .283 batting average. Recognized for his work in the classroom, Grotelueschen was twice named to the CCAC All-Academic Team, and as a senior was named an NAIA Scholar-Athlete. In 2015 Grotelueschen was named to the CoSIDA Academic All-District Team, as the first player in program history to receive the award, honoring both on-field and academic success.

TANNER HILL - ASSISTANT COACH

Tanner Hill joined the TIU baseball coaching staff for the 2021 season after previously serving on the staff at Hiwassee College (TN) with head coach Shane Gardner.

As a player, Hill played at Hiwassee for four years and was a member of the Tiger's 2016 NCCAA World Series team. A native of Powell, Tennessee, Hill is also a professional wrestler in his free time.
