This PI was superseded to update Models and Years. Please discard PIC4921C

The following diagnosis might be helpful if the vehicle exhibits the symptom(s) described in this PI.

Condition/Concern

A dealer may have difficulty locating the correct Paint Code for the vehicles listed above.

Recommendation/Instructions

When performing exterior body refinish/paint repairs on any of these vehicles, use the following paint codes for the respective model years:

2003 Mary Kay Cadillac models - use paint code WA-160E - Mary Kay Pink Pearl

2004 - 2007 Mary Kay Cadillac models - use paint code WA-983L - Mary Kay Pink Pearl III

2004 Neiman Marcus Cadillac XLR - use paint code WA-111B - Majestic Amethyst Metallic

2008 - 2015 Mary Kay Cadillac models - use paint code WA-590Q - Mary Kay Pink Pearl V

2011 Neiman Marcus Chevrolet Camaro convertible - For the exterior body color, use paint code WA-724S - Mystic Bronze Tri-coat. For the ghost stripes on the hood and decklid, use paint code WA700T

2013 Hot Wheels Chevrolet Camaro - For the exterior body color, use paint code WA-720S - Kinetic Blue. For the red stripe on the wheels and the front bumper, use paint code WA-799U - Performance Red.

2015 Green Flash Camaro models - use paint code WA-136X - Unripened Green

Please follow this diagnostic or repair process thoroughly and complete each step. If the condition exhibited is resolved without completing every step, the remaining steps do not need to be performed.

GM bulletins are intended for use by professional technicians, NOT a "do-it-yourselfer". They are written to inform these technicians of conditions that may occur on some vehicles, or to provide information that could assist in the proper service of a vehicle. Properly trained technicians have the equipment, tools, safety instructions, and know-how to do a job properly and safely. If a condition is described, DO NOT assume that the bulletin applies to your vehicle, or that your vehicle will have that condition. See your GM dealer for information on whether your vehicle may benefit from the information.
