THE SCOTTISH Terrier Club of America had originally planned to hold a spring Specialty show in May, before the Morris and Essex show, but since that event was cancelled, they have decided to accept the invitation of the Westchester Kennel Club, and consider the classes at this event as its Specialty show. This show, of course, will be in the fall.

The Club's annual meeting was held during the Westminster period, at which time the annual trophies were presented, and the following officers and Governors were elected: President, Mrs. Beatrice G. Vail; Vice President, Robert J. McLoughlin; Secretary, Mrs. John V. Kelly; Treasurer, Henry D. Israel; Delegate to the A.K.C. Charles H. Werber, Jr; Governor-at-Large, Charles C. Stalter; Governors: Mrs. Edw. F. Moloney, Mrs. T. H. Snethen, Alan Sparks and Mrs. W. Sheldon Winans.

The Scottish Terrier Club of Chicago will again hold a Specialty show in conjunction with the Western Specialties event in November, also a Puppy Sweepstakes. There should be

a huge local entry, as so many puppies which are coming up in the area will be eligible.

Frances Gannon writes there is a fine crop of Ch. Blanart Barrister puppies in the Midwest. Since owning Barrister, she has shown him three times — at Fort Wayne, Muncie and Marion. He was Best of Breed at all three shows, second in the group at Fort Wayne, winning it at Muncie.

The Washington State Scottish Terrier Club plans to have its annual Specialty sometime around the first part of July. They have secured the services of a prominent Eastern judge, name and exact date of the show to be given as soon as approved by the A.K.C. The new officers of this Club are: President, Mrs. Jane Bartos; Vice President, Carl Pefley; Treasurer, Robert E. Andre; Secretary, Mrs. Joan Schneider.

Happy to picture several of Blanche Reeg's new Blanart Scotties, — Bolero and Ch. Bartender. They are both out of the famous Ch. Blanart Barcarolle, as is Mrs. Beatrice Vail's Ch. Blanart Bingle of Greenvail, which was Best of Breed at the STCA Specialty in September. Blanart owns fourteen bitches, and all of them are daughters or granddaughters of Barcarolle. Most of these will be bred to sons of Barcarolle. This is Blanart's

breeding program, and to date it has been most successful. Three Blanart-bred Champions finished in 1953, three in 1952, four in 1951 and one in 1949.

Barcarolle and her two litter brothers, Blanart Buccaneer and Blanart Brigadier, number eighteen champions among their many winning children and grandchildren since 1950.

Barcarolle is the dam of six champions, with Bolero well on the way to the title. We believe the present record for a Scottie bitch as far as producing champions goes, is a tie between American Ch. Shieling's Gracious and Eng. Ch. Annie Laurie, both of which were the dam of seven champions.

W. M. Singleton of England, who judged Scotties at Westminster, met with members and guests of the Scottish Terrier Breeders Association at the Henry Hudson Hotel on Tuesday afternoon, February 9th. A round table discussion of questions and answers was most enjoyable and enlightening. Although Mr. Singleton expressed a strong preference for soundness in his winners, he joined many present-day judges in deploring the absence of good expression as designated by the incorrect eyes and ears of many present-day dogs.

Mac's Welton Kennels of Cedar

Rapids, Iowa, writes they have been marking time this past year, but are now resuming breeding operations. They have bred their Ch. Mac's Welton Jean to Charles McKinven's All Scotch, a son of Ch. Midnight Raider out of a Ch. Mac's Welton Tweed bitch. They are planning to breed two young bitches — Mac's Welton Lindy which has eleven points, and Mac's Welton Bit O'Heather to outstanding sires. Their Ch. Mac's Welton Jean, which is pictured, was one of three champions sired by Solitaire out of his first three litters after his arrival in this country. Jean's dam, Mac's Welton Pixie Bairn will be remembered as Best in Show at Pontiac a few years back.

Congratulations to W. R. Wood, who at the annual meeting of the STCA was awarded the Francis G. Lloyd Memorial Trophy with his Ch. Lynwood Angus. Mr. Wood also received the Edgerstoune Best of Breed trophy. Two sons of Angus and six of his daughters are now being shown and doing some nice winning. At present Angus is with James Murphy at Stoughton, Mass.

CH. CARNATION CAMPUS CUTIE

Owned by Carnation Farms Kennels
Carnation, Wash.

One of the four Champions which Carnation finished during 1953.

The 1953 Champion, Amerscot Little Sister owned by the Thos. Flores, has for the moment dropped her show career and she is busy with a litter of eight sired by Ch. Evermarere Lamplighter. The Flores are the owners of Fi-Or's Black Jet, winners of the 1953 STCA Puppy Sweepstakes, 6-9 months. A. C. Ayers is handling Black Jet.

Congratulations are certainly due Mr. and Mrs. T. H. Snethen of Pittsburgh. Their Ch. Shieling's Keynoter is the leading Scottie Best in Show winner for 1953, and now they are showing his litter brother, Shieling's Scoutmaster. He was first shown at the Specialty show of the Scottish Terrier Club of Northern Ohio where he was Best of Breed and then topped the Terrier group. His second time out was at the Canton, Ohio event where he repeated both of these wins. By an odd coincidence, these wins are identical with the first two show-

ings of his brother in 1952. The pair are from a litter of three sired by Ch. Shieling's Master Key out of Ch. Shieling's Luminous, which were helped in July 1951, and they represent the sixth generation of Shieling-bred Scotties.

Mrs. Snethen writes it was particularly pleasant to be at the Specialty at Marion. Competition was good and no detail was left undone by the

Club to make it an enjoyable first-class event. All of the Club members combined to make it a pleasant show.

Mrs. Charles Garthright of Oregon, Wisc., sends us a clever picture taken in her Veterinarian's office. Unfortunately it was too large to reduce to column size and get a good reproduction.

Keith Rogers' Kelscot Meteor which was Winners Dog at the Specialty in Boston for his second major, now has thirteen points. He is a son of Ch. Walsing Lomond Lancer of Hampton Hill out of Edgerstoune Scotch Mist.

The Barton R. Scotts of Inglewood, Calif. have recently acquired a top

winning Scottish Terrier, Ch. Trevone Tartar of Bothkennar from Mr. and Mrs. Gordon Campbell. Since making his championship, "Pete" has been shown twenty-one times with eighteen Best of Breeds, sixteen group placings, of which eight were firsts. He was Best in Show at the Los Angeles All Breed event in 1951, and winner of the Scottish Terrier Club of California Specialty in 1952. The Scotts are moving to Santa Barbara — probably there by the time this issue comes off the press.

The W. Sheldon Winans of Layton, N. J. write their greatest news is prob-

ably the fact that their well known Ch. Fulluvit Wee Mousie is in whelp to Ch. Edgerstoune Troubadour. Her last litter by Ch. Rannoch-Dune Royal Flush consisted of three puppies, all of which have been Winners

J. Burrell Sanders of Henderson, N. C. writes the only Scotties he has

are two bitches, but both are show specimens. They are Marymac's Merry Christmas and Shawnee Good Cheer, and they will be shown quite extensively at coming shows. Good Cheer was Best Local Dog in Show at the 1953 Durham All Breed event, and has been a group winner. Merry Christmas has been seven times Best of Breed at southern shows with four Local Group firsts. Mr. Sanders writes this pair of bitches certainly

prove that amateurs can win and that show puppies CAN be purchased. "One was purchased by mail, the other I left strictly to the kennel as to possibilities, just drove down to Marymac and picked her up."

The Michigan Scottish Terrier Club will hold its annual Specialty show in Kalamazoo on June 26th. Last year this show was a major in both sexes, and an even larger entry is expected this year. P. K. Groves of Olympia Fields, Ills. will judge.

American Champion Hillcote Laddie

By Alice M. Erworthy, 273 Durand St., East Lansing, Mich.

TWO DECADES ago, Scottish Terriers, bolstered by the name and fame of the British sires, Champions Heather Necessity and Albourn Barty, rode a crest of popularity in America. Hundreds of the sons and daughters of these dogs were imported amid great ballyhoo but the majority remained just registered names in the stud books. Only the passage of time has sorted them out and separated the gold from the dross, the producers from the non-producers, the lasters from those of transient glory. Of the handful of Necessity sons, other than Ambition and Fashion Hint, who sired Champions, only the following three headed

(earlier litter) to the very important British champion, Heather Ambition. Laddie's dam, Henshaw's Gloaming, was a daughter of America's top show dog of the day, Br. and Am. Ch. Heather Reveller, and Reveller's dam was Skerne Scotch Lass who was also the dam of Necessity. Reveller himself sired few champions and his bid for lasting fame appears to be dependent on this daughter who, bred by Mrs. Henshaw and sold by her to John Hillman at the age of one year, proved to be his greatest breeding investment. Her puppies were all outstanding and had she lived to fulfill her promise as a brood matron (she was killed by an automobile at the

male lines of any consequence: Br. Ch. Sandhey's Silvertip thru his son Am. Ch. Gaisgill Nosegay, Am. Ch. Drum Major of Docken, and Br. and Am. Ch. Heather Essential of Hitofa. Of the three, the last named is the only one who persists in strength today, and this strength rests principally upon the sturdy shoulders of a remarkable son, Am. Ch. Hillcote Laddie.

Laddie, whelped in December 1935, was bred for greatness, with strong close links to both Necessity and Barty. Bear in mind that his sire, Heather Essential, was a brother

(age of four) her greatness might have become breed history. Three of her eight male puppies became Champions, including Laddie and a half brother, Hillcote Destiny, who made an outstanding show record in 1938.

Bred in Mr. Hillman's comparatively small midwestern kennel, Laddie's show career was adequate but not spectacular. Very little attention and publicity were his lot until his strikingly handsome black-masted silver son, Mac's Welton Tweed, was brought out and shown to his cham-

IF MARIE STONE could see this month's cover we think she might be proud and happy for one of her breeding is the dog which appears on this month's front cover. It is a really outstanding Wheaten, aptly named Champion Kinclaven Corn Silk, and we believe the only Wheaten to complete its title at strictly eastern shows.

Corn Silk is a son of Ch. Bramshire Blazing Son out of Ch. Kinclaven Ever Amber and he is owned by Mrs. John T. Bilder of Lafayette Hill Pennsylvania, who hopes, through him to breed Wheatens which will be a real threat in show rings all over this country.

That Corn Silk himself has everything he needs to win at top shows is attested by the fact that he won Majors at Rumson under E. Johnston; Reading under Mrs. Beatrice Vail and he finished at Brooklyn in November under Wm. Kendrick with Best of Winners.

Corn Silk was handled to his Championship by A. C. Ayers of Lancaster, Pa., and he is at stud at Mr. Ayers' kennels. He sires wheatens, brindles and blacks, and his puppies are showing real Scotty characteristics and quality.

"Two A Penny"

IN THE February 12th edition of Our Dogs (England) Mrs. D. S. Casperz comments in quite a complimentary manner on Alice Exworthy's article in the January issue of Dog News.

CH. RANNOCH—DUNE ROGUE

Owned by Rannoch-Dune Kennels,
Mrs. Clare W. Loew,
Huntington, N. Y.

She seemed a bit startled however over the fact that one thousand Scotties had acquired American Championships during the fifty-five years of recorded Scot history in this country and states:

"A thousand in 55 years! Think of it! Whereas our British Champions number 356 in a period of 65 years and quite enough too.

"America is a big country, and there may or may not be more Scottish Terriers per square mile than there are in the British Isles, but at the rate of qualifying for the title, we

should be inclined to label them as "two a penny".

Mrs. Casperz is correct when she states that America is a big country and she would be correct in stating that we do have more Scottish Terriers per square mile than there are in the British Isles. In the first eleven months of 1953, 2711 Scotties were registered with the American Kennel Club and in a like period in England only 1543 were registered. America, due to its tremendous size, must have more Championship shows than England but that does not mean that the quality is necessarily inferior.

A check of our shows clearly indicates that our American-bred Champions do a very good job of holding their own with British imports many of which come over with a British Championship title and considerable fanfare as to their winnings in their own country. Mr. Singleton, the noted British authority who judged Scotties at the recent Westminster show placed an American-bred Best of Breed and he stated in an English Journal, "collectively I'd say they (American-breds) are as good as in England".

Every country, where breeding and exhibiting pure-bred dogs is a major sport, has its share of good and mediocre dogs with a sprinkling of those which fall into the category of being considered "great". Few people in any country have enough first-hand knowledge of the overall picture of another Country's Champions to place a label on them, so perhaps it would be well to remember that things are not always what they seem.

all of their foundation stock and are continuing their breeding program, principally on Relgalf bloodlines. Their Strathkirk Sonnet finished in less than two months, starting out Labor Day with a Reserve at the Michigan Specialty, and finishing at Mid-Kentucky on November 1st. Sonnet's sire, Ch. Relgalf Rebel Dictator died during the year, but leaves several promising offspring. Among them is the Kochs' Strathkirk's Spice, which as a puppy won several Reserves and is being prepared for competition this spring. It is interesting that last fall the Kochs exhibited three generations of bitches at the Fort Sackville event. Their seven year old Ch. Relgalf Ream took Best of Breed and fourth in the group, her daughter Souvenir, and granddaughter Spice, each took their class, Souvenir placing Reserve to Sonnet.

Mr. and Mrs. R. C. Kinney of Chattanooga, write they have had a busy year. In addition to finishing their Ch. Kinnie's Bruce, the first owner-finished champion in Chattanooga, they established their Kinnie's Kennels on a six acre tract thirteen miles out of the city. They are hoping that Bruce's son, Kinnie's Kirk will do well at the late spring shows. The Kinneys' latest addition to their kennel is Mar-Gene's Tinker Toy, a daughter of Ch. Friendship Farm Diplomat out of Fulluvit First Honor. They drove to South Carolina to pick her from a lovely litter, of which the E. V. Chisolms who own the Mar-Gene Kennels are very proud.

David Henderson of Bellaire, Texas, writes he has just purchased a wheaten puppy, Clinch Mt. Bit of Honey from Mrs. H. E. McComb of Rutledge, Tenn. He also owns Blanart Bing Cherries, purchased from

Mrs. Reeg. Cherries will be shown on the Texas circuit.

The Scottish Terrier Club of California will hold its annual Specialty show at Long Beach on June 26th. It will be the Club's 21st annual Specialty.

Judge Wm. Ross Proctor; John Murphy handling. Troubadour, Best of Breed and 2nd in the Group at Westminster is in winning form right now. He was Best of Breed and 4th in the Group at New Haven.

Edmiston judged and Marguerite Fuller's Ch. Mac-Bur Mariner was Best of Breed; Best of Winners and Best Opposite was Mrs. Barton Scott's Scotbart Tonga; Winners Dog, the Holtzmanns' Caegor Squire of Dundee.

At Santa Clara on February 28th under John Banks, Dorissa Barnes' Eng. and Amer. Ch. Niddbank His Nibbs was Best of Breed and third

in the group. This will be his last show for a while, as he must go home and grow a new coat. He was stripped in England in April 1953 and held until February 28th — darned good, we would say! Shown consistently since his arrival in this country he has seven Best of Breeds, one group win, one group second and one third. Best of Winners at Santa Clara was Mort Randall's Mitzie of Kahala, and Best of Winners, Mrs. L. Kardo's Scotbart Sir Barton.

Mrs. H. E. McComb who owns the Clinch Mt. Kennels, was delighted to get the news that Kinclaven Coq D'Or, a wheaten, had completed his title. This is the third wheaten champion bred by Mrs. McComb, and Gold Sequin and Clinch Mt. Bronze Hill-billy are nearly finished. Mrs. Helen Higdon is sending her Ch. Kinclaven Fortissima to Mrs. McComb and he will be at stud there for several months.

Carnation Farms have had a top year, finishing four champions, all homebred and winning a total of ten groups for the year. Their top sire, Ch. Deephaven Red Seal has four champions to his credit, and his progeny have topped outstanding shows all over the country.

They started 1954 with a bang, winning groups at both Golden Gate and Seattle with Ch. Carnation Caravel, and placing Best of Winners at both shows with a new homebred, Carnation Counterpoint. They have some young stock coming on, which they feel will contribute greatly to the Carnation tradition.

Mrs. Clare W. Loew's Rannoch-Dune Kennels, bred four champions this year, and three of them, Rannoch-Dune Royal Flush, Rogue and Rosette are all from one litter out of Ch. Blanart Bouquet, and sired by Ch. Edgerstoun Troubadour.

of Ch. Walsing Lomond Lancer of Hampton Hill. Reserves were the Stalters' Rannoch-Dune Remus and W. R. Wood's Fulluvit Bit O'Mischief. Remus is a Troubadour son and Bit O'Mischief is by Ch. Lynwood Angus. The classes here were considered the Specialty of the New England S. T. Club.

Cleveland had 24 and Mrs. Leon Godchaux' Ch. Mac-Bur Royal Scot topped the entry and was fourth in the Group. The Winners Bitch, Mrs. Albert Baehr's Bonnie Brenda of Kenneth was Best Opposite. Rannoch-Dune Remus went to Best of Winners. The winning bitch is by Hope-Springs No-Moe. Reserves were John T. Wright's Poverty Hill Randy, a Winning Trick son and Rose Schumacher's Helgoland's Bonnie Lass, a puppy by Ch. Bittersweet Butter-scotch.

The Canton Ohio show had a small entry but the T. H. Snethens' Shieling's Scoutmaster went from Open Dogs clear through to Best Terrier.

FULLUVIT FAIR LESLIE

Owned and shown by Mrs. W. Sheldon Winans

The Shielings think this Master Key son one of the best they've ever bred, which is saying quite a bit.

The Charleston W. Va., show with 324 total entries had 15 Scotties — a good entry. Goldie Seagraves' Seagraves Anchor Man, another by Ch. Edgerstoune Troubadour went from Open Dogs to Best of Breed and 2nd in the Group. Mrs. John McGilvray's McGilvray's Liusadh, a Winning Trick daughter was Winners Bitch and Best Opposite. Reserves were Olive Carter's Rebel Rascal and Goldie Seagraves' Seagraves Little Imp, both by Troubadour, the latter a litter sister to the Best of Breed winner.

Scottish Terrier Champions

FIFTY-NINE Scottish Terriers officially completed their titles in the last twelve months, as reported in the American Kennel Gazette, issues from April 1953 to and including March 1954.

The leading sire is a tie between Ch. Gold Finder's Admiral and Ch. Walsing Winning Trick of Edgerstoune, each with five champions to their credit.

In second place is Ch. Deephaven Red Seal with four champions, followed by Ch. Edgerstoune Troubadour with three. Then comes five other dogs with two champions each to their credit. They are: Ch. Blanart Barrister, Ch. Shieling's Signature, Ch. Marymac's Dixie Leader, Ch. Sheffsco Selectman and Diehard Toby.

The leading dam is Ch. Blanart Bouquet with three champions to her credit. Three other bitches each pro-

them within three generations.

The sons who have carried his line most successfully are the champions, Mac's Welton Tweed, Wedgwood Andy O'Briarcroft, Briarcroft Dandy, Spitfire's Hillcote Laddie, Bittersweet Spring Robin, and Deephaven Warspite. The latter, another handsome silver brindle, is probably the best known of them all because of his outstanding show career in keenest eastern competition. Unfortunately for the male line of descent, Warspite is producing thru his daughters, notably three litter sisters who have contributed eight champions: Marlu Black Beauty, Marlu Lady May (dam of Ch. Marlu Clincher, winner of six Specialty shows in 1953) and Marlu Scotch Belle. Altho Laddie's bloodlines are present in dozens of kennels from coast to coast only the following few are using them as an integral part of their breeding programs: Carnation Farms, Glenby, Mac's Welton, Spitfire, Amerscot and Scotbart.

Wise were the breeders who doubled on Laddie's bloodlines, thus concentrating his quality thru both line and family. Only thru close breeding,

with resultant concentration of his genes for type and quality, can the influence of a super-sire be a factor in the establishment of a lasting heritage. Hillcote Laddie's is the story of a great sire who was almost overlooked but who proved his greatness with a minimum of publicity and opportunity. His bloodlines are here — it is up to the fortunate breeders who have them to hold his qualities of intelligence, showmanship, style, and personality by using them wisely.
