1987 nissan sentra blue book value

1987 nissan sentra blue. Nissan sentra coupe 1987.

This 1987 Nissan Sentra SE is finished in red with gray fabric and is powered by a 1.6-liter inline four-cylinder engine paired with a three-speed automatic transmission. Features include alloy wheels, air conditioning, a removable sunroof and a rear window wiper. The car was first registered in Rhode Island and remained with the original owner until purchased by the seller in April 2021. Subsequent maintenance included a cylinder head and front brake overhaul, a coolant drain and an oil change. This B12 Sentra has 57,000 miles and is now being offered by the dealer with no reserve, with a window sticker, service records, a clean Carfax report and a clean Rhode Island title. The exterior is finished in bright red with black trim and features pinstripes, tinted glass and a rear wiper. Close-up photos of surfaces, glass and lenses are available in the gallery. The standard 14-groove alloy wheels are wrapped in a set of 195/60 Goodyear and Maxxis tires. The car is equipped with power steering and braking is done via power-assisted front disc brakes and rear drum brakes. Maintenance work under current ownership includes replacing the disc pads as well as replacing the brake calipers, brake pads and drive shafts. The interior features gray cloth seats with patterned vinyl accents as well as matching dashboard, door panels and carpet. Amenities include reclining front seats, air conditioning, factory AM/FM stereo, removable sunroof and remote hatch opening. A four-spoke tilt steering wheel sits in front of a 200 km/h speedometer, a tachometer with a redline at 6,000 rpm, and fuel level and coolant temperature gauges. The six-digit odometer shows 57,000 miles, approximately 800 of which were added by the selling dealer. The E161 1.6-liter fuel-injected inline four-cylinder engine was standard on the SE Sport Coupe and had a factory output of 71 horsepower.
