Used TransmissionUsed transmissions from Car Part Planet always include a torque converter. All our used transmissions are thoroughly tested, inspected, and cleaned before shipping. Be sure to inspect your used transmission when you receive it to ensure that there are no broken or missing parts. Also, be sure and check for damage that may have occurred during shipping. Inspect your product before signing the shipping documents. Core Return PolicyCore return is NOT REQUIRED for used parts. Flat Rate Shipping (Commercial address)We are happy to provide Flat Rate Shipping (Commercial address) on used transmissions to a commercial location within the continental United States that has access to a liftgate. Please note that residential addresses or locations that require a liftgate for unloading will not qualify for Flat Rate Shipping (Commercial address) and will need to pay a \$99 liftgate fee.If you are having it shipped to a business please ensure that your commercial address can receive freight without any notification or a previously set appointment. Also, please ensure that there is ample room for the delivery truck to park and unload your used transmission with a forklift. Car Part Planet is not responsible for any fees, including those incurred because of storage or re-delivery.Typically, delivery occurs within 7 to 14 business days, excluding weekends and holidays. We will always do our best to get your products to you as soon as possible. However, be aware that in certain areas in California, New York, Oregon, Colorado, and Utah, the delivery may take longer and cost more. Please note that the delivery times are estimates and are not guaranteed.Please inspect your used transmission upon receiving it. Look for damage that may occur during shipping, and check for missing or broken parts. Report any damage to us immediately so that we can get right to work taking care of the situation for you. If you fail to report missing, damaged, or incorrect components prior to signing the shipping documents, the responsibility will fall on the receiver.Show more Used Transmission WarrantyOur standard warranty coverage for used transmissions is limited to manufacturing defects, torque converter (automatic transmissions), transmission housing, and all internal parts, including shafts and gears.Please note that our used transmission warranty does not cover any external or accessory parts, including
