# Light a Candle...Touch a Star

Giving is a cumulative experience

By LOIS CATHERMAN HEENEHAN, *Adelphi*

**R**ings and jewels are not gifts  
but apologies for gifts. The  
only true gift is a portion of thyself.”

— Emerson

Giving “a portion of ourselves” —  
how can that make sense?

But it does. It means giving of  
time, energy, kindness, sympathy,  
hope and — yes, money — because  
we must have devoted some portion  
of ourselves in order to acquire  
that money.

Giving of ourselves is a natural  
attribute for members of Kappa  
Kappa Gamma. They give inordinate  
amounts of time to help others in  
ways that vary from a campus 5K  
run for breast cancer or tutoring  
disadvantaged children to an  
alumnae garage sale or visits to a  
nursing home. They raise thousands  
of dollars through imaginative events and spend  
countless hours providing cheer and aid to those  
in need.

And then there are the disaster responses. Destructive  
earthquakes, great wildfires, devastating hurricanes —  
Kappas are there to care for the homeless or send  
packages across the continent to provide some  
measure of relief.

Kappa’s philanthropy program was one of the earliest  
in the Greek world and it remains one of the strongest,  
quite possibly because, like the Fraternity, it has changed  
and grown with the times. Consider the history:

**1902** — The first scholarship aid began with a gift from  
BETA ALPHA, *Pennsylvania*, toward a scholarship for a  
woman to study at the government biological laboratory  
for deep sea research at Wood’s Hole, Mass. From  
this grew an expansive program of emergency, under-  
graduate and graduate scholarships.

**1922** — Convention delegates responded to the appeal  
from members of BETA PSI, *Toronto*, for financial aid  
for their sister, ROSE MCGILL, a victim of tuberculosis.

The Rose McGill Fund, which  
provides confidential aid to  
Kappas of all ages in financial  
distress, continues to be the  
Fraternity’s “sentimental favorite.”

**1952** — Rehabilitation Services was  
adopted as our international  
philanthropy. The Fraternity truly  
had vision, as this choice opened  
the doors for individuals, chapters  
and alumnae associations to choose  
where they would focus their  
efforts. Mental, emotional and  
physical efforts at rehabilitation  
range from building for Habitat  
for Humanity to rebuilding the  
self-esteem of an abused woman  
with a scarred psyche.

**1990** — The Kappa Kappa Gamma  
Foundation was established,  
bringing into one galaxy the  
various facets of Kappa giving. And now we continue  
to “Reach for the Stars.”

Some stars shine brightly and large donations to the  
Foundation are cause for celebration. Others have a soft  
flicker and it takes many of them to make a steady glow.  
But you know the saying, “It is better to light one little  
candle...” So it is important for each of us to give  
whatever we can of ourselves to create a Milky Way.  
And there is something for everyone.

Under the Foundation, educational programming,  
the Heritage Museum and financial aid services, from  
student scholarships to the Holiday Sharing program,  
provide a variety of avenues for Kappa efforts to help  
others. Any Kappa anywhere can find some means to  
apply her talents and interests, give of her money or  
time, enjoy the satisfaction of helping.

Reaching for the stars need not be an aerobic effort,  
a gymnastic feat or an energy-depleting achievement.  
To give a gift of yourself you only need to hold out  
your hand. You’ll reach other hands and feel you’ve  
touched a star.

# A Celebration of Giving

## Gifts of the heart make the future brighter

Celebrating the joy of philanthropy is a beautiful opportunity provided by our beloved Kappa Kappa Gamma.

Why do I give to the Kappa Kappa Gamma Foundation? I give because I can make a difference in a sister's life.

Mary says, "The Kappa alumnae association in my town alerted the Rose McGill Chairman and shared that I had a need. With gentle sensitivity and deep love for me, the process of helping me to get Rose McGill Confidential Aid was started. My husband had died of cancer; we had no children, and there were no other family members to help me. By providing me with money to live on, I was able to start again."

Susan says, "I attended a leadership training weekend called *Kappa Kinetics*, and I have never been the same since. What I learned was that I could change my circumstances and that I could rewrite the plan for my future. I am so thankful for the opportunity you gave me."

The stories go on and on about the many precious Kappa sisters whose lives have been changed by the generous financial support of all of you. Your gifts

have been gratefully received. The Foundation has handled and invested these gifts with great fiscal responsibility. The Board of Trustees has made the kind of visionary decisions that have translated those gifts into real help for our sisters.

This great, living bond we share in Kappa is worth all the effort we can give. We celebrate **you** in this issue of *The Key*. We thank you for strengthening women for life by being so generous. Please accept my warmest personal regards.

Loyally,

PATSY BREIDWICK LEVANO  
North Dakota State  
Foundation President

educated women. Ideally each Kappa could visit in person, but we know this is not realistic. So, how do we take the Museum to our members? How do we find tangible ways to share these treasures when personal visits are not possible? The answer is outreach.

This year the *Museum-in-a-Box* has been developed by Fraternity Archivist/Museum Curator Diane Mallstrom. Replicas of historical artifacts, along with an educational program, can be rented to use at alumna and collegiate events. With the continued support of donations, the Heritage Museum Committee also hopes to produce a video tour of the Museum as part of our outreach program. The interest and need for these programs are evident by their popularity.

A video tour would enable any member to experience the pride in being a part of a 128-year-old story — the story of success and accomplishment based on mutual support. Visiting our past reinforces the direction of our future. This project will require a budget of approximately \$18,000 and is a priority for the committee.

We salute the chapters, alumnae associations and individuals who have given continued financial support.

**BETA CHI, Kentucky**, has made a substantial donation and has decided to send 15 percent of its annual fund-raising efforts to the Heritage Museum. This fall 40 of the 45 new members traveled for three and a half hours to visit the Museum for a tour. Their reactions were heartwarming.

**DELTA IOTA, LSU**, has donated more than \$3,000 in the past year to the Heritage Museum for a total of \$12,000 in recent years. Chapter President **EMILY TRUITT, LSU**, presented the check to Foundation President **PATSY BREDWICK LEVANG, North Dakota State**, and Fraternity President **CATHY THOMPSON CARSWELL, Illinois Wesleyan**. Since Emily lives in Columbus, Ohio, she was able to visit the Museum and shared her enthusiasm with Delta Iota Chapter. She later returned for a visit with two

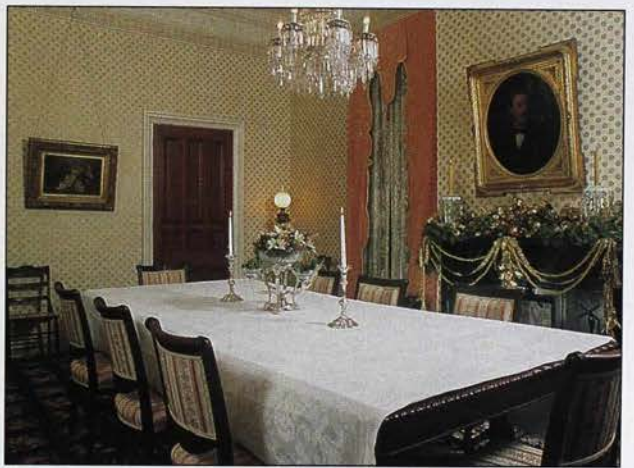

other chapter members. Some of their comments include, "We love to use Museum programs for chapter education. Preserving our Kappa history keeps its spirit alive and makes it more meaningful to us today. If we don't know where we've been, we can't know where we're going." The Delta Iota visitors found the Museum "bigger" and "more elaborate" than they had anticipated.

The ATLANTA (GA.) ALUMNAE ASSOCIATION has presented the Museum with a contribution and an item from the Museum Wish List — a tussie-mussie, which Victorian ladies used to hold a bouquet of flowers. Association President KATHLEEN KUHN JOHNSON, *Oklahoma*, says, "We are delighted to purchase the tussie-mussie in memory of JEAN HESS WELLS, *Georgia*, a charter member of Delta Upsilon Chapter, for use in the Heritage Museum." Jean, a former Fraternity President, Museum Board member and Atlanta Alumnae Association President, had strong feelings about preserving Kappa history and was a staunch supporter of the Heritage Museum and the Minnie Stewart Foundation. JANET SLOAN WATKINS, *Vanderbilt*, President of the KANSAS CITY (KAN.) ALUMNAE ASSOCIATION, explains her group's continued support of the Heritage Museum. "Our association members recognize the importance of supporting the Fraternity in its entirety," says Janet. "Our present success is based on our founding heritage, and we feel it is extremely important to preserve this history for our future success as well." Their gift was given in honor of PATRICIA "PATSY" PILLER SHELTON, *Kansas*, who served as Heritage Museum Chairman from 1986 to 1990 and was responsible for overseeing major stages of restoration, including the renovation of the dining room.

In addition to chapter and alumnae association support, the Heritage Museum has received substantial gifts from individuals who exhibit their personal commitment to the Museum. One of those women, MARGARET LELAND "SKIP" RUSSELL, *Ohio Wesleyan*, can always be counted on to help our programs grow. Margaret has loved this building since it was purchased by Executive Secretary CLARA O. PIERCE, *Ohio State*, who was her close friend. "I lived nearby in Dublin, Ohio, and was fortunate to watch its progress through restoration," says Margaret. Although she now lives in Naples, Fla., Margaret visited the Heritage Museum last year. "Clara and I always valued the preservation of Kappa's heritage and shared a love of Victorian antiques," says Margaret who is also an avid collector of Victorian dolls and presented one of her favorites to the Museum. It had belonged to her mother and depicts LUCY WEBB HAYES, *Ohio Wesleyan*, an honorary member of Kappa Kappa Gamma and wife of Rutherford B. Hayes, wearing the dress she wore for her official first lady portrait.

KATHARINE PRENTISS BALL, *Denison*, calls herself a "very senior citizen and loyal supporter of the Heritage Museum." Katherine resides in Columbus and loves to

attend the annual Christmas luncheon held at the Museum. "I find the Museum programs very interesting," she says.

COLONEL NANETTE KEEGAN, *Adelphi*, says, "I am proud of being a Kappa — I was proud during my college days and in traveling during my years in the service." Nanette is a physical therapist in the Army Medical Corps. "I have never visited the Heritage Museum, but I would look forward to viewing a video tour of its rooms," says Nanette, who resides in San Antonio, Texas, and feels that there would be a wide interest in Fraternity history in chapters and alumnae associations.

Sharing Kappa's heritage is an intergenerational pleasure and privilege. Providing outreach programs to meet this need requires financial commitment and support. It is apparent that this enduring love exists throughout our membership — a growing movement. **You** are part of Kappa's history and future. The Museum Committee hopes to hear from you soon!

Members of the CHARLOTTE (N.C.) ALUMNAE ASSOCIATION grabbed their partners and headed for the hacienda of CATHRYN CRANE BRITTON, *Alabama*, for a western-style auction to raise money for Kappa Kappa Gamma scholarships and the Arosa House, a group home for neglected and abused children.

Amid cowboy hats, boots and cap pistols the Kappas and friends two-stepped their way through a silent auction and enjoyed a spicy barbecue. Among the most sought after treasures was the new *Charlotte Kappa Kuisine Cookbook*, compiled by MARY ANNE LELAND GRIMMER, *North Carolina*. The fast-paced auction featured original artwork, vacation home weekends, services, roses and more. The \$5,000 given to the Kappa Kappa Gamma Foundation provided two undergraduate and

two graduate scholarships. With a little hard work and creativity, Kappas can help make dreams come true for students seeking scholarships.

## Meet a Graduate Scholarship Recipient

Armed with a bachelor's degree in accounting, KELLI DAVIS, *Indiana*, had achieved a successful career in the health care industry. But she soon realized that working on the business side did not satisfy her desire for personal contact and direct influence on individual quality of life. While working in a rural area in West Virginia, Kelli noticed a need for health care workers. "It opened my eyes to people's needs," says Kelli. "Now I want to be a family nurse practitioner in order to provide primary medical care to underserved areas and influence changes in today's dynamic health care system."

After moving with her husband to Tennessee, Kelli found a master's nursing program at the University of Tennessee. Now in her second year of the three-year program, Kelli looks forward to helping people in rural areas who may not receive care if someone like her isn't there.

While maintaining a 4.0 GPA, Kelli has volunteered with a health and welfare committee to help underprivileged children in Knoxville, Tenn., as well as other community organizations. Kelli says that Kappa Kappa Gamma helped instill in her a strong desire to help others. "Kappa sisters have provided me with a strong network of terrific friends who taught me the importance of kindness, self-esteem and the value of helping others," she explains.

As a nurse practitioner, which is a registered nurse with a master's degree plus other certifications, Kelli hopes to run a clinic and treat patients six days a week. In some rural areas, a doctor is only available on certain days or patients must drive long distances for medical care. Although a doctor oversees a clinic, a nurse practitioner is able to prescribe some medications, provide primary care and make referrals to specialists. From mental health and heart surgery to pediatrics and maternity, Kelli enjoys her rotations through every area of a hospital and outpatient clinic. Working with a diverse group of students from various backgrounds and sharing opinions are her favorite aspects of the training.

Kelli also finds satisfaction in working with an entire family as a unit to help them learn to communicate effectively and adopt basic child care techniques they may not know. "I can make a difference by giving families life skills," says Kelli. "Even teaching something as basic as the importance of hand washing can improve a family's well-being."

Thanks to the compassion and support of Kappas around the world, dreams like Kelli's can come true and lives can be changed. 

## Scholarship Application Information

Kappa Kappa Gamma Undergraduate and Graduate Scholarships are available to Kappas who have maintained at least a "B" average and will be studying full time. **The application deadline is February 1.** If you have applied to graduate school but have not been accepted by the February 1 deadline, you may apply by detailing your program of study and listing the schools to which you have applied.

Emergency Assistance Grants are available to upperclassmen who face a sudden financial emergency. Applications are processed from August 1 through April 1. Circle Key Alumna Grants are available to alumna members who have found it necessary to interrupt their education or who need further education for the purpose of career qualification or advancement. These grants are not available to full-time students. For full-time study, apply for a scholarship.

For complete information and application materials, please send a self-addressed, stamped envelop and indicate your chapter membership and full- or part-time status to the Kappa Kappa Gamma Foundation at P.O. Box 38, Columbus, OH 43216-0038.

## Keys to a Successful Application

**Know your goals and the criteria.** Be sure you have the necessary qualifications and that you communicate them in the application. Make sure you communicate your goals, how you plan to accomplish them and how the scholarship, award or grant would help you to do so.

**Follow all directions.** Start early and give yourself enough time to prepare the application unhurriedly and to obtain feedback from trusted friends or advisers. You may need to obtain an official transcript or letters of recommendation.

**Sell yourself.** Convince the judges that you will be a good investment.

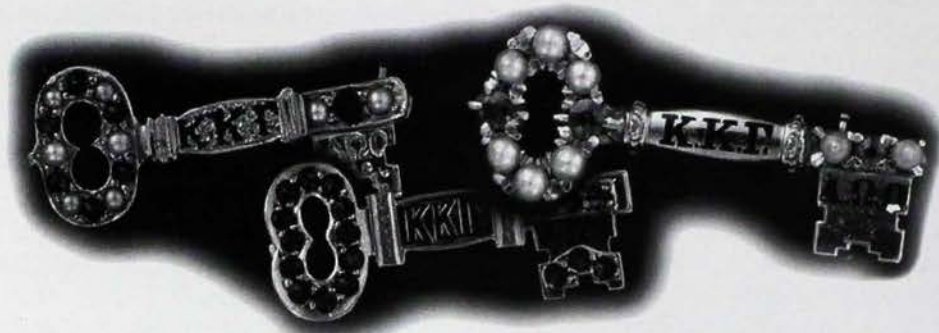

**Be clear and concise.** Use the appropriate form and don't exceed the recommended length.

**Obtain meaningful letters of recommendation.** Make sure individuals writing recommendations know your abilities and what kind of student you are. They should also understand what you are applying for and how that fits into your goals. Remind them of deadlines. Recommendations from friends and family are not acceptable. Ask professors, instructors, or volunteer and work supervisors.

**Proofread.** Hours spent on the content of your application will not be apparent to the judges if there are punctuation, grammar or spelling errors. Make sure the application is typewritten, if possible, neat and easy to read.

# Sparkling Jewels

Educational programs help every Kappa shine

— By JOANN BARTON VAUGHAN, Virginia, Director of Education and Training

**K**appa Kappa Gamma is a treasure chest of lifetime support and friendship waiting to be discovered by its members.

Enduring friendships, fund-raising events and community projects all shine brightly as part of this valuable sisterhood, but among the brightest stars in our blue-and-blue sky are the educational programs which can touch the lives of every member throughout her life.

Whether a member of a chapter or an association — or an “owl on a limb” — Kappa Kappa Gamma’s educational programs are designed to help members lead safer, more fulfilled lives.

## **Protect Our Valuables**

One of the major thrusts of Kappa Kappa Gamma’s educational programs is to educate members about safety concerns, especially concerns about violence against women.

The introduction to Kappa Kappa Gamma’s programming occurs when new members participate in the KEEP SAFE program. Emphasizing date rape prevention and campus safety, the program is designed to caution new members, often away from home for the first time, about the realities of living away from their families. New members discuss campus dangers and the unfortunate reality of date rape. In addition, members are given the brochure *KEEP SAFE... Wherever you are* which discusses safety tips all women should heed when home, at the office or traveling.

Recognizing the Fraternity’s role in protecting the safety and dignity of our newest members, the brochure *Hazing Is Hazardous to Your Health* presents clear, understandable information on preventing hazing, an impermissible and unwarranted activity. The brochure explains the Fraternity’s policy of working to outlaw hazing and defines hazing as anything that demeans people or expects them to do something they do not want to do.

Expanding on the theme of personal safety and dignity, *INSIGHT on Domestic Violence* emphasizes the hazards and helplessness of women subjected to physical, verbal and psychological abuse by those close to them. Designed as a one-hour workshop, the purpose of the program is to minimize the risk of abuse through increased education and awareness. In addition to self-help strategies, the program delineates ways in which a Kappa could help a friend subjected to an abusive relationship.

## Discover Your Pot of Gold

In addition to personal safety, members can increase their personal development and learn strategies for lifelong success through programs such as SEEK (Self-Esteem for Every Kappa) and *Kappa Kinetics*.

SEEK — a comprehensive program with workshops bound in a facilitator's guide, audiotapes and a videotape — helps Kappas identify their personal competencies. By feeling confident and assured, members are empowered to seek success on their own terms as opposed to reacting to the objectives of others.

While SEEK helps Kappas identify their strengths, *Kappa Kinetics* helps members identify their potential. In a weekend retreat, Kappas of all ages come together to explore their personal passions and the direction they want their lives to take. Through experiential learning and team support, participants help each other learn personal leadership skills and strategies for achieving individual goals.

*Kappa Kinetics* was offered in three locations this fall — Pittsburgh, Pa., Cincinnati, Ohio, and Los Angeles, Calif. — with more than 250 Kappas of all ages participating.

## This Is No Game

While most of the Fraternity's programs are presented in workshop format — with interactive sessions ranging from one hour to overnight, the newest addition to Kappa programming is *Alcohol 101*, a CD-ROM alcohol abuse prevention program disguised as a hip computer game. This program debuted at Convention this summer and is being piloted by chapters across the continent.

Using question-and-answer sessions, a computer-generated virtual bar, and video clips, the program helps participants explore the consequences of the decisions they make. Chapters are using the program in a

variety of ways, including as a fun, year-round activity for KORE groups developed in the New Member Program and as instruction in a standards or risk management situation. (Read more about *Alcohol 101* on Page 7 of the Fall 1998 Issue.)

The *Alcohol 101* program, which is available only to chapters, will be launched Fraternity-wide this spring.

To request a visit by a volunteer trainer, please contact your Regional Director or call Fraternity Headquarters, 614/228-6515. Training visits are funded by the Kappa Kappa Gamma Foundation and address areas of lifelong learning and development, including topics such as team building, group dynamics, conflict resolution and goal setting.

## Person-to-Person

To provide excellence in delivery and to develop a personal approach to programming, the Kappa Kappa Gamma Foundation funds a core of 30 trainers — all Kappa volunteers who are prepared to present either the prepared educational programs or to design workshops to address particular chapter and association needs. The trainers are also the facilitators at *Kappa Kinetics*.

Chapters and associations may request a training visit, funded by the Kappa Kappa Gamma Foundation, through their Regional Directors. Training visits are geared toward leadership development, team building, goal setting, group dynamics and conflict management.

## Searching for More

The Fraternity continues to expand its horizons in the area of educational programming. New programs and ideas in educational areas — especially in areas of concern to women — are constantly being explored. In addition to its own educational programs, the Fraternity maintains a library of videos and other resources including *Susan's Story*, a workshop on domestic violence prevention, and "Get Real," a video on women's health.

To learn more about these "treasures" funded by the Kappa Kappa Gamma Foundation, call JOANN BARTON VAUGHAN, Virginia, Director of Education and Training at Fraternity Headquarters, 614/228-6515.

## A Star-Studded Event Raises Funds for KKG

What do Charlton Heston, Barbara Taylor Bradford, Art Buchwald and Christopher Reeve have in common? They are some of the authors who have made presentations for the **Denver (Colo.) Alumnae Association's** annual Kappa Book and Author Dinner, recognized as one of the premier author events in the United States. Over the past nine years the event has raised \$213,000 for the Craig Hospital which specializes in the care, treatment, management, research and long-term services for patients with spinal cord injury and traumatic brain injury. Each year a portion of the proceeds are shared with the Kappa Kappa Gamma Foundation. This past year \$7,400 was contributed, providing general unrestricted support as well as funds restricted for scholarships and the Rose McGill Fund. Funds are also distributed locally through the Iris Foundation for scholarships for Colorado students.

This year the event featured Mary-Ann Tirone Smith, author of *An American Killing*; Fannie Flagg, author of *Welcome to the World, Baby Girl!* and *Fried Green Tomatoes at the Whistle Stop Cafe*; and Arthur Golden, author of *Memoirs of a Geisha*.

*Al 101* is available only to chapters at this time. The program was developed by the University of Illinois and funded and distributed by the Century Council. # The Sky's the Limit

Kappa gives hope to a member in need

Illustration by Susannah Levin

— By CAROLINE “CARRIE” KITTELL, *Middlebury*,  
Rose McGill Aid recipient

Kappa Kappa Gamma has literally kept me afloat during the past six years as a recipient of confidential aid through the Rose McGill Fund. Through a very challenging time in my life personally, professionally, spiritually and financially, this support has made it possible for me to maintain a modest standard of living and preserve the quality of my life while being “underemployed” in an economically depressed area. While working in full- and part-time jobs in retail and telemarketing at hourly wages and while searching for an appropriate position, Kappa’s aid made it possible for me to manage health problems and continue to support myself with dignity.

Upon graduating from college I supported myself primarily in the arts and nonprofit sector. After seriously injuring my leg while a dance educator, I pursued a career in public relations using my background in English. I also planned to keep up my dance interests on a part-time basis once healing and rehabilitation were complete. In 1986, I had advanced to a solid position where I thought I could stay for the duration of my career. After four years of successfully working, I, along with others in my office, experienced "downsizing."

At that time, I had an ongoing financial burden due to health problems. This burden was increased while I was working on an interim basis for an employer whose health insurance carried a pre-existing condition clause. Not only was I not covered by this health insurance for any costs related to current problems, I was not covered for an unexpected surgery related to a previous condition. I was not eligible for Medicaid nor did I have substantial savings.

*It was difficult to ask for help,  
but I did apply.*

In addition to the job loss, I was facing another significant challenge. A well-educated person with various talents from a family of good standing in the community, I was shocked to discover, in 1989, the root cause of ongoing "problems in living" that had actually manifested themselves as an older adult several years before. This discovery was that I am a survivor of the devastating effects of childhood abuse. I also discovered that I have been blessed with great resiliency. As a result of the good treatment I have experienced and still receive, I have learned to cope with distracting symptoms while being able to contribute substantially in my work and in community volunteer activities. Never wavering from my goal to "fix" something wrong deep inside and holding a deep conviction that I could heal and recover from circumstances beyond my control, I have made slow, steady and rewarding progress. Aided by strong faith in God, I am now able to feel joy where there once was pain.

Having been involved with Kappa Kappa Gamma as a chapter Scholarship Adviser, I was encouraged by a fellow adviser to apply for financial assistance through the Rose McGill Confidential Aid Fund. It was difficult to ask for help, but I did apply. Although I learned that all money had been allotted for 1991, the Rose McGill Chairman contacted me in 1992 and asked if I still needed assistance. Kappa had not forgotten me and I received a monthly grant based on my documented need.

## A Gift from the Heart

Rose McGill

At the 1922 Convention, the delegates from BETA PSI, Toronto, appealed to those attending for help in providing financial aid for ROSE MCGILL, Toronto, who was suffering from tuberculosis. Unable to continue substantial support, Beta Psi Chapter asked if the Fraternity had a fund that could offer aid. Since there was none, each delegate pledged \$10. The resulting \$600 defrayed much of Rose's hospital expenses and provided a few comforts until her death five years later.

"Out of an impulsive, generous donation to one member of the Fraternity has grown a remarkable fund for truly fraternal service," said MARION ACKLEY CHENOWETH, Michigan, the first chairman of the Rose McGill Fund, which was established for the purpose of assisting deserving members with outright gifts in times of serious financial difficulty.

A wide range of needs have been met for Kappas of all ages. For some it has been a short-term situation; for others there have been many years of aid and support. Alumnae associations and chapters help brighten the holidays of members of the Rose McGill "family" through the Holiday Sharing Program. Associations and chapters apply and are matched with Rose McGill members who want to participate. Wish lists are provided while maintaining confidentiality. For more information on the Holiday Sharing Program contact the chairman, WILMA WINBERG JOHNSON, Massachusetts, at 22 Burlington Road, Bedford, MA 01730.

Since 1932 the Rose McGill Magazine Agency has provided substantial income for the Rose McGill Fund. Subscriptions placed through the agency at standard and special rates are processed at Fraternity Headquarters and the profit is distributed to the Rose McGill Fund. Kappas and their families and friends can make a difference in a Kappa's life simply by calling 800/KKG-ROSE and ordering magazine subscriptions. For more information see the ad on Page 71.

The Rose McGill program is just one of many ways Kappas give and receive gifts from the heart. 

— By LOIS CATHERMAN HEENEHAN, Adelphi

*I am fortunate to have a strong support system and many friends; the feeling of belonging and having sisters who care has been a source of great strength.*

Through consistent warmth, love, thoughtfulness and caring support, Kappa has become my extended family. I am fortunate to have a strong support system and many friends; the feeling of belonging and having sisters who care has been a source of great strength. Receiving a monthly "family" letter from the Rose McGill Chairman and participating in the Holiday Sharing Program has been special. I have been deeply touched by the intuitive thoughtfulness of Kappa sisters who have sent me holiday cards and gifts as well as "Thinking of You" and birthday cards. While no one in Kappa knew that my mother had passed away in January 1995, I received a Valentine's Day card from a Kappa that February. My mom never forgot to send me a Valentine's Day card.

With Kappa's support, I have been able to look for an appropriate position, upgrade my skills and increase my marketability in a difficult job market. Despite the fierce competition for positions in my field, I have been a top finalist for several jobs. Although frustrated, I have been able to bounce back from disappointment, maintain my courage and persist in my search. Kappa's loyalty and faith in me have helped a great deal.

Through networking and volunteering for two community organizations in the past six years, I have become visible in the community where I did not know anyone when I moved here in 1991. This past August

**Carrie Kittell**, Middlebury, (fourth from the left) with members of **Beta Tau**, Syracuse.

I found fulfillment in all of my job search endeavors by being selected for a position utilizing my communication and public relations skills. I was equipped to respond confidently to this opportunity with computer software skills which I have acquired with the help of Kappa's support, including the Circle Key Program for continuing education.

I never thought I would be in a position where I would need to ask for financial help. Kappa Kappa Gamma has been gracious in providing me with the level of support I have needed to stay afloat, providing a bridge to future success and possibilities. Kappa has helped me remain strong in the face of adversity. I will never forget what the Foundation has done for me. 

**EDITOR'S NOTE:** Although financial aid through the Rose McGill Fund is confidential, Carrie wanted to share her experience so Kappas around the world would realize the impact of donations to the Foundation. The Key appreciates Carrie's candor and willingness to share.

## "Kappa Kick-Off" Raises Money for Rose McGill

EPSILON DELTA, Arizona, presented a check for \$1,375 to the Rose McGill Fund, money it raised through a chapter-wide effort called "Kappa Kick-Off." Epsilon Delta's Philanthropy Chairman ANNE HANSEN reports that the event begins with posters and skits and culminates with a flag football round-robin tournament involving 10 fraternity teams. Team sponsorships, team fees, T-shirt sales and concessions all helped the 101 members of Epsilon Delta raise funds for the Rose McGill Confidential Aid program.

"We do a really good job of introducing Rose McGill to our new members through our education program and new member notebook," says Ann. "The Rose McGill Fund is our main philanthropy and we are into it."

## To Apply For Assistance

Any Kappa alumna in need of confidential financial aid may be referred by her alumnae association or a Kappa friend, or she may request aid on her own behalf. Letters requesting an application for assistance should be addressed to Rose McGill Chairman MARJORIE MATSON CONVERSE, Purdue, 83 Stoneleigh Ct., Rochester, NY 14618. Collegians in need of assistance should contact Undergraduate Emergency Grants Chairman HELEN JONES, Cal. State Northridge, 12339 Jollette Ave., Granada Hills, CA 91344.

### SOURCES OF FOUNDATION INCOME 1996-98

Across the U.S., individuals contributed 85 percent of the total of \$143.46 billion in charitable gifts made in 1997! Corporations contributed 5.7 percent and foundations 9.3 percent. The Board of Trustees hopes these incredible statistics help members realize the tremendous value of their gifts to our Foundation.

\* \$3,690,633 reflects interest and dividend income.

**OMEGA SOCIETY  
 RECOGNIZES PLANNED GIFTS**

The Omega Society was created in 1994 to provide current recognition to those who choose to assure that the same important philanthropic programs that benefit our members today are available for those that follow us, well into the next century. Omega Society membership now totals 170 people. If you have named Kappa Kappa Gamma in your will, we would appreciate your informing us of your thoughtful intent.

## STOCK MARKET VOLATILITY

With the roller coaster activity we have experienced in the stock market over the past few months, some donors may want to conserve cash and consider gifts made with **appreciated securities**, or securities that you have owned longer than one year.

Gifts of appreciated securities entitle the donor to an income tax deduction for the full current value of the asset, not just the amount you paid for it. *Capital gains tax is bypassed entirely.*

The cash could be used instead to repurchase additional shares of the same stock at today's value. Please consult your financial services provider for specific advice.

**GIVING THROUGH  
RETIREMENT PLANS**

The balance remaining in a qualified retirement plan at death may be subject to more than estate taxes. Heirs may also owe income tax on remaining amounts. For this reason, Individual Retirement Accounts and company-sponsored pension and profit-sharing plans are becoming popular sources of charitable gifts. When realizing that they have excess retirement funds many donors over age 59 1/2 choose to withdraw these funds during their lifetime, without penalty, to fund charitable gifts.

*"The Kappa Alumnae Association in my town alerted the Rose McGill family and shared that I had a need. With gentle sensitivity and deep love for me, the process of helping me to get Rose McGill Confidential Aid was started. My husband had died of cancer, we had no children, and there were no other family members to help me. By providing me with money to live on, I was able to start again."*

# KAPPA TRAVELS

## Who Is She?

# PROFILE OF A DONOR

**Nancy LaPorte Meek**, *Ohio Wesleyan*, and her mother **Katherine "Kay" Roberts LaPorte**, *Michigan State*.

Who gives money to the Kappa Kappa Gamma Foundation? Is she someone like you?

She may be 25, 55 or 95. She may live next door, across the continent or on the other side of the world. Her last gift may have been \$25 or \$20,000. Perhaps she has endowed a scholarship in honor of a family member or named the Fraternity in her will. Whatever the size of her gift, she considers Kappa Kappa Gamma part of her family. Kappas have influenced her life.

A donor may be a former scholarship or grant recipient who wants to pass the gift on to others. She may be a chapter adviser or serve on the Fraternity Council. She might even be an undergraduate who takes part in her chapter's fundraising efforts to ensure Kappa's growth for generations to come.

There are as many reasons to give as there are members. But one thing is certain — no matter what the size, our gifts change lives. **SUSAN GOLDSMITH SHELLEY**, *Miami*, knows firsthand the importance of gifts to the Foundation. "As a Foundation Board of Trustees member it is rewarding to know that Kappas everywhere

are helped in many facets of life through the programs developed by our Fraternity," says Susan, who enjoys donating to the Foundation for educational programming. She points out that collegians and alumnae can gain leadership and life skills by participating in Kappa Kinetics and learn safety techniques through KEEP SAFE, the Fraternity's personal safety program.

**NANCY LAPORTE MEEK**, *Ohio Wesleyan*, responded to the request of **SALLY MOORE NITSCHKE**, *Ohio State*, to join

the Kappa Kappa Gamma Adelphe Society. Through her gift she established an endowed scholarship fund in honor of her Kappa mother, **KATHERINE "KAY" ROBERTS LAPORTE**, *Michigan State*. Nancy said her gift was a reflection of "all the positive experiences and lifelong friendships that have happened as a result of being a member of Kappa Kappa Gamma." By naming the endowment for her mother, she felt she established with her a "Kappa partnership for a lifetime." Nancy chose to

endow a scholarship fund, as it seemed to be "the right thing to do, as Kappas helping Kappas." Most other gifts Nancy gives, however, are unrestricted as she feels that "unrestricted gifts are the most unselfish gift you can give." These gifts allow the Foundation Board of Trustees to allocate resources where the need is greatest.

A year ago Nancy encouraged her mother to also contribute \$10,000 to the Katherine Roberts LaPorte Adelphi Scholarship, and thus join Nancy in Adelphi Society membership. This gift doubled their endowed scholarship and the amount available each year for the award of a scholarship for an undergraduate member.

Another special way to give to Kappa is through donations made in honor or in memory of a loved one. "I gave to the Foundation to establish my daughter's giving record when she graduated from Indiana University and was not in a position to make a gift on her own," says SUSIE TARDY MAXWELL, *Indiana*, the Chairman of the Kappa Kappa Gamma Foundation Development Committee. Susie has also given in memory of mentors and friends she has loved and lost. "I also have given in honor of pledge sisters' birthdays, the pledging or initiation of friends, marriages and births," explains Susie who has also arranged a gift to the Foundation through her will. "Reflect on what Kappa has given to you and then make a commitment to give back — in whatever way, large or small."

No two donors may be alike, but all of their heartfelt gifts to Kappa will leave a lasting legacy of love and support.

— By JENNY STRUTHERS HOOVER, *Bowling Green*

**Patsy Bredwick Levang**, *North Dakota State*, Foundation President, with **Susie Tardy Maxwell**, *Indiana*, Chairman of the Kappa Kappa Gamma Foundation Development Committee.

**Susan Goldsmith Shelley**, *Miami*, with daughter **Jennifer Shelley Robinson**, *Miami*, and granddaughter Shelley Ann.

## It Pays to Invest in Philanthropy

At the November 1998 Foundation Board of Trustees meeting it was decided to provide charitable gift annuities to members of Kappa Kappa Gamma. For a minimum gift of \$25,000, a charitable gift annuity will provide the donor with:

- **Payments for life, paid annually, semiannually or quarterly**
- **A guaranteed return often greater than money market rates. (For example, a donor at age 75 earns 8.2 percent.)**
- **An immediate charitable income tax deduction**
- **Reduction in capital gains taxes if the gift is made with appreciated securities**
- **A chance to support the Kappa Kappa Gamma Foundation**

Please contact **Marilyn Fouse Jennings**, *Ohio Wesleyan*, Director of Development, at 614/228-6515 for a personalized financial analysis that will show you how a charitable gift annuity can benefit you and the Kappa Kappa Gamma Foundation.

## Association Action

The CHICAGO LOOP (ILL.) ALUMNAE ASSOCIATION has increased its membership to more than 70 women. They sponsor needy children through *The Sun Times* "Letters to Santa" program and serve meals to the children and families staying at the Ronald McDonald House.

Barbara Walsh Gwinnup, *Purdue*, and Nancy Budlong Lent, *Cornell*, pose with women's golf legend Patty Berg, *Minnesota*, (center).

The Alumnae Panhellenic Association of Lee County, Fla., honored women's golf legend PATTY BERG, *Minnesota*, during its "Fore Scholarship" luncheon and style show. Patty is well known internationally and locally. She has won 15 major golf championships including the very

first U.S. Women's Open. She turned professional in 1940 and received the Distinguished Service Award of the PGA in 1955, the first woman so honored. As founder and charter member of the LPGA she was selected as one of 15 legendary teachers of golf. Patty is one of only two women elected to the PGA Hall of Fame. Patty is a loyal supporter of youth golf in southwest Florida and has been honored in Ft. Myers with the Patty Berg Cancer Center of Columbia Regional Medical Center in Southwest Florida. She is also a 1956 Kappa Alumnae Achievement Award recipient.

The KANSAS CITY (KAN.) ALUMNAE ASSOCIATION'S Holiday House Tour has raised nearly \$1 million for local charities working in the field of rehabilitation, and provides scholarships and emergency grants both locally and nationally. Hundreds of Kappas are assisted by professional decorators and floral designers when they open four homes displaying themes of the Christmas season. The event was first held 45 years ago.

Pictured are the chairmen of the Holiday House Tour: Roxie Jerde, *Iowa*, Terry McCluggage Lightstone, *Kansas*, and Jeanie Willcox Moats, *Kansas State*

## Alumna Achievements

MARY LOU FAHRENWALD ACUFF, *Idaho*, has been inducted into the U.S. Racquetball Association Hall of Fame and International Hall of Fame. During her college years she was the first woman at her school to run for student body president. As an accomplished tennis player and golfer, she has also won more than 50 national and world racquetball championships in senior and masters competitions. She has taught at the University of Idaho and raised seven children.

San Mateo County Juvenile Court Commissioner PATRICIA O'CONNELL BRESEE, *Purdue*, has been named Judge of the Year by the court-appointed Special Advocates Organization that pairs adult volunteers with children involved in the court system. Advocates meet with the children, provide a stable influence and move them quickly into a permanent home. Patricia was elected to the San Mateo Hall of Fame and has received the Children's Services Award for recognition of service to children and their families.

ROBERTA "ROBIN" WILLIAMS SEYMOUR, *Florida State*, is the president-elect of the Faculty Senate at Central Florida Community College in Ocala, and has been selected for inclusion in *Who's Who of American Teachers*. She received a National Teaching Excellence Award for distinguished teaching at the community college level, specializing in English and literature.

More than 40 collegians and alumnae representing five states worked side by side as Kappas "Raised the Roof" in Patterson, N.J., with Habitat for Humanity.

JACQUELINE ANDRE SCHMEAL, *Iowa State*, founded the Iowa Barn Foundation to help finance the restoration and preservation of old barns and additional farm structures. Jacqueline and her resource advisers offer matching restoration grants to owners of old buildings, some of which qualify for the National Register of Historic Places.

COURTNEY POHLMAN, *Arkansas*, is the campaign scheduler for Tennessee Governor Don Sundquist. As an undergraduate, Courtney served as Rush Chairman and Public Relations Chairman, and served on several chapter committees.

Courtney Pohlman, *Arkansas*, with Tennessee Governor Don Sundquist.

Betty Francis, *Cornell*, received the Silver Bell Award from the Assistance League of Colorado Springs, Colo. This award is given in recognition of outstanding volunteer community service from nonprofit organizations. Betty's volunteer work includes services with the Head Start Program, Cheyenne Mountain Zoo, Council of Colorado Springs Fine Arts Center, Pikes Peak Arts Council and the Daughters of the American Revolution.

Members of the **Dallas (Texas) Alumnae Association** used proceeds from their annual "Tablescapes" fund-raising event to have a custom-made playhouse designed and built for the local Ronald McDonald House. Since the early 1980s this haven has served as a "home away from home" for families of seriously ill children who are hospitalized or receiving treatment in area hospitals. Pictured are alumnae and Kappa Pickers from **Gamma Phi, SMU**, during the recent dedication.

SUSAN VIERS, *Centre*, received the University of Louisville College of Business and Public Administration's Landrum Prize for Leadership. This prize is a cash award that identifies potential community leaders early in their careers and recognizes them for their educational, career and civic accomplishments. Susan is a legislative analyst with the Legislative Research Commission.

Family members and friends of the late JOANNE "JOEY" BRITTON NORVELL, *George Washington*, organized the "Race for the Cure" 5K fund-raising race in Richmond, Va. The Race for the Cure is affiliated with the Susan G. Komen Breast Cancer Foundation, which operates

5K runs in 77 U.S. cities. The race in Richmond had more than 1,200 participants and raised more than \$80,000 for breast cancer treatment, screening and education.

"When Joey died last year of breast cancer I couldn't imagine the world without her," says ANN SNEERINGER MCKAY, *George Washington*. "Throughout her life she was committed to enriching her community, so it is fitting that this community-wide race was organized in her honor." Joey and Ann were Kappa roommates and long-time friends.

For information on Richmond's Race for the Cure contact 804/553-8718 or norvcom@aol.com.

**Nancy Niles Downing**, *Arkansas*, PTA Arkansas Teacher of the Year.

**NANCY NILES DOWNING**, *Arkansas*, received the PTA Arkansas Teacher of the Year Award. She and a colleague designed a special phonics program that develops essential phonics skills to help students read at or above their grade level. Nancy involves her students' parents and talents to maximize learning in her classroom.

Kappa South Province Director of Alumnae **ANN KELSAY SMALL**, *Wyoming*, has worked vigorously to pursue domestic battery and DUI cases while serving as Deputy City Attorney in Henderson, Nev. She is a founding member of "Safe House," a home for abuse victims. Ann has instructed the local police force on how to handle domestic battery cases. Kappa alumnae in Nevada provide "necessities and niceties of life" to senior abused women during the holidays.

## Kappa Connections

For four years two musicians sat, practiced and performed together without realizing that the other was a Kappa. It happened in the Halifax Consort, an early music ensemble at Daytona Beach Community College, Daytona Beach, Fla.

**BARBARA LENZ BURTON**, *Illinois Wesleyan*, with her viola da gamba, was sitting next to me at the harpsichord while we waited to perform at a local Unitarian church. Barbara, who wore a blue gown, whispered to me, also in blue: "This blue and blue reminds me of my Kappa days in college."

Astonished, I whispered back, "Your Kappa days? Are you a Kappa Kappa Gamma?"

"Yes," she answered, *sotto voce*. "That was way back in 1962."

"I'm a Kappa, too," I said, still *pianissimo*. "DELTA EPSILON, *Rollins*."

We both giggled as we attempted the sorority handshake, but suddenly we had to get quiet and prepare to play our opening number, a Loeillet sonata.

Now a professor in the Business Administration Department at D.B.C.C., Barbara teaches computer software application courses. She plays cello in the college orchestra and the Daytona Beach Seaside Theater orchestra as well as playing viola da gamba in the Halifax Consort. A music major in the early 1940s, I am retired now after more than 20 years of teaching music and English.

Does our fraternal discovery affect our music? Perhaps. We do feel a certain warm kinship we never had before. But best of all, we always play in the right KEY.

— By **MARGERY BRANCH MERRILL**, *Rollins*

**ANNE TELLE PLUENNEKE**, *Texas*, and **ALEXANDRA "SASHA" BARR WEBB**, *Princeton*, are graduates from the University of Texas Southwestern Medical School in Dallas. Anne is completing her internal medicine residency at Baylor University Center, Dallas. Sasha is practicing general surgery at Emory University Medical Center, Atlanta, Ga.

**Anne Telle Pluenneke**, *Texas*, and **Sasha Barr Webb**, *Princeton*.

Seventeen years had passed since **LAURA SQUAIR HEATHERLY**, *Arkansas*, and **KRISTIN KAUFMAN**, *Arkansas*, had seen each other. A surprise meeting took place on the Champs Élysées in Paris.

*Rites of Passage*

By JANE (LUCKII) LUDWIG, *Montana*  
ForeReel Publications  
261 pages, \$14.95

"Menopause should be something women look forward to celebrating," accord-

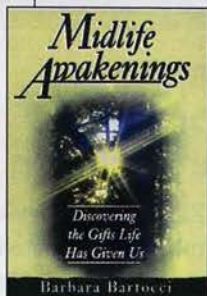

ing to the book, *Rites of Passage* — a story about four women from various parts of the country who receive invitations to attend a "Rites of Passage" conference at Lake Tahoe. Their adventures and fantasies provide a charming look into why women should relish this special time in their lives instead of dreading it.

This novel encourages women to keep an open mind and remember that their rite of passage is only what they make it.

The idea for *Rites of Passage* was born during a week-long celebration of Luckii's 50th birthday with friends sharing similar concerns about menopause. "We had read the books dealing with medical, physical and emotional changes women go through, and they all made the process seem pretty scary," says Luckii. "We wanted

to read something that not only made going through menopause seem less ominous, but that could help us actually look forward to it."

A retired painting contractor from Davis, Calif., Luckii has a bachelor's degree in journalism from the University of Montana and master's degree in journalism from Marshall University.

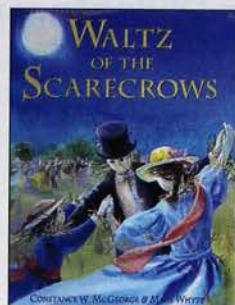

*Midlife Awakenings: Discovering the Gifts Life Has Given Us*

By BARBARA BARTOCCI, *Colorado*  
Ave Maria Press at Notre Dame  
115 pages, \$8.95

A frequent contributor to major national magazines and a motivational speaker, Barbara has been a copywriter, a call-in talk show host and has written two other books, *Unexpected Answers* and *My Angry Son: Sometimes Love Is Not Enough*.

*Midlife Awakenings* offers new ways to see, to pray, to be and to live. A host of concerns are presented, each followed by suggested behavior or actions.

*Waltz of the Scarecrows*

By CONSTANCE WORKMAN MCGEORGE, *Ohio State*  
Chronicle Books  
28 pages, \$14.95

A little girl visits her grandparents on their farm one summer and learns to make scarecrows. But these are not ordinary scarecrows in raggedy clothes; they are dressed in evening clothes — top hat and tails and a blue satin gown. Sarah learns why it is a local tradition to dress scarecrows in formal attire and how it helped the town.

Lovely illustrations by Mary Whyte add to this charming children's story. Constance and Mary have produced three other books — *Snow Riders*, *Boomer's Big Day* and *Boomer Goes to School* — reflecting their growing up in Ohio where Constance still lives with her husband, three dogs and a horse.

The Cheyenne Mountain Zoo in Colorado Springs, Colo., has risen to prominence as a major tourist attraction. **Katherine Haughey Loo**, *Kansas*, is the first president of the Zoo Auxiliary. She serves on the Colorado Commission of Higher Education, is a strong supporter of Colorado Conservancies and board member of the Women's Leadership Coalition, and has recently received the University of Colorado Board of Regents Distinguished Service Award.

Three of the dozen members of the **Lake Washington (Wash.) Alumnae Association** are working on a Habitat for Humanity house in Bellevue. Pictured are **Dorothy Michelbach Weinberg**, *Arizona*, **Nancy Avery Ricketts Bradley**, *Colorado College*, and **Carolyn Hickox Smith**, *Washington*.

## Chapter Philanthropic and Community Service Activities

Chapters participate in numerous philanthropic projects, either through direct volunteer service or by raising money for nonprofit organizations. Philanthropic work builds a sense of unity and accomplishment and helps each member experience the true meaning of sisterhood and concern for others.

Here is a selection of creative chapter philanthropic activities. Many chapters participate in more than one event each term, but only one per chapter is listed due to space limitations. Please keep *The Key* informed of your philanthropic efforts and send photos of Kappas in action!

## Kappa Songbirds for Children

ZETA ETA, *UC Irvine*, members participated in the campus Greek Songfest to benefit children with cancer. Chapter members, paired with members of Sigma Alpha Epsilon Fraternity, spent three months choreographing their routine, building the set, sewing costumes and practicing their skit. The seven ZETA ETA chapter members and eight SAE members won second place in the competition for their rendition of the musical, *Jesus Christ Superstar*.

## Chapter Change of Heart

After feeling that they weren't making enough of a difference with their current philanthropy, MU, *Butler*, chapter members sought to dedicate themselves to Coburn Place, a local rehabilitation housing center for women and children seeking shelter from abusive relationships. With a chapter commitment to rehabilitation, members felt that Coburn Place was

a perfect fit. Members have already baked cookies, sung carols and played games during the Christmas season, performed odd jobs and spent time with the children, and served as mentors and role models.

## Committed Kappas

Every Friday, EPSILON ETA, *Auburn*, members visit the children at Moton Day Care Center. This day care facility for low-income families relies on government funding and donations from local charities to survive. Chapter members read to the children each week and serve as positive role models. Members also participate in the Project Uplift Carnival each Halloween to benefit the children at the center.

Every Wednesday, six different GAMMA ZETA, *Arizona*, members join the women of St. Luke's Home for the elderly for in-chair aerobics. In addition to helping residents "aerobicize," members

pay frequent visits to play games or just spend some quality time with residents. Holiday activities include baking cookies and decorating the home.

## Kappas Keep Kids Off the Street

UPSILON, *Northwestern*, focused its philanthropic activities on Off-the-Street Club (OTSC), Chicago's oldest boys and girls club. Members enjoy frequent visits from the club's young members to do crafts, bake cookies and play games. OTSC girls carved pumpkins at Halloween; created holiday ornaments at Christmas; and watched the movie, *E.T.*, while decorating cards on Valentine's Day. The Ox Bowl Flag Football Tournament brought together 40 teams, cheered on by the children, to raise funds for the club.

## Chapters Endow Scholarships for Future Generations

BETA PROVINCE

EPSILON DELTA, *Arizona State*, and EPSILON RHO, *Texas A&M*, are close and will undoubtedly reach their goals shortly. Project 2000 is a program that was initiated in response to a Convention Resolution in 1990. The resolution arose from a general concern about the escalating costs of a college education. It was proposed that chapters and alumnae associations work together in fund-raising projects to endow undergraduate scholarships. The goal for each chapter was to reach \$10,000 by the year 2000. Only the interest will be distributed annually in the form of an undergraduate scholarship, never reducing the principal.

The Foundation Board of Trustees encourages all chapters with Project 2000 Funds to work toward completing their goals by July 1, 2000. All Project 2000 Funds not fully funded by that date will be merged into the general scholarship fund. The Board also extends

gratitude to the many individuals, alumnae associations and Provinces for their generous contributions to several of these chapter funds.

## Chapter Commits to Academic Excellence

BETA MU, *Colorado*, has renewed its commitment to scholarship. "Our chapter champions academic excellence," says Beta Mu Scholarship Chairman LAURA HAUSEMAN. "Our members demonstrate their commitment to scholarship through applying strong leadership, time management and study skills. Scholarship is the foundation of Kappa Kappa Gamma."

Beta Mu members were proud to complete the funding of their Project 2000 program last year and chapter Treasurer EILEEN MORAN was chosen by the Foundation to receive Beta Mu's Project 2000 scholarship for 1998-99. Chapter members say that Eileen is a role model who is dedicated to helping her chapter succeed in every way. International law and business law are her career interests. Eileen has been on the dean's list for the past four semesters. 

Eileen Moran, *Colorado*, received Beta Mu's first Project 2000 Scholarship.

Zeta Omicron, *Richmond*, members prepare for their "Kappa Klassic" golf tournament.

96 players involved in the all-day affair. Fifteen chapter members, five parents, many members of the business community, several faculty members and even the director of Greek life participated.

Planning for the second "Kappa Klassic" is underway. "We know that the golf tournament format has a lot of room for growth. We are not just raising money — we are giving back to our community and our Fraternity with our time and effort while having a lot of fun!" says Kari. 

## Golf Tournament Helps Kappa and Community

A renewed commitment to philanthropic work made possible an \$800 donation to the Kappa Kappa Gamma Foundation for use in scholarships and educational programming. "Philanthropy had not been strong at our chapter before the Kappa Klassic Golf Tournament," says Philanthropy Chairman KARRERA "Kari" STARR, *Richmond*. "We hadn't found an event that was profitable and that generated enthusiasm. But after much research and hard work we orchestrated our first golf tournament in April."

Thanks to the tireless work of Zeta Omicron, *Richmond*, a check for \$800 was sent to the Foundation and another \$800 was given to the Richmond YWCA Women's Advocacy Program. The golf tournament was a community builder with

## Congress Guarantees Student Rights

According to a press release issued by the National Panhellenic Conference, "Students attending federally funded private colleges and universities will now have the right to enjoy the same freedoms of speech and association as their fellow students at public institutions. New Section 112 of the more comprehensive Higher Education Act signed into law by President Clinton on October 7, gives private institutions of higher education the same level of responsibility that has been expected of public institutions to ensure the Constitutional rights of their students.

In speaking to the freedom of speech and association provisions of the bill on the floor of the House of Representatives, Robert Livingston (R-La.) made specific reference to sororities and fraternities. "The controversy," he said, "centers on a decision by some private schools to ban all single-sex organizations like fraternities and sororities and restrict any student involvement with them, even if it is off campus and on their own time."

National Interfraternity Conference Board member and U.S. Congressman Edward Pease (R-Ind.), says, "In its guarantee of student rights, the Act does not prohibit institutions from sanctioning students who disrupt educational programs of the institution or who violate state liquor laws, engage in sexual harassment, haze or maintain unsanitary or unsafe residences."

Other sections of the legislation address student financial aid provisions, including the lowest student loan interest rate in 17 years and the monitoring and reporting of campus crimes and drug/alcohol abuse." Visit [www.kappa.org](http://www.kappa.org) for the complete NPC news release.

## Alcohol-Free Housing Resolution

Eight men's fraternities have committed to alcohol-free housing by fall of the year 2000 or early 2001. Several other fraternity groups are having serious talks about taking the same stand. Kappa Kappa Gamma shows its support of this movement by adopting the following resolution in support of the alcohol-free housing initiative.

### Resolution in Support of Alcohol-Free Housing

WHEREAS, Kappa Kappa Gamma Fraternity believes in the highest quality collegiate experience for each member; and  
 WHEREAS, All Kappa Kappa Gamma Fraternity chapter facilities are alcohol-free; and  
 WHEREAS, Facilities that are alcohol-free are more conducive to our mission of scholastic excellence and provide an environment that is safe and conducive to individual well-being; and  
 WHEREAS, Alcohol abuse is counter to our Fraternity mission and purposes; and

WHEREAS, Several NIC fraternities have already committed to or are considering establishing alcohol-free housing by the year 2000; and

WHEREAS, Kappa Kappa Gamma seeks to be supportive of this commendable action; therefore, be it  
 RESOLVED, That, beginning with the Fall term of the year 2000, Kappa Kappa Gamma collegiate chapters will co-sponsor functions in men's fraternity facilities such as dorms, lodges or houses if, and only if, those facilities are alcohol-free.

## Calling All Kappas!

The Kappa Connection is ready and waiting for you! Do you have a new interest that could be more enjoyable if shared with friends? Are you interested in learning more about a particular profession? Do you want to develop a new skill and need a place to start?

If you answered yes to any of these questions, then the Kappa Connection is for you! A database full of information about Kappas who are willing to share their expertise with other members, the Kappa Connection provides information on professional experience, personal skills and interests, and willingness to serve the Fraternity. Assistance with this resource is at your fingertips by calling the Membership Services department at Fraternity Headquarters at 614/228-6515 or visiting the Fraternity Web site at [www.kappa.org](http://www.kappa.org). You'll need to clarify the type of information you want and then narrow your search to a geographical area.

Please help make more "connections" possible for other Kappas by adding your experience, skills and interests to the database. The Fraternity Headquarters staff can assist you with this as well.

## History 2000 Sponsorship Update

The Fraternity's updated historical record, *History 2000...Kappa Kappa Gamma Through the Years*, will be unveiled and available for purchase at the 2000 General Convention. In the meantime, the History 2000 sponsorship challenge continues!

To help cover the production costs and to ensure that each chapter receives a complimentary copy of Kappa's history book, History 2000 sponsorships are being sold. Each \$100 sponsorship provides both the contributor and a chapter with their copy of *History 2000...Kappa Kappa Gamma Through the Years*. We have reached more than 50 percent of our sponsorship goal with 167 sponsorships sold to date. The goal is 300. If you would like to become a sponsor of *History 2000...Kappa Kappa Gamma Through the Years*, please send your check for \$100 (payable to Kappa Kappa Gamma) to Fraternity Headquarters, P.O. Box 38, Columbus, OH 43216-0038. For more information, contact Fraternity Headquarters at 614/228-6515.

**EDITOR'S NOTE:** We are delighted to receive so many letters but regret that we are unable to print each one. Please keep writing to *The Key* and know that we appreciate your input. Letters are edited for clarity and length.

## -Man Vs. -Woman

You're doing a great job with *The Key*. I do want to point out one inconsistency that bothers me, however. I'm glad to see that you have continued using the word "chairman" correctly. I was also glad that you described HEATHER PAGE, *Denison*, correctly as a cameraman in the Spring 1998 Issue (Page 47), but disappointed that you used the term "spokeswoman" to describe HEDI HEIDEN REYNOLDS, *Oklahoma State*, (Page 29).

As a linguist, I can't see any reason to change a word that ends in -man, which is simply a word ending like -er (as in gardener, baker, etc.). If necessary, gender can be indicated in many other ways. I believe this forced feminization muddies English. Especially in a magazine for and about women, it's clear that spokesman Hedi Reynolds is a woman.

Thanks for your consideration, and keep up the great work. You put together a heck of a magazine.

— ANN WERMUTH ROBINSON, *Lawrence*

## "Kappa Hubby" Reads *The Key*

In the Summer 1998 Issue, the excellent article on the talented LOU SEIBERT PAPPAS, *Oregon State*, brought a smile as I read it. She was an acquaintance many years ago. Sadly, an error jumped out at me in the sentence beginning, "Father had a fine palette..." (Page 33). It's likely the word intended is "palate" or taste, not an artist's board for holding paints.

I always enjoy perusing *The Key*. Best wishes from a Kappa hubby of 46 years.

— Ted Gardner

**EDITOR'S NOTE:** *The Key* apologizes for the mistake. Ted is married to NAOMI ANDREWS GARDNER, *Oregon State*. Let's hear it for those Kappa husbands!

## FACE the Challenge Clarification

Thank you for publishing excerpts from our FACE the Challenge letter and related pictures in the Fall 1998 Issue. To clarify, I did not travel with Randy to China in 1997, in lieu of caring for our three children here. But my role then, as with all surgical trips, was to coordinate the travel team and supplies. I am thankful for the many volunteers who have helped make these trips possible as well.

— GINGER HOLMES ROBINSON, *Missouri*,  
FACE the Challenge Executive Director

## Book Publisher Correction

Thank you for including my new book *Looking for Eulabee Dix* in the Fall 1998 Issue. *The Key* is becoming quite a stunning periodical. Congratulations! One correction needs to be made. The book was published by the National Museum of Women in the Arts in Washington, D.C. The University of Washington Press is the distributor for the hardbound edition. I think the NMWA, since it is dedicated to women in the arts, would appreciate your pointing this out.

— JO ANN DAVIS RIDLEY, *Whitman*

## Diversity Discussion

On Page 47 of the Summer 1998 Issue in the editor's note following the letter on diversity, it is stated that "Kappa Kappa Gamma, since its founding, has never discriminated in membership selection..."

I believe this is incorrect. When I was an active member of Gamma Kappa Chapter at the College of William and Mary (1940-44), I remember that a woman participating in Panhellenic rush was dropped at the bidding of some alumnae because of a particular religious affiliation in her extended family. All of the other sororities did the same.

I am thrilled that we no longer have this "policy" and that, in fact, my chapter has pledged at least two black women in recent times — progress which truly excites me.

— MARIAN ROSS KARNICK, *William & Mary*

**EDITOR'S NOTE:** *Kappa Kappa Gamma's Position Statement on Membership Diversity* which appeared in the Summer 1998 Issue seeks to explain that the Fraternity has never had a policy of discrimination in membership recruitment based on race, color, religion, national origin, disability, age or ancestry.

*It is unfortunate that some individuals have allowed their particular biases to affect membership recruitment. The strength of our Fraternity is not the many who are alike, but the many who are different but share like ideals. The Fraternity Council and all Fraternity officers hope that every member will take seriously the Fraternity's position on membership diversity.*

*Collegians and advisers are encouraged to continue working to attract women of similar ideals to membership in Kappa Kappa Gamma. The Fraternity does not track the race, religion, ethnicity, age, disability, etc. of members. The Fraternity Council works closely with the National Panhellenic Conference to ensure that membership recruitment practices are fair and forward thinking.*

*The Key is interested in hearing your ideas on how Kappas can continue to promote diversity and an understanding of the diverse population of today's college and world community, as well as ideas on how all Greek-letter organizations can attract a more diverse group of collegians to the membership recruitment process.*

## Through the Keyhole...

### Praise and Inquiry

As the Alpha<sup>A</sup>, *Monmouth*, President, I commend you on the outstanding Summer 1998 Issue. I particularly enjoyed reading about Kappa history. I have received *The Key* for three years and I can't set it down until I've read the whole thing! Thank you for putting forth such effort to keep Kappa Kappa Gamma a well-connected and well-informed organization. It's a pleasure to read what other chapters are up to and learn great ideas.

I am also writing to inquire about an article and photographs our Public Relations Chairman sent to you. Our chapter works with the Breast Cancer Research Foundation of Alabama to raise money in honor of one of our chapter advisers, a breast cancer survivor. We were given special recognition by this organization and I was invited to attend its "Drive Out Breast Cancer" LPGA Pro/Am golf tournament to represent my chapter as a special guest. We are now even more committed to raising money for breast cancer research in hopes that there will soon be a cure.

I was disappointed that our story was not in the Summer Issue. I realize you receive hundreds of story requests, but ours was one which literally combined Kappas across the nation. I feel that other members deserve to read our story.

— JOANNA DAVISON, *Monmouth*

**EDITOR'S NOTE:** *The Key* applauds the philanthropic and community service work of all chapters and alumnae associations. Each issue of *The Key* is planned several months in advance. Stories and photographs are often not published until several months after they are received at Headquarters and may be saved for possible use up to one year. Keep your stories and photos coming! (The story mentioned above was published in the Fall 1998 Issue.)
