- Factory coated for increased consistency

Note: Each substrate and each profile of this product varies in terms of grain pattern and color variance. Due to limitations of the printing process, actual color may vary from the color shown. Refer to a physical sample for approvals.

Wall & Ceiling Collection

Designer Inspired

Bring the warmth of wood into your home with our range of solid and stained paneling products. Add a custom touch to wine cellars, game rooms, and open living spaces. Choose from ten color options to suit your project.

SUBSTRATE	Knotty, appearance grade SPF
PROFILE	1x6, (11/16 x 5.25") v-groove, penny gap, beaded, circlesawn
WARRANTY	15 year coating warranty
COLORS	10 color options

TRADITIONAL - AMERICAN NUT BROWN

FINELINE - IRISH CREAM

Note: This product is not warranted for siding applications. Wall + Ceiling panels are manufactured from a knotty SPF. If a blemish free appearance is desired, we recommend putty to fill any natural imperfections and a solid top coat to finish the look.

1x6, end-matched wood paneling.

This beautiful and durable wood wall and ceiling paneling features four different profiles that come prefinished in ten designer inspired colors. Manufactured from knotty, appearance grade SPF, the Wall + Ceiling Collection is available as 1x6 T&G profiles for interior and protected exterior applications.

- 15 Year Limited Warranty
- End-matching prevents waste and allows for faster installation
- Custom designed, high-quality, semi-transparent stains enhance the natural beauty of your home
- Pre-finished materials save time and labor costs during installation

Wall & Ceiling Collection

Truly Versatile.

Enhance the character of your home with real wood paneling for your walls and ceilings. These four beautiful profiles are a great fit for vaulted ceilings, accent walls and the ceilings of outdoor living spaces.

Fineline

A modern, end-matched, square edge, knotty profile.

Traditional

A classic v-joint tongue and groove wood paneling profile.

Beaded

Edge and center bead that creates the traditional beadboard profile

Circlesawn

V-groove, lightly resawn profile to enhance barnboard effect.

Pre-finished tongue and groove paneling.

This modern wood wall and ceiling paneling features an end-matched, square-edge profile that comes prefinished in seven unique colors. Manufactured from knotty, appearance grade SPF, our Fineline profile paneling is available as a 1x6 T&G profile for interior and protected exterior applications.

- 15 Year Limited Warranty
- End-matching prevents waste and allows for faster installation
- Custom designed, high-quality, semi-transparent stains enhance the natural beauty of your home
- Pre-finished materials save time and labor costs during installation

Note: This product is not warranted for siding applications. Wall + Ceiling panels are manufactured from a knotty SPF. If a blemish free appearance is desired, we recommend putty to fill any natural imperfections and a solid top coat to finish the look.

Shiplap Wall & Ceiling

Bright and versatile.

Our shiplap is a lovely addition to any living space; bathrooms, kitchens, accent walls and fireplaces. Add some texture and personality to your home with a smooth, blemish free shiplap! Choose a pop of color that suits you.

SUBSTRATE	Clear engineered pine
PROFILE	1x6 or 1x8, penny gap, T&G panel
APPLICATIONS	Interior wall and ceiling
COATING	White primer

1x6 and 1x8 penny gap, shiplap look.

Shiplap is a refined classic. Create a beautiful, healthy wood interior with the natural warmth of real, sustainable wood. The classic shiplap appearance has been reimagined with superior product features and arrives factory coated in white primer, ready for onsite top coating.

- Clear engineered pine for a blemish free appearance
- Factory primed, ready for top coat in the color of your choice
- Tongue and groove profile makes installation simple
- Pre-primed materials save time and labor costs during installation

Note: This product is for interior ceiling or wall installation only, no exterior applications are recommended. The product should not be stored outdoors, dry storage is required for protection. A finish coat must be applied to product onsite.

Structurally certified, engineered SPF post.

Designed by builders and preferred by engineers as a structurally certified product, RealPost™ has become the new standard in single-family and multifamily applications. Manufactured from premium locally sourced SPF that has been finger-jointed, edge-laminated and pressed, the final product is hollow and warranted against warping, twisting and joint separation.

SUBSTRATE	Knotty, appearance grade SPF
WARRANTY	15 year warranty against manufacturer defect
CERTIFICATION	Intertek (US), CCMC (Canada)

TEXTURES

DIMENSIONS

One piece, engineered corner solution.

Homeowners spend hundreds of dollars and hours of time on caulking and sealants in order to fix unsightly corner separation and cracking. With this unique, one-piece, engineered structure, your risk for seam separation is mitigated. Because of the engineered nature of the product it is available in specified lengths.

SUBSTRATE	Knotty, appearance grade SPF
WARRANTY	15 year warranty against manufacturer defect
APPLICATION	Suitable for inside and outside corners

TEXTURES

DIMENSIONS

Structurally certified, engineered WRC post.

Western Red Cedar hollow, engineered, solid and finger-jointed structural posts bring natural warmth and beauty to your home's exterior. This column is structurally certified in both the US and Canada and has a hollow core, ideal for lighting cords. The kiln-drying process significantly reduces splitting, warping or twisting. Product comes uncoated.

SUBSTRATE	Knotty, appearance grade WRC
WARRANTY	10 year warranty against manufacturer defect
CERTIFICATION	Intertek (US), CCMC (Canada)

TEXTURES

DIMENSIONS

Engineered cedar trim that lasts.

An engineered, Western Red Cedar trim and fascia product designed to provide years of unmatched performance on your next project. This product is produced from tight knot finger-jointed, Western Red Cedar and is truly unsurpassed when compared to all other exterior trim products. As a finger-joint product, AbsoluteTrim™ is available in specified lengths.

SUBSTRATE	S1S2E STK finger-jointed, edge glued WRC
PROFILE	1" (11/16), 5/4" (1 1/8), 2" (1 1/2)
WARRANTY	30 year warranty against manufacturer defect
PRIMER	2 coat enhanced tannin-blocking primer system
