

*THIS IS
MDX*

RE
DEF
INE

The 2014 MDX once again sets a new benchmark for the luxury SUV and redefines the driver's experience in a vehicle built for utility. The new sophisticated, yet muscular "Executive Aero Sculpture" exterior design and interior cabin, equally stocked with technology and elegance, let you know at first glance that luxury was top of mind in every aspect of the MDX. However, once you're behind the wheel, you'll immediately realize that performance was never reduced to a second thought.

The need for a utility vehicle does not replace the want of an exhilarating drive. That reality was never lost when engineering the 2014 MDX and its all-new, direct-injected, 3.5-litre, i-VTEC® V6 engine with Variable Cylinder Management.® The result is an SUV that you'll not only want to drive—but need to drive.

6-SPEED SEQUENTIAL SPORTSHIFT® WITH PADDLE SHIFTERS

Race-inspired paddle shifters specifically tuned to complement a quick-shifting 6-speed Sequential Sportshift automatic transmission offer drivers the convenience of automatic shifting as well as the control and gratification that comes from changing gears manually.

INTEGRATED DYNAMIC SYSTEM

The all-new Integrated Dynamic System (IDS) allows the MDX to complement the personality of its driver. Choose between Normal, Sport and Comfort modes and the Integrated Dynamic System will adjust the steering effort, throttle response, SH-AWD®, even the sound of the engine, to match the mood you want to set for the drive ahead.

VARIABLE CYLINDER MANAGEMENT®

Variable Cylinder Management helps the MDX realize significantly improved fuel efficiency by automatically changing the V6 engine to run on six or three cylinders, depending on driving conditions. The cylinder activation is designed to be seamless and not felt by driver or passengers. The fuel consumption of as little as 7.7 litres/100 km* on the highway however, is something you're sure to notice.

*Transport Canada approved test methods used. Your actual fuel consumption will vary based on driving habits and other factors – use for comparison only.

TAKING HANDLING
TO A HIGHER GROUND

SH-AWD®

Acura's groundbreaking Super Handling All-Wheel Drive™ (SH-AWD) system continues to be the core of the MDX's handling capability. Standard on every MDX, SH-AWD is designed to intuitively sense road conditions and react accordingly by alternating torque from front to rear wheels, as well as splitting rear-wheel torque from left to right for a continuously smooth ride and an ever confident driver.

AGILE HANDLING ASSIST

A first for the MDX, Agile Handling Assist not only complements the SH-AWD system to improve cornering ability, but it also pays further dividends by adding controlled braking performance.

AMPLITUDE REACTIVE DAMPERS

Another first for the MDX are Acura's Amplitude Reactive Dampers, which feature two piston valves per damper. The main valve helps to absorb minor road vibration, while the second one is stiffer, reigning in a larger suspension motion for improved stability.

Tested and tuned at the famous Nürburgring track in Germany, the newly designed, fully independent front and rear suspension gives the MDX the smooth ride quality that you'd expect from an SUV, with the enhanced control and reactive handling that you admire in a high-performance vehicle.

EN TER TAIN

AUDIO

The 2014 MDX ushers in a more powerful Acura/ELS Surround® Premium Audio System, now capable of delivering 546 watts of enriched audio from an array of sources, including tuner, MP3, auxiliary input jack and USB devices. All fed through your choice of a 10 to 12 speaker configuration and controlled with the 7-inch On-Demand Multi-Use Display™—making driver and MDX more in tune than ever before.

VIDEO

The Technology package features an Acura DVD Entertainment System with a 9-inch display, wireless headsets with personal surround sound, integrated remote control and an auxiliary 2nd-row audio/video input jack. The Elite package introduces an ultra-wide, 16.2-inch split screen display with HDMI® compatibility, perfect for connecting gaming consoles.

ILLU MIN ATE

JEWEL EYE™ LED HEADLIGHTS

Acura's new signature Jewel Eye headlight system presents an array of lighting with a total of five separate high-intensity LED lamps and utilizes ultra-reflective optical lenses to provide powerful, down-the-road illumination and a striking visual impact.

LED TAIL LIGHTS

Rear LED lighting further ensures crystal clear nighttime visibility and provides a sophisticated exterior detail.

LANE DEPARTURE WARNING (LDW) SYSTEM†

Should the MDX begin to drift out of its lane without a turning signal being applied, the available Lane Departure Warning system is designed to trigger both an audible and visual warning to alert the driver. This constant connection between car and road is achieved through an onboard camera that is designed to monitor the vehicle's lane position at all times.

†Does not replace the driver's responsibility to exercise due care while driving.

COLLISION MITIGATION BRAKING SYSTEM™ (CMBS®)†*

Innovation that allows the MDX to react the way you would, even when you don't. The available Collision Mitigation Braking System (CMBS) uses a radar transmitter to determine the distance and closing speed of the car directly in front of you and is designed to react accordingly when a programmed threshold is exceeded. Initially, the system warns you with audio and visual alerts.

If speed is not reduced, the system will gently pull your seat belt and automatically begin light braking. If the system still determines an impact is unavoidable, strong braking is automatically applied to reduce speed and mitigate the force of the collision.

†Does not replace the driver's responsibility to exercise due care while driving.

**Available on the MDX Elite package.*

LANE KEEPING ASSIST SYSTEM (LKAS)†*

The available Acura Lane Keeping Assist System builds on conventional lane departure systems and works proactively to keep the vehicle inside the lane during normal driving conditions. If the car begins to cross lane markings unintentionally, the Lane Keeping Assist System is engineered to apply light steering torque to return the vehicle to the centre of the lane while a continuous beep inside the cabin is provided to alert the driver.

†Does not replace the driver's responsibility to exercise due care while driving.

**Available on the MDX Elite package.*

FORWARD COLLISION WARNING (FCW) SYSTEM†

The available Forward Collision Warning system uses an onboard camera that monitors the gap between you and the car in front of you. If that gap begins to close too quickly, the system is designed to use both audible and visual warnings to inform you to reduce your speed.

†Does not replace the driver's responsibility to exercise due care while driving.

ACURA NAVIGATION SYSTEM WITH VOICE RECOGNITION™

Enjoy the journey while your MDX focuses on the destination. The available satellite-linked navigation system can pinpoint your location almost anywhere in North America or access its onboard search directory. The system is equipped with bilingual voice recognition software and offers real-time directions by either voice or moving-map display. Just ask and the system can show you the most direct route to your destination, find you an alternate one or, with the Zagat Survey® ratings, even help you find a restaurant based on the type of cuisine you're craving.

A SENSE OF
PERSONAL SPACE

**ADAPTIVE CRUISE CONTROL (ACC)
WITH LOW-SPEED FOLLOW****

The MDX has taken the conventional cruise control system and enhanced its benefits for the driver. Using an advanced radar system hidden discretely behind the front grille, the available Adaptive Cruise Control with Low-Speed Follow system allows the MDX to independently follow the car in front at a set distance, starting and stopping appropriately with the flow of traffic.

†Does not replace the driver's responsibility to exercise due care while driving.

**Available on the MDX Elite package.*

SURROUND VIEW CAMERA SYSTEM**

The available surround view camera system is designed to assist you in checking a variety of blind spots when travelling at 12 km/h or less. Using four separate cameras, views of behind, directly in front of, and both front sides of your MDX can be displayed on the navigation screen. The system can also combine all four camera angles together to create a composite 360-degree view of the area around your MDX. In addition, dynamic guidelines on the screen help you assess the distance between objects and see your projected path of travel.

†Does not replace the driver's responsibility to exercise due care while driving.

**Available on the MDX Elite package.*

BLIND SPOT INFORMATION (BSI) SYSTEM†

Your MDX expands your field of vision by providing information about vehicles that are in, or about to enter your blind spot when you're passing, being passed, merging, or changing lanes. The available Blind Spot Information system uses radar technology that is designed to detect objects moving as slow as ten kilometres per hour.

†Does not replace the driver's responsibility to exercise due care while driving.

ACURALINK™

A NEW BAR FOR CONNECTIVITY

AcuraLink

Available to MDX drivers is the all-new AcuraLink connectivity system, and with it an unprecedented combination of technology and convenience. Using both embedded two-way communications and web-enabled devices, AcuraLink curates a truly digital experience with your MDX.

NAVIGATION

AcuraLink brings some impressive additions to your Acura Navigation System like Real-Time Traffic™** with all-new surface street traffic information. You'll also be able to request points of interest via a live concierge agent and have the route sent directly to your navigation screen. Or map locations yourself and upload them to your screen via the MyAcura website, or AcuraLink Connect app*.

ENTERTAINMENT

AcuraLink makes the MDX one of the first Acuras to feature Aha™ by Harman, a cloud-based interface that provides you with thousands of customizable media and connectivity choices. The AcuraLink Streams app* featuring Aha lets you access your desired content on the go. Once you have selected your favourite stations, you can connect your smartphone with your MDX through your on-board touchscreen and have immediate access to your favourite internet content, including personalized music, internet radio, podcasts, audiobooks, location-based searches and even have your Facebook® and Twitter feeds read out loud as you drive.

REMOTE CONTROL

With the AcuraLink Connect app*, or MyAcura website, you no longer need to be in your MDX to connect with it. Using your web-enabled device, you can remotely lock and unlock doors; use the car finder feature in a crowded lot; even check things such as fuel level, tire pressure and odometer reading from your virtual dashboard. And the connection goes both ways as your MDX can send messages to you via the mobile app, alerting you of an alarm notification for example, even if you're out of town.

EMERGENCY

In the event of an airbag deployment, AcuraLink automatically sends a signal for immediate assistance to your location†. The on-board one-touch Assist button also gives you access to live operator assistance in the case of non-collision emergencies.

MAINTENANCE

Not only will you be notified when your next service is due via the Maintenance Minder™, but the new Automated Appointments™ feature allows you to schedule an appointment with your favourite, or local, Acura dealer directly through the AcuraLink system.

LIVE CONCIERGE

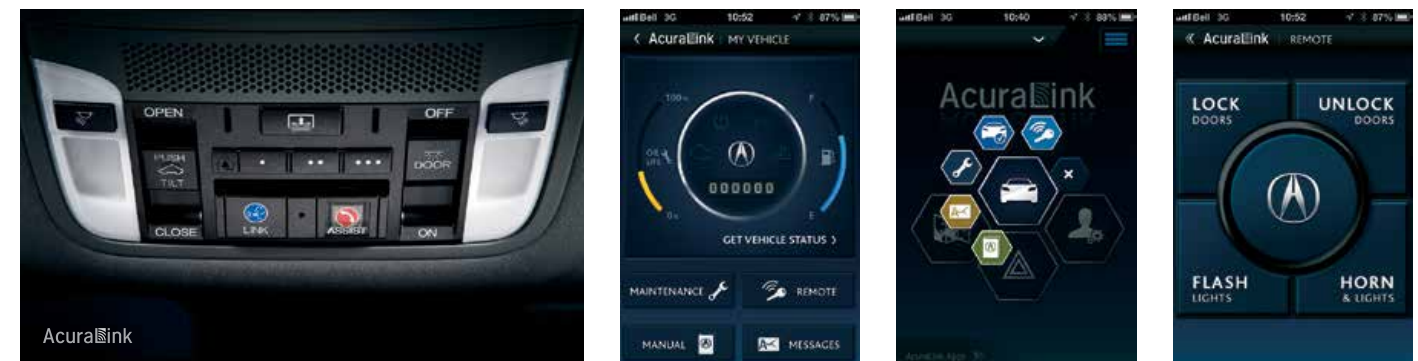

The AcuraLink Premium package gives you access to the most personalized feature of all—access to live concierge agents. One touch puts you in direct voice contact with an Acura concierge who will assist you with virtually anything from finding a point of interest; booking dinner, hotel, or flight reservations; even searching the web for answers for you while you drive.

*Available on eligible devices.

**Real-Time Traffic™ is only available in 13 of Canada's largest metropolitan areas and is dependent upon data location reporting of connected vehicles.

†Vehicle or the compatible smartphone tethered via the vehicle's HandsFreeLink Bluetooth connection needs to have cellular reception.

An On-Demand Multi-Use Display™ touchscreen and one-touch dedicated Link and Assist buttons in the vehicle easily give you access to an array of customizable media, convenience features, emergency services and even 24-hour live concierge operators. The AcuraLink Connect app* and MyAcura website allow you to connect remotely with your MDX in ways like never before.

CABIN
COMFORTS

Intelligent design and refined style create a spacious, versatile and comfortable MDX cabin. Soft leather-trimmed seating, silver-plated accents and available genuine wood trim will welcome driver and passengers on board, while ample legroom, climate control and advanced noise reduction all help to ensure a pleasant trip.

THE STRONG SILENT TYPE

A quiet ride made even quieter through innovation. Acura's Active Noise Cancellation system cancels out engine noise by countering it with opposing sound frequencies emitted from the sound system. Active Sound Control smoothes out the sound created by the engine itself as it goes through its full rpm cycle. Acoustic glass, expanding body sealers and a noise-reducing underbody liner round out the MDX's cocoon—making it as composed as it is confident.

CLIMATE CONTROL

A sense of personal comfort is all-encompassing in the MDX. The synchronized tri-zone automatic climate control with air-filtration system keeps driver, front passenger and 2nd-row zones each at their own desired temperature. Available ventilated front seats* offer warm-weather comfort while the standard heated front seats and available heated 2nd-row seats deliver additional cold-weather relief.

*Available on the MDX Elite package.

ONE TOUCH WALK-IN

Simply press the illuminated One Touch Walk-In button and the second-row seats automatically fold and slide to their most forward position, improving third-row access like never before. A new four-position recline and Extended Slide capability on the second-row seats also allows optimal balance between second- and third-row legroom.

INTERIOR
REDESIGN

HEATED STEERING WHEEL

All-new and unique to the Canadian market is a standard heated steering wheel and heated windshield, both helping to make the MDX a true all-season luxury SUV.

CENTRE OF ATTENTION

Completely redesigned for 2014, the centre stack of the MDX features the On-Demand Multi-Use Display.™ This not only puts Acura technology at your fingertips, but it also streamlines the number of hard buttons in the stack. New centre console storage is spacious enough to easily accommodate a laptop, or small purse—unheard of in most luxury SUVs.

**ACE™ BODY STRUCTURE**

The innovative Advanced Compatibility Engineering™ (ACE) body structure adopts a high-tensile, high-efficiency steel body structure to provide enhanced protection from a multi-directional collision. ACE reduces the concentrated force of a frontal impact by absorbing energy over a large area and dispersing it away from the occupants of the cabin. Additionally, ACE is designed to help reduce occupant injuries caused by misalignment in collisions between vehicles of different sizes.

VEHICLE STABILITY ASSIST (VSA®)

The advanced co-operative Vehicle Stability Assist (VSA) system with Traction Control is engineered to automatically detect and correct understeer or oversteer situations, sometimes before you're even aware there's a problem. The system intuitively analyzes the conditions and then reduces throttle and/or applies braking to individual wheels. Should a loss of traction occur on a slippery surface, Traction Control is engineered to help compensate to get you safely underway.

ANTI-LOCK BRAKES

The Anti-lock Braking System (ABS) helps you maintain steering control when braking hard on wet, slippery or loose surfaces, while Electronic Brake-force Distribution (EBD) balances braking forces at each wheel to help compensate for cargo and passenger weight distribution inside the cabin.

AIRBAGS

A significant level of safety is achieved with seven standard airbags. The MDX cabin features side curtain airbags with a sensor to deploy in the event of a rollover, dual-stage, dual threshold front airbags (SRS) and a driver's side knee airbag.

The MDX driving experience is further enhanced by the peace of mind you'll have from knowing that you and your passengers are surrounded by an extensive number of both standard safety features and innovative Acura safety technologies.

MDX

SPECIFICATIONS

ENGINE	
Engine	3.5-litre, Direct Injection SOHC, i-VTEC® V6
Horsepower	290 hp @ 6200 rpm
Torque	267 lb.-ft. @ 4500 rpm
Displacement	3471 cc
Bore and stroke	89 x 93 mm
Emissions	Tier 2 Bin 5
Compression ratio	11.5:1
Variable Cylinder Management® (VCM®)	
Recommended fuel	Premium unleaded
Horsepower & Torque (SAE net Rev. 08/04, SAE J1349)	

DRIVETRAIN
6-speed automatic transmission with Sequential SportShift® paddle shifters and Grade Logic Control
Integrated Dynamic System (IDS)
Hill Start Assist
Super Handling All-Wheel Drive™ (SH-AWD®)
Towing capacity: available in 3500 lb. (1588 kg) or 5000 lb. (2268 kg)

CHASSIS
18" alloy wheels
Agile Handling Assist
Amplitude Reactive Dampers
Electric power-assisted rack-and-pinion steering (EPS)
Multi-link independent rear suspension
Power-assisted, ventilated front disc/drum-in-disc rear brakes
Strut front independent suspension
Tires: P245/60 R18 all-season

INTERIOR DIMENSIONS	
Headroom – 1st/2nd/3rd row	969/973/904 mm
Hip room – 1st/2nd/3rd row	1461/1468/1031 mm
Legroom – 1st/2nd/3rd row	1051/929/713 mm
Shoulder room – 1st/2nd/3rd row	1551/1502/1390 mm

FUEL ECONOMY	
City	11.2 litres/100 km*
Highway	7.7 litres/100 km*
Combined	9.6 litres/100 km*

ENTERTAINMENT
432-watt audio system with AM/FM/CD/SiriusXM™ ^{††} tuner, MP3/Windows Media® Audio compatibility and 8 speakers including subwoofer

Gross vehicle weight rating	2575 kg
Ground clearance	185 mm
Height (includes antenna)	1716 mm
Length	4917 mm
Track – front/rear	1684/1684 mm
Turning diameter – wheel centre/curb-to-curb	5.75 m/11.19 m
Wheelbase	2820 mm
Width – no mirrors	1962 mm

CAPACITIES	
Maximum cargo volume, 2nd- and 3rd-row seats folded down	2575 litres
Maximum cargo volume, 3rd-row seats folded down	1277 litres
Maximum cargo volume, behind 3rd row	447 litres
Fuel tank capacity	73.8 litres
Passenger volume	3747 litres
Windshield washer fluid tank	5.8 litres

[†]Includes a no-charge trial of 3 months, beyond which service fees apply. Available in 10 Canadian provinces and 48 contiguous U.S. states. See terms and conditions at www.siriusxm.ca.

^{††}Does not replace the driver’s responsibility to exercise due care while driving.

^{*}Based on 2013 EnerGuide Fuel Consumption Guide ratings published by Natural Resources Canada. Transport Canada approved test methods used. Your actual fuel consumption will vary based on driving habits and other factors – use for comparison only.

^{**}Only compatible with certain devices.

^{***}HomeLink® can be programmed with codes of up to three remote-control devices (e.g., garage-door opener, home security system, etc.). Additional control devices not provided by Honda may be required.

[‡]Text message and e-mail functions are only compatible with certain devices.

PACKAGES
NAVIGATION PACKAGE <i>(Adds to MDX features)</i>
19" alloy wheels
Tires: P245/55 R19 all-season
Acura Navigation System with Voice Recognition™ and 8" display
Acura/ELS Surround® 501-watt Premium Audio System with AM/FM/ SiriusXM™ ^{††} tuner, MP3/Windows Media® Audio compatibility, DTS,® Dolby® Pro Logic™ II and 10 speakers including subwoofer
AcuraLink™ connectivity system
Blind Spot Information system ^{††} (BSI)
Forward Collision Warning (FCW) system ^{††}
Hard disk drive (HDD) media storage
Lane Departure Warning (LDW) system ^{††}
Perimeter/approach puddle lights
Rain-sensing windshield wipers

TECHNOLOGY PACKAGE <i>(Adds to Navigation Package)</i>
Auto-dimming power folding side mirrors
Acura DVD Entertainment System with 9" display
Acura/ELS Surround® 529-watt Premium Audio System with AM/FM/ SiriusXM™ ^{††} tuner, MP3/Windows Media® Audio compatibility, DTS,® Dolby® Pro Logic™ II and 11 speakers including subwoofer
Auto-levelling front headlamps
Heated 2nd-row seats
Keyless Access System for rear doors
Perforated Premium Milano leather-trimmed interior
Rear side sunshades
AC power outlet (115-volts)

ELITE PACKAGE <i>(Adds to Technology Package)</i>
Acura DVD Ultrawide Rear Entertainment System with 16.2-inch display and HDMI® (High-Definition Multimedia Interface) input jack
Acura/ELS Surround® 546-watt Premium Audio System with AM/FM/ SiriusXM™ ^{††} tuner, MP3/Windows Media® Audio compatibility, DTS,® Dolby® Pro Logic™ II and 12 speakers including subwoofer
Adaptive Cruise Control (ACC) with Low-Speed Follow ^{††}
Collision Mitigation Braking System™ (CMBS®)
Front and rear parking sensors
Genuine olive ash trim
Lane Keeping Assist System (LKAS)
10-way power adjustable passenger’s seat including 2-way power lumbar support
Remote engine starter
Roof rails
Surround view camera system ^{††}
Ventilated front seats

ACURA
MAKE IT YOURS.

Choose from an array of genuine Acura accessories that give you the practical luxuries and advanced styling that will bring you together with your machine.

PROTECTION PACKAGE

All-season floor mats, Advance (includes 1st- and 2nd-row mats)
Cargo tray, Standard

PROTECTION PACKAGE – ADVANCE

All-season floor mats, Advance (includes 1st- and 2nd-row mats)
All-season floor mats, Advance (includes 3rd- row mats)
Cargo tray, Standard

UTILITY PACKAGE

Running boards – Advance
Roof rails

REMOTE ENGINE STARTER PACKAGE

Remote engine starter FOB (x2)
Remote engine starter base
Remote engine starter attachment

Accessories listed in the packages may also be added individually to your MDX.

SPORT LUXURY PACKAGE

Roof rails
Running boards – Advance
Fog lights, LED

PLATINUM PACKAGE

19" alloy wheels, SBC
Running boards – Advance
Roof rails
Cross bars

MDX TOWING PACKAGE – 3500 LB.

Trailer hitch
Trailer hitch harness

MDX TOWING PACKAGE – 5000 LB.

Trailer hitch
Trailer hitch harness
ATF cooler

Choose from either the 3500 lb. or 5000 lb. MDX Towing Package. Your sales person will be able to help you choose depending on your individual towing needs.

ACCESSORIES AVAILABLE

Back-up sensors
Body side moulding
Bumper trim, front and rear
Cargo cover
Cargo liner
Cargo mat
Cargo net

At Acura, when innovation and performance meet purpose, remarkable things can be achieved. Through our commitment and continued involvement with events and organizations across Canada, we seek to create engaging and inspiring experiences for our customers and our community. Because at Acura we believe exhilaration goes beyond the driver's seat.

HOTELS

Acura has teamed up with W Hotels – a global luxury chain – to provide a fully loaded partnership that offers guests complimentary transportation in an Acura vehicle. The Whatever/ Whenever® service gets guests where they need to go in advanced luxury and style.

PRESENTING SPONSOR
CANADIAN BROADCAST

Acura is honoured to be the Canadian broadcast sponsor of golf's most historic and time-honoured tournament. The Masters is golf's first major open of the season and is famous for its ceremonial "Green Jacket" winner's presentation.

Driving a luxury vehicle should go beyond engineering and amenities. That's why Acura is committed to ensuring your ownership experience is equally luxurious. New Acura owners benefit from four-year 24-hour Roadside Assistance, which includes Dispatch Emergency Roadside Service, Emergency Lockout Service and Traffic Accident Services. See your Acura Retailer for details.

WARRANTY

Your new Acura vehicle comes with the following warranties: Major Component – 5-year/100,000-km limited warranty • Vehicle – 4-year/80,000-km Distributor's limited warranty • Rust Perforation – 5-year unlimited-distance warranty • Surface Corrosion – 4-year/80,000-km • Accessories – 4-year/80,000-km limited warranty (when installed by an authorized Acura Retailer at time of new vehicle delivery).

Regular maintenance items and parts are subject to normal wear and replacement, and are not covered by warranty. Certain other items are excluded and certain conditions apply. See your Acura Retailer for details.

ACURA PLUS

Extend your worry-free ownership experience by purchasing additional coverage. Choose from Acura's flexible selection of Mechanical Coverage that extends up to 8 years or 200,000 km, whichever comes first. See your Acura Retailer for details.

LEASING AND FINANCING

Owning your Acura is easy. See your Acura Retailer for complete details on Conventional Financing.*

*A genuine service of Acura Financial Services. Conditions, restrictions and prepayment requirements might apply O.A.C.
