

2011

CSX

CSX

Sedan exhilaration, evolved.

The 2011 Acura CSX. An exceptionally modern interpretation of classic heart-pounding performance is here. From its race-inspired roots and track-tuned engineering to its advanced driver technology and amenities, the CSX is driving excitement in its most athletic form.

CSX, now with a dash of tech.

**ABOVE STANDARD STYLING**

As advanced as the CSX i-Tech package is on the inside, it's also quite cutting-edge on the outside. From its wind-chiselled body style and aggressive front-grille treatment to its fluid one-motion profile and wide stance, the CSX is a textbook study in leading-edge aerodynamics. And for even more state-of-the-art exterior styling, the i-Tech model features brilliant High-Intensity Discharge (HID) headlights to enhance your ability to see what's ahead, what to avoid and what the future holds on the road.

AVAILABLE HANDSFREELINK™ CONNECTIVITY

To stay in touch without having to lift a finger, simply program and link your Bluetooth®-enabled wireless device to the HandsFreeLink interface to make, receive and transfer calls from your mobile phone without interruption. Provided your mobile phone is located inside the cabin, calling numbers will be displayed, your phone will respond to voice activation and you will hear the caller's voice over the vehicle's audio system. Plus, the system operates in English or French and is capable of integrating up to six different compatible mobile phones, turning the CSX i-Tech cabin into a hub of connectivity.

AVAILABLE ACURA NAVIGATION SYSTEM

The CSX i-Tech's satellite-linked navigation system with bilingual voice recognition can pinpoint your location almost anywhere in North America or access its search directory to help you find directions. The system is equipped with bilingual voice recognition software that recognizes up to 600 verbal commands in either English or French and can provide you with real-time directions by voice or moving-map display. Just say the word and the system can show you the most direct route to your destination, or offer an alternate route, and you're there.

It looks as sharp as it drives.

17-INCH WHEELS

Reinforce your feel for the open road with large 17-inch aluminum-alloy wheels. Augmented by small wheel gaps and short fender overhangs, the CSX's standard 17-inch wheels enhance the vehicle's wide stance and uncompromising big-city style.

ELECTRONIC POWER STEERING

Where some stop, the CSX is constantly pushing forward. More than just power steering, the CSX has adopted an innovative approach that eliminates the need for a hydraulic pump, providing you with quicker steering response and increased efficiency. Because the steering relies entirely on the electrical system, engine power drain is eliminated, as is the additional weight associated with conventional power steering systems, making the CSX more agile in corners.

VEHICLE STABILITY ASSIST WITH TRACTION CONTROL

For enhanced handling and remarkable control, the CSX features Vehicle Stability Assist (VSA®) to automatically correct oversteer and understeer cornering scenarios. And if that's not enough, Traction Control helps you get off the mark quickly, confidently and consistently on loose or slippery surfaces.

The power to rule the road.

2.0-LITRE, 16-VALVE, DOHC, i-VTEC® ENGINE

Race-inspired to its aluminum core, the CSX is propelled by a high-performance 2.0-litre, DOHC, i-VTEC 4-cylinder engine. This lightweight and highly efficient engine boasts an aluminum block and head with DOHC, 16-valve design. The driving result is a balance of sporty performance, exceptional fuel efficiency and low emissions.

HORSEPOWER AND TORQUE

Producing 155 horsepower and 139 lb.-ft. of torque, the CSX's 2.0-litre, i-VTEC engine enables you to rule the road with high-torque output at low speeds and an exhilarating boost of acceleration at a range of higher speeds. And for smoother, on-demand acceleration, there's a Drive-by-Wire Throttle System™ that utilizes advanced electronics to help deliver maximum engine response and efficiency. All in all it adds up to the incredibly sporty, responsive experience you've been longing for.

INTELLIGENT VARIABLE VALVE TIMING AND LIFT ELECTRONIC CONTROL (i-VTEC)

The dual camshaft profiles of the compact race-inspired i-VTEC engine deliver greater power across the entire rpm range. It offers a boost of low-end torque for faster off-the-line speed and high-end rpm power for passing on highways. Plus, with the added efficiency of Variable Timing Control (VTC), the i-VTEC engine possesses an abundance of force.

AVAILABLE PADDLE SHIFTERS

Experience the thrill of race-inspired performance and control with the touch of your finger. You'll find mounted just behind the spokes of the sporty leather-wrapped steering wheel available paddle-shifting transmission control designed to add that extra boost of excitement to an already exhilarating 5-speed automatic.

Very user-friendly features.

STEERING WHEEL-MOUNTED CONTROLS

The CSX features illuminated steering wheel-mounted audio and cruise controls to enhance the safety, convenience and exhilaration of your driving experience. These, in tandem with a tilt and telescopic steering column, help ensure your optimal driving position and comfort so you can focus on the road ahead, carving every corner of it.

ACURA AUDIO SYSTEM*

Tune in to this – 6-speaker acoustics, including a 160-watt AM/FM head unit with an in-dash CD player, handle the musical accompaniment in the CSX. Plus, for a more personalized listening experience, there's a standard MP3/auxiliary input jack, a digital audio card reader* with MP3/Windows Media® Audio compatibility and a standard USB device connector, so feel free to bring your favourite tunes along for the ride. Plus, Speed-sensitive Volume Control (SVC) makes a smooth, perfect-pitch listening at any speed.

CSX i-Tech Package shown.
*Digital audio card reader available with i-Tech Package.

Beauty, boldly done.

HEATED LEATHER-TRIMMED SEATS

Tightly bolstered leather seating provides a sporty look and feel inside the CSX cabin, while aluminum accent trim and ambient cabin lighting create a modern air of cool sophistication. Both front seats are ergonomically sculpted and heated for extra comfort, and the driver's seat is height adjustable for maximum comfort and positioning.

AVAILABLE 5-SPEED AUTOMATIC TRANSMISSION WITH PADDLE SHIFTING

Experience a veritable feast for your driving senses from the available 5-speed automatic. Leave it in drive and let the automatic transmission take over, or move it into "S" mode and enjoy all the thrilling tactile response that race-inspired paddle shifting has to offer. Plus, for the driving purist, an equally exciting experience awaits with the standard 5-speed manual transmission.

POWER MOONROOF

Add a breath of fresh air whenever you feel like it with a standard power sliding glass moonroof that features a tilt setting, privacy glass, retractable sunshade and one-touch auto-open.

AUTOMATIC CLIMATE CONTROL

The perfect cabin temperature comes standard when you use the automatic climate control with air-filtration system. Select the desired temperature, and the system will adjust under changing weather conditions.

ABS

The 4-wheel Anti-lock Braking System (ABS) helps maintain steering control when braking hard on wet, slippery or loose surfaces, while Electronic Brake Distribution (EBD) balances braking forces at each wheel to help compensate for passenger weight distribution inside the cabin.

SIDE MIRROR-INTEGRATED TURN INDICATORS

Eye-catching side turn indicators are integrated into the body-coloured heated folding power side mirrors. Offering function in its sleekest form, the CSX's side mirror-integrated turn indicators increase your visibility on the street and indicate your turning intentions to other motorists and pedestrians.

AIRBAGS

Maximum safety is achieved with six airbags designed to protect all occupants inside the cabin. Depending on the point and force of impact, the CSX will deploy dual-stage, dual-threshold front airbags that activate at one of two rates depending on the severity of the impact; front side airbags with the innovative passenger-side Occupant Position Detection System (OPDS) that will not release if the system detects a small-sized or improperly positioned passenger; and side curtain airbags with a state-of-the-art rollover sensor.

SOLID STRUCTURE

The Advanced Compatibility Engineering™ (ACE™) body structure utilizes a high-tensile, high-efficiency steel body frame to provide enhanced protection from a multi-directional collision. ACE reduces the concentrated force of a frontal impact by absorbing energy over a large area and dispersing it away from the vehicle's interior. Additionally, ACE is designed to help reduce occupant injuries caused by misalignment in collisions between vehicles of different sizes.

ACTIVE FRONT HEAD RESTRAINTS

In the event of a rear impact, the CSX's active front seat head restraints offer the driver and front passenger excellent neck protection.

TIRE PRESSURE MONITORING SYSTEM

Correct tire pressure is critical to safety, performance and fuel efficiency. Enter the CSX's Tire Pressure Monitoring System (TPMS), which continually monitors the air pressure in each tire. If pressure drops in any of your tires, a transponder attached to the wheel's valve stem transmits the information to a receiver, and a warning appears on your instrument panel.

PEDESTRIAN SAFETY

Acura's Safety Through Innovation goes one step beyond with a revolutionary approach to pedestrian safety. The CSX exterior design incorporates energy-absorbing hood and front fenders and breakaway wiper pivots to help mitigate pedestrian injury.

At Acura, Safety Through Innovation is based on the idea that an advanced driving experience starts with advanced safety features. This guiding principle is reinforced through the extensive number of standard safety features and use of innovative technologies you'll find in all Acura vehicles.

SPECIFICATIONS

ENGINE

Engine	2.0-litre, 16-valve, DOHC, i-VTEC® 4-cylinder
Horsepower	155 hp @ 6000 rpm
Torque	139 lb.-ft. @ 4500 rpm
Displacement	1998 cc
Redline	6800 rpm
Bore and stroke	86 x 86 mm
Compression ratio	9.6:1
Emissions	Tier 2 Bin 5
Recommended fuel	Regular unleaded

Horsepower & Torque (SAE net, Rev. 08/04, SAE J1349)

DRIVETRAIN

5-speed automatic transmission (AT) with paddle shifters, Grade Logic Control and lockup torque converter (Optional)
 5-speed manual transmission (MT)
 Drive-by-Wire Throttle System™
 Front-wheel drive

SAFETY

3-point seat belts with front pretensioners
 4-wheel Anti-lock Braking System (ABS) with Electronic Brake Distribution (EBD)
 Active front seat head restraints
 Advanced Compatibility Engineering™ (ACE™) body structure
 Childproof rear door locks
 Dual-stage, dual-threshold front airbags (SRS)
 Front side airbags with passenger-side Occupant Position Detection System (OPDS)
 Immobilizer Theft-Deterrent System and security system
 Lower Anchors and Tethers for Children (LATCH) child-seat mounting system
 Side curtain airbags
 Tire Pressure Monitoring System (TPMS)
 Vehicle Stability Assist (VSA®) with Traction Control

CHASSIS

17" aluminum-alloy wheels
 Control-link MacPherson strut front suspension
 Electric variable power-assisted rack-and-pinion steering (EPS)
 Power-assisted, solid rear disc brakes
 Power-assisted, ventilated front disc brakes
 Reactive-link double-wishbone rear suspension
 Stabilizer bars – front/rear: 24.2/11 mm
 Tires: P215/45 R17 87V all-season

EXTERIOR

Body-coloured bumpers
 Body-coloured heated folding power side mirrors with integrated turn indicators
 Body-coloured side mouldings
 Chip-resistant lower body panels
 Fog lights
 Front splash guards
 Power moonroof with tilt feature
 Rear window defroster

CAPACITIES

Cargo volume	341 litres
Fuel tank capacity	50 litres
Passenger volume	2502 litres

FUEL ECONOMY

Automatic transmission (City/Hwy)	9.5/6.5 litres/100 km*
Manual transmission (City/Hwy)	8.7/6.4 litres/100 km*

COMFORT & CONVENIENCE

12-volt power outlets (2)†
 Automatic climate control with air-filtration system
 Blue ambient cabin lighting
 Digital instrument panel
 Digital odometer
 Digital trip meter
 Door-pocket storage bins
 Driver's and front passenger's illuminated vanity mirrors
 Exterior temperature indicator
 Front and rear beverage holders
 Glove-compartment light
 Illuminated cargo compartment
 Illuminated ignition switch
 Illuminated power window switches
 Lockable trunk release
 Maintenance Minder system
 Map lights
 Power windows with auto-up/down driver's window
 Programmable automatic power door locks
 Rear-seat heater ducts
 Remote entry system
 Remote fuel filler door release
 Seat-belt warning chime
 Steering wheel-mounted audio and cruise controls
 Tilt and telescopic steering column
 Two-tier instrument panel
 Variable intermittent windshield wipers

ENTERTAINMENT

160-watt AM/FM/CD audio system with MP3/Windows Media® Audio compatibility and 6 speakers
 Audio anti-theft feature
 Front and rear speakers
 Illuminated steering wheel-mounted audio controls
 Integrated glass antenna
 MP3/auxiliary input jack
 Speed-sensitive Volume Control (SVC)
 USB device connector

SEATING & TRIM

60/40 split fold-down rear seatback
 Driver's seat with manual height adjustment
 Floor mats
 Heated front seats
 Leather-trimmed seats
 Leather-wrapped steering wheel

ACCESSORIES

17" alloy wheel – sparkle silver	Door visors
All-weather floor mats – black	Engine block heater
Ashtray – cup holder style	Half nose mask
Automatic day/night rearview mirror with compass	Hood edge deflector
Bass Works System	Interior illumination
Car cover	Moonroof visor
Cargo hook	Rear bumper appliqué
Cargo net	Rear splash guards
Cigarette lighter	Rear wing spoiler
Door edge film	Remote engine starter
	Side sill garnish
	Trunk edge and bumper protector
	Trunk tray
	Wheel locks – exposed

EXTERIOR DIMENSIONS

Curb weight – AT/MT	1343/1313 kg
Height	1435 mm
Length	4544 mm
Track – front/rear	1499/1528 mm
Wheelbase	2700 mm
Width	1752 mm

INTERIOR DIMENSIONS

Headroom – front/rear	967/931 mm
Hip room – front/rear	1317/1296 mm
Legroom – front/rear	1072/878 mm
Shoulder room – front/rear	1361/1332 mm

i-Tech PACKAGE Adds to CSX

Acura Navigation System with bilingual Voice Recognition™, off-road tracking and steering wheel-mounted controls
 160-watt AM/FM/CD audio system with digital audio card reader, MP3/Windows Media® Audio compatibility and 6 speakers
 HandsFreeLink™-bilingual Bluetooth® wireless mobile phone interface
 High-Intensity Discharge (HID) headlights
 XM® Satellite Radio‡

*Use kilometrage for comparison purposes only. Your kilometrage may vary.

†(1) on i-Tech Package.

‡Includes a no-charge trial of 3 months, beyond which service fees apply. Available in 10 Canadian provinces and 48 contiguous U.S. states. See terms and conditions at www.xmradio.ca.

At Acura, when innovation and performance meet purpose, remarkable things can be achieved. Through our commitment and continued involvement with events and organizations across Canada, we seek to create engaging and inspiring experiences for our customers and our community. Because at Acura we believe exhilaration goes beyond the driver's seat.

HOTELS

Acura has teamed up with W Hotels – a global luxury chain – to provide a fully loaded partnership that offers guests complimentary transportation in an Acura vehicle. The Whatever/Whenever® service gets guests where they need to go in advanced luxury and style.

The Canada Running Series includes a number of competitive running events across Canada that raise money and awareness for charities. We are proud to be the title sponsor of the Acura Toronto 10-Miler & 5K Run in support of the Canadian Cancer Society, an organization dedicated since 1938 to improving the lives of people living with cancer.

PRESENTING SPONSOR
CANADIAN BROADCAST

Acura is honoured to be the Canadian broadcast sponsor of golf's most historic and time-honoured tournament. The Masters is golf's first major open of the season and is famous for its ceremonial "Green Jacket" winner's presentation.

Driving a luxury vehicle should go beyond engineering and amenities. That's why Acura is committed to ensuring your ownership experience is equally luxurious. New Acura owners benefit from four-year 24-hour Roadside Assistance, which includes Dispatch Emergency Roadside Service, Emergency Lockout Service and Traffic Accident Services. See your Acura Retailer for details.

WARRANTY

Your new Acura vehicle comes with the following warranties: Major Component – 5-year/100,000-km limited warranty • Vehicle – 4-year/80,000-km Distributor's limited warranty • Rust Perforation – 5-year unlimited-distance warranty • Surface Corrosion – 4-year/80,000-km • Accessories – 4-year/80,000-km limited warranty (when installed by an authorized Acura Retailer at time of new vehicle delivery). Regular maintenance items and parts are subject to normal wear and replacement, and are not covered by warranty. Certain other items are excluded and certain conditions apply. See your Acura Retailer for details.

ACURA PLUS

Extend your worry-free ownership experience by purchasing additional coverage. Choose from Acura's flexible selection of Mechanical Coverage that extends up to 8 years or 200,000 km, whichever comes first. See your Acura Retailer for details.

LEASING AND FINANCING

Owning your Acura is easy. See your Acura Retailer for complete details on: Acura Leadership Leasing,* Acura Future Value Financing* and Conventional Financing.*

*A genuine service of Honda Financial Services. Conditions, restrictions and prepayment requirements might apply O.A.C. Acura Future Value Financing does not apply in the province of Quebec.
