

# 2007 F-150

## BOLD MOVES

## F-SERIES LEADERSHIP

The boldest, toughest F-150 ever leads the class\* in capability and choice. And with more trucks on the road with 250,000 miles than any other brand,\*\* there's nothing tougher than Ford F-Series. No wonder they've been the best-selling line of trucks for 29 years running.

**F-150 Strengths** Best Towing: 11,000 lbs. • Best Payload: 3050 lbs. • Best Selection of Models, Trim and Cargo Box Configurations • Best-in-Class Cargo Box Volume • Only Standard 4-Wheel Vented-Disc Anti-Lock Brakes • U.S. Government 5-Star Frontal Crash Test Rating • Most Capable Fully Boxed Frame

\*Class is Traditional Full-Size Pickups under 8500 lbs. GVWR and priced below \$38,000.

\*\*Based on vehicle registration data and latest odometer readings available to R.L. Polk & Co. for 1992 and newer model year full-size pickups still on the road in the U.S. as of 7/1/05.

## IMPROVING PERFECTION

A NEW DVD-based Navigation System option utilizes GPS to help you keep your bearings anywhere in the U.S. It features a 6.5" touch screen, points of interest, and intersection programming that calls out the names of approaching streets.

**A** F-150 compact disc audio systems include an auxiliary audio input jack so you can play your favorite tunes right from your personal MP3 player.

**B** The F-150 mirror lineup expands and improves with the availability of power-folding mirrors on LARIAT and FX4 (requires FX4 Luxury Package).

**C** 20" 6-Spoke machined-aluminum wheels now available on FX2, FX4, LARIAT and King Ranch® – these beauties give your F-150 a custom look.

### Optional SIRIUS Satellite Radio

delivers over 125 channels of digital-quality programming.

See your Ford Dealer or contact SIRIUS at 1-888-539-7474 for more information. (Available on select models.)

## 5.4L FLEXIBLE FUEL ENGINE

Ford Flex-Fuel Vehicles (FFVs) give you the power of choice. E85 or gasoline? As a no-cost option on the 5.4L Triton® V8, FFV lets you decide right at the pump. The F-150 FFV can run on E85 (85% ethanol/15% gasoline), straight gasoline, or any combination of the two – just fill up with your fuel of choice. The benefits of ethanol-based fuel are substantial: It produces significantly less greenhouse gas (GHG), it can be made from renewable domestic crops such as corn, and switching to E85 has the potential to reduce our dependence on imported oil. Ford is offering FFV technology to deliver these benefits to you.

### Electronic Throttle Control

**A** Standard on all F-150 engines, this drive-by-wire technology uses electronic servos instead of a mechanical linkage to control throttle actuation. The result is seamless engine response, optimal fuel efficiency and reduced emissions.

### Ultimate Backbone

**B** The F-150 is built on the most capable frame available in a full-size pickup under 8500 lbs. GVWR. This fully boxed frame is another reason Ford F-150 boasts the biggest payload and towing in its class.\* But that's not all. Innovative, class-exclusive cast-aluminum front lower control arms and outboard-mounted rear shocks, plus cab insulating mounts, combine to deliver a truck that rides and handles like, well, anything but a truck. Toughness and innovation: qualities that drive F-150 to the top.

### Raising the Bar

**C** F-150 earned NHTSA's (National Highway Traffic Safety Administration) top 5-star rating for the driver and the right-front passenger in the 2006 frontal crash category.

\*Class is Traditional Full-Size Pickups under 8500 lbs. GVWR and priced below \$38,000.

## FX2 SPORT

### DOUBLE TAKE

Here's the newest member of the Built Ford Tough line, and it's packed with great features that are sure to turn heads. New FX2 SPORT brings serious custom looks to its agile 4x2 drivetrain. Outside, monochrome paint, a billet-style grille, 18" FX2 SPORT-exclusive wheels, plus medium platinum-bezel headlamps, set the tone. Inside, captain's chairs, unique trim, and a flow-through console with floor shifter are center stage. FX2 SPORT is powered by a standard Triton® V8, providing all the force you need in town or on the open highway. But don't pass by too fast. Everyone will want a chance to take a second look.

FX2 SPORT  
gauge cluster

**Interior** Available in SuperCab or SuperCrew, optional black leather-trimmed front seats are embroidered with the SPORT logo and have red-stitched seams. A unique gauge cluster puts you in command.

## MOST VERSATILE PLAYER

F-150 XLT is the true all-around player in the F-150 lineup. It's available with every cab size, body style, box size and engine option, in 4x2 or 4x4. From the best-in-class interior volume of Regular Cab, to the spacious SuperCab and SuperCrew, XLT is ready to take on your busy life. Check out its long list of standard features to find out why it's the odds-on pick. If hauling and towing are high priorities, the optional Heavy-Duty Payload Package equips XLT to handle maximum loads. And this year, the new XLT Chrome Package\* lets you add even more style to one of the best-looking trucks on the road. Any way you look at it, F-150 XLT has earned its MVP status.

**Stare Factor** F-150 STX grabs the spotlight with a body-color grille surround and bumpers, plus 17" chrome-clad steel wheels and more. An optional Audiophile® AM/FM/6-disc in-dash CD system with MP3 capability and subwoofer plays pure digital clarity. A new auxiliary audio input jack on all CD sound systems lets you connect any compatible device. And choose SIRIUS Satellite Radio\*\* for over 125 channels of digital-quality programming, including sports, news, talk, entertainment and 100% commercial-free music. It even includes 6 months of service. Here's a truck that's about being seen, being heard and being tough: F-150 STX.

\* Not available on Regular Cab or Heavy-Duty Payload Package.

\*\*Factory-installed option. See your Ford Dealer or contact SIRIUS at 1-888-539-7474 for more information.

## THE DIRT ON OFF-ROAD

Back in the day, Henry Ford was off-roading before the sport had a name. And in the generations that followed, F-Series trucks have conquered badlands from the Huron Mountains to the Mojave Desert. Today, FX4 OFF-ROAD takes style and capability to new levels with rugged good looks and the off-road toughness of the most capable F-150 ever. For everything from serious rock crawling to cruising the town, FX4 is all the 4x4 you need.

**Vital Protection** Steel skid plates protect the front crossmember and transfer case, and a composite plate guards the fuel tank. FX4 is equipped for the extra punishment off-roading dishes out.

## YOU'VE EARNED A BONUS

As a reward for years of hard work and accomplishment, nothing says success like F-150 LARIAT. Outside, it's a great-looking pickup you'll be proud to have in your driveway. Inside, an impressive list of standard features makes it as comfortable for a night on the town as it is for workdays on the road. Already one of the best-equipped trucks out there, a wide array of options can make your LARIAT reflect your own sense of style. It's congratulations for your jobs well-done, and preparation for the work to come: F-150 LARIAT.

**Leading the Way** A NEW DVD-based Navigation System option utilizes GPS to help you keep your bearings anywhere in the U.S. It features a 6.5" touch screen, points of interest, and intersection programming that calls out the names of approaching streets (optional equipment shown).

## SADDLE UP

King Ranch® is a legendary 825,000-acre spread where one man still rides lead on the roundup. It's also the F-150 that lives and breathes the spirit of the West. This pickup boasts all the exterior appointments and interior comforts that make it top-of-the-line – but don't let the Castaño leather and fancy trim fool you. Only a truck that's Built Ford Tough is worthy of the "Running **WR**" brand. Ready for a Friday-night social or rugged days on the trail, King Ranch F-150 is crafted in the traditions of hospitality and hard work. You'll always ride tall in this saddle.

## THE RIDE OF YOUR LIFE

Built Ford Tough and Harley-Davidson have joined forces to create the ultimate 4-wheel freedom machine, the Ford Harley-Davidson™ F-150. From its sport-tuned shocks to its fat V-rated tires on massive 22" polished forged-aluminum wheels, this jam-packed SuperCrew is built for performance – especially when you select the all-weather, road-hugging capability of optional All-Wheel Drive. And there's plenty of "show" along with the "go," including a truckload of styling cues straight out of Milwaukee. Check out the chrome billet-style grille, tuned exhaust with dual chrome pipe outlet, and famed Harley-Davidson Bar & Shield logos in all the right places. It's time to mount up and ride in a rugged F-150 with a Harley-Davidson soul.

**Harley-Davidson Style** Bold spun-metal gauges with chrome surrounds and "Harley-Davidson" script communicate key information. The cabin features front captain's chairs trimmed in full-grained black leather, a high-gloss flow-through center floor console and a leather-wrapped steering wheel. Piano-black veneer, famed Bar & Shield logos, and a custom serialization plate say, "Let's ride." Climb in, turn the key and head for the horizon.

# MODEL LINEUP

Each series includes the standard equipment of the previous series, except where additions/exceptions are noted. Vehicles shown may contain optional equipment.

## **XL**

Argent front and rear step bumpers • Black grille surround, H-bar grille and front bumper upper fascia • Black manual sideview mirrors • 17" styled-steel wheels • Solar-tinted glass with fixed rear window • AM/FM stereo with clock • Visors with driver's-side strap and passenger-side mirror • Black vinyl floor covering • Vinyl 40/20/40 split front seat • Black urethane steering wheel • Tire Pressure Monitoring System (TPMS) • Display center • Rear vinyl 60/40 split flip-up seat (SuperCab)

## **STX**

Body-color front and rear step bumpers • Body-color grille surround and front bumper upper fascia • AM/FM stereo with single-CD player • 17" chrome-clad steel wheels • Cloth 40/20/40 split front seat with driver's manual lumbar • Front-seat center armrest with storage bin and cupholders (available Flareside model shown)

## **XLT**

Chrome front and rear step bumpers • Black honeycomb-style grille with chrome surround • Remote keyless-entry system • Power sideview mirrors • 17" chrome-clad steel wheels • Autolamp • Power accessory delay • Color-coordinated carpet and floor mats • Tachometer • Cruise control • Color-coordinated steering wheel • Power windows, including 2nd-row on SuperCab and SuperCrew • Outside temperature and compass display • Premium cloth 40/20/40 split front seat • Rear 60/40 split flip-up seat (SuperCab or SuperCrew)

## **FX4**

FX4 OFF-ROAD decals • Color-coordinated front and rear step bumpers • Black H-bar grille with body-color surround • Dark grey wheel-lip moldings • Black leather-wrapped steering wheel • Black rubber off-road floor mats • Sport cloth 40/20/40 split front seat with driver and right-front-passenger manual lumbar • 18" machined cast-aluminum wheels • Electronic Shift-On-the-Fly (ESOF) 4x4 • Limited-slip rear axle • Off-road tuned shocks • Skid plates – 2 steel (front crossmember and transfer case), 1 composite (fuel tank)

## **LARIAT**

## STANDARD FEATURES

### MECHANICAL

100,000-mile tune-up interval\*  
Electronic Brakeforce Distribution (EBD)  
Fail-safe engine cooling system  
Gas-pressurized shock absorbers  
Hood-open assist mechanisms  
Lightweight aluminum hood  
Maintenance-free 58-amp.-hr. 540-CCA battery with battery saver  
Power 4-wheel vented-disc brakes with Anti-lock Brake System (ABS)  
Power rack-and-pinion steering  
Spare tire with wheel lock  
Stabilizer bar — Front  
Stainless steel exhaust system (major components)  
Suspension — Front: long-spindle, double-wishbone coil-over-shock  
Tire Pressure Monitoring System  
Trailer tow — 4-pin connector

### SAFETY/SECURITY

Personal Safety System® for driver and right-front passenger — Includes dual-stage front airbags,\*\* safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver's-seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System†  
2-point front center restraint (SuperCab and SuperCrew)  
3-point restraints — All front-outboard seating positions, all rear-seat positions and Regular Cab front center position  
Alert chimes — Headlamps-on, key-in-ignition, safety belt  
Belt-Minder® safety belt reminder — Driver and right-front passenger  
Brake/shift interlock  
Fuel pump inertia shutoff switch  
LATCH — Lower anchors and tether anchors for child-safety seats  
Non-SIR restraints — Driver and right-front passenger (SuperCrew only)  
Seat-Integrated Restraints (SIR) — Driver and right-front passenger (Regular Cab and SuperCab only)  
SecuriLock® passive anti-theft system  
Side-intrusion door beams

### INTERIOR

Assist/grab handles — Driver and right-front passenger  
Coat hooks — 2  
Cupholders — Front, 2 on instrument panel (n/a with mechanical shift-on-the-fly) and 1 in each front-door map pocket  
Display center  
Front dome/map lights  
Front-door map pockets  
Gauges — Fuel, voltmeter, oil pressure, engine coolant temperature, speedometer and odometer  
Glove compartment  
Horn — Dual-note  
Power points — Front (all models), rear (in SuperCab and SuperCrew models)  
Tilt steering wheel

### EXTERIOR

Cargo box lamp — Integrated into center high-mounted stop lamp  
Cargo box tie-downs — 4  
Headlamps — Aerodynamic clear-lens quad-beam halogen  
Stake-bed pockets (n/a with Flareside or 5.5' box)  
Tailgate — Removable with key lock and Tailgate Assist™  
Windshield wipers — Intermittent

\*Under normal driving conditions with routine fluid and filter changes.

\*\*Always wear your safety belt, and in SuperCab and SuperCrew models, always secure children in the rear seat.

†Right-front passenger seat only.

**New Vehicle Limited Warranty**

We want your Ford F-150 ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

For more assurance: There's now a 5-year/60,000-mile powertrain limited warranty that's fully transferable, has no deductible, and provides you with an additional 2 years or 24,000 miles of coverage — on select components, including the engine and transmission — beyond the standard 3-year/36,000-mile Bumper-to-Bumper Coverage. Plus, Roadside Assistance is extended to 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details, or check us out at [www.fordcredit.com](http://www.fordcredit.com).

Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at [www.fordvip.com](http://www.fordvip.com) for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

For a purchase or lease, the Ford **Extended Service Plan (ESP)** gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.
