Our Sons & Daughters Event

What is a Black Type Pedigree?

A **Black Type Pedigree** page can be likened to a horse's resumé. Besides the horse's name, registration number, foaling information and 3-generation family tree, one can see at-a-glance the outstanding performers in a horse's family line, along with how this horse compares to other horses.

Both breeders and buyers seek horses with a Black Type Pedigree. A buyer can make a better buying decision and thus get the right horse at the right price.

Borrowing the idea from the racing industry, Robin Glenn of [Robin Glenn Pedigrees](#) developed the Black Type Pedigree system for the Western Performance horse market.

How do I read a Black Type Pedigree?

Black Type refers to the boldface font used to highlight the significant and verified achievements of the performers in a horse's family line.

A horse's name in **BOLD CAPITAL LETTERS** refers to Breed World Champions, NSBA World Champions, AQHA / APHA / PHBA Champions, Superiors, NCHA Bronze / Silver / Gold / Platinum Awards and/or money-earners of more than \$10,000.

A horse's name in **Bold with the First Letter Capitalized** refers to Reserve World Champions, Congress Champions, AQHA Select World Champions, High Point Horses, AQHA / APHA / PHBA ROM's, NCHA Certificates of Ability and/or money-earners of more than \$1,500. All other performers appear in regular type.

Also, if a horse is said to be a **Brother** or **Sister** to another horse, this means they are a full sibling sharing the same sire and dam. If a horse is said to be a **Half Brother** or **Half Sister** to another horse, this means they share the same dam but have a different sire.

Started right on the ground and under saddle he has all the groundwork and foundation with 30 days under saddle to back it. By the sale date, he will have 60 days under his belt. Never offered anything from day one. He can w/t/l on a loose rein, with more whoa than go and is ready to be finished your way. He is a friendly, in-your-pocket type of guy. He is easy to catch, comes right up to the gate, and gets along well with everyone. Fairly easy keeper. Would do best with a more experienced rider, or a handy kid as he is only green-broke. Poncho
2018 Grade Leopard Appaloosa Pony Gelding
Bar W Guest Ranch Whitefish, MT

Poncho is a stout pony that stands 13.2 hands and is very eye-catching with his leopard pattern and unique coloring. Poncho has a playful and curious personality, he's very friendly and loves people. He's the first horse to come up to you in the pasture and follow you around. Poncho is still green, but he has a great start on him and rides around like small horse. He'll catch you. He'll lope nice circles, is just starting to learn his leads, and he's developing a great stop. He gets along well in a herd and will hold his own against bigger horses. We've trail ridden him and used him to move cattle around the arena. He's been exposed to tarps and ropes and wasn't bothered a bit. He could be a good prospect for a heeling or breakaway pony for a handy kid to take on, maybe even a nice little ranch horse. Or just make him a nice little family horse with a little more time and age. He's got a lot of potential to make a nice little using horse. He's got nice hard feet, and we've used him barefoot and shod, but he does need a little more work on patiently standing for the farrier. Loads and hauls. Stands tied. UTD and sells sound. Dandy is a coming 4-year-old square and stout gelding that is going to make someone a really nice horse. His papers read like royalty and under saddle he has the goods to back it up. He has been rode at the sale barn penning cattle, working gates, loading trucks, and putting together loads of cattle. Dandy has also spent a little time in the arena pen roping calves and has drug the tire around. All the foundation is there for this guy to move on and get in the branding pen or get finished in the roping pen. The great outdoors isn't a problem for him either, he crosses water, walks trots and lopes out on a loose rein, and takes all the obstacles I've thrown at him in stride. I would recommend an intermediate rider for him as he is a little watchy on the ground and he is young, but after a few more years of maturing he has the laid-back personality to be a beginners mount. We've used Radar extensively treating yearlings, dragging calves in the spring and checking health in the feedlot. From dragging bulls on the trailer to pushing the shipping alley there's not a ranch job Radar hasn't done. BULLDOGGING & RANCH HORSE!! Grey is an absolutely perfect gentleman. He thought my son how to bulldog for High School Rodeo and couldn't have been a more perfect match. He is quiet in the box every time and has a perfect score. If you aren't bulldogging in the arena take him out and go branding. He is the perfect babysitter for anyone one learning how brand and steps it up for any experienced roper. We have doctored cattle on him and if you put him in the gate to sort cattle he won't let a single cow go by that isn't suppose too. He does require maintenance in his fronts with monthly adequan and feet must be kept short. If you are looking for an amazing bulldogging horse or just a great companion for all aspects of the ranch this is your horse. VIDEO: Contact Seller. FMI: 530-941-1613. Coggins.

Rooster
2017 Grade Red Roan Gelding
Klay Gray Volborg, MT

Rooster is an all-around using horse standing 15hh, anybody can ride him. Rooster has been my go to horse for years, I've owned him since a yearling. You name it, he's done it. All the ranch work you can think of. Drug calves, doctored in the pasture and feedlot. Roped everything from calves to bulls. Been hauled all over and used in rodeos and ranch rodeos. Solid heel horse that scores great every time and puts you right where you need to be. Started on tie down calves and will work a rope with ease. Not a calf on this planet that can out run him. He is snappy on a cow and very fun to sort on. Solid as they come, same horse with 6 months off or rode consistently. Zero buck ever, does not get fresh, no funny business, kick buck rear or bite. Rooster has been used at the sale barn, will get gates with ease. Meets you at the gate every day, in your pocket type of horse that loves attention. Great black feet on all 4, stands good for the farrier. Big motor and will never quit you. Very sure footed and will go anywhere you point him. No spook, he doesn't get bothered. Stands tied quietly, stands quiet to saddle and pulls a deep cinch. Rides around in the bridle; stop, back, side pass, spin. Would be a stand up all around horse for anybody. Call with any questions I'd love to tell you all about him! VIDEO: <https://youtu.be/ViLQWe9PGp8?si=jPZ7cIPTQPrDI7c8>

From work at the feedlot to leisure rides on wagon train, and from pasture gathers to going-to-town strolls, he is not one who likes a day off. Wyatt is well broke and has been started in the box. He has a solid neck rein, amazing stop, good rollback, moves off leg pressure, knows his leads and is hobble broke. He is an in your hand kind of horse, so take him and use him, as that is what he wants. Wyatt enjoys a solid day's work and the consistency to go with it. 2015 Grade Blanketed Appaloosa POA Gelding
Bailey Knepper Rusk, TX

13.3hh. If you're looking for a large pony that has a personality, heart of gold and a great mind, look no further! He's been trail ridden over 100 of miles with us, ridden at the barrel races, halter broke yearlings and packed all around. Peyote is the ULTIMATE trail partner. He is sure-footed, confident and safe when going down the trail. He goes anywhere you point him with no hesitation. No water, obstacle, or sketchy terrain phases this guy! He will ride in a group, or out alone and in the back or front of the pack. He is the perfect candidate for a trail rider looking for something reliable that has a ton of trail miles. In the arena, Peyote is a solid, more woah-than-go, mount! He knows his leads, how to side pass to objects or to open gates, and pivots on his haunches. He will transition on seat or voice commands. He is fully desensitized to tarps, blowers, dragging logs, and much more! If you can think of it, we've probably done it! He knows the barrel pattern as well and would make a great goat tying and roping pony for a little buckaroo. He lays down on command, side passes to the mounting block or the fence to be mounted. WIDOWS TWO MOONS – This is quite possibly the most athletic horse we have ever owned. He is capable of using himself in ways many can't. Huge stopper. Well started in the breakaway, and absolutely worth spending a summer to season him. Widow is super quick footed, cowy, smart, and he can run as well. We have used him on the forest and in the arena both. He knows what a hard day is, can sure get through the rocks brush, down timber, water, etc. Stands 14 hands, which sure makes getting on and off him nice! Adequate bone and foot for his size as well. He is dirty tough he can take a big circle and be ready again tomorrow. Big motored horse but yet he is kind. VIDEO: Contact Seller. FMI: Becky 208-221-1090. Coggins.

OLENAS ADUALIN BOON – Boon is an outstanding cutting horse. He stays very honest, doesn't require much tuning, and is very fun to ride. Boon is a multiple time High School National Qualifier and a State Champ in the cutting pen. He is started in the barrels and poles. Boon will sort cattle, cross creeks and rivers, doctor and rope calves in the pasture, and you can open gates on him, making him a deluxe ranch horse that will go all day. Boon is a very in your pocket type of horse. He loves attention and will come running to the gate to greet you. He has great ground manners, stands tied, saddles nice and is good to trim/shoe. Boon will get along with other horses just fine and is a very easy keeper. With all that said, Boon is looking for his next loving performance home! Boone

2013 Grade Palomino Gelding

Ward Simonton Watford City, ND

Boone is built to work and get you noticed. If you are in the market for a ranch or rope horse prospect, look no further. He is one of my favorites at the moment to use to sort cattle at the sale barn, load trucks with, or move cattle around on. He is quick footed, bright, and walks out like a working person likes them to. He's unfazed by flags whipping, loud noises, rattle paddles, you name it. He has drug and worked the tire and I don't think a person could find a better horse to take into branding season this year. While he is the working cowboy's ideal mount, he would be best suited for intermediate riders and up as he can be fresh with time off and is forward looking for a job. VIDEO: Contact Seller. Yankee is a dark bay TB gelding. He is registered with the JC Club, has a lip tattoo and ran a few races. As the papers are currently lost, he is selling as grade. If the papers are found by sale time, they will go with him. Yankee stands 16 hands and is a good sized friendly gelding. He has mainly been used as a guide horse leading trail rides. We were told he was used as a lesson horse by previous owners as well. Yankee will ride with a group anywhere in the string, and is suitable for an intermediate rider. Doesn't get fresh with time off and has never been cold-backed or offered to buck while we've had him. He is easy to catch, stands tied, trailer loads, and is good for the farrier. This big blue roan could go a few different directions in life. He has been hauled all over as a trail mount, including a big trip in Utah, and then has gone and turned steers in the arena. He has also taken care of an older lady at a Josh Lyons horsemanship clinic. Take him to the sale barn and he bullies cattle into going where you want. He has also ponied 2-year olds out in open country and doesn't bat an eye as they kick up their heels beside him. As one would expect to keep up with all these activities, he does have a motor on him and due to that I would suggest an intermediate rider. He has seen a lot in his first 9 years of life, now he is ready for someone to enjoy the rest of it with him. VIDEO: Contact Seller. FMI: 660-654-2575. Coggins.

14.3 hh and stout with a good solid foot under her. Super sweet and quiet disposition, a true sweetheart to be around and ride. Turns around super soft and smooth, very well broke. Rides out in the hills and perfectly at home in the arena too. She's seen lots of miles in the hills, ponied colts, pulled the sled in winter, all sorts of light ranch work. My wife and 4 year old daughter both ride this mare and get along great with her. She's the type you can throw anyone on when they come for a visit or let the kids ride around the corral. Walk out in pasture and catch her and ride her back bareback with the halter. No vices stands for farrier, bathes, will stand tied all day, saddles up great. 14.3 hands and is built thick. We haven't used her much the last couple of years, due to having too many horses. She was used as a guide horse for one season but then she was turned out to pasture all of last year. We pulled her out this winter and have been riding her since then. She hasn't been cold-backed or offered to buck since we've been riding her, but she would still need an experienced hand right now. With consistent use she would make a nice trail horse. She's easy to catch in a pen, can be a little harder to catch turned out in a big pasture. She's not spooky and is easy going. She been kept in a large herd with mares and geldings and doesn't cause any problems. She neck reins and is smooth to ride. She can be fussy about standing to have feet done. She stands tied, trailer loads, is UTD and sells sounds. VIDEO: search @BarWHorses on YouTube. FMI: 406-471-2900. Coggins.

If you are looking for a solid using horse he is your guy. I've used him for all aspects of ranching from shipping to haltering colts to gathering mares and colts. Prince is a handsome buckskin with the potential to take in many different directions. He has had some quality time in the arena and is a beautiful mover with a nice walk, trot, and lope and low head-set. He has ridden out on the ranch over the past year to check cows as well as roped a few steers. He has taken all these new experiences in stride and with a willing attitude. This gelding is still green and may be comparable to a 3 year old. I would not consider him a kids horse but for a rider used to working with young horses. Some of the buckskins mane hair has been rubbed on and is shorter in some areas than in the summer photo. Please see youtube video below for more visual details. Joker
 2008 Grade Buckskin/Dun Gelding
 Bar W Guest Ranch Whitefish, MT

Around 15.2hh. Joker is that flashy cowboy color and thick made with good solid bone. He's mostly been used for guiding trails the last few seasons and he is a great trail horse! We've also used him to herd cattle and drive horses, and you can pony on him as well. Joker has a big motor, a lot of speed and absolutely no quit. He rides out alone great, and will ride with a group but prefers to be out front. He has a nice one-hand neck rein, will move off your legs and is a handy horse to ride around. Joker is not suited for a novice rider as he does have a lot of go and wants to get somewhere. He is the same horse with any amount of time off and won't get fresh or cold backed. Ride him barebacked or saddled. You can ride him in a halter, bridle or bosal. He is a perfect gentleman to handle on the ground. Great for the farrier. He bathes, loads, and hauls great. Toss him into any herd and he'll get along without causing trouble. Joker does have an old cosmetic scar on his right front coronet that extends down the hoof, but he's always been sound and it has never effected his ability to carry and hold a shoe. He also has an old scar on his tongue that healed crooked and causes his tongue to stick out some. Again, just cosmetic, it does not affect his ability to eat or carry a bit. No spook, buck, bite or funny business and he is up to date on worming and vaccinations. VIDEO: Search @BarWHorses on Youtube. FMI: 406-471-2900. Coggins.

Budweiser is a great horse. He is very well trained with a long resume. Budweiser has done all aspects of ranch work including calving cows, roping at brandings, pasture doctoring cattle in big country and moving and checking cattle. Budweiser saddles up great in all seasons and weather conditions. He has been hauled and is use to all the sights and sounds at big events. He has packed the flag in parades and at large PBR events. He has competed in the barrels and poles. Budweiser has a fancy handle, is smooth to ride and has an excellent stop. He is really fun and enjoyable to ride. Budweiser has been used to pony colts and run a flag at clinics and while starting colts. Budweiser is a go to horse for any and all tasks, he is super handy to have around. He has no vices or issues and has always been sound. We raised him and own both his sire and dam. We also raised both his sire and dam. All ages of riders have ridden Budweiser in all kinds of playday activities as well as out across creeks, ditches, roadways and mountain terrain. He is very surefooted with nice big round hooves, lots of structure and comes from longevity bloodlines. Budweiser is a sparkling red roan color with a silver streaked mane, he really stands out. He is easy to catch and loves treats. Budweiser's cute personality and his great training makes him a dream horse. Two of his 1/2 brothers were top sellers at February Billings last year. And his dam has also produced one of the record high selling ranch horses. Budweiser has always been well looked after and kept up to date on deworming, dental and farrier. He can be kept barefoot or shod your choice. He is about 15.2hh and the hard to find kind. Budweiser has lots of great future ahead of him. Videos on Facebook, YouTube and Tik Tok WM Horses. BLACK TYPE/EXTENDED PEDIGREE ~ ONLINE SESSION – FAJITAS N PEPTO □– 2021 AQHA Bay Roan Gelding x Cat Smart Boonsmal x CTR Peptolena out of Hold The Pico x Lena Fajita. Taquito is another of our home bred and raised geldings by Cat Smart Boonsmal. I raised his dam out of a mare my dad raised and gave me when I was a kid. This gelding has been bred to have the brains and ability to suit anyone. He has always been super easy to handle and always been gentle. THIS PERK CAN STREAK – Gypsy is a finished barrel horse. Easy to run, no ally/gate issues, walks in flat footed. Doesn't hit barrels, but wraps them tight. She is gritty and gets really low in her turns. Very smooth to ride. She is nominated into Diamond Classic, Future Fortunes, TC100, Select Stallion Stakes, WPRA PESI, eligible for many more. Great to catch in big pastures, easy to bath, clip, haul, shoe. Very friendly type mare. Been ranched on, roped and drug calves. Can be laid off with no buck. She would fit just about anyone. She goes whatever speed you ask of her. A great broodmare down the road. VIDEO: Contact Seller. FM: 435-230-5658. Coggins. FC101

Ozzy has been tie-down and breakaway roped on extensively by longtime owner Chase Lako, accomplished PRCA tie-down roper. He has been taken to a few breakaway roping jackpots and worked great. He's also been heeled on a ton at home and truly thrives in this position. Easy in the box, cows down in the corner, and stops huge! Haidas Smoke N Shine is a handsome and athletic gelding that has potential to be used for performance events or on the ranch. He loves to go and has a big motor but also is soft in his mouth and supple in his body. He has been ridden in the arena a bunch and over the past year has spent time riding out around the ranch to check cows or water. This may be a nice barrel prospect for someone although I have not taken him at his top speed during training. Last year a college age girl who barrel raced and break away roped on the college rodeo team was helping ride this gelding and he was her favorite horse to ride. He can get a little hot, but has always been good to control even when he would love to go faster. He has the breeding and talent to use in different disciplines. Although I would not categorize him as a kids horse, he would do well with someone who knows how to ride an athletic horse. Currently this horse has winter hair, compared to the photo taken in the summer. VIDEO: <https://youtube.com/shorts/4Ro4Fsh3J4A?feature=share> FMI: 208-961-0990. Coggins.

If you are looking for a been there done that kind of horse, Golden is your mare. She is absolutely gorgeous and anyone can get along with her. No silliness with this one. She is a finished head horse and could easily teach a youngster to rope. Golden sheds out in the summer time to be a chocolate palomino and check out her dapples! This is one that you can't go wrong with no matter what direction you want to go. She has had one foal for us and she was a great mother and her colt was the nicest one of that foal crop. She foaled later and so we did not get her back in foal. Would make a wonderful addition to a breeding program also. A proven mare with a great pedigree always makes babies with great value! Has a big natural stop! Smoke is quick, catty, sensitive and very responsive. He rides light in the bridle and off of leg. Knows a hard days work, he sorts and gathers cattle with ease and experience. Smoke is my main using horse, he is sweet and gentle. He has excellent ground manners, hauls, loads, and stands well for the farrier. He has been used in the stockyards and outside in rough country. He is sure footed and ground ties like a champ. Smoke has tracked calves, and has dragged posts. He is no stranger to a rope or stock whip. Talk about that old school classic with style. This 14.3 hand blood bay gelding we have owned since he was a colt is a barn favorite. He is a blast to ride. He lopes correct circles, side passes to open gate, moves nicely off your legs and is soft in the bridle. Been in the hills and woods. He maneuvers trail obstacles with ease. Not only does he have style he came from the legendary Cudd ranch in Oklahoma. He is a pleaser to work with. He has been started on the heel side and is coming along awesome. I like him and you will too. Been rode by children also. PPE welcome at your expense prior to the sale. VIDEO: <https://youtu.be/QesD3WTdQAI> FMI: Emanuel 307-281-2273. Coggins.

Alice is a been there done that kind of mare. She has been used for absolutely everything on the ranch and is always my top pick for corral work. I have hauled this mare everywhere with me, from catching wild cattle in the mountains of California to the team ropings in Arizona. She may not be the biggest, but this mare has a huge heart and no quit. Use her on the ranch, haul her to town to the jackpots or head for your favorite trail riding destination. Alice is excellent to saddle, bridle, shoe, bathe, and loads without a problem. Current on dental, wormer and all vaccines. This mare is extremely gentle on the ground, but she can be cold backed with too much time off. Please reach out to me prior to sale day for further information. VIDEO: Contact Seller. Fortune has the makings of a top performance horse with her incredible stop and smooth, fluid stride. Fortune is a sweetheart, a nice handy size at about 15hh and super cute. She has been ridden outdoors and indoors and saddles up great in all seasons. Fortune has no bad habits or vices and has always been sound. We raised her and own both her sire and dam. Her sire Slicks Back In Black is a FULL sibling to Cayla Melby's winning mare "Slick N Black". Hailey Kinsel ran Slick N Black at this years NFR. And Cayla also placed on her at every major Futurity. She also ran and won at Pink Buckle as both a Futurity and Derby horse. And also ran at The American AT&T Stadium. Many other accomplishments too numerous to mention them all. Fortune is a sweet filly, just coming into her prime. We expect her to be a winner, with her wonderful disposition and ability, her future looks bright. SMOKIN TANGO – Tango has been started right and is used in our everyday string. We have used this horse for just about every aspect of ranch work and used him all over the sale barns. Tango has been exposed to cattle, trains, loud speakers, flags, paddles, dogs and anything else you can think of. You would never know this horse is 3 unless you looked at his papers, he rides like an old broke one. He has a soft one hand handle and a very nice stop. He will lope pretty circles in both leads and has had a lot of rope and cattle exposure. He's not only handy he's absolutely as gentle as they come. You can catch tango out wherever you put him, he's great for the farrier, and he has never offered to hump for buck. This horse can sit with time off and he picks up right where you left him. If his good looks and soft handle don't catch your eye than his pedigree will. Tango will fit in with anyone's program and any rider will get along with him, he's sells 100% sound in every way and if you don't like him bring him back. Charlie is a papered gypsy/quarter horse gelding standing 16 hands. He is out of a gypsy mare, and a Dash Ta Fame bred stud. This guy is unbelievable. He is a horse that can be left for long periods of time without any worry of being fresh, rides into any job head on, and is gentle enough for anyone to ride. This athletic gelding has been to town, been to the auction mart, made countless miles on the ranch, works a rope, works a cow, chases horses, and does it all with a smile on his face. Trail, ranch, or arena, he will never disappoint. He is the first one to meet you at the gate, and has great barn manners. If you are looking for a safe, flashy, handy gelding you won't beat Charlie. Check out his video, come see him in Billings, and give me a call with any questions. VIDEO: <https://m.youtube.com/watch?v=7iBsBfusM7Q> FMI: 780-210-2503. Coggins.

He has an extensive ranch horse resume with a true work ethic and quiet demeanor. He will take care of a timid rider or step up the pace for Dad. Respectful, honest, and willing... he meets you at the gate in the morning and always has a good attitude. Walks out free to cover the country and is very smooth gaited. He has been used at some ranch rodeos, smart, cowy, roped both ends in the arena and is broke enough you can do about anything you want on him. "Ricky Bobby" is the special kind that needs a little girl to raise, he would be an ideal all around horse for a handy kid. He is kind and honest, yet has the athletic ability to help you be competitive also. Good to shoe, stand tied quietly, bath, load in any type of trailer, polite to saddle/bridle, hobbles well, etc. The perfect horse for a weekend trail rider that wants a safe, easy ride that is the prettiest one in the group! PRAIRIE PRIDE CASH—Cash, a very elite gelding. He has done all general ranch work, trail, moved cattle up alleys, drug calves, at the branding, tied off during pasture roping and is the one you can count on to get the job done. He has lots of size, bone, wither, color, quiet temperament, depth and substance. When you go to catch him, he meets you at the gate. Working cows, he displays keen interest in watching a cow and tries to get the sort. He is great with the rope when roping and holds a rope good on a nord fork. You can ride him over tarps, through creeks, up and down mountains, he has seen it all and handles it well. The dogs around the ranch don't bother him as they shuffle on by his legs. He loads, shoes, and ties well. If you are looking for an elite, gentle gelding for anyone, look at Cash. Look at Little Big Ranch on Facebook for more videos and information. Jeffery is an extremely talented mule. He spins hard and will slide to a stop. In 2023 he was the champion of prestigious Missouri Mule Makeover. He has been trick trained to lay down, sit, jump a fire ring, and load into the box of a truck. He crosses rivers, climbs mountains, pushes through timber all without hesitation. He is one of the grittiest mules out there. He still struggles on the ground with being nervous. He is not easy to catch, gets better when you build a relationship with him. Very Classy Gelding. RJ is calm, beautiful and well bred. This smooth moving guy has an incredible elegance about him. RJ has a champion proven pedigree and the versatility of an all-around horse. He has been exposed to the sights and sounds at various pro rodeo events and hauls excellent. His calm, smooth movement makes him a real treasure and a pleasure to ride. RJ has no vices or issues and has always been sound. He saddles up great in all seasons and weather conditions. We raised him and own both his sire and dam. RJ is out of a direct daughter of Heza Fast Man. His dam, Fast Dash Rose, was bred by the famed Stanley Ranch, who also raised First Down Dash. RJ rides very fancy and goes the pace you ask. He is easy to haul and has handled the fireworks, midways and other distractions wonderfully. RJ can be kept shod or barefoot, your choice. He crosses bridges, rides nice in the pasture, down roadways and trails and been used to gather cattle. He is a rich liver colored bay that absolutely glistens and is about 15.2hh. RJ is definitely one of a kind. Whether you are showing, pleasure riding or wanting to perform, RJ is exceptional. Videos on Facebook, YouTube and TikTok WM Horses. 2019 Grade Red Roan Quarter Pony Gelding

Ervin Miller Hulett, WY

Strawberry is that perfect kids pony. Super gentle and kind. He shows that good old foundation breeding of his sire, Okie Blue Eagle who goes back to Wyo Blue Valentine. He is built like a quarter pony should be, he looks like a little horse but only 49" tall. He is broke to ride and drive. The kids have rode and drove him all over the ranch. Gentle enough for the most beginner, has a smooth slow lope making him easy to ride. The kids have roped like cattle on him and he has an awesome disposition, willing to do anything you ask of him. He goes through the obstacle course with ease and is not bothered by anything. Super laid back and easy going. He is also taught to lay down on cue. PPE welcome prior to the sale at your expense. Jenga
Around 2016 Grade Chestnut Pony Gelding
Troy Jenkins New Plymouth, ID

Jenga is a cute pony that had a nice start under saddle. The ranch purchased him after he had been trained, but he never got ridden. The kids have outgrown him and he has been sitting for a few years. Jenga is a tough little guy and is happy to live with other ponies or with big horses in the corral. The picture was taken in the summer, so he is now covered in winter hair. His mane is also shorter in places. Please see the Youtube link to view his experience under saddle. Approx 15hh 1150lbs. Nice, clean, straight legs with good bone and solid black feet. This mare is very classy with great attitude and looks to match. Jet black, not a speck of white on her, she is a real head turner. Fancy broke with a lot of buttons. she is very user friendly and will suit most riders. Easy to catch, bathes, ties, clips, stands for farrier and jumps right in the trailer. She would be great for lessons or to show, use her on the ranch or have one Cadillac of a trail horse. We've put a ton of outside miles on her and she's right at home in the arena both western and English. A real quality mare that you can't find every day. Sound sane and healthy no blemishes or vices. Stands 35 inches tall. She is cute as a button. She has the kindest eyes. She is almost spook proof and at such a young age imagine what she will be like in a few more years. Rosie has never offered to buck nor bite. Every single bit of her training has been by three little girls. When friends come over the girls put them on Rosie because they know she will take care of them and if they fall off Rosie will just wait for them to get back on. She can be ridden with a bit, a halter, bareback or with a saddle. Your choice. Rosie also has an identical half-brother that will be in the sale also. His name is "Short Round." The two of them would make a great team. For more pictures and videos please go to Braska Pony Training on Facebook. VIDEO: Contact Seller. FMI: 517-983-0912. Coggins.

Sylvester
2011 Grade Gray Gelding
Bar W Guest Ranch Whitefish, MT

14.1hh. This is a nice, broke gelding that's fun to ride. Neck-reins, moves off your legs, rollbacks, and has a good stop. Don't let his size fool you, he'll keep up with bigger horses and leave them in the dust. Sylvester is very athletic and has a lot of speed. He is lightly patterned on the barrels and has been hauled to a handful of rodeos. We were told he was used to ranch on, but we don't do much roping and never tested that out. But he has good cow sense and has been used for some novice team penning. He would make a great penning and sorting horse, omoksee horse, or with a little work has the potential to be a great heel and breakaway horse. Not a mean bone in his body, very personable and the first horse to come up to you in the pasture. He is very responsive, quick on his feet and has more go than whoa, so not for a timid or novice rider, but is good with time off and doesn't get fresh or offer to buck. Sylvester rides just as nice outside the arena and has been used to guide trails the last few seasons. He is good with his feet, been shod, stands tied, and loads and hauls good. He does have a small scar on his nose with a bump but it is cosmetic only and causes him no issues. Looks like a halter was left on him to long as a colt. Sylvester is up to date on worming and vaccinations and is just a really nice all-around gelding ready for whatever you want to try your hand at. VIDEO: Search @BarWHorses on Youtube. He adapts well to new experiences and he hauls, loads and travels excellent. Teddy Bear has had young children on him and he loves attention. We raised him and own both his sire WM MR.
