Welcome to the 56th Academy (May 26 – June 28, 2019)

Who should attend? The Academy is particularly valuable if you are a lawyer from outside the U.S. who works for a multi-national corporation or for a law firm that represents either U.S. clients or multi-national clients with U.S. interests. The Academy is not intended for the highly experienced international lawyer.

If you are a corporate General Counsel or Law-firm Managing Partner, here's what you can expect by sending someone to the Academy:

- **A practical introduction of the U.S. legal system and international business law**, including topics that range from international business transactions to legal writing and international litigation. The instructors are expert law professors, judges, and legal practitioners (see page 19 for an introduction to many of this year's Academy faculty and pages 20–21 for a list of topics).
- **A worldwide network of business contacts**
- **Increased awareness of the dynamics of international business** by developing relationships with classmates from more than 20 countries across the world.
- **Five weeks of first-hand experience in U.S. culture** in a variety of contexts, ranging from law firm receptions to a Texas Rodeo.
- **Sharpened language skills through immersion in English.**

Go to page 2 to explore your pricing options.

If you yourself are thinking about attending the Academy, consider these additional benefits:

- **Learn through a variety of interactive sessions**, including a mock civil trial, a law firm simulation, and negotiation simulations.
- **Earn recognition as an Academy Fellow** – In addition to the Certificate of Participation that each participant earns by attending class each day, you may also earn a certificate as an Academy Fellow by taking and passing a series of short exams during the Academy.
- **Enjoy a variety of extra-curricular events that all will attend**, including a professional baseball game, a rodeo, law school and law firm receptions, an international food festival, tours of Dallas and Fort Worth, and an end-of-Academy talent show. In addition, local hosts may invite you to join them at concerts, museums, lectures, sporting events, restaurants, or nightclubs. One Academy alumni called the Academy “the best experience in my life.”

About Us, Membership, and Tuition

For the past 55 years, the Academy of American and International Law has been presented by the Southwestern Institute for International and Comparative Law (SWIICL), a division of The Center for American and International Law (CAIL). CAIL, founded in 1947, is recognized as a major national and international forum for continuing legal and professional education.

SWIICL seeks to promote the rule of law in international transactions. The Institute emphasizes business transactions with programs focusing on practical issues that confront lawyers, business executives, and policy-makers in the international community. Lecturers are drawn not only from academia but also from the world of international law practice.

The Institute's **Symposium on Global Markets** and its **Academy of American and International Law** are offered annually. The Symposium serves as an important annual forum for lawyers, business leaders, and government officials to learn about recent developments in international and comparative law. The Symposium facilitates an understanding of the increasingly complex laws and political realities that influence international business relationships. Academy participants attend the Symposium as part of the Academy curriculum.

SWIICL has also launched other programs for international lawyers. SWIICL's members are corporations, law firms, and individuals from around the world. Together they form a network of international legal professionals who serve the legal community and the rule of law.

SWIICL invites you or your organization to become a member. The range of membership levels makes possible the inclusion of virtually every organization or individual, resulting in a rich geographical, ethnic, and cultural diversity.

Fellowships

Victor Folsom

Victor Folsom Fellowships – The Center for American and International Law may award one or more annual Victor Folsom fellowships to the Academy of American and International Law.

Please keep in mind that fellowships are very limited and do not cover travel or hotel expenses. To help ensure diversity within the Academy class, fellowships take into consideration the home country and region of the candidates.

Applicants will be evaluated on their career and educational achievements and the diversity they bring to the Academy. The Admissions Committee will select recipients from among the Academy applicants. **There is no need to apply for this fellowship because every applicant will be considered.**

Victor Folsom and his wife Vicki were long-time supporters of CAIL and its Academy. Mr. Folsom chaired the Advisory Board of SWIICL and lectured for many years in the Academy. He had an opportunity to meet and know many Academy participants and developed friendships around the world. Through the Folsom's generosity, the Academy experience has been more readily available to future generations of international lawyers.

The Storey Award

The Robert G. Storey International Award for Leadership is named after Dean Robert G. Storey, the founder and first President of CAIL. Among his many roles, Dean Storey was President of the Center, Dean of the Southern Methodist University Law School, and President of both the American Bar Association, and the Inter-American Bar Association. In recognition of his dedication to peace, justice, and the rule of law in the international community, CAIL has established the Robert G. Storey International Award for Leadership.

Dean Storey

Since 1990, the Storey Award has been presented to 16 former participants in the Academy of American and International Law who have exhibited the qualities of leadership and integrity embodied in Dean Storey. Here is a list of the Storey Award Recipients and the year they attended the Academy:

- Marcelo B. Fernan (Academy class of 1974), later to become Chief Justice of the Philippines
- Mochtar Kusuma-Atmadja (1968), Minister of Justice of Indonesia
- Antonio Brancaccio (1967), Chief Justice of Italy's Supreme Court of Cassation
- Sergio Abreu (1980), Minister of Foreign Affairs of Uruguay

- Enzo Moavero Milanesi (1983), Italian Minister for European Affairs

Visa Information

We do not provide legal advice regarding U.S. immigration requirements. The following is provided as general information only, based on our prior experience and not as legal advice. We therefore recommend that you consult with an immigration attorney if you have any questions or require advice.

Because the Academy is not an accredited institution of higher learning, it does not qualify for a Student Visa. We understand that a number of participants have successfully applied to the U.S. Consulate for a B-1 Business Visitor's Visa instead.

Consulates have their own particular views and requirements for the B-1 Visa. So, we have found it is best practice to check with the particular Consulate that has jurisdiction for your place of residence for specific requirements and procedures. This appears to be even more important today, in light of the current U.S. Administration's stricter approach to immigration matters.

In our experience, some Consulates have required evidence that the visa applicant has no prior criminal history and evidence about his/her family members. Also, the manner in which payment must be made may also vary from time to time at the same Consulate. Consulates have also required evidence of the following from prior Academy participants:

- Documentary proof of ties to the participant's home country and intention to return to the home country. Academy participants have provided deeds to property, contracts for services either to be rendered or received, and letters from relatives or an employer as such evidence.
- More particularly, letters from the participants' employers have stated the participant's name and address, how long (s)he has been employed, that (s)he will be returning to work for the employer following the Academy, why the employer supports his/her attendance at the Academy, and what the employer hopes the participant will gain by participating in the Academy. In cases where the employer was responsible for the costs of travel to and from the United States, the letters have also included that fact also. When participants have been self-employed, the letter have explained the nature and size of the participant's business as well as his/her ties and obligations to the business and community.
- The letters of support from employers and relatives have correctly described the Academy program as an extended business-related and continuing legal education conference for legal professionals.
- Because the Academy is in the nature of an extended continuing legal education conference for foreign attorneys who have previously completed their degree studies, we do not issue a Certificate of Eligibility which is a requirement for a student visa. Like previous Academy participants, you will, however, be able to submit to the Consulate a copy of your letter of admission to the Academy.

We understand that personal interviews are very often required and that processing times can be lengthy given the work load at many Consulates. It is therefore best to commence the process early so that there is adequate time to schedule and complete the interview. Please keep Academy staff informed about your progress in obtaining a visa appointment, completing the interview, and obtaining your visa.

Your Arrival in Dallas

Inside a terminal of the Dallas/Fort Worth Airport

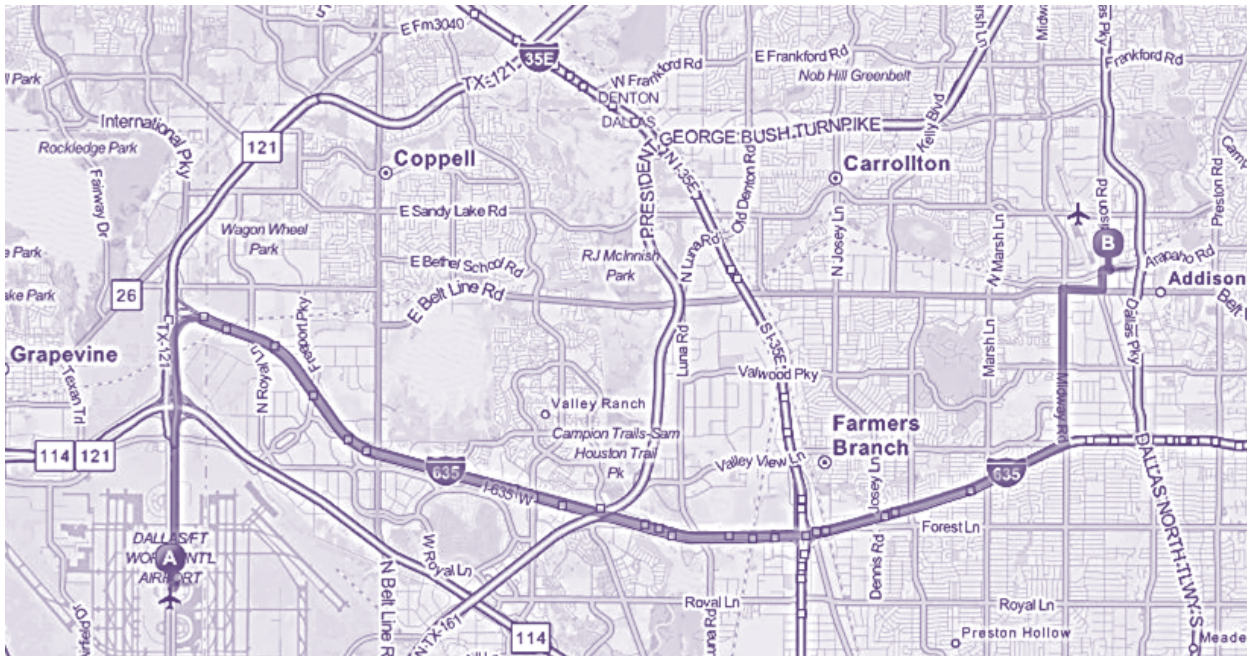

Airport arrival – All international flights and most domestic flights land at the Dallas/Fort Worth Airport (DFW).

One relatively inexpensive form of transportation from the airport to Hyatt House in Addison is the “Super Shuttle.” The cost at this time is approximately \$21 per person one way (a minimum \$2 tip is expected). After you arrive at DFW, you may call the “Super Shuttle” at (817) 329-2000 to request a pick-up. You may also reach them using their courtesy phone, which is located in the baggage-claim area.

The “Super Shuttle” van will deliver you to the door of Hyatt House in Addison.

If you prefer a taxicab, the cost will be approximately \$50-60 (a \$5 to \$10 tip is expected). The cost for the “Super Shuttle” and for taxi service may change at any time. You may also travel to the hotel by Uber or Lyft, which will be less expensive than a taxi.

Route from DFW Airport to the Hyatt House in Addison

Luggage – Please put your name and the hotel’s address (Hyatt House in Addison, 4900 Edwin Lewis Drive, Addison, Texas 75001) on all of your luggage. If luggage is misplaced during your flight, the air carrier will then deliver it to the hotel instead of sending it back to your home country.

Your Stay at the Hyatt House

We have arranged for the 2019 Academy participants to be housed at the Hyatt House in Addison, located approximately 10 miles from The Center for American and International Law.

We believe it is important for all Academy participants to stay in the same location — and the amenities available at the Hyatt House are excellent. Buses will transport attendees to and from class each day.

A suite, not just a room – We have chosen an “extended stay” hotel for Academy participants because it offers a home-like setup with full kitchens and amenities. It also allows for the shared housing that many of our participants like to have.

Amenities – Every guest will receive:

- A hot, buffet breakfast each morning
- Weekly maid service (towels and trash daily)
- Fully-equipped kitchen in your room
- On-site swimming pool, spa, sport court, and work-out facility
- Access to the on-site gym facility
- Free van transportation in the immediate area (three-mile radius)
- Washers and dryers on site (not complimentary)
- High-speed internet access
- Data port and voice mail
- Access to office equipment, including printer, scanner, and fax

Your Reservation – *You must make your hotel reservation through the Hotel Registration Form sent in the acceptance letter. Hyatt House will send you an invoice for payment; you will not need to contact them directly.*

Payment for rooms is made directly by you to the Hyatt House, and you may pay in advance if desired. You will receive payment instructions in your admission letter at the time of acceptance. Otherwise, you will pay your weekly bill in advance of that week’s charge, beginning with your check-in at Hyatt House. Please note that you must pay your room and incidental bills to Hyatt House during your stay.

Accompanying your letter of admission, there will be a registration form and/or link for you to register for your housing. All housing registrations should be submitted by May 3, 2019.

Roommate(s) – If you would prefer or need to lower your housing costs, you may request one or two roommates. The Academy and the hotel will do their best to meet your request, but there is a possibility that you won't get your first choice of room arrangement. The hotel randomly selects roommates of the same gender upon check-in, but all will be Academy participants. For your five-week stay, we have negotiated four different rates.

■ **Option A: Private Suite – \$144.00** per day per person, plus tax – a private one-bedroom suite, including a living room, a fully equipped kitchen and a bathroom. *NOTE: Only a limited number of rooms are available at this rate, and they will be assigned on a first-come-first-served basis.*

■ **Option B: Private Bedroom/Bath in a Double Suite – \$101.00** per day, per person, plus tax – a private bedroom and bathroom, plus a living room and fully equipped kitchen shared with one other Academy participant of the same gender. *NOTE: Only a limited number of rooms are available at this rate, and they will be assigned on a first-come-first-served basis.*

■ **Option C: Private Bedroom/Bath in a Trio Suite – \$89.00** per day, per person, plus tax – One occupant has a private bedroom and private bathroom as part of this trio suite and will share the living room and the fully equipped kitchen with two other Academy participants.

■ **Option D: Shared Bedroom/Bath in a Trio Suite – \$68.00** per day, per person, plus tax – The other two persons (of the same gender as the first) in the Trio Suite will share one bedroom (each with a single bed) and will share one bathroom, as well as the living room and kitchen. *NOTE: Only a limited number of rooms are available at this rate, and they will be assigned on a first-come-first-served basis.*

Occupancy tax is an additional 13% and is subject to change. Participants who stay at Hyatt House for 30 consecutive days receive a reimbursement of the occupancy tax. Please do not check out of the hotel if you make a weekend trip, because the hotel will not hold your room for you.

Suite Assignments and Suitemates – The hotel will assign you a specific suite at the time of your check-in at Hyatt House. We cannot provide you with a suite number or the name of your suitemate(s) before the date you check in.

Please know, however, that you will not be asked to share a suite with someone of the opposite gender. If you are traveling to the Academy with a friend and would like to share a suite with that person, be sure to note that information when you register for the Academy.

Furnishings – Hyatt House suites are fully furnished. The kitchens are equipped with a refrigerator, electric range, dishwasher, microwave, four place-settings of tableware, glassware, and cutlery. In addition, Hyatt House provides complimentary grocery delivery service.

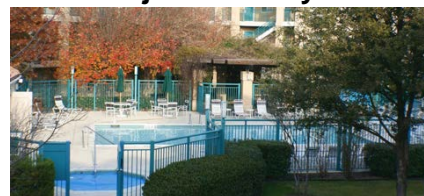

Meals – Except for class lunches and a few special events, meals are not provided by CAIL. The hotel provides a complimentary, hot buffet breakfast from 6:30-9:30 A.M. Monday through Friday and 7:00-10:00 A.M. on Saturday and Sunday. Some participants prepare their evening meals in their suites, though several restaurants are within walking distance, and participants will receive a few of their evening meals at scheduled events. Daily meal costs will likely be between \$20 and \$60 depending on where you choose to eat. On class days, there will usually be a one-hour and fifteen minute luncheon break at about 12:00 noon during which lunch will be served and is included in the cost of your tuition.

Recreational facilities – Hyatt House has a small fitness center, a sports court, and an outdoor swimming pool.

What to wear – The average high temperature in the Dallas area during the months of June and July is in the 90s Fahrenheit (close to 35 Celsius). You may wear appropriate informal, comfortable clothes (e.g., pants or slacks and a shirt or blouse) to the classes. **However, the classroom is air-conditioned, and you will want to bring a sweater or jacket with you.**

Business attire is customary dress for a few activities, such as law firm receptions and the farewell luncheon. You may wish to wear national attire for the class photograph. Bring shorts and tee shirts for lounging around the hotel and pool. And bring your swimsuit!

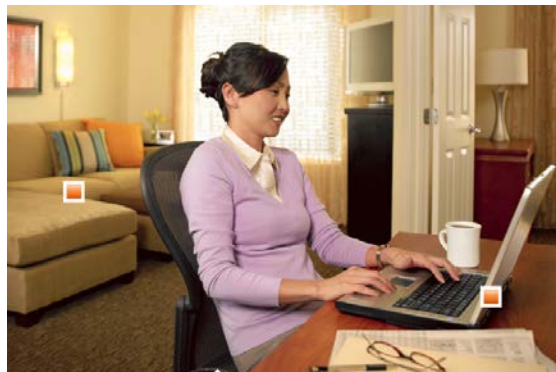

Mail and messages – Participants should pick up their mail at the front desk of Hyatt House. Notices about Academy activities and any personal messages that are received at the offices of The Center for American and International Law will be posted outside the classroom.

Dietary notice – Some who attend our Academy have personal dietary restrictions or preferences. Most eating places serve a wide variety of food. However, when meeting as a group, we cannot always accommodate dietary preferences. Dallas also has many grocery stores available.

Ground transportation – For those staying at Hyatt House, bus transportation will be provided between the hotel and your classes at the Center for American and International Law. **EACH MORNING, MONDAY THROUGH FRIDAY, THE BUS WILL LEAVE FOR CLASSES PROMPTLY AT 8:40 A.M., AND WILL RETURN TO HYATT HOUSE AFTER CLASS.** If you are delayed past departure time, you must provide your own transportation to class that day. If you choose to stay somewhere other than the Hyatt House, you must provide your own transportation to and from class each class day. A courtesy van is available at Hyatt House from 7 A.M. to 7 P.M. Monday through Friday for nearby shopping (within 3 miles of hotel), at no charge. Please tip the driver for each trip.

Car rental – You may wish to consider renting a car for your stay in Dallas (although it is definitely not necessary and most participants do not rent cars). The main requirements to rent a car are a valid driver’s license, a major credit card, and in some cases, a cash deposit. Complimentary parking is available at Hyatt House. You may also download Uber and Lyft apps to travel around town.

Telephone and Internet services – Local calls are available free of charge from your room at Hyatt House. Please note that long distance calls from your hotel room to your home country or anywhere else (other than in the immediate Dallas area) are very expensive. You will probably want to purchase a phone card for international calls, which should significantly reduce the rate you pay. There are nearby stores where phones cards may be purchased. High-speed Internet access is available at Hyatt House. Each room has one hard-wire connection to the Internet that is complimentary, as well as free high-speed wireless Internet access.

Wireless internet service is also available at CAIL during class days, and a limited number of desktop computers with Internet connections are available.

Emergency telephone numbers – If you have an emergency at any time and cannot reach the CAIL office, please feel free to contact Brandon White at on his cell (972) 315-0541, or Mark Smith on his cell (972) 898-7569.

Cleaning and laundry – Hyatt House provides on-site coin-operated laundry facilities for a modest cost. Pickup and delivery services for dry cleaning are also available for a charge.

Illness or accident – CAIL does not provide health or accident insurance. We do not provide medical care or cover the cost of medical care. In the U.S., healthcare is not provided to you free of charge by the government. We urge you, therefore, to ensure you have adequate access to medical coverage. You may wish to purchase insurance that will cover you for health or accident problems that may arise while you are participating in the Academy. Although we will try to assist you as much as we are able, CAIL, SWIICL, and the Academy assume no responsibility for health, accident, or medical-related expenses.

Prescriptions – You should bring with you an adequate supply of any prescription medications you are taking. Pharmacies in the U.S. will not automatically fill a prescription. It is necessary to have your home pharmacy call or fax the information to the U.S. pharmacy. If that cannot be accomplished, it will be necessary for you to make an appointment with a physician, and have the physician write you a new prescription. This can be very expensive (the cost of a typical physician visit is about \$150 for patients with no insurance coverage). And, the cost of the prescription can vary. It is best to bring a five to six week supply of any medications you may need.

Banking – It is difficult to locate local banks that convert foreign currencies into U.S. currency. You should have U.S. currency with you when you arrive at the airport. If you have questions concerning money matters, please contact Stacy Crowe, our Director of Finance at CAIL, at her e-mail address (scrowe@cailaw.org) or call her office phone at (972) 244-3409.

Security for valuable possessions – Hyatt House has a limited number of lockboxes at the front desk that are available for your use free of charge. There are no security boxes in your room.

Mailing packages to your home country – The United States Postal Service offers many types of service. In sending packages to your home country, be sure to check with the post office (<http://www.usps.com>) or call (1-800-275-8777) to determine the weight limit for each country and the type of services available to ship your package. Each country has its own predetermined weight limit.

Forwarding address – At the close of the Academy, be sure to advise Brandon White of your forwarding address so that we can forward any mail received after your departure. An address list of all participants will be prepared and distributed to everyone at the end of the last session.

Smoking – All rooms at Hyatt House are non-smoking. Smoking is only permitted outside. Anyone who smokes in his/her room is subject to a \$200 fine for each occurrence. Our classroom facility is also non-smoking. Please note, if you are at CAIL, smoking is only permitted in the section 20 feet away from the front doors.

Continuous stay (and one free night) – Your stay at the hotel is not a typical “nightly” stay; it is considered continuous. You may not check out until your stay is complete without incurring penalties that you must pay. One exception is that the hotel has allowed every Academy guest to have one night away without charge during their stay. If you wish to be out of town at any time during your stay, you will need to pay the hotel for all of the nights you are away, except one. (This benefit does not include a refund for those who do not go out of town during their stay.)

Early check-out – Check-outs are permissible before the departure date, but you would forfeit the tax waiver (13% of your total hotel bill). Also, if you check out, you may not store your belongings in the room. If you wish to check-out, and then check back in later, the hotel may or may not have the same room (or any room) available for you.

Personal responsibility – Although we partner with Hyatt House in making arrangements for your housing, you are responsible for all payment arrangements. They will require that you sign an agreement to abide by the hotel’s rules. By filling out the Hotel Registration Form, you also agree to abide by Texas State laws. Information about these rules will be made available to you in your information packet when you check-in. Please ask the hotel representatives if you don’t understand the agreement. We will do everything possible to help make your stay at the Academy, including the hotel, enjoyable. We have limited ability, however, to intervene in your relationship with the hotel. We cannot make decisions for the hotel, nor can we be responsible for paying any room charges ourselves. Please be sure to follow the hotel rules.

The Dallas Experience

Education takes place inside and outside the classroom. We make a substantial effort to introduce Academy participants to the Dallas community. The schedule includes a variety of extracurricular activities. Our goal is to introduce Academy participants not only to the study of American and international law, but also to the people and culture of the United States.

Opening Day Orientation – A mandatory orientation for all participants is scheduled for Sunday afternoon, May 26, 2019, at 4:00 P.M. at the Center for American and International Law. A reception at CAIL will follow, giving you a chance to meet your fellow participants and members of the staff. A bus will depart from Hyatt House at 3:30 P.M. for the orientation and will return to Hyatt House at the conclusion of the evening's activities. Dress for the orientation is business casual. For example, men should wear pants and a shirt and women slacks and a blouse.

Group Activities – We are scheduling a wide variety of group activities for you to enjoy during your stay. These include attending a major league baseball game and professional rodeo, participating in an international food festival, touring downtown Dallas (home of the The Sixth Floor Museum and other area attractions) and downtown Fort Worth (the Stockyards and museums), and attending law firm receptions. At the International Food Festival, participants are asked to prepare a dish popular in their own countries. Since you have a kitchen in your hotel room and can prepare meals, you may want to bring certain spices which would be difficult to obtain here in the U.S. However, you should check with Customs before you board the plane with these items.

You will receive an activities calendar when you arrive. Participation in some of these activities is mandatory. For any mandatory event, there is no charge to you. Optional activities will be available according to your interest and willingness to pay for admission and transportation.

Local hosts – One of the unique dimensions of “the Dallas Experience” is the opportunity to have local hosts supplied by Global North Texas and the Dallas Association of Young Lawyers. Your hosts will be available during the Academy and will help acquaint you with the people and culture of Texas. One of the highlights of the Academy is a farewell party presented by the participants for their local hosts. It includes a talent show put on by the Academy Class. You may want to bring music or national attire for this special event.

Participants share a meal in the hotel courtyard.

A local host takes two participants to the East Texas Oil Museum.

Attending local religious services – Many religions of the world have houses of worship in the Dallas area. We want to assist you with the available opportunities and will provide a list of places of worship. Please feel free to talk with Academy staff concerning any questions you might have about places of worship, or about transportation to those places. Some of the local hosts will also be available to assist you.

Leaving Dallas – The Farewell Luncheon will conclude by 2:00 P.M. on the afternoon of June 28, 2019. Because of delays at the airport, you should not schedule a flight any earlier than 6:00 P.M. on June 28, 2019. You may want to schedule your return flight for June 29, 2019.

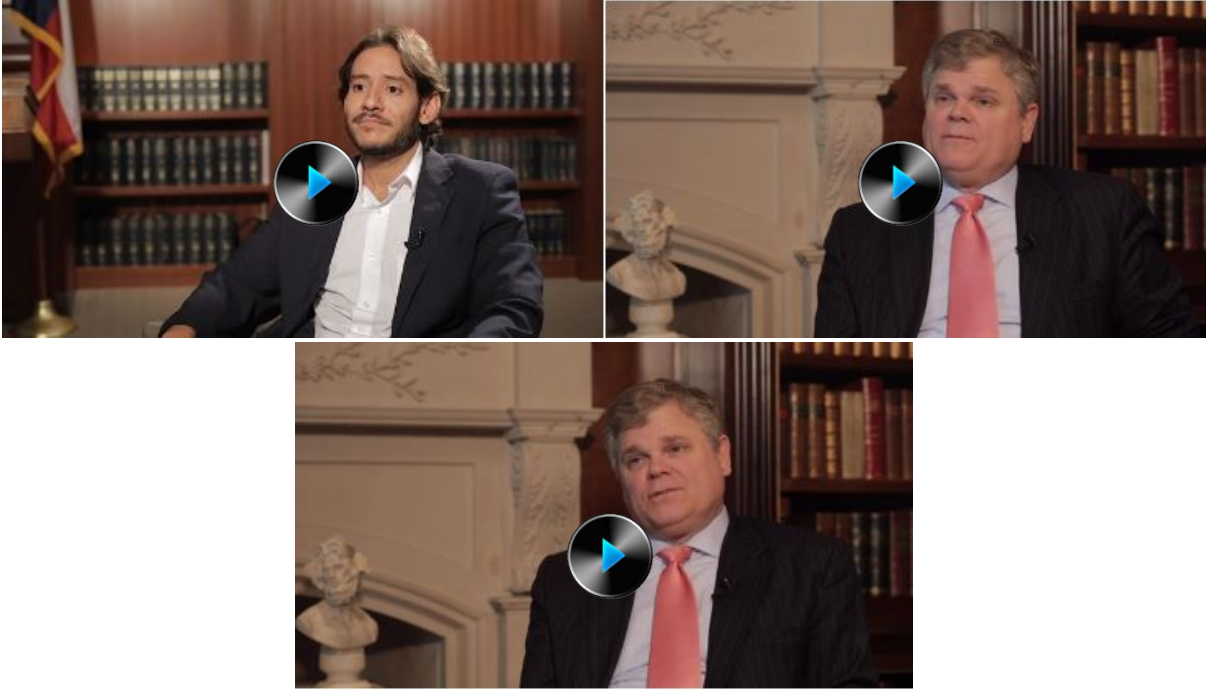

Attendance and Certificates

Participation Certificate – Attendance at sessions of the Academy is *mandatory*. To receive a certificate of participation, you may not miss more than a total of one day of class, unless the absence is due to documented illness or unless you obtain approval from the Dean of the Academy in advance. In addition, a requirement for successful completion is attendance at the Farewell Luncheon on June 28. Participants who miss more than a total of three days of class will not receive a certificate and may be dismissed from the Academy unless the absence is due to the aforementioned reasons.

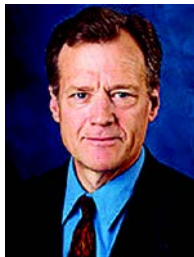

Academy Fellows – A second certificate will also be available to participants who successfully complete exams related to courses of study at the Academy. Those who receive these certificates will be known as Academy Fellows.

Please note that the Academy begins with a 4:00 P.M. Orientation Session on Sunday, May 26, and concludes with the Farewell Luncheon on Friday, June 28. Attendance at the Orientation and Farewell Luncheon is required. No departing flight should be scheduled before 6:00 P.M. on June 28.

Academy Curriculum

Business Organizations – This course explores major forms of business organizations, including multinational enterprises, their advantages and disadvantages, tax implications, general procedures for formation, financing, control, operation, and dissolution; and provides an overview of laws regulating business enterprises, including state, federal, and international regulatory agencies. We also discuss securities regulation, stock markets, and trading.

Electronic Discovery – The United States' discovery process is unique and lawyers from outside of the United States are often surprised at the breadth and extent of discovery in litigation and government investigations. Discovery can be very costly and disruptive to businesses, particularly those businesses with limited experience with United States' litigation and investigations. Discovery also raises potentially significant privacy and security concerns for global businesses. This session provides non-US attorneys with US discovery overview so that they may be better positioned to deal with US discovery issues.

International Business Transactions – This course provides an examination of the principal forms of transacting international business, including international sales contracts, distributorships and representation agreements, technology transfers, direct foreign investments, and joint ventures. Consideration is given to international, national, and contractual legal aspects of these types of transactions, including such matters as relevant treaties, applicable national laws and regulations, international payment methods, currency clauses, dispute settlement, sovereign immunity, and options for structuring the transactions themselves.

International Commercial Arbitration – In-house counsel and outside firms that counsel multinational enterprises cannot afford to overlook the risks presented by disputes for which the parties have not properly planned. Such disputes are costly, time consuming, and can divert management from the company's core activities. In the international realm, arbitration is the preferred method of dispute resolution. A properly crafted arbitration clause can keep businesses out of foreign courts, can ensure that expert decision-makers will be entrusted with any disputes that arise, and can produce results that are globally enforceable. This course considers the principal

doctrines, sources of law, procedural features, and drafting techniques that promote successful international arbitrations.

International Insolvency – Using a case study and facilitated small groups, this session will provide an overview of Chapter 15, jurisdiction and venue for Chapter 15 cases, and foreign main versus foreign non-main proceedings.

International Litigation in U.S. Courts – This course provides an introduction to conflict of laws principles (private international law) followed by U.S. courts, including discussion of the following: jurisdiction to prescribe applicable law; jurisdiction to adjudicate jurisdiction over the subject matter and over the parties judicial abstention doctrines, such as *forum non conveniens* and the Act of State Doctrine; application of the *Foreign Sovereign Immunities Act*; recognition of foreign judgments; and the application in the United States of international conventions on service of process and on the taking of evidence abroad.

International Negotiations – This course explores the processes of international negotiation. Using exercises and simulations, it examines strategies available to a negotiator and focuses on special characteristics of negotiation in the international setting such as the roles of culture and power.

Introduction to Tax Issues in International Law – The profits from transactions involving international trade and investment are almost always subject to potential income taxation by at least two countries. While most lawyers do not have the time and inclination to become a tax specialist, anyone involved in the negotiation, structuring or implementation of international transactions needs to be aware of the principal considerations that attend the taxation of those transactions. This course provides an introduction to the methods used by the United States and other governments to tax the income of international transactions (trade, investment and labor), considers the economic and political implications of different approaches to international taxation, and explores some of the techniques that have been developed to mitigate tax burdens on income derived from such transactions.

Introduction to the U.S. Legal System – This course examines the pillars of the U.S. legal system with a special focus on the Constitution, the role of

and the relationship between the federal courts and state courts, federalism, and the common law. The differences between common law and civil law jurisdictions are also considered. The structure of the U.S. legal system and the role of the system's various actors are identified and analyzed. Consideration is also given to legal reasoning and the manner in which U.S. courts apply legal precedent. This course also includes a facilitated discussion with a panel of state and federal judges about the role of the judiciary in the U.S.

Legal Writing in Plain English – This class focuses on editorial and writing skills. It targets students who are already competent writers. The course covers issue-framing, readability, and writing efficiently.

Mock Trial – A simulated civil litigation features a sitting judge and practicing lawyers, with participants serving as either witnesses or members of the jury. Following the verdict, the

judge and lawyers conduct a discussion with participants.

Professional Responsibility & Legal Ethics

– This course looks into the different roles played by lawyers including advisor, negotiator, mediator, and advocate. Particular attention is given to the U.S. adversarial legal system. The class considers duties to clients, the courts, the government, adverse parties, opposing lawyers and the overall legal system. Participants are asked to apply their own countries ethical codes and traditional professional values in group discussions that provide a rich exploration of international differences in the roles of lawyers and their ethical codes and professional values.

Other subjects that will be discussed include: **Intellectual Property law, Energy law and Labor/Employment Law.**
