

2010 Annual Report  
and  
Honor Roll of Donors

U.S. Coast Guard Academy  
Alumni Association, Inc.

# From the President ...

The audited 2010 Annual Report for the Coast Guard Academy Alumni Association that accompanies this message is a reflection of a generous alumni, committed parents and good friends of the Coast Guard Academy. This support to the Academy covers the entire cadet experience from academic enrichment to athletics to character development and cadet activities. As I have previously stated in this space, if the federal government would take care of all these needs, we as alums, parents and friends could put our resources to other uses. However, we (and our sister service academies) don't live in a perfect world but we do care about the future leaders who must be prepared to meet the challenges of this ever changing global landscape. The opportunity to stay connected with the Coast Guard regardless of active, retired or other status is rewarding. Members giving back to their alma mater are finding philanthropy even more rewarding because they learn how their commitment becomes an investment in the future.

The Honor Roll of Donors lists everyone who our records show donated to the Alumni Association in 2010. I am very proud to state that this list continues to grow longer each year and we strive to make it as accurate as possible. However, if we have made a mistake or an omission, please bring it to my attention so it can be corrected.

The sections of the audited Financial Report included in the following pages are the Statements of Financial Position (Balance Sheet) and Statements of Activities (Income Statement). A detailed breakdown of the General and Administrative (G&A), Development (Fundraising) and Member Services functional expenses are also provided with comparisons to 2009. Also, a page of graphs and pie charts has been included to provide a snapshot of our growth and activity in a pictorial fashion. The complete audited financials with detailed breakout of expense by category and notes from our audit firm can be found on our Web site at [www.cgaalumni.org](http://www.cgaalumni.org).

Academy programs received \$1,938,755 in 2010 from endowments, class gift funds, unrestricted financial donations and non-cash gifts (use of the Alumni Center) made to the Corps of Cadets—a new record of which all alums should be extremely proud. A breakdown of all these funds is provided on the “2010 Projects Completed” on page AR-8. (This number ties out to the three line items on the Statement of Functional Expenses on page AR-6 and is the combination of the following source categories; Restricted Gifts \$1,623,650, Unrestricted Gifts \$110,905 and non-cash gifts to the Academy and Corps of Cadets \$204,200 for a total of \$1,938,755.) Some of the highlights of these gifts are the following:

- With the support of many classes and the Parents Association, the Leadership 44 Fund paid for most of the construction of L-4401 (now complete) and a part of L-4402 (which will be completed in July). This will continue to be the single biggest expenditure (gift) in 2011 as construction continues toward project completion.
- Unrestricted support from the Alumni Association provided the necessary funding for Career Night, Dining-In and Billet Night for the Class of 2011 further strengthening the class ties to the association for membership and commitment following graduation.
- Donations from the Parents Association were used to support the Cadet Livery Service and the Leadership-44 project mentioned above.
- The combined endowments of the Classes of '45 and '56 provided for 1/c summer internships in Washington, DC providing invaluable experience not obtainable in the classroom.
- Club sports are heavily dependent on alumni support and the respective hockey, boxing, lacrosse, water polo and rugby funds paid for uniforms, equipment and registration fees enabling cadets to compete in these sports on regional and national levels.

These are just a few of the over 140 endowments and class funds that help provide a “margin of excellence” to the Corps of Cadets. Collectively, we must continue to strive to do *our* best to give these young men and women the tools, skills and confidence to be the best *they* can be in the service of our country and humanity. I am most grateful to those members who have challenged themselves to get to the next higher donor club this past year, and in so doing, increased their class gift fund or endowment. Generosity at all levels makes a difference and I thank you all on behalf of the entire Corps of Cadets for your continued support. Call me if you have any questions about any of the financial information contained herein or if you have any suggestions for the future.

# 2010 Honor Roll of Donors

Thank you very much for your support of our United States Coast Guard Academy Alumni Association during the 2010 year. This list of contributors reflects charitable giving to the Association from January 1, 2010 through December 31, 2010. We've made every attempt to ensure that the list is correct; however, if you have a question about our listing please feel free to contact our Development Office at 860-442-2683, ext. 12 or 13 and we'll be happy to answer your question. Thank you for your membership and for your continued support of the Academy through your gifts to the Alumni Association.

# 2010 Heritage Societies

## The Alexander Hamilton Heritage Society

The Alexander Hamilton Heritage Society, named in honor of the first Secretary of the Treasury and founder of the Coast Guard, was established in 1991 to recognize alumni, parents and friends during their lifetime who have informed us of provisions for the Academy through the Alumni Association in their estate plans. These planned gift(s) can include but are not limited to charitable gifts in one's will, charitable gift annuities, gifts of life insurance, retirement funds or other significant assets, or the establishment of a trust that will benefit the Alumni Association. The Alumni Association is grateful to the following current members of the Alexander Hamilton Heritage Society whose vision and generosity through the establishment of a planned gift will help the Academy and its cadets excel for years to come.
