BUSHWACKER

TRAIL ARMOR ROCKER COVERS

Bushwacker Trail Armor Rocker Covers protect your rockers from the nicks, scratches, and dings that come with using your vehicle for what it's made for, and cover up rust or previous damage. Protect your truck from anything you can throw at it while on the trail. All while adding personal style and showing it off wherever you go. Every Bushwacker Trail Armor Rocker Cover is CAD-engineered for a perfect fit. They come with an OE matte black textured finish and 100% UV protection, and are backed by a Limited Lifetime Warranty. Protect your rockers, cover up unsightly rust, and personalize your truck with Bushwacker Trail Armor Rocker Covers.

OE STYLE FENDER FLARES

AS LOW AS
\$419.90
SET OF 4

Give your truck the appearance of an upmarket trim level with Bushwacker OE Style Fender Flares. They're designed specifically to complement your vehicle's styling, so it looks like it came from the factory that way, with a fit, finish, and level of protection that exceeds original equipment.

You can leave your OE Style Fender Flares with their original matte black finish for a sporty blackout look, or paint them to match/accent the body color for the look of limited edition luxury or individual customization.

OE Style Fender Flares are designed for upgraded durability and flexibility. Made from thick, durable, UV-resistant material that won't warp or chalk. OE Style Fender Flares deliver premium-grade protection with premium-level style.

LO PRO

AMERICA'S #1 SELLING ROLL-UP TONNEAU

LIFETIME WARRANTY

BEST SELLING ROLL UP TONNEAU COVER IN NORTH AMERICA

A sleek, low-profile design is the signature of the Lo Pro. One look at this rolling cover is all you will need to make you a part of the TruXedo family. Not only does the Lo Pro look outstanding, it's constructed with a heavy-duty aluminum frame and automatic tension control to ensure your truck bed always looks its best. Lo Pro features an industrial hook-and-loop system that is superior to its competition. Lo Pro also features a single-sided latch system and minimal moving parts to reduce the possibility of breakage and make opening your cover a breeze.

TITANIUM
HARD ROLLING COVER

3 YEAR WARRANTY

ROLL-UP UTILITY WITH A HARD COVER ATTITUDE

TruXedo presents the next addition to the roll-up cover line. The Titanium is the ultimate combination of hard slats and soft vinyl, resulting in a stylish low-profile roll-up cover with the strength and toughness of a hard panel tonneau cover. Titanium automatic tension control to ensures your truck bed always looks its best, no matter the temperature outside. Titanium also features a single-sided latch system to make opening your cover a breeze.

DEUCE

LIFETIME WARRANTY

2 IS BETTER THAN 1

The Deuce doesn't like to play by the rules. Not only does it roll up from the rear like a conventional tonneau cover, with a pull of a latch, the front flips over to allow you to access the front of your bed. Deuce works great in conjunction with TruXedo's Tonneau Mate Tool Box or Expedition Soft Cargo Bag mounted beneath the tonneau cover. Deuce is constructed with a heavy-duty aluminum frame and automatic tension control to ensure your truck bed always looks its best. Deuce features an industrial hook-and-loop system that is superior to its competition. Deuce also features a single sided latch system to make opening your cover from the rear a breeze. Combining flexibility with the stylish low-profile design that TruXedo offers makes the Deuce stand above the rest.

WeatherTech®

FloorLiners

WeatherTech FloorLiner accurately and completely lines the interior carpet giving absolute interior protection! WeatherTech FloorLiners line the interior carpet up the front, back and even up the sides of the vehicle's footwell. Digital laser measurements of interior surfaces offer a consistently perfect fit! Available in Black, Tan, Cocoa, or Grey.

Cargo Liners

WeatherTech Cargo Liners provide complete trunk and cargo area protection. They are digitally designed to fit your vehicle and feature a raised lip to keep spills, dirt and grease off your interior, protecting your investment from wear and tear.

Made from a material that is not only wear resistant, but also remains flexible under temperature extremes. WeatherTech Cargo Liners feature a textured finish that helps to keep cargo from shifting. Perfect for hauling just about anything from gardening supplies to construction materials, even pets.

Available in Black, Tan, Cocoa, or Grey.

LIFETIME WARRANTY

WEATHERTECH CARGO LINERS

MOST APPLICATIONS

No-Drill Mud Flaps

The WeatherTech Mud Flap set literally "mounts-in-minutes" (in most applications) without the need for wheel/tire removal, and most importantly - without the need for drilling into the vehicle's surface! Contoured specifically for each application and molded from a proprietary thermoplastic resin, WeatherTech Mud Flaps will offer undeniable vehicle protection.

Featuring the patented QuickTurn hardened stainless steel fastening system. WeatherTech MudFlaps provide protection for your vehicle's most vulnerable rust area; protecting the fender and rocker panel from stone chips, slush, dirt and debris.

WEATHERTECH MUD FLAPS

ULTIMATE BEDRAIL & TAILGATE CAPS

Bushwacker BedRail Caps protect your bedrails from the nicks, scratches and dings that come with using your vehicle for what it's made for. Protecting your truck from anything you can think of to haul. All while adding personal style and showing it off wherever you go. Every Bushwacker BedRail Cap is CAD-engineered for a perfect fit and more side coverage than factory caps. They come with an OE matte black textured finish and 100% UV protection, made with textured material and are backed by a Limited Lifetime Warranty.

VINYL FLOORING

- Great alternative to carpet for rugged, dirty environments.
- Easy to clean and virtually maintenance-free.
- Moldable Vinyl is a material called Vinyl Alloy. It is a proprietary blend of Vinyl, Elastomers, and Fillers, which produces a tough calendared flooring surface.
- Vinyl is 99mil (+/- .005mil) thick and weighs .65-.76 pounds per square foot.
- Vinyl is an alternative material available for most Trucks, Jeeps, SUVs, Vans, and a limited number of Cars.
- Vinyl width is 76 inches - 80 inches depending on the color.
- Requires cutting / fitting. Not a 'drop-in' product. Call for information.
- Please call for pricing.

STAINLESS STEEL DUALY WHEEL SIMULATORS

Stainless Steel Simulators give your vehicle the chrome wheel look, without the worry of maintenance or rust. Simulators are made from 304 grade stainless steel and are polished to a brilliant shine. Easily mounted without removing the tire from the wheel; no rebalance is necessary, and you may still rotate the wheels. All center caps are bolted on except for part # 5858-160GFD. #5858-160GFD includes a center cap removal tool. Sold in sets of four only. Call for more information.

REAR DECK LID CAR SPOILERS

California Dream Wings use blow mold technology to produce a spoiler with no seams to split or crack. They are extremely lightweight, there is no need to reinforce the trunk lid or torsion bar assembly. Internally molded mounting inserts eliminate cross threading and stripping for faster, trouble free installation. Custom mounting hardware and installation kits include a mounting template to ensure a perfect installation. Available for many cars 1988-Current. Call for more information.

WeatherTech®

Rear Seat Protector

WTECH SEAT PROTECTOR
\$159.95 & UP
COMPLETE KIT

WeatherTech Seat Protectors are the perfect accessory for those needing an extra step of protection for their rear vehicle seating. A much needed accessory for the family "road trip warriors" or pet "car ride" companions to prevent scratches, damage or spills from ruining the seat surface. Seat Protectors are made from a polycotton drill fabric that features a durable water-repellent finish that'll combat any mess! It's also engineered with an extra layer of nylon lining, which helps to further protect the covered seat. It stays in place with the help of durable straps, specialty inserts and a non-slip bottom. Semi-custom to fit the size and type of vehicle. Quick and easy installation, as well as easily removable for cleaning. The Seat Protector is machine washable, making it an easy accessory for any family. This product is for rear seats only - It is designed to fit most bench-style and bucket rear seats. If your vehicle is equipped with a center seatbelt, it will not be accessible.

OEM-STYLE GOOSENECK HITCH SYSTEM

OEM-style gooseneck hitches are designed for a vehicle-specific fit. They quickly and securely bolt onto the vehicle's frame with no drilling or installation brackets required. Ford OEM-style gooseneck hitch installs with just one person, and Ram OEM-style gooseneck hitches install in 45 minutes or less. Installation also requires no welding, bed flange trimming or truck bed removal.

OEM STYLE GOOSENECK KITS
\$359.00
AND UP

CUSTOM TRAILER LIGHTING WIRING

CURT Custom wiring takes a vehicle-specific approach, using unique plugs and other electrical components to wire your vehicle for towing. The vehicle-specific plugs are designed to plug into pre-existing sockets built into your vehicle's electrical system, either at the taillights or using the factory tow plug.

Custom wiring allows for fast, plug-and-play installation, and it ensures the best possible compatibility with your vehicle.

HITCH BALLS AND BALL MOUNTS

The vast majority of CURT ball mounts are CNC-formed and robotically welded for the utmost accuracy and cleanest weld lines possible. After construction, our ball mounts undergo a mechanical descaling process that creates a flawless surface for the application of our highly durable Bonderite® coating and powder coat finish. These two coats cure together to form a protective surface that is superior in rust, chip and UV protection.

WEIGHT DISTRIBUTION HITCHES

We offer round bar weight distribution hitches ranging in weight capacity from 5,000 to 14,000 lbs. gross trailer weight. Our MV round bar WD hitches feature a heavy-duty, formed steel head with built-in grease zerks fittings for continuous lubrication. The formed construction allows for a precise design and supplies the durability needed to manage the weight of heavy trailers. We also offer our original round bar weight distribution hitches, featuring sway control attachment tabs and forged steel spring bars.

WEIGHT DIST. HITCH KITS
\$233.00

OEM PUCK SYSTEM GOOSENECK KITS

Each OEM-compatible gooseneck kit for Ford, GM, Nissan and Ram includes a make-specific gooseneck trailer ball and make-specific anchors. The ball is designed to easily drop into the factory-installed gooseneck hitch and secure into place with a simple, patented quarter-turn latch-lock system and retainer ball. It provides a standard 2 5/16" diameter ball to fit a variety of gooseneck trailers and offers a gross trailer weight capacity of up to 30,000 lbs. and a vertical load limit of 7,500 lbs.

SuperSprings®
International, Inc.

SUPERSPRINGS LOAD ASSIST SPRINGS

SuperSprings® are a unique and patented self-adjusting suspension stabilizing system for vehicles with rear leaf springs, designed to level loads and reduce body roll. SuperSprings® provide users extra load support and reduce body roll without compromising the vehicle's ride quality. They are manufactured using a variety of different sized springs to support multiple applications. All SuperSprings® are Made in the USA from high grade, shot peened steel.

- 600 lb. to 5,000 lb. kits available.
- Automatically activates as load is applied.
- Reduce body roll and provide greater driver control.
- Reduces rear end sag and sway without compromising ride quality.
- Does NOT increase vehicle GVWR. Do not exceed OEM recommendations.

Payment and Terms

Shipments will be delivered by your option:

C.O.D. - Make checks payable to: **Browns of Two Rivers, Inc. COD on Spee Dee Delivery and Waltco only.**

Credit Card - Mastercard, Visa, Discover, and American Express are accepted.

Open Account - Terms are Net 10th of the following month. Applications are available to customers who will be purchasing on a regular basis. Approval will be made at the discretion of BROWNS OF TWO RIVERS, INC.

Non-Sufficient Funds checks will be submitted again for deposit. If the check is returned a second time, it will be placed for collection and a \$45.00 fee will be added to each check. Future orders will be sent out CASH or credit card only.

Warranties or Disclaimers

BROWNS OF TWO RIVERS, INC. total liability is limited to the invoice value of the part in question. It is your responsibility to examine the part for fit before prepping. Sheet metal parts are very susceptible to slight damage due to the nature of the product and method of shipment. All sheet metal parts are packaged and handled with great care. Having been shipped half way around the world by ship and then by truck, there will most likely be a few scratches or small dents. This cannot be helped. No credit will be issued for sheet metal that has small dings, scratches, or other minor flaws. Any body panel (reproduction or factory original) requires minor body work when installed for a show quality finish. All warranty/service claims will be processed according to the manufacturers' policies. Any warranty issue after 30 days must be handled by the manufacturer's warranty department.

Shipping

Customers located in Illinois, Iowa, Indiana, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota, and Wisconsin receive free freight on on \$1,700.00 orders if paid in advance or with established credit. We will ship with the most economical carrier. We use Spee Dee Delivery whenever possible. Spee Dee offers full coverage of Wisconsin, Minnesota, Illinois, Iowa, South Dakota, as well as partial coverage of North Dakota, Nebraska and Missouri.

Damage Claims

Damage claims must be made at the time of the delivery. Write all claims on the delivery ticket of the carrier for truck freight before signing. **Claims must be made with the delivery carrier.** All sheet metal parts are packaged and handled with great care but due to the nature of the product and having been shipped half way around the world, some scratches or small dents are to be expected. Any body panel (reproduction or original) requires minor body work for a show quality finish. Open and inspect all parts received immediately. **Any concealed damage must be reported within 24 hours of delivery.**

Returns, Refunds, Credits

Special Order Items are **NOT** returnable. Merchandise returned to BROWNS in saleable condition, not painted or altered, will receive full credit or refund. **Items that have been painted, primed, sanded, or altered in any way will not be accepted regardless of any other circumstances.** Any item returned with parts missing or broken will not be credited. Original packaging materials must be used for returns. Returns must be made within 30 days of the invoice date.

NO RETURNS AFTER 30 DAYS.

To receive a credit or refund, all returned merchandise must have a Return Authorization Number. Call 1-800-558-7750 for a return number and write it clearly on the outside of the package for identification. Returns must be returned to us freight pre-paid, or the return shipping will be deducted from your credit or refund. All items purchased by check require a 15 day waiting period before a refund can be authorized. All warranty/service claims will be processed according to the manufacturers' policies.

Back Orders and Availability

Back orders are shipped as soon as parts become available. Some parts have a limited availability, especially restoration parts. Certified parts are shipped when available.

Taxes

Wisconsin residents will be charged Sales Tax. A Wisconsin Resale Certificate must be on file at BROWNS OF TWO RIVERS, INC. for Wisconsin residents who are exempt. Certificates are available upon request.

Prices

All prices are subject to change without notice. Call to verify pricing on all items made of or containing steel.

-- Not responsible for typographical errors --

Reproduction

Reproduction of any part of this catalog is strictly forbidden without written permission from BROWNS OF TWO RIVERS, INC

All returned items must be in the original carton with all pieces and parts included. We will not issue a refund when parts are missing or damaged. Original packaging materials must be used for returns.
