Volunteer Highlight - Dave and Wendy Dennis

What is the inspiration behind your getting involved with Easterseals Colorado/RMV?

Dave: My sister Lisa worked at camp in 1984 and had a great experience. I was inspired by her stories. Prior to that, our aunt Mary had Down Syndrome. She had a significant impact on our family. Her mother, my grandmother, was instrumental in creating ARC in Cedar Rapids in Iowa in the 1950-60s. My mother was a special education teacher for 30 years. She also volunteered at RMV camp.

Wendy: Initially, I followed Dave. We worked the summer of 1990 together. It was a unique and life changing experience to be at camp. The campers shared their stories with me and allowed me to care for them and experience camp with them. The Muscular Dystrophy group confided in me with their life struggles. The Hemophilia group practiced IV access on my arms. I learned how to drive a powered wheelchair down from outcamp at night, without light! I learned that campers trusted me in the pool to help them swim. I learned that being able bodied didn't mean I was more entitled or necessarily good at caring for others. Truly a humbling experience! If there is ever a life experience to teach an individual to treat someone the way you want to be treated, this was it! Side note, after 30 years of marriage, I will still follow Dave wherever he goes!

What is the one moment that excited you most about your involvement?

Enjoying an atmosphere of persons with disabilities just simply enjoying camp and being surrounded with people who can make that magic happen. The camp staff truly give of themselves. The camp staff give their time and energy to benefit the camp, but the campers also give life enriching experiences. It seems to be of mutual benefit. It appears to be an ordinary daily exchange of activities, but it reaches deep for all involved. Every day is extra-ordinary in the most genuine of exchanges. It is felt at the barn, at the fishing pond, at the zip line, at any meal. It is a very special place, for all involved.

What has surprised you most about working with Easterseals Colorado/RMV?

A lot! We had never experienced a camp environment and we were very new to Colorado. We were impressed by how much everyone was just happy to be present. We learned from the camp nurse about disabilities, medications, pressure wounds, seizures, catheters, etc. It was Wendy's first true introduction to nursing and it became her passion.

What do you wish other people knew about Easterseals Colorado/RMV?

The people. The campers and the staff, volunteers, everyone! Just a little goes a long way. Whether it is volunteering at camp with the camp facilities or the people that attend the camp or giving in the form of donations. Every little bit makes a big difference in the campers' experience. More than you would think.

When your friends or family find out that you are involved with Easterseals Colorado and RMV, what do they say or ask?

The answers are easy. Being at camp and helping an organization that helps those in need is very fulfilling. Everyone in our family has spent time at Rocky Mountain Village. It helps Easterseals but it also helps the individuals that give to Easterseals. Some of my favorite memories are when our three daughters were with us staying at camp for a weekend painting or doing other needed projects.
