“Rejoice always” – 1 Thessalonians 5:16

God has, is and will continue to guide our ministry and progress

Sisters and Brothers in Christ,

We rejoice in all God is doing through us here in GNJ. This past conference year we have continued to accomplish our strategic plan goals as we recruit and equip transformational spiritual leaders to make disciples and grow vital congregations for the transformation of the world. We have transformed lives by reaching over 20,000 children through child care and after school programming. We continue to rebuild homes and lives after Superstorm Sandy, now completing more than 256 homes. We continued to make progress ending malaria with gifts now totaling more than \$800,000. God has richly blessed us and we rejoice!

During the 2017 Annual Conference of the United Methodist Church of Greater New Jersey, we rejoiced over our future by putting forth a Next Generation student ministry plan. We rejoice that we deliberately committed to and took steps toward developing intercultural competency to strengthen and grow diversity, inclusion and collaboration. We rejoiced over a new shared ministry formula that keeps funds at the local church level for the purpose of regenerative initiatives; bolstering our vitality and witness for Christ by forming new disciples to transform the world.

We rejoiced in our commitment to a new strategic ministry plan so we can go further into the future. We rejoiced in our vitality markers and the areas in which we’re growing. We celebrated bold apostolic leadership that ignites hopes, builds bridges, and connects church with community.

We rejoice as well in the work of our churches, the service of our laity, our clergy, our congregations, and the world rippling effects of our ministry together. The details are in this journal where you will find bold endeavors and thoughtful analysis of our progress, challenges, and our goals for the future. We have great reason to rejoice! God is on the move in GNJ, and we are a part of a profound story.

This is just the beginning. In all that God is doing through us, we have a future, and I am encouraged.

I also rejoice in all that this conference journal represents. It has the names of conference leadership and members who faithfully lead GNJ and its congregations and it has the reports of our ministry and progress. I thank each of you for your ministry.

I invite you to pray that in all circumstances we can rejoice in our diversity, our differences, and celebrate our unity in Christ, so our mission shines, vital congregations are grown, and the world is transformed.

Again I tell you, rejoice!

Keep the faith!

John Schol, Bishop

GREATER NEW JERSEY'S STRATEGIC MINISTRY PLAN

VISION

We see a church like Jesus Christ—radical spirit and humble, teaching and healing, soul saving and soul tending, leader and servant, unbound and outbound for mercy and justice.

We also see a Wesleyan Church—personal holiness and social holiness, connectional and risk taking, thoughtful and inspirational, small groups and large vision, welcoming all and respectful of all.

MISSION

Recruit and develop transformational leaders to make disciples of Jesus Christ and grow vital congregations to *transform the world*.

DISCIPLES are life-long learners and followers of Jesus Christ, leaving behind safety and complacency to serve like Christ to make new disciples, end poverty, be graceful with those at the margins, connect with people who are different from us and magnify God's presence in the world. *This type of disciple is shaped, encouraged, sent and supported through vital congregations.*

VITAL CONGREGATIONS are inwardly transformed and missionally outbound. Vital congregations are Spirit-filled, forward leaning communities of believers that grow over time, welcome all people (Galatians 3:28), make disciples of Jesus Christ through the power of the Holy Spirit (Matthew 28:18-20) and serve like Christ through justice and mercy ministries (Micah 6:8 and Luke 4:17-21). Vital congregations engage and shape disciples in five ministries – worship, small groups, community mission, making new disciples and generous giving. *Vital congregations transform the world.*

A TRANSFORMED WORLD is a place where congregations, communities and people are working together to end poverty, eradicate racism, practice good stewardship of God's creation, seek peace and draw all people closer to God. This type of world is born through the Great Commandment, *love God and your neighbor* (Matthew 22). It begins with the church engaging its neighbors and working toward a peaceable kingdom as described throughout the scriptures. *A transformed world, vital congregations and new disciples require transformational leaders.*

TRANSFORMATIONAL LEADERS assess the gifts and needs of the congregation and community, set a courageous vision and goals, and inspire and equip the congregation to make new disciples, grow worship, grow disciples' faith through small groups, engage the congregation in life changing mission and increase giving to mission and ministry (Ephesians 4:11- 12). *Transformational leaders have high expectations of themselves and for their congregations.*

LEADERSHIP EXPECTATIONS include (but are not limited to):

1. *Connecting and relating* well with church leadership and membership and community residents,
2. *Developing leaders* within the congregation,
3. *Leading* the congregation to deeper faith and service in the world,
4. *Increasing vitality* through inspiring worship and messages, attracting and making new disciples, and engaging disciples in small groups, community hands-on mission and generous giving,
5. *Raising* sufficient funds for community and world mission, ongoing congregational ministry, shared ministries and salary and benefits.

CONGREGATIONAL EXPECTATIONS include (but are not limited to):

1. *Connecting with and welcoming* all people in the community,
2. *Engaging passionately and growing* in the five markers of a vital congregations,
3. *Creating* an environment for risk-taking and innovation,
4. *Supporting* the growth and development of transformational leaders and radical disciples, and
5. *Share generously* including 100% of shared ministry and billables.

GNJ EXPECTATIONS – To achieve our vision and mission, GNJ is compelled to shift how it thinks and carries out its ministry.

These shifts include:

1. From *managing* clergy and congregations **to being in relationship with** clergy and congregations.
2. From Conference *programming* **to** Conference *resourcing* leaders and local congregations.
3. From *telling* clergy and congregations *what to do* **to** *supporting* clergy and congregations *to innovate and create* how they will make disciples, grow vitality and transform the world in their context.

Therefore GNJ will focus on growing vital congregations and resourcing leaders and congregations.

GNJ RESOURCES congregations and transformational leaders that are ready and desire to become vital and more like Christ. Our primary resources are coaching, PaCE and Laity Pursuing Excellence groups, Team Vital and Communities of Hope. These resources come alongside and center leaders and congregations in their calling, help them assess their present gifts and

GREATER NEW JERSEY'S STRATEGIC MINISTRY PLAN

challenges to set a vision, create a ministry action plan and provide support and technical assistance to achieve a God-sized vision. *Fruitfulness, faithfulness and effectiveness will be evaluated each year.*

GNJ EVALUATION includes three types of evaluations:

1. GNJ progress toward our vision, mission and developing vital congregations as well as its commitment to and quality of its resourcing leaders and congregations. This evaluation will be done in February and September and results will be reported to the annual conference session.
2. Congregational progress in the five areas of expectations and vitality will be evaluated every September and a report given and discussed at the charge conference.
3. Clergy leadership in the five areas of expectations will be evaluated in April. April is chosen so that it is not connected with salaries or appointments. The evaluation is a tool to help assess a pastor's progress and develop a plan for continued development.

GNJ GOALS

GNJ will grow from 14% to 41% vital congregations as it:

1. Increases the percentage of churches growing in worship attendance from 33% to 51%
2. Starts 90 new faith communities
3. Decreases the number of worshippers it takes to make a new profession of faith from 17 to 15
4. Increases the percentage of worshippers in small groups from 43% to 75%
5. Increases the number of young adults in small groups from 2820 to 3200
6. Increases our racial ethnic worshippers from 20% to 25%
7. Increases the percentage of worshippers engaged in mission from 8% to 40%
8. Increases local church dollars spent on mission 15% to 17%
9. Raises \$12 million through a mission campaign.

We believe accomplishing these goals will bear fruitful outcomes that include transformational leadership, radical discipleship, vital congregations and a transformed world as described above.

THE PATH TO VITALITY

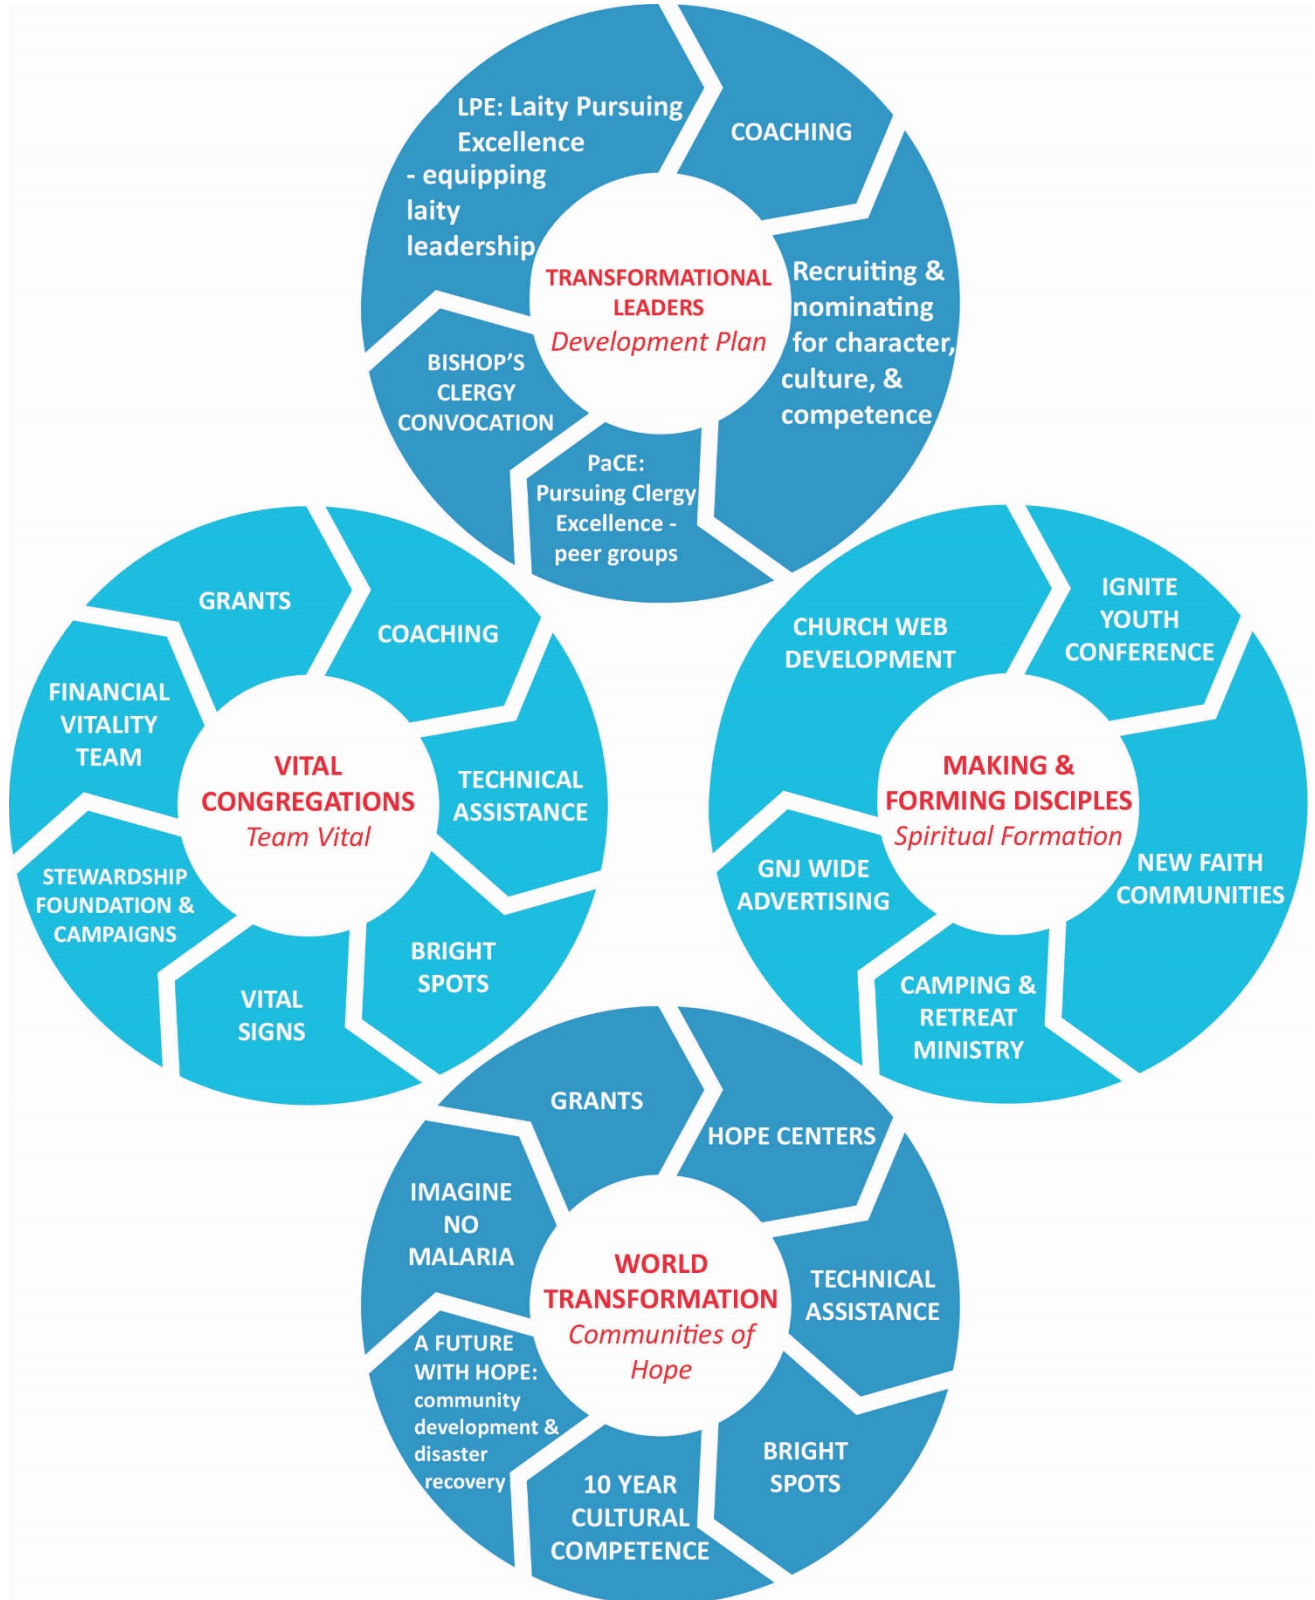

The ministry of GNJ is to fulfill a spiritual mission that requires a journey toward health and vitality. As the staff and GNJ leadership prayerfully and faithfully travel the path to vitality, we see more transformational leaders, disciples of Jesus Christ and vital congregations transforming the world.

GREATER NEW JERSEY'S STRATEGIC MINISTRY PLAN

RESOURCES

GNJ provides resources to develop transformational leaders, make disciples, grow vital congregations and transform the world

GREATER NEW JERSEY'S STRATEGIC MINISTRY PLAN

GNJ TRANSFORMATIONAL LEADERS: *Character, Culture, Competency*

We believe the church and the world needs transformational leaders. Leaders who form and inspire passionate disciples, grow vital congregations and transform the world. DAILY PROCEEDINGS OF THE EIGHTEENTH SESSION

OF THE ANNUAL CONFERENCE OF
THE UNITED METHODIST CHURCH OF GREATER NEW JERSEY

May 21-23, 2017

Wildwood, NJ

Sunday, May 21, 2017, 4:00 p.m.

LAITY SESSION

Rosa Williams, Conference Lay Leader, called the Laity Session to order and opened with prayer. Rosa Williams introduced the Laity Board and expressed her gratitude for their voices at the table this year. Youth and young adults in attendance were asked to stand and were welcomed.

Ms. Williams introduced Jay Brown, Director of Certified Lay Ministers, and thanked him and the newly certified lay ministers in attendance for their faithfulness.

Ms. Williams asked the delegates to General and Jurisdictional Conference to stand and thanked them for their service.

Ms. Williams informed the body that many churches demonstrated a turnaround this past year using the five markers of vitality. She informed the body that 25,000 people are now in small groups; 22,000 people are engaged in hands-on missions in our communities, and we have invested more than \$15,000,000 in missions.

Ms. Williams introduced George Lagos, Director of Lay Servant Ministry. Mr. Lagos thanked the body for all the calls and emails he has received over this past year and encouraged them to continue. He announced that graduation for Lay Servant Ministers will be on Saturday, June 3, at 10:00 a.m. He thanked Beverly Karlovich for all the work she does for the Lay Servant programs at the MRC.

Laity Leadership Academy

Ms. Williams informed the body that the 2017 Laity Leadership Academy will be held Saturday, Sept 9. Registration will open online on June 1, 2017. She discussed the six tracks being offered. She reminded the body that those who attend the Laity Leadership Academy and develop an action plan will be eligible to apply for seed grants of \$500.00 to start new ministries.

Lay Ministry Grant Recipients

A short video clip was shown highlighting one of the Lay Ministries honored this year.

Conference Award Recipients

The following 2017 Award Recipients were introduced by Marilyn Kinelski:

The Robert B. Steelman Methodist History Award: Rick Krassow, Friendship UMC

The Multi-Media Church History Award: Maries Mahler, Midvale UMC

The Harry Denman Evangelism Award: Judy Colorado, Springfield Emanuel UMC

The Harry Denman Evangelism Award: Megan Gallagher, Jackson UMC

Helen Alter Davidson Award: Rev. Fran Noll

Intercultural Competence

Ms. Williams spoke about the increasing cultural diversity in the country with GNJ being one of the most diverse conferences in the denomination. She asked "How do we develop leaders that are culturally competent and able to work across such a diverse spectrum?" She emphasized that intercultural competence is critical to success in ministry and encouraged laity to embrace diversity as cross-racial and cross-cultural appointments are made. Ms. Williams also stressed that those present at conference must help equip their congregations. She reminded the body that legislation was going to be introduced on Tuesday for a 10-year plan for cultural competence. She encouraged the body to consider how laity can help prepare congregational leaders and congregations for cross-racial and cross-cultural appointments, helping them understand that these are becoming the norm, not the exceptions. She stressed that lay leadership must become advocates of change in welcoming cross-cultural appointments in our congregations to provide safe, non-judgmental transitions for clergy to bridge all ethnic groups within communities.

DAILY PROCEEDINGS

Video

A video clip was shared from a recent conference-wide workshop on graceful conversations. It emphasized how important and transforming conversations with those different from ourselves can be.

Equipping Laity

Ms. Williams shifted to the topic of equipping laity for ministry. She read Ephesians 4:12-14, and reminded the body that the Laity Board continues to focus on equipping the laity by providing programs and opportunities. When laity is equipped, they are better prepared to meet the goals of the GNJ strategic plan around professions of faith, increasing small groups and reaching new persons.

Ms. Williams introduced Rev. Juel Nelson, the new Director of Leadership Development, to share her role in Lay Ministry. Rev. Nelson spoke about her personal history and how the laity in her home church invested in her and powerfully influenced her journey. She referred to the apostle Paul who likened the church to the body of Christ. She stated that when each part is working at its best, the church, the body of Christ, is its healthiest. Rev. Nelson said GNJ is at the very beginning of equipping the laity. She spoke of the two areas of focus: technical development and adaptive development. She explained that technical development equips the local church with knowledge and skills to lead with excellence. Adaptive development seeks to equip local churches to face challenges that may not have clear answers, like conflict resolutions leading through change or community organizing and fruitfulness through the five points of vitality. She encouraged the body to attend the workshops that are being developed.

Announcements

Rosa Williams made the necessary announcements. She thanked the United Methodist Men who would be setting up for the last session of the day.

MOTIONS

Rev. Robert E. Costello made a motion to take the vote for question 50b by written ballot. The motion passed. The ballot was taken and tellers retired to count the votes.

Rev. Costello read a motion requesting a declaratory decision from the Judicial Council, as follows:

"Bishop, I move that the Greater New Jersey Annual Conference request a declaratory decision from the Judicial Council on the following matter regarding the involuntary leave of Jisun Kwak:

"What is the constitutionality, application, meaning and effect of Paragraphs 636 and 362.2 of the 2012 Book of Discipline in regard to ensuring 'that the disciplinary procedures for discontinuance of..., involuntary leave of absence (Para 355),...are properly followed' in the case of the Rev. Dr. Jisun Kwak where her numerous objections were dismissed by the Administrative Review Committee without a fair process hearing with her or her counsel, where the results were not given to her until the meeting of the clergy session seven months after she entered her request for review with them and after reminders from her on two further occasions that she had presented her objections for review?

"Challenges and objections presented included, but are not limited to (a copy is available):

"the challenge by the respondent that Bishop Schol held a supervisory meeting on June 6th, exerted coercive influence on her by giving her a proposed resolution that was presented to her at the meeting, and by giving her only 3 days to execute the resolution, without having even filed a complaint, in violation of previous Judicial Council rulings; "included also was the objection that Bishop Schol admittedly held ex parte meetings with members of the Board of Ordained Ministry Executive Committee and the Board of Ministry itself prior to their hearings, in direct violation of prohibitions set forth in Paragraph 362.2d;

"included also was the challenge that Bishop Schol failed to handle the matter in a timely manner as required in Paragraph 362.2 and 363.1b, by first suspending the respondent and then seeking an involuntary leave of absence,

DAILY PROCEEDINGS

without having his chosen Counsel for the Church file a complaint as of May 21, 2017, and further noting that Judicial Council decision number 973 clearly indicates that making a request for an involuntary leave of absence does not constitute the filing of a complaint.

“Further, what is the constitutionality, application, meaning, and effect of the various paragraphs and Judicial Council Decisions cited in the objections individually or collectively presented by Rev. Dr. Kwak to the Administrative Review Committee with respect to being sufficient grounds to overturn the recommendation for involuntary leave of absence?”

“Further, we request from the Judicial Council a declaratory decision on the constitutionality, application, meaning and effect of Paragraphs 355.2a (2012 Book of Discipline) as used in the putting of Rev. Dr. Jisun Kwak onto involuntary leave of absence without a fair process hearing, particularly in light of the entire process being based on untested allegations, in violation of the presumption of innocence until such time as a fair process could only be completed with the filing of a complaint, the findings of the Committee on Investigation, and a trial as set forth in Paragraph 2701 (2012 and 2016 editions) and elsewhere in the Book of Discipline, and in accordance with provisions set forth in Paragraphs 2701 to 2716 in the 2012 edition and 2701 to 2719 in the 2016 edition, in light of the fact that Paragraph 362.1a was violated by the respondent being denied fair hearing prior to the final decisions on her status.

“Further, we request from the Judicial Council a declaratory decision on the constitutionality, application, meaning and effect of the requirements of separation of powers as noted in Judicial Council decisions 915, 1156, 1216 and elsewhere, particularly in light of the fact that the entire process was led by the bishop, based merely on allegations and that the Administrative Review Committee report indicated that its focus was merely on timelines in the process, and the entire process was not reviewed by the Administrative Review Committee as required by paragraph 636 of the Book of Discipline.”

The motion passed. Rev. Costello announced that he needed to type the motion and would present it when it was ready. *(It was presented to the Conference Secretary following adjournment of Annual Conference at 12: 32 p.m. Tuesday, May 23, 2017. The text above is based upon that submission.)*

A recess was taken for dinner.

REPORT OF VOTE

After the recess, Bishop Schol reported the result of the vote: 122 yes votes, 137 no votes. Question 50b to continue Rev. Jisun Kwak on Involuntary Leave of Absence was not supported.

QUESTIONS 52-72

The remainder of the Board report from the Board of Ordained Ministry was presented and approved.

Bishop Schol acknowledged all the retirees.

The Clergy Report in its entirety was presented for approval. The entire report was approved with the exception of question 50b.

Rev. Dr. Gina Hendrickson, Dean of Cabinet for GNJAC presented the proposed process for initiating part-time appointments and then made a request for a decision of law.

REQUEST FOR DECISION OF LAW

Rev. Dr. Gina Hendrickson, Dean of Cabinet for GNJAC, submitted the following request: “Bishop Schol, I ask for a decision of law. Does the cabinet’s process for initiating part-time appointments abide by the requirements of paragraph 338 of the Book of Discipline?”

This was received, and the session adjourned at 6:10 p.m.

He rejoiced at how God is at work in our midst. He stressed how, by doing good, GNJ continues to make God’s work visible in local areas. The bishop stressed that by doing this work, we have reason to be joyful. He stated that joy is sustained by hope, which lives at the edges of faith. It is rooted in the conviction that God’s grace prevails, that love wins, and that Jesus Christ makes all things new. Bishop Schol went on to celebrate the positive results that have happened over this past year throughout the conference. He led the body in “Re-joicing” over these accomplishments. Bishop Schol spoke about some of the challenges the conference and denomination has faced as well. He reminded the body that the denomination has rarely fully agreed on any issue. He encouraged GNJ United Methodist’s lead the way showing how to be diverse while still being able to thrive and grow – let GNJ lead the way. He rejoiced in the diversity in the conference.

Bishop Schol spoke about the geo-political shifts happening in our nation and how he is concerned about what is going on in the world. He called the body to be remain faithful and biblical in our response. He reminded the body that scripture has always been clear: we are to welcome the stranger, the refugee and the immigrant. He reminded the body that as the world is full of rhetoric that heightens conflict, we are called to stand firm in our values and engage in conversations that glorifies God and witnesses to the life of Jesus Christ.

Bishop Schol spoke about the challenge of the changing society and how we are not changing fast enough. He shared how

some churches have changed and grown. He told the body that all can do this; the path may seem daunting but is not difficult. He described four pillars needed to accomplish this: passionate faith, transformational leaders, vital mission congregations and financial resources.

Bishop Schol announced that the CFA has proposed a budget for 2018 that decreases apportionments for local churches, which was received with a 're-joyce'. He explained that while decreasing apportionments, the conference is developing other financial streams of income through the Foundation. He explained how the Foundation is increasing its net worth because more churches are investing through it.

Bishop Schol concluded encouraging the body to rejoice, for God is doing great through us.

She reminded the body that one of the reasons we are here this day is to acknowledge the lives of those we now miss. She focused on 1 Peter 5:7, which tells us to cast all our anxiety on God. This in turn echoes the psalmist who said, “cast all your cares on the Lord and God will sustain you.” If we follow this instruction, she told us, we will get through our grief. She reminded the body that the Lord has the power and ability to use our burdens, trials and sufferings for God and God’s glory.

LEADERSHIP ADDRESS

Bishop Schol introduced Rev. Hector A. Burgos, Director of Connectional Ministries, who led the presentation of the leadership address. The presenters were: Rosa Williams, Conference Lay Leader; Rev. San-Won Doh, Chair of the Connectional Table; Rev. Vanessa Wilson, Chair of the Commission on Race and Religion; Rev. Debbie Barnett, Chair of the Council on Youth Ministries, and Rev. Blair Goold, Chair of the Council on Young Adult Ministries. Each spoke about the progress being made and the adaptive challenges being faced in fulfilling the mission and the God-sized strategic goals set forth for our ministry together.

Rosa Williams presented statistics on the growth of small group ministries, disciples serving in mission and the diversity of worshippers in our congregations.

Rev. Burgos discussed new resources being developed to equip our spiritual leaders, both clergy and lay, and how engagement goals were set. He recognized ministry happens at the local churches, so district superintendents and the Connectional Ministries team promote the use of the resources in the local church.

Rev. Sang-Won Doh discussed challenges we are still facing. While there has been some progress, we continue to struggle in creating new and relevant spaces for new and diverse people and to provide for the needs of the rising generations in our mission field. He explained that although many churches continue to consolidate and budgets are decreasing, missional needs continue to grow. He stated that despite these challenges, God has been seen at work through our resources. Rev. Doh explained to the body that because of collaboration between the Board of Ordained Ministry and the Board of Laity, a new Leadership Development position has been created that will continue to develop transformational lay leaders. He announced that Rev. Juel Nelson will be joining the GNJ staff in the new role as Director of Leadership on July 1.

Rev. Vanessa Wilson presented the goal of making our congregations welcoming for all of God's children. She reminded the body that a shift from diversity to intercultural competence takes time and requires intentionality and perseverance, but with God's help, growing intercultural competence will allow us to respectfully and faithfully fulfill our mission to make disciples of all nations.

Rev. Debbie Barnett spoke about the importance of young people in GNJ. She announced that the leadership of GNJ, in collaboration with the GNJ Camping and Retreat Ministries Board, has drafted a Next Generation Ministry Plan which is intended to nurture new generations of enthusiastic young disciples.

Rev. Blair Goold spoke about campus ministries and its collaboration with GNJ's Mosaic initiative.

Rosa Williams spoke to the goal of reinvigorating GNJ camps so they are mission-focused, debt free and sustainable.

Rev. Sang-Won Doh explained how we must trust God and then leverage the resources available so we can dream big while using the finances available to us.

Rev. Hector Burgos thanked the body for being faithful disciples of Jesus Christ and for all that is being done in communities to witness the healing love of God.

DAILY PROCEEDINGS

SPEAKER

Bishop Schol introduced Erin Hawkins, General Secretary on the Commission on Religion and Race (GCORR). Ms. Hawkins gave a history of the Commission on Religion and Race, stating it started in 1964 with the requirement from the merger of the Methodist Church and the United Brethren church that the church be desegregated. Ms. Hawkins explained that the key focus of the GCORR is in three areas: Intercultural competency, institutional equity and vital conversations. She shared that a recent poll stated that the longer a church is in an area, the less they know the people in their community. She went on to speak on how global the world has become and how interconnected and tied together we are. She challenged the body to think about how to live in a world that continues to build walls when Jesus has already determined that the walls have come down.

VIDEO

A video titled 'The Lunch Date' was shown.

After the video, Ms. Hawkins asked, 'what did people see?' People saw grace, racism, privilege and aggression. She explained that what we see is based off our culture, and this shapes our judgement. She used the metaphor of glasses for culture, explaining that the lens in glasses help inform what we see just as culture helps inform what we see, but at some point, we need to ask ourselves if we need new prescriptions to see the world in a better way, to have a cultural shift.

Ms. Hawkins read John 8:1-8, the passage about the woman to be stoned for adultery. Jesus did not condemn her. She explained this passage from a cultural perspective and how Jesus chose not to see or live by those cultural norms. She encouraged the body to choose to live by looking through different lenses and to be bridge builders, connecting all people.

Ms. Hawkins commended the GNJC for working on a ten-year plan on intercultural competency. She applauded this commitment.

Ms. Hawkins ended by encouraging the body to be bridge builders, not because intercultural competency is a good thing, but because it is what Jesus calls us to be and do for those who are far away and bring them near.

Bishop Schol thanked Ms. Hawkins and presented her with a gift of a cross as a thank you and an appreciation of her work. He offered a prayer.

MOMENT OF PRIVILEGE

Bishop Schol invited Geoffrey Tillisch forward and thanked him for loaning him one of his favorite spinners. Geoffrey then gave Bishop Schol his own new, purple spinner.

VIDEO

A video "Rejoice in Justice" was shown.

SPEAKER

Bishop Schol introduced a former Associate Justice of the New Jersey Supreme Court, Gary Stein to speak of a program that is working to desegregate the New Jersey school systems. Bishop Schol explained that New Jersey has one of the most segregated school systems in the country and that Justice Stein is working on a project to change this.

Justice Stein reiterated that New Jersey has among the most intensely segregated school system in the nation, segregated both by race and by poverty. He gave statistics about the current school system across the state, as to how districts are divided by race. He explained that schools that serve black and Hispanic students are likely to fail due to the facts that there is high teacher turnover, lack of strong parental support, poor facilities and low motivation to succeed. He stated that when schools are diverse racially, ethnically and economically, students are more likely to do better, graduate and attend college.

Justice Stein explained, historically New Jersey has been segregated since WWII and continued to be so into the 1990's. In the 1990's the courts judged that schools in the poorest districts were to be provided the same funding that wealthier districts provided their schools. This ruling was based on financial reasons only; racial discussions were not considered.

Justice Stein explained many suburbs practiced "exclusionary zoning" requiring large lots to keep out low and moderate-income families from moving into those areas. Even the federal government, through HUD and Veterans Administration, had "exclusionary" practices to stop racial mixing of developments and towns.

DAILY PROCEEDINGS

A coalition of diverse New Jersey schools has been formed to address this issue of segregation. Justice Stein is a member of this group and explained the solutions they have come up with, such as county-wide school systems, magnet schools and busing. He gave examples of success stories from different states using these solutions.

Justice Stein ended by stating that he and his colleagues are committed to change the course of the educational system in New Jersey and he hoped that United Methodist congregations would join in when possible.

Bishop Schol thanked Justice Stein for his presentation and presented Justice Stein with the book *Switch: How to Change Things When Change is Hard*.

Bishop Schol noted that within our conference we have one hundred and fifty multi-cultural congregations, one hundred cross-cultural appointments, and nine languages spoken in our churches.

SERVICE OF PASSAGE

The Service of Passage began with the song 'Today Is the Day' while Bishop Schol, the District Superintendents and other participants processed to the dais. Rev. Dr. Regina Hendrickson opened with the call to celebration and introduced the retirees.

Bishop Schol celebrated and gave thanks for all the years of leadership the retirees have given to the church.

The newly ordained came forward and Bishop Schol read their names. They stood before the retirees. The retirees anointed the new full members.

Bishop Schol explained the biblical and historical symbolism of the passing of the mantle, reminding the body that for centuries the mantle has been passed to men and women who were gifted and called to make disciples to build up the body of Christ. The mantle was symbolically passed from the retirees to the newly ordained.

Rev. Eunice Vega-Perez called forward the newly commissioned class and instructed them to stand before the newly ordained. Explaining that a portion of the mantle also falls on them, the newly ordained passed on a portion of the mantle to the newly commissioned class as well as anointed them.

Rev. Dr. Varlyna Wright introduced the newly appointed local pastors and called them forward to stand in front of the newly commissioned. The commissioned symbolically passed on a portion of the mantle to them and anointed them.

Rosa Williams, holding the mantle, invited all the new certified lay ministers in the congregation to stand so they could be recognized. Afterward, Williams passed the mantle through the congregation.

Bishop Schol took a moment to recognize Rev. Dr. Varlyna Wright, who was retiring. He celebrated her ministry within GNJ.

2016 Conference Legislation Follow Up

Rev. Dr. Gina Hendrickson, Dean of the Cabinet, came forward to report on two pieces of legislation that was carried over from last year's annual conference. She spoke first that the legislation 'Affirming Our Covenant and Accountability' would have required or recommended action by the Bishop and conference concerning homosexuality and may have had some question if it would be in order. She informed the body that, after prayerful consideration, the cabinet decided it would not act on this or bring the legislation to the conference until the Commission on a Way Forward completed their work and the 2019 Special General Conference was held.

The second piece of legislation was 'Create New Rule #86 in GNJ Rules of Order'. She stated that the cabinet reviewed this legislation and determined that the Book of Discipline, paragraph 2549 already has a clear process in place to deal with the issues raised in that legislation.

Rev. Hector A. Burgos spoke on legislation from last year that would require the remaining balance from the Peace and Justice grants be distributed to food pantry ministries within the conference. QUESTION OF LAW

Rev. Robert E. Costello presented the following question of law: "In light of action taken on May 21, 2017 in the executive session of this 2017 Greater NJ Annual Conference meeting, in which the clergy session acted on question #50 of the business of the conference, regarding paragraph 354 (2016 edition) 355 (2012 edition) in the *Book of Discipline*; and in which the clergy turned down the Board of Ordained Ministry's recommendation for an involuntary leave of absence dating back to October 22, 2016; and further in light of judicial council decision 1230, in which a clergyperson was forced to retire involuntarily and that retirement was overturned by the Judicial Council and all compensation was restored; (see also decision 1270); In order to be made whole, should Dr. Jisun Kwak receive from the conference the full salary, and all pastoral benefits including housing, health insurance, pension credit and funding, and travel expenses that she was receiving in her appointment, from the time her involuntary leave began until she is back in an appointment or until, through appropriate process, she is determined to be ineligible for appointment, and that the rate of such compensation should be at the level she was receiving as of October 22,

32) **Tabling Related Motions** – No motion that adheres to another motion or has another motion adhering to it can be laid on the table by itself. If they are laid on the table, such motions carry with them the motions to which they respectively adhere or which adhere to them.

RULES OF ORDER

33) **Motions After Speaking on a Pending Question –**

a. A member may make a motion after a speech, although strict parliamentary practice requires motion to be made and seconded before a speech is made so the Conference may determine if it wishes to hear the matter.

b. No member who has spoken on a pending question shall at the close of the speech have the right to call for the previous question, to move for indefinite postponement, or to lay the motion on the table.

34) **Previous Question –** To move the previous question is to move that the vote now be taken on the motion or motions pending.

a. When moving a previous question, a member shall indicate to what such action applies if any secondary motion or motions are pending. If the member does not so indicate, the chair may regard it as applying only to the immediate pending question. This vote shall be taken without debate and if, in the judgment of the chair, two thirds (2/3) of those present vote for its adoption, the vote shall be taken on the motion or motion to which it applies.

b. It shall not be in order to move the previous question in cases involving character or Conference relations, or where the Rules otherwise expressly limit when it is in order to move the previous question.

35) **Reconsideration of a Question –** A motion to reconsider an action of the Conference shall be in order at any time during the prevailing session if offered by a member who voted with the majority. If the motion it is proposed to reconsider is not debatable, the motion to reconsider may not be debated.

But any motion may be withdrawn or altered by the mover with the consent of the Conference at any time before voting has commenced.

39) **Amendments and Substitutions –**

a. Only one amendment to an amendment shall be in order.

b. It is in order to move a substitute for the main motion. In such case, the Chair shall proceed to perfect the original motion. When the main motion has been perfected, the Chair shall state the question on the substitute. If the substitute is adopted, it shall replace the original main motion and become the main motion. The Chair will then state the question on the (new) main motion. The new main motion can be amended only by addition. If the substitute does not carry, the Chair shall state the question on the original main motion as it has been perfected.

40) **Order of Amendments –** When a main motion, report or resolution is under consideration, only one amendment and one amendment to that amendment are permissible. While there can be only one amendment of each degree pending at the same time, any number of amendments can be offered in succession. A substitute and one amendment to the substitute may be offered while amendments of the first and second degree are pending. The permissive order then is: 1) main motion, 2) amendment, 3) amendment to the amendment, 4) substitute, and 5) amendment to the substitute. The voting in this order is 3, 2, 5, 4, 1. If the substitute becomes the main motion, it shall be treated as such.

43) **Method of Voting** – Voting shall be by voice vote and/or show of hands, or by standing count (provided that in such a count those who cannot stand may vote by raising hands), or by ballot, at the discretion of the Presiding Officer, unless otherwise ordered by the Conference. It shall be in order for any member to call for a vote by count on any question before the Conference, and, if the call be sustained by one-third (1/3) of the members present and voting, a vote shall be taken as called for.

44) **Robert's Rules of Order, Supplemental Authority** – In any parliamentary situation not covered in these Rules of Order, the Conference shall be governed in its action by the appropriate provisions of the latest revision of *Robert's Rules of Order*.

d. No person shall speak more than once on the same question without permission of the Conference, except as provided under g) below.

h. Except for non-debatable motions, no report or motion shall be put to the question without the opportunity having been given for at least two (2) speeches for and two (2) speeches against the pending question. After two (2) speeches pro and two (2) speeches con and provided no secondary (subsidiary, privileged--other than "previous question"-- or incidental) motions come to the floor and no other member seeks the floor to speak on the pending question, the question shall automatically be put to the question.

j. The motion for the previous question shall not be in order on the pending question until opportunity has been given for at least two (2) members to speak on each side of the pending question. If, after reasonable opportunity has been offered by the chair, no member has requested to speak against a resolution, motion or amendment, any member may move the previous question, to close debate. Likewise, if one member has spoken against a resolution, motion or amendment, but, after reasonable opportunity has been offered by the

47) **Representation of Committees** – When the chairperson of a Conference agency is not in harmony with a report or recommendation adopted by the agency, it shall be the chairperson’s duty to state the fact to the agency. The agency may then elect one of its members to represent it in the presentation of the report or recommendation in Conference. If the committee fails to elect such a representative, the chairperson may designate a member to represent the committee.

48) **To Limit or Extend Debate** – To move to limit or extend the limits of debate is in order at any time, except when a member has the floor, except as otherwise specifically provided elsewhere in the Rules.

49) **Interrupting the Speaker** – No one shall interrupt a member who has the floor except for a breach of order, a misrepresentation, a departure from the question, to direct the attention of the Conference that the time has arrived for a special order of the day, or to raise a very urgent question of high privilege.

50) **Questions of Privilege** – All requests from the floor to be recognized for matters of privilege must be made in writing to the Conference Secretary. They shall state the reason for the request to address the conference and the purpose of the request. The requests will be reviewed by a committee composed of the Conference Lay Leader, Conference Secretary, and the Chair of Conference Sessions. The committee shall recommend to the Presiding Bishop whether or not to recognize the requestor for the purpose of presenting the matter of privilege. The Presiding Bishop shall have sole authority in receiving and acting upon the recommendation of the committee.

51) **Announcements, Courtesy Presentations and Distribution of papers** –

b. Any person or agency requesting an emergency offering should contact one of the Team Coordinators, who will present the matter to the Cabinet and the Council on Finance and Administration. An expenditure item shall be budgeted for the year when it is expected to be spent, and it shall be spent only in the year for which it is budgeted. When uncontrollable circumstances warrant, an emergency request may be directed through the Ministries Team to the Council on Finance and Administration for a budget adjustment.

All speakers will be notified when ten seconds remain of their time. The speaker will be allowed to finish a sentence at the expiration of allotted time. Then, that microphone will be cut off and the next speaker will be recognized. This will continue until the total allotted minutes have elapsed or everyone who wished to be recognized had an opportunity to speak, whichever comes first. No subsidiary, privileged or incidental motions will be in order during this time of discussion.
- 5) The regular business of the Conference will then resume.

At a previously noted time during plenary session on the following session day, the petitions will be voted upon by secret written ballot. Thirty minutes will be allotted for this vote. No debate or motions will be in order at this time.

XIII. HOLY CONFERCING PROCEDURE FOR PROPOSED CONSTITUTIONAL AMENDMENTS

2. Upon conclusion of the opening presentation, the Bishop shall bring the Conference into silent prayer for two minutes.
3. Then up to ten minutes will be provided for members to share what they heard with their fellow Christians seated to their immediate left and right. This is not a time for debate, but rather to listen to what their neighbors heard.
4. The Bishop will then call the Conference to order. Members will then have the opportunity to share their thoughts with the Conference. Sixty minutes will be allotted for this. No member may speak longer than two minutes. Each speaker will be notified when ten seconds remains of their time. The speaker will be allowed to finish a sentence at the expiration of their time. Then, that microphone will

be cut off and the next speaker will be recognized. This will continue until sixty minutes have elapsed or everyone who wishes to speak has been recognized whichever comes first. No changes are permitted to be made to Constitutional amendments.

5. The regular business of the Conference will then resume.

At a previously noted time during a subsequent plenary session, the amendments will be voted upon by secret ballot. Members will be able to vote in favor of or against each individual amendment. If a member wishes to abstain, the member will leave the ballot blank for that particular amendment.

Should any of the foregoing Rules of the Greater New Jersey Annual Conference be in conflict with the provisions of the current Book of Discipline, then the provisions of the Discipline shall take precedence.

Frankford Plains United Methodist Church, Sussex County, NJ, Historic Site

Whereas Frankford Plains United Methodist Church is one of the oldest, if not the oldest church, in Sussex County, New Jersey with German Lutherans having built its first log cabin church in 1710.

Whereas Methodism came to the area through the ministry of Ezekiel Cooper and Thomas Morrell, who organized the Methodist society, which gained control of the church by 1787.

Whereas other early Methodist itinerates who preached at Frankford Plains included L. D. Bently, John Discona, and future Methodist luminaries such as, Jesse Lee, Robert Strawbridge, Nathan Bangs, Manning Force and Bishop Francis Asbury.

Whereas the third church building, dedicated in 1809, was well known in the area as the “Frankford Union Meeting House” and the “Old Plains Church,” hosted many groups needing a place to worship.

Whereas a multi-month revival under the ministry of Rev. J. Runyon following the Civil War brought up to 1500 worshippers to the church and led to 176 conversions; 142 of whom joined the church.

Whereas “The Plains Church”, housed in the fourth and present church building constructed in 1860, was pastored by many Drew Theological School students, who went on to serve throughout the Annual Conference, and nurtured many sons and daughters of the congregation, including, Howard Voelker, Herbert Heins, Corrie May Audema Cieslukowski and Alfred Jaeger, among others, who entered ordained ministry.

Whereas The Plains Church hosted “The Great Cornfield Rainbow Revivals” in the 1990s and many of its disciples have participated in spiritual programs, like Walk to Emmaus, and served as lay speakers.

Whereas an octagonal school house, built in 1860 to educate local children, was deeded to the church and restored by the church to be a Sunday School in the 1990s.

Whereas the neighboring cemetery, though incorporated separately, has been associated with the church for over 300 years and contains the sites of the original 1710 log chapel and the second church building; a wood-framed meetinghouse erected in 1750.

Be it resolved that the United Methodist Church of Greater New Jersey recognize the Frankford Plains United Methodist Church as a Conference Historic Site.

Rationale: Frankford Plains United Methodist Church is one of the oldest continuously active congregations in Sussex County and the Annual Conference. It experienced the preaching of many early Methodist Circuit Riders, including Bishop Asbury, and has served the spiritual needs of the surrounding area and actively nurtured lay and ordained ministry for over three centuries. Its influence has touched countless lives and gone well beyond the borders of Sussex County.

St. John United Methodist Church (Fordville), Cumberland County, NJ, Historic Site

Whereas St. John United Methodist Church (Fordville) in Fordville, New Jersey is the home church to many members of the Nanticoke Lenni Lenape Nation in Cumberland County, New Jersey.

Whereas many church members and Elders of the Tribe can trace Methodist roots back to the ministry of Reverend Michael Swain, who first itinerated to the area in 1799.

Whereas predecessor families of the St. John United Methodist Church (Fordville) split off from neighboring churches to form a Methodist Episcopal Church to maintain their tribal roots and traditions; and this congregation was chartered in 1841.

Whereas the church building has been a place of meeting for tribal affairs when none were available or allowed and a place of ministry to help the spiritual and physical needs of those in need.

Whereas disciples from St. John United Methodist Church (Fordville) currently serve on the Tribal Council of the Nanticoke Lenni Lenape Nation; one for over forty years.

RECOMMENDATIONS

Whereas St. John United Methodist Church (Fordville) once self-identified as a “hidden” church, because its heritage was not welcomed by Caucasian Methodists who forced it into the segregated Delaware Conference and since has become a leader in Native American ministries to The United Methodist Church of Greater New Jersey and reaches beyond to the Northeast Jurisdiction.

Whereas St. John United Methodist Church (Fordville) assisted the Annual Conference to plan a Service of Repentance, as directed by the 2012 General Conference.

Whereas St. John United Methodist Church (Fordville) developed a summer Bible program for children and youth emphasizing its native heritage, which has been recognized for its uniqueness by Christian educators.

Whereas St. John United Methodist Church (Fordville) is a diverse congregation with a strong Native American heritage that welcomes all who come to worship in many styles; including fifth Sunday heritage services which engage youth as drummers and dancers.

Be it resolved that The United Methodist Church of Greater New Jersey recognize St. John United Methodist Church (Fordville), in Fordville, New Jersey as an Annual Conference Historic Site for its unique ministry among the Nanticoke Lenni Lenape Nation.

Rationale: St. John United Methodist Church (Fordville) is a historic Native American congregation with strong roots and ties within the African American and Anglo communities, as well as among members of the Nanticoke Lenni Lenape Nation. Since the coming of Methodism around 1799, member families, who split from other churches in order to maintain their Native American heritage, have continued to worship God as Methodist Christians. In recent years this previously “hidden” church has become active in the Greater New Jersey Conference and beyond to share their heritage and ministry. The disciples of the Church are celebrating 175 years of history and ministry. It is appropriate to recognize their milestone for a unique and faithful church.

The Old Stone Church / St. Paul’s United Methodist Church, Nyack, Rockland County, NY Historic Site

Whereas the First Methodist Episcopal Church in Nyack, New York was built by the Methodist Society of Nyack in 1812, opened for worship in 1813 and was dedicated March 2, 1814.

Whereas the First Methodist Episcopal Church of Nyack was on the circuit of Bergen of the Eastern

Pennsylvania Annual Conference and served by such future important Methodist preachers as Manning Force and George Banghart.

Whereas the Methodist Episcopal Church of Nyack became known locally as “The Old Stone Church” and as the “Mother Church” for Methodism in the Nyack region.

Whereas the congregation of the First Methodist Episcopal Church in Nyack, New York outgrew the Old Stone Church building, moved to a larger edifice in downtown Nyack in 1844, changed their name to the Second Methodist Episcopal Church and continued to grow, reaching a membership of 250 in 1873.

Whereas the congregation was reorganized and incorporated as “St. Paul’s Methodist Episcopal Church” in 1877 and was honored to host the 28th Session of the Newark Annual Conference in 1885.

Whereas the congregation continued to grow, built another church building in South Nyack in 1894, added a larger sanctuary in 1910, reached a church membership of 350 before World War II and contributed many leaders to the Conference in the twentieth century.

Whereas The Old Stone Church was recognized as the oldest existing church sanctuary in Rockland Country, New York and was named to the National Register of Historic Places on February 20, 1998, and St. Paul’s United Methodist Church was additionally named to the National Register of Historic Place on March 12, 2001.

Therefore be it resolved that “The Old Stone Church” in Nyack, New York, be recognized by The Methodist Church in Greater New Jersey as a Conference Historic Site.

RECOMMENDATIONS

Rational: The Methodist presence in Nyack and surrounding Rockland County benefited from access to transportation and provided ministry to the growing population of the county along the Hudson River. The Methodist Society first erected a small church building constructed of locally quarried sandstone, which continued as a place of worship long after the Methodists moved to larger quarters in the business section of Nyack, the commercial hub of Rockland County. The members served Christ, for more than one hundred and seventy-five years. The historical significance of the Old Stone Church and the later St. Paul's church complex are each separately recognized on the National Register of Historic Places, so it is fitting for the Annual Conference to recognize the historic nature of the congregation that created both of those sites and pioneered Methodism in the Nyack, New York area.

2016 General Conference Constitutional Amendments The United Methodist Church

(These Constitutional Amendments were voted upon by the Annual Conference, with the results sealed until all Annual Conferences have voted. It will not be known until that time whether these Constitutional Amendments were approved or not. They are included here for informational purposes only.)

Rationale for Proposed Constitutional Amendments

Voted General Conference May 2016

- I. (New ¶ 6) The Constitution contains a paragraph on racial justice but not one on gender justice. The language of this petition is parallel to the language of Article 5 on racial justice already in our Constitution. It is an affirmation that, as part of our core foundational beliefs, this church will forever stand against any actions, organizations or individuals that discriminate or dehumanize women and girls anywhere on this planet.
- II. (¶ 4) Adding "gender" (meaning male and female) to the Constitution affirms and protects The United Methodist Church's commitment to gender equity throughout our worldwide connection. "Gender" is the disciplinary term for fair treatment of women and men (e.g., ¶16). The addition of the proposed final clause allows gender-specific groups like United Methodist Women and United Methodist Men.
- III. (¶ 34) The provision in ¶ 13. *Article I. 2*, "Delegates shall be elected in a fair and open process by the annual conferences," is unduly vague. The addition of this one sentence to paragraph 34 of *The Book of Discipline* helps clarify that General Conference delegates shall be elected by the body of annual conference instead of simply being appointed by the bishop. Bishops appointing delegates without delegates being properly elected has been a practice in some central conferences.
- IV. (¶ 46) As is the case for the jurisdictions, episcopal elections in the central conferences should be held in the regular sessions of those conferences, except when unexpected vacancies occur because of the death or early retirement of one or more bishops.
- V. (¶ 50) Judicial Decision 475 ruled unconstitutional the Council of Bishops holding its individual members accountable for their work, referencing ¶ 50 of the Constitution. This legislation follows Judicial Decision 1275 requirement of a legislative resolution from General Conference so the Council of Bishops may provide oversight of its members.

Proposed Constitutional Amendment – I

On May 16, 2016, at a session of the General Conference of The United Methodist Church held in Portland, Oregon, the following Constitutional Amendment was adopted by a recorded vote of 746 Yes, 56 No (Calendar Item 121, DCA p. 2106). It is now presented to the Annual Conferences for vote.

In the 2012 *Book of Discipline*, Division One, add a new paragraph between current ¶¶ 5 and 6:

As the Holy Scripture reveals, both men and women are made in the image of God and, therefore, men and women are of equal value in the eyes of God. The United Methodist Church recognizes it is contrary to Scripture and to logic to say that God is male or female, as maleness and femaleness are characteristics of human bodies and cultures, not characteristics of the divine. The United Methodist Church acknowledges the long history of discrimination against women and girls. The United Methodist Church shall confront and seek to eliminate discrimination against women

RECOMMENDATIONS

and girls, whether in organizations or in individuals, in every facet of its life and in society at large. The United Methodist Church shall work collaboratively with others to address concerns that threaten the cause of women's and girl's equality and well-being.

If voted and so declared by the Council of Bishops, this would become the new ¶16, and the current ¶¶ 6-61 would be renumbered as ¶¶ 7-62.

Proposed Constitutional Amendment – II

On May 20, 2016, at a session of the General Conference of The United Methodist Church held in Portland, Oregon, the following Constitutional Amendment was adopted by a recorded vote of 509 Yes, 242 No (Calendar Item 429, DCA p. 2212). It is now presented to the Annual Conferences for vote.

In the 2012 *Book of Discipline*, Division One, ¶4, Article IV, amend by deletion and addition as follows:

After "all persons" delete "without regard to race, color, national origin, status, or economic condition". After "because of race, color, national origin," delete "status," and add "ability". At the end of the paragraph, add "nor shall any member be denied access to an equal place in the life, worship, and governance of the Church because of race, color, gender, national origin, ability, age, marital status, or economic condition."

If voted and so declared by the Council of Bishops, ¶ 4 would read:

The United Methodist Church is part of the church universal, which is one Body in Christ. The United Methodist Church acknowledges that all persons are of sacred worth. All persons shall be eligible to attend its worship services, participate in its programs, receive the sacraments, upon baptism be admitted as baptized members, and upon taking vows declaring the Christian faith, become professing members in any local church in the connection. In the United Methodist church, no conference or other organizational unit of the Church shall be structured so as to exclude any member or any constituent body of the Church because of race, color, national origin, ability, or economic condition, nor shall any member be denied access to an equal place in the life, worship, and governance of the Church because of race, color, gender, national origin, ability, age, marital status, or economic condition.

Proposed Constitutional Amendment – III

A Future With Hope, Inc. (“AFWH”) is a Vital Mission Partner which extends the mission as identified below. It was organized in 2012 to provide relief and recovery following Superstorm Sandy. Superstorm Sandy was the second worst storm in US history and left two million households without power and damaged a very large number of homes. AFWH was organized to provide immediate relief following the storm that included temporary and day shelter, home muck out, feeding programs, and clothing. It also was organized to provide case management, volunteer management and home repair/replacement including new modular homes. AFWH has already repaired or built more than 250 homes, housed and utilized more than 11,000 volunteers from 33 states and raised more than \$16 million dollars. It also recognized and set aside funds for rebuilding communities and community development ministry. Today AFWH is completing its recovery ministry and expanding into community development ministry.

AFWH’s community development ministry focuses in three areas:

1. Engaging congregations and communities in Communities of Hope training. Communities of Hope trains congregations and communities in strategic planning, community organizing, systemic change, and working inter culturally. At the end of the training, each Community of Hope team has a community strategic plan to guide its work.
2. Developing, overseeing and resourcing Hope Centers. Hope Centers are congregations and community centers affiliated with GNJ that identify and provide needed services within a community.
3. Leading community economic development projects that include housing development and repurposing church buildings.

Although GNJ and AFWH share missional purposes and goals and although both of them support conformity with the high standards of service, each recognizes the other as an independent entity, making independent governing decisions.

AFWH offers members of local churches of GNJ, opportunities to serve in mission in various ways including as members of its Board of Trustees (“Board”). The persons elected as Trustees do not represent, nor are they amenable to GNJ. The Trustees of AFWH operate autonomously from GNJ.

RECOMMENDATIONS

The Bishop or the Bishop's designate will serve on the Board of AFWH with voice and vote. The Treasurer of the Annual Conference will serve on the Board of AFWH as an ex officio member of the Board with voice but without vote.

The Board of AFWH will recommend nominees to the GNJ nominations committee who will move the nominations before the Annual Conference session who will elect Trustees of the AFWH Board. Nominees will have the skills necessary to serve the Board and ensure a diverse Board.

GNJ encourages and recommends that local churches and individuals contribute to the financial support of AFWH. This support is voluntary and without guarantee of amount or continuation. GNJ does not guarantee nor assume any responsibility for the obligations of AFWH.

The legal and financial relationships between GNJ and AFWH shall also be governed and controlled through a shared services agreement ("Services Agreement") with GNJ's rights and obligations being represented through its Council on Finance and Administration. The services agreement may be amended when deemed proper by GNJ and AFWH. All provisions of the services agreement are to be construed based on the principle that each party is independent of each other and separately responsible for its own actions.

This Statement of Relationship shall be reviewed and amended as necessary by AFWH and GNJ upon recommendation of their appropriate committees and Board. The date of approval by each of the parties shall be stated on the agreement.

Note: This Relationship Statement is in conformance with the *Book of Discipline of the United Methodist Church* (2012), ¶633.4.b. 2017 HEALTH INSURANCE GUIDELINES

The Plan provides secondary health insurance coverage for retirees who are receiving Medicare which requires both Medicare Parts A & B for coverage. The Plan is a non-vested current benefit for active and retired pastors and lay employees.

Continuation Coverage for up to an additional 12 months may be available through application to HealthFlex. Leave of absence is not an appointment, causes a break in appointment years, and does not accrue annuity credit towards health benefits in retirement.
- E. **Sabbatical Leave** (§351) Clergy placed on sabbatical leave may continue in the Plan for a period of twelve months, provided they pay the premiums. Continuation coverage may be available through application to HealthFlex. Sabbatical leave is not a break in appointment years for the purposes of health benefits in retirement.
- F. **Death** - Surviving spouses of clergy members are subject to the same rules (see Eligibility Guidelines #1 and 3) as the clergy member. Surviving spouses of lay employees of the Conference and District offices are subject to the same rules (see Eligibility Guideline #4 c) as the lay employee.

3. Energy audit every five (5) years.

RECOMMENDATIONS

Standards for Parsonages (Purchasing or Building a New Parsonage)

All parsonages shall meet local requirements for a Certificate of Occupancy.

All newly constructed or newly purchased parsonages shall be in full compliance with the dictates of the Book of Discipline. Consideration shall be made for those with handicapping conditions -

Provide on the ground-floor of a newly constructed parsonage: (1) one room that can be used as a bedroom by a person with a disability; (2) a fully accessible bathroom; and (3) fully accessible laundry facilities (§ 2544.4d)

1. Option One

- a. The use of maintenance-free materials in building and in finishing and furnishing, these contribute to keeping maintenance costs lower.
- b. The following room requirements:
 - i. Living Room/Family Room
 - ii. Dining Room
 - iii. Kitchen
 - iv. Study
 - v. Baths (2)
 - vi. Bedrooms (3)
- c. A minimum electrical service of 200 amperes.
- d. A garage of a size to accommodate 2 cars, plus room for storage of lawn mowers, bicycles, tools, garden equipment, ladders, paint supplies, etc.
- e. Space to store large articles of furniture and equipment.
- f. The use of materials meeting the most energy efficient standards for insulation and windows.
- g. Careful consideration should be given in choosing the location of the parsonage. This consideration might include the distance from the church, accessibility from main streets of the community and the church, the neighborhood and its future, and the community itself and its future growth.

2. Option Two

- a. The standards of Option One would apply with consideration by the church of purchasing, leasing, renting a townhouse or condominium. This option would be negotiated by the District Superintendent, the local charge and the pastor following consultation with the District Committee on Church Location and Building.
- b. The purpose of this option is to provide an alternative to the “traditional” church parsonage for ministry in special situations. Allowing for the wide variety of townhouse/condo choices, it is difficult to recommend a standard for such a setting.

Responsibility

1. Each pastor is responsible for:

- a. Furnishings for as many bedrooms as the family needs.
- b. Personal items such as television, vacuum cleaner, small appliances, dishes, glassware, flatware, cleaning tools, wastebaskets, and decorative accessories.
- c. The following regular maintenance:
 - i. Floor maintenance
 - ii. Trash disposal and recycling
- d. It is expected that the pastor shall provide tenant (renters) insurance, to cover property loss and personal liability.
- e. Restitution for any damage beyond normal wear and tear.
- f. Exiting pastor shall remove all personal items and furniture from the parsonage and property and leave in a “broom clean” state.

2. Each charge shall provide:

- a. Utilities – heat, electricity, gas/oil, water, sewage, and basic non-personal telephone services.
- b. Maintenance for all parsonage equipment.
- c. Basic furniture for all rooms except the bedrooms.
- d. Funds for the repair of the parsonage and its maintenance should be allocated and allowed to accumulate so that continuing care and major repairs can be made when needed.

Miscellaneous

1. We recommend that, in addition to the required written reports filed annually with the Annual Church Conference paperwork, there be a complete video/photo inventory of all church-owned furnishings in the parsonage. The inventory and all videos and photos shall be maintained annually.

RECOMMENDATIONS

2. It should be the responsibility of the Parsonage Committee to become acquainted with the parsonage and, after a new pastoral appointment, meet with the parsonage family to discuss the minimum acceptability of housing and furnishings, and to meet annually thereafter with the parsonage family.
3. During the transition of pastoral appointment – the Pastor-Parish Relations Committee Chair, the exiting pastor, the new pastor and the Board of Trustee Chair will walk through the parsonage together for inspection and planning. It is recommended to utilize the Church Conference Parsonage inspection report for this walk through.
4. The right of the pastor to own furniture and equipment cannot be challenged. However, if s/he does own furniture and goods that s/he wishes to use in the parsonage, and parsonage furniture has to be stored, s/he should make every effort to store it properly so it is in good condition and does not suffer damage from being stored. The site or method of storage for any church owned furniture shall be determined by mutual agreement between the pastor and the Board of Trustees.–The pastor assumes financial responsibility for the storage of any unused furniture.
5. The parsonage is the pastor's for his/her tenure in that church or charge. S/he has therefore the responsibility to care for the furniture to protect it from damage by pets or children and, if it is damaged, to return it to a condition equal to that when s/he received it to use. If an item of furniture is damaged beyond repair, s/he is obligated to replace it.
6. In order to respect the privacy of clergy and his/her family, the church has responsibility to make an appointment and secure the approval of the pastor or an adult member of the household, prior to visiting the parsonage at any time.

Appeals

Appeals by the churches or pastors should be made to the District Superintendent as the final authority to interpret and implement the foregoing standards.

Clergy Equitable Compensation for 2018

Be it resolved that the Annual Conference adopt the following recommendation for minimum salary for persons under full-time appointment in the local church effective January 1, 2018:

a) Elder and Deacon in Full Connection	\$ 44,200
b) Provisional & Associate Members (92%)	\$ 40,650
c) Full time Local Pastor (87%)	\$ 38,450

Any changes in clergy minimum salaries related to a change of clergy status through ordination, commissioning or licensing in 2017 will become effective as of January 1, 2018.

There will be a \$300 minimum increment in the base salary of each year of full-time service under appointment up to **15** years. This applies to clergy (elder, provisional elder, provisional deacon, deacon in full connection, associate members, and local pastor) serving in full-time appointments. The years of service record for each clergy is based on the Service Record by the General Board of Pension and Health Benefits, and it does not include part-time appointments or a time of leave of absence.

The minimum equitable salary for $\frac{3}{4}$ time pastoral appointments shall be $\frac{3}{4}$ of the required minimum in the pastor's salary. And the minimum equitable salary for $\frac{1}{2}$ time pastoral appointments shall be $\frac{1}{2}$ of the required minimum. All appointments less than $\frac{1}{2}$ shall be considered $\frac{1}{4}$ time appointments for pension purposes and the salaries shall be determined by the District Superintendent in consultation with the pastor and the local church.

Each pastor's salary above the minimum equitable salary is determined by the local church or by the charge in consultation with the District Superintendent. Each Pastor (Staff) Parish Relations Committee takes into consideration the pastor's experience, education, leadership, health and dental insurance coverage, social security, and family needs.

All full-time pastors shall be provided with a parsonage or a housing/rental allowance as part of their compensation package.

All full-time pastors shall have an accountable reimbursement expense line item in the church budget to cover mileage for pastoral work, continuing education, and other professional ministerial expenses as allowed by the IRS. This reimbursable amount shall be at least \$2,500. For the churches that are receiving Equitable Compensation support, their accountable reimbursement expense line should not exceed \$2,500.

All full-time pastors shall be entitled to receive the following vacation per appointment year:

Minimum 4 weeks of vacation for the first 10 years of full-time service, after that it is 5 weeks.

RECOMMENDATIONS

Vacation time shall not be cumulative from year to year. Local churches may not consider time spent in leadership responsibilities in Conference activities as vacation time. This includes Course of Study, Local Pastors Licensing School, Camps, Annual Conference-related Ministries, and other education and renewal as required by The Book of Discipline (§1350.2).

Proposed 2018 Shared Ministry Plan

Be it resolved that the Greater New Jersey Annual Conference approve the Shared Ministries Plan for 2018, (the budget), details of which have been provided below and in Appendix A.

Submitted by:
Robert Dietz, President
Council on Finance and Administration

Shared Ministry Apportionment Formula

Whereas The United Methodist Church is experiencing consolidation in the United States; and

Whereas in GNJ we are seeing the effects of reduced congregational budgets; and

Whereas the present GNJ Shared Ministry formula does not take into consideration lower budgets and allocates the total GNJ Shared Ministry budget to fewer congregations and smaller congregational budgets; and

Whereas the Shared Ministry base of the collective GNJ congregations has declined from \$75,525,444 for 2009 to \$69,494,926 in 2015 and yet the percent of the base that GNJ receives from congregations continues to increase from 15.7% at the time of merger in 2003 to 17.3% in 2017 even though we reduced the apportioned amount by \$387,959.00 over the last four years; and

Whereas the present Shared Ministry formula worked well in a stable GNJ in which the budget of congregations were increasing each year; and

Whereas we want to keep faith with our congregations by not increasing the Shared Ministry percentage to congregations but set a goal of lowering it to pre-merger level.

Be it resolved that the Shared Ministry percentage be set at 16.3% of a congregation's Shared Ministry base for the 2018 budget and that each year the Annual Conference approve the Shared Ministry percentage with a goal of achieving a Shared Ministry percentage of 15.6% over the next five years. The Shared Ministry base be set at a congregation's total expenses as follows:

- Lines 48-57 of Table II of The Local Church Statistical Report
48 – Pastor Wages

RECOMMENDATIONS

- 49 – Associate Pastor Wages
- 50 – Parsonage Expenses
- 51 – Accountable Reimbursements
- 52 – Other Cash Allowances
- 53 – Deacon Salaries and Benefits
- 54 – Diaconal Minister Salaries and Benefits
- 55 – Staff Compensation
- 56 – Church Program Expenses
- 57 – Church Operating Expenses

- Billed amounts for prior year Comprehensive Protection Plan (CPP), Clergy Retirement Security Program (CRSP), Health Insurance, Property Insurance and Workers Comp

Rationale: This new formula uses the present Shared Ministry base calculation but prevents automatic percentage increases and requires GNJ to set budgets that are within a fixed percentage of the Shared Ministry base. In effect, this will reduce the overall Shared Ministry apportionment to congregations by \$894,542 in 2018 and will reduce each congregation's shared ministry percentage for 2018. The percent apportioned goal is to be 15.6% within the next five years which is lower than at the time of merger in 2003.

Future Management of Cemeteries Owned by GNJ Annual Conference

Jesus said to her, "I am the resurrection and the life. The one who believes in me will live, even though they die. John 11:25

Whereas over the past several years The United Methodist Church of Greater New Jersey has received five (5) cemeteries which were once part of former United Methodist congregations. Approximately 20% of GNJ churches own and manage cemeteries. In the 2013 GNJ Congregational study, it was reported that more than 120 congregations will close by 2030 and therefore we can reasonably estimate that we will be managing as many as 25 more cemeteries. Further, we are finding that some congregations are using cemetery perpetual care funds for ongoing church operations. Because we are a connectional system, GNJ has a responsibility to ensure churches are good stewards of the property and resources entrusted to them and prepare for the potential increases of cemeteries under management.

Whereas because of these concerns the 2016 Annual Conference passed the following motion:

"Be it resolved that CF&A and the Conference Trustees perform a study on the ways to create a permanent fund to handle expenses related to cemeteries that become the responsibility of the Conference. The CF&A and Trustees will bring a report to next year's Annual Conference with any action they may propose."

Whereas in September 2016 CF&A and the Conference Trustees mutually appointed a joint Task Force to complete this assignment from the 2016 Annual Conference.

Task Force Members include:

- Mr. Jack Scharf, CF&A, Chair
- Mr. Bob Dietz, CF&A
- Mr. David Yamoah, CF&A
- Ms. Alexa Taylor, Trustees
- Rev. Cliff Still, Trustees
- Ms. Tracy Estes, Trustees
- Mr. Jack Green, Trustees
- Ms. Cari Cruz, Regional Services Manager
- Mr. John Cardillo, Conference Treasurer/DAS
- Ms. Lida DeNardo, Staff
- Mr. Alex Mayer, Property Manager

The Task Force developed a Request for Proposal (RFP) for a professional study of each of the five orphan cemeteries to ascertain:

- Title of Ownership and Deed

RECOMMENDATIONS

- Whether the Cemetery was active or closed
- Whether burials are restricted to members of the UMC or one of the UMC's historical denominations
- Was a certificate of authority ever obtained for the cemetery going back to 1971
- What funds, if any, were being used to manage the cemetery
- Actual management and maintenance of the cemetery
- What liabilities and costs are currently being incurred for the management of these cemeteries
- Physical size of the cemetery
- Number of graves
- Have any graves been located to other sites
- Have there been any attempts to sell the cemetery property
- Are there any existing liens or lawsuits pending against the property

After reviewing several proposals, the Task Force awarded the study to **Hunter Research, Inc.**, which has done extensive previous historical research on cemeteries throughout New Jersey. The study was conducted between October and December 2016 and the draft report was presented to the Task Force in January 2017.

The Hunter Research, Inc. study addressed all of the above questions and runs 70 pages in length and is available to Conference members. Below is a spread sheet summarizing the key findings for each of these five cemeteries.

- Estellville Methodist Cemetery in Estell Manor, NJ
- Mount Zion Methodist Cemetery in West Cape May
- Pointville Cemetery in Cookstown, NJ
- Union United Methodist Cemetery in Swedesboro, NJ
- Whitesville Methodist Cemetery

Whereas high level key findings from the study include:

1. The Pointville Methodist Episcopal Cemetery is currently owned by the Pointville Methodist Episcopal Cemetery Association and no action is required at the present time except to encourage that the existing cemetery association maintain links with the local UMC congregation.
2. Although it is assumed that the other four cemeteries are owned by the GNJAC the titles and deeds for these cemeteries could not be located. This is not unusual for historical cemeteries, but the GNJAC will have to retain professional legal assistance in either locating or in drawing up new deeds and titles for these four cemeteries.
3. Mount Zion and Union cemeteries are still in use while the Estellville and Whitesville cemeteries are currently closed.
4. Currently these cemeteries are receiving basic maintenance principally through local volunteers. Several of the cemeteries are in need of new fences, major clean-up of shrubs, and repairing of grave stones. This work will require retaining professional assistance.
5. There currently are no liens or litigation associated with these cemeteries.
6. The possibility of selling these cemeteries was discussed with the principals of the study. The only feasible sale would be to another cemetery or cemetery association, which would then provide on-going management of these cemeteries. A sale to a commercial developer is not feasible because of the need to relocate the graves and remains to another acceptable cemetery. These costs would be prohibited.

Be it resolved

1. When a church that has a cemetery closes, the trustees through staff will ensure there is an accounting of funds and separate perpetual care funds from operational funds. The perpetual care funds will go with the cemetery when the property is disposed of.
2. CFA will conduct a study of all churches with cemeteries and assess:
 - a. The state of perpetual care funds
 - b. How perpetual care funds are invested
 - c. How cemeteries are managed
 - d. Identify which cemeteries may be at risk within the next 10 years
3. That the Annual Conference authorizes the formation of a Cemetery Association, which will have overall responsibility for these four cemeteries and any additional cemeteries acquired by the Conference. This Cemetery Association will develop and carry out the on-going maintenance and management of conference cemeteries. The Association will work to incorporate other United Methodist cemeteries to be a part of the Association.

Rationale:

RECOMMENDATIONS

1. Given the likelihood that the number of cemeteries associated with closed churches will only increase with time there needs to be a separate conference entity tasked with the ethical and legal responsibility for appropriately managing these cemeteries.
2. There is a significant ethical and legal liability associated with these cemeteries and the formation of a separate Cemetery Association will provide some additional protection for the Conference as a whole.
3. Other religious organizations, such as the Roman Catholic Church, which owns and operates many cemeteries, uses this management model of a separate incorporated cemetery association.
4. That the Annual Conference use the chancellor to obtain clean titles and deeds for these four cemeteries as soon as feasible.

Further Rationale: Clear and free ownership of these cemeteries is essential and should be undertaken as soon as possible. Title and deeds can then be transferred to the newly formed GNJAC Cemetery Association.

Students Ministry Plan

Whereas, students are a key part of our commitment to reach new generations of disciples of Jesus Christ, and

Whereas, a plan integrating strategies for camping, IGNITE, youth and campus ministry will be more effective and a good steward of resources (see executive summary below);

Be it resolved, that the Greater New Jersey Annual Conference supports and recommends the GNJ Camping and Retreats Board, a separate 501c3 nonprofit corporation, to become the Next Generation Ministries Board to develop, fundraise and coordinate students' ministries throughout Greater New Jersey, particularly as it works toward

1. Developing a 21st century sustainable camping experience
2. Growing IGNITE to 5,000 students
3. Enhancing existing and starting new 10 campus ministry faith communities on college campuses throughout GNJ that have at least 75 students who share in the mission of equipping student spiritual leaders to make disciples and grow vital faith communities to transform the world
4. Develop youth leaders in our local churches so that at least 60% of our congregations have active and creative youth ministries with 12 or more students, with a focus on multi-cultural, multi-generational, multi-church and urban initiatives.
5. Raise sufficient funds to carry out these goals and lessen financial support through Shared Ministry

Be it further resolved, that the Greater New Jersey Annual Conference supports reviewing grant requests from GNJ Next Generation Ministries. These grants will be for a one year period, will be part of the budgeting process and will decrease over time as other funding opportunities outside of Shared Giving will be identified. For the 2018 budget, this includes:

- a. IGNITE – \$22,500
- b. Campus Ministry – \$65,000
- c. Camping Ministry – \$181,000

This amount represents no net increase in investment in youth, campus, and camping ministries for the 2018 budget. Future funding will be contingent on a written report each year to Annual Conference that includes how the funds were expended and progress toward the goals.

Be it further resolved, that the Greater New Jersey Annual Conference approves the sale of the Tannery Falls property at Aldersgate to provide the seed monies to reinvigorate GNJ camping and retreats ministries.

Next Generation Ministries Strategic Plan

Executive Summary

“Start young people off on the way they should go, and even when they are old they will not turn from it.” Proverbs 22:6

Our Purpose

We believe God's love heals and transforms lives. God's love is encountered in disciples of Jesus who passionately share faith, hope and justice in the community. Vital congregations form and shape passionate disciples. We recruit and develop transformational leaders to make disciples and grow vital congregations to transform the world.

RECOMMENDATIONS

Our Vision

We see a church like Jesus Christ—radical spirit and humble, teaching and healing, soul saving and soul tending, leader and servant, unbound and outbound. We also see a Wesleyan Church – personal holiness and social holiness, connectional and risk-taking, thoughtful and inspirational, small groups and large vision, welcoming all and respect for diversity of thought.

Purpose of the Next Generation Ministries Plan

Develop a sustainable and fruitful *Next Generation* youth and young adults’ ministry in GNJ that will nurture new generations of enthusiastic disciples of Jesus Christ who are connecting, engaging in and leading ministry in their congregations and participating as healthy young people in a global society.

Core Objectives

- Set apart the next 10 years as a time of deliberate focus on building a vital, sustainable, robust ministry to the next generation in and through GNJ.
- Establish clear leadership and coordination for all GNJ initiatives related to youth ministry, camping ministry, and campus ministry by reframing the current GNJ Camping and Retreats Board, a separate 501c3, as the GNJ Next Generation Ministries Board, which will lead and coordinate the three areas related to Next Generation Ministries: students (youth grades 6-12), college campus ministry and camps and retreat ministry. As these are operating successfully we will expand to young adults not in college.
- Design and implement innovative, Christ-centered, leadership-development structures for youth and graduate and undergraduate students throughout GNJ.
- Provide for the ongoing financial sustainability of Next Generation Ministry efforts beyond Shared Ministry funds through individual, church, foundation, corporation and other funding strategies.

Key 10-Year Goals (to be achieved by 2027)

The following high-level goals provide clear, focused and measurable targets for the plan.

Youth

- At least 5,000 youth from at least 300 GNJ churches will participate in the IGNITE conference.
- 1,000 youth and college students will engage in intentional leadership and leadership development through the churches and initiatives of GNJ.
- At least 60% of congregations in GNJ will have an active youth ministry with 12 or more students.

Campus

- GNJ will be connected to and supporting 10 young adult-focused faith communities in or around college campuses, with at least 75 college students who are sharing in the mission of equipping student spiritual leaders to make disciples and grow vital faith communities to transform the world.
- In collaboration with GNJ Mosaic Initiative, 70 graduate and undergraduate students will be intentionally cultivated for faithful ministry (whether clergy or lay, paid or volunteer), receiving support and training from the GNJ structures and processes, and serving in part-time staff positions in GNJ congregations.

Camping

- GNJ camps will experiment with and incubate 50 or more innovative camping experiences for and with youth and young adults, with a focus on multi-cultural, multi-generational, multi-church and urban initiatives.
- Both GNJ camps will be mission-focused, debt free and generating revenue beyond expenses.

Next Generation Ministries

- The number of children, youth, and young adults in GNJ will increase by 10%.
- 20,000 GNJ Next Generation stakeholders (students, leaders, donors, resource people) will be part of the GNJ Next Generation database, including 8,000 from IGNITE, all of whom will receive regular and timely, intentional and engaging content related to GNJ Next Generation ministry initiatives.

Key 3-Year Goals (to be achieved by Annual Conference 2020):

Youth

- At least 2,500 youth from at least 150 GNJ congregations will participate in IGNITE in the 2020-2021 season.
- 100 youth and college students will be engaged in intentional leadership and/or leadership development through the churches and initiatives of GNJ.

RECOMMENDATIONS

- 150 GNJ congregations will have active youth ministries, each with of at least one leader connected to GNJ support and collaboration systems.

Campus

- GNJ will be connected to and supporting the work of 3 young adult focused faith communities in or around college campuses, with at least 75 college students engaged in each of those faith communities.
- In collaboration with Mosaic, 25 graduate and undergraduate students are being intentionally cultivated for faithful ministry (whether clergy or lay, paid or volunteer), receiving support and training from GNJ and serving in part-time staff positions in GNJ congregations.

Camping

- GNJ camp properties will host at least 25 events for GNJ congregations, committees or initiatives in the 2019-2020 program year.
- GNJ camps will experiment with and incubated over 10 innovative offerings for and with youth and young adults, with a focus on multi-cultural, multi-generational, multi-church, urban initiatives.

Next Generation Ministries

- 8,000 people, including at least 2,500 IGNITE participants will be part of the GNJ Next Generation database, and this group regularly receives timely, intentional and engaging content related to GNJ Next Generation Ministry initiatives.

We believe accomplishing these goals and objectives will bear fruitful outcomes that include new generations of radical Christ-like disciples and transformational leaders, younger and multi-generational vital congregations, changed lives and transformed communities.

Next Steps for the Next Generation Ministries Board

These are the immediate next steps with reasonable estimated times of completion.

- Reframe the current GNJ Camping and Retreats Board, a separate 501c3, as the GNJ Next Generation Ministries board - 09/01/2017
- Finalize full strategic plan and timeline – 10/01/2017
- New Camping and Retreats Committee organizes and creates, in consultation with the Connectional Table, a statement of purpose and goals for 2018 – 11/01/2017
- Hire appropriate staff to move the initial phase of the Next Generation Ministries plan forward – 12/01/2017
- Sell the Tannery Falls property at Aldersgate to provide seed monies to reinvigorate camping and retreat ministries – 05/01/2018

10 Year Intercultural Competence Plan

Whereas Greater New Jersey is one of the most diverse conferences in the United Methodist Church; and

Whereas a comprehensive plan will guide a process to build the leadership capacity for a cultural shift from *diversity* to *intercultural* competence in GNJ;

Be it resolved that GNJ proceed in implementing the 10-year intercultural competence plan below, integrate it into the GNJ strategic ministry plan and allocate up to \$10,000 from the 2013 strategic plan reserve for the process.

Intercultural Competence Plan

“After this I looked, and there before me was a great multitude that no one could count, from every nation, tribe, people and language, standing before the throne and before the Lamb.” Revelation 7:9a

Our Purpose

We believe God’s love heals and transforms lives. God’s love is encountered in disciples of Jesus who passionately share faith, hope and justice in the community. Vital congregations form and shape passionate disciples. We recruit and develop transformational leaders to make disciples and grow vital congregations to transform the world.

RECOMMENDATIONS

Our Vision

We see a church like Jesus Christ—radical spirit and humble, teaching and healing, soul saving and soul tending, leader and servant, unbound and outbound. We also see a Wesleyan Church – personal holiness and social holiness, connectional and risk-taking, thoughtful and inspirational, small groups and large vision, *welcoming all and respect for diversity of thought*.

Our Commitment

Resource and support the development of congregations and lay and clergy transformational leadership. Equipped and vital leaders and congregations are powerful witnesses to the Gospel of Jesus Christ throughout the region.

Purpose of the GNJ Intercultural Competence Plan

Develop the leadership capacity to create a systemic shift in GNJ from *diversity* to *intercultural competence*.

Values

These are the values we will honor as we lead GNJ into intercultural competence:

- Christ-like Love
- Trust
- Humility
- Transparency
- Community (Ubuntu)
- Justice
- Accountability

Key Audiences

We will focus on four key segments of the conference leadership:

- Conference Leadership and Staff
- Board on Ordained Ministry
- Laity
- Clergy

***Conference Staff & Leadership** includes the Cabinet, GNJ Staff, Board of Laity, elected officers and Vital Mission Partners.

Three Year Goals (by 2021)

We will work with congregations and transformational leaders that are *ready* and *desire* to be interculturally competent and Christ-like as they carry out their mission and ministry. Completing the following goals will build a *solid foundation* for a 10-year commitment of growing intercultural competence in which GNJ's values, processes and policies align and develop the leadership capacity needed for a regenerative intercultural competent GNJ.

- 1) GNJ leadership and staff teams will work together, in consultation with GCORR, to *assess* their level of intercultural competence and receive appropriate *training* and set *strategies* that foster intercultural competence in GNJ. This work will target four general groups:
 - a. Conference leadership
 - b. Conference staff
 - c. Connectional Table, Boards of Laity and Ordained Ministry and agencies
 - d. Vital Mission Partners and Advance Specials
- 2) GNJ Board of Ordained Ministry will work in consultation with GCORR, to develop the knowledge, skills, policies and practices that make intercultural competence a priority for board members, existing clergy and throughout the candidacy process, including but not limited to DCom, RIM, and all other recruitment efforts.
- 3) The GNJ staff leadership team will evaluate GNJ Rules of Order, communications, staff and hiring policies and practices and modify as needed, to reflect the conference commitment to intercultural competence.
- 4) The Connectional Ministries team will identify GNJ bright spots where intercultural competence is best practiced, who then will become teaching congregations and ministries in GNJ and the greater church.
- 5) The Connectional Ministries team will assess current congregational, laity and clergy leadership development resources and evaluations (Team Vital, Coaching, PaCE, Communities of Hope Vital Laity Leadership Development, Lay Servants, Clergy & Congregational Evaluations, etc.) and modify them to incorporate equipping for intercultural competence as needed.
- 6) 100 congregational teams participate in a cross racial/cultural vitality program.
- 7) 200 clergy participate in an intercultural competence development program (to assess & develop knowledge, skills and leadership capacity).
- 8) 100 clergy will participate in a pulpit exchange program.
- 9) 2,000 laity are equipped in cultural competency.

RECOMMENDATIONS

The following metrics will provide us additional measurable indicators about our long-term progress towards a culture of intercultural competence in GNJ. By 2027:

- 1) GNJ racial/ ethnic professing membership increases from 18882 to 19448
- 2) The number of multicultural congregations/faith communities increases from 114 to 175
- 3) GNJ racial/ ethnic active clergy increases from 186 to 204
- 4) GNJ women active clergy increases from 36% to 45%
- 5) Average active clergy age is reduced from 55 to 50

We believe accomplishing these goals and objectives will bear fruitful outcomes that include intercultural competent transformational leadership, radical Christ-like discipleship, vital congregations that includes everyone in the community and reflects the diversity of their ministry context, changed lives and transformed communities.

REPORTS

Episcopal Address

The Why of GNJ

North Korea is testing missiles for nuclear war heads to eventually reach the United States. Leaders are using poisonous chemical weapons on their own people. There are rumors of war, talks of border walls, efforts to cut health care, churches are closing, our sons and daughters and grandchildren are addicted to heroin, and racism, xenophobia, classism and sexism are in our communities and congregations. The world needs the grace and teachings of Jesus Christ. The Gospel's message is as urgent today as at any other time in our history.

While some talk of the end times, which we have heard in every generation, others believe these are the times God has called you for, to be God's healing and redemptive love.

I rejoice that God's grace is at work through disciples of Jesus Christ who are stirring up faith, hope and justice in communities and in the church. Through the Holy Spirit, these disciples are transforming lives and making disciples. More often than not, we are finding these disciples in our most vital congregations. That's why we call and equip spiritual leaders to grow vital congregations to make disciples of Jesus Christ.

We have amazing disciples who are stirring up faith, hope and justice in the community. Suzanne and Keith Dice of the Red Bank UMC started *The Backpack Crew* whose motto is, "it's hard to be awesome when you are hungry". Each Friday, The Backpack Crew delivers to schools 175 back packs filled with food for students who are on the breakfast and lunch program at school and who often do not have enough food on the weekend. They are working with church and community volunteers and they are inviting people to church through the ministry.

Abena Abusa, in addition to chairing the staff pastor relations committee at the New Brunswick Church, collaborates with 15 community organizations to host seminars and programs on immigration, homelessness and healthcare for the poor.

Kristen Skrobanek stirred up hope and justice through Trinity Church in Mullica Hill by starting *Your Place at the Table* to feed people. She has collaborated with a bank to offer budgeting classes, local farmers to provide fresh food and the Rotary Club to increase food contributions.

What do children walking home with backpacks or the homeless in New Brunswick or people who need a meal in Mullica Hill do when they see our disciples stirring up faith, hope and justice? I think in their own way, they say, REJOICE!

Rejoice! God is not done with us. God has a future with hope for us!

Rejoice

To rejoice is to recognize that God is in the mix, God is the author and creator of the church and every good work we do together. God has, is and will continue to guide our ministry and progress.

Rejoice in the Lord always and again I say rejoice. We choose joy because happiness isn't enough. Happiness is dependent on an outside stimulus to generate good feelings within. Joy is rooted in a redeeming faith and eschatological hope, a future conviction that no matter how bad things seem, everything works for good for those who love God. —*Romans 8:28*

Happiness is breaking an attendance barrier on Easter Sunday morning. We feel a sense of accomplishment. Joy is the one family who comes back following Easter Sunday because the Holy Spirit stirred in their heart. They continue to come and go through a complete transformation of their faith, how they parent and how they engage in the world. The family decides to be baptized together. That's joy.

Joy is sustained by a hope that lives at the edges of faith that is rooted in the conviction that God's grace prevails, that love wins, that Jesus Christ makes all things new, that we will see the new city, the new Camden, the new Newark, the new Atlantic City, the new Jersey City, the new Trenton and every city, town and community in GNJ renewed, coming down out of heaven from God, prepared for you and for me. Rejoice! —*Revelation 21:21*

Rejoice in Our Progress through the Strategic Plan

God is doing a new thing through GNJ and we rejoice in the progress we are making. In 2014 we embarked on a bold strategic plan that said we are going to turn things around. We built on our past and moved to the edges of faith where today we are finding hope and joy. Since starting on the strategic ministry plan, just three short years ago, together:

REPORTS

- We developed five new resources to accomplish the plan – Team Vital, Coaching, PaCE groups, the Laity Academy and Communities of Hope.
- We aligned our budget, staffing, ministries and superintending to focus on congregations and moved more energy and resources into the mission field.
- We increased the number of disciples in small groups from 43% to 79% in our congregations.
- We increased the number of disciples engaged in hands-on mission from 8% to 50%.
- We increased mission giving from \$349 per worshiper to \$356, that's a quarter more million dollars going to mission. Our churches raised \$5,452,346 million to combat malaria, rebuild homes and lives following Superstorm Sandy, and engage in mission through our congregations.
- We started 26 new faith communities.
- We grew vitality from 16% of our congregations being highly vital to 34%. Listen to this, we have also made significant progress in a new area of measurement that tests how well our congregations are doing on moving forward the five markers of vitality. Forty-four percent (44%) of our congregations are moving the markers forward. We have the third highest percentage in the United States. The turnaround is taking shape.

Rejoice for all God is doing in and through us. These numbers represent people, lives changed, disciples engaged and people served. We are about people and God's healing and redemptive grace for their lives.

Rejoice in our Commitment to Excellence

God's love is at work in and through us and others are noticing. Our Vital Mission Partner, A Future With Hope received the Innovative Program of the Year award from NJ VOAD. A Future with Hope has now repaired 256 homes, with 11,810 volunteers from 46 states and 3 countries and raised more than \$17 million dollars.

Our new MRC, The Mission and Resource Center won the New Good Neighbor Award from NJ Business and Industry Association and NJ Magazine. This award is for development projects that contribute to NJ's economic growth and are aesthetically beautiful. The MRC is becoming a resource being used by churches, Vital Mission Partners, regional ecumenical gatherings, community organizations, Drew School of Theology and the Northeastern Jurisdiction. More ministry, more service to the community and the MRC is saving us money and it is paid for. Now that's worth celebrating!

We do not go looking for awards, but we seek to serve God with excellence. Recently the denomination recognized serving God with excellence in our communications team who earned six awards. Our sister Vital Mission Partner, United Methodist Communities, formally United Methodist Homes, won four communications awards. That's 10 communications awards in GNJ. The most within the denomination.

It hasn't been easy, but we are experiencing joy in what God is doing through us. One of the places that has been hard is making new disciples or professions of faith. I am happy to report that two of our congregations are receiving The One Award from the General Board of Discipleship because they grew in the numbers of professions of faith.

The first is Emmaus Church led by Don McMahon. The congregation went from zero professions of faith to eight in 2016. The second is Panther Valley Church led by Ninabeth Metcalf. The congregation went from zero professions of faith to six in 2016.

These two churches are connecting more with the community, creating inspiring worship, developing youth and small group ministry, developing a culture of hope and inviting people to receive God's grace through Jesus Christ.

Please join me in congratulating and thanking Rev. Metcalf, Rev. McMahon and the laity for their leadership and commitment to making new disciples for the transformation of the world.

Rejoice! God is at work through GNJ.

Our Challenges

While we rejoice, we are not without our challenges. James said:

"When you face trials of any kind, consider it nothing but joy, because you know that the testing of your faith produces endurance; and let endurance have its full effect, so that you may be mature and complete, lacking in nothing." –James 2:1-2

While we have much to be joyful about, our congregations, world and denomination are experiencing challenges.

REPORTS

Denominational Fear and GNJ Conviction

As a denomination, we are not of one mind about homosexuality. Some are saying we cannot stay united. We hear that we will divide. I disagree. The church has never fully agreed on anything. In the past we were divided over slavery, ordination of women, and segregation. United Methodists found a way to come back together.

What if this time we said, “We will not let our differences divide us but allow our common mission to guide us. Let’s model what it means to be diverse culturally, ethnically, geographically and theologically and guided by common mission.”

Let it begin with us. Let GNJ lead the way.

To do this we will need to move to the edges of our faith where hope and joy live.

I will be a bishop of the whole church. I will work to ensure people, ministries and congregations are not hurt as we move forward. While some talk of division, I intend to keep GNJ together as one conference. A place where orthodox, progressive and middle viewpoints can thrive and grow. Where liberals and conservatives can draw upon their rich understandings to make disciples of Jesus Christ for the transformation of the world. This will be a significant challenge. Let joy be our aim, not happiness, joy in diversity not happiness in uniformity.

If the denomination maintains its present policies, I want all our clergy to be pastoral as they serve their communities and unique contexts. I want all our congregations to live out their calling. Our unity will not be in a theology or polity but in Jesus Christ and the mission of the church – *to reach new generations of disciples and engage in transforming lives, communities and the world.*

If our denomination changes its polity, I will not make appointments to intentionally disrupt the practices and theologies of a congregation. I will not draw attention to our differences creating division in our congregations or GNJ, but call attention to how Jesus loves us even more because of our differences. Jesus gathered people who were different from one another and united them toward a Gospel vision of God’s reign. We can be diverse and thrive! We can be unique and work together toward a common mission! We can understand the scriptures differently and remain united in Christ Jesus. I rejoice in our diversity.

As I serve as bishop of the whole church, I ask you to serve with me as leaders and disciples for the whole church no matter our theological or political views. After all, when we worked on Sandy homes, no one asked us our view on LGBTQ people. No one asked us when we sent kids home with backpacks full of food our theological view point. Instead they pointed to the love we had for them and one another and thought, this is what companions of Jesus looks like.

Let unity in diversity begin with us. Let GNJ United Methodists lead the way.

World Challenges

I am deeply concerned about the geopolitical shifts in our nation and world and call all of us to a faithful and biblical response by the church. The scriptures have been clear from the beginning, we are called to welcome the stranger, the refugee and the immigrant. In a world where leaders engage in rhetoric that heightens conflict, we are called to stand firm in our values and engage in conversation that glorifies God and witnesses to the life of Jesus. In a world, whose aim is happiness through wealth, pleasure and consumption, we are called to move to the edges of our faith to choose joy, service and sharing.

The congregations that are bold in offering a more Christ-like way, will capture younger generations, deepen the faith of their disciples, and model for the world the first century church.

Let it begin with us. Let GNJ United Methodists lead the way.

Congregational Challenges

While we are witnessing renewed growth and vitality in many congregations, we also saw 301 churches decline in worship attendance and five churches discontinued or merged in 2016. Today we are 18 congregations fewer than five years ago. In 2013 we commissioned a study that said we would be 123 congregations fewer by 2030. Our challenge is the culture has changed and we are not adapting fast enough. We are not connecting with new and younger potential disciples of Jesus Christ.

It does not have to be this way. We do not have to follow the pack, we can change. We can connect with the people in the community. We can continue to create new worship and ministry experiences.

REPORTS

The Greenhouse Church that we launched last year to connect with millennials is now worshipping 90 disciples in two sites. We can connect with new and younger generations to make disciples of Jesus Christ.

Let it begin with us. Let GNJ United Methodists lead the way.

We rejoice with Paul in our challenges, knowing that challenges produce endurance, and endurance produces character, and character produces hope, and hope does not disappoint us. —*Romans 5:3-5*

Path Forward

The challenges seem daunting, but the path forward is clear, critical and doable. The path is not hard and it is not elaborate, it focuses on four pillars to support a growing GNJ mission: passionate faith, transformational leaders, vital mission congregations, and money.

Path Forward, Passionate Faith

Deep, passionate faith is the first of the four pillars to grow our mission. Passionate faith is a source of joy and it attracts new generations of believers. Passionate faith is contagious.

Sometimes things get in the way of our deep passionate faith. Emotion, for example can be dependent on outside stimulators – a fiery sermon, an upbeat song, or inspiring reading – then we are manufacturing faith that requires one inspirational moment after another. Think of Jesus' life or Paul's life, both exemplified deep faith but we read of only a few emotional experiences in their lives. Instead, their faith welled up from within.

Passionate faith welcomes wisdom and thinking. It harnesses both inspiration and knowledge. It is not reactive but deliberative — based in prayer, study and experience.

Passionate faith is enthusiastically living your faith every day — *enthusiastic, faithful, everyday!*

Passionate faith is nurtured, shaped and deepened through three key ministries of the church – worship, small groups and hands-on mission in the community. In fact, these three vitality markers increase disciples' participation in the other two vitality markers, generous giving and making new disciples. Focus on worship, small groups and hands-on mission and the rest will follow.

That's why we will continue to equip church leaders to lead worship, small groups and mission. Team Vital, Communities of Hope training and lay leadership development will all focus on developing passionate faith through these three markers of vitality.

Passion is also grown through young people. Their enthusiasm and youthfulness inspire faith in others. A group of GNJ leaders developed a comprehensive student ministry plan so that by 2027, GNJ will produce:

- A vibrant youth ministry in 60% of our congregations attracting 12 or more teenagers per church,
- An innovative campus ministry on 10 college campuses reaching more than 1,000 students a year,
- A 21st century premiere camping experience for students and
- An IGNITE experience that attracts 5,000 students annually.

I invite you to come along with us and create a *Next Generation Ministry* that will attract and make passionate student disciples of Jesus Christ.

Path Forward, Transformational Leadership

Leadership is the second pillar for our path forward. Leaders, both lay and clergy, set the pace, tone and direction for disciples and the congregation. GNJ's pacesetter leaders exhibit one or more of three types of leadership: *fruitful, transformational, and apostolic*.

We believe every leader can be **fruitful**, growing the health and vitality of the congregation. Fruitful lay and clergy leaders increase vitality by growing worship, small groups, hands-on mission, giving to mission and making new disciples.

Sheila Brown of Milton UMC is a fruitful leader. She first led the children's ministry, where the Sunday School and VBS have experienced growth and is one of the most vibrant children's ministries in the Skylands District. Sheila is now leading the

REPORTS

evangelism ministry. She approaches ministry with a passion for sharing the good news of Jesus Christ, and is a great equipper of others in leadership in her own congregation and throughout the district.

Luana Cook Scott through passion, strategic outreach and engaging laity has led Milford UMC to be highly vital in four years. They grew worship, small groups and community outreach and the congregation moved from 0% Shared Ministry giving to 100% in four years. There is movement from uncertainty to faithful response and engagement.

We believe that lay and clergy leadership can excel to be **transformational** leaders. Through the Holy Spirit, transformational leaders change lives and change the culture and attitude of the congregation. They lead the congregation to be more welcoming of all people, make new disciples and engage the congregation in ministry and mission with the people in the community.

Three years ago, Roebing UMC was on the verge of closing. That changed with the arrival of McWilliam Colon. Under his leadership, the average worship attendance went from 20 to 35 people, Shared Ministry and billings were paid in full in 2015 and 2016. The congregation began to reflect the diversity of the community. New programs were added that connected the church to the community, such as a food program, a music school, a blood drive and lots more. He is a transformational leader because he has changed how the church thinks about itself, mission and the community.

Haddon Heights UMC led by Ayn Masker, has grown from an average of 38 to 60 worshipers each week. They have explored new worship styles and services, and are connecting with the families of their preschool through the pastor's music lessons to the children in the school. The church has started a new worship service at a McDonald's. Ayn is a transformational leader because she is changing how people think about worship.

We believe there is potential for many of our leaders to be **apostolic**. These are mission driven leaders who find and make a way when others do not see a way forward. They multiply people, gifts and resources.

Peter, Paul, John Wesley, Francis Asbury, Harriett Tubman, Mary McCloud Bethune, Anna Howard Shaw, Henry Appenzeller, Pat Bruger and Wilbert Mitchell are apostolic leaders. When others did not see a way, they found a way. They created movements, organizations, ministries and systems to sustain and grow the mission.

GNJ leadership is committed to come alongside all willing and ready lay and clergy leaders to develop their gifts and potential to be a difference maker in the life of the church and community.

To strengthen lay leadership, we are in the process of creating a laity leadership development initiative that will bring all laity training under one umbrella and create a seamless program for laity development.

For clergy, we are creating a leadership development plan to assist clergy to be fruitful and to increase the number of transformational and apostolic leaders.

We are also committed to further develop local pastors. We are working with Drew School of Theology to develop local pastors training to strengthen and grow present and future local pastors so they do not have to travel 200 or more miles to attend classes.

GNJ leaders will be inter-culturally competent and a 10-year plan for developing intercultural competence among our lay and clergy leadership has been developed to guide us. Fruitful, transformational and apostolic leaders all desire to be better at understanding and connecting with different cultures.

Today I give thanks and rejoice for the leaders of GNJ. I find we have leaders who are highly committed, want to learn, build relationships and seek results. You collaborate and take more risks for the mission. GNJ leaders bring me joy and I am honored to serve with you. I thank God for you.

Path Forward, Vital Missional Congregations and Hope Centers

Vital congregations and mission centers are the third pillar. Vitality, growing the passion and fruitfulness of a congregation or mission center is life giving. Every time one congregation becomes healthier, all congregations become more vital. Let me illustrate:

Six years ago, Calvary Korean UMC was going through a very challenging time. They lost more than 60% of their membership. Today, they are one of the five fastest growing United Methodist Churches within the United States. It was not an easy

REPORTS

turnaround. They had conflict. They had significant financial challenges. A newly appointed apostolic leader, Rev. Sang Won Doh got the congregation working together again. They built their small group ministry, refocused their mission in the community and around the world and connected with community. They started a new worship service for young adults and then built upon that and started a second site worshipping community. They have been a significant supporter of the Mission Fund and increased their Shared Ministry commitments, fulfilling 100% or \$114,593 in 2017. Calvary Korean UMC is a highly vital congregation that all of us can be proud of.

Vital congregations are the third pillar of our path forward. Through Calvary UMC and many other congregations, the witness and mission of GNJ is being strengthened. As you do your part in and through your congregation, collectively God's love heals lives and transforms the world through The United Methodist Church of Greater New Jersey.

Rejoice!

We are seeing more and more congregations develop their vitality by:

1. Making new passionate disciples.
2. Creating inspirational worship,
3. Forming faith through small groups,
4. Engaging the community in mission and
5. Giving generously to mission.

In addition to vital congregations we are developing Hope Centers. Hope Centers have robust outreach ministries for children and youth, and provide services to the community. By the end of this year we will have five Hope Centers and 12 by the end of 2018. We are also working with seven congregations to repurpose their property to be a worship center and community center to address the needs of the community. Our urban centers are leading the way in this effort. Jersey City and Atlantic City churches have started conversations about how to transform their property into hope. These preliminary plans create church space, day care, affordable housing, senior housing and retail and offices. For some this may be hard to grasp but for the congregations and community, it is hope for their future.

To grow more vital congregations and Hope Centers, we will continue to offer Team Vital and Communities of Hope training and assist congregations in learning from each other through Bright Spots ministry. Bright Spots are learning from congregations who are excelling in growing the five markers of vitality. Peer to peer or congregation to congregation learning is one of the most effective ways to grow vitality.

I thank God for all our congregations and rejoice in the congregations that are growing their vitality.

Path Forward, Money

Money is critical to our mission. While the church is consolidating, the mission need is growing. This consolidation has affected congregations' income. This is why the Council of Finance and Administration created a 2018 budget DECREASING the amount we apportion churches by \$894,542.

The Council on Finance and Administration changed the budget formula to a fixed percentage instead of a fluctuating amount that we apportion churches. The amount is 16.3% and CFA has also set a goal to decrease the percentage to 15.6% which is below the 2003 apportioned percentage.

I rejoice in the wisdom and leadership of CFA. I also call all of us to be more resilient. As the culture shifts, the church needs to identify how it will change to connect to make new generations of believers and regenerate itself.

While we are reducing the amount we apportion churches, we are developing other streams of income for the mission of GNJ. The increase of the United Methodist Stewardship Foundation of Greater New Jersey from \$4 million to \$40 million and an anticipated \$42 million by the end of June is because more churches are investing through the Foundation. Thank you. This has allowed us to create a staff team that will work with congregations on fundraising and raise funds through foundations and individuals. We have set a goal for the Foundation to be more than \$100 million by 2022.

Two of our other nonprofit corporations, A Future With Hope and *Next Generation* Student Ministries, formally the GNJ Camping and Retreat Board, will raise money for the ministries they oversee. These two organizations and the Foundation will support GNJ administration, building and communications ministry through the use of shared resources and services. While we reduce the amount we apportion to churches for Shared Ministries, we are increasing other giving avenues so that we will not just sustain our mission; we will grow it. I rejoice in the visionary and innovate leadership who are creating the opportunity for a regenerative GNJ.

REPORTS

Rejoice, God will See Us Through

We have great days ahead and we are engaged in a high-risk path that seeks to create a passionate church that is missionally engaged and reaches new generations of believers. It seeks new avenues to sustain the mission financially and to declare God is not finished with us yet!

It will take courage, collaboration and a focused determination to grow leadership, passionate disciples, vital congregations and money. We will choose risk over accepting the status quo, and learn through failure. We cannot tolerate trying to just maintain who we are, but accept that God is doing a new, big thing right here in Greater New Jersey.

Let United Methodists of GNJ lead the way.

I rejoice that God has entrusted us with the future of Christ's Church, that God has given us the minds, leadership, congregations, resources and rich cultural diversity for the journey. I rejoice that we have made strong progress on what we said we would do four years ago. I rejoice for this is God's time, this is GNJ's time, this is the church's time to be the difference.

A Future With Hope

A Future With Hope (AFWH) is a GNJ Vital Mission Partner working to extend our conference mission and ministry. Organized in 2012 to provide relief and recovery following Superstorm Sandy, AFWH has accomplished the following in support of this ministry.

- Disaster case management services provided to 452 families
- Repaired or built 254 homes
- Housed and utilized the skills of more than 11,000 volunteers from 36 states and Canada
- Raised more than \$16 million dollars toward Sandy recovery efforts

Currently there are an estimated 3,000 families who have not yet completed their Sandy recovery and AFWH is one of the last remaining ministries still available to support these families. Working collaboratively with three other community partners we recently received access to funds in excess of \$1.8 million dollars to bolster our generous UMCOR grant and donations received through the A Future With Hope Mission Campaign. We are blessed by the continued support of many GNJ churches who serve as volunteer host sites, organize and send volunteer teams, provide volunteer meals and offer generous financial support.

When organizing, AFWH also recognized the need, and set aside funds for, rebuilding communities through community development ministry. While disaster recovery continues, AFWH is also expanding into this new area of ministry focusing in three areas.

- Engaging congregations and communities in Communities of Hope training. Communities of Hope trains congregations and communities in strategic planning, community organizing, systemic change, and working inter culturally. At the end of the training, each Community of Hope team has a community strategic plan to guide its work.
- Developing, overseeing and resourcing Hope Centers. Hope Centers are congregations and community centers affiliated with GNJ that identify and provide needed services within a community.
- Leading community economic development projects that include housing development and repurposing church buildings.

To date eleven GNJ United Methodist churches have completed Communities of Hope Training and have been commissioned to carry out their strategic plan. In the area of Hope Center development, CAMP YDP continues a successful turnaround with outstanding growth from 30 to 110 students enrolled in just 11 months. Additional Hope Center exploration continues in eight communities including Paterson, Jersey City, North Hudson, Camden, Roebing, East Brunswick, Bridgeton and Atlantic City. Our near term goals for this area of ministry include Communities of Hope Training for an additional 15-20 congregations and the development of 5 to 10 Hope Centers.

A Future With Hope is exceedingly grateful to Bishop Schol for his vision to create a God-sized ministry to support not only Sandy Survivors but all those in need throughout New Jersey.

Africa University

Africa University ended 2016 poised to celebrate its Silver Jubilee and eager to embrace new opportunities for transformative ministry over the next 25 years.

It is a great joy to recognize and thank the Greater New Jersey Conference for a 100 percent investment to the Africa University Fund (AUF) apportionment in 2016. All ten conferences in the Northeastern Jurisdiction led by example, giving to the AUF at 100 percent or higher for the second consecutive year. In 2016, the tremendous commitment to connectional giving and participation of local churches enabled 34 of the 56 United Methodist annual conferences in the United States — up from 32 in 2015 — to invest 100 percent or more of their asking to the AUF.

The university community acknowledges, with heartfelt appreciation, the many ways in which the Greater New Jersey Conference has been active, faithful, and generous in helping Africa University to realize its mission.

Through Africa University, the Greater New Jersey Conference helps young people to discover and sharpen their gifts for leadership. The dream of the global United Methodist Church is alive in the contributions of the university's 7,000+ graduates. More than 90 percent of these graduates are still in Africa, serving communities in 32 countries. Currently, more than two dozen Africa University graduates are missionaries in Africa, Latin America, Asia and Europe, under the auspices of the General Board of Global Ministries of The United Methodist Church. People who would otherwise be on the margins are actively bringing God's grace, peace and abundance to the lives of others.

Over the past year, your Africa University has continued to evolve and serve by:

- Restructuring its academic units in order to remain relevant and provide a broader-based education to meet new demands in the African workforce.
- Providing leadership formation experiences and learning for more than 1,400 students from 26 African countries. (*Contrary to the norm for African higher education institutions, women represented more than half of the student body.*)
- Generating new knowledge and capacity to support peacebuilding and to improve food security, human rights, and leadership for the African continent.

The ongoing support of the Greater New Jersey Conference is of vital importance to Africa University. As part of its observance of AU's 25th anniversary, we invite the individual members as well congregations and districts of the conference to celebrate Africa University. Engage in a season of daily prayer for Africa University. Join Africa University's honorary alumni association. Consider hosting a special "AU@25" event or Africa University Sunday in your local church or area. Use your event to increase awareness of Africa University's ministry and invite attendees to each give at least \$25 each in honor of the 25th anniversary.

Thank you for your unwavering response to the call to faith, hope, action and renewal in the world. We pray that blessings continue to abound for all who lead and serve in disciple-making ministry in the Greater New Jersey Conference.

Archives and History, Commission on

2016 was a fruitful year for the Commission on Archives and History (CAH) as we engaged in the ministry of memory. We equip clergy and lay leaders to strengthen our Wesleyan identity, as we fulfill our Disciplinary mission to identify, preserve and make available the historic record of ministry within GNJ. Highlights include:

Ancestry.com: Our GNJCAH page on Ancestry.com received a total of 481,790 hits between its inception in February 2016 and December 31, 2016. Our closed church vital statistics (births, baptisms, deaths, marriages, etc.) have been digitized, are now being searched on a daily basis and are available far beyond GNJ!

History Awards: We award the 2017 Robert B. Steelman Methodist History Award to the Friendship UMC in Monroeville, NJ, for submitting the best overall church history within GNJC this year. The Steelman Award is given annually to the local church that submits a history which best exemplifies an inclusive narrative on the life and ministry of the congregation from its beginnings to the present day. We congratulate Friendship UMC and especially commend Rick Krassow, Church Historian, for undertaking and completing an excellent church history. We award the 2017 Multi-Media Local Church History Award to Midvale United Methodist Church of Wanaque, NJ, which is recognized for submitting the best overall multi-media church history within GNJC. This is a special recognition, as this is the first-ever presentation of the Multi-Media Local Church History Award. We are excited to give that honor to Midvale UMC and commend Marie Mahler, Church Historian, for developing and

REPORTS

submitting this unique local church history. We extend special thanks to each church and church historian who submitted publications for consideration this year. We are grateful for the high caliber of the histories we received.

Conference Historic Sites: We are presenting three nominations for Conference Historic Site status to be approved by vote of the 2017 Session of GNJAC. These three recommended sites are the St. John UMC in Fordville, NJ; Frankford Plains UMC in Frankford Plains, NJ and The Old Stone Church / St. Paul's United Methodist Church, in Nyack, NY (please see the individual recommendations for specific information about each church).

Archivist: Our volunteer archivist, Walt Jones answered 53 information requests ranging from membership, baptism, marriage, death, and local church information. He also worked with Ancestry.com to finish the digitization of closed local church records and make them available on the Ancestry website.

Speakers: We also supported local churches by providing speakers and attending celebrations. Our chairperson preached at Flanders UMC's 227th Anniversary Service and attended the 150th Anniversary celebration for Linden UMC. Another member spoke at both Flanders and Mendham UMCs. Our members remain available to support other congregations reflect on their Wesleyan identity and historic role within Methodist mission in GNJC.

NEJCAH: We continue to have a representative, Donald DeGroat, serving on the Northeast Jurisdiction Commission on Archives and History (NEJCAH) Executive Board, which gives GNJCAH a presence and leadership role on the jurisdictional commission. Additionally, four other commission members attended the 2016 NEJCAH Annual Meeting in Dover, Delaware in April of 2016, where our conference delegation actively participated in and supported the ministry of the Jurisdictional Commission.

Best Practices: Our recent publication, Celebrating the Ministry of the Delaware Conference, has been shared with other groups by Rev. Fred Day, General Secretary of the General Commission on Archives and History (GCAH), as a model for promoting their mission. Further, GNJCAH is still being utilized periodically as an example in the GCAH social media outlets. We are thus becoming known in our connectional circles as a leader in the field.

Digital Library: We began moving our digital library to Internet Archive (IA) website. IA is a free service that will allow us to post an unlimited amount of historical material on the internet. To date, all of our Historical Trail and Circuit Rider publications (SNJ & NNJ historical journals) have been uploaded to the IA website through the dedicated efforts of Mark Shenise. Moving our digital library to the IA website will significantly increase the volume of historical resources we are able to make available online without raising GNJC data rates.

Heroes of Faith: During the coming year, we plan to develop a series of short resources that tell the stories of our "Heroes of Faith." Our goal is to highlight inspirational faith stories, especially those of laity. As the project develops, we hope to highlight stories about vital ministry in our present and reinforce that preserving our history is simply about telling our story faith.

Hispanic/Latino Working Group: Our chair attended a GCAH conference led by the Committee on the Study of the History of Hispanic/Latino United Methodism held in October at Drew University in Madison, NJ. The agenda was to identify ongoing efforts to collect, preserve and publish the story of Hispanic/Latino ministries within NEJ and to develop strategies for strengthening those efforts. As a result, GNJCAH plans to partner with the GNJ Committee on Hispanic/Latino Ministries to create a working group to craft strategies that will work within our conference.

Archival Depository: We provide for the safekeeping of the historical records of all closed churches within the bounds of our annual conference and its antecedents and for the retention of corporate records of conference boards, agencies and committees. Our collection is housed in a fire-safe and climate controlled archival depository located in the GCAH vault at Drew University in Madison, NJ. Our archives space is secured through a unique and cost effective rental agreement with GCAH, which insures the preservation of our historical records and models good stewardship by limiting the impact of archival costs on our shared ministry budget.

Resourcing: In addition to the items noted above, CAH continued to fulfill its Disciplinary mandate by posting resources on our CAH webpage on the GNJ website and by hoisting a display table at annual conference.

Collaboration: We co-sponsored a program entitled "Celebrating the Ministry of the Delaware Conference" on November 12th in collaboration with the Mt. Zion UMC in Lawnside, NJ and the GNJC Historical Society. Bishop Ernest S. Lyght spoke about the history and unique spiritual experience within the former segregated conference of African American churches within the boundaries of the present GNJC. He identified what African American Methodists both gained and lost when the Delaware Conference was integrated into the Caucasian SNJ & NNJ (predecessors to GNJ) Conferences. The local history tour focused on the historical significance of Lawnside and Mt. Zion UMC in the resistance to racial prejudice and the struggle for African American self-determination. The day was a success, with many laity expressing appreciation for us honoring an important part of their spiritual heritage. We were privileged to support Mt. Zion's ongoing effort to lift up the historical significance of their

REPORTS

congregation's witness and mission, which includes leadership in the formation of the Underground Railroad, providing a safe haven for freed blacks and escaped slaves prior to and during the Civil War, and being a place of security and support for African Americans to this day. Many participants expressed that they found the day very moving. Several African American participants expressed appreciation that the program honored the uniqueness and vitality of the spiritual heritage in which they were raised, but had become distanced from due to the integration of their churches into the Caucasian church's structural culture. Others expressed gratitude for Bishop Lyght identifying how African Americans provided leadership and important social justice witness within the greater church, through resistance to racial prejudice and by modeling the role of women in lay leadership. One attendee even stated that the program helped her see that her community was not helpless but, in fact, spoke truth to power through their efforts to resist racism and embrace self-determination. Likewise, many Caucasian participants expressed a new level of awareness about how difficult the African American experience has been and gained greater sensitivity to how contemporary issues are experienced within the that community. All throughout the program was woven the power of faith to undergird and transform lives and the ongoing witness of the Methodist church, all be it imperfect, to embrace a vision of racial inclusion and social justice, and provide consistent opportunities to move in that direction.

Cabinet

The United Methodist Church of Greater New Jersey equips spiritual leaders to make disciples and grow vital congregations to transform the world. Within that broader mission, the cabinet is charged with the specific responsibilities of being missional strategists for the Conference and specifically in each of the districts and regions where we serve. We celebrate that we are moving forward in Greater New Jersey's turn-around goal of reaching 41% highly vital congregations by 2018, knowing that there is still work ahead for us. Over 30% of our congregations are growing in worship attendance. New worship experiences, new opportunities for hands-on mission, emerging communities of hope, growing our small group ministries and increasing our mission giving through shared ministries and beyond are other signs of renewed life, commitment and a hope-filled future in Greater New Jersey.

This year, we celebrate some beginnings and endings. The Rev. Dr. Varlyna D. Wright will end her six-year term as District Superintendent of the Capital District in June. Varlyna will relocate to Georgia to continue to live out God's calling on her life. We will miss her voice and insights at cabinet's meetings. We also celebrate the beginning appointments of two new district superintendents: The Rev. Glenn Conaway and The Rev. Frank Davis who will be serving the Delaware Bay and Capital Districts respectively. Both pastors have had fruitful and growing ministries and will bring great gifts and experiences to the cabinet. We give thanks to God in the midst of these transitions.

The impact of the Cabinet's ministry is strongly felt by those churches and pastors that engage in the resourcing we offer. Cabinet members are currently engaged in coaching clergy, facilitating churches in Team Vital, and leading PaCE groups. The annual church conferences have been refocused to provide opportunities to engage in learning and meaningful conversation among the laity to help to move the church forward.

Our regional teams are creating workshops to help churches learn and grow into what it means to be in ministry in today's reality. The Central Region offered a day of dynamic worship resourcing with *Doxology*. The Southern Region has partnered with Horizon Stewardship Foundation to offer a retreat for clergy; as well as a training program for local churches called *Revolutionary Stewardship*. The Northern Region sponsored *Outbound*, a day of resourcing focused on making disciples and evangelism. All of these resources are helping local churches and clergy grow as vital congregations.

The Cabinet is given specific responsibility to work with the bishop in making appointments. In doing so, we work closely with the Staff Parish Relations Committees of our local churches to identify needs and clarify the future missional opportunities in the church and community. In the appointment process, the Cabinet reviews a pastor's willingness, passion, ability, and track record to engage a congregation in being faithful and fruitful, with the goal being to maximize disciple making throughout the Conference. Pastors are also invited to request consideration for open churches during the appointment season, providing additional information in the discernment process. We have found this new practice to be very helpful.

The 2012 Discipline added the term "Chief Missional Strategist" to the job description of the District Superintendent. We live into that through our maintenance to mission goals. Maintenance work is important. However, if all your time is spent on work that will need to be done over and over you will simply stay in the same place. It is the focus on mission work that resources congregations and helps us move into the new mission field. The goal of the cabinet is to spend 20% of our time in maintenance work, 60% of our time resourcing congregations through Team Vital, Coaching, PaCE groups and other resources; and 20% of our time in the new mission field.

REPORTS

In order to evaluate our progress towards this goal, time surveys have been done. Initial reports indicate we are making progress in certain areas. We have transferred the administration of our resources to the Connectional Ministries Team. Our Administrative Staff is now making sure needed reports are in on time. There is still work to be done in other areas. We are working on transitioning conflict matters to the Episcopal Office. We also need to do more work in evaluating the load of our Conference agency responsibilities. The area that we need to focus on most is the 20% of time that is to be spent in the new mission field and creating new faith communities.

In the midst of the progress and challenges we are heartened to know that this division of our time has resonated with our churches. We continue to hear stories from congregations who are looking at how their church spends their time, specifically working towards spending more time in new mission work and resourcing the congregation to make this possible.

Moving forward, however, there are challenges that the Cabinet faces. While we celebrate moving closer to our conference goal of 41% highly vital congregations, sustainability is an issue. Over the past ten years 25% of our full-time appointments moved to part-time and the total amount for clergy salaries dropped by more than a million dollars, creating appointment and ministry challenges. Congregations living off endowments for many years have used up these funds and the current level of mission and ministry is no longer possible. Second, the richness of our diversity within Greater New Jersey is a blessing and a gift to be celebrated, but creates recruitment challenges to meet leadership needs of such a diverse church. Third, the changing culture requires that there be new approaches to ministry to which most laity and pastors have not been trained. Leadership styles that worked a generation ago no longer bear the fruit that they once bore. We need to learn new methods, but also grow deeper in our understandings of ministry in this new chapter in the church's life. Together we are working to develop new ways of ministry and mission as the next right answers.

Our next steps as a Cabinet include actively addressing these challenges in partnership with the Connectional Ministries Team and other teams within the Conference. The Cabinet is committed to engaging further in developing new church starts, second sites, and new worship experiences for new people, working with willing and ready congregations and leaders gifted in church planting. The blessing of our diversity requires that every pastor and church grow in cultural competency so that our congregations will more accurately reflect the communities and context for our ministries. In our work with pastors and congregations, we look forward to living out our conference's plan to combat racism and grow in our understanding of one another as children of God.

As we begin to look at new ways to serve Jesus Christ in the world, a major step will be engaging laity and clergy in rethinking and reimagining what it means to be a church sent into the world, and how we begin to live into apostolic leadership. This will require reflection, resourcing and an openness to rethink ministry so that together we will continue on the journey towards vitality and transformation that is Christ's call on all of our lives. The Cabinet is confident that the laity and clergy of Greater New Jersey together will meet the challenges ahead because we see the Spirit alive throughout our churches and communities. For God is with us – and in God is our hope.

The Centenary Fund and Preachers' Aid Society Report

The Centenary Fund and Preachers' Aid Society was established by charter granted in 1857. In 2000 the charter was amended to rename the corporation The Centenary Fund and Preachers' Aid Society of the Greater New Jersey Annual Conference of the United Methodist Church. The purpose of the Fund is to provide maximum income, consistent with the preservation of principal, for the support of retired clergy and surviving spouses and dependent children of deceased clergy who have served in the Greater New Jersey Annual Conference.

Since inception the Fund has received more than \$6.25 million in donations; and from the earnings on these donations has provided grants to pastors and their families who have requested aid, loans to assist retired pastors obtain housing in Methodist Homes, and during the period 2004 through 2016 contributed more than \$5.5 million toward the funding of retiree healthcare. The Fund Balance as of the end of November 2016 was \$10,962,380; and the Distribution Base (amount that can be distributed without invading the principal) was \$4,688,270 before deducting the Fund's 2016 contribution of \$547,072 toward retiree healthcare.

To continue support for retired clergy and their families at the current level of over a half million dollars per year, donations are needed from pastors and churches. Reverend Douglas Miller is the Centenary Fund's Outreach Director and is working to increase our Donation Base. Donations to the Fund in 2016 were \$49,223.

The Fund's Finance Committee Chair is Keith Helsby. Other members of the Fund Board are Charles Bender Jr., Jennifer Lovallo, Grace Pak, Steve Poloff, Dennis Poane, Jack Scharf, David Wiley, and John Cardillo (ex officio). In July, 2016, the

Board moved its Funds to be invested by the Stewardship Foundation, adding more than \$10 million to the Foundation. Currently our investments via the Foundation are in Wespath's Multiple Asset Fund which has a long term allocation of 65% equity, 35% fixed income and employs an investment approach guided by the Social Principles of The United Methodist Church.

We hope you will help us build up the Centenary Fund with your tax-free donations so that The Centenary Fund and Preachers Aid Society will be able to continue the substantial contributions needed in the future to fund retiree healthcare and to provide aid to retired clergy and their dependents.

Thank you so much for your support to date.

Christian Unity and Interreligious Concerns

The Commission on Christian Unity and Interreligious Concerns is happy put forward the report for the year 2016.

The Committee met twice in person in the fall, once in February and once over a conference call in April. We are committed to the purpose and goal of our agency and took the challenges of the current society in our meetings.

A committee member has attended the Episcopalian Diocese Annual meeting as the representative of the Annual Conference.

Four people (two clergy and two lay) have attended the National Workshop on Christian Unity in Minnesota to be trained to serve our Conference and their congregations.

We have actively been involved and participated in the New Jersey Council of Churches participating in their theology discussion groups, issues and Actions Day.

We have presented two Bishop's Awards for Christian Unity at the 2015 Session of the Annual Conference, one to the Church that involved in ecumenical activities and the other to an individual who has contributed to Christian Unity in society.

We are actively involved in World Methodist Conference, World Council of Churches, and Religions for Peace, USA and the denominations office of Christian Unity.

The Committee would like to propose the following programs for the coming years:

Creating an Interfaith Bus Tour, participating in the District Days of Learning with ecumenical unity topics, continuing our work with New Jersey Council of Churches, World Methodist Conference, World Council of Churches and the National Workshop on Christian Unity, and also continuing to seek and promote ecumenical work by presenting Bishop's Awards for Christian Unity.

The chairperson is actively involved in Ministerium of Scotch Plains and Fanwood, New Jersey. The Scotch Plains-Fanwood Ministerium is comprised of clergy from various faith communities, along with leaders of non-profit organizations, the school district, and civic leaders from our two municipalities. He was given a chance to share the word of God on the occasion of Community Thanksgiving. He is also involving in the activities of "Union County Interfaith Coordinating Council" that facilitate regular interfaith meetings in order to make way for the building of bonds within the interfaith community. This Council respects and encourages the inclusion and welcoming of others regardless of faith, race or disability and strives to be proactive on social issues.

REPORTS

Church and Society, Board of

All the glory and honor to our God who is the King of Peace and the Master of Justice!

For last quadrennial, Church and Society has diligently worked on the three areas of social justice, which are Immigration Justice, Criminal Justice, and Anti-Poverty Movement. At the first meeting of this quadrennial, Church and Society decided to continue to work on the same three areas from last quadrennial.

Recently, the right of immigrants and refugees has been one of the most heated issues in the US. Our Social Principle is crystal clear on the rights of immigrants “to equal opportunities for employment, access to housing, health care, education, and freedom from social discrimination”(Book of Discipline ¶162. H.) As United Methodists, we are urged to advocate the right of immigrants as basic human rights. In a response to the current issues of immigration and refugees, Church and Society is discussing a possible educational event on immigrants’ rights as well as the sanctuary church movement.

As for criminal justice, Church and Society has recently supported the New Jersey State Senate’s Legislation of Isolated Confinement Restriction Act(S/51, A/547) and Independent Prosecutors for Police Killings(S/2469). Both pieces of legislation were vetoed by the Governor. Then, the Church and Society co-sponsored the rally of faith leaders in New Jersey to end isolated confinement in the Trenton area on January 11, 2017. This rally was organized by New Jersey Campaign Against Isolated Confinement.

As for anti-poverty, I would like to praise the active works of our District Anti-Poverty Taskforce Teams, especially, the active works of Palisades, Cape Atlantic, and Gateway South District Anti-Poverty Taskforce Teams. Also, we continued to support the Poverty Summit which was organized and hosted by Anti-Poverty Network of New Jersey.

Besides our work on these three areas of concentration, two exciting changes wait for us. First, we have recently decided to create a Peace with Justice program for youth and young adults in our Conference. Many exciting ideas have been discussed to make an innovative program for our youth and young adults. Secondly, we are planning to create a promotion video to encourage our church leaders to be more engaged with the ministry for justice while respecting the ministry of mercy. Whenever the Board of Church and Society meet, we spend an extended time to passionately discuss how we lead the church leaders in our Conference to be more engaged with ministry for justice. We believe creation of the promotion video will be a great starter.

We continued to support a young clergyperson in our Conference to attend Young Clergy’s Forum at General Board of Church and Society. Also, we continued to make a strong coalition with the Coalition of Peace Action by supporting their Annual Conference in Princeton. Finally, we couldn’t be more excited to have Rev. Dr. Susan Henry-Crowe, who is a General Secretary of GBCS, as a guest speaker for our focus dinner during the Annual Conference.

As a new chair for this important body, I could not thank enough each and every member of Church and Society. Since I am still in a stage of learning the works of the Church and Society, I am so grateful for the commitment and devotion for social justice of each and every member of the Board. I hope we can do more prophetic works for justice and peace as we grow stronger in such a time like this.

Coalition of Religious Leaders

Important to ecumenical and interfaith relationships for the Greater New Jersey Annual Conference is the Coalition of Religious Leaders in New Jersey. Its history began in 1967; then Governor Richard Hughes called upon religious leaders in the state to address the issues of civil unrest following the Newark riot, one of the most devastating riots in U.S. history. The Coalition today includes some fifty members representing, Roman Catholic, Orthodox and Protestant faith communities as well as Jewish and Muslim leaders in the state.

The Coalition meets semi-annually, addressing issues of mutual concerns around issues of mercy and justice in New Jersey. The Coalition affords opportunities for faith leaders to develop partnerships that sustain ecumenical and interfaith relations.

The Coalition meets annually with the New Jersey State Governor and the two United States Senators, as well as others in political and civic leadership.

REPORTS

In August 2015, in partnership with US Senator Cory Booker, the Coalition hosted a forum on Criminal Justice Reform. Bishop John Schol played a leading role in the program design and welcoming over four hundred persons in attendance. Over seventy-five attendees were members of the Greater New Jersey Annual Conference, including some thirty clergy from our conference.

Over the past year, Coalition members have met with legislative leadership in the New Jersey Assembly and Senate. Members shared their concerns around affordable housing, criminal justice reform, and the prevention of gun violence.

In the fall of 2016, the Coalition provided a forum for its leadership, centered around a conversation with Mark Morial, Present and CEO of the National Urban League, and Ryan Haygood, President and CEO of the New Jersey Institute for Social Justice. The design of the program addressed the question of how religious leaders may work cooperatively in addressing racism and how they, too, may lead their faith communities in addressing issues of racism.

The Coalition, in 2017, welcomed to its membership, His Eminence Joseph William Cardinal Tobin as Bishop of the Newark Archdiocese. Bishop Schol and Coalition president, Bishop Mark Beckwith, Bishop of the Episcopal Diocese of Newark, participated in the service of installation, welcoming the Archbishop on behalf of Christian communions. Bishop Schol will host the Spring 2017 meeting of the Coalition at our Conference Mission and Resource Center.

Over the past fifty years, the Coalition has served as a forum for religious leaders to gather in affirming the importance of Ecumenical and Interfaith relations.

CUMAC (the Center of United Methodist Aid to the Community)

Throughout 2016, the staff and Board of Trustees at CUMAC (the Center of United Methodist Aid to the Community) embarked on an ambitious and exciting strategic planning process and finalized the working document in October. The plan outlines CUMAC's purposes and will guide the organization's operation and development over the next four years. Continuing our 30 year mission to feed people and change lives, we remain committed to following God's call to serve the poor while working to alleviate hunger and its root causes for those in need in Paterson, Passaic County and northern New Jersey.

At our core, we serve low income individuals in need of some of life's basic necessities, such as food, water and clothing, with compassion, kindness and love. The feeding people part of the mission is straight forward. We have uniquely positioned ourselves to provide immediate and direct help to individuals with present and perhaps emergent needs. The "changing lives" comes into play in our ongoing efforts to provide job training, encourage independence and to advocate for the disenfranchised. At every level of engagement, CUMAC staff and board seek to promote individual dignity and to serve with loving hearts.

The objectives and strategic direction set forth in the plan are based on the environment that CUMAC operates in and an assessment of the strengths we have and the challenges we face. At the end of a detailed and spirit led evaluation process, we formulated four important objectives; with the most critical being the successful management of CUMAC leadership throughout 2017, as our beloved Executive Director, Reverend Patricia Bruger, retires after 27 years at the helm. Additional objectives include achieving financial stability, developing and begin implementation of a new facilities plan and strengthening our programs to move clients toward self-sufficiency.

Throughout our history and especially in recent years, CUMAC has witnessed unprecedented growth in the number of people coming to us in need of our feeding programs, disaster relief services, affordable housing, job training and other offerings. Meeting this increase in need has often required a leap of faith, growing our feeding efforts exponentially in the face of increased and pervasive hunger and pursuing new opportunities to care for those who need us most with trust that the resources necessary to run our programs—the space, staff, equipment, funding and support that make our work possible—would follow. Our strategic plan has provided an opportunity to step back and determine how we can best provide for our clients and community going forward. With its direction, CUMAC board and staff will take tactical and deliberate steps toward a future of strength, where we will have the staff, facilitates and equipment, programs and financial resources necessary to effect real and lasting change in our community over the years and decades to come.

Over the past 3 decades, the unwavering compassion and unrivaled generosity of our United Methodist partners has allowed us act as a beacon of hope for so many people with nowhere else to turn. As CUMAC takes exciting steps to guarantee our present and future success in ministry to the poor and disenfranchised, the support of our friends within the Greater New Jersey Annual Conference will mean more than ever. Going forward, your food and clothing collections will allow us to continue providing direct support. Financial gifts made as donations, taken as special offerings, and shared as event proceeds

REPORTS

will be a critical part of our growth story and our ability to expand our work. Volunteers will continue to play a vital role in our everyday feeding efforts, but will also be needed as industry experts, as board members, and as committee people. You, your generosity of spirit, and your commitment to live the words of Christ will make all the difference to mission and to those we serve. We are ever grateful of and humbled by all who come together to help feed people and change lives and we look forward to continued collaboration to ensure none among us suffer the pain and indignity of poverty or hunger.

Drew Theological School

As we celebrate the 150th anniversary of our founding this year, we find ourselves in the unique position of reflecting deeply on our past and, at the same time, looking with confidence and enthusiasm toward the future. Drew Theological School has, throughout its long and distinguished history, fostered a vibrant spirit of learning and community that allows for a rich diversity of both expression and experience. These qualities of inclusion and a steadfast commitment to social justice are what make the Theo School what it is today – and have, in fact, defined it from the beginning of its existence.

In the spirit of our founders, we continue to educate students from all over the United States and throughout the world. We continue to pursue a mission of empowering students to “creative thought and courageous action to advance justice, peace and love of God, neighbor and the earth.” In the classroom and beyond, we continue to focus on educating and forming rooted, innovative, and bold leaders for the church, the academy, and the world.

These are the principles that attract students to our programs, and they guide us in all we do to support them during their time with us.

We have seen the effects of this in our rising enrollment numbers. In the last three semesters, the Theological School has seen a steady growth in both applications and enrollments, and early indications strongly suggest we will continue that trend this year. Our students hail from across the country, represent 21 different denominations, as well as a sturdy non-denominational presence, making Drew a truly ecumenical community. Yet we could not have arrived here on our own: over 30 percent of our applicants come to us through recommendations from our alumni and friends.

We also have a history of great success when we open our doors to prospective students and invite them to explore our programs first-hand. Of the students who attended our *Open Doors at Drew* event last March, more than 50 percent enrolled.

These gatherings are so successful because they offer prospective students an opportunity to see Drew in person – to see Drew *in action*. We allow them to immerse themselves for the day in dynamic classroom conversations, worship services, and panel discussions with both current students and alumni. These events highlight our efforts to create a truly collaborative, comprehensive, and transformative experience that involves the entire Drew community.

A recent report by the Pew Research Center, “America’s Changing Religious Landscape,” made clear that seminaries and theological schools must reimagine their programs and how they reach students who are seeking out new expressions of Christian theology, ethics, liturgy, and gathered community.

In order to accommodate these prospective students and offer them the kind of dynamic and relevant theological training they seek, we embarked on an ambitious transformation of our curriculum, thanks in part to a generous grant from the Jessie Ball duPont Fund.

This project has been guided by our efforts to address the changing needs of our students, those who may not choose to pursue a traditional ministerial path, and those who require a more flexible structure to their education. While our commitment to the Church and to the training of pastoral leaders is unwavering, we have also focused on ensuring that our current curriculum, teaching, and student assessment are aligned with more diverse demographics, changes in vocational choices, and the need to prepare religious leaders to serve effectively in multi-faith, secular, and even non-religious settings. We aim to serve the students whose vocational goals may include chaplaincy in healthcare settings, the military, or corporate

REPORTS

venues, those who may seek to work as life coaches, or who may pursue careers in advocacy, social activism, and the non-profit world more generally. The focus is on preparing students for transformational leadership, wherever their vocation is lived out.

Our curriculum transformation project also includes a focus on various modes of delivery – online classes and a flexible course schedule for students who are unable to attend class during the day or those who live too far from campus to attend in person regularly. These changes will expand our sphere of influence and the contexts in which our students serve, inspiring us to think more broadly about what is required for leadership-in-context. It will also hopefully bring us an even more diverse student body, something that Drew values highly.

The curriculum that we hope to implement will more clearly and intentionally help students root themselves in the cumulative wisdom of their tradition (more Bible and theology) but also prepare them to be adaptive leaders who confidently innovate ancient wisdom and tradition in order to address contemporary needs and challenges. They will do more and sit less.

Their mentors in learning and experimenting will extend beyond our residential faculty and draw from the rich resources of partner organizations and networks which can provide the real-world settings for these “experiments in courage,” where the pursuit of wisdom and godly living can be more vigorously pursued.

The majority of our students come to us with experience in ministry, and many are currently exercising some form of public religious leadership. Additionally, an increasing number of students come to us with a wide range of experience in the foundational understanding of basic biblical texts and theological concepts. Furthermore, an emphasis on public theology and the role of the public theologian and leader is an essential aspect of the work of Christian ministry today, and more attention will be paid to helping our students develop this aspect of their ministry.

All of these efforts will make it possible to offer our bold vision to a wider audience of students. While these changes will be significant, they will in no way alter the spirit that has distinguished a Drew Theological School education for 150 years. Indeed, these changes have their source and their end in that very spirit, and they will, we are confident, contribute to its continued vitality.

We are thrilled by how our vision for the future of the Theo School is unfolding and taking shape. We look forward to our continued work with the entire Drew community – both past and present, on and off-campus – as we transform this center of learning, pastoral formation, and service to respond in relevant and powerful ways to the changing needs of our churches, our communities, and the world.

The Educational Society

The Educational Society is an agency of the Greater NJ Annual Conference of the United Methodist Church whose goal is to assist with the education of clergy for the edification of the church. We are composed of clergy and laity from across the Conference and have been assisting men and women of New Jersey called by God to full-time Christian service by providing scholarships and loans for more than one hundred and fifty years. We are supported by the repayment of loans, interest earned from long-standing endowments, grants from the Annual Conference, and by local churches and individuals through the Conference Advance #622. The Conference Advance #622 is an opportunity for local churches to subsidize and affirm the ministry and education of Greater New Jersey United Methodist pastors who have reaped the benefits of the Society’s ministry by supporting the Educational Society in its historic mission.

In 2016 the Educational Society was delighted to award \$20,000 in scholarships to 4 recipients (Donald Kirschner, Joshua Mularski, Rachel Callender, Nova Villa Vitug) in order to further their seminary education. Applications for GNJ Educational Society scholarships and loans can be downloaded from the conference website at www.gnjumc.org/resource/2016-educational-society-application/

If you would like more information about the Educational Society and its ongoing ministry of underwriting seminary education, please stop by our display at Annual Conference or email Rev. Donald Stevens (revdon64@hotmail.com) or Mrs. Jo D. Malessa (ma_malessa@comcast.net).

Finance and Administration, Council on

Greetings in the name of our Savior Jesus Christ.

As we close 2016 and look forward to 2017 and beyond, we do so knowing together we have accomplished much with the resources God has blessed us. Under the leadership of our Bishop and Cabinet, the Council on Finance and Administration has been able to support the ongoing effort of the many programs within the Conference, particularly the focus on "Maintenance to Mission".

Our congregations have led the support for these efforts by again raising the Shared Ministry collection rate to 86.7%, an increase of 1.6% over the prior year. We were blessed that 407 of our local churches paid 100% of their shared ministry allocation, while 452 paid 100% of their billables. We are grateful to the churches of the Conference for their stewardship and support, together we are accomplishing many things.

During 2016 we were able to maintain our commitments to funding many programs, while also completing the reorganization of our District Superintendent support, allowing for improvements and refocus of our talent and gifts. In doing so, expenses were well controlled throughout the Conference, allowing our Conference to finish the year in a position to pay 100% of our General Church apportionments, for the 10th consecutive year.

The year also was marked by continued prudent investment returns, managed in partnership with Wespeth Inc., as well as an enviable audit report of 2015, reflecting only minor areas of opportunity for improvement. All of the Council's sub committees were efficient and timely in their respective areas, insuring effective management of our precious resources.

As we look forward to 2017, we are excited about the possibilities to where Christ is leading us. We are working to develop support in the form of shared services for new efforts based on Hope Centers, where individual charities would be established to address key areas in our communities. Additionally, we recognize the need to address our current Shared Ministry formula and are committed to introducing a new methodology for the 2019 budget. Other areas of focus are for shared procurement and long term management of cemeteries within the conference.

I would be remiss if we did not recognize the efforts of our Treasurer and his staff for their continued excellence in performing their roles. Likewise, the leadership of the Council transitioned from John Bishop and we are grateful for his many years of dedication and service to the Council and Conference. We are blessed to have them and are grateful and thankful for the blessings of them in our conference and lives!

In closing, on behalf of the Conference Council on Finance and Administration, we offer our thanks to Bishop John Schol and the Cabinet for their leadership and support, as together we continue to spread the good news of Our Savior Jesus Christ.

Global Ministries, Board of

The Conference Board of Global Ministries works with missionaries, our Advance Specials, agencies, and Conference staff, aligning with the strategic goals of GNJC.

REPORTS

Advance Specials: Each Advance Special is assigned to a CBGM member who acts as the liaison with the Board to assure that their ministries continue. Visits with the agency have been planned for Spring 2017. Advance Specials are required to submit a reapplication each year and provide supporting documentation. The list of Advance Specials may be found in the Resolution section of the pre-conference journal. Although the Conference does not fund Advance Specials directly, they are encouraged to apply to churches and the churches are encouraged to support them by sending funds to them through the Conference treasurer.

Global missions, Conference Secretary (CSGM): In the Greater New Jersey Annual Conference the position of CSGM is held by the Chair of the Board of Global Ministries as well. The CSGM works with the General Board of Global Ministries in accommodating missionaries who will be itinerating in our Conference. In 2016 Marilia Alves Schuler itinerated in Greater New Jersey.

Isabel Quezada attended the Northeastern Jurisdiction CSGM 2016 fall retreat from October 17-20, 2016 in Haverford, PA. This was a three day event of worship, workshops and the opportunity to meet with current CSGM's of the Northeast Jurisdiction. Highlights from this gathering include: Rev. John Calhoun, Mission Advocate, Northeastern Jurisdiction had been reappointed to Ukraine, effective December 2016.

The Conference Board of Global Ministries has met several times during this period to discuss activities for 2017. There is a unanimous interest from committee members to be more involved in communicating mission opportunities to youths and young adults in our Conference.

Laity, Board of

“To equip the saints for the work of ministry, for building up the body of Christ, until all of us come to the unity of the faith and of the knowledge of the Son of God, to maturity, to the measure of the full stature of Christ” (Ephesians 4:12–13).

Working to do ministry and mission is always a challenge for many local churches because of the many hats laity may need to wear as well as limited resources to do the work that need to be done. The Laity Board has continued its work in equipping laity to this valuable work of ministry and to carry out God's mission through hands on training. We know that ministry is to be carried out by the entire church, by both laity and those ordained. Laity should be the primary agents for this work and there is one reason God has given us the church is to enable the community to work together to build up the Kingdom.

The Laity Board continue to focus on equipping laity to do ministry with specialized education such as the Laity Leadership Academy and providing small seed grants for those who attend the academy and wish to start new ministries. The Lay Servant and CLM program continue to train laity along with other leadership development programs in our districts. Lay Ministry Recognition provides opportunities to share ministry with other churches and to tell stories of ministries.

Why Do We Need To Equip Laity?

- We know that a pastor cannot do ministry alone.
- God intends for all Christians to be involved in mission and ministry.
- Equipped Laity is able to work as partners with the pastor.
- Pastor can concentrate on shepherding and leading church mission and vision.
- Disciple-making begins in our immediate environment-in our own community.
- If revival, renewal and awakening are to occur, it will be done by trained disciples.
- Excited and equipped laity will help us meet our goals and strategic plans for principle leadership, profession of faith, small groups, reaching new people in GNJAC.

I would like you to imagine a well mobilized equipped and excited laity in our Conference of CLM's, LSM Teams, elected officers fully trained in their role, ministry teams who are equipped for ministry. What would it look like to have a church council who plans ministry, stewardship ministry constantly renewing the church's finances? I see a small church of a 2-3 point charge with a CLM in each one of the churches to work in partnership with the pastor. I see a LSM person leading small groups, Bible study, Sunday school and a worship team that knows how to develop creative worship experiences and outreach ministries that

include community representatives. When laity intentionally become equipped to model the life of Christ, the church will soar to new heights in making disciples and building the Kingdom of God.

National Plan for Hispanic/Latino Ministry Committee

“Day by day, as they spent much time together in the temple, they broke bread at home and ate their food with glad and generous praising God and having the goodwill of all the people. And day by day the Lord added to their number those who were being saved.” Acts 2:46-47

Reviewing of our vision, mission and strategic plan

The National Plan for Hispanic/Latino Ministry Committee within GNJ began the quadrennium with new leadership, welcoming five new members and making a reviewing of our vision, mission, strategic plan and structure in partnership with the leadership of the National Plan for Hispanic/Latino Ministry.

As part of this process, we met with clergy, laity (youth and adults) of our current Hispanic/Latino congregations in order to know what were their principal values and vision for the committee. We completed the process of aligning our vision, mission and strategic plan with the Conference and National Plan Hispanic/Latino. We did an evaluation of the work and the role of the committee. We also created a new structure for the committee that include the executive team and an extended committee that will focus its work on three areas: Current Leadership Development, Youth Leadership and Community Outreach.

Leadership Development

Our committee has continued offering training for our lay leaders. We offered Modules 1 and 2 of National Plan Hispanic/Latino. The students of SELAH, our Laity Biblical Academy, concluded their program of study successfully. On March 18, 2017, 17 students from SELAH and 15 from Modules 1 and 2 graduated at Drew Theological School. Dean Javier Viera was the speaker of the day.

The Rev. Hector Burgos and Rev. Cesar Miyares have been instrumental in a project to turn SELAH in a Hispanic/Latino Theological and Leadership Development Training Center. The mission of SELAH will be to make disciples of Jesus Christ for the transformation of the world; and its purpose is recruit and develop transformational leaders for the church of the 21st century by providing theological and practical ministry, and leadership development education in the Wesleyan tradition. We have been working on SELAH new curriculum, choosing the teachers who will be part of the faculty and the administration team. Our committee has been working with Javier Viera, Dean of Drew Theological School, on getting certification for the program of SELAH.

Support to Children and Youth Ministry

As every year we supported the Hispanic/Latino Children and Youth Retreat called “Niños y Jovenes para Cristo” that usually take place at Pinelands Center. This year we offered scholarships to 48 campers and 4 youth counselors. In addition to offering scholarships, the chair of our committee visited Pinelands Center during the retreat to support the staff and chat with the campers. We celebrate the leadership of Milagros Soto, Rev. Charles Perez and Rev. Rolando Santiago in keeping this program going, and offering spiritual direction for our children and youth. We also offered 34 scholarships to support the youth going to IGNITE 2016. Charles Perez has been instrumental in keeping alive the IGNITE Movement among the Hispanic/Latino churches. Our youth continue doing their rallies during the year. During the rallies they praise God together, and get inspired to live life to the full and share the good news of salvation.

Support to Methodist Men and Walk to Emmaus

On September 24, 2016 in Matawan UMC, we held the first gathering of Hispanic /Latino Methodist Men. The event was attended by 47 men, including 3 women who helped with hospitality. The men worshipped God together, and they engaged in conversation about their discipleship and leadership in the local church, community, and daily life. Our committee supported this historic event with funds and we participated in its organization. We acknowledge the leadership of Rev. Hector Burgos and Samuel Perez in the organization of this event.

After 12 years, the Comunidad Emaus Latina Emanuel (CELE) became the second Hispanic Emmaus Community in the nation. Our committee has provided consistent and strong economic support for facilitating the walks. The ministry of Walk to Emmaus is a highly effective resource to develop lay leadership and spiritual growth. Walk to Emmaus provides spiritual formation for

REPORTS

people to become faithful disciples of Jesus Christ. We acknowledge the leadership of Elizabeth Gonzalez as the Director of the Community and Rolando Santiago as their Spiritual Director.

Events to strengthen unity among our clergy and laity

We organized our Epiphany Service once again this year. This event has great relevance for our community, because it strengthens the unity and traditions of the Hispanic/Latino people, and it is attended by all our congregations within GNJ. Bishop Schol was our guest speaker, and he was assisted by members of the Cabinet in serving communion and pray for the people. We also organized two clergy gatherings during the year, a picnic during the summer and a party in the winter. These gatherings provide opportunity for building strong relationships between our clergy and their families.

Our goals looking ahead

Some of our goals of our committee looking ahead:

- Encouraging all our congregations to get involved in Team Vital.
- Provide support for lay missionaries starting new Hispanic/Latino communities of faith
- Provide resources for community outreach projects, Evangelism and Small Groups Ministries.
- Organize workshops about cultural competence, and support our pastors serving in cross-cultural appointments.
- Support the development of youth leadership and youth ministries.
- Continue working with the Commission on Archives and History on identifying the Hispanic/Latino Methodist history within GNJ and encourage the preservation of significant documents, artifacts and transformational personal faith stories.

Acknowledgements

- God, our Sustainer and Divine Partner, without God's help will be impossible to reach our goals as a committee.
- Jazelis Adorno-Burgos, our former chair who prepared the way for us and provided support and guidance during the transition.
- The members of our committee, Rev. Waleska Trinidad, Rev. Teresita Matos, Rev. Cesar Miyares, Rosemary Rentas, Gladys Zubko and Justino Cabrera. They have worked hard on organizing events, and creating new strategies to support and grow the Hispanic/Latino ministry.
- Bishop John Schol, for his encouraging presence and support. Bishop School has spent time in meeting with our clergy and laity to better understand the Hispanic/Latino culture; and he has invited us to explore new possibilities for the continued growth of the Hispanic/Latino ministry.
- Our DCM Rev. Hector Burgos and DS Rev. Manuel Sardiñas for walking and meeting with our committee, providing guidance and creative ideas.
- Manuel Padilla from National Plan Hispanic/Latino for helping the committee in the process of organizing better, and to adopt strategies that best serve the needs of the Hispanic / Latino people.

Native American Ministries, Committee on (CoNAM)

As the committee continues to keep the Act of Repentance alive in the Conference, we had Ms. Christie Pierce, a UM and a member of the Lenni Lenape Tribal Council give the Welcome at the Annual Conference. We were happy to hear that St. John UMC was a part of a VBS program within the Delaware Bay District which included the Native American culture and history. To remember the history and heritage of the Lenni Lenape people, St. John UMC has worked with Archives and History to record the stories from the elders. We are looking at putting a marker on the Pineland Retreat Center property where the "Brotherton Reservation" was once situated.

As we start to work with other Native communities in the conference, three people attended an event sponsored by the Native American Comprehensive Plan (NACP) related to starting new ministries. Those communities are the Powhatan and Ramapough communities.

REPORTS

One of our goals is to include Native American youth and young adults into the life of the Church. We sent three youth to the IGNITE event. We send three youth to the Peg Leg Flamingo event in North Dakota and they were able to visit with people at Standing Rock, South Dakota. We are also working with Pineland Center about holding a Native American youth camp in the future. We support Ms. Allie Mosley, a member of the CoNAM in starting a Native American Club at the Bridgeton High School.

It is important for CoNAM to be involved with other Native American organizations in the Church. We had four CoNAM members attend the Northeastern Native American Ministries Committee (NEJNAMC) Annual Meeting in Wheeling, WVA in October, 2016. The CoNAM was also the host to the Native American International Caucus (NAIC) Annual Meeting which was held in Vineland and Bridgeton, NJ in October 2016.

Pension and Health Benefits, Board of

The Greater New Jersey Conference Board of Pension and Health Benefits (the Board) is authorized by *The Book of Discipline of the United Methodist Church* to contribute to the support, relief, assistance and pensioning of clergy and their families, as well as other church workers and lay employees of the United Methodist Church.

Working with the Wespath Benefits and Investments, the Board endeavors to implement and interpret national and conference policy.

PENSION

Pre-1982 Pension Plan

The 2017 Past Service Annuity Rate for pre-1982 annuitant payment is \$658 per year of pre-1982 service. The 2018 Past Service Annuity Rate for pre-1982 annuitant payment will be \$672. The pre-1982 pension program continues to be fully funded and in a strong position.

CRSP/MPP and CPP

The General Conference's pension plan, Clergy Retirement Security Program (CRSP) is a hybrid of defined benefit and defined contribution approaches which took effect in 2007. For 2017 churches pay CRSP at 12.5% of clergy plan compensation and for the Comprehensive Protection Plan (CPP) at 3% of clergy's plan compensation, and UMLife Options at 2% of plan compensation for ½ time clergy.

The 2012 General Conference enacted changes to the Clergy Retirement Security Program. Effective 1/1/2014 for all contributions going forward, the CRSP Defined Benefit component was reduced from 1.25% of DAC to 1.0% of DAC. Under the CRSP Defined Contribution component, contributions were reduced from 3% to 2% of clergy plan compensation and, in addition, match up to 1% of compensation if clergy contributes 1% to UMPIP. Contributions previously made will not be affected by this change and benefits paid upon retirement will be based on the previous formula for all benefits accrued prior to 1/1/2014. Any benefits accrued from that date forward is based on the new formula.

Additionally, the General Conference changed the participation requirements from all clergy under appointment to only clergy under full time appointment. Clergy appointed to less-than-full-time (3/4 and 1/2-time) are eligible based on the decision of the Annual Conference after approval of the Conference Board of Pension and Health Benefits. The Board has voted to include those clergy appointed to less-than-full-time (3/4 and 1/2 time) appointments in CRSP. For clergy appointed to 1/4 time appointments, a vote of the Board has made UMPIP available as a pension option for those clergy. Please contact Alexa Taylor, Benefits Services Manager, for more information on this option. These changes require Annual Conference approval.

The rates of remittance for the Clergy Retirement Security Program/Ministerial Pension Plan (CRSP/MPP) and Comprehensive Protection Plan (CPP) increased from last year's rates to 94.36% and 99.60% respectively. Thirteen percent of churches were unable to pay these bills on time. Below is a summary of 2016 remittances:

Type	Remittances Rate	2016 Shortfall	# of Churches Paying < 100%	% of Churches Paying < 100%
CRSP	94.36%	\$143,608	62	13.62

REPORTS

CPP	99.60%	\$2,318	
-----	--------	---------	--

To maintain clergypersons' participation in CRSP/UMPIP and CPP/UMLife Options, the Greater New Jersey Conference fully pays delinquent church accounts using funds from the Reserve Account at Wespath Benefits and Investments. We are concerned that some churches are not fully meeting their obligations with the resulting decrease in the Reserve Account.

By 2016 year-end the cumulative delinquent amount for years prior to 2016 was \$1,916,000 for CRSP/MPP and \$412,000 for CPP - a total of \$2,328,000, an increase of \$138,000.

We thank those churches that maintained faithful stewardship, paying 100% of their obligation. We also appreciate the continuing efforts of our district superintendents, Alexa Taylor, Benefits Services Manager, to collect the past due balances. More than \$113,000 of the 2002-2015 shortfalls was collected in 2016.

Pre-Retirement Seminars

As in years past, the Board sponsored a retirement education session held at the Mission and Resource Center of Greater NJ on March 2, 2017. The pre-retirement seminar focuses on those anticipating retirement within five years. Fifty persons were scheduled to attend. Presentations by Peter Hang of the Wespath Benefits and Investments and a Social Security representative provided valuable guidance to assist retirement planning. Special thanks go to Jennifer Cho for organizing this event. Thanks also to Alexa Taylor, Benefits Services Manager, for assisting and providing support.

HEALTH INSURANCE

For 2017, the Board continued Active health insurance under HealthFlex, the health insurance plan sponsored by the Wespath Benefits and Investments. The medical provider network is Blue Cross/Blue Shield PPO; the pharmacy benefits are provided through OptumRx. Beginning in 2015, Wespath no longer offers retiree health insurance. The Board implemented United HealthCare's National Medicare Advantage PPO Plan which combines the participants' Medicare A & B, supplemental coverage and Part D prescription plan.

The Board has again provided a contribution to participants' Health Reimbursement Accounts for 2017 of \$1,250 for single and \$2,500 for all other plan types which can be used for qualifying medical expenses (such as co-pays and deductibles). These funds do not expire and are accessed through a MasterCard branded debit card, or via a reimbursement form.

Premiums and Remittances

The following chart shows church premium rates in effect for 2017. These rates reflect a Cabinet- requested blended rate for all categories, which the Board has been moving toward for several years, so that health insurance premiums are not a factor in determining clergy appointments.

Health Insurance Premiums for 2017	
Employee	\$14,000
Employee & Child(ren)	\$14,000
Employee & Spouse	\$14,000
Employee & Family	\$14,000

The Board thanks all churches that fully paid their health insurance premiums in 2016. Overall, churches paid 97% of the total \$3,872,800 health insurance billings, a decrease from the 2015 remittance rate of 99%. The 2016 shortfall was approximately \$141,000. By 2016 year end, the amount owed from years prior to 2016 had been reduced by \$123,247 and the cumulative unpaid health insurance bills had increased to \$3,056,309 owed for years prior to 2016.

Churches failing to fully pay their premiums burden all churches and result in higher health insurance premiums for all. Thanks go to the Conference/BOPHB Treasurer John Cardillo, Insurance Administrator Barbara Gruezke, and the Cabinet for their continued efforts to collect health insurance arrearages.

The Board and the Conference staff have continued their efforts to ease the continued transitions in healthcare. The Health Insurance Guidelines included in these 2017 Conference Reports and Recommendations have been updated.

Annuitant Health Care Liability

As of the end of 2015, the Financial Accounting Standards Board FAS 158 liability for annuitant healthcare costs in the amount of \$49.5 million was posted to the Conference balance sheet. This liability is the estimated present value of the future costs of

REPORTS

annuitant healthcare. The Annuitant Health Insurance Contingency Fund described below has been set up to address this large liability over time.

Annuitant Health Insurance Contingency Fund

In 2002-2003 the Board, recognizing the growing magnitude of annuitant healthcare costs, together with the Centenary Fund, representatives of CFA, the Cabinet and the Association of Retired Ministers and Spouses (ARMS), developed a plan for a long term Annuitant Health Insurance Contingency Fund that begins to offset the liability and ensure that retirees continue to enjoy conference-paid health insurance. The Fund was initiated by the 2003 GNJ Annual Conference and earmarked exclusively for healthcare costs for annuitants to cover higher premium costs expected in future years. The plan for the Fund involves a multi-year period during which excess pre-1982 retirement funds would be used to pay CRSP defined-benefit requirements, and comparable funds from churches would be used to create a permanent retiree health fund. This is a critical initiative since it is clear that the Conference cannot continue to fund retiree health insurance on a cash basis out of the Conference Budget.

As of December 31, 2016, the Annuitant Health Insurance Contingency Fund held a balance of \$8,748,335 after transferring \$565,260 to the Annuitant Health Insurance Account to avoid a negative balance in that account at year-end. In 2016 approximately \$3,406,000 came into the Contingency Fund (representing the 2% clergy and staff salary contributions toward the cost of health insurance) plus the Centenary Fund's annual contribution (in excess of \$300,000, separate from their \$100,000 contribution directly to the Annuitant Health Insurance Account).

The Board Itself

The Conference Board of Pension and Health Benefits endeavors to serve the Conference and the needs of those in ministry. There continues to be much to accomplish, especially in the challenging field of health insurance. Christ strengthens us to meet these challenges and we pray for the Holy Spirit to guide and inspire our actions.

Property and Liability Insurance Program of the Board of Trustees

2017 Insurance Renewal:

At the 2017 insurance renewal coverage has been moved to Church Mutual Insurance Company. The 2017 insurance renewal process resulted in a \$158,500 premium increase or 4% versus the 2016 costs. This includes the final increase in property values as a result of property inspections that were completed in 2013 to 2015. The Conference had been insured with Mercer Insurance Company for most of its coverage since 2004. But due to the poor loss history, Mercer this year had proposed over a 30% increase in premiums. The Board of Trustees believes that the long relationship with Mercer was mutually beneficial for many years, but in light of the significant premium increase, coverage limitations, and at the recommendation of our broker Sovereign Insurance have decided to move the insurance coverage to Church Mutual. As a result of Sovereign's negotiations the Conference was able to avoid a steep premium increase and a large reduction in coverages by moving to Church Mutual. Church Mutual Insurance is the largest insurer of churches in America and has already met with GNJAC staff and Bishop Schol. Additional loss control information and services will become available to local churches and we look forward to the new partnership with Church Mutual.

Workers' Compensation:

The Workers' Compensation coverage is with Church Mutual Insurance Company effective January 1, 2017. Workers' Compensation premiums were increased from \$629,426 to \$660,038 due to adverse claims development which resulted in an experience modification factor increase.

Automobile Insurance:

The Board of Trustees continues to make available a voluntary automobile insurance program for church-owned vehicles. The 2017 premium cost is overall 18% lower than in 2016. Each church has access to this insurance program and pays the premium cost for any vehicle insured.

Claims Experience:

As previously noted, the Conference loss ratio was very unfavorable for the 2011 to 2016 policy years due to several large loss events. The Board of Trustees believes Church Mutual understands well the nature of the GNJAC loss exposures and look

REPORTS

forward to engaging in active loss control measures to achieve more favorable results. If losses continue in an undesirable fashion they will negatively impact the overall cost of insurance; our current five year loss ratio is 105%.

Large Losses:

The loss experience for the past five years has been driven by several events and a few specific claims. In 2011 the Conference sustained nearly \$900,000 in Hurricane Irene claims from 66 churches and a fire loss totaling over \$2 million. Super Storm Sandy losses in 2012 totaled \$2.1 million from damages to 142 churches. In 2013 \$4.7 million in losses from two workers' compensation claims were sustained. In 2016 there was a total fire loss with damages totaling over \$1.9 million and a roof collapse claim totaling over \$600,000.

Parity Implementation:

The Parity Implementation Plan approved at the 2007 Annual Conference session continues to be implemented according to the original plan. In 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2016 and again for 2017, the Board of Trustees has funded parity relief from Board of Trustee's fund balances. The 2017 billing is the final year of the ten year Parity Plan.

Surplus:

The Board of Trustees endeavors to complete each policy year with a positive fund balance. The accumulated surplus is used to cover uncollectible premiums, fund cash flow in order to pay insurers timely, pay deductible differentials, and fund parity relief. Surplus is also potentially needed to offset future rate increases and uninsured/underinsured defense costs and losses as prescribed by the Cabinet.

The Board of Trustees believes that it is crucial to maintain the surplus position given the adverse claim experience of the past five years. The Board anticipates \$100,000 addition to the surplus position in 2017.

Summary:

The Board of Trustees encourages each church to take advantage of the assistance available through Sovereign Insurance (800-222-4478), the Conference insurance program's broker. The Conference insurance program does not include flood insurance. We remind churches, particularly those located in a flood zone, of the need to purchase flood insurance; Sovereign Insurance is prepared to help with that process.

Religion and Race, Commission on

"To do righteousness and justice is more acceptable to the LORD than sacrifice." Proverbs 21:3

Thank you to the members of the Greater New Jersey Commission of Religion and Race (GNJ CORR) and the collaborating ministries for their work and valuable contributions. GNJ CORR is called to engage in activities consistent with role of the General Commission on Religion and Race (GCORR). "GCORR is the core agency within the United Methodist Church tasked with empowering the Church to pursue racial equity and cultural competency to build a stronger, more vibrant UMC." Similarly, GNJ CORR is charged with this same task in the Greater New Jersey Conference (GNJ). By promoting full and equal participation of the racial and ethnic constituency in the total life and mission of the church, GNJ CORR seeks to empower clergy and laity to develop transformational leaders and vital congregations.

In 2016, GNJ CORR continued with the goals of 1. Providing resources, training and 2. Supporting and providing programs of cultural competency, racial justice and reconciliation. Specifically, the 2016 activities were as follow:

Resources and training

- GNJ CORR worked with The Board of Church and Society and the Commission on Christian Unity and Interfaith Relationships to sponsor a dinner at the 2016 Annual Conference, The keynote speaker was Dr. Kenzoe Brian Selassie who provided tools on *"How to Communicate Effectively in a Polarized World"*. We were provided with valuable tools to engage in fruitful conversations.

REPORTS

- Rev. Vanessa Wilson provided relevant information to GNJ CORR from the General Conference. GCORR will produced new material regarding cross-cultural, cross-racial sites for use by Annual Conferences in 2017. When the final edition is printed, we hope to use it in Greater New Jersey.
- GNJ CORR hosted at *Just-in-Time Conversation about Race*, at Drew University Theological School, in an effort to address postelection tension. “*Leading with Love and not Fear*” was an opportunity to gather, worship, learn and support each other and was co-sponsored by the Committee on Ethnic Local Church Concerns and the Committee on Native American Ministries (CoNAM) The guest speakers and conversation leaders included Dr. Leah Gunning Francis, Rev. Charles D. Mitchell, Rev. Dr. Ralph Bunche Terrell, Ms. Tammy Bormann and Rev. Vanessa M. Wilson, J.D.

GNJ CORR looks forward to continuing to serve GNJ through training, consultation, research and advocacy to empower clergy and laity to be able to be an effective witness for Christ in a diverse world. In 2017, we will focus our efforts on supporting those in cross-cultural cross-racial sites as well as proving resources and tools for effective cross-cultural conversation.

Small Church Membership, Commission on

The Commission on Small Church Membership was formed in 2016. The GNJAC website makes the following statements of goals for the Commission on Small Church Membership: “This committee helps create resources for smaller churches. It provides opportunities and creative solutions for greater collaboration, cutting edge resources, and spiritual growth. This strengthens and broadens the work smaller churches do in their communities – and supports the people sustaining these special, and often historical, sanctuaries in our region’s landscape.”

In 2017 the Commission on Small Church Membership is focused on the goal of growing worship attendance. We are addressing the question of how to best resource pastors and lay leadership to offer excellent worship in their settings. The focus is to increase the percentage of churches growing in worship attendance. Small church leaders have challenged the committee to assist them by offering an actionable plan and some resources to help clergy and laity take the steps necessary towards transformation.

We began our work at the Doxology Conference in November. I spoke on “Small Church Worship” and over 100 persons attended the workshop. Many of the pastors and laity asked for more resources on small church ministry. Building on the interest of these local church leaders we are working on gaining insight into the needs of small membership churches and ideas around how the conference can best resource them for growth.

The first objective of the committee was to define a small membership church. Discipleship Ministries defines small membership church in this way. “A small-membership congregation is more than numbers, but size counts. A small congregation is one that has fewer than 200 members or fewer than 150 in worship (<https://www.umcdiscipleship.org/resources/how-to-worship-in-small-membership-congregations>).” In GNJAC this definition includes many churches. To work effectively this committee needed to refine that definition. The committee agreed it would be best to focus on churches that on average worship less than 90 persons.

The Greater New Jersey Annual Conference is made up of 552 churches, in 2015 three hundred and seventy nine (379) of our churches had an average worship attendance of less than 90 worshipers. That represents 68% of all congregations. The good news is nearly 50% of our small membership churches brought in new members in 2015. The committee is exploring how to best build on this growth and determine if there are any common strategies that result in an increase in membership.

REPORTS

Small membership churches share many of the same challenges such as older congregations and aging facilities. They also are very diverse in locality and community needs. We also recognize that 261 churches in GNJAC report less than 50 in average worship attendance. We are considering the different challenges these churches face in attracting new worshippers.

We are actively working on ways to connect small church pastors on a regular basis so they may share their challenges, as well as resources. Another goal is to offer a full day of learning for small membership church leaders both laity and clergy.

Status and Role of Women, Commission on (COSROW)

"The General Commission on the Status and Role of Women advocates for full participation of women in the total life of The United Methodist Church. We're helping the church recognizes every person – clergy and lay, women and men, adults and children - as full and equal parts of God's human family. We believe that a fully engaged and empowered membership is vital to The United Methodist Church's mission "to make disciples of Jesus Christ for the transformation of the world."

COSROW in the Great New Jersey Conference has carried out that purpose through the following projects:

1. Helenor Alter Davison Award in order to recognize and affirm the courageous and outstanding women leaders in our Greater New Jersey. Rev. Patricia Bruger was awarded in 2016;
2. Review possibilities for mandatory Sexual Ethics Training for all clergies under appointment(s) in order to end sexual misconduct, abuse, and harassment by those entrusted with ministerial roles in The United Methodist Church;
3. Leadership Training: "Annual Conference Networking and Strategic Planning Meeting" Nashville, TN ;
4. Display table at the Annual Conference to promote our ministry and provide resources for our mission goals.

Two of GCSRW's key pieces of legislation passed by the General Conference in May of 2016 in Portland, OR.

1. "Ensuring inclusiveness of gender and age in the worldwide UMC" - Book of Discipline Paragraph 4. Article IV;
2. "**New Social Principle: Pornography**" - Add new Social Principle to ¶ 161 Book of Discipline. Please visit our website gcsr.org for more information.

All our meetings are open to the public, and you are welcome to contact any COSROW member about your attendance. Here are our members: Diane Pacione, Gilbert Morris, Yoomi Yi, Iraidia Ruiz de Porras, Evan Rohrs-Dodge, Sonia Cancel, and Beth Caulfield. I am so thankful for their faithful work for full and equal participation of women in the total life of the church and beyond.

We are honored to serve all of the Greater New Jersey Conference to have the benefit of the wisdom, life experiences, and perspectives of women for making disciples of Jesus Christ for the transformation of the world. For by our baptism "there is no longer Jew or Greek, there is no longer slave or free, there is no longer male and female; for all of [us] are one in Christ Jesus" (Galatians 3:28).

United Methodist Men

“I will make you fishers of men, if you follow me”.

WOW – If we follow him. Thank God for *the twelve* that followed him.

We, the men of the Greater NJ Annual Conference sometimes need to be reminded and nudged to follow our Lord. Men, we need to be still and listen and discern with what God is asking us to do. We need to have strong United Methodist Men groups in our churches. Are we willing to be the men God has called us to be?

What is our role as men in our churches?

We are called to be disciples of Jesus Christ to be Godly husbands, fathers, sons and brothers to step up in leadership in our churches and communities to be mentors to be disciple makers.

For the last several years, this report has noted that the Methodist Men in the local church has fallen off. Looking at the number of churches that are nationally chartered this is true, but talking to churches throughout our conference men are very active.

Today's men want to be more hands on and with less meetings. Thank you men and your churches for the following:

- Prayer ministry
- Feeding the homeless
- Clothing the needy.
- Serving on your local church committees
- Prison ministry
- Fellowship among each other
- Ushering
- Cooking & serving meals
- Assisting with worship services
- Leading small groups
- Mentoring young men in the church & community
- Scouting ministry
- Supporting the Upper Room Ministry
- Walk to Emmaus

Besides the above, there are many more ministries being done by the men of the Greater NJ Annual Conference.

Thank you for your service and devotion to our Lord and Savior.

- In 2000, became the UMF of Greater NJ after the merger of the Southern & Northern Conferences.
- Wespath Investment Management became the investment manager in August 2015. Assets totaled \$7 million at 12/31/15.

Developments in 2016:

- Rev. Richard Hendrickson, the Executive Director of the Foundation, was appointed to a local church. Sue Ryan Goodman assumed the role of Interim Executive Director while the Foundation searched for a full time Executive Director.
- Under Sue's direction the Foundation attracted the investments of the Centenary Fund, the GNJ Investment account of the Board of Trustees and three new local churches. The amount of investment in the foundation increased from \$7 to \$36 million.
- Marketing materials and account documentation were updated and a Planned Giving brochure was developed.
- In October, joint meetings with Wespath were held throughout the state with existing Foundation members and larger churches.

Plans and Goals for 2017:

The Foundation will be hiring a full time Executive Director. The Executive Director will be responsible for positioning the Foundation for future growth. The focus of the Foundation is three fold; fund raising, stewardship and investment management. The Foundation has become the "go to source" for stewardship education and investment management needs of Conference churches.

The Foundation seeks to increase investments to \$50 million by the end of 2017. This goal will be accomplished by reaching out to churches of all sizes across the conference that would benefit from our services.

It's an exciting time in the history of the Foundation. The organization is solid and becoming stronger. Our investment track record is healthy and confidence in the organization continues to build.

United Methodist Women

The GNJUMW had a busy and productive year!! In January a group five new GNJ Conference officers and President Marilyn Powell went to Lake Junaluska, NC for a three day weekend called Leadership Development Days, run by United Methodist Women National. The theme of the weekend was "Esther - Preparing for Leadership."

Our spring meeting on April 2, 2016 focused on Immigration. We were hosted by Rev. Heidi Bak's church, Beverly UMC. Our worship service was enhanced by the presence of Katherine Parker, our UMC missionary to Nepal. She thanked us for the

REPORTS

emergency grant money that UMW sent to Nepal after the major earthquakes a couple of years ago. With this money they were able to buy food and water and transportation to reach those rural areas that had been cut off from aid. The program following the worship featured a presentation by First Friends, a non-profit group out of Kearny, NJ, that visits, advocates for, and befriends immigrants in detention centers, specifically the Elizabeth Detention Center. Tim Roebuck, a volunteer visitor, spoke to the importance of this work, as this visit represents not only the "First Friend," but, in most cases, the "only friend" that those interned have.

The program was closed by Pastor Esther Morales who shared her experiences writing poetry in a diner in the midst of an immigrant community.

We sent delegation of about 15 women from GNJUMW to the Northeast Jurisdiction meeting held June 16-18 in Syracuse, NY. The theme of the meeting was "A Fresh Wind is Blowing." Bishop Schol was present to participate in worship. Our very own Marisa Gonzales was elected as a UMW Northeast Jurisdiction Representative and Yvonne Bouknight became a member of the Program Advisory Group for National United Methodist Women from GNJUMW.

We co-sponsored Mission "U" with the GNJC, offering 4 courses, including a weekend session at Georgian Court University at Lakewood, NJ July 15-17, and a day session at the Arcola UMC, Paramus July 22. There was also an active youth contingent at Georgian Court. Dean Yvonne Bouknight ably coordinated the team that brought the school together, and Grace Pugh Hubbard led us in music and praise! The issue of Climate Justice was one of the workshop topics. "The Sea Is so Wide and my Boat is so Small," a book by Marian Wright Edelman, was a study at Arcola. This was led by Nicole Caldwell-Gross, the GNJC Director of Mission. This book focuses on underserved American children that are plagued by poverty.

Our fall October 15th meeting was devoted to Environmental Justice. We were welcomed into the GNJC Mission Resource Center by Bishop Schol. Our worship message was delivered by Rev. Pat Watkins our first UM missionary appointed to minister to the earth and to encourage environmental stewardship. Dr. Nina Chen of the Nature Conservancy clearly outlined many individual strategies to heal the earth in terms of water runoff, energy conservation and air quality. A representative of the Citizens' Climate Lobby described the destructive effects of increased levels of CO2 on the earth. Their solution to this is quite simple, a carbon tax that will encourage companies to cut their CO2 emissions.

The fall meeting closed with an election of officers. Rev. Jessica Campbell graciously officiated at the installation of the new Mission Team.

The last meeting of 2016 was the Mission Team Meeting and the Officer Training of District Officers November 18-19 at the GNJC Mission Resource Center. We were introduced to a simulation game on the effects of pollution on people, the earth, health, jobs and housing.

We wish to thank all the Conference staff, especially Joanne Sullivan who prayed us out of the Resource Center after our Team Meeting, and Kaitlyn Deal who helped us use the technology of the Center, while she also documented and photographed our meetings.

Further, we also wish to thank Grace Pugh Hubbard who we have affectionately named GNJUMW musician of the year for her faithful accompaniment of so many of our events.

United Theological Seminary

Where Dreams Take Flight

United Theological Seminary in Dayton, Ohio, was founded in 1871 by Milton Wright, a Bishop in The Church of the United Brethren in Christ and father of aviation pioneers Wilbur and Orville Wright. The Wright brothers had a passionate dream of developing the first successful "flying machine." They experienced great difficulties, hardships and setbacks in achieving their dream. Through their determination and commitment, however, their dream eventually was fulfilled, and they were the first human beings to achieve sustained flight.

God often plants a vision or dream in someone's heart to become a full-time servant of Jesus Christ. In St. Peter's sermon on Pentecost, Peter quotes the prophet Joel who said, "God declares, that I will pour out my Spirit upon all flesh, and your sons and your daughters shall prophesy, and your young men shall see visions and your old men shall dream dreams" (Acts 2:17). When God pours out the Spirit on someone and calls them into ministry, United seeks to partner with that person in helping them to grow spiritually and intellectually in achieving their God-given call and dream.

REPORTS

In the fall of 2016, 418 students enrolled at United to answer God's call and vision for their lives.¹ Our prayer is that God will use United to prepare these students to become faithful, fruitful and effective pastors and church leaders who make disciples of Jesus Christ for the transformation of the world. According to a recent survey, 86% of our graduates are either currently serving in local congregations or are retired from serving in local congregations.² United alumni/ae are making an impact.

On January 1, 2017, United celebrated the beginning of a new partnership in ministry with Methodist Theological School in Ohio (MTSO). United has become an extension site for the Course of Study School of Ohio located at MTSO, providing a convenient hybrid program for part-time pastors pursuing a local pastor's license. Through United's Course of Study, pastors experience a Friday-Saturday weekend on campus and finish coursework online over the weeks that follow. Courses are offered four times per year.

If you feel God calling you to serve in any form of Christian ministry, we encourage you to go online to united.edu to discover the option that fits your ministry and calling. May God bless you as you respond to God's dream for your life to serve in either the ordained, commissioned or lay ministry.

12/13/1930 – 09/04/2016

Alan was born Clarence and Dorothy Yeo in Brooklyn and raised his three sons with his wife Jeannine Spangler, in Valley Stream Long Island. He was active in the community, serving on the library committee and as Boy Scout Master. Alan graduated from Westminster College in Wilmington, PA in 1953, served in the US Army and worked in New York City for 16 years as Vice-President and Secretary of S.P. Skinner Company. In 1971 he felt called to the ministry and attended Drew Theological School where he earned his Master and Doctor of Divinity degrees. During his 22 years of ministry, Alan served churches in Milton, Matamoras (PA), Hopatcong, Roselle Park and Washington (NJ). He retired in 1993 and moved to the cottage community of Massanetta Springs Camp and Conference Center in Harrisonburg, VA. During that time, Alan volunteered for hospice and served as visitation minister for Bethany UMC. From 2000-2002 he and his second wife Annemarie served as chaplains and taught Bible at Randolph-Macon Academy in Front Royal, VA.

After retiring again, he and Annemarie moved to Virginia Mennonite Retirement Community in Harrisonburg and then to Columbia, MD where he passed away at Gilchrist Hospice Center. Alan had been an avid tennis player, runner and swimmer. He leaves behind his wife of thirty years, Annemarie Andersen Yeo (also an Ordained Elder), three sons and their wives: Douglas and Patricia, Gregory and Linda and Curtis and Hilary, six grandchildren (Linda, Robin, Laura, Sarah, Jordan and Molly), three great-grandchildren (Hannah, Caleb and Dante) and Annemarie's daughter, Carolyn Benson, and granddaughter Hailey Benson.

Thomas B. Naglee

09/02/1929 – 10/01/2016

In 1957, Tom, his father, Jacob, and his brother, David, were ordained at the same time by Bishop Fred Pierce Corson. Tom was a graduate of Union College in Barbourville, KY, and the former Crozer Theological Seminary in Chester, PA. He was a pastor for 20 years at churches in what was then the Southern New Jersey Annual Conference. He retired from active ministry for health reasons but never retired from serving his Lord and Savior. Tom's second vocation was as a probation officer in Cape May County. For the past ten years, he and his wife Margie were residents of Pitman Manor and received excellent, loving care that made them feel at home. The hymns Tom chose for his service at Cape May UMC describe his relationship with God, "When morning guilds the skies my soul awakening cries. May Jesus Christ be praised" and "Nothing between my soul and my Savior."

He is survived by his wife, Margie, of almost 65 years, three children, Marcia (Jim) Kates, Tom Jr., and Ann (Chris) Jones, five grandchildren and four great granddaughters.

Vern A. Jensen

08/04/1932 – 05/03/2016

Vern Jensen grew up in the small farming town of Humboldt, IA, with his parents and two sisters. He heeded God's call to full-time ministry as a teen. After completing his studies at Drew Theological Seminary he went to his first church in what was then the Northern New Jersey Conference in 1956. Over the next 29 years, he served as the senior pastor of many churches in the conference, including Linden, Metuchen, and Morristown, and also served as a District Superintendent. He received his PhD in Counseling, which he loved to do, and was regarded as a wonderful preacher and teacher of the Word. Vern moved to South Carolina in 1985 and eventually settled in the Charleston area, where he joined the staff of Seacoast Church, overseeing their prayer ministry for 15 years. During that time he continued to preach and teach, led many small groups, and was committed to helping

people find healing and wholeness through the ministry of Cleansing Stream. He authored four books including a weekly devotional; one of his personal story; and others on dating and marriage. Although he officially retired in 2012, just after his 80th birthday, he continued to passionately share the Gospel until the last day of his earthly life. He was a beloved husband, father, grandfather and great-grandfather, dearly missed by all of his family; but above all, he was a beloved disciple and follower of his Lord and Savior, Jesus Christ.

CLERGY/LAITY SEXUAL MISCONDUCT, ABUSE AND HARASSMENT POLICY FOR THE GREATER NEW JERSEY ANNUAL CONFERENCE (Approved at the 2009 Annual Conference)

All references to the *Book of Discipline* are in the 2008 edition. Paragraph numbers are for easy reference and may change with future editions of *The Book of Discipline*. Unless there are substantive changes to the content of the *Book of Discipline*, the Policy will be updated to reflect the current *Book of Discipline* as editorial changes without the need to re-approve the Policy. Future name changes of Greater NJ Annual Conference will also be updated as editorial changes.

I. Context

For the purpose of this policy, we will use “clergy” or “clergyperson” to refer to all ordained, commissioned, consecrated, licensed local pastor, supply pastor and Certified Lay Minister.

II. Purpose

Clergy are in a position of great trust, power and responsibility. This provides the opportunity for unique relationships of grace and caring. While most clergy remain faithful to their vows and their covenant with God and the church, there are clergy who sometimes violate the trust given them. Sexual misconduct is one grave violation of this trust. We also acknowledge that laypersons can engage in acts of sexual misconduct, abuse and/or harassment. This policy seeks to address the abuse of power by all clergy and laity who engage in sexual misconduct, abuse, and/or sexual harassment. (See Section IV for definitions)

Incidents of sexual misconduct, abuse, and/or harassment have been reported in United Methodist Churches, agencies, and institutions. It is both the ethical and legal responsibility of the Annual Conference to ensure that there are mechanisms for addressing grievances in these matters. The intent of this document is to provide guidance to both laity and clergy of the Annual Conference, and to the local churches contained therein regarding clergy/lay sexual misconduct, abuse, and/or harassment.

It is our hope, as the people of Christ that this policy will help serve to guard against inappropriate behavior and be a guide for our community of faith as we seek to handle grievances should sexual misconduct, abuse, and/or harassment occur.

III. Theological Foundation

All persons are created by God. In the Genesis stories, as in the life, death, and resurrection of Jesus, it is affirmed that we are created in the image and likeness of God. God values human life, intending all women, men, and children to have worth and dignity in all relationships with God and others. God calls us into covenant with each other as children of God and as the body of Christ. The scriptures remind us that Jesus was sent into this world that we might experience whole relationships with each other and God. “There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female, for you are all one in Christ Jesus.” (Galatians 3: 28 RSV)

We affirm that our human bodies are good gifts from God and our sexuality is an integral part of our humanity. Healthy sexuality, and appropriate expressions of it, are derived from the goodness of the gift. As children of God, we are holy in Christ and created equal. Where one is injured, physically, emotionally or spiritually, all are rendered less than God’s intended wholeness. Sexual misconduct, abuse, and/or harassment is an exploitation of power and abuse of position that uses sexuality as an excuse and distorts the relationships and blessedness of relationships and the upbuilding which God desires for humanity. It is sinful behavior.

One who repents for sinful behavior is promised forgiveness. However, discipline should be distinguished from forgiveness. A clergyperson guilty of sexual misconduct needs and may receive forgiveness and be offered avenues for redemption and change. Forgiveness, however, does not excuse one from responsibility to the community and accountability for the brokenness caused by one’s behavior. The church must still take steps to protect the people of God.

IV. **Definitions**

Sexual Misconduct

It is sexual misconduct when a person within a ministerial role of leadership (pastor, educator, counselor, youth leader or other position of leadership) engages in sexual contact or sexualized behavior with a congregant, client, employee, student, staff member, co-worker, or volunteer within the ministerial relationship. (1996 *Book of Resolutions*, pp. 128-132, 2008 *Book of Resolutions* p.134)

Examples of ministerial relationships:

- Pastor/member of church
- Supervisor/church employee
- Youth pastor/youth
- Sunday School teacher/student
- Pastor/student intern
- Pastoral counselor/counseled

Examples of sexualized behavior or sexual contact:

- Displaying sexually suggestive visuals
- Making sexual comments or innuendos about one's own or another person's body
- Touching another person's body, hair, or clothing
- Touching or rubbing oneself sexually in the presence of another person
- Kissing; fondling; sexual intercourse

This understanding is equally applicable in the context of ministries in which there are no "parishioners" but there is a community which acknowledges the authority of the clergyperson or lay worker as a spiritual leader or other ministries in which the ministering person serves a community much wider than the membership of the local congregation.

At the core of this definition of sexual misconduct is the abuse of power and trust that occurs when a ministering person initiates or allows sexual behavior with someone who is in a relationship of trust and/or dependence. Sexual misconduct breaks a sacred trust. Any such sexual misconduct is a violation by the ministering person who then bears the responsibility for his/her behavior.

Sexual Harassment

Sexual harassment is any unwanted sexual advance or demand, either verbal or physical that is reasonably perceived by the recipient as demeaning, intimidating, or coercive. Sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue. Sexual harassment includes, but is not limited to, the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender. (1996 *Book of Discipline* ¶161.1, p.101, 2008 *Book of Discipline* ¶161.1, p.104)

Suggested guidelines for determining hostile environment:

- Is the behavior sexual in nature or gender specific?
- Is the behavior unwelcome?
- Is the behavior severe or pervasive enough so that it creates an environment which interferes with one's ability to work, get an education, or participate in ministry?

Sexual harassment also includes the development or attempted development of a sexual or romantic relationship between a clergyperson or lay worker and a person with whom he/she has a ministerial relationship, when that is an unwanted or inappropriate relationship.

Sexual Abuse

Sexual abuse is a sexual invasion of the body by force. Sexual abuse may be: rape, sexual assault, incest, indecent exposure, statutory rape, indecent assault, and aggravated indecent assault. Sexual abuse is also an internal assault, a deliberate violation of emotional integrity, and a hostile and degrading act of violence.

Domestic Violence

Domestic Violence Policy

MISCELLANEOUS

It is not enemies who taunt me—I could bear that: It is not adversaries who deal insolently with me—I could hide from them. But it is you, my equal, my companion, my familiar friend, with whom I keep pleasant company. Psalm 55: 12-14a NRSV.

The Psalmist captures the feeling of many victims of domestic violence: the pain of being betrayed and injured by a loved one.

What is Domestic Violence?

Any abusive, violent, coercive, forceful, or threatening act or word inflicted by one member of a family or household on another can constitute domestic violence.

The United Methodist Church affirms the sacredness of all persons and their right to safety, nurture and care. It names domestic violence and sexual abuse as sin and pledges to work for their eradication. *2008 Book of Resolution*, p.59. Thus, we recognize domestic violence as an immoral act and a chargeable offense for both clergy and laity. *2008 Book of Discipline*, ¶ 2702.1 and ¶ 2702.3

We celebrate God's gift of intimacy, the image of God in each person, the inherent right of each person to health, wholeness, and safety, and we commit ourselves to working toward the elimination of domestic violence.

V. Standards for Clergy Conduct

- A. Clergy related to the Annual Conference are always accountable for the ways they respond to persons who ask their ministerial assistance and over whom they have authority. Any breach of this ministerial relationship, ministerial responsibility, and ministerial authority is abusive and unethical.
- B. Clergy often relate to persons who are fragile and vulnerable, and therefore must exercise special care:
 - 1. That clergy are psychologically, emotionally, and spiritually healthy.
 - 2. That there has been proper and adequate preparation and education as well as adequate continuing education for providing appropriate help for those under their care.
 - 3. That they seek counsel, advice, and supervision.
 - 4.
- C. Clergy sexual misconduct, abuse, and/or harassment places an unfair and unavoidable burden on the victim of such conduct. It is in the best interest of the entire church to inform the laity concerning appropriate standards of ministerial conduct.
- D. Clergy self-discipline requires self-awareness and takes for a standard of ethics those implied and described in the vows of ordination and consecration. (1996, *Book of Discipline*, ¶301-¶365) Personal integrity and mature professional conduct are a part of every ministerial relationship. This prohibits any sexual behavior with a parishioner, colleague, staff, or client entrusted to his or her sacred care.
- E. All clergy have the responsibility for developing healthy and ethical relationships with other persons. Married clergy have covenanted to nurture and maintain a faithful marital relationship. The covenant also reminds single clergy that dating relationships must maintain full attention to sexual conduct as understood in Christian teaching and the Book of Discipline of the United Methodist Church. (1996 *Book of Discipline*, ¶65)
- F. When clergy are providing professional pastoral counseling to persons in their church or community, it is understood that they shall keep appropriate standards of professional behavior and boundaries in that relationship. It is also recommended that clergy seek supervision for their counseling by a certified counselor supervisor to ensure that proper counseling relationships are maintained.

VI. Standards for the Conduct of Laity

Within the United Methodist connection, lay persons are also called to a standard of conduct which stands against sexual misconduct, abuse and/or harassment as outlined in *2008 Book of Discipline* ¶2702.3. Laity have the responsibility for not creating hostile environments as a result of sexual harassment, abuse and/or sexual misconduct against clergypersons or other laity. (*Book of Discipline* ¶ 605.8)

VII. Honoring Perceptions of Reality

MISCELLANEOUS

We understand that intentions and perceptions are not always the same. It is our policy to treat seriously a person's perception of the truth of their experience if/when sexual harassment, abuse, and/or misconduct are reported.

VIII. Confidentiality

The primary purpose of this policy is to encourage and support victims of sexual harassment, abuse, and/or misconduct to report such incidents, by providing a process that protects them from intimidation and preserves their dignity. We recognize that there also may be occasions when persons are falsely charged with sexual harassment, abuse and/or misconduct. In either case, it is of the utmost importance that confidentiality be assured for both the victim and the accused, and that advocates, church officials and others who may be involved in the process take every reasonable and legal precaution to honor the issue of confidentiality.

Some instances of sexual harassment can be resolved easily and informally between parties. In all other instances, misconduct of a sexual nature or abuse within the local church should be reported to a Contact Person for sexual harassment and abuse. If the conduct involves a clergy person, the complainant may consider filing a written complaint and/or speaking with a District Superintendent.

IX. Compassionate Advocates

The Greater New Jersey Annual Conference of the United Methodist Church provides the following support system to assist any individual who has a concern about an issue of sexual misconduct, harassment, or abuse with the church.

Listed at the end of this document are Compassionate Advocates trained by the Annual Conference and who will provide immediate support and direction for persons who feel that they have been sexually abused or harassed. Compassionate Advocates will explain policy and procedure and will provide confidential guidance throughout the process and respect confidentiality. Compassionate Advocates will be available for the complainant, the accused and the church.

We urge all related institutions/agencies in the Greater New Jersey Annual Conference to identify and train Compassionate Advocates to serve within their organization.

X. Process

The Greater New Jersey Annual Conference will adhere to the following steps when an accusation of sexual misconduct, harassment or abuse is brought to the attention of a District Superintendent:

1. A letter shall be provided to both the complainant and the accused at the time they first contact or are contacted by the District Superintendent. These letters are included in this policy as *Appendix A*.
2. Limit all media responses on behalf of the Church/Conference to the Bishop or the Bishop's designate.
3. If the complainant chooses to file a written complaint, the process will proceed as indicated in the 1996 *Book of Discipline*, section XIV ¶1358, 2008 *Book of Discipline* section XV ¶ 361.
4. A complainant has the option of following church policy and discipline when bringing a complaint of sexual misconduct against a pastor. They also have the option of seeking legal advice and filing charges.
5. Any incidence of sexual abuse in which the victim is a minor is a crime and must be handled appropriately. Anyone within the church who becomes aware of a child abuse issue is morally—for clergy, legally required—obligated to take steps necessary in the attempt to prevent further harm to the child. If an incident of child abuse occurs involving a church employee or volunteer within the church building or at any church activity, or if a minor brings forth a complaint of sexual abuse it must be reported to the local authorities.

The Greater New Jersey Annual Conference recognizes that accusations of misconduct of a sexual nature can be harmful to the whole congregation. The Greater New Jersey Annual Conference will provide support to the church affected by these accusations by providing guidance from the Leadership Advocacy Team and counsel in the form of a response team.

INDEPENDENT AUDITOR'S REPORT

We have audited the accompanying unconsolidated financial statements of the Greater New Jersey Annual Conference of the United Methodist Church (the Conference), a nonprofit organization, which comprise the unconsolidated statement of financial position as of December 31, 2016, and the related unconsolidated statements of activities and cash flows for the year then ended, and the related notes to the unconsolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these unconsolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these unconsolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the unconsolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the unconsolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the unconsolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the unconsolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the unconsolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the unconsolidated financial statements referred to above present fairly, in all material respects, the financial position of the Greater New Jersey Annual Conference of the United Methodist Church as of December 31, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Conference's 2015 unconsolidated financial statements, and our report dated May 7, 2016, expressed an unmodified opinion on those unconsolidated financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2015, is consistent, in all material respects, with the audited unconsolidated financial statements from which it has been derived.

GREATER NEW JERSEY ANNUAL CONFERENCE
OF THE UNITED METHODIST CHURCH

NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2016

1. Organization:

Greater New Jersey Annual Conference of the United Methodist Church (the Conference) is an integral part of the General Conference of the United Methodist Church. Each member church in the Greater New Jersey Annual Conference supports the operating budget and, in addition, makes contributions or grants to the Conference's and General Conference's missions and programs. Investment revenue and program revenue also support the activities of the Conference.

The Conference is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code.

2. Summary of Significant Accounting Policies:

(a) *Basis of Accounting*

The financial statements of the Conference have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

(b) *Cash and Cash Equivalents*

For purposes of the Statement of Cash Flows, the Conference considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

(c) *Investments*

Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at fair values based on quoted prices in active markets (national security exchanges) for identical assets, with gains and losses included in the statement of activities. Donated investments are reflected as contributions at their fair values at date of receipt.

(d) *Accounts Receivable*

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable.

(e) *Firm Pledges*

Firm pledges are recognized as income in the year for which the pledge is made. Pledges that are expected to be received within one year are recorded at net realizable value. Pledges that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the year in which the pledges are received. Amortization of the discount is included in contribution

revenue. The Conference uses the allowance method to determine uncollectible receivables. An allowance for uncollectible pledges is estimated based upon management's judgment and includes factors such as prior collection history.

(f) *Land, Buildings and Equipment*

Depreciable assets over \$5,000 are recorded at cost at date of acquisition or fair value at date of donation in the case of gifts. Depreciation is recorded on a straight-line basis over the estimated useful lives as follows:

Buildings	25 - 40 years
Equipment, furniture and fixtures	4 - 10 years

(g) *Post-retirement Benefits*

The Conference has adopted FASB ASC 715, Compensation – Retirement Benefits which requires that the funded status of defined benefit pensions and other postretirement benefit plans be fully recognized in the statement of financial position.

(h) *Net Assets*

The net assets of the Conference and changes therein are classified and reported as follows:

Unrestricted net assets include all resources which are not subject to donor imposed restrictions of a more specific nature than those which only obligate the Conference to utilize funds in furtherance of its mission.

Temporarily restricted net assets carry specific, donor-imposed restrictions on the expenditure or other use of contributed funds. Temporary restrictions may expire either because certain actions are taken by the Conference which fulfill the restrictions or because of the passage of time. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

Permanently restricted net assets are those that are subject to donor-imposed restrictions which will never lapse, thus requiring that the funds be permanently retained. Generally, the donors of these funds permit the organization to use all or part of the income earned on related investments, and the net capital appreciation thereon, for general or specific purposes.

2. Summary of Significant Accounting Policies: (continued)

(i) *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities and reported amounts of revenues and expenses in the financial statements and accompanying notes. Actual results could differ from these estimates

(j) *Prior-Year Summarized Comparative Information*

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Conference's financial statements for the year ended December 31, 2015, from which the summarized information was derived.

(k) *Reclassification*

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform to the presentation of the current-year financial statements.

3. Pledges Receivable:

All pledged commitments have been made for the Mission Campaign. Pledges are expected to be received as follows:

	<u>2016</u>	<u>2015</u>

The strategy of the mutual fund is to invest in four other Wespath mutual funds to maintain an investment allocation of approximately 40% U.S. equity, 25% international equity, 25% fixed income, and 10% inflation protection. The asset allocation will be rebalanced periodically when holding falls outside of a 3% tolerance

Investments as of December 31, 2016 are summarized below based on when they may be redeemed or sold:

	<u>Fair Values</u>
Daily	<u>\$ 19,412,542</u>

5. **Fair Value Measurements:**

The Conference reports its fair value measurements using a fair value hierarchy defined by generally accepted accounting principles (GAAP) that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels as of the fair value hierarchy under GAAP are:

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 – Quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs that are observable, either directly or indirectly, for substantially the full term of the asset or liability;

Level 3 – Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (that is, inputs supported by little or no market activity)

Fair values of assets measured at December 31, 2016 are as follows:

	Totals	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>Recurring fair value measurements:</u>				
Mutual fund (fund of funds)	\$ 17,750,296	\$ 17,750,296

5. **Fair Value Measurements:** (continued)

Mutual fund (fund of funds) value is based upon estimated fair value, per the net asset value, as reported by the third party fund manager. The fund manager utilizes the quoted prices for the underlying holdings as its basis for fair value measurement.

The certificate of deposit and the investments held by the General Board of Pensions are measured with valuations obtained from real time quotes for transaction in active exchange markets involving identical assets.

Beneficial interest in perpetual trusts: the Conference considers the measurement of its beneficial interest in the trusts to be a Level 3 measurement within the fair value hierarchy because even though that measurement is based on the unadjusted fair values of the trust assets reported by the trustee, the Conference will never receive those assets or have the ability to direct the trustee to redeem them (Level 3).

	<u>Level 3</u>
Fair value at the beginning of the year	\$ 350,534
Change in value	<u>3,754</u>
Total fair value at the end of the year	<u>\$ 354,288</u>

6. **Property and Equipment:**

Details of property and equipment are as follows:

	<u>Cost</u>	<u>Accumulated Depreciation</u>	<u>Net</u>
Land	\$ 1,459,707		\$ 1,459,707
Buildings	9,264,366	\$(1,702,748)	7,561,618
Leasehold improvements	149,577	(14,958)	134,619
Computer equipment and software	122,004	(38,754)	83,250

Total	<u>\$ 11,222,509</u>	<u>\$ (1,791,985)</u>	<u>\$ 9,430,524</u>

The Conference holds title to properties, with the intent to sell, that are no longer being used by the local churches. No value has been included for these properties on the Conference's statement of financial position since there is no cost basis related to these properties that have been incurred by the Conference. The appraised value of these properties does not generally reflect the actual amount that can be reasonably expected from their sale.

10. Conference Board of Pensions:

Effective January 1, 2007, the Conference adopted the Clergy Retirement Security Program which had been established by the General Conference of the United Methodist Church. This plan supersedes and replaces the provisions of the prior plans. The church contribution rate under the Clergy Retirement Security Program is 12.50% of the active participant's plan compensation for a plan year. The 2016 church contribution rates under the Comprehensive Protection Plan are 3% for full-time clergy, 3.4% for less-than-full-time (3/4 and 1/2 time), and 4.4% for optional coverage (1/4 time or leave status.)

Under the provisions of the plans, the Conference is required to maintain an amount in its Deposit Account sufficient to provide for the monthly transfer of the church contributions on behalf of its active participants.

11. Defined Contribution Plan:

Effective January 1, 1975, the Conference adopted a contributory pension plan for lay employees, covering all full-time employees electing to participate. Under this plan the Conference will contribute 6% of each participant's annual salary, and the participants will contribute an additional 3% of all past earnings of eligible employees.

12. Post-Retirement Benefit Obligation:

The Conference's post-retirement health care benefit plan provides health insurance coverage to employees with 20 years of service who retire directly from active service at or after the age of 62. Married employees eligible for the plan will also have coverage for their spouse. Upon an eligible retiree's death, spousal coverage continues for the spouse's lifetime.

15. Endowment:

The Conference's endowment consists of approximately 14 individual funds established for a variety of purposes. Its endowment includes both donor-restricted endowment funds and funds designated by the Council on Finance and Administration to function as endowments. As required by GAAP, net assets associated with endowment funds, including funds designated by the Council on Finance and Administration to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Relevant Law

The Council on Finance and Administration of the Conference has interpreted the New Jersey State's Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Conference classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets are classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the organization in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Conference considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the organization and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the organization
- (7) The investment policies of the organization.

Return Objectives and Risk Parameters

The Conference has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity or for a donor-specified period as well as board-designated funds. Under this policy, as approved by the Council on Finance and Administration, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the S&P 500 index while assuming a moderate level of investment risk. The Conference expects its endowment funds, over time, to provide an average rate of return of approximately 6.5 percent annually. Actual returns in any given year may vary from this amount.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Conference relies on a total return strategy in which investments returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Conference targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Conference has a policy of appropriating for expenditure 5% of the average fair value of each respective endowment. The Organization expects the current spending policy to allow its endowment funds to grow at a minimal average rate of 5% annually. This is consistent with the Organization's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through new gifts and investment return.

17. Income Taxes:

The Conference is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and application state law.

The accounting standards on accounting for uncertainty in income taxes address the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Conference may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Conference and various position related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the financial statements from a tax position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for fiscal year 2016 and 2015.

The Conference is not required to file a federal form 990 because it is an integrated auxiliary of a church. Therefore, the Conference has voluntarily elected not to file a federal form 990 since its inception and for that reason; the statute of limitations has not started to expire for IRS examination of income tax issues.

At December 31, 2016, the Conference had a receivable from The Episcopal Office amounting to \$45,782.

19. **Beneficial Interest in Trust:**

Under the terms of the perpetual trust, the Conference has the irrevocable right to receive the income earned on the trust asset in perpetuity, but never receive the asset held in trust. The Conference has recorded the asset at the estimated fair value of the Conference's share of the beneficial interest in trust assets. Distributions from the trust assets are recorded as unrestricted investment income in the accompanying statement of activities unless restricted by the donor. The Conference did not receive any distributions in 2016 from the trusts. Change in value of the beneficial interest in the trust assets are recorded as unrealized gains or losses in the permanently restricted net assets.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Centenary Fund and Preachers' Aid Society of the Greater New Jersey Annual Conference of the United Methodist Church as of December 31, 2016, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Fund's 2015 financial statements, and our report April 27, 2016, expressed an unmodified opinion on those financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2016

1. Organization, Contributions and Benefits:

The Centenary Fund and Preachers' Aid Society of the Greater New Jersey Annual Conference of the United Methodist Church (the Fund) was founded to serve the needs of retired clergy, widows and dependent children of deceased clergy. The Fund is exempt from income tax as an organization described in Section 501(c)(3) of the Internal Revenue Code.

2. Summary of significant Accounting Policies:

The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

(a) Accrual Basis Financial Statements

The accompanying financial statements have been prepared on the accrual basis and conform to accounting principles generally accepted in the United States of America and in accordance with the principles of not-for-profit accounting.

(b) Net Assets

The net assets of the Fund and changes therein are classified and reported as follows:

- Unrestricted net assets include all resources which are not subject to donor-imposed restrictions of a more specific nature than those which only obligate the Fund to utilize funds in furtherance of its mission.
- Temporarily restricted net assets carry specific, donor-imposed restrictions on the expenditure or other use of contributed funds. Temporary restrictions may expire either because certain actions are taken by the Fund which fulfill the restrictions or because of the passage of time. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.
- Permanently restricted net assets are those that are subject to donor-imposed restrictions which will never lapse, thus requiring that the funds be permanently retained. Generally, the donors of these funds permit the organization to use all or part of the income earned on related investments, and the net capital appreciation thereon, for general or specific purposes.

(c) Prior-Year summarized Comparative Information

The financial statements include certain prior-year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the organization's financial statements for the year ended December 31, 2015, from which the summarized information was derived.

2. **Summary of significant Accounting Policies:** (continued)

(d) *Contributions*

Contributions are recorded as revenue upon receipt of cash or unconditional promises to give (pledges). Contributions are considered available for unrestricted use unless specifically restricted by the donor.

(e) *Cash and Cash Equivalents*

Cash includes checking, savings and money market accounts. Certificates of deposit with maturity of three months or less when purchased are considered to be cash equivalents. Money market funds held by brokers for investment purposes are classified as investments.

(f) *Investments and Investment Income*

Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at fair value based on quoted prices in active markets (national securities exchanges) for identical assets, with gains and losses included in the statement of activities. Donated investments are reflected as contributions at their fair value at date of receipt.

(i) *Use of Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from their estimates.

3. **Investments:**

Investments at fair value, by type, are summarized as follows at December 31, 2016:

	<u>Cost</u>	<u>Market</u>
Mutual fund (fund of funds)	<u>\$ 9,620,662</u>	<u>\$ 10,512,383</u>

The Foundation invests in the Multiple Asset Fund, a mutual fund managed by Wespath, that has as its objective to attain current income and capital appreciation by investing in a broad mix of different types of investments. The strategy of the mutual fund is to invest in four other Wespath mutual funds to maintain an investment allocation of approximately 40% U.S. equity, 25% international equity, 25% fixed income, and 10% inflation protection. The asset allocation will be rebalanced periodically when holding falls outside of a 3% tolerance.

3. Investments: (continued)

The following schedule summarized the investment return and its classification in the statement of activities.

Realized gains	\$ 12,348
Unrealized gains	657,296
Investment income	<u>105,149</u>
	<u>\$ 774,793</u>

4. Fair Value Measurements

The Fund reports its fair value measurements using a fair value hierarchy defined by generally accepted accounting principles (GAAP) that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under GAAP are:

- Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 Quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs that are observable, either directly or indirectly, for substantially the full term of the asset or liability;
- Level 3 Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (that is, inputs supported by little or no market activity).

The values of assets at December 31, 2016 are as follows:

	<u>Total</u>	<u>(Level 1)</u>
Mutual fund (fund of funds)*	<u>\$ 10,512,383</u>	<u>\$ 10,512,383</u>

*Value is based upon estimated fair value, per the net asset value, as reported by the third party fund manager. The fund manager utilizes the quoted prices for the underlying holdings as its basis for fair value measurement.

5. Unrestricted Net Assets:

(a) *Donation Base*

Donation base net assets represent the cumulative balance of gifts made to the Fund designated for long-term investment.

(b) *Distribution Fund:*

Distribution fund net assets represent the cumulative investment return net of the Fund's expenses. Distribution fund net assets are expendable for the Fund's charitable purpose.

6. Related Parties:

Administrative services are provided by the Greater New Jersey Annual Conference of the United Methodist Church.

7. Cash Flow Information:

No liabilities for income taxes or interest expense were incurred or paid for the year ended December 31, 2016.

8. Income Taxes:

The Fund is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and applicable state law.

The accounting standards on accounting for uncertainty in income taxes address the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the fund may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax positions will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Fund and various position related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the financial statements from a tax position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for fiscal year 2016 and 2015.

The Fund has not filed IRS Form 990 in recent years since its inception because it is exempt from filing as an integrated auxiliary of a church. Therefore, the statute of limitations has not started to expire for IRS examination of income tax issues.

Greater New Jersey Conference 2018 Comprehensive Benefit Funding Plan

This funding plan incorporates, to the best of our understanding, the plan sponsor's obligations and funding of the benefits provided to clergy and laity, as noted below.

It is understood by the signees that defined benefit plan liabilities [Pre-82 Plan, Ministerial Pension Plan (MPP) and Clergy Retirement Security Program Defined Benefit (CRSP DB) and other sponsored defined benefit plans] continue until the last benefit is paid to participants and their surviving spouses irrespective of the funding level of the plan. That is, even if the assets in the plan are larger than the liabilities in the plan, the plan sponsor still has a liability (obligation) and potential future contribution due to the plan.

Clergy Retirement Security Program (CRSP)

Plan Overview: The Clergy Retirement Security Program (CRSP) is an Internal Revenue Code section 403(b) retirement program providing lifetime income and account flexibility designed for those who serve as clergy of The United Methodist Church. The plan is designed to provide participants with one portion of their overall retirement benefits. CRSP replaced the Ministerial Pension Plan (MPP) effective January 1, 2007.

CRSP consists of two components:

- A defined benefit (DB) plan--provides a monthly benefit at retirement based upon years of credited service to the Church
- A defined contribution (DC) plan--provides a retirement account balance established and funded by the annual conferences

Ministerial Pension Plan (MPP)

Plan Overview: Supplement Three to the Clergy Retirement Security Program (CRSP), also known as the Ministerial Pension Plan (MPP) provides clergy with a pension benefit for their years of ministry with The United Methodist Church from 1982 through 2006. MPP is an Internal Revenue Code section 403(b) retirement plan. MPP requires that exactly 65% of the account balance must be annuitized when it is to be distributed. The remainder may be rolled over to UMPIP, another qualified plan or an IRA, or paid in a lump sum.

Pre-82 Plan (Pre-82)

Plan Overview: Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-82 Plan, provides clergy with a pension benefit for their years of ministry with The United Methodist Church prior to 1982. The Pre-82 Plan was replaced by MPP effective January 1, 1982. If a clergyperson retires within the conference (and does not terminate), the minimum benefit payable is based on two factors:

- 1) Years of service with pension credit--approved by each conference on the recommendation of the Conference Board of Pensions (CBOP) in accordance with plan provisions and *The Book of Discipline*.
- 2) The conference pension rate (past service rate)--the dollar amount chosen by the conference as the amount payable for each approved year of service with pension credit (may change from year to year).

The number of years of service with pension credit is multiplied by the PSR, and the product is the minimum annual benefit payable to those clergy eligible for Pre-82 Plan benefits. In certain situations, the benefit received from the Pre-82 plan may vary based on the applicability of what is referred to as Defined Benefit Service Money (DBSM), which is the defined contribution feature of the Pre-1982 Plan. At the time that a participant retires, the DBSM account is converted to a life-based benefit. At that point, the clergy's benefit is the greater of the PSR benefit or DBSM benefit. If the conference increases the PSR, the clergy's benefit is recalculated; however the DBSM-based benefit does not change.
