Colours, Materials, Finishes

**2024**

## Introduction

Welcome to the 2024 digital edition of the Colours, Materials, Finishes book for Office Chairs and Workspaces.

Each section of the book is organised in alphabetical order for ease of use. You may wish to start by browsing the textile family pages to understand colour, pattern, specification information, abrasion results and price bands. Or, you may choose to begin with the product charts for a visual reference of all textile, wood, and finish choices on Herman Miller products. You can also check out the list of textiles arranged by supplier and product applications at the back of the book for quick reference.

Beyond this book, there are additional resources always available to you: your Herman Miller representative and OMNI. Textile samples can also be ordered direct from the fabric companies mentioned in the back of the book. These resources, in print and in person, will allow you to make the most of our materials offering.

The digital swatches in this book are a representative sample within commercial tolerance and do not indicate an actual match. Please see physical material samples for a more accurate match. Contents in this edition were correct at the time of printing.

## AireWeave 2

Herman Miller

Composition:

Elastomeric 67%, Antimony free polyester 33%

Application:

Weight: 36.7 grams/square foot

Price Band 0

Standards:

Abrasion: Wyzenbeek, 200,000 double rubs

Flammability: CA TB 117, NFPA 260

Light Fastness: Grade 4, 40 hours

Colour Matching: Batch to batch variations in shade may occur within commercial tolerances.

Maintenance: Vacuum regularly.

## Flexnet

Herman Miller

Composition:

Elastomeric 69%, Polyester 31%

Application:

Weight: 47 grams/linear yard

Price Band 1

Standards:

Flammability: CA TB 117, NFPA 260

Light Fastness: Grade 4, 80 hours

Abrasion: Wyzenbeek, 170,000 double rubs

Maintenance: Vacuum regularly. Wipe clean with a damp cloth.

To spot-clean fabric, immediately soak up the stain with a soft absorbent cloth.

For water-based stains such as coffee, soft drinks, fruit juices, or milk use a water-based cleaner (specifically made for cleaning fabric) or a solution of mild (alkaline) warm soapy water (not overly soapy) applied with a damp clean cloth or sponge.

Price Band 2

Standards:  
Flammability: CA TB 117, NFPA 260  
Light Fastness: Grade 4, 40 hours  
Abrasion: Wyzenbeek, 200,000 double rubs

Maintenance: Vacuum regularly. Wipe clean with a damp cloth.  
To spot-clean fabric, immediately soak up the stain with a soft absorbent cloth.  
For water-based stains such as coffee, soft drinks, fruit juices, or milk use a water-based cleaner (specifically made for cleaning fabric) or a solution of mild (alkaline) warm soapy water (not overly soapy) applied with a damp clean cloth or sponge.

## Sequel

Herman Miller

Composition:

Vinyl 100% - Backing Polyester Knit 100%

Application:

Width: 54" (non directional)

Weight: 30 ounces/linear yard

Price Band 2

Standards:

Abrasion: 200,000 Wyzenbeek double rubs

Flammability: CAL TB 117-2013, NFPA 260

Lightfastness: Grade 4

Sustainability: PFAS-Free Textile, Recycled Content, SCS Indoor Advantage Gold,  
No Prop 65 Warning, FR Free, Phthalate Free

Colour Matching: Batch to batch variations in shade may occur within commercial tolerances.

Maintenance: Vacuum regularly. Wipe clean with a damp cloth.

Printed samples are representative of the material to be supplied and may not indicate an exact match; some variation may occur.

The natural characteristics inherent in wood cause variations in grain, texture and colour. The natural characteristics inherent in stone cause variations in hues, veins, crystals and distinctive marks. These variations and subtle changes seen over time are values associated with natural materials.
