6-SPEED TRANSMISSION

> The all-new PowerTech 6-speed automatic transmission brings a smoother, quieter ride regardless of whether you're traveling road or trail.

> A low first gear helps provide quicker takeoffs while a tall top gear is perfect for relaxed highway cruising.

> A stepped shift schedule across all 6 gears is designed for optimal city fuel efficiency. A fill-for-life design helps reduce maintenance costs.

CAPABLE ENGINE CHOICES.

Attach the new PowerTech to any of Compass's technologically advanced, powerful, and fuel-efficient engines, and you'll be rewarded with an improved ride.

(1) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice, and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (2) SiriusXM service requires a subscription, sold separately after 12-month trial included with vehicle purchase. If you decide to continue your SiriusXM service at the end of the trial subscription, the plan you choose will automatically renew and bill at the current rates until you call SiriusXM at 1-866-635-2349 to cancel. See our Customer Agreement for complete terms at siriusxm.com. Sirius satellite service is available only to those at least 18 and older in the 48 contiguous United States, D.C., and P.R. (with coverage limitations). SiriusXM Traffic available in select markets. See siriusxm.com/traffic for more information. Sirius, XM, and all related marks and logos are trademarks of SiriusXM Radio Inc. (3) Always look before proceeding, electronic drive aid is not a substitute for conscientious driving, always be aware of your surroundings. (4) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. (5) The Advanced Front Air Bags in this vehicle are certified to the new U.S. Federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (6) Do not attempt water fording unless depth is known to be less than 19 inches. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (7) In-dash DVD capability is not available in all states. (8) Phone must support Bluetooth Phone Book Access Profile (PBAP).
