

# CARENS **7** Seater

2.0L GDI | 6 SPEED AUTO

The Power to Surprise

The Kia Carens is ideal for today's active lifestyle. Never before has a compact multi-purpose vehicle offered so much versatility, comfort and convenience - all wrapped up in a thoroughly modern and stylish package with safety as a priority.

## Where family adventures begin

Take the driver's seat and you'll immediately enjoy the great elevation with fantastic visibility. With intuitively laid out controls and a host of logically displayed, up-to-the-minute driving information, new Carens raises the bar to make driving with precious passengers a breeze.

## A showcase of cutting-edge technology

### Dot Matrix trip computer

**Everything you need at a glance.** A high visibility screen centrally positioned between the supervision cluster gauges displays handy vehicle information such as individual door-open alerts and service reminder, while also offering user-customisable menus.

### Radio + CD + MP3

**Superior sound.** The audio system features playback capability from a range of sources including the built-in hard drive, CD player and your audio streaming devices, so that you and your passengers are well entertained. There are also two chargers to keep your devices up and running.

### Auto light control

**Smart lights that turn on and off for you.** The auto light function means you no longer need to worry about forgetting to turn your headlamps on or off and you have guaranteed road visibility and presence.

### Dual-zone full auto climate control

**Perfect temperature - just set and forget.** Separate temperatures can be set according to driver and front-seat passenger individual preferences, while the clean air system generates cluster ions to purify and deodorise the cabin air.

The 7 seats in the Carens are cleverly laid out so you can create all the room you need when you need it. The high opening and low entry boot means easy access. The easy fold down seats flip down with a light push and back up with a pull cord.

**All the seats you need  
or all the room you need - easy!**

The Carens has the height and width to easily fit a child's average sized bike - length and height wise.

Smart space for the CITY

**For me** 1st row partial and 2nd & 3rd row full folding

Smart space for the OUTDOORS

**For my spouse** 2nd and 3rd row full folding

**For the kids** Seating for 7 people

**For the family** 2nd row partial and 3rd row full folding

# Style and practicality

The new Carens doesn't compromise on style when it comes to practicality and convenience. Your every requirement is catered for.

## Roof rails

**Ideal for trips to the snow or the beach.**

Versatile roof rails that you can configure to suit your needs with a generous 100kg load capacity.

## Daytime running lights & smart cornering lights

**Stylish visibility.** Drive with the added safety and style of LED running lights all day long and smart cornering lights that provide a wider view during night time driving.

## Smart side mirrors

**Welcome lights to and from your car.**

Automatic electric folding side mirrors feature LED turn signal lamps and puddle lamps, lighting your way at night and increasing your vehicle's visibility.

## Rear spoiler / High-mounted stop lamp

**You can be well seen from behind.** The rear spoiler adds a sporty touch to the exterior design while a high-positioned stop lamp ensures that you are clearly visible to drivers behind.

## Rain sensor wipers

**Detects rain before you do.** The front windscreen wipers automatically activate as soon as moisture is detected providing optimum visibility and convenience.

Privacy glass on rear doors, tailgate and rear 1/4 windows for U.V. protection and security.

# Uncompromised safety for peace of mind

The protection of you and your family or friends is the number one priority for Kia, and the new Carens takes occupant protection to a whole new level by introducing innovative technologies rarely seen in a compact multi-purpose vehicle. Our engineers have conducted countless computer simulations and actual crash tests so that your sole focus can be on enjoying the drive.

Kids and babies can ride up front. If you prefer babies and kids to travel up front where you can keep an eye on them, you can turn off the passenger airbag.

## 6 airbag system

**Drive with ultimate protection.** Driver, passenger, front side and curtain airbags help minimise the risk of serious injury in the event of a collision.

## Front and rear parking sensors

**Park with confidence.** Four sensors at both the front and rear of the vehicle alert you with a three stage audible warning system as you get closer to an object.

## Seatbelt reminders

**Alerts you when any seatbelts are undone.** You can check if seatbelts are undone at any time of your journey with the seatbelt notification system conveniently located on the centre console.

## HAC (Hill-start assist control)

**Feel confident on an incline.** By maintaining brake grip until you press the accelerator, HAC prevents the vehicle from dangerously rolling backwards when pulling away from a standstill on an incline. Simply press the accelerator to release.

## 3-point seatbelts

**You can always be confident.** The Carens features 3-point seatbelts on all seats for optimum safety of all passengers. Two ISOFIX childseat restraints also feature in the second row for added assurance.

Versatility is the hallmark of a class-leading multi-purpose vehicle, and new Carens is at the head of the game with voluminous space, flexible seating configurations and clever storage compartments.

## A multi-talented player

Kia's latest powertrain innovations are optimised for true driving pleasure. The NU 2.0 petrol engine is engineered with state-of-the-art fuel sipping and CO<sub>2</sub> cutting technologies that don't sacrifice on power or performance.

## Easy on fuel, with power when you need it

### NU 2.0 Gasoline Direct Injection Engine 184g/km CO<sub>2</sub> 122kW / 213Nm

For those who demand maximum power, the direct injection engine features a variable intake manifold made of lightweight plastic and a low-friction offset crankshaft for optimal performance.

### 6-speed auto transmission

This independently developed gearbox features a lightweight, compact design that offers improved shift quality and durability while also boosting fuel economy and acceleration.

### Organ-type accelerator pedal

The organ-type accelerator pedal moves along the same natural plane as your foot for more comfortable operation, especially on extended journeys.

### Fuel Economy

Designed to slip through the air with an amazing 0.30 cd resulting in an ADR combined fuel economy of 7.9L/100km.

# Every creature comfort imaginable

Everything about the Carens is designed to make driving easier, more enjoyable and safer. You'll discover lots of surprises in every nook and cranny of the new Carens.

## Serious cargo room

**Space when you need it.** A walk-in sliding function on the outer 2nd row seats enable occupants to easily access the 3rd row seats with a light touch of a lever, while the flat luggage configuration for the 2nd and 3rd row seats provides extra space.

## Centre console

**Keep all your bits and pieces within easy reach.** Two drinks can be stored within easy reach while a centre fascia undertray and large storage compartment under the centre armrest provide plenty of space for storing other items.

## Fold-up tray

**Eating on the run?** The backs of both driver and front passenger seats are fitted with convenient trays that feature an additional cup holder.

## Cargo under storage compartment

**Extra storage.** A spacious compartment located under the floor at the rear of the vehicle is the perfect place to store away loose items. There are also two hidden storage compartments under the second row floor for treasured or high value items.

## Cooled glove box

**Always a cold drink on hand.** The large 8 litre glove box has a selectable on/off cooling function perfect for keeping food and drinks cool.

## Cargo security screen

**Handy storage for items you want kept out of sight.** A separate partitioned-off space at the rear of the vehicle to stow away anything that you want to hide from prying eyes. It features two positions, depending on where you have your rear seats positioned and is easily stowed underfloor when not in use.

## Rear air ventilation

**Keep them cool in the back.** Second row passengers enjoy warm or cool air circulation with both rear air floor vents positioned under the front seats and at the back of the centre console.

## Reversing camera

**Get an amazingly clear view of what's behind.** A 4.3-inch rear view camera display with colour coded distance guidelines, ensures safe reversing and convenient parking.

## Auto defogging system

**Always keep your vision clear.** A sensor automatically initiates a defogging process when condensation is detected on the windows. No matter what setting the aircon is on, the clever anti-fogging feature will override until the windscreen is clear and then revert back to the original setting.

## Designed to inspire

Kia's unmistakable design is distinguished by our unique tiger nose grille, reflecting the 'less is more' philosophy of award winning President and Chief Design Officer (CDO), Peter Schreyer. A design feature he believes evokes passion through purity and honesty.

**Peter Schreyer,**  
Kia's President and Chief  
Design Officer (CDO)

"Our new cars are fresh and bold and could not be mistaken for anything other than a Kia."

Kia Provo

Kia Motors is one of the main winners in the first-ever Automotive Brand Contest. In the Brand Design category, where strategy and focus of the brand's overall design is rated, Kia was ranked 'Best of Best'.

EUROPEAN DESIGN CENTRE

NAMYANG (KOREAN) DESIGN CENTRE

AMERICAN DESIGN CENTRE

Kia's Namyang Design Centre is supported by satellite design centres in the USA, Europe and Japan. Under President and Chief Design Officer Peter Schreyer's leadership, we are creating new customer experiences through research in industrial/visual design, aesthetics, philosophy, liberal arts, psychology, history, and artificial intelligence.

# SPECIFICATIONS

KIA CARENS	EX
<b>MECHANICAL</b>	
Engine type	2.0L DOHC GDI 'CVVT' petrol
Displacement (cc)	1999cc
Compression ratio	11.5
Maximum power	122kW @ 6500rpm
Maximum torque	213Nm @ 4700rpm
Fuel economy (combined cycle)*	7.9
CO <sub>2</sub> emissions (g/km)	184
<b>TRANSMISSION</b>	
Gearbox	6 speed automatic with sequential sportshift
Drivetrain	Front wheel drive
Hill start assist control (HAC)	•
<b>SUSPENSION</b>	
Front suspension	MacPherson struts with coil springs and gas shock absorbers
Rear suspension	Coupled torsion beam axle (CTBA)
<b>WHEELS</b>	
Tyres	225/45 R17
Braking system	Ventilated front discs, solid rear discs with ABS, BAS, EBD and ESP
Wheel size and type	17" Alloy
Compact spare wheel and tyre	•
<b>STEERING</b>	
Steering system	Motor driven power assisted rack and pinion (MDPS)
Minimum turning radius (m)	5.5
Flex steering (Normal/Comfort/Sport modes)	•
Steering wheel adjustment	Tilt and Telescopic
<b>SAFETY FEATURES</b>	
ABS brakes with EBD and BAS	•
Electronic stability programme (ESP)	•
Dual front airbags	•
Dual side airbags	•
Dual (front to rear) curtain airbags	•
Child safety rear door locks with key activation	•
Remote keyless entry	•
Engine immobiliser	•
Front seatbelt pre-tensioners/load limiters	•
5 x rear ELR diagonal belts	•
Low washer fluid warning lamp	•
Front and rear parking sensors with indash display	•
Reversing camera	•
<b>EXTERIOR FEATURES</b>	
LED daytime running lamps	•
LED rear tail lights	•
Smart cornering lights	•
Electrically adjustable heated mirrors with automatic folding function	•
LED indicators mounted in side mirrors	•
Front fog lights	•

KIA CARENS	EX
<b>EXTERIOR FEATURES CONTINUED</b>	
Front and rear mudguards	•
Chrome door handles and belt line	•

Bright Silver (3D)

Celestial Silver (K3Y)

Newport Blue (KU9)

Titanium Silver (1M)

Black Cherry (9H)

(Special order)

Inferno Red (AJR)

(Special order)

Galaxy Brown (K7N)

## Dimensions (mm)

## Wheels

A newly-designed 17" wheel gives Carens maximum kerb appeal.

17" Alloy Wheel  
225/45R

## Specifications (mm)

Overall length	4,525
Overall width	1,805
Overall height	1,610
Wheelbase	2,750
Wheel tread (front)	1,569
Wheel tread (rear)	1,582
Overhang (front)	940
Overhang (rear)	835
Interior dimension (length)	2,454
Interior dimension (width)	1,513
Interior dimension (height)	1,264
Min. ground clearance (sub frame)	151
Fuel tank capacity (litres)	58
Min. turning circle radius (m)	5.5

## As ECO-CONSCIOUS as you are So you value sustainable living? We do too.

That's why we take pride in rising to meet the expectations and challenges of the 21st century while making tangible contributions to the preservation of the environment and sustainable development of society.

We set up an environmental research centre to spearhead our drive for the production of clean hybrid and fuel-cell vehicles to lead the way to eco-friendly cars for a greener tomorrow for you, your children and all of us.

The concept of eco-friendly cars is adhered to throughout all phases of a vehicle's life. From design through to recycling, we create innovative products, adhering to state-of-the-art Design for Recycling (DfR) guidelines. Wherever possible, recycled and recyclable materials are being used in the production of every Kia. Even at the end of your car's life, one of our environmental targets is the eco-friendly return and treatment of end-of-life vehicles.

Operating a rigid process, we guarantee environmental protection in the treatment of harmful waste substances. These are then recycled or recovered, ensuring the highest level of environmental protection.

As you can see, what you do on a small scale with your household refuse, we at Kia Motors do on a large scale.

## 5-Year Warranty Programme\*

All new Kia Passenger Vehicles come with an impressive 5-Year/100,000 km (whichever comes first) Warranty Programme covering against manufacturing or assembly defects. This warranty programme is transferable between owners and emphasises our commitment to our customers.

## 5-Year 24/7 Roadside Assist\*

A Roadside Assistance Programme for the first 5 years, unlimited kilometres, is also offered on all new Kia passenger vehicles at no cost. In the unlikely event that your Kia has broken down, help is only a call away and trained staff will be despatched to your location. If a repair cannot be conducted on the spot, the vehicle will be towed free of charge to the nearest Kia dealer.

## Kia Incident Care\*

### What is Incident Care?

Put simply, if you and your new Kia were unfortunately involved in an incident or crash that requires body repairs to your Kia, Kia Incident Care is here to help you.

Call 0800 800 542 and let the representative know that you have been involved in an incident and they will take over and help you through the entire process, arranging for your car to be repaired. Kia Incident Care will even assist with completing claim forms, providing you with a courtesy car and making sure your Kia is repaired to exacting standards.

As with anything, there are conditions, the most relevant of which is that you have a current motor vehicle insurance policy which applies to you and your Kia.

Kia Incident Care is included with your new Kia and covers you for your first five years of ownership. At the end of five years, simply contact your Kia dealer to extend the coverage of Roadside Assist and Incident Care.

### Kia Incident Care benefits include:

- Complimentary late-model courtesy cars for the duration of the repair (in most locations)
- Recovery and delivery of the damaged vehicle at no cost to the driver
- Providing a claim form and liaising with your insurance broker or insurance company
- Stakeholder co-ordination and communications
- Repair progress tracking and proactive client communications including target completion dates
- Complimentary vehicle valet at completion
- Documented quality inspection
- Dispute resolution and/or co-ordination of fault rectification.

## The Power to Surprise

Kia is the newest and most exciting force of change in the automotive world and we are ready to change the way you feel and think about driving. More than just a promise, we are committed to making driving a true pleasure for customers across the globe. With youthful styling and the latest in advanced technologies, Kia cars are turning heads the world over with the power to surprise. From the Picanto to the Sorento, Kia offers a full line-up of cars, SUVs and MPVs that are not only practical but downright exhilarating to drive. Keep your eyes on Kia because the best is yet to come.

### About Kia Motors Corporation

Kia Motors Corporation ([www.kiamotors.com](http://www.kiamotors.com)) – a maker of quality vehicles for the young-at-heart – was founded in 1944 and is Korea's oldest manufacturer of motor vehicles. Over 2.7 million Kia vehicles a year are produced in nine manufacturing and assembly operations in five countries which are then sold and serviced through a network of distributors and dealers covering around 150 countries. Kia today has over 47,000 employees worldwide and annual revenues of US\$42 billion. It is the major sponsor of the Australian Open and an official automotive partner of FIFA – the governing body of the FIFA World Cup™. Kia Motors Corporation's brand slogan – "The Power to Surprise" – represents the company's global commitment to surprise the world by providing exciting and inspiring experiences that go beyond expectations.
