

The Power to Surprise

Kia is the newest and most exciting force of change in the automotive world and we are ready to change the way you feel and think about driving. More than just a promise, we are committed to making driving a true pleasure for customers across the globe. With youthful and dynamic styling and the latest in advanced technologies, Kia cars are turning heads the world over with the power to surprise. From the Picanto to the Telluride, Kia offers a full lineup of sedans, SUVs and MPVs that are not only practical and stylish but downright exhilarating to drive. Keep your eyes on Kia because our best has yet to come.

About Kia Motors Corporation

Kia Motors (www.kia.com) is a maker of world-class quality vehicles for the young-at-heart. Founded in 1944, Kia today sells around 3 million vehicles a year in 190 countries, with more than 52,000 employees worldwide, annual revenues of over US\$49 billion and manufacturing facilities in five countries. Kia is the major sponsor of the Australian Open, official automotive partner of FIFA, official partner of the UEFA Europa League, and main partner of League of Legends European Championship 2019. The company's brand slogan – "The Power to Surprise" – represents Kia's global commitment to surprise the world with exciting, inspiring experiences that go beyond expectations.

The Power to Surprise

MAJOR SPONSOR

Official Partner

**GRAND
CARNIVAL**

Change the rules and go beyond

The Grand Carnival takes you to a place where superior design and truly smart features combine with a deep understanding of your practical driving needs. It's a place where maximum luxury goes hand in hand with a respect for economy - a place where the exceptional meets the everyday.

**GRAND
CARNIVAL**

Dynamic driving in an exciting world

Effortlessly rise above the toughest demands on your driving skills in any urban landscape. The Grand Carnival enables you to assert absolute power over your driving environment.

Live the luxury of freedom

You yearn for the power to go anywhere, to live life to the fullest and to explore the limits of your potential. The Grand Carnival will take you there in outstanding comfort and style.

Experience the pleasure of driving

Living life to the fullest is about enjoying everything you do and that includes driving.
The Grand Carnival has arrived to make driving a truly satisfying part of how you fill each day with pleasure.

Style that turns heads anywhere

Style is all about delivering what is expected and then going beyond. It's about leaving nothing to chance and paying absolute attention to every last detail and the finest craftsmanship. But, of course, it's also about arousing delight.

1. Positioning lamps LED parking lamps illuminate with supreme effectiveness while adding to the Grand Carnival's remarkably modern exterior styling.
2. Fog lamps Always maintain a clear view of the road ahead without interrupting the Grand Carnival's futuristic design aesthetic.
3. Aerodynamic lines Elegant side molding accentuates the sporty lines of the Grand Carnival to maintain a dynamic profile view.

Wireless smartphone charger Charge a compatible mobile phone wirelessly on the pad at the front of the center console. An orange light indicates charging in progress; green indicates a full charge.

Steering wheel remote controls (Bluetooth hands-free, auto cruise control) To ensure minimum distraction and maximum practicality, key driver controls are within easy reach at all times.

Technology in the name of comfort

The Grand Carnival is rooted in the understanding that technology must always deliver the ultimate driving experience by anticipating a driver's needs.

Supervision cluster (7" color TFT LCD) A high-visibility display located in the center gauge cluster provides useful, on-demand trip computer information graphics such as distance to empty, average and instant fuel consumption and outside temperature.

7" display audio system Music is a vital part of driving pleasure and the Grand Carnival's Apple-compatible audio system helps you create the soundtrack for your life on wheels.

Introducing a new definition of space

You and your passengers will finally discover that, however far you travel, it is possible to arrive at your destination even more energized than when you left.

First row ventilated and second row heated seats

No matter what the conditions are outside, you and your passengers will always enjoy fresh air and warmth for unsurpassed comfort.

12-way power driver's seat
A countless number of seating positions ensure maximum control and comfort for any driver, whatever their shape, size and preference.

Integrated Memory System (IMS) Take the guesswork out of finding your perfect seating position and store customized settings for two drivers.

Full auto air conditioning with independent 3-zone control The ultimate in high-tech climate control guarantees that interior air quality and temperature are flexible enough to suit everyone along for the journey.

A space for ultimate relaxation

The perfect interior environment offers an innovative approach to comfort by making sure you feel refreshed in all driving conditions.

Dual sunroof

There's no reason you can't enjoy the sensation of driving under a big sky while creating an even more spacious feel to the cabin.

Large center console In today's fast-moving world, we rely on our electronic devices, which is why your small laptop, tablet PC or smartphone can be conveniently kept close at hand.

USB charger outlet The USB socket can be used to charge mobile devices such as mobile phones and tablet PCs.

1. Smart tailgate mode "On" 2. Remain within range of rear detection device for 3 seconds 3. Tailgate opens

Smart tailgate Use your smart key to open and close the tailgate even when your hands are full.

* SXL Package

Stand-up seats (2nd row) Third row passengers will never again have to struggle to climb in and out of the vehicle.
* Available with 7/8 seat version

Seat variations (7/8 seats)

Extending interior space beyond expectation

An abundance of space is key to creating an interior ambience that is truly relaxing. The cabin of the Grand Carnival was designed to achieve the ultimate realization of maximized space for you and your occupants' convenience and pleasure.

Pop-up sinking seats Hide the fourth row seat below the floorboard of the Grand Carnival for even more space and restore it instantly by lightly pressing a lever.

* Available with 11 seat version

Seat variations (11 seats)

Performance counts wherever you are headed

Now you'll always feel at home in your surroundings, whether it's the great outdoors or the bustling city, thanks to the ideal combination of smart technology and intelligent design.

Intelligent spatial awareness

Good maneuverability means never having to feel trapped, even in the tightest of spaces. State-of-the-art features make sure you're always in charge of your Grand Carnival and able to enjoy your surroundings to the fullest.

Parking Distance Warning-Forward (PDW-F)

Ultrasonic sensors warn you about obstacles in front and behind your vehicle to help keep you safe and in control at all times.

Power and safety in harmony

Peace of mind comes when safety is considered from every angle and pleasure arrives when power is combined with refinement and tranquility. The Grand Carnival offers advanced anti-collision features and a high strength chassis to deliver maximum safety.

Airbag system

Airbags for the driver and front passenger as well as side curtain airbags help protect against injury in the event of a collision.
*The actual air bags in the vehicle may differ from the illustration.

Advanced high strength steel

Advanced high strength steel improves impact resistance, body rigidity and performance as weight is reduced and the collision structure is reinforced.

Blind-Spot Collision Warning (BCW) The system uses radar sensors to monitor approaching vehicles from the rear in the lanes flanking the driver. If a vehicle is detected, a visual alert appears on the sideview mirrors.

Rear Cross-Traffic Collision Warning (RCCW) When backing out of a parking spot or driveway, the system warns the driver if it detects any cross traffic in the lane the vehicle is entering.

Rear view camera Be fully aware of what's behind you by using the full-color, high definition rear view camera as your trusted guide.

Hill-start Assist Control (HAC) Now you never have to worry about rolling backwards when you start your car on an incline. Enjoy peace of mind wherever you park.

Electronic Stability Control (ESC) ESC automatically controls brake pressure in challenging driving situations like sudden turns, acceleration and braking.

First and second row safety power windows Passenger safety is vital, especially when travelling with young children, and safety power windows give you added peace of mind.

Lambda II 3.3 MPI engine This powerful but quiet and fuel-efficient engine features a 3-stage variable intake system that allows the vehicle to go faster with minimized fuel consumption.

R 2.2 diesel engine This lightweight engine uses a nitrogen oxide reduction catalyst to regulate emissions while featuring NVH coating and a highly efficient turbocharger.

Personalize your ride and arrive in style

If you're the kind of driver who likes your vehicle to reflect your personality, the Grand Carnival SXL Package is for you. Opt for sporty, stylish features like a distinctive radiator grill, 19" alloy wheels and chic wooden steering wheel.

SXL Package

1. Radiator grill / Mesh-type front bumper
Skid plate / Front LED fog lamps
2. 19" alloy wheels (Chrome sputtering)
*Not available with 11 seat version
3. Rear bumper / Skid plate
4. Steering wheel (Wood+leather)
5. Transverse trim *Not available with 11 seat version
6. 2nd row large sliding tray
7. Door step

Absolute convenience taken to new heights

How can you tell when you're experiencing the ultimate in convenience? When you take it for granted.

This is what the Grand Carnival achieves on every level. You'll wonder how you ever lived your driving life without it.

1. Smart key remote

2. Outside door handle

3. Overhead console

4. Sliding door button

Infinity

Infinity sound system

Listen to music the way it's meant to be heard, through Infinity's 8-speaker premium sound system with an external amplifier for crystal-clear concert hall-quality audio reproduction.

Power sliding door

The second row sliding door can be opened manually or automatically with just the flick of a switch.

Sunshade blinds (second & third row)
Manually adjustable sunshade blinds mean that you will never have to worry about the sun getting in your passengers' eyes.

Conversation mirror It's never a good idea to look over your shoulder while driving. Now you can safely talk to rear seat passengers without turning your head away from the road ahead.

ECM rear view mirror This smart feature dims the rear view mirror automatically in response to trailing headlights for added safety when driving at night.

Auto defog system Forget about having to manually operate the vehicle's defogger. This clever feature detects moisture on your windshield and removes it automatically.

Heated steering wheel The ability to keep your hands warm in cold weather via the heated steering wheel is not just an added comfort bonus but an important part of safe driving.

6-speed automatic transmission Practical styling and advanced precision come together perfectly in a gearstick featuring a leather-textured boot that is totally in line with the Grand Carnival's modern looks.

Electronic parking brake (EPB) Engage the parking brake simply by pressing a button and take all of the guesswork out of knowing whether it's properly engaged or not.

Active eco system The engine, transmission and air conditioner output are automatically controlled to achieve optimal fuel efficiency.

Auto light control The Grand Carnival's head lamps automatically respond and adjust to exterior levels of light to make driving even more simple and straightforward.

Aux & USB Plug in and play your favorite music from a variety of mobile storage devices such as iPod®, iPhone® or iPad®.

Interior colors to suit your taste

One of the reasons why you'll enjoy being in your Grand Carnival is its luxurious interior. We offer a palette of color options to make you feel even more relaxed and right at home.

Beige two tone

Gray two tone

Burgundy two tone

Anti-pollution seat (YES Essentials®)
 Easy-to-clean, stainless technology is applied to seats for maximum convenience. Liquid spills bead up and are easily wiped away if noticed immediately. Stains that become rubbed or pressed into the surface are easily released with soap and water.

*Two tone pure leather seats are available only with "EX" package. Fabric seats are available in mono-tone colors only.

KIA Vehicles in harmony with nature

ECO dynamics

Whether you love getting out into the great outdoors or simply enjoy living in a more sustainable balance with the ecosystem, you have found a soul mate in Kia Motors.

Environmental preservation and social responsibility are top priorities at Kia, and we back up our commitment with tangible action. Our EcoDynamics sub-brand, established in 2009, designates the most eco-friendly cars within each Kia model range that showcase our new fuel-stretching and emission-cutting technologies such as hybrid, electric and hydrogen fuel cell powertrains.

We are also building a clean global production system, raising the resource recovery

rate, and designing vehicles with the disposal phase in mind. Meanwhile, we are adopting more and more environmentally friendly materials in our cars, selected for their composition, biodegradability and bio-inspired technology. For example, to reduce our carbon footprint, we are replacing oil-based materials with plant-based materials wherever possible.

As you can see, we at Kia Motors are committed to finding fundamental solutions to cut energy consumption and combat climate change. If you feel the same way about preserving the environment and ensuring a brighter future for the younger generation, then we have just the vehicle for you.
