

The new Kia

# CARENS

The Power to Surprise

Life is what you make of it.  
Welcome to the world of Kia.

Life is spectacular. It is vivid, unpredictable and exciting in all its facets. Whatever will happen, wherever you will go and whatever you will discover, Kia is with you.

We at Kia have dedicated our lives to making a contribution towards building a better future. That is why we develop and build cars which help you to discover and enjoy new horizons. Cars with stunning designs, advanced technologies and smart solutions. Cars with our remarkable 7-year warranty as proof of our outstanding quality. Whatever we do, we are driven by one mission: to always exceed your expectations. We call it 'The Power to Surprise'.

Now, we invite you to take a closer look and allow us to surprise you.

The new Kia **CARENS**

For a life full of different destinations

Work, play, or a special family outing – whatever your plans, the new Kia Carens makes the perfect travel companion. This multipurpose vehicle combines space and versatility with stunning European design. Equally, cutting-edge technology, comprehensive safety solutions and all-round convenience prove that the new Carens has everything it takes to shake up the compact MPV segment.

## Design

### Multipurpose meets multi-pleasing

Who would have thought that the humble MPV category could come out in such style? The new Kia Carens isn't just great in terms of space and versatility, it has beautifully designed features wherever you look – from the stylish xenon headlamps to the bold horizontal rear lights featuring the latest LED technology.

The sculpted LED rear lights wrap around the boot and side panels for a strong design statement

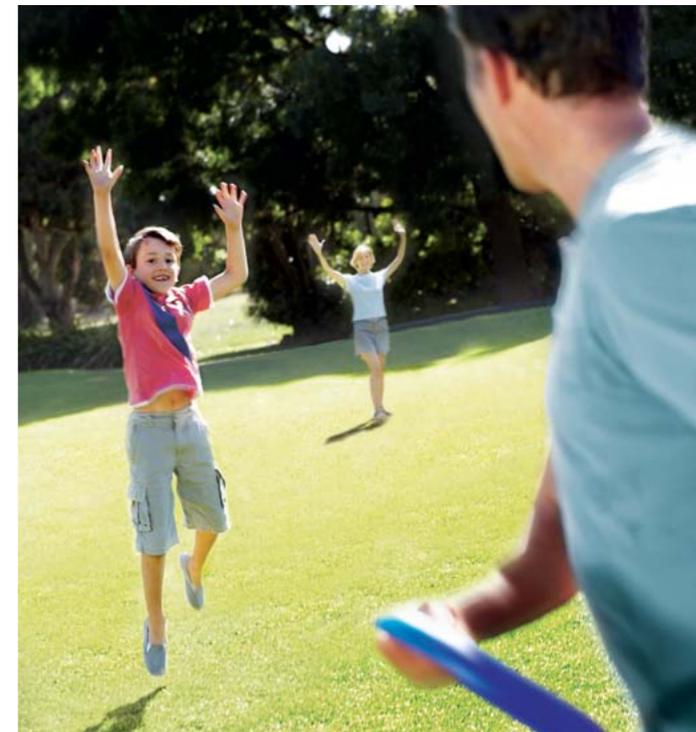

Enhanced visibility & sharp looks: the xenon headlamps feature LEDs

Practicality & fun

# FAMILY

Meet the latest addition to your family: the new Kia Carens is designed to give you more freedom to enjoy time with your loved ones.

## Multitalented

Versatility is the hallmark of an MPV, so the new Carens duly delivers with plenty of space, flexible seating configurations and clever storage compartments. But the new Carens likes to add a little extra: surprisingly striking looks.

Flexibility & advanced technology

## SPACE

True to its name, this MPV answers many needs. The new Kia Carens is as roomy as it is versatile thanks to the ingenious use of every inch of the interior. But there is one dimension that you can't see, it's the unique, welcoming atmosphere elevating this car to much more than an MPV.

### Panoramic sunroof

Adding to the inviting interior, the new Kia Carens can be fitted with an optional electric panoramic sunroof spanning the entire roof. It allows both natural light and fresh air to flood the beautiful cabin.

## Driving with a strong emphasis on pleasure

MPV driving to look forward to. That's the brief that led to the ergonomically designed cockpit which prioritises driver comfort and the intuitive, fingertip operation of numerous high-tech features. Also, the low positioning of the wind-screen base and wide, sweeping dashboard design ensure excellent visibility.

## It all adds up to a rewarding journey

Whether you opt for the 5- or 7-seater Carens, this MPV boasts plenty of interior layout options for maximum seating flexibility and ample cargo space. For your comfort and convenience, the outer 2nd-row seats feature a walk-in device. They come with a lever that moves the seat forward for easy access to the 3rd row.

5-seater

## Everything for a 5-star journey

Whether you opt for the 5- or 7-seater Carens, this MPV boasts plenty of interior layout options for maximum seating flexibility and ample cargo space including three individual split-folding 2nd-row seats.

## Interior colour schemes

Practical meets beautiful. The ample use of soft-touch materials and chrome accents throughout the cabin as well as fine quality upholstery create a stylish interior available in a range of harmoniously blended colours. This stylish yet understated Black & Beige colour scheme exudes a subtle elegance.

This all-black interior creates a bold, contemporary look with standard fabric or optional leather upholstery and soft-touch matching trim.

Beige fabric (LX grade)

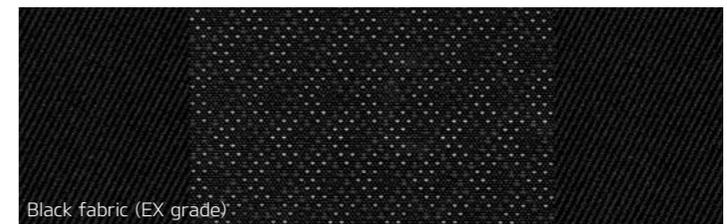

Beige fabric (EX grade)

Beige leather (optional EX grade)

Black fabric (LX grade)

Black fabric (EX grade)

Black leather (optional EX grade)

Transport bulky materials or the weekly shopping, the new Kia Carens can be configured to suit your needs in an instant.

## Smart space for the CITY

### For me

Front-row partial and 2nd- and 3rd-row full folding

### For us

2nd- and 3rd-row full folding

## Smart space for the OUTDOORS

The Carens' cargo capacity and passenger seating versatility ensure you're ready for anything.

### For the kids

Seating for up to 7 people

### For everything

2nd-row partial and 3rd-row full folding

## Sit back, relax and enjoy the ride

**Spacious cargo area** The outer 2nd-row seats feature a walk-in device to ensure easy access to the 3rd-row seats. With both the 2nd- and 3rd-row seats folded flat, the new Kia Carens provides ample loading capacity of up to 1,650 litres.

**Cargo security screen** The screen protects your belongings against prying eyes.

**Fold-up tray** The 2nd-row passengers enjoy the added convenience of folding trays with additional cupholders fitted to the backrests of both driver and front passenger seats.

**Cargo under storage compartment** A spacious underfloor compartment at the rear of the MPV is the perfect place to organise smaller belongings (available in 5-seater only).

**Cargo cover compartment** When the cargo cover is not in use, it can be conveniently stored in this compartment.

**Cooled glovebox** The 8-litre glovebox has a cooling function, handy for chilling drinks or perishable items on longer journeys.

**Centre console** Keeps two cans securely stored and within easy reach. A centre fascia undertray and large storage compartment under the centre armrest provide plenty of space for personal items.

**Underfloor tray** More storage space for smaller items at your feet: the underfloor tray for the second row.

You may not need all the seats all the time, but when you do, you'll enjoy them to the fullest. That's because they've been designed with the utmost comfort in mind.

**Sliding 2nd row** Each of the three individual 2nd-row seats can slide forwards and backwards for enhanced passenger comfort and versatile loading options. The outer seats can also be optionally heated.

**Electric seat cushion extension** Designed to offer long-legged drivers more comfort, the seat cushion can be extended.

### Driver's seat

The backrest of the driver's seat features additional electric-powered lumbar support to ensure maximum comfort and minimal fatigue on longer journeys. The 10-way power driver seat can also be electronically adjusted to the ideal driving position.

**Ventilated seats & seat warmers** Air ducts in the driver and front passenger seat dispense cool air for added comfort in hot weather. When temperatures fall, both the driver and front seat passengers stay warm thanks to 3-step heated seats that can be activated at the touch of a button.

**Folding backrest** The front passenger seat backrest can be conveniently folded forwards to create additional space in the cabin for extra-long items measuring up to 2.15 metres.

Smart Parking Assist System

# SPAS

The Smart Parking Assist System makes parallel parking a breeze. It detects a suitable space and then automatically turns the steering wheel whilst you simply adjust the speed and change gears as instructed by the supervision cluster display.

**Front and rear parking sensors**  
Both the front and rear of selected models can be fitted with sensors that detect obstructions while parking. An audible signal that increases in intensity as your vehicle gets closer to an object helps you park with ease.

## Smart technology for a relaxed drive

An incredible range of intelligent solutions and intuitively laid-out controls offer help when parking, up-to-the-minute driving information and entertainment.

### Satellite navigation and premium sound system

Featuring a large 7-inch LCD touch screen with rear view camera display support, the system also offers voice recognition and hands-free Bluetooth capability. True music lovers will appreciate the high-fidelity 6-speaker audio system with separate subwoofer and external 8-channel amplifier as well as the My Music function, which stores your favourite music files.

**Radio + CDP + MP3 + RDS** The advanced audio system lets you listen to your CDs, or your iPod or MP3 player, via the AUX/USB outlets. There is also an optional audio system with a 4.3" TFT LCD touch screen.

**Rear-view camera** A 4.3-inch or 7-inch rear view camera display, depending on trim level, ensures safe and convenient parking even in tight spaces.

## The caring Carens

Keeping you and your family safe is our number-one priority. That's why we have introduced a whole range of innovative technologies to prevent accidents in the first place. Our engineers have also conducted extensive computer simulations and crash tests to ensure maximum occupant protection at all times.

### 6 airbags

Driver, passenger, front side and curtain airbags help minimise the risk of serious injury in the event of a collision. (This is not a part of Drive Wise features)

## LDWS

### Lane Departure Warning System

The Lane Departure Warning System alerts you with a warning sound if you veer outside the lane unintentionally. A camera fitted to the windscreen monitors the car's position in relation to the lane.

### Blind Spot Detection (BSD)

State-of-the-art sensors monitor your side and rear to keep you aware of vehicles entering into your blind spots. You'll receive visual alerts on the new Kia Carens outside mirrors and, if necessary, you'll hear an audio alert.

## HAC

### Hill Start Assist Control

By maintaining brake grip until you accelerate, HAC prevents the vehicle from rolling backwards when starting on a steep hill.

### VSM (Vehicle Stability Management)

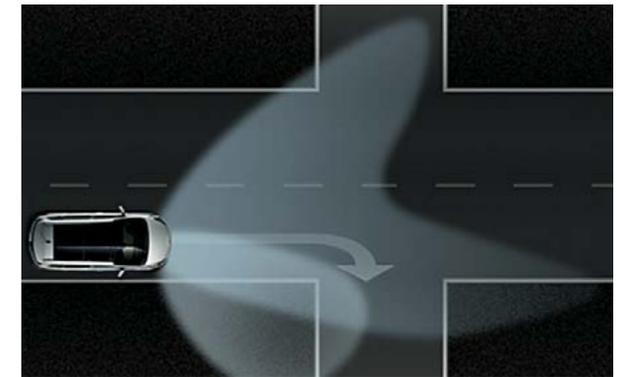

VSM works in conjunction with Motor Driven Power Steering to ensure the car stays stable when simultaneously braking and cornering, especially on wet, slippery and rough roads.

### BAS (Brake Assist System)

BAS detects emergency braking depending on how quickly you step on the brake pedal. It instantly applies full braking force, which helps shorten the overall braking distance.

**ESC (Electronic Stability Control)** If you have to brake suddenly, ESC applies the correct amount of brake pressure to each individual wheel. It also reduces engine power to help you maintain control and bring your Carens back on course.

**Cornering lights** When you turn the steering wheel, an additional light is switched on to shine more light in corners at night.

### TPMS (Tyre Pressure Monitoring System)

The Tyre Pressure Monitoring System alerts the driver via a warning light on the instrument cluster if the tyre pressure falls below the recommended level.

ECO dynamics

### Start/Stop system (ISG)

ISG automatically switches off the engine when your foot is off the clutch and the gearbox is in neutral. As soon as you resume the journey, the engine restarts, resulting in both reduced fuel consumption and lower emissions.

### 7-speed DCT (Double-Clutch Transmission)

A new concept of transmission equipped with the cutting-edge DCT technology that offers the best of both worlds in terms of dynamic shift of speed and cost-savings through superior fuel efficiency, assuring you with a fully satisfying driving experience all around.

## Generously efficient

Choose between one diesel and two petrol engines engineered to the highest standards with innovative technologies that don't sacrifice on power or performance.

### Gamma 1.6 GDI Engine

135 ps – 165 Nm – 149 g/km CO<sub>2</sub> (w/ISG)

A lightweight aluminium block and dual CVVT (continuously variable valve timing) ensure that this direct-injection engine delivers an ideal mix of power and efficiency.

### U2 1.7 Diesel Engine

136 ps – 330 Nm – 127 g/km CO<sub>2</sub> (w/ISG)

Available in low- and high-output versions, these technologically advanced variable-geometry turbocharged engines deliver a clean, quiet and highly fuel-efficient drive while maximising torque and power.

### Engine start/stop button

A convenient solution that makes searching for your keys in your bag a thing of the past. Conveniently turn the engine on and off with a simple push of a button.

### 6-speed auto transmission

This independently developed gearbox features a lightweight, compact design that offers improved shift quality and durability as well as comfortable gear shifting.

### 6-speed manual transmission

This gearbox features a trigger-type "R" gear release button for effortless operation, while short shift strokes promote faster and more accurate shifting.

### Organ-type accelerator pedal

The organ-type accelerator pedal moves along the same natural plane as your foot for more comfortable operation, especially on extended journeys.

**Cross bars** Light and easy to install, these strong and perfectly fitting aluminium cross bars help you transport all you could possibly need on your next adventure.

**ProRide bike carrier** Make light work of loading and unloading your bike – simply and safely.

## Custom-made accessories for an even more family-friendly car.

Make your new Carens even more versatile, practical and family-friendly with our range of custom-made Kia accessories, designed to enhance and protect. Your local Kia dealer will be delighted to help you choose.

**Cargo separator** This robust grid is ideal for transporting your pet dog or a trunk full of cargo. Easy to install and a perfect fit between the rear seatbacks and roof, it makes sure everything stays securely where it should.

**Trunk liner** However wet, muddy or grimy things get, this custom-made liner will protect your trunk area. It is durable, anti-slip and waterproof, with raised edges.

**All weather mats** Whatever adventure you've been on, don't worry about wet, muddy or sandy shoes when you get back in the car. These durable and easy-to-clean floor mats protect the whole of your cabin floor. With a customized shape, and fixing points to hold them firmly in place.

**Entry guards** First impressions always count. These stainless steel entry guards give a flash of premium shine to welcome passengers to your Carens.

**Rear seat entertainment cradle for iPad®** TV shows, movies, games – now your passengers can enjoy them all on the road and pass the time quicker on long journeys. Rotate and tilt for the best possible viewing experience.

**Trunk mat reversible** Off to school, off to the supermarket, off on holiday: you have different cargo depending on the situation. This dual-function trunk mat gives you versatile protection – with the soft cushioning of high-quality velour on one side and a resilient dirt-resistant surface on the other. Available for 5- and 7-seater.

# More room for more clever ideas

The new Carens is big on room and even greater when it comes to detail. Every inch of this stylish MPV reveals delightful surprises to make each journey as enjoyable as possible.

**Portable torch** When mounted on the wall socket, this handy detachable torch automatically recharges. It also serves as an interior lamp for the cargo area.

**Heated steering wheel with remote control** On cool mornings, the heated steering wheel rapidly warms your hands. The steering wheel buttons and switches allow you to adjust the radio volume, make calls hands-free with Bluetooth or set auto cruise control.

**Remote keyless entry system** The smart key unlocks the doors as soon as you touch the door handle, so there's no need to search for it in your bag or pocket.

**Paddle shifters** Change gears without taking your hands off the wheel: a simple flick of a finger via the sequential manual shifts ensures a sporty and engaging drive.

**Electronic parking brake** Instead of using a lever, engage the parking brake by simply pressing a button.

**Dual-zone air conditioning** Driver and front-seat passenger can set the temperature according to their individual preference.

**Auto defogging system** A sensor automatically initiates a defogging process when condensation is detected on the windows to ensure optimal visibility in humid climates.

**Rear air ventilation** Rear-seat passengers can also enjoy warm or cool air thanks to air vents positioned at the back of the centre console.

**2nd-row blinds** The manually retractable sunshades for the 2nd-row windows provide protection from sun glare and help to keep the cabin cool.

**Flex Steer** Match the steering performance to your driving style: choose between urban Comfort mode, Normal mode, and Sports mode for motorway driving.

**Fog lamps** Integrated into the front bumper, the fog lamps combine safety considerations with aesthetic appeal.

**Wing mirror** The electric folding two-tone wing mirrors feature LED indicators as well as puddle lamps for added safety and convenience.

## BODY COLOURS

Choose from eight stylish exterior colours to show off the Carens' striking design.

Clear White (1D)

Bright Silver (3D)

Celestial Silver (K3Y)

Galaxy Brown (K7N)

Mysterious Blue (AAP)

Titanium Silver (IM)

Cherry Black (9H)

## WHEELS

Select the designed wheels best suited to your new Kia Carens.

205/55R  
16" Steel Wheel

225/45R  
17" Alloy Wheel

## Always thinking ahead

At Kia, we take pride in striving to meet the expectations and challenges of the 21st century. We are applying innovative automotive technologies to dramatically improve energy efficiency and are investing in hybrid, electric and fuel cell vehicles. We are also building a clean production system, raising the resource recovery rate, designing vehicles with the disposal phase in mind, increasing energy efficiency, and adopting low-carbon fuels.

Wherever possible, recycled and recyclable materials are used. Even at the end of your Kia's life, one of our environmental targets is the eco-friendly return and treatment of end-of-life vehicles. We guarantee environmental protection in the treatment of harmful waste substances, which are recycled or recovered, ensuring the highest level of environmental protection. In short, we are committed to finding fundamental solutions to cut energy consumption and combat climate change.

## The Kia 7-year warranty

As proof of our high manufacturing standards, we're proud to offer the Kia Carens with our industry-leading warranty, just like every Kia. It benefits from a 7-year/150,000 km new car warranty (unlimited for up to 3 years; 150,000 km from 4 years onwards). This bumper-to-bumper warranty is free and transferable to subsequent owners provided the car is regularly maintained in accordance with the servicing schedule.
