ATKINSON-CYCLE ENGINE
+ LEXUS HYBRID DRIVE

WARRANTY Four-year/50,000-mile Lexus Limited Warranty. Six-year/70,000-mile Powertrain Warranty. Six-year/unlimited-mileage Corrosion Perforation Warranty. Eight-year/100,000-mile Hybrid System Warranty. All warranties with zero deductible. See the *CT Warranty and Services Guide* at your Lexus dealer for details.

DISCLOSURES 1. 2015 EPA-rated MPG, Luxury nameplates. 2. 2016 EPA 43/40/42 city/hwy/combined MPG estimates. Actual mileage will vary. 3. Vehicles shown are modified with non-Genuine Lexus parts and accessories. Modification with these non-Genuine Lexus parts or accessories will void the Lexus warranty, may negatively impact vehicle performance and safety, and may not be street legal. 4. **CAUTION!** When driving a hybrid vehicle, pay special attention to the area around the vehicle. Because there is little vehicle noise in electric-only mode, pedestrians, people riding bicycles or other people and vehicles in the area may not be aware of the vehicle starting off or approaching them, so take extra care while driving. EV mode works under certain conditions at low speeds for up to a mile. See *Owner's Manual*. 5. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps & services subject to change. See lexus.com/enform for details. 6. Contact with the response center may not be available in all areas. Service Agreements required. A variety of subscription terms available; charges will vary. See lexus.com for details. 7. Information provided is based on the last time data was collected from the vehicle and may not be up to date. System functionality depends on vehicle connectivity. 8. Use only if aware of circumstances surrounding the vehicle, and it is legal & safe to do so (e.g., car uncovered in open area, no people or pets in or nearby). If vehicle has not been driven for over a week, services will not be available until next time vehicle is started. Functionality depends on many factors, such as vehicle and smartphone connectivity. See usage precautions, service limitations & *Owner's Manual*. Data charges may apply. Registration, app download are required. Must have active Safety Connect subscription. Annual fee required after 1-year trial. 9. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Availability & accuracy of the information provided by the Navigation System is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway. Updates may be available at an additional cost from your dealer. See *Navigation System Owner's Manual* for details. 10. iPhone® and iPad® are registered trademarks of Apple Inc. All rights reserved. 11. FaceTime® is a registered trademark of Apple Inc. All rights reserved. 12. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. 13. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions. 14. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available only on iPhone® 4s or later, iPad® with Retina® display, iPod® mini, & iPod® touch (5th generation) and requires Internet access. Siri® is not available in all languages or all areas, and features vary by area. Some Siri® functionality and commands are not accessible in the vehicle. Data charges may apply. See Apple.com & phone carrier for details. 15. The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 16. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Lexus dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local *Yellow Pages* or by contacting www.aloa.org. 17. The Pre-Collision System is designed to help reduce the crash speed and damage in certain frontal collisions only. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. See *Owner's Manual* for further information. 18. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. See *Owner's Manual* for details. 19. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather may limit effectiveness and view may become cloudy. 20. 17-in performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 20,000 miles, depending upon driving conditions. 21. F SPORT Accessories are warranted for 12 months from the date of installation or for the balance of the new-car or Certified Pre-Owned (CPO) warranty in force at the date of installation, whichever is greater, when installed by an authorized Lexus dealer. F SPORT Accessories installed by anyone other than an authorized Lexus dealer are warranted for 12 months from the date of purchase only, and the warranty coverage is limited to the replacement value of the F SPORT Accessories. These warranties do not cover maintenance services such as replacement of brake pads/linings and clutch linings or noise, vibration, cosmetic conditions and other deterioration caused by normal wear and tear. Part failure caused by improper installation by anyone other than an authorized Lexus dealer may void the F SPORT Accessories warranty, the new-vehicle warranty or both. F SPORT is a trademark of Toyota Motor Corporation. Products available through participating Lexus dealers. 22. Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers using special safety equipment and procedures. Do not attempt. 23. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. A compatible Bluetooth-enabled phone must first be paired. Phone performance depends on software, coverage & carrier. 24. All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See *Owner's Manual* for further information/warnings. 25. Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for further details. 26. Do not rely exclusively on the Intuitive Parking Assist system. Always look over your shoulder and use your mirrors to confirm clearance. System effectiveness depends on many factors. See *Owner's Manual* for details. 27. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat. 28. Cargo and load capacity limited by weight and distribution.

Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See lexus.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of printing, are subject to change without notice, and are for mainland U.S.A. vehicles only. Some vehicles shown with available equipment. See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly. For more information, call 800-USA-LEXUS (872-5398) or visit lexus.com. To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.

2016

CT

lexus.com P6-716 (08/15) 00217CTBRO16 Printed in U.S.A. (75M) ©2015 Lexus.

INTRODUCING THE 2016 CT

CT 200h

The most fuel-efficient gas-powered luxury vehicle,¹ with an EPA-estimated 42-MPG combined rating,² five-door versatility, Electronically controlled Continuously Variable Transmission, driver-selected driving modes, double-wishbone rear suspension and Yamaha® lateral performance dampers.

CT 200h F SPORT

Exclusive F SPORT-tuned suspension; LFA-inspired steering wheel with perforated leather trim and F SPORT badge; aggressive F SPORT styling including a black roof, rear spoiler with aerodynamic cutouts and an interior trimmed in Black NuLuxe or available Black leather with white perforations.

CURB YOUR INHIBITIONS

Don't think of it as an open road. Think of it as a blank slate. The 2016 Lexus CT opens the door to the unexpected. Let your curiosity drive you.

WANDER- LUST

AWAKEN THE IMAGINATION AT EVERY TURN

What's the one thing that makes the CT such an exhilarating drive? Everything. Engineered to deliver the fuel efficiency you expect with the dynamic handling you crave, the CT puts more into every mile. With advanced aerodynamics and a low center of gravity, the CT is your chance to experience the true meaning of joyride.

AT FIRST SIGHT

The luxury five-door hybrid your tailgating and camping trips have been waiting for, the CT features a versatile interior and customizable cargo space.

42 MILES. ENDLESS POSSIBILITIES.

More milestones. More road trips. More beach trips. More no-reason-I-just-want-to-get-out trips. With an EPA-estimated 42-MPG combined rating,² the open road is an open invitation.

THE SEAT OF POWER

Connect with the road and the unexpected with the race-inspired driver's cockpit. Low-set bolstered sport seats, a wide-grip steering wheel and a low hood with generous visibility add to the driver-centric interior.

DRIVE MODE SELECT

Drive Mode Select lets you choose your level of responsiveness and efficiency. Select EV mode⁴ in certain situations to operate on battery alone and eliminate emissions. ECO mode moderates throttle response and hybrid system power for increased fuel efficiency. Choose Sport mode for a thrilling throttle response and maximized steering feel.

SUGARCANE SEEDLINGS
SEEDLING DEVELOPMENT

A PROCESS OF NATURAL SEDUCTION

THE CT IS DRIVING CHANGE WITH AN INNOVATIVE CROP OF SUSTAINABLE MATERIALS

Welcome to luxury with a green thumb. Harvesting even more ways to go green, the CT uses plant-based plastics that contain 30% sustainable materials, including significant use of sugarcane. And, the six-speaker audio system features a sound as clear as its conscience. Harnessing the beauty of one of the fastest-growing plants on Earth, the luxury hybrid boasts the industry's first speakers constructed with sustainable bamboo charcoal resin. Get behind the wheel of a CT to turn heads, and a new leaf, with every drive.

BAMBOO
YOUNG STALK IN SHEATH

BAMBOO
CROSS SECTION

SUGARCANE
MATURE HARVEST

UNADULTERATED LUXURY

Comfort that conserves. NuLuxe isn't just inviting. It's innovative. Weighing half as much as leather, NuLuxe generates 65% fewer CO₂ emissions during the manufacturing process than other leather substitutions—and produces zero volatile organic compounds during the production process.

LEXUS CT

THE NEXT LEVEL OF CONNECTIVITY

Lexus Enform,⁵ our available suite of branded connected services, consists of five products, each of which offers unique ways to enhance the driving experience. With a complimentary first year of service—entertainment, convenience and peace of mind are now within reach.

SAFETY CONNECT

Lexus Enform Safety Connect⁶ offers you the peace of mind of knowing that assistance can be there when you need it most. Whether you're involved in a collision and unable to call for help, your vehicle is stolen, or there is some other type of emergency, assistance can be sent directly to your vehicle's GPS location.

SERVICE CONNECT

Our new Lexus Enform Service Connect⁷ offers remote access to information about your vehicle's status and maintenance needs. Easily accessed through LexusDrivers.com or the My Lexus and Beyond mobile app, you can get information on everything from your vehicle's fuel level and mileage to maintenance alerts and vehicle health reports.

REMOTE

The Lexus Enform Remote⁸ mobile app can remotely start the engine, lock and unlock doors, check the status of doors and windows as well as your fuel level, and can help find your vehicle's location in a parking lot. And, should you loan your Lexus to another driver, you can receive instant alerts if, for example, a preset speed or mile limit is exceeded.

DESTINATIONS

Lexus Enform Destinations⁵ offers convenient 24-hour, en-route navigation assistance from a live response center agent who can help you find locations and automatically upload the destinations to your available Navigation System.⁹ Planning a trip? You can also search, save and upload destinations from the comfort of your home or office.

APP SUITE

The Lexus Enform App Suite⁵ offers access to your favorite mobile applications through your vehicle's center-console display. After downloading the app on your compatible smartphone, you can search local listings, stream music, place restaurant reservations and buy movie tickets—all from the center-console display.

DELIVERY AND TECHNOLOGY SPECIALISTS

To help you get the most out of these and other Lexus features, a Vehicle Delivery Specialist will walk you through nearly every setting and function you desire. And to answer questions that arise after delivery, a Vehicle Technology Specialist can offer expert guidance in person or without you ever leaving the driveway via camera-enabled iPad^{®10} apps like FaceTime.^{®11} Learn more about these complimentary services at lexus.com/specialists.

SUBSCRIPTION-FREE TRAFFIC AND WEATHER

To help you arrive sooner, Lexus provides an industry-first subscription-free Traffic and Weather service.¹² Accessed through the 7.0-inch color display included with the available Navigation⁹ or Lexus Display¹³ Audio Systems, this feature offers up-to-date information for road congestion and changing weather conditions on the main display.

INVISIBLE INNOVATION

SIRI® EYES FREE

The innovative Siri Eyes Free¹⁴ connects with your compatible iPhone,^{®10} enabling you to access e-mail, send text messages and more. The available Siri feature can also search your portable music collection and use the results to create customized playlists.

SMARTACCESS

The SmartAccess^{15,16} key fob lets you lock and unlock your doors and start the push-button ignition—all without having to take your keys out of your pocket or purse. As soon as the sensors detect the presence of your SmartAccess key, the door unlocks when you touch a front-door handle.

PRE-COLLISION SYSTEM

Go further with greater peace of mind. To help prepare for and, if possible, avoid potential front collisions, an available Pre-Collision System¹⁷ is designed to watch the road ahead for obstacles and warn you of their presence with audible alerts and visible indications. This advanced technology feature can even preload the brakes to help optimize braking power the moment the brake pedal is depressed.

DYNAMIC RADAR CRUISE CONTROL

Available Dynamic Radar Cruise Control¹⁸ can help maintain a preset distance from the car traveling in front of you by automatically reducing the throttle and even applying the brakes (at speeds above 25 mph). Once the road clears, the CT returns to its preset speed.

BACKUP CAMERA

The available backup camera¹⁹ uses an inconspicuous lens mounted above the license plate to enable the driver to view more objects in the vehicle's path when driving in reverse.

INSTINCTIVE HANDLING. DISTINCTIVE EDGE.

F SPORT

Take the art of expression further. Performance and style reach their peak with the race-inspired details and dynamic handling found in the CT F SPORT. Aggressive F SPORT aesthetics turn heads from all angles as a sporty drive turns the tables on just what a luxury hybrid can do.

F SPORT

EVERYWHERE BUT MIDDLE OF THE ROAD

Tempt the bold with commanding F SPORT details. Designed to enhance the dynamic driving experience, the CT F SPORT epitomizes standout style. A black roof, emboldened spindle grille with the exclusive F SPORT mesh pattern, dominant rear spoiler and 17-inch split-five-spoke alloy wheels²⁰ with Graphite two-tone finish set the stage for a sleek interior.

Aluminum pedals and scuff plates provide an edge to the contemporary styling of the low-set bolstered sport seats, available Black leather trim with white perforations, and LFA-inspired perforated leather-trimmed steering wheel and shift lever.

DYNAMIC F SPORT PERFORMANCE

Tuned by the same team that engineered the world-renowned LFA supercar, the CTF SPORT takes performance from refined to raw.

Exclusive sport-tuned suspension optimizes direct handling, revised shock absorbers and lowering springs increase responsiveness, bespoke coil spring settings with advanced roll rigidity throughout the body elevate driving dynamics, and aerodynamic cutouts in the rear spoiler help provide added downforce for greater grip and control.

CUSTOM- AMAZE

**ELEVATE YOUR EDGE WITH
THE NEW CTF SPORT SPECIAL EDITION
ARRIVING LATE FALL 2015**

Adding to the suite of available F SPORT Accessories,²¹ the CTF SPORT Special Edition is the next evolution of expression. With an Atomic Silver exterior, two-tone Black and Scarlet interior, and distinctive contrast stitching, limited edition means unlimited impact.
