## Voorwoord

Het is ons wederom gelukt u een zeer interessante collectie veulens voor te stellen. Het aantal is groter dan ooit, maar desalniettemin hebben we geen concessies gedaan aan de kwaliteit. Het aanbod wordt ieder jaar namelijk groter en beter. Dit zegt veel over de kracht van het fokgebied Limburg en omringend. Met 27 dressuur- en 86 springveulens hebben de springveulens duidelijk de overhand. Maar deze aantallen geven de verhoudingen binnen ons fokgebied goed weer.

Het doet ons deugd dat veel van de via ons verkochte veulens inmiddels zijn uitgegroeid tot internationale sportpaarden en goedgekeurde dekhengsten. Dat maakt ons trots. Samen met de fokkers hebben we deze paarden succesvol kunnen afleveren bij honderden nieuwe eigenaren. We hopen dit tot in lengte van jaren te kunnen blijven doen. Dat zal ook lukken vanwege de enorme internationale interesse die voor onze veiling bestaat.

We hopen u te mogen begroeten in Equestrian Centre de Peelbergen en wensen u een succesvolle veiling.

Paul Hendrix

S. Under Jessica Kürten, the genetically interesting stallion Harley VDL competed internationally at the 1.50m level. This keur stallion, who passes on abundant jumping talent, has distinguished himself in breeding with successful offspring including Constable II, Charly Chaplin S, Davidson VDL, Arlando and two-time world champion Earley.

DS. Indoctro is a proven sire of first-class jumpers. Among them are Olympic show jumpers including Nike, Imothep, Casadora, Vedor, Amarillo and Don Porfirio.

S. Under Dinja van Liere, the top talent Duval's Capri Sonne Jr. captured the spotlight up to the international Small Tour level. Comparisons have been made between the phenomenal stallion Totilas and this eye-catcher, who was ultimately purchased by the Bechtolsheimer Family for a handsome sum. Daughter Laura Tomlinson is already showing Capri Sonne Jr. in the Small Tour. The stallion passes on his special talent, as evidenced by his first offspring.

DS. In addition to producing a series of international show jumpers, the versatile breeding stallion Contender has sired successful Grand Prix dressage horses including Contango, C'Est Bon, Colani-Sing and Collins.

S. The interesting Ultimo van ter Moude son Quartz Rouge has been competing at the highest level under Philippe Rozier since early this year. Previously, he was a sensation for many years under Jérôme Hurel, who competed him in horse shows including the European Championships in Aachen. The Grand Prix stallion is available for breeding on a very limited basis.

DS. The keur stallion Padinus made a significant contribution to breeding with successful offspring at the highest level including Admara, Wrigley, Wrangler II, Wonder Why and Sterrehof's Baccarat.

S. Under Jeroen Dubbeldam, Nassau enjoyed great success, including winning both the team bronze and the individual bronze at the European Championships in San Patrignano. The Grand Prix stallion has remained undervalued in breeding, despite producing remarkable international show jumpers such as the Grand Prix winner Aris CMS (Janika Sprunger), the 1.50m stallion Thunderbolt and Tristan.

DS. The international sport- and breeding stallion Animo competed in the Olympics and produced elite horses including Andiamo Z, Pessoa VDL, Colorado, Billy Orange, Robin Hood V and Parabel.

S. The genetically interesting five-year-old stallion Malibu TN shows promise in both sport and breeding. He is out of the line of the top sire Numero Uno and is a half-brother to the Grand Prix show jumper Bellinda (v.Namelus R). Under Zoi Snels, Malibu TN is showing great potential; and his first crop of foals is also making a convincing impression.

DS. The international sport- and breeding stallion Come On competed at the highest level, and his offspring have also followed in his footsteps, among them Carabik 7, Concano, Echo of Light and Kokain.

MMM. Govera (1988)

dam of: Jaguar (by Equador) selected / IDP Grand Prix with Todd Fletrich  
granddam of: Patlase (by Kandidaat) Z1

S. Numero Uno plays a prominent role as a top sire thanks to crack jumper offspring including Tamino, Charmeur, Tyson, Tamino, Van Gogh, Winchester HS, Tobalio and Take Off. A former international 1.50m level jumper under Marco Kutscher, Numero Uno is considered the best producing son of the legendary stallion Libero H.

DS. Under Dirk Demeersman, Clinton finished fourth in the Olympics. He puts his stamp on his offspring, which include Cornet Obolensky, Via Volo, Special and Eldorado van de Zeshoek.

S. With offspring including the very successful horses Quickly de Kreisker, Utamaro d'Ecaussines, Don VHP Z and Emerald van 't Ruytershof, Diamant de Semilly is an excellent sire. This great French horse can also look back on a very successful sport career: under Eric Levallois, he competed in prestigious competitions including the World Championships and the European Championships.

DS. As a sport horse, the Grand Prix stallion Astrello does honor to his strong bloodlines under Vadzim Charavan. Astrello's oldest offspring are at the beginning of their international career.

## Veilingvoorwaarden

### 1. ALGEMEEN

- 1.1 Hendrix Events BV [zaakdoende onder de naam Limburgse Veulenveiling] (hierna zowel afzonderlijk als gezamenlijk te noemen: LVV), organiseert in haar functie van bemiddelaar tussen verkopers en kopers jaarlijks bij voorkeur in de maand september de Limburgse Veulenveiling (hierna te noemen: de Veiling) op de accommodatie van Equestrian Centre de Peelbergen te Kronenberg. De Veiling zal plaatsvinden onder toezicht van een notaris.
- 1.2 Deze veilingvoorwaarden zijn van toepassing op alle tijdens de Veiling gesloten koopovereenkomsten met betrekking tot via de LVV aangeboden veulens, alsmede alle overeenkomsten die daaruit voortvloeien.
- 1.3 Op deze overeenkomsten en op deze veilingvoorwaarden is Nederlands recht van toepassing, met algehele uitsluiting van toepasselijkheid van het Weens Koopverdrag (CISG).
- 1.4 Een koopovereenkomst komt uitsluitend tot stand tussen verkoper en koper. Koper is gehouden de schriftelijke vastlegging van de koopovereenkomst te ondertekenen, waarbij LVV uitsluitend als bemiddelaar optreedt.
- 1.5 Deze voorwaarden worden vóór aanvang van de Veiling bekend gemaakt en zijn in de veilingcatalogus opgenomen en zijn mede gemaakt ten behoeve van allen die voor LVV werkzaam zijn of waren. Deze (rechts-)personen kunnen op deze veilingvoorwaarden rechtstreeks een beroep doen.

### 2. SELECTIEPROCEDURE

- 2.1 De LVV danwel een door de LVV samengestelde selectiecommissie onderzoekt en selecteert de veulens die in aanmerking komen voor deelname aan de Veiling. Een besluit van de LVV/de selectiecommissie ter zake is bindend. De LVV/de selectiecommissie is bevoegd advies in te winnen bij derden, doch heeft te allen tijde het recht een veulen of veulens zonder opgaaf van redenen te weigeren op grond van (fysieke) gebreken, alsmede wegens andere door de LVV/de selectiecommissie te bepalen gronden, ook indien een veulen of veulens reeds voor de Veiling is geselecteerd. De LVV/de selectiecommissie is/zijn nimmer gehouden om, op welke grond dan ook, de door de verkoper gemaakte kosten te voldoen.
- 2.2 Voorafgaand aan de Veiling wordt elk veulen (hierna: Veulen) klinisch gekeurd door een daartoe door LVV aangewezen paardendierenarts. Op de dag van de Veiling, voorafgaand aan de Veiling, vindt een korte check plaats door bij voorkeur dezelfde paardendierenarts. Een röntgenologisch onderzoek heeft niet plaatsgevonden. Eveneens zal geen onderzoek op verboden stoffen plaatsvinden.
- 2.3 Door het aanbieden van het Veulen ter veiling, verklaart de verkoper dat hem/haar geen feiten of omstandigheden bekend zijn die het veulen ongeschikt maken voor een normaal gebruik als veulen. Verkoper

staat er verder voor in dat het Veulen vrij is van verboden stoffen als voorkomend op de meest recente lijst van verboden stoffen van de Fédération Equestre Internationale (FEI).

- 2.4 De LVV biedt door een presentatie voorafgaand aan de Veiling de koper de mogelijkheid een eigen oordeel te vormen over het Veulen en de mate in hoeverre het Veulen overeenkomt met zijn/haar wensen gelet op de door de koper voorgenomen specifieke gebruiksdoelinden. De koper dient indien nodig of gewenst ter zake onafhankelijk advies van deskundigen in te winnen.

### 3. VERKOOP/VEILING

- 3.1 De veulens worden bij opbod verkocht. De veulens worden op basis van de catalogusvolgorde geveild. De catalogusvolgorde wordt door de LVV in overleg met de selectiecommissie bepaald.
- 3.2 De veulens zullen tijdens de Veiling door een door LVV aangewezen veilingmeester (hierna: Veilingmeester) per opbod in Euro's worden verkocht, tenzij anders aangegeven, met een minimale inzet van € 3.000,-. Er wordt geboden in bedragen van € 250,- tot € 4.000,- vervolgens in bedragen van € 500,- tot € 10.000,- en daarboven in bedragen van € 1.000,-. Een potentiële koper zal aan zijn/haar bod worden gehouden, totdat een eventueel hoger bod volgt. Krijgt de koper de afslag door de Veilingmeester toegewezen dan is die betreffende koper verplicht het factuurbedrag te voldoen, zoals in artikel 4.2 berekend. In geval van twijfel betreffende de geldigheid van een afslag, kan het laatste opbod weer aangenomen worden en zal het opbieden hervat worden. De notaris beslist bindend over eventuele geschillen die bij of tijdens het bieden ontstaan.
- 3.3 Iedereieder biedt voor zichzelf en is aan zijn/haar bod gebonden totdat een hoger bod wordt geaccepteerd.

### 4. AFREKENING VEILINGBEDRAG EN -KOSTEN

- 4.1 Direct na afloop van de Veiling dient de koper zijn/haar betalingsverplichtingen te vervullen op het veilingbureau (hierna: Veilingbureau). Indien de koper hieraan niet voldoet, is de LVV gerechtigd de bieding niet te erkennen en ongeldig te verklaren en het gekochte Veulen opnieuw te veilen, dan wel het gekochte Veulen toe te wijzen aan de een na hoogste bidder. De koper is in dat geval van rechtswege in verzuim en is gehouden de daardoor veroorzaakte schade aan de LVV te vergoeden, onverminderd de overige rechten van de LVV.
- 4.2 Het factuurbedrag wordt als volgt berekend:  
Afslagprijs +  
7% commissietoeslag +  
1,1% verzekering (optioneel) +  
Factuurbedrag exclusief Nederlandse omzetbelasting

Het factuurbedrag is per direct opeisbaar. Betaling geschiedt uitsluitend per bank. Verrekening van eventuele tegenvorderingen is uitgesloten.

- 4.3 Het is de LVV toegestaan om informatie in te winnen omtrent de financiële gegoedheid van een betreffende bidder/koper en deelname aan de Veiling door en het sluiten van een overeenkomst met de betreffende bidder/koper afhankelijk te stellen van de ingewonnen informatie.
- 4.4 Bij afrekening op het Veilingbureau bestaat de mogelijkheid voor de koper om een verzekering af te sluiten voor het gekochte veulen. Een dergelijke verzekering wordt niet door de LVV afgesloten.

### 5. BETALING EN AFLEVERING VAN HET VEULEN

- 5.1 De LVV betaalt de afslagprijs, nadat zij deze van de koper heeft ontvangen, onder aftrek van de aan de LVV verschuldigde veilingcommissie, vaste veilingkosten en eventuele verzekeringspremie door aan de verkoper op een door hem aangegeven bank- of gironummer. Dit bedrag wordt niet eerder uitbetaald dan dat verkoper het door de koper getekende afleverbewijs volgens model van LVV wordt overlegd aan de LVV.

Om dit goed te laten verlopen, verplicht de verkoper zich, alvorens zijn/haar veulen af te leveren, bij de LVV te vergewissen dat:

- de koper volledig aan zijn/haar betalingsverplichtingen heeft voldaan, en
- zoniet, het Veulen niet af te leveren, voordat alsnog aan die verplichtingen is voldaan.

- 5.2 Als het factuurbedrag om welke reden dan ook niet aan de LVV wordt voldaan door koper, dan vervalt daarmee de betalingsverplichting van de LVV aan de verkoper, zoals bedoeld in het eerste lid.
- 5.3 Tot aan feitelijke levering blijven risico en kosten van het Veulen voor rekening van verkoper. Onmiddellijk na aflevering door verkoper aan de koper, gaan risico en kosten ter zake van het Veulen over naar koper.
- 5.4 Verkoper neemt de verplichting op zich/haar om het Veulen jonger dan 4½ maand bij de merrie te laten, totdat het Veulen de leeftijd van 4½ maand heeft bereikt, zonder dat de koper hiervoor een vergoeding is verschuldigd. Het verblijf is voor rekening en risico van verkoper.
- 5.5 In het geval verkoper op de Veiling het Veulen verkoopt, dat gezien zijn leeftijd (veelal ouder dan 4½ maand) onmiddellijk door verkoper aan koper kan worden geleverd, wordt het Veulen door verkoper aan koper geleverd, nadat koper aan al zijn/haar financiële verplichtingen jegens de verkoper en LVV heeft voldaan.
- 5.6 Het Veulen wordt door de verkoper op het adres van de koper afgeleverd, behoudens levering op de Veiling zelf. Indien koper en/of verkoper buiten Nederland woonachtig is/zijn, is de plaats van aflevering binnen Nederland, tenzij partijen anders overeenkomen.
- 5.7 Verkoper neemt de verplichting op zich dat het Veulen is gechipt (en stamboek geregistreerd) is op het moment van feitelijke levering aan koper. Kosten verbonden aan het chippen van het Veulen zijn voor rekening van verkoper.

5.8 De kosten voor de verkoper bedragen €250,- (exclusief Nederlandse omzetbelasting) aan vaste veilingkosten, vermeerderd met 7% courtage over de afslagprijs. Voor de koper is dit eveneens 7% van de afslagprijs. Echter bij samenloop, als verkoper en koper dezelfde persoon zijn, is dit 7% bij een afslagprijs tot en met €4.000,-. Indien de koopsom meer dan €4.000,- bedraagt, is bij samenloop, als verkoper en koper dezelfde persoon zijn, een courtage van 14% over de gehele afslagprijs aan LVV verschuldigd.

## 6. UITSLUITING AANSPRAKELIJKHEID

6.1 De LVV sluit, voor zover rechtens toegestaan, elke aansprakelijkheid uit ten opzichte van koper, verkopers en derden en in het bijzonder, maar niet beperkt tot, met betrekking tot de navolgende gevallen:

6.1.1 De LVV sluit elke aansprakelijkheid uit wanneer een in de veilingcatalogus vermeld Veulen uiteindelijk niet ter veiling wordt aangeboden.

6.1.2 De LVV sluit te haren aanzien elke aansprakelijkheid uit met betrekking tot de gezondheidstoestand van de te veilen veulens. Meer in het bijzonder wordt aansprakelijkheid uitgesloten met betrekking tot osteochondrotische afwijkingen in de knie- en spronggewrichten van het Veulen, ook niet op grond van DNA-onderzoek (genoomselectie) en/of andere gebreken. Voorts sluit de LVV te haren aanzien ook elke aansprakelijkheid uit voor wat betreft het vervoer.

6.1.3 De LVV is niet aansprakelijk voor enig ongeval of enige vorm van schade iemand overkomen in of nabij de terreinen of gebouwen waar gelegenheid is tot bezichtiging, waar de Veiling plaats heeft of waar de verkochte veulens worden afgehaald. Het betreden van deze terreinen en gebouwen geschiedt voor een ieder op eigen risico.

6.1.4 De LVV sluit aansprakelijkheid voor schade van derden, die gedurende de Veiling is ontstaan uit, behoudens schade die het gevolg is van opzet of bewuste roekeloosheid van de LVV, dan wel haar leidinggevenden.

## 7. NIET VOLDOEN AAN DE OVEREENKOMST

7.1 Indien een koper van oordeel is dat het gekochte Veulen na feitelijke aflevering niet aan de overeenkomst beantwoordt, kan de koper hierop geen beroep meer doen indien hij niet binnen drie weken na ontdekking de verkoper (met kopie aan de LVV) daarvan in kennis heeft gesteld per aangetekende brief.

7.2 Verkoper staat er voor in dat een door de koper gekochte Veulen, tenzij schriftelijk voorafgaand aan de verkoop meegedeeld, niet lijdt aan de stalgebreken luchtzuigen, systematisch weven of kribbebijten en wel gedurende een periode van 2maal 24 uur na feitelijke aflevering aan koper.

7.3 Indien een dierenarts door de KNMvD (Koninklijke Nederlandse Maatschappij voor Dierengeneeskunde) geregistreerd als keuringsdierenarts voor paarden of paardendierenarts, schriftelijk meedeelt dat één van de in artikel 7.2 genoemde stalgebreken naar zijn deskundig oor-

deel bestond vóór de datum feitelijke aflevering, heeft de koper het recht de koopovereenkomst te ontbinden met alle daaraan voorbonden gevolgen.

## 8. NEDERLANDSE TEKST BINDEND

De Engelse versie van deze Veilingvoorwaarden is een vertaling van de Nederlandse tekst. Ten deze is uitsluitend de versie in de Nederlandse taal bindend.

## 9. GESCHILLEN

9.1 Alle geschillen - daaronder begrepen die, welke slechts door één der partijen als zodanig worden beschouwd - welke naar aanleiding van de koopovereenkomst gesloten op de Veiling danwel naar aanleiding van deze veilingvoorwaarden met de LVV ontstaan, worden beslecht door NAI-arbitrage (Nederlands Arbitrage Instituut te Rotterdam), danwel in het geval de koper consument is, op diens verzoek overeenkomstig het Burgerlijk Wetboek, door de gewone burgerlijke rechter, in welk geval in eerste aanleg uitsluitend de Rechtbank Limburg bevoegd is.

9.2 Indien de verkoper of de LVV een procedure aanhangig wil maken, zal zij indien de koper consument is, hem/haar gedurende een maand de gelegenheid stellen schriftelijk zijn/haar keuze als bedoeld in artikel 9.1 hiervoor, kenbaar te maken. In geval van een spoedeisend belang (kort geding) kan de verkoper (casu quo LVV) de termijn bekorten tot vijf werkdagen.

9.3 Steeds zal de LVV, ingeval sprake is van een blijvend geschil, op eigen titel bemiddeling tussen koper en verkoper initiëren (mediation) al dan niet, naar haar keuze, op haar kosten. Gekozen kan worden een dergelijke mediation te laten plaatsvinden overeenkomstig het NAI-mediationreglement.
