**IMPORTANT!**

**CHUTE'S Floral Cream**

FOR THE SKIN.

For Chapped Hands, Face and Lips, its action is surprising, and too much cannot be said in its praise. So many are afflicted with rough or chapped hands and face, particularly ladies with delicate skin, when exposed to the winds or cold, it prevents chapping when used daily or before exposure to the weather, and positively cures when already in such condition.

For Sunburn it has no equal for allaying all irritation, cools and soothes the inflamed skin and prevents it from peeling.

For Gentlemen After Shaving it will be found delightfully soothing and grateful, allaying all irritation and as a protection against the weather.

For Itching, Irritation and Chafing especially of infants, it acts like magic, giving instant relief, and can be used with safety and satisfaction in the nursery to keep the skin in a healthy condition.

## P R E F A C E .

It will be observed that this issue of the MEDFORD DIRECTORY, No. 14 in the regular series, bears a new imprint, the LITTLEFIELD DIRECTORY PUBLISHING COMPANY. The work, however, has not changed hands, it is still compiled and published by MR. ELMER LITTLEFIELD, for many years co-partner in the firm of W. A. GREENOUGH & Co. Our patrons may rest assured that every endeavor will be used to make this publication all that such a work ought to be. We would make special reference just here to our preface in the last issue, in which we stated that in accordance with the urgent desire of Medford's business men the experiment of a separate and exclusive Directory would be tried. Such desire is even more urgently pressed this year and we feel that we have still greater claim upon the citizens for enlarged patronage. While grateful for the generous support given us in advertising, we trust that many more citizens will secure a copy for their personal use.

Selling *only* for cash, there can be, of course, no exceptions to the rule.

I am aware that this method of conducting business occasions my customers some inconvenience.

It is *easier* to run a monthly bill.

**BUT:**

Buying groceries is a matter of money—of business, and not of convenience.

If, because I buy and sell always for cash, I can furnish you with the best quality of goods at a saving to you of at least an average of twenty per cent., there can be no doubt that it will be to your advantage to trade with me—to *pay cash*,—to do *without* that expensive luxury, a *monthly grocery bill*.
