

Innovation
that excites

2014
cube[®]

WELCOME TO THE 2014 NISSAN cube[®] DIGITAL BROCHURE

Full of images, feature stories, and all the specification and trim level information you need to help select your cube.[®]

[Click here](#) to sign up for news and updates on the 2014 Nissan cube.[®]

WOULDN'T IT BE COOL IF_
YOUR BEST THINKING
HAPPENED INSIDE THE BOX?

In cube®, a way to get there becomes a way to be: open-minded and in the moment, with easy-going practicality. Curvy replaces straight, and asymmetry changes your outlook. Of course, cube® serves up sensible with its one-of-a-kind spirit. There's plenty of loungey room inside a car that doesn't take up much space. Creature comforts and high technology are on board too, and it's all surprisingly easy on the wallet.

Nissan cube® SL shown in Sapphire Black.

YOUR RELATIONSHIP TO THE ROAD IS SHAPING UP NICELY.

It's time to see things in a different light. Where artful inspiration and useful design meld together. Where surprises lay around every corner, like a unique look inspired by man's best friend – wearing sunglasses no less. Woof!

Nissan cube® SL shown in Brilliant Silver with optional equipment.

MAKE SOME WAVES.

Ripples on the headliner, over the audio speakers – even at the bottom of the cup holders. It's an unusual interior with inviting curves. So take a look around, there's lots of artful inspiration to be found.

LINGER LONGER.

This is a zone where loitering is encouraged. Grab four friends and go. Or stay. Wrapped in funky fabric, every seat features sofa-like comfort, inviting everyone to hang out. The rear seats slide, recline, and are raised up slightly higher like in a theater, giving passengers back there a better view.* Not to mention a better connection with those up front. With cube,[®] it's easy to stay in touch with your entire social network.

Nissan cube[®] SL shown in Gray Cloth with optional equipment.

*Passengers should not ride in the reclined position while the vehicle is in motion.

**THE FEELING OF BEING
TOTALLY WELL-ROUNDED.**

You might think that a car named cube® is nothing but angles. But inside, you'll find a surprise. A dash that's all about curves and contours. Oval-shaped vents turned sideways and positioned for optimal air circulation. An available circular Automatic Temperature Control (ATC) interface catches the eye and is easy to use. See? Art can be handy.

MIX IT UP. MAKE IT YOURS.

Personalize cube® with tons of Genuine Nissan Accessories,¹ from a shag rug on the dash to colorful interior accent lighting. Change things up all you want – outcomes are nearly limitless.

Shag Dash Topper. Add disco to your dash. Because shag never goes out of style.

Front Door Bungees. A bundle of eight elastic bands, two in each color, can be mixed or matched to jazz up the door panels.

Interior Accent Lighting.

Add splashes of light to the footwells and cup holders. LEDs cycle through 20 colors, or adjust with a knob.

¹Every Genuine Nissan Accessory is custom-fit, custom-designed and durability-tested. Each one is backed by Nissan's 3-year/36,000-mile (whichever occurs first) limited warranty and can be financed when installed by dealer at time of purchase. See your Nissan dealer for more information on cube® accessories, or log on to parts.NissanUSA.com

One of the many Genuine Nissan Accessories available for cube,[®] a rear cargo organizer levels the playing field, offering a flat surface flush with the folded rear seatbacks and two storage bins, including one that's lockable.^{1,2}

The available accessory utility pouch hangs from one of the ripple hooks and stashes your sunglasses, iPod[®] – whatever you can't live without – close at hand.

Strap up your stuff. The available accessory front door bungees create clever spots to hold and display small things that would otherwise float around the cabin.

HOLD IT RIGHT THERE.

cube[®] is loaded with inspiration. It's loaded with personalization. Now it's time to load it up with everything else. The unique back door is hinged at the side like a fridge, making it easy to handle in any situation. In a tight spot? Grabbing a small item? Open it just a little. Got all the room in the world? Swing it wide. With a firm hold on versatility, cube[®] makes life that much easier.

58.1^{2,3} CU. FT.

The ultimate in convenience, 60/40 split fold-down rear seatbacks open up over 58 cubic feet of practicality.

¹Every Genuine Nissan Accessory is custom-fit, custom-designed and durability-tested. Each one is backed by Nissan's 3-year/36,000-mile (whichever occurs first) limited warranty and can be financed when installed by dealer at time of purchase. ²Cargo and load capacity limited by weight and distribution. Always secure all cargo. ³Cargo volume with rear seats folded down. [®]iPod is a registered trademark of Apple, Inc. All rights reserved. iPod[®] not included.

TECHNOCUBICALLY ADVANCED.

cube® has the stuff you won't want to live without. Like a smarter way to get inside, hands-free calling, an awesome stereo, even gauges that bring the cosmos to you. Everything revolves around you now.

iPod® Display^{4,5}

cube's available 5" touch-screen display opens up a whole new world of features. Chart your course on the available Nissan Navigation System, with real-time traffic advisories via NavTraffic® keeping you on the move.^{1,2} See your incoming Bluetooth® calls.³ And with the available USB port, connect your iPod® or USB flash drive and scroll your playlists.^{4,5} You can even get a better look at what's right behind you, thanks to the available RearView Monitor.⁶ One screen. So many possibilities.

3-D Perspective Mapping¹

Points of Interest^{1,2}

Real-time NavTraffic^{2,2}

Incoming Phone Calls³

RearView Monitor⁶

Moon and Earth, together forever. The multicolor gauges light up in gray for the tachometer and blue for the speedometer. A bit of celestial inspiration that's both unique and great for visibility.

The available Nissan Intelligent Key® makes traditional locks and keys practically obsolete. By signaling cube® that you're nearby, doors unlock right from the door handle and the engine starts with just the press of a button on the dash. All while the key camps out in your pocket or purse.

cube's available premium audio system features six upgraded speakers, including two tweeters, plus a Rockford Fosgate® subwoofer and amplifier. MP3/WMA CD playback and available SiriusXM® Satellite Radio² serve up hours of uninterrupted music. Or choose an AM/FM/CD audio system. Either way, you can always hook up your MP3 player to the auxiliary audio input jack,⁴ or use the standard Interface System for iPod.⁵

¹Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ²Required SiriusXM® Satellite Radio, NavTraffic® and NavWeather® subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic® available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2013 Sirius XM Radio Inc. Sirius®, XM® and all related marks and logos are trademarks of Sirius XM Radio Inc. ³Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. ⁴Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. ⁵Always give your full attention to driving. Avoid operating your iPod® in such a way that you can be distracted during vehicle operation. See dealer for details. iPod® is a registered trademark of Apple, Inc. All rights reserved. iPod® not included. ⁶Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up.

NISSAN PUREDRIVE™

INNOVATION THAT GIVES YOU MORE CAR,
MORE FUN AND MORE EFFICIENCY.

27/31

MPG/CITY MPG/HWY¹

Wouldn't it be cool if you didn't need a cramped car, a tiny engine or a hybrid powertrain to save fuel? With cube,[®] you get excellent fuel economy in a roomy, comfortable car that's lots of fun to drive. You can thank the advanced 1.8-liter 4-cylinder engine and an available, virtually gearless Xtronic CVT[®] transmission that maximizes efficiency and performance. The PUREDRIVE™ badge also means that cube[®] meets or exceeds the industry-average US Federal CAFE standards for model-year 2016.² And best of all, cube[®] is just one of a family of PUREDRIVE™ vehicles, reflecting Nissan's commitment to developing more environmentally friendly transportation for all of us.

PURE DRIVE

Click the button to see a short video on cube's CVT system.
Or go to bit.ly/NissanCVT

SEE AND BE SEEN.

Talk about minimal effort, maximum ease. With a huge window that wraps around the right rear corner, cube® gives the driver excellent visibility by design. It's agile too, with a super-snug turning radius that makes tight maneuvers a cinch. Then an available RearView Monitor helps you see objects directly behind you.¹ Fun to drive, easy to love – that's cube.®

NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

Wouldn't it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield® technologies are a comprehensive approach to safety that guide the engineering and development of every vehicle we make. By keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident, the Nissan Safety Shield® technologies are our way of looking out for you and yours.

MONITOR

Smart technologies help monitor conditions. Like a rearview camera that helps you see something behind you, or a system that helps ensure you're travelling on properly inflated tires.

Tire Pressure Monitoring System¹ Lets you know when a tire is low.

Available RearView Monitor²

Available Automatic On/off Headlights

RESPOND

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control helps you maintain your steered path.³

Traction Control System helps reduce wheelspin in low-traction situations.

Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.

Electronic Brake force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

PROTECT

When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and air bag systems help protect passengers.

6 STANDARD AIR BAGS⁴

Nissan Advanced Air Bag System with dual-stage supplemental front air bags with seat-belt and occupant-classification sensors⁴

Front seat-mounted side-impact supplemental air bags⁴

Roof-mounted curtain side-impact supplemental air bags⁴

LATCH System (Lower Anchors and Tethers for Children)

snug#kids. Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at NissanUSA.com/SnugKids.

Click the button to see a short video on how Snug Kids® helps you find the right CRS for your Nissan. Or go to bit.ly/NissanSnugKids

¹Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. ²Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ³VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ⁴Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. Inflated air bags shown for illustration purposes only, actual coverage area may differ. Air bags deflate after deployment.

GENUINE NISSAN ACCESSORIES.

Every Genuine Nissan Accessory is: custom-fit, custom-designed and durability-tested; backed by Nissan's 3-year/36,000-mile (whichever occurs first) limited warranty; and can be financed when installed by dealer at time of purchase.¹

A. Aerodynamic Kit

It's a bird, it's a plane, it's cube®!

B. Splash Guards

Like galoshes for your cube® – but much more stylish.

C. Interior Accent Lighting

Bring some disco to your drive.

D. Nissan Graphics

Make a visual statement.

E. Fog Lights

See and be seen.

F. Illuminated Kick Plates

Fewer scuffs and a grand entry every time.

G. All-season Floor Mats

A little dirt won't hurt.

H. 16" Silver Alloy Wheels

Round out your style.

Additional Accessories:

- LED Daytime Running Lights
- Custom Grille
- Chrome Front Fascia Accent
- Chrome Door Handle Accents
- Hood Molding Accent
- Rear Roof Spoiler
- Side-window Deflectors
- Cargo Organizer
- Carpeted Cargo Mat
- Cargo Area Protector
- Rear Cargo Cover
- And More

¹Covered by Nissan's Limited Warranty on Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 3-year/36,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details. ²Caspian Sea color not available at time of printing. Cargo and load capacity limited by weight and distribution. Always secure all cargo.

FUNKY, FUN OR FRESH. FINISH IT WITH FLAIR.

BUYING/OWNING

Nissan Motor Acceptance Corporation. Whether you're buying or leasing, you'll find attractive rates and flexible terms to make your purchase more accessible.

College Grad Program. Ask about our special new vehicle pricing available to individuals up to two years after graduation.

Active and Reserve US Military Program. Ask about our fixed discount on new vehicle pricing available to those serving our country.

New Vehicle Limited Warranties. Protection for your new Nissan includes 3-year/36,000-mile (whichever occurs first) basic coverage and 5-year/60,000-mile (whichever occurs first) powertrain coverage. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Security+Plus® For additional peace of mind, a variety of extended service plans lets you tailor the coverage to your driving habits.

Maintenance+Plus® This extended plan ensures your Nissan will receive up to 17 different services and over 33 different inspection items at each visit, using the most up-to-date diagnostic equipment available.

Genuine Nissan Parts. When it comes time for service, any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. And they're the only parts to carry Nissan's factory-backed limited warranty.

Nissan Mobility Assist. This program offers reimbursements toward the purchase and installation of certain mobility assistance products for program-eligible Nissans. Go to NissanUSA.com/mobility for more info.

Nissan's environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF.® Improving fuel efficiency through our PUREDRIVE™ measures. And reducing the environmental impact of manufacturing, as seen at our new, energy-efficient, low-emissions paint plant in Tennessee. For more information, log on to NissanUSA.com/green

At NissanUSA.com, you'll find virtual product demonstrations, a way to "build your own Nissan," a dealer locator, and more information about key Nissan support services. Or if you'd prefer, call **1-800-NISSAN-3** for answers to specific questions about cube® or any other Nissan vehicle. The Nissan names, logos, product names, feature names, and slogans are trademarks owned by or licensed to Nissan Motor Co. Ltd. and/or its North American subsidiaries. **Always wear your seat belt, and please don't drink and drive.** ©2013 Nissan North America, Inc.
