

NV[®] CARGO
2021

See NV® Cargo in action here:

Go for the big jobs. The 2021 NV® Cargo High Roof and NV® Cargo Standard Roof ensure you'll have two great ways to handle them. These are the kinds of vehicles you need to do business today: smart, tough, and more comfortable with available advanced and convenient technology. Try one or both of them - we think you'll find they're the perfect tool to get more work done.

CARGO CAPACITY⁴

Two ways to get the job done

Regardless of which model you choose, the standard roof with 234 cu. ft. of cargo capacity or the high roof with a massive 323 cu. ft. of cargo capacity, you'll get more than enough capability to complete the job. And with extra-wide opening rear doors, loading and unloading that cargo couldn't be easier.⁴

Your mobile office

When the driver's seat needs to turn into an office chair, NV Cargo has you covered. With a flexible class-exclusive available multitasking center console, fold-down passenger seat, and plenty of power options, productivity never has to slow down.^{4,5}

The world at your fingertips

When the job changes, so does NV[®] Cargo. The flat loading floor can handle even the most cumbersome types of cargo. And with 54 inches between wheel wells, it has plenty of room for seriously wide items. There's interior space for practically every project.⁴

Hardworking technology

Never miss a beat with the available Navigation Package. Featuring NissanConnect[®] with Navigation and Nissan Mobile Partner, you've got a suite of high-tech features ready to give your business a boost. You'll also have standard features like Hands-free Text Messaging Assistant, and a convenient RearView Monitor.^{7,8,9,10}

OVER **800000**
MILES AND 7,000 QUALITY
AND DURABILITY TESTS

When it comes to making the toughest business vans you can buy, we go the extra distance for you, and it's no Sunday drive. We simulate years of corrosion, soaking a vehicle with salt, baking it, then pounding it around a test track. We wreak havoc with suspension and body components by driving through potholes, dips, and over 4 x 4 beams. Special chambers crank up the heat to 140° and humidity to 95% to break down seals and age interiors. Do we really need to go to such extremes? Yes, because every day, you depend on your Nissan Commercial Van to do your job. And that's the motivation for us to do ours.

HEAT CHAMBER

It's a Nissan Commercial Dealer that specializes in selling and servicing the entire NV® lineup. Only Business Certified Dealers offer exclusive commercial incentive packages while providing dedicated Commercial Vehicles Account Managers and Priority Service. We offer complimentary upfit packages as part of our exclusive commercial incentive program. We also offer Commercial Lending Programs and much more.^{3,4}

America's Best Commercial Van Warranty
5 YEARS/100,000 MILES
