

The Independent
Bus and Coach Operators
of
OXFORDSHIRE

June 1977

Compiled by Matthew Bullock

Front Cover: The AEC Reliance has found favour with Heyfordian, Upper Heyford, in recent years. Seven Plaxton Supreme-bodied examples arrived in 1977 including XWL 804R, one of a pair of 44-seaters featuring toilet facilities and air conditioning.

Above: Tanner & Alpress of Sibford Gower have bought a number of Bedford VAL six-wheelers recently, including five Duple Viceroy-bodied examples from National Travel South West. One of them, PEL 995G, new to Shamrock & Rambler, is seen in Banbury on stage duties operating the 1300 departure to Sibford Gower.

Abingdon & Caldicott Service Station Limited

Abingdon & Caldicott Service Station, Drayton Road, Abingdon

Established: June 1973

The unusual green and red livery of Spiers, Henley-on-Thames, is carried by WUD 995M, the last vehicle bought new back in 1973, a Duple Dominant-bodied AEC Reliance.

The Bedford VAL is a popular type with Oxfordshire fleets. UTJ 88D is a recent recruit for the Abingdon Coaches fleet and carries Duple Vega Major coachwork.
