## FAMILY

There's a reason why Australians are known for their swimming prowess. This island continent is home to many beautiful beaches, including its most famous—Bondi Beach. From surfing competitions to kite flying and more, there's always something for everyone. Alternatively, there's the Great Barrier Reef, a natural wonder teeming with 400 types of picturesque corals, nothing beats basking in the gleaming sun and clear turquoise water of a world heritage site.

## EAT

The food in Australia is as exciting as their scenery and culture. At Melbourne, you can relish in the culinary art of Jamie Oliver's Fifteen—trumped as one of Australia's best fine dining restaurants. Wine is no exception here either. Famed for its winery, come take a tour at the Hunter Valley, where good food is accompanied by the scent of famous wines—a relaxing experience

that will make goodbyes your greatest reluctance.

## ENTERTAINMENT / LEISURE

At Mokai Gravity Canyon in New Zealand, this is where adrenaline meets high-speed panorama. The highest bungee jumping action in the country, nothing is more exhilarating than leaping off from a 262-foot bridge. For a more subdued activity, Sydney, Australia, has top-notch shopping venues and premier dining experiences. Its iconic Opera House resides in one of the world's most beautiful harbors and offers world-class cultural performances.

## RELAX

New Zealand is quickly becoming a top golf destination. Cape Kidnappers on the North Island has been ranked among the top 50 best golf courses in the world. At Kauri Cliffs, also located in the North, 15 holes offer views of the Pacific Ocean, with six holes played alongside dramatic cliffs that overlook the crashing waves of the sea.

## EXPLORE

Uluru, also known as Ayers Rock, sits right in the middle of Australia, with the nearest city being Alice Springs. The "island mountain" is the second largest monolith in the world, although the indigenous community asks visitors to respect the spiritual significance of the monument and not to climb it. The Great Barrier Reef covers 216,000 square miles and is visible from space. A UNESCO World Heritage Site, the reef is home to myriad fish, sea mammals and plant life.

# China, South Korea & Taiwan

## FAMILY

China has transpired to become the revolution that has shaped the present. Experience dramatic views of the Taipei 101—a mega structure and torch of Taiwan’s economy—built to inspire even the unimpressed. Its capacious boulevards and commodious allowance yearns landscape admiration. Aside urban wonderments, you can explore eco-themed events like Firefly viewing and cultural folk plays in Korea—a sprawling mix of nature and cityscapes that makes for a compelling family visit.

## EAT

Let the iconic dish of traditional Peking Duck satisfy your hunger pangs. A wood-fired delicacy typically with salt and sugar dipping, this absurdly crispy indulgence is one of China’s most stunning delights. You can find almost the same cuisines everywhere in China and Taiwan. Restaurants filled with sizable menus give food lovers the option to indulge—

contemporary or traditional, translucent potato noodles or succulent bullfrog leg in spicy broth, the savory pleasures of China somehow fall right into place.

## ENTERTAINMENT / LEISURE

There is a Love River in Kaohsiung, Taiwan, that takes couples on long strolls through love parks, night markets and open-air cafes. There is also romance to be found with the Love Boat drifting you across a 12 km waterbed that extends to a backdrop of scenic cities and bridges. Better still, cultural events like the lantern festival simply make a romantic night feel younger.

## RELAX

Jeju Island—unofficially known as the “Hawaii of Korea”, is the largest and one of Asia’s most pristine natural reserves. Its ecological nature houses some 4,000 species of floras and faunas. Catching the dawn over the calm ocean, you will realize that it’s the tallest mountain you’re treading on; a dormant volcano that stands at a

towering 1,950 m above sea level—your next nature experience will have trouble beating this.

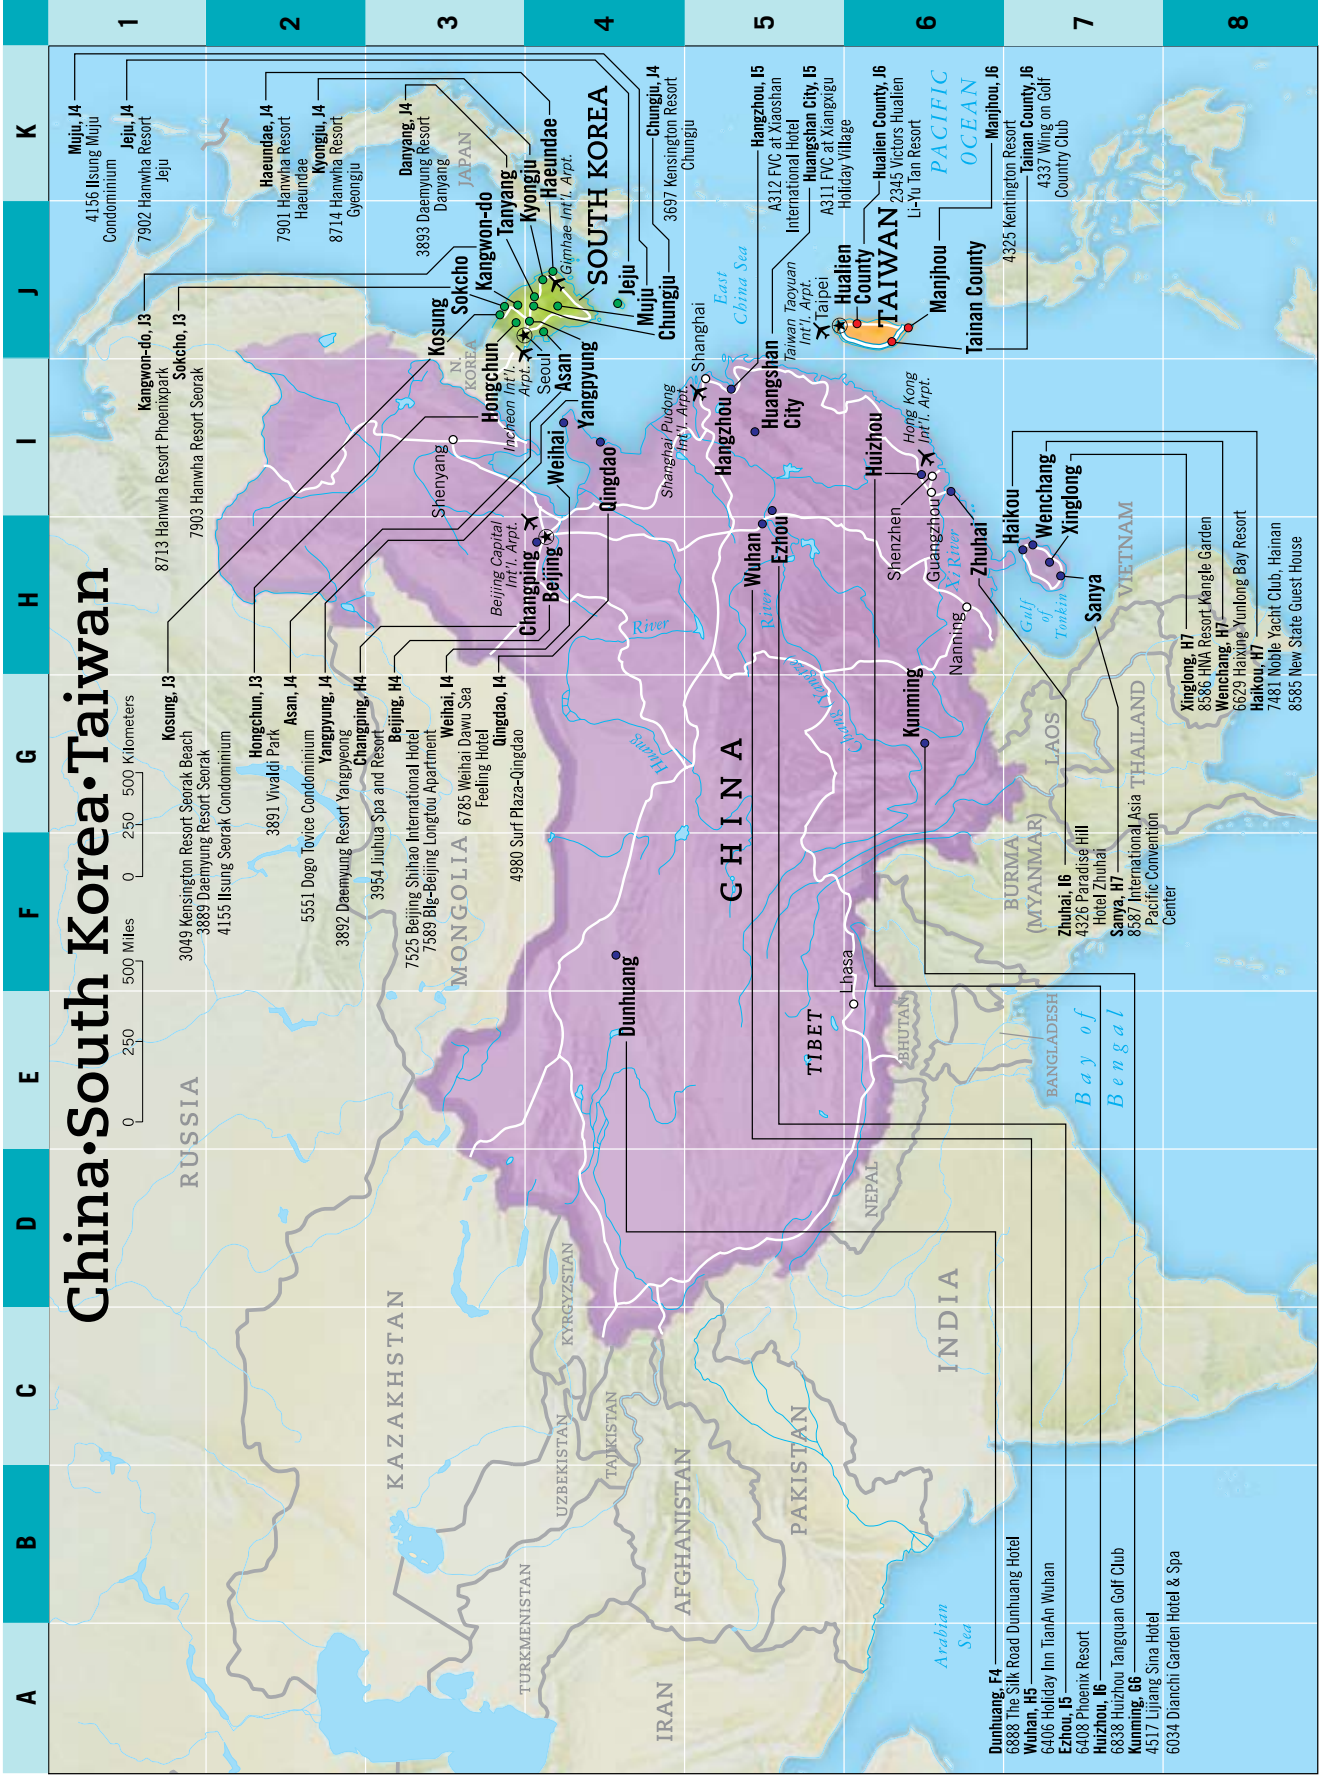

## EXPLORE

Escape to the never-ending beauty of China. Conceivably one of the greatest 7 wonders ever to be built, the Great Wall of China till today, sees no architecture that can outstretch its majestic grandeur. Constructed, refurbished and polished in the span of approximately 11 centuries, this fortress of beauty extends to a reach of 8,851.8 km—what did you say your quest was again?

## FAMILY

Begin your quest at one of the Seven Wonders of the World—the Taj Mahal—where ambience transcends into inspiration. A visit to the ruins of St Augustine Church in Goa, or sparkling lakes and scenic snow-capped mountains in Srinagar, India is a learning adventure that shares a fascinating affinity with the distant Himalayas. Come venture on the sacred grounds of India and experience the philosophy of life and pleasure.

## EAT

At Mumbai, you can dwell in the exotic smorgasbord of lush curries—such as Kerala cooked specialties, spices and vegetables are usually the exclusive delights. Eateries with chicken rolls, mutton cutlets and lamb with lentil dipping are a must try. Across the plains of Goa to the capital at New Delhi, you will find abundance in culture as much as the proportion of your dishes.

## ENTERTAINMENT / LEISURE

At Kolhapur, the personification of strength, endurance and willpower is traditional Indian wrestling. Within the arena, red clay dust mixed with other curative ingredients like yogurt, lemon juice, peanut oil and milk, this battleground adores young wrestlers whose footsteps follow in succession to their father's. Overlooking the lingering smell of oil and sweat, their remarkable mettle takes centre-stage—exemplifying a demi-god like appearance.

## RELAX

In Sri Lanka, you can take a peak at nature's wildlife in a hot air balloon! This compelling yet relaxing fun activity offers you the panoramic ride of a lifetime. Floating from above, you can experience the liveliness of its animal kingdom without perturbing its sanctuary. The breathtaking scenery of unruffled lakes, forests and

immense historical ruins in aerial view is definitely worth exploring.

## EXPLORE

Standing tall at a height that exceeds 7,200 meters, the Himalayan system encompasses the pristine beauty of glaciers and fresh sparkling water—feeding some of the most important rivers of South Asia. With over hundreds of mountains capped in glistening snow, these lofty Alps stretch across six countries—retaining its original landscape so pure and unaltered since the time of Genghis Khan's revolution.

## FAMILY

There are treasures to be found in the land of Bali—trinkets for the well-trodden and peace for those who seek to relax. Surrounded by beachfront luxuries lying above unspoiled foundations, a trip to Bali means ecotourism, relaxation, and merriment. If you're looking for buzz amidst the mecca, a rich spread of beaches, clubs and shopping malls await you in Kuta. You'll find good snorkeling spots and even better waves for surf junkies. In Bali, time just never seems to be enough.

## EAT

Food has always been the greatest joy in traveling. And just by being here, Bali appeases the taste bud of an avid traveler. Coupled with a variety of ethnic backgrounds, food here gives everyone the liberating taste of assorted delicacies. Western cuisines to the oriental are amongst its original delights such as the Babi Guling and Sate Lilit. A sea of choices, an ocean

of delights, Bali's savories also exhibit value for every traveler's needs.

## ENTERTAINMENT / LEISURE

Bali presents to you the ancient art of Wayang Kulit—shadow play, ritual exhibitions and entertaining lacelike shadows backed by oil lamps to project traditional folklores on a canvas of household linen. Other mesmerizing performances such as traditional dances and temple festivals make for an enlightening mood. Appealingly casual and laidback, soak up the touristy escapades of Bali!

## RELAX

Yet again, Bali is crowned 2009 Best Spa Tourism Destination in the world by Berlin-based fitness magazine, Senses. Welcome to the gateways of spa paradise—depending on how well you'd want to treat yourself. For those who wish to escape the city fever of Bali will consider that time well spent. Come indulge in

the wellness of traditional therapy and thematic music that will soothe you to a sensuous, refreshing start.

## EXPLORE

6 centuries ago, a priest stumbled upon a little rock-island along the south coast of Denpasar. That was when this magnificent shrine was built. Tanah Lot—interpreted as the "land in the middle of the sea" frames beautifully across a tangerine halcyon sky; see the tides arise when the rock formation takes shape of a large boat at ahoy. This dramatic ocean-front identity invites you to an extraordinary world of culture.

## FAMILY

Japan has long kept a perfect balance of panache and cultural traditions. A place where almost every establishment is an avant-garde creation distinct only to itself, walking down the streets of Tokyo will simply fill your day with endless surprises. From noteworthy fashion sense to technological innovation, customs and traditions still maintain its rhythm. Like in Kyoto, city of 2000 temples, its gardens and shops nestle amidst contemporary buildings. A culture that hangs between the old and the new, it takes more than an amble to understand the inquisitive, yet subtle minds of the Japanese.

## EAT

Osaka has always been highly regarded in the gourmet industry of Japan. From homegrown to street stall savories, Osakans are as severely serious about food as they are in their culinary critique. When walking down the food chains here, you will notice locals lining up at a full-house restaurant even

when numerous seats are available next door. It is an enchanting affair for Osakans to pride themselves by their food as much as fine clothing and shoes for Tokyo citizens.

## FAMILY

Anticipate a world of frolic excitement! A range of fun-filled activities from abseiling, go-karting, paintballing and horse riding in Port Dickson to scenic beaches in Tioman, Pangkor and Langkawi, help set the mood for an ideal retreat. Come experience the culture and vision at the Islamic Arts Museum or the Petronas Towers—each on its own displaying architecture that features aspiration and traditional heritage.

## EAT

Countless eateries, hawkers, street stall delights and exquisite fine dining restaurants, Malaysia has an unbelievable range of food choice—colorful and sumptuous, with a tinge of spice that is truly tasty. In a country that encompasses a mixture of Malays, Indians, Chinese and Peranakan, most culinary styles have come to vary from traditional taste and flavor—and it is for this reason, a

multicultural environment, that delicious fusion savories are spawned.

## ENTERTAINMENT / LEISURE

The tallest twin buildings in the world—the Petronas Towers stands at a gallant 452 meters. Its grand architecture features the illustrious sky bridge and lift system that exude extraordinary heritage and artistic vision. Under the tower, its basement a 17 acre jogging/walking park with a light show fountain and shopping malls that complex trendy boutiques—an inspirational creation that possesses deep rooted tradition and ambition.

## RELAX

In the greeneries and ever clear beaches of Tioman, Langkawi and Pangkor, you can only attempt to do completely nothing. But temptations constantly surround you. The shimmering sun and cool beaches invite you to bask. With its sparkling seawater so luminously clear, coaxing you to surf. Colorfully shaped corals seduce you to

dive and explore. When you give up trying to do nothing at all, do let us know.

## EXPLORE

Leave an impression of blazing colors to your travel memory. At the east of Malaysia is Kota Kinabalu—a moment with nature is a walk with the clouds; a popular place where rock climbers drop their ropes and carabiners. And it's not hard to mount the summit either. All you need is your legs and the freshest of air to keep you brisking up and along the trail of pleasant looking clouds.

## FAMILY

Enjoy the breathtaking views of the mountainous and luscious shoreline attraction that is Philippines. With more than 7000 tropical islands, Philippines is the second largest archipelago in the world. A place of natural wonders and definitely the perfect destination to escape the hordes; from wreck diving adventures in Coron to enriching experiences with architectural amenities in Cebu or Manila, there is simply no turning back while embarking on the treasures of Philippines.

## EAT

In Asia, the art of eating has usually been regarded as 'exotically peculiar', or perhaps, just 'pleasurably serious'. In Palawan, Philippines is Kinabuchs, one of the most sought after restaurants that exemplifies exotic cuisines like the famous Tamllok—wood worm—its taste a tad exotic and a little swaggering in scent and appearance. Of course there are

your contemporary cuisines, regional delicacies and culinary legacies from the Spanish colonies that you can choose from. Though, there is always room for a special flavor.

## ENTERTAINMENT / LEISURE

Explore the open waters of the Sumilon Islands—a diving utopia that is fringed with at least 50 hectares of coral reefs. This is the haven for scuba diving. With water as clear as crystal, you actually see yourself enclosed in a variety of exquisite life forms such as sea turtles, manta rays, barracudas and whale sharks. An occasional attendance of the hammerhead shark may just make your diving day a memorable one.

## RELAX

A natural remnant of a volcanic rock on the bed of a scenic seascape, a mystical dreamscape that dominates the landmark of Boracay, and an iconic statue of The Virgin Mary stands overlooking the translucent

waters that ebb gracefully against the volcanic formation. Travel to the shores of peace itself and you'll pretty much have a clue of what paradise is about with Willy's Rock.

## EXPLORE

History has given much animation to the Manila cathedral since the last 400 years of frequent destruction and erection. The last restoration, which is the present edifice, was restituted in 1951. This refurbished Romanesque architecture has now stained glass and rosette windows garnered from the debris—almost depicting a symbol of strength and benevolence.

# *South Africa*

# Africa & the Middle East

## FAMILY

Discover the rare qualities that make travelling in South Africa worthy of your time. Stimulatingly rich in culture, its natural beauty and luxuriously glamorous lifestyle is enough to thrill and enthrall. You can indulge in the cosmopolitan cities of Johannesburg or witness world-class wildlife in real-time. From the waterfront of Cape Town to Zulu village, venue hopping is actually easier, and faster than you think.

## EAT

Food here ranges from the traditional to the contemporary. Whilst seeking for traditional South African food, one of the best would be that of biltong—strips of dried meat that comes in various styles and flavours. Known for its braais (barbeque), the Potjeko—a delight which is that of meat and vegetable stew cooked under slow, open fire. And if crocodile meat doesn't excite you, there is always the balance of Chinese, Indian and other contemporary cuisines for everyone.

## ENTERTAINMENT / LEISURE

Located in Mozambique lies Kruger National Park—the world's greatest animal kingdom. This globally acclaimed safari has aided in the procreation of birdlife, and other enormous animals like lions, leopards, elephants, buffalos and rhinos. And if you're lucky enough, in the midst of a guided wilderness trail, you may even chance upon endangered African wild dogs, leopard tortoise, buffalo weaver, ant lion, elephant shrew and rhinoceros beetle—imagine being one with the grandest of nature itself.

## RELAX

Welcome to Bela Bela! This relaxation spot is known to attract visitors from all over the country. Bask in the enchantments of hot springs that are known to possess remedial properties, wildlife attractions and game reserves including the Mabula, Kunkuru and Sondela reserves. This enchanting paradise covers some 100,000 hectares and is home to many alluring attractions. Located at the heart of Waterberg mountains, terrific

golf courses with main attraction, Nylsley Nature Reserve—Bela Bela is the perfect place to enjoy a perfect family vacation.

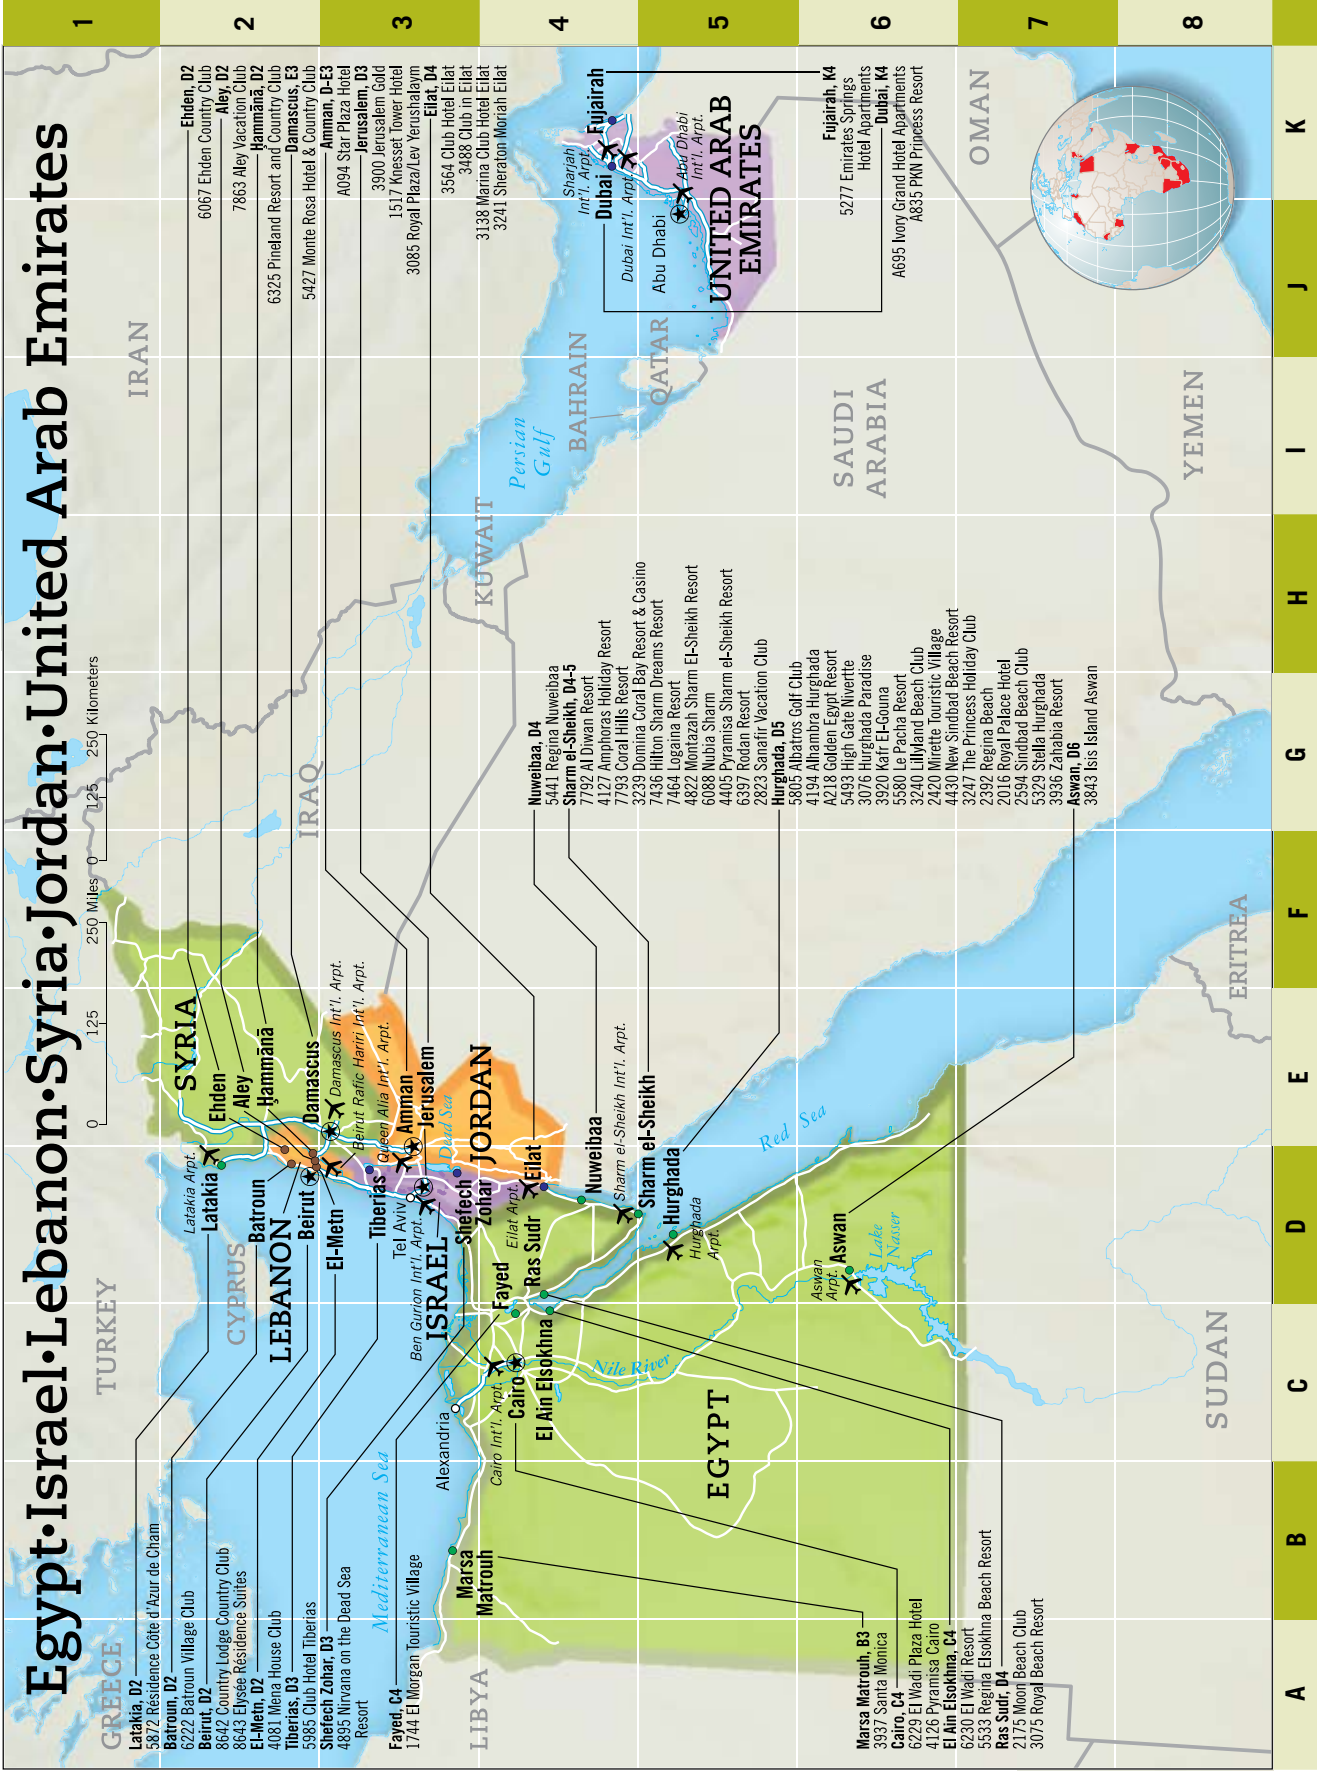

## EXPLORE

At the peak of Cederberg wilderness is nature's definition of a scenic sculpture. Its existence dating back to some 8000 years, this conservancy is the playground to climbers and mountain bikers. Under the endemic eyes of endangered cape foxes and other reserve inhabitants, come discover 160,000 hectares of pure unspoilt mountainous terrains gating the north of Pakhuis Pass to southern Grootrivier—the environment for enthusiasts seeking a complete adventure.

# North America

## FAMILY

A dynamical country that embodies a wide range of terrains, captivating melting-pot cultures, natural attractions and historical monuments, the United States of America can be considered as the heartland of the world. Come catch a glimpse of Manhattan's skyline; experience high-life in Hollywood or head north to the borders and enjoy the panorama that is Niagara Falls—whichever it is, in the land of opportunities, the vast attractions will leave you wanting for more.

## EAT

When it comes to hitting the pot, traditional dishes in America are mostly akin to its predecessors. Meatloaf, baked potato, corn, baked beans and apple pie can be considered as the traditional American dishes today. In New England, food style and flavour's a fusion from the original English settlers. Italian and Chinese cuisines are also popular across the entire country—so many flavours, so much to taste, there is plenty to eat, drink and be merry.

## ENTERTAINMENT / LEISURE

Hollywood is one of the many destinations you should not miss. Located in Los Angeles, go behind-the-scenes of Universal Studios and experience the art of film making, or simply head down to the renowned Walk of Fame in Hollywood Boulevard. Rumour even has it that the Farmers market is where Hollywood stars are likely to be spotted amidst an early day crowd. Red herring or not, most visitors are tempted to give it a shot.

## RELAX

Home to the original style of Jazz, New Orleans is a vibrant community with bars entailing no closing hours; music pulsating amidst casual conversations and jubilant parades and festivals roaming the city with fervency. On the streets, townhouses and cottages style the sidewalks and hordes of equal amount amble at nights as much as in the day. A musically and historically enriching destination, New Orleans has glee and a mix-feeling of

European vogue—relaxingly entertaining if you have enough soul for the evening.

## EXPLORE

Explore, expedite, experience—your discovery begins here at the Grand Canyon. Echoing across the northern realms of Arizona, its red rocks boast a geological history of over 2 billion years; taking shape, sculpted and carved by the Colorado River. It possesses all sorts of endemic life forms, ecosystems and three of North America's four desert types—the Grand Canyon has the mesmerising effect that exudes a breath-taking experience for anyone who inches a foot in.

# Latin America & Caribbean

## FAMILY

There's something for everyone in the Caribbean—including kids! At Breezes in Curaçao, a program called Camp Breezes takes care of the kids and gives parents a much-deserved break. The Dominican Republic has many all-inclusive resorts, from casual to upscale, offering activities from snorkeling to horseback riding to visits to waterfalls. The North Coast alone has quite a few cascading wonders, making the town of Cabarete a great home base for family adventures. In Puerto Plata, visit Ocean World Adventure Park, Marina and Casino, where you can interact with sea lions, sharks and stingrays!

## EAT

The food culture in Mexico pretty much follows their way of life. You may find familiar dishes in restaurants that differ from its traditional style. One way or the other, true food seekers will be rewarded with the authentic taste of Mexican cuisines—with

just the right amount of spice that leaves you wanting for more. Though, if you're asking for a challenge, Mexican spices do have the range to supplement your fiery cravings at a reasonable cost.

## ENTERTAINMENT / LEISURE

The island of Aruba has 11 casinos, including Crystal Casino, which is open 24 hours a day. Just be sure to get outside to enjoy the Palm and Eagle beaches. On Curaçao, there are 12 casinos, nine in the capital of Willemstad. The town's pastel-painted buildings are inspired by Dutch colonial architecture. There are three large casinos in the Bahamas, on Nassau and Freeport, that cater only to tourists.

## RELAX

Try a natural mineral-rich clay treatment at the Tony Hotel Spa Ixtapan in Ixtapan de la Sal, a small town at the foothills of the Sierra Madres. The Aroma Spa in Mazatlán offers inexpensive but heavenly massages. Many resorts have their own spas on site,

making it easy to go from room-to-relaxed in just minutes.

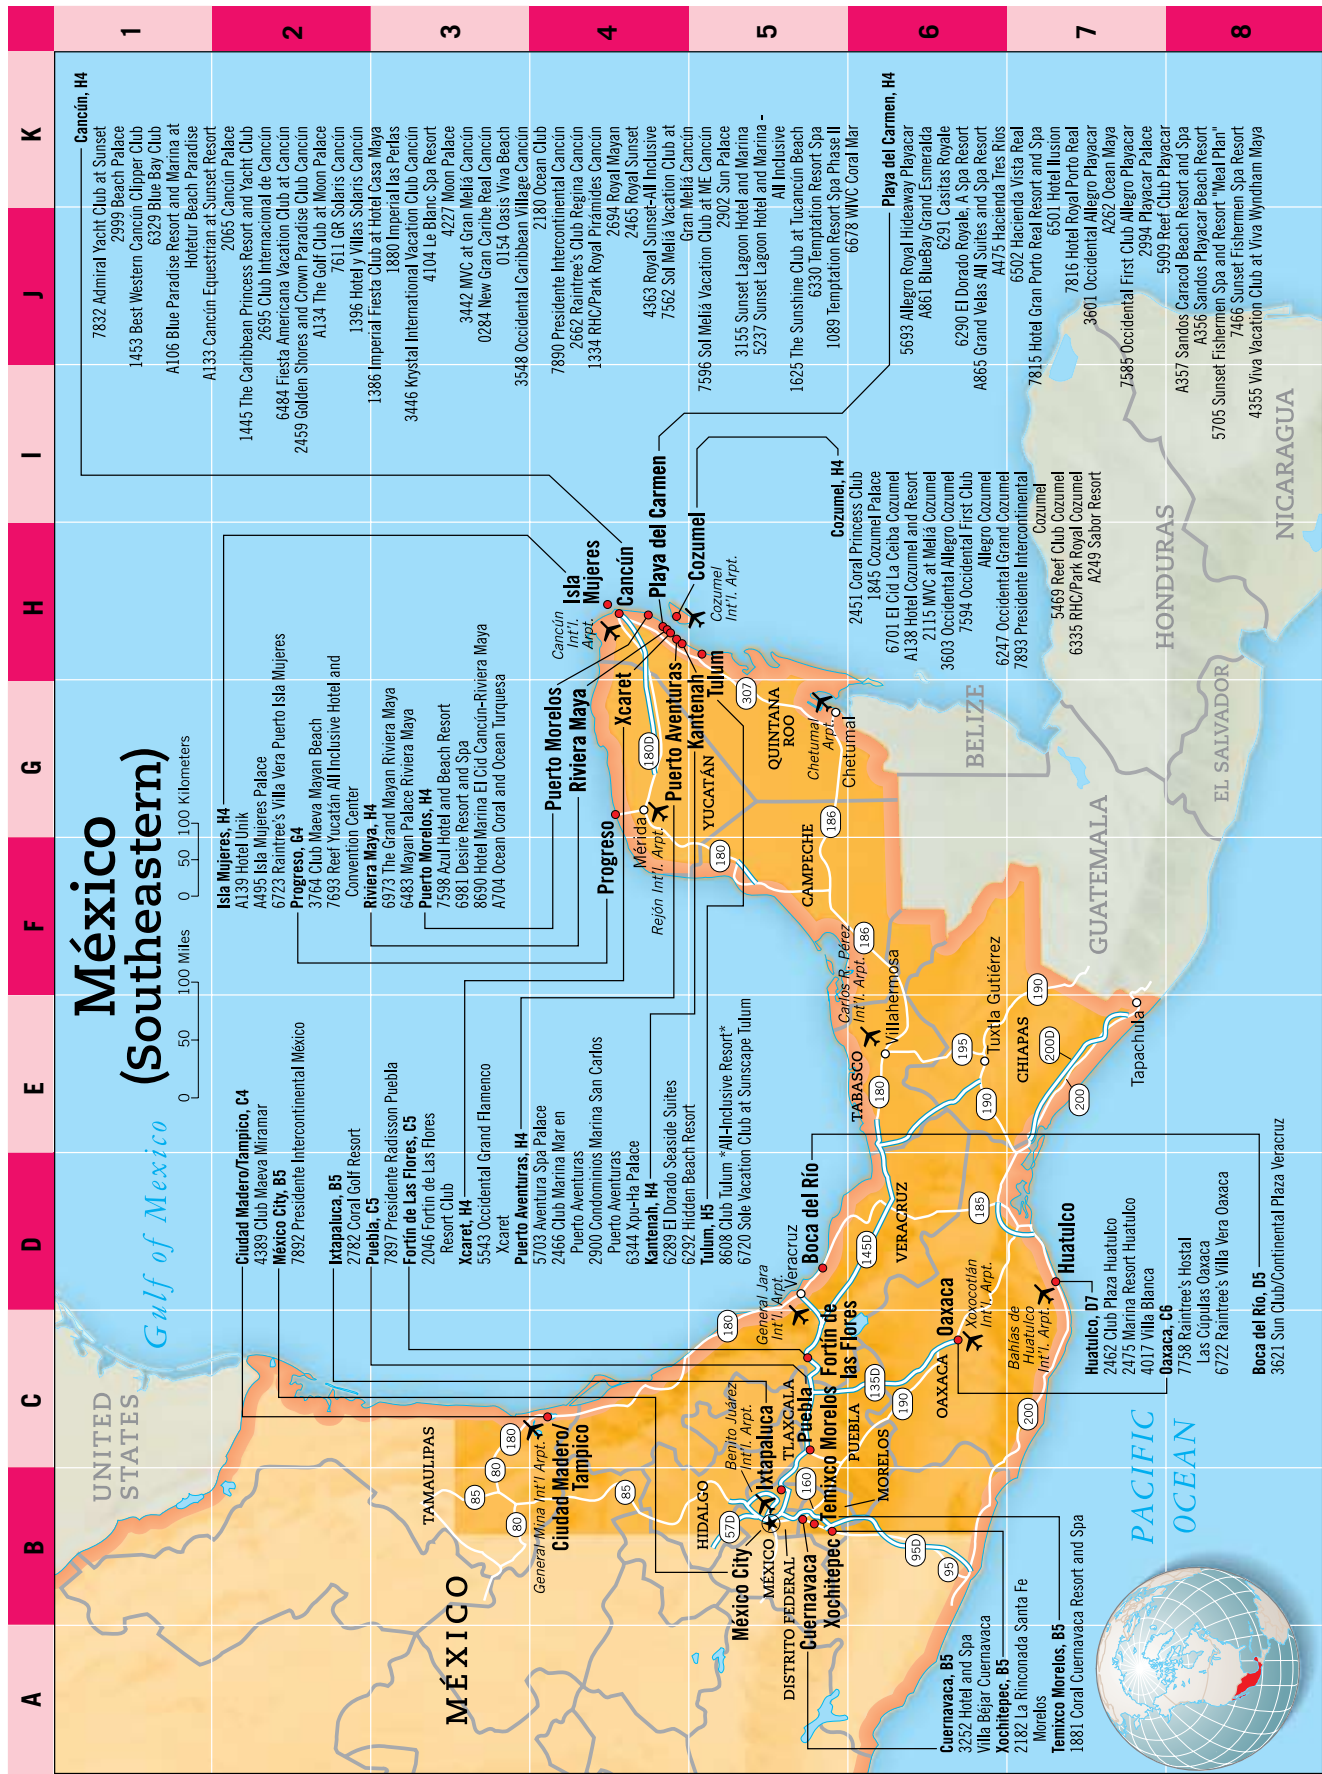

## EXPLORE

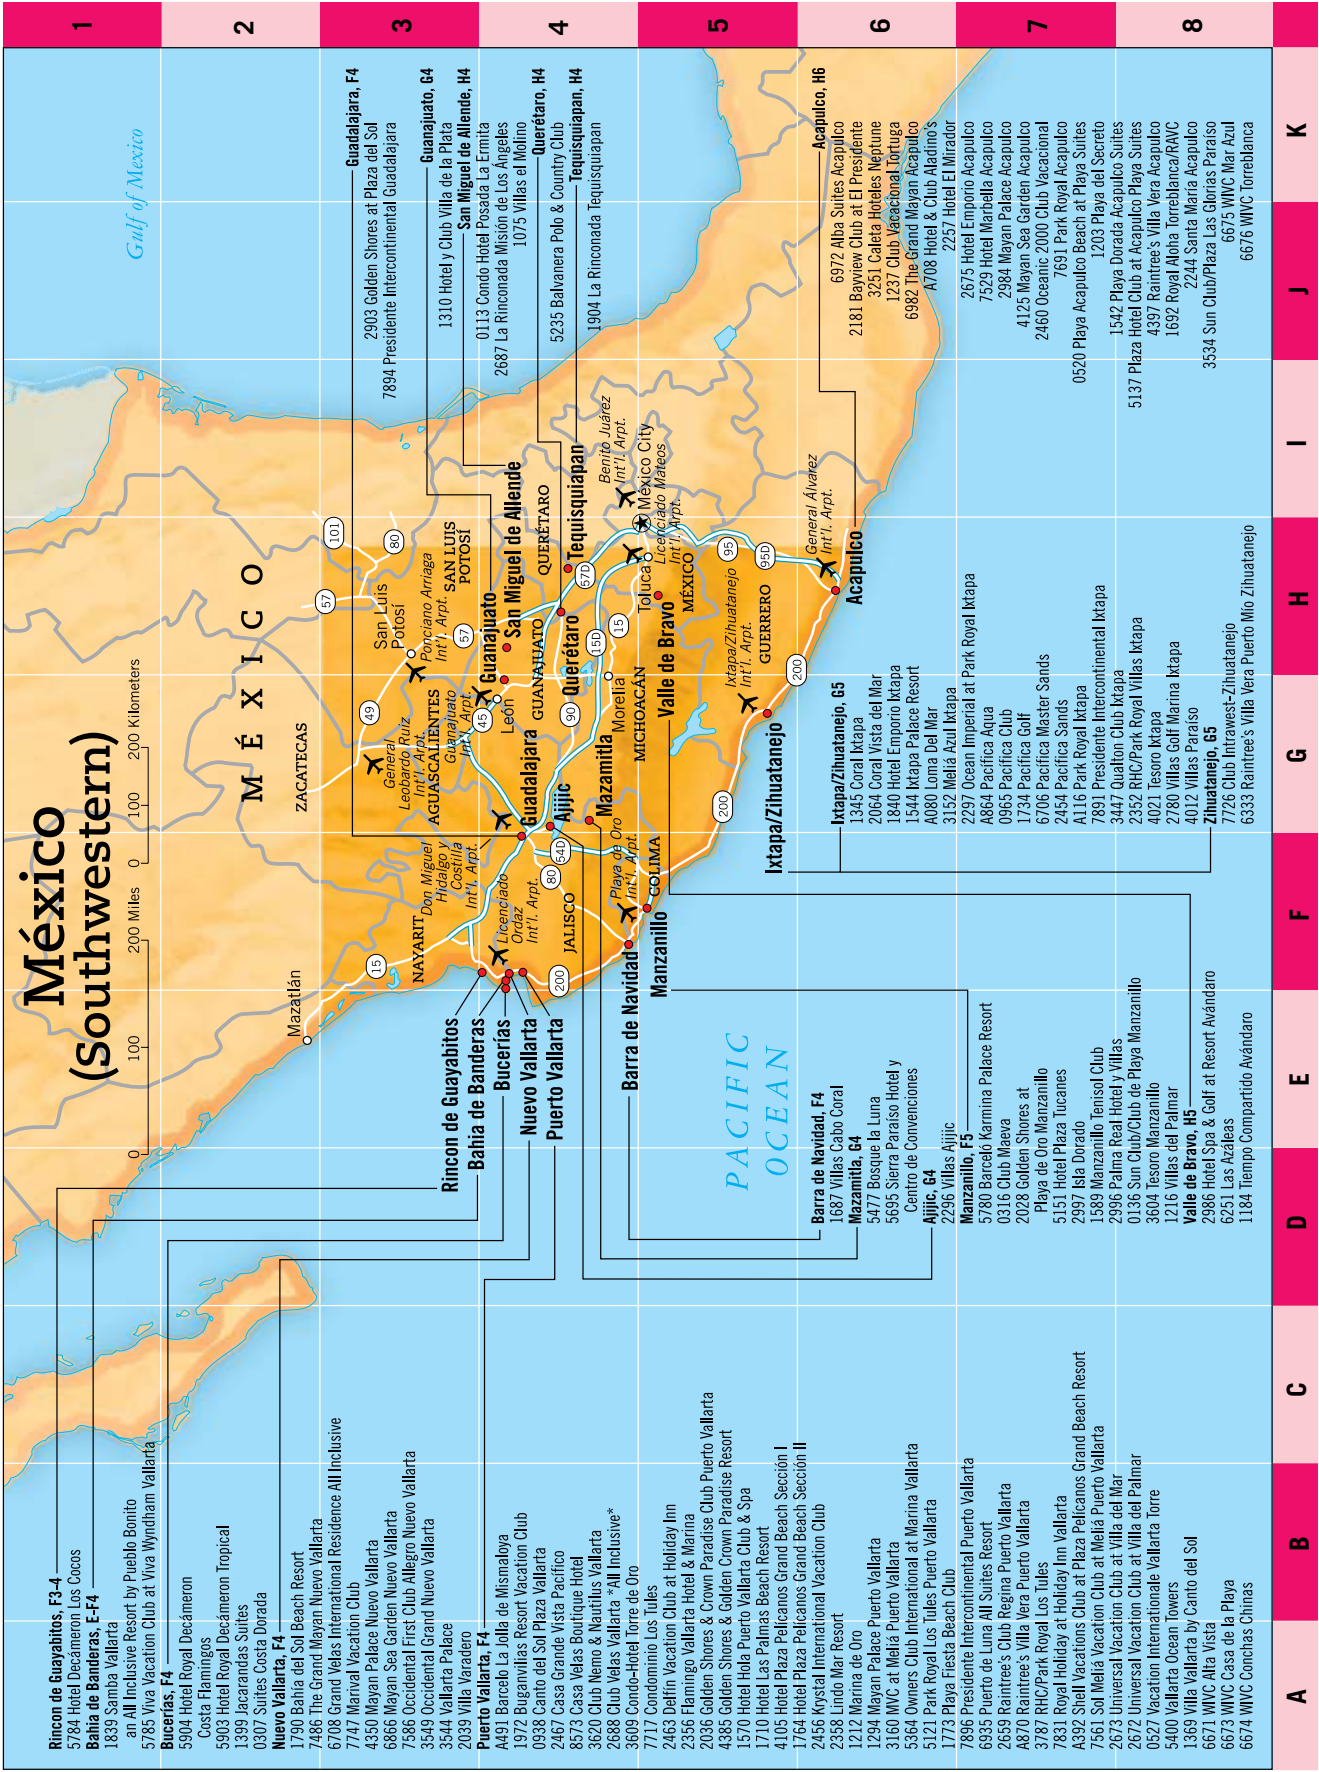

Founded by a Franciscan monk in 1542, San Miguel de Allende was an important part of the Silver Trail. Today it's a haven for artists and expats looking to live the simple vida. Chichen Itza, one of the world's most important archeological sites, is the crown jewel of the Mayan ruins. Located on the Yucatán Peninsula, the mysterious temples and pyramids of Chichen Itza shed light on this ancient civilization.

# RCI Cruise *Vacations*

As an RCI Weeks Subscribing Member, you have access to exciting cruises and two convenient ways to book your vacation.\*

### EXCHANGE YOUR WEEK TOWARD A CRUISE VACATION

You can exchange your qualified vacation week toward the purchase of a cruise vacation. By exchanging your qualified week toward a cruise vacation, you can save up to USD \$1,200 or more per cabin.

#### *Friends and family*

Extend your RCI member-only special rates to friends and family when you vacation together. With just one qualifying vacation week exchange and a single exchange fee, you can purchase up to three additional cabins for friends and family at the RCI member-only special rate—a total savings of up to USD \$4,800 based on a savings rate of up to USD \$1,200 per cabin.

### PURCHASE A CRUISE VACATION WITH CASH

You can purchase a cruise vacation at special RCI member-only special rates. With our Best Rate Guarantee, you can be sure you're getting the best price available for that cruise. Buying a cruise with cash does not require you to exchange a qualified vacation week.

#### Best Rate Guarantee\*

RCI offers Members a Best Rate Guarantee on cruise purchases. If you can find an identical cruise itinerary, ship, sailing date and cabin category for less within 24 hours of booking, we will match the lower price.

\*Best rate guarantee – agent price quoted cannot be part of a group and must be a readily available public rate.
