# Schemi Colori Auto 2021

**Schemi Colori Auto 2021** riporta la Gamma Colori delle autovetture prodotte nel 2021 maggiormente presenti sul mercato italiano.

Per rendere più rapida e semplice la ricerca del colore, all'interno dello **Schemi Colori Auto 2021** troverete le tinte auto separate per :

1. Costruttore
2. Modello
3. Effetto Colore ( Met-Mica-Pearl / Pastello )

Per avere immediatamente un riferimento visivo del colore, è stata aggiunta una colonna riportante il codice del cartellino **Colormaster** o dell' **Anteprima Cards**.

**N.B.** I codici dei cartellini sono da considerare come punto di riferimento, per la scelta della variante più idonea si consiglia di verificare nel Colorexplorer se vi siano altri cartoncini Colormaster disponibili.

**Schemi Colori Auto 2021**, evidenzia il “ Posizionamento Targhetta Colore “ che vi consente di identificare velocemente il codice colore sulla vettura.

Inoltre, per alcune case automobilistiche, vengono riportate informazioni aggiuntive riferite a :

1. **Codici Bicolore**
2. **Paraurti**
3. **Tetto**
4. **Griglie , mascherine e modanature varie.**

Vi ricordiamo che per altre informazioni potete consultare Color Information, CD-rom Color Explorer e Sito Internet [www.rmpaint.com](http://www.rmpaint.com)

**Schemi Colori Auto** viene pubblicato una volta all'anno; conservatelo con cura, vi creerete così un "**Archivio Storico**" di tutti i colori montati nel corso degli anni !

**N.B.** All'interno dello **Schemi Colori Auto 2021** potreste trovare alcune tinte nuove non ancora inserite nel sistema colorimetrico Colormaster. Trattandosi di colori appena immessi sul mercato, provvederemo ad aggiornarli immediatamente dopo aver ricevuto gli standard approvati dalla casa automobilistica .

**In caso di necessità potrete sempre ricorrere al nostro Servizio Assistenza "Pronto Colore" tel. 0362 512 870 e-mail: callcenterr-m@basf.com**
