KAROQ – GO YOUR OWN WAY

Introducing the KAROQ.

Ready to take whatever path lies ahead of you, the KAROQ is a stylish compact SUV with a big sense of adventure.

The surprisingly spacious interior offers ample room, whilst the latest connected features and inventive design touches keep everyone occupied.

BRING THE KAROQ TO LIFE

On-road or off-road, family adventure or private escape, watch how the KAROQ lets you forge your own path at: skoda.co.uk/karoq

BEAUTY IN STRENGTH

From every angle, the KAROQ's refined exterior styling leaves a powerful impression. Its sharply sculptured lines create a distinctive silhouette, complemented by ŠKODA's signature crystalline influences.

DYNAMIC FRONT DESIGN

The front view of the KAROQ is characterised by the sharply cut headlights and integrated fog lamps.

PANORAMIC SUNROOF

This electrically adjustable panoramic sunroof provides extra sunlight and fresh air at the simple touch of a button. Only available in combination with 4x4 engines.

LED REAR LIGHTS

Designed to be seen in every sense, the KAROQ's LED rear lights feature ŠKODA's distinctive C-shape crystalline style with their prominent and eye-catching finish.

HOME FROM HOME

From ambient lighting to heated seating, the KAROQ's premium interior features a host of intelligent elements that make you feel instantly at home.

VIRTUAL COCKPIT

10.25" digital display which replaces the traditional instrument dials and can be customised with 5 views (Classic, Basic, Extended, Modern and Sports).

INTERIOR LIGHT PACK

Selecting the KAROQ's LED ambient lighting is anything but a black and white decision. From the understated to the brilliantly bold, 10 colour options are available.

ELECTRIC SEAT

Upon entering the car the driver's electric seat with memory function recognises the vehicle key used and automatically adjusts to your preferred seating position.

CANTON SOUND SYSTEM

Premium German sound engineering, tailor-made to your KAROQ. The CANTON Sound System delivers powerful clarity from 10 speakers around the car.

CONNECTIVITY TO GO WHEREVER YOU GO

By enabling you to be fully online on the move, the KAROQ helps you stay connected wherever your adventure takes you. Thanks to its smart assistance systems, you'll also know the best places to park, shortcuts to take and routes to avoid.

SMARTLINK+

SmartLink+ enables you to connect your smartphone through the infotainment system with Apple CarPlay™ and Android Auto™ as standard across the range.

NAVIGATION SYSTEM

The Columbus satellite navigation with 9.2" touchscreen display and integrated Wi-Fi will get you from A to B, but why stop there? With its Bluetooth® and Wi-Fi capability, it offers more connectivity on-the-go.

EMERGENCY CALL

Activated by pressing a red button placed in the roof headlining, Emergency Call provides immediate contact with the emergency services. In the event of a crash, the call is made automatically to ensure you get the help you need.

STAY CONNECTED

The new ŠKODA Connect system turns the KAROQ into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates. The system also offers convenient gesture control to

make navigating menus and lists easier while on the move. With Proactive Services the car will contact your ŠKODA Retailer to arrange a service.

AHEAD OF THE PACK

The KAROQ continues the ŠKODA tradition of providing vast space and versatility. For those looking to pack even more into their adventure, simply take advantage of the VarioFlex seating system and remove the rear seats to create even more space.

HIGHLY ACCOMMODATING

Maximising space has always been ŠKODA's way. It's why the car's flexible rear seats can be configured to your precise journey requirements, while the cleverly designed storage compartments and adaptable boot space ensures everything you need is always close at hand.

JUMBO BOX

Featuring reversible cup holders, the Jumbo Box will also store your gadgets, house keys and cards.

UNIBAG

Designed for transporting skis or a snowboard, the Unibag fits perfectly in the rear of the KAROQ when the middle seat backrest is folded down. Best of all, two rear passengers can still relax in total comfort.

SPACIOUS STORAGE

Several spacious storage compartments have been included in the interior. Some are also air-conditioned, making it perfect for storing chilled refreshments.

FOLDABLE TABLES

Built into the backrests of both front seats, the foldable tables with drink holders can be used for more than just your refreshments.

ELECTRICALLY OPERATED BOOT

The boot can be opened and closed at will with a quick touch of a button on the remote control or in the driver's door. A button for closing the boot is also located on the boot door itself.

BIG IDEAS COME IN ALL SIZES

While the KAROQ's state-of-the-art features impress at every opportunity, it's often the simplest ideas you'll appreciate the most. Like being able to open the boot by just waving your foot, or finding a hidden ice scraper in the fuel filler cap ready for winter.

ELECTRICALLY FOLDING TOW BAR

Activated by a switch in the boot, the KAROQ's foldable tow bar ensures it is safely hidden when not required.

VIRTUAL PEDAL

On-hand when none of yours are free. Simply use a 'kick motion' underneath the luggage compartment to effortlessly open the boot.

REAR-VIEW CAMERA

Hidden under the boot handle, the rear-view camera makes light work of reverse parking, with an integrated washer to keep obstacles visible.

CHILD SAFETY LOCKS

With a quick push of a button, you'll enjoy the peace of mind that comes from knowing the youngest passengers onboard aren't going anywhere.

ALWAYS ON THE LOOKOUT

It's always helpful to have an extra set of eyes on the road. It's why you'll find a number of smart assistant systems, ready to protect you and your passengers from any unseen dangers.

LANE ASSIST

Helping you stay in the intended lane of travel, Lane Assist uses a camera to detect road markings, and supports steering if you veer too close to the edge.

REAR TRAFFIC ALERT

Included as part of the Blind Spot Detect system, this assistant helps you reverse safely from a parking space when visibility is restricted. It can also activate the brakes automatically if an imminent collision is detected.

ADAPTIVE CRUISE CONTROL

Using a radar on the front grille, this feature keeps you a safe distance from the vehicle in front and enables you to maintain a constant speed without using the pedals.

BLIND SPOT DETECT

An extra set of eyes on the road that monitors the blind spots allowing you to manoeuvre safely.

THE GREAT ESCAPE

Whether heading out on an urban adventure or embracing the extreme, the KAROQ delivers all the performance you need. Simply buckle up your seatbelt, select your driving mode and see where the unknown takes you.

DIRECT SHIFT GEARBOX (DSG)

The seven-speed DSG automatically adapts to your driving style, whilst taking road conditions into account. It reduces the strain on the engine and stress to the driver, by deciding when to change gear, leaving you free to concentrate on the journey.

FOUR-WHEEL DRIVE

The 4x4 system is designed to smoothly distribute the torque between front and rear axles automatically, to help you maintain control and stability.

DRIVE MODE SELECT*

Featuring Normal, Sport and Eco mode, plus Individual mode to truly meet all your needs. All-wheel drive versions also offer an additional Snow and Off-road mode, designed specifically for low-traction conditions.

* Not available in combination with 1.0 TSI 115 PS engines.
Models shown are not UK specification.
Some of the equipment shown is optional.

KAROQ SE

With comfort enhancing features, the KAROQ SE provides the perfect opportunity to escape the norm in total relaxation.

KAROQ SPORTLINE – SPORTY FROM ANY ANGLE

The KAROQ Sportline proves that you can look the part no matter when or where. With sharp, sleek details both outside and in, it makes its athletic intentions crystal clear. And being the ŠKODA that it is, plenty of clever solutions, generous space and modern connectivity features ensure that you can now indulge your thirst for adventure in total comfort.

BLACK STYLING

The striking black radiator grille, door mirrors and roof railings give the SportLine's dynamic silhouette an edgier and sportier look.

SPORTS STEERING WHEEL

The three-spoke supersport multifunction steering wheel in perforated leather with silver stitching puts everything you need at your fingertips.

ALLOY WHEELS

The 19" Vega anthracite alloy wheels further enhance the sportiness of the SportLine's exterior.

SPORTS SEATS WITH THERMOFLUX®

The sports seats with contrasting silver stitch and revolutionary three-ply air-permeable Thermoflux fabric let you know that you're sitting in something special.

YOUR KAROQ, YOUR WAY

Make all your adventures exciting with the latest tech, and your touring easier and practical with our extensive range of KAROQ accessories.

NEXTBASE 312GW DASH CAM AND GO PACK

Recording in full 1080p HD using a 6G glass lens to provide a wide 140 degree view and amazing image clarity. In-built with Wi-Fi to view your footage on your smartphone.

ROOF BOX AND ROOF BARS

By using the roof box in conjunction with our aluminium roof bars, you solve a common problem when transporting large, awkward objects such as skis, snowboards, pushchairs, golf bags that don't fit into the luggage compartment of a fully seated car. With its spacious 380 litres of volume, it can comfortably carry up to 120 kg in total stability.

BICYCLE CARRIER FOR A TOWBAR

This rack can carry 2 bicycles and is extremely sturdy, easy to fit and easy to use – you simply need to lift the bicycle up a little to secure it in place.

Images are for illustrative purposes only. Please ask your ŠKODA Retailer for further information. All the above accessories can only be added to the vehicle after production at a ŠKODA Retailer and some may include an additional fitting cost.

PROTECTION PACK

A walk in the woods or a day at the beach – it's great for the soul but not your interior. Protect your KAROQ and save money with our Protection Pack. The pack includes front and rear mudflaps, double-sided boot liner and textile or rubber floor mats – all for a special pack price.

MULTIMEDIA HOLDER AND ADAPTER

This clever holder allow tablets between 115 to 195mm to be viewed both vertically and horizontally. It can also be tilted forwards, backwards or sideways by up to 30° and can be rotated 360°, making versatile viewing for your rear passengers.

REAR SEAT PROTECTION AND DOG SAFETY BELT

Forget worrying about the cleanliness of your car, particularly when transporting your pet. This easy-to-clean seat protector is sufficiently sized to cover the back seats. It is waterproof, washable and has an anti-slip treatment for your pet's safety. The safety belt keeps you dogsafe and is available in a variety of sizes.

MUDFLAPS

Mudflaps prevent stones, grit and road spray from ruining your precious bodywork. This custom design is moulded to fit snugly into the contours of the wheel arches.

FLOOR MATS

These quality mats will keep your carpeted floors looking pristine. Thanks to quick release floor poppers, they won't slip around beneath your feet. They come in textile fabric but rubber versions are also available for the more outdoorsy types.

DOUBLE-SIDED BOOT LINER (VARIOFLEX)

No matter how mucky things get, it's good to know that there's a boot liner to match it. This clever liner comes with an all-weather texture on one side with a textile reverse. They're quick to fit and remove, and all come with a 5cm raised edge to keep in dirt and make mucky boots a thing of the past.

JUMP IN THE DRIVING SEAT

With its off-road capability, practical spaces and many inventive design touches, the KAROQ breaks free of the expected at every turn. With our handy online car configurator, you can too.

With a few simple clicks you can quickly add a distinctly personal twist to the way the car looks, feels and performs. Whether you go for cutting-edge tech and all-out luxury, or favour more practical features instead, standing out from the SUV pack couldn't be easier.

On The Road and P11D pricing - continued

Company car tax is based on the vehicle's carbon dioxide (CO₂) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. To help you calculate your tax liability, please see the table below.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2018/2019.

BiK calculation example KAROQ SE 1.0 TSI 115PS		
P11D value		£21,720.00
Company car BiK tax based on CO₂ emission level		25%
Taxable BiK (for 2018/2019 tax year):	25% of £21,720.00	£5,430.00
Annual company car tax (2018/19)		
20% income tax	20% of £5,430.00	£1,086.00
40% income tax	40% of £5,430.00	£2,172.00
Monthly company car tax (2018/19)		
20% income tax	£1,086.00 divided by 12 months	£90.50
40% income tax	£2,172.00 divided by 12 months	£181.00

Additional information

ŠKODA Financial Services

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new ŠKODA on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today.

Finance subject to status. 18s plus. Terms and conditions apply. ŠKODA Financial Services.

ŠKODA Car Insurance

Complimentary drive away cover

You can enjoy your new car from day one, thanks to our complimentary five day insurance. To activate, simply call **0345 877 6348**. Subject to eligibility. If you are eligible we will provide you with an annual quotation giving you the option to purchase 12 months cover, so you can have continued peace of mind for a whole year after your five day cover ends.

Annual car insurance

Our annual cover is designed specifically for ŠKODA drivers and includes the following benefits at no extra cost:

- Repairs carried out by ŠKODA trained technicians using ŠKODA genuine parts and paints when repaired by a ŠKODA approved repairer
- Guaranteed courtesy car
- Child seat replacement
- Uninsured driver promise
- Vandalism promise
- 24 hour accident recovery

For more information or to get a quote, visit insurewithskoda.co.uk or alternatively call us on 0345 246 9091.

We're available Monday to Friday 8am-8pm and Saturday 9am-5pm.

Ensurance

Free accident and repair cover

Ensurance works alongside your existing comprehensive motor insurance policy, no matter who you are insured with, to help get

you back on the road as smoothly as possible. Better still, it's free for three years and is available on both new and older models.

To benefit from Ensurance you'll need to activate your free cover, which takes less than a minute. Remember, in the event of an accident, to call us first and Ensurance will help to deal with the rest.

For more information visit: insurewithskoda.co.uk

Ensurance from ŠKODA Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. Service and maintenance

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine ŠKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first two services for one payment of just £279 or 18 monthly payments of £15.50. The service plan includes a maximum of one oil service and one oil and inspection service. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230.

Service intervals

When you order your KAROQ, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

Roadside assistance

A three year, European-wide, unlimited mileage ŠKODA Assistance policy comes free of charge with every new ŠKODA. There's a team of specially trained technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

Provided in partnership with the AA. Exclusions and terms and conditions apply. For details please speak to your local ŠKODA Retailer.

Customer services

Talk to us on **03330 037 504**. No matter what the query, our dedicated call centre is always ready to listen. No matter how big or small the request, speak to one of our customer care advisors to see if they can help. The call centre is open Monday to Friday from 8.30am-5.30pm. You can also talk to one our advisors via live chat, on Monday to Friday from 8am-8pm.

A network that's here to help

You can be sure that as a ŠKODA customer, your retailer will look after you from the moment you walk through the door and throughout the life of your ŠKODA. Your KAROQ will be serviced and maintained by specially trained ŠKODA technicians, and when you need a spare part you'll be happy to know that most are held in stock, or ordered within 24 hours. So if top class customer satisfaction is what you're after, the ŠKODA network will be there for you.

Motability

People who are in receipt of one of the following allowances, and have at least 12 months remaining on their reward, may be eligible for a vehicle via the Motability scheme.

Higher Rate Mobility Component of the Disability Living Allowance (HRMC of DLA), Enhanced Rate of the Mobility Component of Personal Independence Payment (ERMC of PIP), War Pensioners' Mobility Supplement (WPMS) or Armed Forces Independence Payment (AFIP).

For full details of the scheme, current model availability and pricing, please contact the Motability specialist at your local ŠKODA Retailer.

Warranty

Peace of mind with a ŠKODA warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner.

Your KAROQ also benefits from a three-year paint warranty and 12-year body protection warranty.

Exclusions and terms and conditions apply.

Owning a ŠKODA

Three-year vehicle warranty from new

First two years unlimited mileage.

Third year with 60,000 mile limitation, whichever is sooner.

Four to five years Optional Extended Warranty.

Three-year paint warranty

Up to 12 years body protection.

Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers. Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at:

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate. *Vehicles with a list price of over £40,000 when new pay an additional rate of £310 per year on top of the first year and standard rate, for a further four years (total of five years). **This rate applies to diesel vehicles that do not meet RDE2 Standards.

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current ŠKODA UK stock.

Figures shown in this document are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see <http://www.skoda.co.uk/owners/wltp-info> or consult your retailer.

For fuel consumption data based on the outgoing test cycle (NEDC equivalent data), which is the 'official' UK fuel consumption data until 31.12.18, please consult your retailer.

The information in this document referring to specification, design, equipment, material and external appearance relates to the time at which this brochure was created.

Whilst every effort is made to ensure its accuracy, the information in this document is not binding and is subject to alteration. Some images within this document depict left hand drive models, with both standard and optional equipment shown. Please confirm exact specifications, prices and colour availability with your ŠKODA Retailer who will be notified of any changes as they occur.

A TEST OF METAL

When it comes to checking the quality of our alloy wheels, we unapologetically put them through their paces. First they have to prove their resistance to corrosion, climatic influences and driving strain. Then the layer of heat-resistant paint is tested over and over for strength and durability.

INFOTAINMENT

INFOTAINMENT

In our always-on world, connectivity on the go is essential. These Genuine Accessories have been designed to open up a whole new world of entertainment, information and communication, turning your KAROQ into a fully interconnected car.

CARSTICK

This ingenious device turns your car into a Wi-Fi hotspot in seconds, enabling you to take full advantage of the ŠKODA Connect system without having to use your smartphone's internet connection. Simply pop in a suitable SIM card, connect it to the USB slot in front of the gear lever and set it up via the navigation system. You can then connect any Wi-Fi enabled device to your own onboard network. (000 051 409F)

MAP AND SOFTWARE UPDATES

It's important to know the latest shortcuts to take, places to park and routes to avoid. That's why we've created our Infotainment Portal, which enables you to quickly update and maintain your onboard systems helping you to save both time and money.

Simply head to infotainment.skoda-auto.com, enter your VIN code and the state-of-the-art system will identify any updates you need and give you the option to download them from the comfort of your home. What's more, if you buy a new ŠKODA vehicle or navigation system, you'll get free map updates of Europe for the first three years.

COMPATIBILITY LIST

This application shows which of your external devices, for example your smartphone or tablet, are compatible with the KAROQ's many infotainment features such as SmartLink+.

PLAN AHEAD WITH MYDESTINATIONS

With the **MyDestination** online tool, you can set up any attractions and places of interest you want to visit on an upcoming adventure well in advance of leaving the house. Once you're finished, simply import the list to your navigation device and you'll be ready to go the moment you jump behind the wheel.

A FORCE OF HABIT

We've always had a passion for testing at ŠKODA. It ensures we're forever improving, refining and inventing. A perfect example is the heel test we carry out on every one of our textile floor mats. It replicates the action of the driver's foot on the accelerator, sinking the heel 5mm into the floor mat in both dry and wet conditions at an angle of 45°. An additional long driving test is also carried out, this time placing the focus on the brackets fixing the front floor mats to the car upholstery. It's only as a result of both tests that the perfect balance between driver comfort and safety is achieved.

TRANSPORT

TRANSPORT

Maximising space has always been the ŠKODA way. It's why our designers have created a host of accessories to complement the KAROQ's exceptional boot space, including bike racks, roof boxes and tow bars. Everything you need in fact to make summer and winter breaks a breeze.

DELIVERING UNDER PRESSURE

The thought of your luggage or bikes going on a trip of their own is completely unthinkable. That's why our racks undergo a number of demanding tests, from corrosion resistance to loading capacity and durability. They're also subjected to simulated crash conditions, where a rack loaded with 90kg must remain on the car body under a force of approximately 12G.

To ensure the maximum safety of your smallest passengers, our child seats feature variable mounting options that allow you to transport your child both with and against the direction of travel, depending on their position in the car.

Practical and variable

The intelligent design of these child seats allows your child to be seated both in the back of the car, but also on the front passenger's seat where you can keep a closer eye on them. The seats also cleverly adapt to the ever-changing size of your children, making them a great long-term investment.

Perfectly verified

All our child seats comply with European safety regulations (EHK 44.04) and have been rigorously tested. Their high quality and safety is further highlighted by their excellent results in the Euro NCAP impact test, together with successful non-combustibility testing, harmful substance ratings and cover quality.
