ULTRA-LITE TRAVEL TRAILERS

Take Life to the Extreme!

ULTRA-LITE TRAVEL TRAILERS

15 floor plans as light as 3773 lbs, loaded with standard features.

Kodiak 29RLK-SL in Gold Rush

Kodiak - the leader in Ultra-Lite technology - features 15 innovative floor plans, ranging from 24' to 30'. With units light enough to be towed by SUV's and light trucks, we are sure to have the model that best fits your family's needs.

Just because Kodiak is an Ultra-Lite, it doesn't mean your trailer is light on storage. With spacious countertop and cabinet space and oversized pass-through exterior storage, it's easy to take everything along on your next adventure.

Kodiak - The leader in Ultra-Lite technology.

KODIAK - THE INDUSTRY'S BEST FEATURES & BEST OPTIONS

POPULAR OPTIONS

A. Flat Screen TV with Thule Wall Mount

Your Kodiak comes standard with an indoor/outdoor satellite/cable connection, and now you can upgrade your viewing experience with our exclusive TV wall mount system and 15" flat screen TV. The TV bracket mounts into the standard installed pod on the interior, and is removable to mount on the exterior.

B. Harmony White Cabinetry Package

An attractive Harmony White Cabinetry Package with Cherry plank linoleum is available with any Kodiak decor for a clean, stylish look.

C. Extreme Outdoors Off Road Package

For those who need extra ground clearance for off road campsites, our Lift Kit Package includes an 8" body lift kit, extended jack and stabilizers, double entry step, and LT235/75R15 mud and snow tires. (NA 25QS & 26QS)

D. Aluminum Rims

Upgrade your Kodiak with 5-spoke aluminum rims.

E. Industry Exclusive! - AudioLite™ Speakers

Kodiak features *AudioLITE*™ exterior speakers by *Intier*.® Utilizing the latest technology, *AudioLITE*™ speakers provide crisp, undistorted sound. Plus, they are impact resistant and waterproof.

F. Exterior Grill

Take your cooking outside with an exterior barbecue grill.

ONLY FROM **KODIAK** by Skamper AND **THULE** SWEDEN

SMART RV Thule, the industry leader in cargo management systems for cars and trucks, has partnered with Kodiak to create the Smart RV System. This patented system allows Kodiak owners to create a functional outdoor living area that's easy to set up and enjoy. The Smart RV system uses a number of factory-installed anchor pods mounted on the exterior of the trailer. The accessories mount to the pods in seconds using Thule's innovative quick-release latch system. (Not available with optional lift kit feature.)

The optional **Thule Smart RV Package 1** includes:

- Table with 2 chairs
- 2 Universal hooks
- Countertop
- Trash bin
- Table caddy

The optional **Thule Smart RV Package 2** includes:

- Table with 2 chairs
- Trash bin
- Table caddy

Smart RV Trash Bin
Fits 13 gallon garbage bags and collapses for storage

Smart RV Countertop
40" x 16" polyethylene countertop with adjustable support arms

Smart RV Universal Hook
2 hooks per package with foam cushion and grip

Smart RV Table and Chairs
48" x 24" heavy duty polyethylene table top and adjustable legs, folds in half for storage. 2 black, weather-resistant camping chairs

Smart RV Table Caddy
Attaches to Smart RV Table, and can stand alone to be used with indoor tables

KODIAK - FULLY LAMINATED, 6-WAY

Setting the standard with **ULTRA-LITE CONSTRUCTION**

KODIAK VS. THE COMPETITION IMPROVED AERODYNAMICS

Lower profile – more aerodynamic!

Flat front profile – less aerodynamic

Well balanced low profile design

LOWER CENTER OF GRAVITY

10' to 10'6"

Higher center of gravity - top heavy design

Torsion "independent suspension" axles

Leaf spring solid axles

AXLE TO HITCH WEIGHT RATIO

Optimal axle to hitch ratio for smooth towing

Well balanced design – axle and hitch

Excessive tongue weight causes more wear on tow vehicle

Excessive hitch weight

Kodiak, North America's first ultra-lite travel trailer is specifically designed to be towed by most light trucks, and sport utility vehicles. Kodiak's aerodynamic profile is designed to push air up the front wall and over the roof to *improve towability and fuel economy*. Plus, we position the axles and balance the weight of each floorplan to create the optimal hitch/weight/axle ratio for *towing with light trucks or SUV's*. And, Kodiak incorporates rubber torsion "independent suspension" axles on a European-style frame. Torsion axles allow each wheel to travel independently, unlike leaf spring axles that transfer variations in the road to the opposite wheel. Plus, the torsion axles *improve towing stability* by lowering the trailer to the ground and reducing the center of gravity.

Improved aerodynamics, optimal weight balance and a lower center of gravity results in the best towing characteristics possible in an ultra-lite travel trailer.

Large fresh water tank

Kodiak's large fresh water tank highlights a quick drain feature. The tank design prevents water from standing in tanks during storage.

Ultra-Lube hubs

Kodiak includes Ultra-Lube hubs as a standard feature. This allows for easy maintenance of your wheel bearings.

Torsion Axles

Kodiak travel trailers ride on rubber torsion "independent suspension" axles. Torsion axles soften the ride by absorbing road vibrations and making towing more comfortable. The center of gravity is lowered with torsion axles, which improves aerodynamics and maneuverability.

Ultra-lite Frame

Kodiak travel trailers feature an ultra-lite European-style chassis. This durable chassis is 400 pounds lighter than the traditional box-style chassis, which reduces weight and increases cargo capacity. The frame features a powder coat over E-coat paint finish, backed by a lifetime rust through warranty.

A Kodiak Exclusive!

INDUSTRY LEADING ULTRA-LITE TECHNOLOGY

ALUMINUM FRAMED CONSTRUCTION

**DURABLE, STRONG
LIGHTWEIGHT
CONSTRUCTION**

**Safety Glass Windows
- Standard**

Did you know that every Kodiak is weighed at the factory as it leaves the production line? Our certified weight includes options!

Most competitors publish only a base weight that does not include options. Make sure that you know what the "real" weight of the unit is before you buy your next ultra-lite trailer.

Aerodynamic Ultra-Lite Design for Better Fuel Economy!

CHASSIS

Kodiak feature the European style, ultra-lite weight chassis. Kodiak is the first company in the industry to use European-style frames in Ultra-Lites!

1. Folding entry step
2. Ultra-lube hubs. Grease zerk makes wheel bearings easy to lube.
3. All tanks mounted in frame. Lowers the center of gravity, and saves valuable interior storage space
4. Large fresh water tank with quick drain feature. Tank design prevents water from standing in tanks during storage.
5. Enclosed underbelly protects tanks and floor from the hazards of the road
6. Ultra-Lite weight chassis with lifetime powder coat over E-coat paint finish
7. Dual battery rack and (2) 30 lb. LP tanks with ABS cover
8. Integrated heavy-duty safety chains

LAMINATED WALLS

5-ply aluminum framed laminated construction.

9. Tubular aluminum welded frame reinforced around door
10. Tinted, radius corner, safety glass windows
11. Insulated baggage doors with key locks and finger locks
12. ABS fender skirts
13. Decorative wall finish
14. Lauan wood backer
15. High density structural foam insulation
16. Lauan plywood backer
17. Smooth fiberglass and premium graphics package
18. Pass-through storage compartment (where available)
19. Aerodynamic front profile

LAMINATED ROOF

5-ply aluminum framed laminated construction.

20. Tubular aluminum welded framed roof, reinforced at A/C
21. Lauan wood backer
22. One-piece EPDM rubber roof with 12 year manufacturer's material warranty
23. High density structural foam insulation
24. Lauan wood backer
25. Decorative ceiling finish

LAMINATED FLOOR

5-ply aluminum framed laminated floor structure.

26. One-piece composite wheel wells
27. Residential vinyl flooring – full length of coach
28. Residential carpet with pad (see floorplan)
29. Two layers of floor decking over foam
30. High density structural foam
31. Plywood base with polypropylene waterproof vapor barrier
32. Tubular welded aluminum framed floor

Kodiak features aluminum-framed dinette, bed, bunks and pass-through storage frames. Aluminum frames are more durable than wood-framed structures and save weight.

*Axle weight, dry hitch weight and unloaded vehicle weight (UVW) are base weights of units without options. Each unit includes a weight label which lists specific weight information for that unit. Vehicle Loading – Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices so that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreation vehicle. Net carrying capacity (NCC) determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only. Warning: This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing and towing instructions.

HAVE YOU SEEN OUR POPULAR "QS" SERIES?

Six exclusive Kodiak travel trailer floorplans include rear slide-out rooms to maximize interior space. The QS models with a rear bedslide are a first in the industry. It's all electric, self-supporting, and gives you a full 60" x 74" queen bed!

MORE STANDARD FEATURES

FROM THE INDUSTRY LEADER IN ULTRA-LITE TECHNOLOGY

Exterior Features

- 8' Wide floorplans
- Pac-N-Play exterior storage in bunkhouse (where available)
- Enclosed underbelly (NA with Lift Kit)
- Diamond plate rock guard
- Two 30 lb LP bottles with ABS cover
- Four corner stabilizer jacks with sand pads
- A & E awning
- Hot/cold exterior shower
- 60"x74" Queen bed in hard wall slide (QS floorplans)
- 26" Radius corner entry door
- Flush combo entry latch/deadbolt lock
- ABS wheel wells
- Tandem axles with 4-wheel electric brakes
- Spare tire with cover
- 6-Way welded aluminum laminated superstructure (roof, floor and walls)
- Lite-weight European-style frame with lifetime rust through warranty
- ABS fender skirts
- EPDM one-piece seamless rubber roof
- Corrosion free laminated underbelly
- Patio, step & dump valve service lights
- Rain gutter with corner downspouts
- Rear bumper and corner guards
- Single entry step
- Tinted, radius corner, clamp ring windows
- Entry-assist handle at door
- Break-away trailer switch
- 120V Exterior outlet
- Safety glass
- Roof ducted for air conditioning (NA 19FL)

Interior Features

- Bathroom medicine cabinet
- Designer window treatments
- Fiberlink bathtub
- Shower curtain
- Residential tile-like linoleum
- Mini blinds throughout
- Power roof vent in bathroom
- Skylight in bath
- Tiled-look tub surround
- Color coordinated bedspread
- Clothes hamper/laundry basket with access to Storage Plus (See floorplan for availability)

Appliances & Electrical

- 13.5 BTU air conditioning
- AM/FM/CD stereo with MP3 port* and 2 speakers
- Microwave
- Indoor/outdoor satellite/cable connection
- 12V Electric slide-out motor
- Forced air DSI furnace with wall thermostat
- 30 Amp power cord with storage compartment
- 6 Gallon DSI water heater (gas/electric)
- 12V interior lights with wall switch
- Fire extinguisher
- Carbon monoxide, smoke & LP detectors
- Norcold double door gas/electric refrigerator
- Oven with three burner range & stove cover
- TV antennae
- Range hood with 12V light and exhaust fan
- Solid state converter with built-in battery charger
- Systems monitor panel
- Demand water pump

THE BEST OPTIONAL FEATURES THAT YOU WANT
