# 2012 TRIBECA

**1** A spread-wing grille gives an aggressive stance and is a subtle cue to Subaru's aviation heritage.

**2** Silver roof rails differentiate Limited and Premier Packages from the black roof rails on standard Tribeca vehicles.

**3** Deep tint privacy glass on all models provides comfort and security and gives the Tribeca a sleek side profile.

**4** A rear-view camera, standard on all models, enhances rearward visibility.

**5** Large side-view mirrors with integrated LED turn signals provide an upscale look and offer greater visibility.

**6** The dynamic 7-spoke 18-inch wheels are standard on Limited and Premier Packages.

**7** The rocker panels, wheel arches and lower bumpers are body coloured to add some visual distinction on Limited and Premier Packages.

**8** HID headlights are exclusively available on Limited and Premier Packages.

**1** For added versatility and functionality, 7-passenger seating is standard on all Tribeca models.

**2** An available blueconnect® Bluetooth® hands-free system helps drivers comply with legislation banning hand-held cell phone usage while driving.

**3** A powerful 10-speaker sound system with Harman Kardon® speakers is available on Limited and Premier Packages and a 6CD premium audio system is standard on all Tribeca models.

**4** Heated front seats with 3 level settings are standard on all models.

**5** Standard 40/20/40-split, flat folding, reclining and adjustable second-row seats and 50/50-split folding rear seats provide an optimum blend of comfort and versatility.

**6** GPS DVD-based navigation with 7-inch high resolution touchscreen. This multi-purpose screen features a calculator and calendar for added convenience (Premier Package only).
