WRX SPORT-TECH RS

Subaru's performance sedan for the true enthusiast offers refined styling yet still delivers a powerful message. For 2019 the WRX includes Subaru's latest infotainment system, featuring the choice of 6.5- or 7-inch touchscreens with Apple CarPlay and Android Auto smartphone compatibility. Better still, the 2019 WRX delivers the same outstanding value that it's long been known for – and one that's helped it secure the ALG Canadian Residual Value Award for Best Sports Car for the seventh time in 10 years.

- Available EyeSight driver assist technology and LED steering-responsive headlights earn the WRX the Top Safety Pick+ (TSP+) designation from the Insurance Institute for Highway Safety (IIHS) in 2018.
- The WRX Sport-tech RS features sleek leather and Ultrasuede interior as well as Jurid brake pads, bright red brake calipers and power Recaro seats.
