SEAT LEON SC

Sporty
Character.

THE NEW SEAT LEON SC HAS A PERFECTLY PROPORTIONED SHAPE, PRESERVING ITS ICONIC SPORTY STYLE. Dynamism can be found in every detail, whether that's in its sleek lines or the Full LED Headlights. What's more, you can expect a high level of technology, making every aspect of your drive a pleasure.

SEAT LEON ST

More space
more life.

WE CAN NEVER BE SURE WHAT LIFE HAS IN STORE FOR US THAT'S WHY THE NEW SEAT LEON ST COMES FULLY EQUIPPED WITH ALL THE TECHNOLOGY AND SPACE NEEDED TO MAKE EVERYTHING THAT BIT EASIER.

Make the most of the best moments with friends and family with a car that has an impressive 687 litres of boot capacity but still has style and versatility at its heart.

Model shown: LEON ST XCELLENCE with optional 17" Dynamic Machined Atom Grey Alloy wheels in Monsoon Grey metallic paint.

SEAT LEON X-PERIENCE

Chase the
undiscovered.

GET OFF THE BEATEN TRACK WITH THE NEW SEAT LEON X-PERIENCE. IT OFFERS INCREDIBLE VERSATILITY FOR ANY ADVENTURE. Take advantage of a huge amount of boot space of up to 1470 litres and an exclusive high quality interior finish. Features such as protective cladding on the wheel arches and side skirts combine robustness with protection, while the Its raised suspension makes going off road much more comfortable and with leading edge 4DRIVE technology, every aspect of this adventurous off-roader has been refined to give you the best experience in all conditions. So head out and take on any adventure you choose.

SEAT LEON CUPRA

Dare To Drive.

THE NEW SEAT LEON CUPRA 300 IS BEAUTIFUL DESIGN FUSED TOGETHER WITH OUR SPORTING DNA, to create the most powerful SEAT road car in the brand's history. Breath-taking pace and everyday practicality make the CUPRA 300 perfect for every road. Its exterior is streamlined, aerodynamic and progressive. Full LED headlights and Dual chrome exhaust pipes define its supreme appeal. Inside you can enjoy that unique CUPRA feeling with exclusive design details. Under the bonnet is a 300PS engine and either a manual or DSG gearbox. 4DRIVE is added to the CUPRA ST DSG offering maximum power and driving pleasure. So what are you waiting for?

Model shown: LEON SC CUPRA 300 with optional Electric Sunroof and Winter Pack in Ice Silver metallic paint.

EXTERIOR DESIGN

Brighten
your journey.

**METICULOUSLY DESIGNED WITH A
STREAMLINED AND MODERN FIGURE,
THE NEW SEAT LEON CARRIES ITSELF
WITH UNQUESTIONABLE STYLE.**

Light up the road ahead with the beautiful SEAT signature LED headlights, standard on the FR Technology, XCELLENCE Technology and CUPRA 300. LED's provide a more efficient and much brighter illumination, ensuring that your visibility is maintained even in the worst weather conditions. The High Beam Assist feature, which is part of the optional Driving Assistance Packs, automatically changes from high beam to low when another vehicle is detected.

Model shown: Leon ST CUPRA 300 with optional Panoramic Sunroof in Ice Silver metallic paint.

INTERIOR DESIGN

The science of comfort.

TAKE A MOMENT TO ENJOY ERGONOMICS AT THEIR FINEST. At SEAT we believe that the interior of a car has to be functional and possess an intuitive design that makes driving easy. So in the new Leon all the features and technology in the car are easily accessible thanks to the driver-oriented dashboard with 8" infotainment touch screen and LED illuminated driver console. Choose between eight different ambient colours and regulate the intensity of the light to your mood and atmosphere you want for each moment.

Model shown: Leon FR Technology with optional KESSY (keyless enter and go) and winter pack.

TECHNOLOGY

Stay connected.

BEING CONNECTED OR NOT DEPENDS ON YOU.

The new SEAT Leon offers an 8 inch high resolution screen so you can control everything at a single glance. With Full Link technology you will be able to see the contents of your smartphone and enjoy your apps while driving. The Connectivity Hub with Wireless Charger* ensure that your phone will never be short of energy. Charge it without using a cable by just placing it on the surface whenever you want.

*With compatible mobile phones. Please see mobile phone manufacturer for details of Wireless Charging capabilities.

COMFORT & SAFETY

Make the most of every moment.

IF YOUR HANDS ARE FULL, THE KESSY KEYLESS SYSTEM WILL ALLOW YOU TO UNLOCK THE DOORS WITHOUT TAKING YOUR KEY OUT OF YOUR POCKET. Enhance every journey by creating the perfect atmosphere with Ambient Lighting and a choice of eight different colours. What's more you can enjoy intelligent features like the Park Assistance and Traffic Jam assist, which automatically starts and stops the New SEAT Leon during traffic congestion. Along with this the New SEAT Leon also comes with advanced safety features like Pedestrian Protection and Emergency Assist meaning you can feel safe knowing the New SEAT Leon has always got your back.

¹ The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS by 1.0139.

² Where law permits.

³ Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated within this standard.

¹ The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS by 1.0139.

² Where law permits.

³ Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated within this standard.

³ Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated within this standard.

CAREFREE

Ownership.

Carefree ownership isn't just about caring for your car. It's also about helping you enjoy your seat experience more, in every way, over every mile you drive.

/ It's about fixed price servicing and fixed price Service Plans, in place to smooth the financial road throughout your SEAT journey.

/ It's helping you give your SEAT the look and style that makes it all your own, easily and affordably, with all the most popular accessories available to order online 24/7.

/ It involves keeping you safe, with the right tyres always at competitive prices.

/ It's peace of mind from Extended Warranties that take the worry out of unexpected repairs.

/ And it's about giving you three years of SEAT's accident management cover absolutely free.

All together, it's all you need to give you Carefree Ownership of your SEAT.

CAREFREE

OWNERSHIP

YOU'LL KNOW HOW MUCH

With our fixed price servicing and maintenance.

Your SEAT is special to you, and deserves special treatment when it's time for a service or repair. So put it in the hands of people who know and care about your car as much as you do, your SEAT Dealer.

The benefits at a glance

- / Clarity on the cost with our service and maintenance fixed prices.
- / Easy, free drop-off and collection or a courtesy lift to your home or work, or a low-cost, insured loan car.
- / SEAT recommended video service report.
- / Wash and vacuum with every service.
- / Option to book your service online 24/7.
- / FREE UK and European Roadside Assistance worth £245 for all cars 2-15 years, when a service is booked online. This includes cover from the moment you leave home to the moment you get back.

Plus all the SEAT standards you would expect

- / SEAT technicians, using the latest diagnostic technology.
- / Check of SEAT software and product enhancements.
- / SEAT-approved parts fitted complete with two year warranty*.
- / A SEAT stamp in the service book.
- / National network of Dealers.

SEAT Service Plans

Our Service Plans cover so much for such a small monthly outlay, they really make a lot of sense.

Transparency

You can easily plan your car's service requirements and either pay for the Service Plan in full or spread the cost with affordable 18 monthly payments of £21.00 for 24 months cover. It's worry-free and ensures that you're taking the best care possible of your car, today and tomorrow.

Savings

- There's no better way to enjoy peace of mind whilst you care for your car.
- / You can choose either two or three year Service Plan.
- / Plan is protected from inflation.
- / Residual value enhanced with a SEAT stamp in the service book.
- / Plan is transferable, when fully paid, to another owner.
- / No tie-in with a specific Dealership, choose any SEAT Dealer from the nationwide network.

Terms and conditions apply.

*Excludes wear and tear items.

EXTENDED WARRANTY

Extend your peace of mind.

When you buy a new SEAT from a SEAT Dealer, your new car is covered by a three year/60,000 miles manufacturer warranty. And if you take out a SEAT Extended Warranty before your new car is registered, you'll get exactly the same level of cover for up to five years, at extremely competitive prices. Plus it's fully transferable to the new owner (and subsequent owners) should you sell your car – enhancing the resale value of the car.

Taking out a SEAT Extended Warranty is easy, you can choose the warranty to last until the end of the 4th year/up to 75,000 miles or until the end of the 5th year up to 90,000 miles (age or mileage, whichever comes soonest).

You'll enjoy all the following:

- / Exactly the same cover as the original manufacturer warranty.

- / No limit to the number of claims, no excess and no need to pay and reclaim (within the UK)

- / Repairs carried out by a member of the SEAT authorised network using SEAT genuine parts.

- / Simple process to have the repairs done. Just contact your SEAT Dealer and take your policy with you when you drop your car in.

These Extended Warranties are only available at the time of ordering a new SEAT.

INSURANCE

SEAT's free accident and repair cover.

Did you know that your insurer may not guarantee to use SEAT approved repairers or parts? With so much complex safety technology in your SEAT you won't want to risk compromising your car with parts that have not been made specifically for your SEAT. As a SEAT customer you are entitled to three years' FREE accident and repair cover. Our cover works alongside your main motor insurance policy, giving you and your car additional protection.

Benefits at a glance

- / A dedicated claims manager to manage your claim from start to finish.

- / Guaranteed use of a SEAT approved repairer and SEAT trained technicians.

- / Receive a repair guarantee, which includes a two year parts warranty and three year paint warranty.

- / Legal expenses cover to help recover any uninsured losses.

SOLUTIONS PERSONAL CONTRACT PLAN (PCP)

Making your budget go the extra mile

Solutions (PCP) is a flexible finance package that really puts you in the driving seat. Solutions offers flexibility – from your deposit and monthly repayments to what you do with your SEAT at the end of the agreement.

By paying a small deposit (as little as a single month's repayment) over a repayment period from 18 months up to four years, you can enjoy a plan individually suited to your needs and monthly budget.

Solutions takes away the worry about depreciation because a proportion of the value is left until the end of the agreement (the optional final payment), which acts as a guaranteed minimum future value. By doing this you can lower your monthly repayments or make your budget go even further with a higher spec.

The options are wide open with Solutions.

DECISION TIME

1. Choose a repayment period and annual mileage.
2. Pay your deposit which can be made up of cash or a part exchange.
3. Agree the number of repayments.

Setting the deposit and repayment term helps create the right combination for a monthly payment budget.

AT THE END OF YOUR AGREEMENT YOU HAVE 3 OPTIONS

1. Part exchange your existing car for a new SEAT on a Solutions (PCP) contract (subject to status).
2. Pay the optional final repayment and keep your SEAT.
3. Hand the car back (subject to terms and conditions).

IMPORTANT INFORMATION TO CONSIDER

- / You may end your agreement earlier than the full term. However, depending how far you are in to your agreement will affect the final amount left to pay.

- / If you exceed the anticipated mileage agreed at the start of your agreement and intend to return the vehicle then excess mileage charges will apply.

- / It is important to keep the vehicle in good condition as this will affect the value of the vehicle. You may be charged for any damage that goes beyond fair wear and tear.
