

2020 Yaris Hatchback

Left to right: XLE shown in Chromium; XLE Hatchback shown in Sapphire.

Excessively practical.

Off the clock. On the road. Windows down. Volume up. Simply put, the 2020 Toyota Yaris Hatchback is all you need. Get from point A to point B, and when impulse strikes, all the way to point Z. Yaris Hatchback rewards your commute with unrelenting fuel efficiency. Its versatile cargo area grants the freedom to pack your bags and make your weekend escape — all while staying connected with the latest tech. Hop in. You're in for a fun, value-filled ride.

EXCEPTIONAL VALUE

An exceptional experience for an exceptional value.

Yaris Hatchback packs in a surprising amount of standard features, making it the smart choice for you and your wallet. With updated tech and modern design, Yaris Hatchback's compact build makes a pretty big statement.

STANDARD 7-IN. TOUCH-SCREEN WITH BACKUP CAMERA¹⁵

With the standard 7-in. touch-screen multimedia system that hosts both Apple CarPlay[®] and Android Auto[™], Yaris Hatchback maximizes your daily commutes. Interact directly with the touch-sensitive screen² and back out with confidence with the integrated backup camera.

city / hwy / combined
32 / 40 / 35
UP TO AN EST. MPG²⁵

LED HEADLIGHTS

Bring on the night. Standard on Yaris Hatchback XLE, the LED headlights help amplify both visibility and style. The automatic on/off feature conveniently helps ensure visibility at all times while the LED Daytime Running Lights (DRL) keep you looking stylish.

EXCEPTIONAL VALUE

XLE shown in Gray leatherette trim.²⁴

See numbered footnotes in Disclosures section.

Stay cool, calm and connected.

Yaris Hatchback doesn't skimp on tech. It comes standard with all the essential tech features like Apple CarPlay^{®8} and a 7-in. touch-screen with an integrated backup camera.¹⁵ These kinds of upgraded tech features make Yaris Hatchback the practical choice.

SMART KEY SYSTEM¹⁶ WITH STANDARD PUSH BUTTON START

No more fumbling for your keys. Start your engine or lock and unlock the trunk with the push of a button — all with your keys stashed away in your pocket.

STANDARD ANDROID AUTO^{TM9}

With standard Android AutoTM you can stay connected as you're driving. Pair your Android^{TM26} phone to seamlessly integrate its features onto Yaris Hatchback's touch-screen.

STEERING WHEEL-MOUNTED CONTROLS PLUS BLUETOOTH^{®13} CONNECTIVITY

Easily access your favorite playlists and podcasts with Bluetooth[®] wireless technology. With steering wheel-mounted button and voice controls, you won't even have to take your hands off the wheel.

XLE shown in Gray leatherette trim.

Stylish comfort for miles.

Yaris Hatchback flaunts some serious style. Even at a glance, you'll notice its sporty front fascia with gloss-black mesh-pattern grille and 16-in. alloy wheels with dark gunmetal finish. Once you step inside, you can experience the available leather details and comfort features that might even have you wishing for a longer commute.

AVAILABLE LEATHERETTE-TRIM SEATING WITH CONTRAST STITCHING

The beauty is in the details. Yaris Hatchback XLE offers leatherette-trim seating with contrast stitching that gives the interior a distinct, upscale look.

AUTOMATIC CLIMATE CONTROL

Set it and forget it. With automatic climate control standard on Yaris Hatchback XLE, all you need to do is dial in your ideal interior temp and Yaris Hatchback will keep the cabin feeling just right.

LEATHER-WRAPPED STEERING WHEEL

As stylish as it is practical, Yaris Hatchback XLE sports a leather-wrapped steering wheel that perfectly complements its refined interior.

STYLE AND COMFORT

XLE shown in sapphire

Play it safe.

Yaris Hatchback is packed with safety features and services that provide peace of mind with every drive. With the Low-Speed Pre-Collision System¹⁷ and more backing you up, your nerves can take a back seat.

HEATED POWER SIDE MIRRORS WITH LED TURN SIGNAL INDICATORS

Yaris Hatchback features LED turn signal indicators built into the outside mirrors. An integrated heating element also helps ensure that fog and frost can't obstruct your view.

ACTIVE SAFETY SYSTEM

To help keep you and your passengers safe, every Yaris Hatchback comes standard with an advanced Active Safety System that includes Dynamic Stability Control (DSC),¹⁸ Traction Control System (TCS), Brake Assist (BA),¹⁹ Electronic Brake-force Distribution (EBD), Anti-lock Brake System (ABS) and Brake Override System (BOS)²⁰

RAIN-SENSING WINDSHIELD WIPERS

Rain can't put a damper on your drive. The rain-sensing windshield wipers available on Yaris Hatchback XLE automatically adjust to match the intensity of rain hitting the windshield and the speed of the car.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

CARS BUILT FOR THE WAY YOU LIVE

At Toyota, we build cars for how you live. From building advanced safety features designed to help prevent crashes to driving cross-country to understand how we can make your driving experience better, our work starts with understanding your needs. Building cars for how you live also means thinking about tomorrow — from fuel efficiency and environmental innovations, to things beyond cars, like a bicycle that you can control with your mind. And because what we learn building cars can help improve lives in other places, we do things like help communities rebuild their homes quickly after a disaster and work with soup kitchens to help them serve more people faster. Toyota. Built for how you live.

DISCLOSURES

1. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. If you would prefer a vehicle with no or different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). 2. Concentrating on the road should always be your first priority while driving. 3. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. 4. Aha Radio™ is a trademark of Harman International Industries Inc. Apps, prices and services vary by phone carrier and capability and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. 5. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. 6. SiriusXM® audio services require a subscription sold separately by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. ©2019 Sirius XM Radio Inc. SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc. 7. SiriusXM All Access trial length and service availability may vary by model, model year or trim. 8. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected with an approved data cable into the USB media port. Apple CarPlay® is a registered trademark of Apple Inc. 9. Vehicle user interface is a product of Google and its terms and privacy statement apply. To use Android Auto on your car display, you'll need an Android Auto compatible vehicle or aftermarket stereo, an Android phone running Android 5.0 or higher, and the Android Auto app. Google, Android and Android Auto are trademarks of Google LLC. 10. May not be compatible with all mobile phones, MP3/WMA players and like models. 11. iPod® and iPhone® are registered trademarks of Apple Inc. All rights reserved. 12. Voice recognition capabilities vary by head unit. 13. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 14. Availability and accuracy of the information provided by the navigation system is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Data charges may apply. Services not available in every city or roadway. See *Owner's Manual* for additional limitations and details. Map updates may be available for download; visit toyota.com/owners > My Vehicle > Audio Multimedia for details. 15. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. 16. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 17. Low-Speed Pre-Collision System operates at speeds of 18 mph or less. It is intended to assist a driver, but it is the driver's responsibility to be aware of the vehicle's surroundings. The system cannot prevent all collisions, and performance is dependent on road, weather, and vehicle conditions. See *Owner's Manual* for additional limitations and details. 18. Dynamic Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether DSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. 19. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details. 20. Brake Override System operates only in the event of certain simultaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes stop the vehicle. Factors including speed, road conditions and driver input can impact stopping distance. Brake Override System is not a substitute for safe and attentive driving and does not guarantee instant stopping. See *Owner's Manual* for additional limitations and details. 21. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. 22. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for additional limitations and details. 23. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service. 24. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. 25. 2020 Yaris and Yaris Hatchback with automatic transmission EPA 32 city/40 highway/35 combined mpg estimates, and Yaris with manual transmission EPA 30 city/39 highway/34 combined mpg estimates. Actual mileage will vary. 26. Android is a trademark of Google LLC. 27. The universal tablet holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket accessories may pose an increased risk of injury to occupants in the event of an accident. Tablet sold separately.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes and/or shown with options. Actual models may vary.
