* Fuel consumption and CO₂ emissions are standard EU test figures for comparative purposes, and may not reflect 'real world' driving results. For full details, please see CO₂ Emissions and Fuel Consumption Figures on page 18. CO₂ emissions shown refer to standard specification only. Adding larger optional alloy wheels can increase CO₂ emissions. Please see page 20 for further details.

† P11D value = Total recommended retail price + delivery to retailer £480.00, + number plates £20, + VAT £100.00 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories.

‡ Please note the BIK % figure quoted includes the 3% diesel supplement, where applicable.

§ The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd's syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

Please note these models are only available from stock and are not available to factory order.

BMT refers to BlueMotion Technology.

MAIN ITEMS OF STANDARD SPECIFICATION

STANDARD ITEMS OF EQUIPMENT: VOLKSWAGEN CC*

VOLKSWAGEN SERVICE

3-year/60,000 miles warranty (whichever is soonest)

3-year paintwork warranty

12-year body protection warranty

Volkswagen Roadside Assistance

Electronic engine immobiliser

ESC (Electronic Stability Control) – includes EDL (Electronic Differential Lock) and ASR (Traction Control) and Countersteer support

High level 3rd brake light

SAFETY AND SECURITY (CONTINUED)

Isofix child seat preparation, outer rear seats

Remote central locking

Rigid safety cell with front and rear crumple zones

Two-tone horn

Tyre pressure loss indicator

Warning buzzer and light for front seat belts if unfastened

Warning lights for open boot lid and doors

Warning reflectors in all doors

Warning triangle

3 rear head restraints

3 rear three-point seat belts

1 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

COMFORT AND CONVENIENCE

Automatic dimming interior rear-view mirror

Climate control – 2Zone electronic air conditioning with automatic air recirculation

Electric windows, front and rear

Electrically heated and adjustable door mirrors

Heated rear window

DRIVER'S ASSISTANCE

Battery regeneration (recuperation – energy recovery during braking)

Driver Alert system

Dusk sensor, automatic headlights on

Electronic parking brake – with auto hold function and hill hold control

Multifunction computer

Power-assisted steering, speed-sensitive

Press and drive key

Remote interior fuel flap opener

Remote interior taillgate opener

Warning light for low washer fluid

EFFICIENCY

Multifunction computer, includes visual gear change recommendation for improved fuel consumption

Start/Stop function

Model shown features optional metallic paint.

ADDITIONAL ITEMS OF STANDARD EQUIPMENT: GT* (OVER VOLKSWAGEN CC)

FACTORY-FITTED OPTIONS

At Volkswagen, we work towards making sure that our cars are as close to how you want them as possible, and we understand that every detail needs to be right for you and your needs.

Introducing our exceptional range of factory-fitted options which allow you to express your individuality, help with the practical things in life, and add a touch of luxury at the same time. Whether you're looking for things to help you relax and help take the stress out of driving, feel protected, or simply look fantastic, just take your pick.

From ambient lighting to concert hall acoustics, from electrically foldable door mirrors to heated front seats, you'll find everything you need on the following pages to make your Volkswagen CC **your** Volkswagen CC, and perfect in every detail.

Factory-fitted option prices are the manufacturer's Recommended Retail Prices (RRP), inclusive of 20% VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. Model shown features optional Pure White non-metallic paint.

EFFECTIVE FROM 6 APRIL 2017.

1 Only available in conjunction with Dynamic Chassis Control (DCC) on GT 2.0 litre TDI 150 PS models. 2 Only available on GT 2.0 litre TDI 150 PS models.

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO2 emissions and subsequently increased BIK rates paid by company car drivers. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. Please see page 20 for full details.

Accessory prices are the manufacturer's Recommended Retail Prices (RRP), shown exclusive and inclusive of fitting where applicable, inclusive of appropriate VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. For full details, please contact your authorised Volkswagen retailer.

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased BIK rates paid by company car drivers. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. Please see page 20 for full details. In addition, larger alloy wheels than standard size will require the purchase of tyres. Prices shown do not include the transfer of tyres. 1 Price excludes painting. 2 Price per wheel excludes tyre.

VOLKSWAGEN WARRANTY AND SERVICE PLAN

ADDITIONAL WAYS TO KEEP YOUR PERFECT CAR, PERFECT... FOR LONGER

Exclusions and terms apply, please see page 22 for more details. For pricing and further details of Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

THE VOLKSWAGEN EXTENDED WARRANTY

If you order the Volkswagen Extended Warranty as an option when buying your new Volkswagen CC, then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

CHOOSE ONE OF THE FOLLOWING TWO OPTIONS:

	Basic Recommended Retail £	VAT £	Total Recommended Retail £
Four years	345.83	69.17	415.00
This covers up to four years or 75,000 miles, whichever comes soonest. The cover includes a two-year unlimited mileage warranty and up to 75,000 miles in the third and fourth years.			
Five years	804.17	160.83	965.00
This covers up to five years or 90,000 miles, whichever comes soonest. The cover includes a two-year unlimited mileage warranty and up to 90,000 miles in the third, fourth and fifth years.			

For further details please visit www.volkswagen.co.uk or speak to your authorised Volkswagen retailer.

VOLKSWAGEN SERVICE PLAN

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What's more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

CO₂ EMISSIONS AND FUEL CONSUMPTION FIGURES

	Output, PS	CO ₂ emission, g/km*	Trim level(s)	Urban*	Extra-urban*	Combined*
PETROL ENGINES						
1.4 ltr TSI BMT	150	133*	Volkswagen CC†	39.2/7.2*	57.6/4.9*	49.6/5.7*
1.4 ltr TSI BMT DSG (7-spd)	150	128*	Volkswagen CC†	40.9/6.9*	57.6/4.9*	50.4/5.6*

2.0 ltr TDI BMT DSG	184	130*	GT†, GT Black Edition†, R-Line†, R-Line Black Edition†	47.9/5.9*	62.8/4.5*	56.5/5.0*

* Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. CO₂ is the main greenhouse gas responsible for global warming. Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased BIK rates paid by company car drivers. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance.

The specifications contained in this price list are for information purposes only and are subject to change.

† Please note these models are only available from stock and are not available to factory order.

BMT refers to **BlueMotion Technology**.

Model shown is Volkswagen CC GT with optional Dynamic gas discharge (Bi-xenon) headlights with LED daytime running lights and Pure White non-metallic paint.

EFFECTIVE FROM 6 APRIL 2017.

THE VOLKSWAGEN CC - 19

CO₂ EMISSIONS WITH OPTIONAL WHEELS

EFFECT OF WHEEL SIZE ON CO₂ EMISSIONS AND BIK %

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased BIK rates paid by company car drivers. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. The chart below shows CO₂ emissions with both standard-fit wheels and larger optional alloy wheels, as well as the changes in BIK rates.

4-DOOR SALOON RANGE.			Output, PS	Standard wheel size	CO ₂ emission, g/km* standard wheels	BIK % with standard wheel size [†]	Optional alloy wheel size	CO ₂ emission, g/km*, optional alloy wheels	BIK % with optional wheel size [‡]

THE VOLKSWAGEN SERVICE, FOR YOUR PEACE OF MIND

THE VOLKSWAGEN WARRANTY

Exclusions and terms and conditions apply to all warranties and plans listed. For pricing and further details of Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is sooner) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

BODY PROTECTION WARRANTY

The internal body sections and panels of the Volkswagen CC are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

EXTENDED WARRANTY

If you order the Volkswagen Extended Warranty as an option when buying your new Volkswagen CC then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

SERVICE INTERVALS

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

SERVICE INTERVALS (CONTINUED)

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000³ and a maximum of 20,000³ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

VOLKSWAGEN INSURANCE*

We want you to start enjoying your new car from day one and thanks to Volkswagen free 5 day insurance, you can. Call free on 0330 303 6930 (lines are open Monday to Friday 8am – 9pm and Saturday 9am – 5pm), provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

VOLKSWAGEN ENSURANCE⁵

Get three years' Volkswagen Ensurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Ensurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Ensurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit volkswagen-ensurance.co.uk

VOLKSWAGEN FINANCE⁶

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet OfTel regulations.

- 1 All warranty work must be completed by an authorised Volkswagen retailer or repairer.
- 2 The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.
- 3 The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.
- 4 Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'). Registered in England and Wales number: 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Annual insurance credit is provided by Ageas Retail Limited. Volkswagen Motor Insurance from VWFS UK is sold and administered by Ageas Retail Limited, registered in England and Wales number: 1324965. Registered Office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. VWFS UK and Ageas Retail Limited are not part of the same corporate group.
- 5 Insurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532 (registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire WA1 1RL) and underwritten by UK General Insurance Limited on behalf of Ageas Insurance Limited, registered in England number: 354568 (registered office: Ageas House, Tollgate, Eastleigh, Hampshire SO53 3YA).
- 6 Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.

COMPANY CAR TAXATION CHART 2017/18

HOW TO CALCULATE YOUR COMPANY CAR INCOME TAX LIABILITY

* P11D values given in this price list are based on standard specification models with no factory-fitted options or other accessories. If your car includes factory-fitted options or other accessories, you may need to adjust the P11D value to take this into account.

In both 2017-18 and 2018-19, the appropriate percentage of the list price of company cars subject to tax will increase by 2 percentage points for cars emitting more than 75 grammes of carbon dioxide per kilometre (CO₂ g/km). In 2017-18, there will be a 4 percentage point differential between the 0-50 and 51-75 CO₂ g/km bands and between the 51-75 and 76-94 CO₂ g/km per km bands.

In 2018-19, the differential in each case will reduce to three percentage points. The differential will reduce further to two percentage points in 2019-20 in line with the Budget 2013 announcement.

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict real world driving conditions.

For further details of company car tax, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk/fleet/company-tax

Taxable percentage of P11D value (Diesel figures include the 3% diesel supplement)

Emissions CO ₂ (g/km)	2017/18 Benefit in Kind (BIK) %		2018/19 Benefit in Kind (BIK) %		2019/20 Benefit in Kind (BIK) %

								2019/20	29,435.00	30	1,766.10	3,532.20

* Fuel consumption and CO₂ emissions are standard EU test figures for comparative purposes, and may not reflect 'real world' driving results. For full details, please see CO₂ Emissions and Fuel Consumption Figures on page 18. CO₂ emissions shown refer to standard specification only. Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased BIK rates paid by company car drivers.

† Please note the BIK % figure quoted includes the 3% diesel supplement, where applicable.

‡ Please note these models are only available from stock and are not available to factory order.

All examples are for manual derivatives unless otherwise stated.
