

1973
PONTIAC
ACCESSORIES

**MAKING
YOUR
1973 PONTIAC
VERY
PERSONALLY
YOURS**

The greatest thrill of buying a new car is that of making it very personally yours—by selecting that combination of options and accessories that suits your needs, tastes, and desires. There also are a couple of *plus* factors to this experience. You'll enjoy many thousands of miles and hours of added comfort, satisfaction and convenience. Also, when it comes time to trade in your 1973 Pontiac for another Pontiac, you'll find that the accessories often help bring greater resale value. All in all, the modest investment in additional equipment for your car can be one of the best values you can possibly find! So browse through the following pages for those accessories that can make your 1973 Pontiac *very personally yours!*

Convenience Accessories	16-17
Protection Accessories	18
Performance Accessories and Options	19-20
Group Options	20-21
Station Wagon and Travel Accessories	22-23
Index	24

NOTE: You'll notice an F or a D, or both, at the end of each accessory description. The F means Factory-installed. The D means Dealer-installed. When there is only an F, that particular accessory can be bought and installed only through the factory, at the time you order your car. When only a D is shown, that accessory can be obtained only from your dealer. When both F and D are listed, you can get that accessory from either the factory or the dealer.

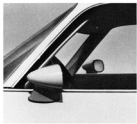

Metal Sliding Sunroofs (Code 672—LPC C23 for Manual, Code 671—LPC CA1 for Power Operated). Get that open-air feeling without being wind-blown, with these all-new and great metal sliding sunroofs. Open, the sunroof slides away out of sight, closed, it fits flush with the remainder of the roof. Choose either manual or power operated. Exterior color and interior trim match those of car ordered. Available on the LeMans, Luxury LeMans, and Grand Am Two-door, Colonade Hardtop, LeMans Sport Coupe, and Grand Prix. (F)

APPEARANCE ACCESSORIES

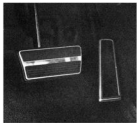

Convertible Top (UPC 008, White, Code 1, Black, Code 2, Beige, Code 3, Chamois, Code 4, Green, Code 5, Dark Burgandy, Code 6, Blue, Code 7.) An outstanding appearance accessory, in pebble-grain texture, for a rich look. Available on all models except LeMans, Safari, Trans Am and Grand Ville Convertible. Roof drip moldings included, if not already standard on model. (F)

Body-colored Outside Mirrors (Code 434—UPC 035). A pair of aerodynamically-styled outside mirrors color-keyed to match body paint. Left-hand mirror can be adjusted with a remote control lever inside the car. Available on all models. Standard on Eagle, Formula and Trans Am. Included with Sport Option on Ventura and Ventura Custom and "SJ" Option on Grand Prix. (F, D)

Concealed Windshield Wipers (Code 432—UPC 036). Completely concealed. Dual-speed and parallel-action wipers, with articulating left wiper for superb visibility. Available on Firebird and Formula. Not available on Ventura or Ventura Custom. Standard on all other models. (F)

Custom Pedal Trim Plates (Code 311—UPC JLI). Bright stainless steel trim dresses up brake and accelerator pedals. Available on all LeMans models and on Catalina and Safari. Standard on Ventura Custom, Luxury LeMans, Grand Am, Bonneville, Grand Safari, Grand Ville and Grand Prix. (F)

License Plate Frame. Available for both front and rear. Stainless steel to enhance and protect license plate. Easily installed. (D)

Custom Seat Belts and Front Shoulder Belts (Code 451—UPC AKS). Available in colors to match every basic interior trim (Black belts with White interior). Outboard front seat and shoulder belts feature the new (standard) three-point attachment, with a single buckle for seat and shoulder belt. (F) (NOTE: Standard seat belts and shoulder belts available in black only.)

CUSTOM INTERIORS AND CONSOLES

Style . . . sporty appearance . . . comfort . . . luxury—you have your choice of these when you order a custom interior or bucket seats. Making your choice is as much fun as selecting fine new furnishings for your home. And with the wide selection of colors and materials available, it's easy to make your new Pontiac *very personally yours*. Ask to see your Pontiac dealer's Colors and Interiors Album for more details and choices.

The Grand Ville Custom Interior is available with a center armrest bench seat in the Four-door Hardtop and notehack bench seat in the Hardtop Coupe (standard in Convertible). The choice of materials and colors for both seat styles is: Bravo Pattern Cloth and Madrid Morocco—Blue, Green, Beige, Black and Burgundy; Oren and Madrid Morocco—Saddle, Beige and Burgundy. The Grand Ville Custom trim includes rear-seat cigar lighters (Four-door Hardtop only), cut-pile carpets, pull strap on back of front seat and deluxe seat belts.

The Grand Ville Custom Interior also is available when the 60/40 seat is ordered, and has the same choices of materials and colors, in both the Hardtop Coupe and Four-door Hardtop. You'll especially appreciate this extra touch of comfort and luxury on those long trips when you "trade off" driving with a passenger who requires a different seating position. (The 60/60 seat also is available in the Grand Safari and Grand Ville Convertible, in Morocco trim only.)

The Formula/Trans Am Custom Interior, (standard on Sport) is offered in your choice of two materials and five colors. Perforated and Madrid Monokides come in White, Saddle, Black and Burgundy. Prado with Bravo Cloth and Madrid Monokide is available in Beige only. This custom interior includes fitted trunk mat, rear quarter ash tray, custom door and quarter panel interior trim, assist grip on instrument panel, and exterior door handle trim.

Console for Firebird Series (Code 431-UPC D56). Padded, vinyl-covered trim, color-keyed to interior. Two rocky storage compartments. Available on Firebird, Sport, Formula and Trans Am. Formula and Trans Am include Rally Sport speed shifter with Turbo Hydra-matic for fully automatic or manual drive-range shifting. (P)

Rear Console for Firebird Series (Code 424-UPC D56). Available on Firebird, Sport, Formula and Trans Am with or without front console. Vinyl-covered and color-keyed to match interior. Ash tray is included. (P)

Ventura and Ventura Custom Bucket Seats, available in the Coupe and Hatchback Coupe, bring a special note of sportiness to this "fun-sized" automobile. Offered in Dash and Madrid Monokides, Siege only.

Console for Ventura and Ventura Custom Series (Code 431-UPC D56). Available with bucket-seat interiors on Ventura and Ventura Custom Coupes and Hatchback Coupes. (P)

Console for LeMans Sport Coupe and Luxury LeMans with Manual Transmission (Code 431-UPC D55). Available with three- or four-speed manual transmission with bucket seats on LeMans Sport Coupe, and on the Luxury LeMans with bucket seats. Console features a soft, padded-vinyl exterior covering, color-keyed to match interior. (P)

Console for LeMans Sport Coupe and Luxury LeMans with Automatic Transmission (Code 431-UPC D56). Available with Turbo Hydra-matic and bucket seats on LeMans Sport Coupe, and on the Luxury LeMans with bucket seats. Console features American walnut wood-grain appearance insert and padded side panel. Color-keyed to interior, with glove box and side latch. (P)

*These moldings are included with the decor group on these models. (See decor groups, Page 21. Also check basic groups and protection groups for moldings which are included with these groups.)

A—Available NA—Not Available Std—Standard

NOTES:

- Roof Drip Moldings are included with the Cordova Top.
- The Roof Drip Molding also serves as a Roof Gutter on the Catalina 4-door Sedan, Safari, Firebird, Formula and Trans Am. If Roof Drip Moldings are not ordered (either separately or with a Cordova Top), these cars will not have Roof Gutters.
- Body Side Moldings are available in Black only. On the Grand Ville and Grand Safari, these Moldings are stainless steel without vinyl insert. They are not available on Trans Am, LeMans Safari, Safari or Grand Safari with the Wood-grain Option.
- Windless Moldings also include Hood Rear-edge Moldings on Firebird, LeMans, LeMans Safari and LeMans Sport Coupe. These Hood Rear-edge Moldings are standard on all other cars except Ventura and Ventura Custom.

WHEELS, WHEEL COVERS AND STEERING WHEELS

Honeycomb Wheels (Code 478—UPC PD5). A Pontiac exclusive, the deep-set "honeycomb" design gives the look of rugged cast metal. The honeycomb face is made of Goodyear Neothane[®], bonded to a steel disc that is welded to the wheel rim. Neothane is highly resistant to ricking and scratching and is unaffected by salt, road tar and other chemicals which normally attack most metal wheels. Includes trim rings. Available on Firebird, Esprit, Formula, Trans Am, LeMans, LeMans Safari, LeMans Sport Coupe, Grand Am and Grand Prix. (F)*

Custom Cushion Steering Wheel (Code 461—UPC N06). Shallow-dish design with cushioned vinyl-covered rim, wood-grain appearance or black insert, and horn buttons in each spoke. In color with new simulated American walnut insert. Standard on Luxury LeMans, Bonneville, Grand Ville and Grand Safari. Available on LeMans, LeMans Safari, LeMans Sport Coupe, Catalina and Safari. In color with new Black insert. Standard on Ventura Custom, Spirit Option, Esprit and Formula. Available on Ventura and Firebird. In Black with new Black insert. Standard on Grand Prix. (F)

Custom Sport Steering Wheel (Code 462—UPC N31). A new, shallow-dish design, with large padded center and soft, simulated leather outer rim. Spokes are brushed stainless steel. Black only. Standard on Grand Am. Available on Grand Prix. (F)

Rally II Wheels (Code 474—UPC N06). This stylish wheel has a sporty magnesium wheel appearance, with stainless steel capped wheel nuts. Wheel trim rings included. Standard on Trans Am. Available on all others, including all series Safaris. (F)*

Wheel Trim Rings (Code 471—UPC P06). These rings have a bright, stainless steel surface and bright edge, with hidden sliding tongue. Standard on the Trans Am and with Rally II wheels. Available on the Ventura, Firebird, Formula, LeMans, LeMans Safari and LeMans Sport Coupe with standard hucaps. (F,D)

Deluxe Wheel Covers—14" (Code 476—UPC PD1). An all-new design. Standard on the Ventura Custom, Esprit and Luxury LeMans. Available on the Ventura, Firebird, Formula, LeMans, LeMans Safari and LeMans Sport Coupe. (F,D)

Deluxe Wheel Covers—15" (Code 476—UPC PD1). An all-new design. Standard on the Bonneville, Grand Safari and Grand Prix. Available on Catalina and Safari. (F,D)

Custom Finned Wheel Covers (Code 472—UPC PD2). Deep-set black matte finish on a brushed stainless steel disc, surrounded by a brushed-finish trim ring. The fins heighten the appearance of functional cooling. Standard on Grand Am and Grand Prix Model SJ. Available on Firebird, Esprit, Formula, LeMans (but not LeMans Safari), LeMans Sport Coupe, Catalina, Bonneville, Grand Ville, Safari, Grand Safari and Grand Prix. (F,D)

Custom Sport Steering Wheel (Code 462—UPC N31). Three-spoke shallow-dish design, with soft, simulated leather outer rim and center. Spokes are brushed stainless steel. Black only. Available on Ventura, Ventura Custom, LeMans, LeMans Safari, LeMans Sport Coupe and Luxury LeMans. (F)

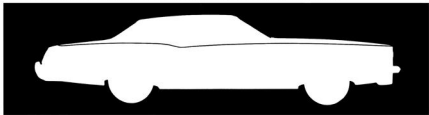

Formula Steering Wheel (Code 464—UPC N03). Features 14-inch diameter, formula spokes, padded urethane foam rim that looks and feels like padded leather. Black only. Standard on Trans Am. Available with power steering only on Firebird, Esprit and Formula. (F)

*Rally II and Honeycomb Wheels are available individually from your dealer.

VINYL ACCENT STRIPES—IN A VARIETY OF COLORS

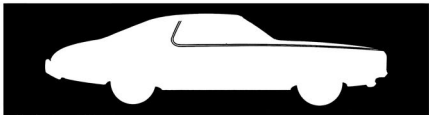

Vinyl Accent Stripes (Code 631—UPC D98). An inexpensive, yet very distinctive, way to personalize your new Pontiac is to highlight its stylish lines with vinyl accent stripes*, in your choice of colors. (F)

Grand Prix. Included with SJ Option

Catalina, Bonneville and Grand Ville. (all models except Grand Safari and Safari)

Grand Am. (2- or 4-door models, 2-door shown)

LeMans and LeMans Sport Coupe Series. (2-door models only)

*May be painted on Catalina, Bonneville and Grand Ville.

Firebird, Esprit, Formula.

Ventura. (2 doors only) Included with Sprint Option with Sprint Lettering

Cameo White or Starlight Black exterior with Green interior.

Stripe (3)*—Cream/Dark Brown/Orange

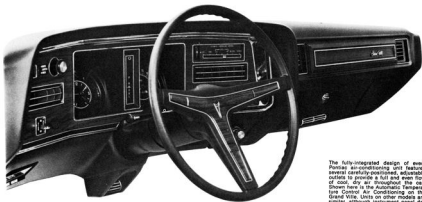

Cameo White or Starlight Black exterior with Saddle or Beige interiors.

Stripe (4)*—Light Blue/Black/Bright Blue

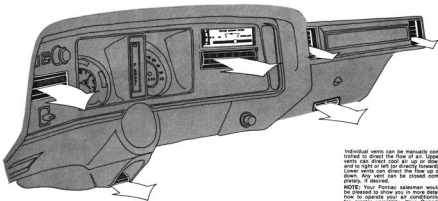

Cameo White or Starlight Black exterior with Blue interior.

†Red stripe to be used with Black and Burgundy interiors.

PONTIAC AIR CONDITIONING

The fully-integrated design of every Pontiac air-conditioning unit features several carefully-positioned, adjustable outlets to provide a full and even flow of cool, dry air throughout the car. Shown here is the Automatic Temperature Control Air Conditioning on the Grand Ville. Units on other models are similar, although instrument panel designs and air-conditioning controls may vary slightly.

Individual vents can be manually controlled to direct the flow of air. Upper vents can direct cool air up or down and to right or left (or directly forward). Lower vents can direct the flow up or down. Any vent can be closed completely, if desired.

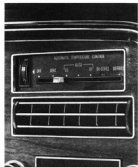

NOTE: Your Pontiac salesman would be pleased to show you in more detail how to operate your air conditioning for greater versatility. Your Owner's Manual will provide additional, specific details for future reference.

Air conditioning means more than coolness during hot weather—although it would be worth it for that benefit alone. Consider these additional benefits. The quiet of closed-window driving. No buffeting from the wind at cruising speeds. The absence of aggravating dust, pollen or humidity. Dry and wrinkle-free clothes. Grooming that stays neat. More comfort for children. Higher resale value.

When you order air conditioning for your new Pontiac,

you'll receive: a special suspension; high-capacity radiator, alternator and battery; thermostatically-controlled, seven-blade fan; larger, higher capacity tires on many models; and a special rear-axle ratio in many cases.

In short, the time to consider air conditioning is when you order your new Pontiac! And air conditioning certainly is one of the accessories you *should* consider for your new Pontiac.

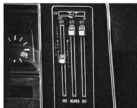

Automatic Temperature Control Air Conditioning (Code 581—UPC C61). Available on Grand Am, Catalina, Bonneville, Grand Prix, Safari, Grand Safari and Grand Prix. When the sliding selection lever is in the AUTO range, you can set the temperature and target it. Heat sensors automatically govern the unit to maintain the comfort level you select year-round, no matter what the temperature or amount of humidity outside. Additional settings provide a full range of temperature and performance controls. (F)

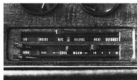

Custom Air Conditioning (Code 582—UPC C60). Available on Catalina, Bonneville, Grand Prix, Safari, Grand Safari and Grand Prix. Sliding lever controls allow a full range of temperature and performance. (F)

Shown on LeMans.

Shown on Ventura.

Shown on Firebird.

Custom Air Conditioning (Code 582—UPC C60). Available on Ventura, Ventura Custom, Firebird, Spirit, Formula, Trans Am, LeMans, LeMans Safari, LeMans Sport Coupe, Luxury LeMans and Grand Am. (Not available with any six-cylinder engine.) Simple sliding lever control provides full temperature and performance range. (F)

TAPE PLAYERS AND RADIOS

Stereo AM/FM Radio/Tape Player (Code 419—UPC UMI). Plays popular eight-track, stereo tape cartridges. Radio and tape player combine into a single unit with radio dial face functioning as the tape player door. (System has multiple speakers.)

FM radio plays in full stereophonic sound with stereo broadcasting. Another version is available with AM Radio only (Code 413—UPC UMI). Available all models except Ventura and Ventura Custom, Firebird, Elpriz, Formula and Trans Am. (F. D.)

Stereo Eight-track Tape Player (Code 422-UPC US7). Built-in amplifiers, plus volume and tone control, produce an amazingly lifelike sound. Available, with radio and console only, on Firebird, Spirit, Formula and Trans Am. (F,D)

AM Radio (Code 411-UPC US8). Included in basic group. Available on all models. Completely transistorized. Five pushbuttons and tone control. (F,D)

AM/FM Stereo Radio (Code 415-UPC US8). Tune in FM stations and enjoy true stereophonic sound when program is being broadcast in stereo. Factory-installed

on all models, except dealer-installed on Ventura and Ventura Custom. (F)

AM/FM Radio (Code 413-UPC US8). Enjoy the dual listening pleasure of AM and FM broadcasting. Completely transistorized, with excellent quality and fidelity. Five pushbuttons can be set to 10 stations—five AM, five FM—on all full-sized Pontiacs. Available on all models. (F,D)

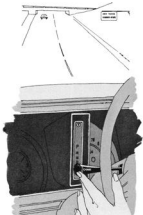

Rear Speaker (Code 421-UPC US8). With the addition of this rear speaker, you can have sound from the front only, back only, or turn on both speakers for an enveloping effect. Control is in escutcheon behind radio

station selector knob. Available on all models except with stereo radios and tape players, which use other speakers. (F,D)

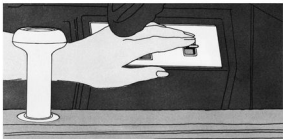

The Console Windshield Antenna is standard equipment on all Pontiacs, except Ventura and Ventura Custom, even when a model is not factory-equipped with a radio. An outside antenna need not be installed if a radio is added later. Ventura and Ventura Custom get a Windshield Antenna only when a factory-installed radio or Soft-Ray glass is ordered.

POWER ASSISTS

Cruise Control (Code 562-UPC K36). Ideal for long-distance freeway driving. Simply attain your desired speed, lightly touch the button on the end of turn signal indicator, momentarily release accelerator pedal, and the car will maintain that speed. To disengage, simply touch the brake pedal. Car can be accelerated beyond speed setting and will drop back to setting with release of accelerator. Available on all models with V-8 engines and Turbo Hydraulic transmission except Ventura, Ventura Custom, Firebird, Esprit, Formula and Trans Am. (F, G)

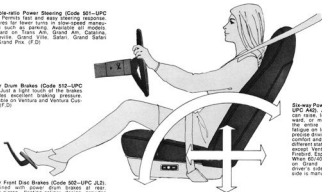

Electric Door Locks without Seat-back Locks for Two- and Four-door models (Code 554-UPC AU9). Convenient for any driver, particularly desirable for families with small children. Available on all models except Ventura and Ventura Custom. (F)

Electric Door Locks with Seat-back Locks for Two-door models (Code 552-UPC AU8). Promotes the regular locking of doors, saves time and is a boon to rear-seat passengers. Control switches are located on the door panels of the driver's side and passenger's side. Front-seat backs automatically lock when doors are closed and unlock when doors are opened. Manual unlocking devices still are present. Available on all Two-door models except Ventura and Ventura Custom, Firebird, Esprit, Formula and Trans Am. Not available with bucket-seat models, including Grand Am and Grand Prix. (F)

Variable-ratio Power Steering (Code 561-UPC N43). Promotes fast and easy steering response. Requires far fewer turns in slow-speed maneuvering such as parking. Available on all models Standard on Trans Am, Grand Am, Catalina, Bonneville, Grand Ville, Safari, Grand Safari and Grand Prix. (F, G)

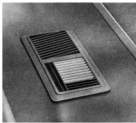

Power Drum Brakes (Code 512-UPC J60). Just a light touch of the brakes provides excellent braking pressure. Available on Ventura and Ventura Custom. (F, G)

Power Front Disc Brakes (Code 502-UPC JLI). Combined with power drum brakes at rear. Single-piston, floating caliper design provides powerful braking and is easy to apply in emergencies. Automatic self-adjustment throughout life of pads. Available on all models. Standard on Trans Am, LeMans Safari, Grand Am, Catalina, Bonneville, Grand Ville, Safari, Grand Safari and Grand Prix. (F)

Six-way Power Bench Seat (Code 561-UPC A42). Just move a lever and you can raise, lower, tilt forward or backward, the entire front seat. Helps lessen fatigue on long trips, provides a more precise driving position, affords greater comfort and convenience for drivers of different stature. Available on all models except Ventura and Ventura Custom, Firebird, Esprit, Formula and Trans Am. When 60:40 seat is ordered (available on Grand Ville and Grand Safari), driver's side is powered, passenger's side is manually adjusted. (F)

Power Front Seat, Left-hand Bucket only (Code 561-UPC A23). Same six-way power feature, but on left-hand bucket seat only. Available with bucket seats on LeMans Sport Coupe, Luxury LeMans 2-door, Grand AM and Grand Prix. (F)

Rear Window Defogger (Code 541—UPC C50). Electric blower under rear window shell directs air through directional grille to help keep the window clear. Factory- or dealer-installed on all models except Grand Am, Grand Ville Convertible, Grand Prix, GT0 Option or with the LeMans Handling Package. (F,5)

Electrically-heated Rear Window Defogger (Code 534—UPC C48). Small electrical conductors on inside glass surface carry electric current to heat the rear window. Helps keep the entire window clear of fog,

snow and ice. Includes Soft-Ray glass in rear window. Available on all models except Ventura, Ventura Custom, LeMans, Safari, Grand Ville, Convertible and models with six-cylinder engines. (F)

Deck-lid Release (Code 564—UPC A90). A top choice for convenience and time saving. No need to get out of your car to unlock the trunk. Just press the Deck-lid Release button inside glove box or console. Trunk also can be closed and opened in the conventional manner. Available on all models except station wagons, Ventura and Ventura Custom. Dealer installed only on Firebird, Esprit, Formula and Trans Am. (F,5)

Power Windows (Code 551—UPC A31). Passengers can raise or lower windows by using individual switches, or driver can control all windows from a central panel on driver's door (console on Firebird, Esprit, Formula and Trans Am). Windows will not operate when ignition is off. Available all models except Ventura and Ventura Custom. Available on Firebird, Esprit, Formula and Trans Am with console only. (F)

CONVENIENCE ACCESSORIES

Tilt Steering Wheel (Code 904-UPC N33). Adjusts to seven different positions for your personal driving comfort. Makes exit and entrance easier. Provides more leg room when required. Available all models. Not available with manual, column-shift transmission. Not available with standard steering wheel on LeMans, LeMans Safari, LeMans Sport Coupe, Catalina and Safari. Console must be ordered on Firebird, Esprit, Formula or Trans Am with any automatic transmission. (9)

Remote Controlled, Outside Left-hand Mirror (Code 444-UPC 033). Easily adjusted by convenient level control on driver's door panel. Available on all models. Factory- or dealer-installed in chrome. (F, D)

Visor Vanity Mirror. Mounts on back of visor, out of sight when not being used. Available for right visor (Code 441-UPC 004) or left visor (Code 422-UPC 003), on all models. Left-hand mirror not available on Ventura and Ventura Custom, Firebird, Esprit, Formula and Trans Am. (F) Left- and right-hand mirrors available dealer-installed on all models. (2)

Right-hand Manual Outside Mirror. Matches standard left-hand outside mirror. Standard on Safari and Grand Safari. Available all models. Chrome finish. (D)

Electric Clock (Code 711-UPC U36). Has a sweep second hand and built-in, automatic, self-regulator. Dial is illuminated for easy night reading. Available on Ventura, Ventura Custom, Firebird, Esprit, Formula, LeMans, LeMans Safari, Luxury LeMans, Catalina and Safari. Standard on all others. Included with Rally Gauge Cluster/Clock and Tachometer (Code 714-UPC W18), or Rally Gauge Cluster/Clock (Code 712-UPC W63). (F, D)

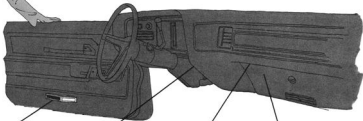

Litter Basket/Tissue Dispenser (clings to transmission tunnel capcase). Holds junior size box of tissues. Available in Black, Dark Blue, Dark Green and Chrome. (D)

Soft-Ray Glass (Code 531-UPC A81). Fully tinted for all windows (except convertible rear window). Recommended with air conditioning. Upper area of windshield is shaded to reduce glare. Available all models. Also available for windshield only (Code 532-UPC A82). (F)

LAMPS AND LAMP GROUPS

Select from a desirable offering of lamps and lamp groups to "upgrade" your new Pontiac with greater style, comfort, convenience, safety and resale value. In most cases, you'll add lamps to your new Pontiac by selecting the lamp group for your model—the order code and UPC code are the same in every case. (Code 344-UPC 992). (†) This makes it easier to order and

save money, too. Because of this simplification, some lamps are available on some models only as part of the group. Other lamps (described) are available individually. You'll find the lamp groups described in the "Groups" section on Pages 20-27, which outlines availability according to the group.

Door Courtesy Lamp. Door-mounted lamp automatically turns on whenever door is opened. On four-door models, both front and rear doors have these lamps. Available individually (or as part of the lamp group) on Bonneville, Grand Ville, Grand Safari and Grand Prix only. (Code 664-UPC C90). (†)

Ash Tray Lamp. Lights automatically when headlights or parking lights are turned on. Standard on Firebird, Esprit, Formula, Trans Am, Luxury LeMans, Grand Am, Catalina, Bonneville, Grand Ville, Safari, Grand Safari and Grand Prix. Available as part of the lamp group on the Ventura, Ventura Custom, LeMans, LeMans Safari and LeMans Sport Coupe. **Right-hand Ash Tray Lamp.** Standard on Grand Ville and Grand Safari. Available as part of the lamp group on the Catalina, Bonneville and Safari. Ash Tray Lamps also may be dealer-installed on Ventura, Ventura Custom, LeMans, LeMans Safari, LeMans Sport Coupe, Catalina, Bonneville and Safari. (†)

Instrument Panel Courtesy Lamp. Lights when front door is opened. Also can be manually operated by switch. Standard on Grand Am, Bonneville, Grand Ville, Grand Safari and Grand Prix. Available as part of the lamp group on the Ventura, Ventura Custom, Firebird, Esprit, Formula, Trans Am, LeMans, LeMans Safari, LeMans Sport Coupe, Luxury LeMans, Catalina and Safari. **Instrument Panel Courtesy Lamp** also may be dealer-installed on the LeMans, LeMans Safari and LeMans Sport Coupe. (†)

Glow Compartment Lamp. Lights when compartment door is opened. Standard on all models except Ventura, Firebird, Esprit, Formula, Trans Am, LeMans, LeMans Safari, and LeMans Sport Coupe. Available on these models as part of the lamp group.

Dome and Reading Lamp. Consists of center lamp and two side lamps. Center lamp functions as a conventional dome lamp, operates from door-amb switches and headlight switch knob. Side lamps operate from separate switches on lamp housing and shine over the shoulders of front-seat occupants. Not available on Ventura, Ventura Custom, Firebird, Esprit, Formula, Trans Am and Grand Ville. **Convertible.** Available individually on LeMans, LeMans Safari, LeMans Sport Coupe, Luxury LeMans, Grand Am, Catalina, Bonneville, Grand Ville, Safari, Grand Safari and Grand Prix. (Code 661-UPC C93) (†). Available as part of the lamp group on the Grand Am, Bonneville, Grand Ville and Grand Prix.

Luggage Compartment Lamp. Provides light in luggage compartment area. Operates when trunk lid is opened. Standard on Bonneville, Grand Ville and Grand Prix. Available as part of the lamp group on Venturas (Not for Ventura Hatchback Coupe), Ventura Custom, Firebird, Esprit, Formula, Trans Am, LeMans, LeMans Sport Coupe, Luxury LeMans, Grand Am and Catalina. **Luggage Compartment Lamp** also may be dealer-installed on all models except Ventura and Ventura Custom Hatchback Coupes, Safaris and the Grand Prix. (†)

Cornering Lamps. These lamps operate when headlights are on and the turn signal is activated. Give added light toward the direction you're turning. Available on Catalina, Bonneville, Grand Ville, Safari, Grand Safari and Grand Prix only. (Code 654-UPC 787). (†)

Rear Compartment Courtesy Lamp. Provides extra light in station wagon cargo area. Operates when tailgate is opened. Available individually on LeMans Safari, Safari and Grand Safari. (Code 662-UPC C88). (†) Also available as part of the lamp group on these cars.

PROTECTION ACCESSORIES

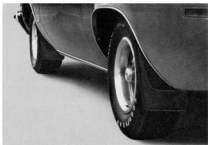

Front Bumper Guards (Code 731—UPC V31). Provide added protection from minor bumps, help prevent marling of chrome. Available on all models except Firebird, Esprit, Formula, Trans Am and Grand Am. Available only in combination with Protective Rubber Bumper Strips. (F, G)

Rear Bumper Guards (Code 733—UPC V32). To additionally guard against marling, damage from minor impact. Standard on Safari and Grand Safari. Available all other models except Ventura and Ventura Custom. (F, D)

Protective Bumper Strips (Code 734—UPC V55). Rubber strips that run horizontally along front and rear bumpers to protect them from minor dings and scratches. Standard on Grand Am. Available on front bumper only of Safari and Grand Safari. Available all other models except Firebird, Esprit, Formula and Trans Am. When ordered on the Ventura and Ventura Custom, front bumper guards must be ordered, too. (F)

Infant Safety Carrier. This special, rear-facing seat is held snugly in place by front or back seat belt. A built-in chest strap further safeguards baby and an upright design provides support for head and back. Includes contoured pad for greater comfort. Doubles as a handy, sturdy carrier for use outside car. (D)

Fender Splash Guards. Stylish guards give wheel openings a sporty look, help protect rocker panels from dirt and stone ricks. Available all models—front and/or rear. (G)

Rear-door Child Guard Door Locks. Prevent children from opening rear doors. When buttons are down and lock guards are pushed in, rear doors can't be opened. Buttons are unlocked by simply inserting ignition key in button. Available on all four-door models. (D)

Inside Hood Release. A gull-handle, cable-controlled release lets you unlock hood from inside the car only. Offers protection from theft of engine components. Available on Firebird, Esprit, Formula, Trans Am. Standard on all other models except Ventura and Ventura Custom. (G)

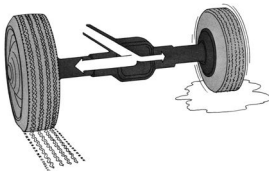

Floor Mats, Front (Code 621—UPC R37), Rear (Code 622—UPC R38). Includes individual rubber mats for both sides of your car. Available for all models in a full range of colors to harmonize with interiors. (F, D) Check with your Pontiac salesman for additional styles that are available as dealer-installed accessories.

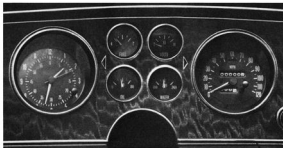

Spare Tire Cover (Code 454—UPC P17). Helps protect trunk contents. Slips easily on and off. Not available with station wagons, Ventura, Ventura Custom, Firebird, Esprit, Formula, Trans Am or with "Space-saver Spare Tire." Includes trunk sideboards on LeMans, LeMans Sport Coupe, Luxury LeMans, Grand Am and Catalina. (F) The Spare Tire Cover only may also be dealer-installed. Available all models except the Ventura Hatchback Coupe, Ventura Custom, Salaria or with the Space-saver Spare Tire.

Fire Extinguisher, Handy. 2½-lb. dry-chemical extinguisher for car or home. Puts out all kinds of fires including grease, oil, gasoline and electrical. Rechargeable. (D)

PERFORMANCE ACCESSORIES AND OPTIONS

Safe-T-Track Differential (Code 371—UPC 080). Transfers torque to rear wheel that has the better traction. Helps keep you going through snow, ice, mud, sand, ruts, water or chuckholes. Available on all models. Standard on Trans Am. (F)

Rally Gauge Cluster with instrument panel clock shown on Grand Prix.

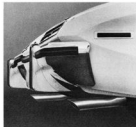

Rally Gauge Cluster with Clock (Code 712—UPC W63). Groups oil, water, fuel and voltmeter together and includes a clock where not already standard. Available on Firebird, Esprit, Formula, LeMans, LeMans Safari, LeMans Sport Coupe, Luxury LeMans and Grand Prix. Standard on Grand Am and Grand Prix. *Su. Option.* Does not include voltmeter on LeMans, LeMans Safari, LeMans Sport Coupe or Luxury LeMans. (F)

Rally Gauge Cluster with Instrument Panel Tachometer (Code 714—UPC W68). Integrates tachometer and speedometer with oil, water and fuel gauges and alternator lights. Includes wood-grain trim. Available on LeMans, LeMans Sport Coupe, Luxury LeMans and Grand Am. (F) A similar gauge cluster, which includes a clock and voltmeter, is available on Firebird, Esprit and Formula. The tachometer and clock are combined as a single unit. Standard on Trans Am. (F)

Custom Gauge Cluster with Clock (Code 712—UPC W63). Groups oil, water, fuel and voltmeter together, and includes a clock where not already standard. Available on Catalina, Bonneville, Grand Ville, Safari and Grand Safari. (F)

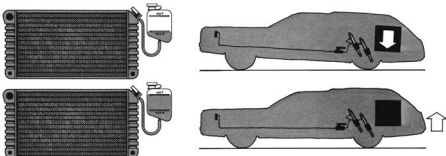

Rear Air Spoiler (Code 632—UPC D86). Spoiler—a three-piece, rear-deck attachment—adds the sporty Trans Am look to either the Firebird or Formula. Not available with Esprit. (F)

Dual Exhausts (Code 662—UPC N16). Lessens back pressure in exhaust system, adds to engine efficiency. Standard on Grand Prix, Formula, Trans Am, GTD Option. Mandatory option with 400-4-bbl or 455-cubic-inch engines on LeMans, LeMans Sport Coupe, Luxury LeMans or Grand Am. Not available on Firebird, Esprit, Safari, Grand Safari or with any six-cylinder engine. Available on all other V-8 models except on Catalina with 350 2-bbl. V-8. Chrome extensions not included on Ventura, Ventura Custom, Luxury LeMans, Catalina, Bonneville or Grand Ville. (F)

Hood-mounted Tachometer. Right out in front of the windshield, on the driver's side, for easy, instant read-out. Available with V-8 engines on Firebird, Esprit, Formula (Trans Am standard equipment includes instrument panel tachometer). (F)

Coolant Reservoir Unit. Helps prevent loss of coolant due to temporary excessive loads, high temperatures or heavy terrain. As pressure builds up in a hard-working engine, the coolant expands, but the system prevents it from spilling out through the overflow tube. Instead, the coolant passes into a reservoir tank. Later, as the engine cools, the overflow coolant is pulled back into the system, the coolant is maintained at a more nearly constant, proper level; no air is allowed in the system, and cooling efficiency is maintained. A further result is that it protects the engine and prolongs radiator hose and water pump life. Available all six-cylinder models and the Ventura V-8. Standard all other V-6s. (F)

Automatic Level Control (Code 661-UPC 067). Air-adjustable rear shock absorbers help maintain a level ride, even with heavy loads or trailer tongue loads. Vacuum-generated air compressor in engine compartment automatically keeps rear of car level when fully loaded. Available on LeMans, LeMans Safari, LeMans Sport Coupe, luxury LeMans, Grand Am, Catalina, Bonneville, Grand Vista, Safari, Grand Safari and Grand Prix. (F, D)

Superlift Shock Absorbers (Code 652-UPC 066). With air-type, air-filler valve. Similar benefits of Automatic Level Control. Available on LeMans, LeMans Safari, LeMans Sport Coupe, luxury LeMans, Grand Am, Catalina, Bonneville, Grand Vista, Safari and Grand Safari. (F, D)

Additional Performance Accessories and Options

Utilized Ignition System (Code 634-UPC K85). A solid-state ignition system with a magnetic pulse unit which replaces breaker points, and a miniature ignition coil built into the distributor cap. It thus eliminates the need for the usual periodic replacements of points and condenser. You'll notice greatly increased spark plug life, improved cold and wet-weather starting. The system gives higher voltages and faster voltage rise time to maintain proper voltage throughout entire rpm range, including high speeds. Permanently water-proofed. Available on 400 4-361, V-8 (except with 3-speed manual) and 455 4-361, V-8. Not available with U. I. 455 4-361, V-8. (F)

Delco Maintenance-Free Battery (Code 661-UPC TP1). This highly efficient power source is designed so that with proper installation and operation it will continue to deliver full starting power without the addition of water or the periodic servicing and cleaning that are normally required with conventional batteries. Standard on the Grand Prix Model GJ. Available on all other models except the Ventura and Ventura Custom. (F)

Heavy-duty Battery (Code 662-UPC UA1). Available for all models when more electrical power is needed. (F, D)

Heavy-duty Radiator (Code 701-UPC V01). Increased cooling capacity to handle greater engine loads. Standard with air conditioning. Available all models. (F)

Super-cooling, Heavy-duty Radiator (Code 702-UPC V02). Provides added cooling capacity under the most severe driving conditions. Available on Catalina, Bonneville, Grand Vista, Safari and Grand Safari. (F)

Dual-stage, Heavy-duty Air Cleaner (Code 542-UPC K45). Dual-filter design consists of wetted paper inner filter, surrounded by polyglycol-wetted, polyurethane-foam outer filter. Fine filtration. Recommended for driving in extremely dusty conditions. Available all models. (F)

Dual Horns (Code 661-UPC U65). Twin horns emit a loud commanding sound, with a more pleasing tone than a single horn. Available on Ventura, Ventura Custom, Foreland, LeMans, LeMans Safari and LeMans Sport Coupe. Standard on all others. (F)

GROUP ACCESSORIES AND OPTIONS

Ventura and Ventura Custom

Handling Package (Code 542-UPC Y96). Designed to improve cornering and to give fine ride quality. Available on all Ventura and Ventura Custom models. With V-8 engine only.

- Higher Rate Suspension
- Front and Rear Stabilizer Bars
- Firm Shock Absorbers
- 14x6" Steel Wheels
- E70-14 Streetwires Tires (Belted)

Spice Option (Code 241-UPC W53). A distinctive package to personalize Ventura and Ventura Custom Coupes and Hatchback Coupes. Very sporty appearance.

- Distinctive Front End and Grille
- Right- and Left-hand Body-colored Outside Mirrors, Left-hand Remote Controlled
- Blacked-out Grille
- Custom Carpet (including Load Floor on Hatchback)
- New Body Side Stripes
- Sprint Decal on Rear Deck Lid and Rear Quarter Panels
- Custom Cushion Steering Wheel

Basic Group (Code 331-UPC Y98).

- Wheelwell Tires (White-letter Tires if Wide Ovals are ordered)
- Two-speed Automatic Transmission (with six-cylinder engine)
- Turbo Hydro-matic Transmission (with V-8 engine)
- AM Radio
- Power Steering
- Wheel Trim Rings (Ventura)
- Dual Horns

Ventura and Ventura Custom (cont.)

Door Group (Code 332-UPC Y96).

- Custom Capsels (Ventura)
- Roof Drip Scape Moldings (Ventura)
- Rocker Panel Moldings (Ventura)
- Body Side Moldings
- Side-window Reveal Moldings

Protection Group (Code 334-UPC Y96).

- Body Side Moldings
- Door Edge Guards

Lamp Group (Code 344-UPC Y92).

- Luggage Compartment Lamp
- Glove Box Lamp (standard Ventura Custom)
- Ash Tray Lamp
- Instrument Panel Courtesy Lamp

Firebird, Esprit, Formula, Trans Am

Formula Handling Package (Code 342-UPC Y98). Provides superior handling characteristics for Formula Firebirds. Standard on Trans Am. Not available on basic Formula or Esprit.

- Heavy-duty Front and Rear Stabilizer Bars
- Heavy-duty Rear Springs and Shocks
- F80-15 White-letter Tires
- 15x7" Wheels

Basic Group (Code 331-UPC Y88).

- Turbo Hydro-matic Transmission
- Whitewall Tires (White-letter Tires on Formula and Trans Am)
- AM Radio
- Wheel Trim Rings (not available on Esprit; standard on Trans Am)
- Power Steering (standard on Trans Am)
- Dual Horns (standard on Esprit, Formula and Trans Am)

Protection Group (NA Trans Am) (Code 334-UPC Y96).

- Vinyl Body Side Moldings
- Door Edge Guards
- Rear Bumper Guards

Lamp Group (Code 344-UPC Y92).

- Luggage Compartment Lamp
- Glove Box Lamp
- Instrument Panel Courtesy Lamp

LeMans, LeMans Safari, LeMans Sport Coupe, Luxury LeMans and Grand Am

Handling Package, LeMans and LeMans Sport Coupe (Code 342-UPC Y98). Offers sports-car handling at an attractive price. Available on Two- and Four-door LeMans and LeMans Sport Coupe.

- Fast Variable-ratio Power Steering
- G60-15 Black Tires
- Firm Shocks
- Front and Rear Stabilizer Bars
- 15x7" Wheels

GTO Option, LeMans and LeMans Sport Coupe (Code 341-UPC Y92). The original and most famous LeMans option! Available on Two-door LeMans and LeMans Sport Coupe.

- Blacked-out Grille
- Dual Air Hood Straps (N.A.S.A. type)
- Firm Shock Absorbers
- GTO Identification
- G60-15 Black Tires
- Heavy-duty, Extra-large Front and Rear Stabilizer Bars
- Moon Hubcaps
- Performance Dual Exhausts with Chrome Extensions
- 400 4-bbl. V-8
- 3-speed, Heavy-duty, Manual Transmission with Floor Shifter
- 15x7" Wheels

Basic Group (Code 331-UPC Y88).

- Turbo Hydro-matic Transmission (standard on Grand Am)
- Whitewall Tires (White-letter Tires with GTO and Handling Package)
- AM Radio
- Deluxe Wheel Covers (LeMans Safari and LeMans Sport Coupe)
- Power Steering (standard on Grand Am)
- Electric Clock (Luxury LeMans)
- Protective Rubber Bumper Strips (standard on Grand Am)
- Power Disc Brakes (standard on LeMans Safari, Grand Am)
- Dual Horns (LeMans, LeMans Safari, LeMans Sport Coupe)

Door Group, LeMans, LeMans Safari and LeMans Sport Coupe (Code 332-UPC Y96).

- Windowill Moldings, including Hood Rear-edge Moldings
- Custom Cushion Steering Wheel
- Custom Pedal Trim Plates
- Deluxe Wheel Covers
- Wheel Opening Moldings

Protection Group (Code 334-UPC Y96).

- Vinyl Body Side Moldings
- Protective Rubber Bumper Strips (Std. Grand Am)
- Door Edge Guards

Lamp Group (Code 344-UPC Y92).

- Luggage Compartment Lamp (except LeMans Safari)
- Glove Box Lamp (LeMans, LeMans Safari, LeMans Sport Coupe)
- Ash Tray Lamp (LeMans, LeMans Safari and LeMans Sport Coupe)
- Instrument Panel Courtesy Lamp (standard Grand Am)
- Dome and Reading Lamp (LeMans)
- Rear Compartment Courtesy Lamp (LeMans Safari)

Catalina, Bonneville, Grand Ville, Safari and Grand Safari

Bonneville Steel-belted Radial Tire Handling Package (Code 341-UPC Y97). This new package adds exceptional handling characteristics to a full-sized automobile already famed for its luxurious ride. An unusual option for very special personalizing of the Bonneville.

- H870-15 Steel-belted Radial Tires (White Sidewall)
- Specialty Tuned Suspension, including Springs, Shocks, and Front and Rear Stabilizer Bars

Basic Group (Code 331-UPC Y88).

- Whitewall Tires
- AM Radio
- Left-hand Remote Control Outside Mirror
- Protective Rubber Bumper Strips (front only on Grand Safari and Safari)
- Deluxe Wheel Covers (Catalina and Safari)
- Stainless Steel Body Side Moldings (Grand Ville and Grand Safari*)
- Roof Drip Scape Moldings (Catalina Four-door Sedan and Safari)
- Windowill Moldings (Grand Safari)
- *Not available with Wood-grain Siding Option.

Convenience Group (Code 342-UPC Y91).

- Electric Door Locks (including seal-back locks on Two-door models)
- Rear Compartment Deck Lid Release (except Safari)
- Left-hand Remote Control Outside Mirror
- Right-hand Visor Vanity Mirror

Door Group, Catalina and Safari (Code 332-UPC Y96).

- Vinyl Body Side Moldings (except with Wood-grain Siding Option on Safari)
- Door Edge Guards
- Wheel Opening Moldings
- Custom Pedal Trim Plates
- Custom Cushion Steering Wheel
- Deluxe Wheel Covers

Body Protection Group (Code 334-UPC Y96).

- Protective Rubber Bumper Strips
- Front Bumper Guards
- Rear Bumper Guards (Standard Safari and Grand Safari)
- Door Edge Guards
- Stainless Steel Body Side Moldings (Grand Ville and Grand Safari—except with Wood-grain Option)
- Vinyl Body Side Moldings (Catalina, Safari—except with Wood-grain Option)

Lamp Group (Code 344-UPC Y92).

- Rear Compartment Courtesy Lamp (Safari and Grand Safari)
- Door Courtesy Lamp (Bonneville, Grand Ville, Grand Safari)
- Dome and Reading Lamp (Bonneville, Grand Ville, Grand Safari)
- Luggage Compartment Lamp (Catalina)
- Right-hand Ash Tray Lamp (Catalina and Safari)
- Instrument Panel Courtesy Lamp (Catalina and Safari)

Grand Prix

SJ Option (Code 341-UPC Y87). It's hard to improve upon a classic, but this package both dresses up the Grand Prix and improves performance, handling!

- 455 4-bbl. V-8
- G870-15 Steel-belted Radial Blackwall Tires
- Front and Rear Stabilizer Bars and Special Shock Absorbers
- Unized Ignition System
- Rally Gauge Cluster with Trip Odometer and Clock
- Delco Maintenance-Free Battery
- Custom Fitted Wheel Covers
- Pin Stripping
- Right- and Left-hand Body-colored Outside Mirrors, Left-hand Remote Controlled
- SJ Emblem on Front Fender and Instrument Panel

Basic Group (Code 331-UPC Y88).

- Whitewall Tires
- AM Radio
- Left-hand Remote Control Outside Mirror
- Protective Rubber Bumper Strips

Convenience Group (Code 342-UPC Y91).

- Right- and Left-hand Body-colored Outside Mirrors, Left-hand Remote Controlled
- Electric Deck Lid Release
- Electric Door Locks
- Right-hand Visor Vanity Mirror

Protection Group (Code 334-UPC Y96).

- Door Edge Guards
- Protective Rubber Bumper Strips
- Front Bumper Guards
- Rear Bumper Guards
- Vinyl Body Side Moldings

Lamp Group (Code 344-UPC Y92).

- Dome and Reading Lamp
- Door Courtesy Lamp

STATION WAGON AND TRAVEL ACCESSORIES

Wood-grain Appearance Safari Siding (Code 512-UPC W61). This striking walnut wood-grain vinyl paneling has a warm red hue that is exclusively Pontiac. It also is slightly translucent, to allow the body color to slightly show through. Also included is a reflective tailgate panel that warns approaching drivers from the rear at night. Available on LeMans Safari, Safari and Grand Safari. (F)

Chrome Luggage Carrier (Code 534-UPC V58). This bright chrome and stainless steel carrier installs permanently on all station wagons. It stores a sizeable amount of luggage, allowing extra passenger space inside. Side rails allow for easy tie-down. Features walnut wood-grain inserts along bottom side rails (Safari and Grand Safari only). Available on LeMans Safari, Safari and Grand Safari. (F, S)

LeMans Custom Safari Option (Code 341-UPC W92). The walnut wood-grain vinyl paneling plus additional accessories that harmonize in a complete "dress-up" package for the LeMans Safari. Total package includes: • Wood-grain Safari Siding • Wood Applique on glove box door • Wheel Opening Moldings • Custom Cushion Steering Wheel • Deluxe Wheel Covers • Dual Horns • 200 2-501, V-6. (F)

Power Operated Tailgate (Code 523-UPC C26). Pontiac's "Snapopening tailgate" automatically slips out of the way down under the floor. Works either by key switch at rear of wagon or by switch on instrument panel. Available on Safari and Grand Safari. Power operated tailgate window is standard. (F)

Rear Window Wind Deflector (Code 514-UPC C51). Horizontal metal vane directs airstream onto rear window to help keep it free of dust. Available on LeMans Safari only. (F, D)

Swing-out Glass, Rear Quarter Vent (Code 521-UPC A26). Available on LeMans Safari only, these vent windows provide additional interior ventilation. Standard on Three-seat LeMans Safari. (F)

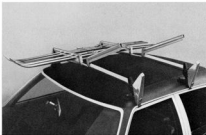

Electric Tailgate Release (Code 525-UPC A16). Handy remote control switch in glove compartment automatically releases new lift-type tailgate on LeMans Safari. Standard on Three-seat LeMans Safari. (F) Also may be installed on LeMans Safaris equipped with automatic transmissions. (D)

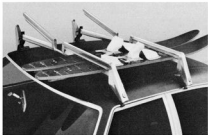

Luggage Carrier Cover-RakPak. Heavy-duty treated fabric protects luggage from water and dust. On the car, cover folds flat for convenient storage. Ties down neatly into top of Chrome Luggage Carrier. Version for Safari and Grand Safari (size—40" x 42" x 14") opens from the rear. LeMans Safari version (size—30" x 40" x 14") opens from the side. (2)

Cargo-mesh Covering (Code 602—UPC 609). Entire cargo load area is covered with carpet to match interior trim. Standard on Grand Safari, available on LeMans Safari and Safari. (7)

Removable Ski Rack, for snow skis or water skis. Installs quickly on all Pontiac models with a threaded mechanism. Plastic-coated hooks securely fasten the rack, even without drip moldings. Rubber feet adjust to the roof contour, helping prevent damage to the car finish. The anodized aluminum construction results in

light weight and excellent corrosion resistance. Highly compressible plastic inserts in the arm protect skis and permit them to be carried in pairs. A unique and exclusive over-center latch makes closing the rack easy, even with six pairs of skis. Locks are provided at all four corners to prevent theft of skis and rack. (2)

Car Compass. Easy-to-read, suspended dial rotates as car changes direction. Special compensator assures correct directional indications. Pushbutton operates dial to illuminate dial for night reading. (2)

Trailer Hitch (Code 671—UPC UR2). A Class 1 hitch to be used in towing light trailers (up to 2,000 pounds loaded) with light tongue loads (up to 200 pounds). Chrome-plated draw bar and 1 1/4" diameter ball. Permanently bolts to structural members of the car. Available in custom designs for every Pontiac model except Ventura and Ventura Custom, Firebird, Esprit, Formula and Trans Am. (F.D. Angher hitch is available for these models. To be used in towing very light trailers (up to 1,000 pounds gross weight and 100 pounds tongue load). (2)

Trailer Wire Harness. Five-wire (Code 672—UPC UM6). Seven-wire (Code 674—UPC UM6). A complete, four-way electrical wiring harness for stop lights, taillights, clearance lights and directional signal. No special attachment wiring required. No splicing. A harness available for every Pontiac model. Five-wire is available factory-installed on all models of intermediate and full-size Pontiacs and the Grand Prix; and dealer-installed on all models. Seven-wire is available, with trailer groups only, factory-installed on all models of intermediate and full-size Pontiacs, and the Grand Prix.

Trailer-towing Mirrors. Specially designed to fit any Pontiac model. Turn-buckle-type fender mounts attach to front wheel openings and are held firmly in place when hood is closed. Large 5 1/2" x 8" mirrors. Stainless steel construction. Designed to fit both left-hand and right-hand fenders. (2)

TOWING A TRAILER? If you plan to tow other than a light trailer, a factory-installed trailer-towing group is either necessary or highly recommended. Ask your Pontiac salesman for a copy of the 1973 Trailer-towing Guide, or write to: Sales Promotion Department, Pontiac Motor Division, Pontiac, Michigan 48053, for your free copy.
