**If your car is over
5 years old, get this:**

Checker Motors Corp. of Kalamazoo, Michigan has engineered and built a car that keeps its value year after year because the simple, classic design never changes. People who own a car 5 years or longer need the extra quality and extra strength that goes into every Checker car. The Checker Marathon is built simultaneously with the world famous Checker taxicab and features the higher, wider door openings, extra large interior, flat rear floor and a simple, uncluttered economy engine. Make sure you really like Checker before you buy . . . they last a long, long time.
