 HYUNDAI

2007 ELANTRA | INTRODUCTION

A CAR WE CAN ALL
FEEL GOOD ABOUT

The all-new 2007 Elantra is unquestionably a car with something for everybody. For more practical individuals, there is impressive fuel efficiency and ultra-low emissions. Not to mention a combination of standard safety technologies that's unsurpassed in its class. And for those fun-loving types, the newly restyled interior with class-leading volume lets you stretch out in comfort and enjoy the ride. Safety. Room. Efficiency. What more could anyone ask for?

2007 ELANTRA | COMFORT

It's a beautiful day outside. Or so you've heard. Because the moment you sink into the Elantra's comfortable, spacious interior, you may never want to leave. Simply close the power windows, turn on the air conditioning, play your favorite tunes and watch the world go by. Just don't forget to come out every once in a while—or at the very least, open the sunroof.

- LEATHER-TRIMMED INTERIOR ON LIMITED

2007 ELANTRA | INTERIOR

Stretch your arms, your legs and your imagination. That's exactly what our engineers did when they designed the open, accommodating interior of the new Elantra. In fact, they stretched far enough to create a vehicle that has more total interior volume than any other sedan in its class. The Elantra also offers plenty of storage possibilities for indispensable items like your commuter mug and those new, ultra-chic sunglasses.

- **LARGE INTERIOR VOLUME PLACES ELANTRA IN AN EPA CLASS SIZE ABOVE TOYOTA COROLLA AND HONDA CIVIC**
- **MORE INTERIOR VOLUME THAN ACURA TL**
- **CENTER CONSOLE WITH TWO-TIER STORAGE COMPARTMENT AND ARMREST**
- **POWER WINDOWS WITH DRIVER'S POWER RESERVE**
- **OVERHEAD MAPLIGHTS AND SUNGLASS STORAGE**
- **DUAL FRONT ILLUMINATED VANITY MIRRORS***
- **REAR CENTER ARMREST WITH CUPHOLDERS**

Six Airbags

The Elantra's standard airbag system¹ includes advanced dual front airbags, front side-impact airbags and front and rear side-curtain airbags. Data from the Insurance Institute for Highway Safety indicates that there is a 45% reduction in fatalities from side-impact collisions when vehicles are equipped with the combination of side-impact airbags and head-protecting side-curtain airbags.*

* IIHS Study, "In Real-world Crashes, Side Airbags with Head Protection Are Saving Lives," August 2003.

Child-seat Anchors

The LATCH child-seat-attachment system on both rear outboard seats helps ensure accurate and easy installation every time.¹ So even the smallest passengers enjoy uncompromising protection.

Energy-absorbing Steering Column

An NHTSA report* confirms that an energy-absorbing steering column, standard on the Elantra, is a vital safety feature that helps protect the driver in the event of a frontal collision.

Structural Integrity

Elantra's reinforced unibody construction is intelligently engineered to absorb collision energy. High-tensile steel provides solid structural integrity, while front and rear crumple zones, bodyside reinforcements and an energy-absorbing steering column help protect you in an impact from any direction.

¹ Child restraint system designs vary. Always consult instructions provided by manufacturer before installing.

2007 ELANTRA | PERFORMANCE

The performance is about to begin. Take your seat. Then prepare to take hold of the wheel as Elantra's 2.0-liter, inline 4-cylinder engine gives you plenty of thrills along with an impressive emissions rating. Keeping everything under control is a confidence-inspiring 4-wheel independent suspension. All of this is definitely worth a standing ovation, if you weren't already sitting so comfortably in the driver's seat.

2007 ELANTRA | STYLING

It's stylish, no matter how you look at it. Showcasing an assertive new hood design with a chrome-accented grille and a sleek, sculpted profile, the Elantra strikes a very confident pose. Larger and more sophisticated than ever before, it's bound to leave a lasting impression with you and anyone else who sees it. Of course, it's still safe to say that the Elantra's best angle just might be what you see from behind the wheel.

Heated Power Side Mirrors

Objects in mirror may be colder than they appear. From the cozy comfort of the Elantra's interior, you can heat the dual power side mirrors for a perfectly clear view of the world behind you.

XM Satellite Radio^{1*}

With over 170 channels of music, sports, news, talk, weather and much more broadcast in digital quality sound, a world of entertainment awaits every time you start the engine. And you can enjoy it coast-to-coast.

*Later availability

If you are what you drive, then you're very well equipped. Turn up the 172-watt audio system with an equalizer that comes standard on the SE and Limited. Or opt for Limited's 220-watt, in-dash 6-disc CD changer to take you to new sonic heights. Both systems include XM Satellite Radio¹ and an auxiliary input for your MP3 player. Now, adjust the steering wheel, position the power side mirrors and consider yourself officially ready for pure driving enjoyment.

Remote Keyless Entry System with Alarm

Your convenience is key here. It takes just a moment to unlock the doors or open the trunk. Which means more time for you to enjoy driving your Elantra. It turns out the key to ease is just that.

AMERICA'S BEST WARRANTY™

The best. We can say it because it's true. Hyundai is leading the way with important standard safety technologies, while continuing to raise the bar for comfort and refinement. And the quality of every vehicle is backed by America's Best Warranty*—evidence of our steadfast commitment to building only the highest-quality automobiles.
