

2006 **TERRAZA**

2006 BUICK TERRAZA 

TREAT YOUR FAMILY TO THE PLEASURES OF TRAVELLING FIRST CLASS.

For many years family transportation translated into a purely pragmatic form of driving, without any accompanying rewards. All that changed with the introduction of the Buick Terraza. Finally, a family vehicle that is as refined as it is versatile. A vehicle with real style, that is built to an exacting standard of quality. A vehicle employing sophisticated technology, such as the new 240 horsepower 3.9L V6 with variable valve timing on CXL FWD models*, as well as the added safety and security through the standard OnStar System. And incorporating a high level of luxury represented by the sumptuous interior appointments and the exemplary acoustic insulation provided by QuietTuning. Together, these components help define Terraza more as a Buick than as a conventional family vehicle. With this level of quality, refinement and craftsmanship, it could only be from Buick: the 2006 Terraza.

Every Buick is built with exquisite care to exceptionally high standards, achieving a level of quality that ranks Buick among the elite. Every Buick is also equipped with the enhanced safety and security of OnStar, and employs QuietTuning for a supremely quiet ride. And now, for 2006, every Buick is backed by a new comprehensive four-year/80,000 km warranty** that solidifies Buick's position as one of the world's premium automakers.

*Interim availability. **Whichever comes first.

For more information about Terraza visit our Web site at terraza.gmcanada.com

A NEW WAY OF LOOKING AT FAMILY DRIVING.

Your appetite for life isn't compromised just because you have children – neither should your approach to driving. Now you can drive a vehicle that you actually feel enthusiastic about, one that incorporates a sense of flair in addition to outstanding versatility. View family driving in an entirely new way. With Terraza.

Terraza CXL, shown in Ming Blue Metallic with available 17-inch Chrome-Tech aluminum wheels.

EXTERIOR 

IT'S NOT ONE THING. IT'S EVERYTHING.

It is difficult to pinpoint the single defining feature of Terraza. And that's just the way we planned it. Every aspect was executed with flawless precision. That encompasses the exterior design, with its seamless integration of the exterior contours, and the sporty accent provided by the 17-inch wheels, and the enhanced convenience of a factory-installed remote vehicle starter, which is standard on CXL. The mechanical package is of an equally high standard, with the introduction of the new 3.9L V6* with variable valve timing, and the confident handling applied by the StabiliTrak vehicle stability enhancement system that's standard on front-wheel-drive models. What is it exactly that distinguishes Terraza from other vehicles in its class? It's not one thing – it's everything.

*Interim availability.

Terraza seats seven in real comfort. In CXL models, heated power eight-way front bucket seats are complemented by two second-row captain's chairs and a removable folding 50/50 split third-row bench. Leather-appointed seating surfaces* are also standard on CXL.

*Leather-appointed seating surfaces on first and second rows; third row is vinyl covered.

Several QuietTuning measures help block the path of noise. An acoustical engine cover absorbs engine noise – before it has the chance to enter the passenger compartment.

QuietTuning also reduces noise at its source. The quiet-tread tires use a rubber compound and tread pattern that not only provide excellent grip, but also generate minimal noise.

How does Terraza produce such a quiet ride? No fewer than 28 special acoustical absorbers are strategically positioned throughout the vehicle to help absorb noise.

INTERIOR 

AN ABUNDANCE OF SPACE. BUT NO ROOM FOR COMPROMISE.

While Terraza provides a tremendously roomy and versatile layout, the interior is also defined by the quality, not simply the quantity of its space. This fact can only be fully appreciated when Terraza is on the move – which is why a test drive is highly recommended, because Terraza's interior environment has to be heard to be believed. Its QuietTuning dramatically reduces exterior and engine noise, producing a truly tranquil atmosphere. In fact, the major source of sound inside Terraza is the concert quality, eight-speaker audio system including a CD player with MP3 playback. Terraza - a van utterly uncompromising in its engineering and craftsmanship.

INTERIOR DETAILS 

**OTHERS CALL THEM LUXURIES.
WE CALL THEM ESSENTIALS.**

INTERIOR DETAILS 

Inside Terraza, it simply doesn't feel like any other family vehicle. Certainly, the comfort and quiet set the stage, but a series of premium features makes the experience come to life. That happens the moment you adjust the dual-zone climate controls, or when your rear passengers press Play on the available DVD entertainment system. Not that

Terraza holds back on the utility features you expect of a van. An overhead storage module mounted on the innovative Overhead Rail System and the rear convenience centre are just two examples of the incredible versatility built into every Terraza. A sophisticated blend of luxury and versatility. Terraza.

Cargo vs. passengers. Passengers vs. cargo. With a wide range of different seating configurations, Terraza doesn't ask you to choose one over the other. And to maximize cargo volume, you can fold down the second and third row of seats to open up 3865 L (136.5 cu. ft.) of space.

p. 11

Terraza includes many handy storage areas located throughout the interior – including the rear cargo convenience centre, shown here, which is integrated into the rear cargo area behind the third row.

Steering wheel-mounted audio controls allow you to make adjustments without taking your eyes off the road. Standard on CXL, available on CX.

The available rear DVD entertainment system includes a flip-down colour LCD monitor, inputs for video games and camcorders, two wireless headphones and a wireless remote control unit.

TECHNOLOGY 

EVEN THE TECHNOLOGY IS REFINED.

The mission behind Terraza's engineering wasn't simply to produce a powerful van, it was to build a van that delivers an unexpected level of technological sophistication and refinement. For 2006, that mission receives fresh expression in the form of the new 3.9L V6 that's standard on CXL FWD.* It employs variable valve timing to optimize combustion timing, maximizing power and torque output. But that is only part of the overall performance story. Features such as the available Versatrak all-wheel-drive system contribute to Terraza's outstanding traction and refined handling.

The available on-demand Versatrak all-wheel-drive system operates in fuel-saving front-wheel drive mode in normal conditions. When front-wheel slippage is detected, the system automatically distributes power to the wheel or wheels with the best traction.

*Interim availability.

TECHNOLOGY/SAFETY & SECURITY 

Terraza's 3.5L 3500 V6 engine generates 201 hp and 216 lb.-ft. of torque on FWD models; 196 hp and 213 lb.-ft. of torque on AWD models. The engine's equal-length intake manifold helps ensure a smooth, quiet ride with very little vibration.

Terraza's smooth ride and handling are the product of the four-wheel, fully independent suspension. The independent, gas-pressurized MacPherson strut front suspension with stabilizer bars also helps suppress both noise and vibration.

SAFE AND SOUND IS EXACTLY HOW YOU WILL FEEL.

Scan the list of safety features on-board Terraza and you're sure to be impressed. Beyond such expected features as dual-stage frontal air bags,* you'll find how technology is put to very good use to advance safety. One example is the use of high-strength steel in the frame. Another is the ultrasonic rear parking assist that is standard on CXL. For 2006, second-row side-impact air bags are also available. But what takes Terraza to another level of safety and security is the standard OnStar System. It includes one year of the Safe & Sound Plan – an apt description of the feeling that awaits you inside Terraza.

*A NOTE ON CHILD SAFETY: Always use safety belts and proper child restraints, even in vehicles equipped with air bags. Children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. Refer to the vehicle Owner's Manual and child safety seat instructions for more information. Air bag inflation can cause severe injury or death to anyone too close to the air bag when it deploys. Be sure every occupant is properly restrained.

p. 13

LEFT: When the StabiliTrak vehicle stability control system detects a lateral skid, the system automatically helps compensate by applying pressure to the appropriate front brake, reducing power, or both, to return the vehicle to its intended driving line. Standard on front-wheel-drive models only.

RIGHT: The ultrasonic rear parking assist transmits sonar waves from the rear bumper when the vehicle is in 'Reverse' at low speeds. If a stationary object over 25 cm (10 in.) in height is detected, the sensors activate audio and LED warnings. Standard on CXL, available on CX.

A FITTING ADDITION TO YOUR TERRAZA.

Accessories

Terraza is designed and manufactured with you in mind. Yet you can make your Terraza truly unique – a personal statement of your style and sensibilities – through the addition of selected GM Accessories. They are the only accessories that are integrated into the process of designing your vehicle, ensuring excellent fit, finish and functionality. And only GM Accessories are backed by Buick's 4-year/80,000 km New Vehicle Limited Warranty.* They can also be included in your new-vehicle lease or finance agreement through GMAC. Ask your dealer for a complete list of the GM Accessories available for Terraza, or visit gmcanada.com

*Whichever comes first, when permanently installed by the dealer at the time you purchase or lease your new vehicle.

ACCESSORIES & ONSTAR

GM Accessories available for Terraza include:

- Ski/bike carrier system
- Overhead storage system
- All-weather floor mats
- Ventvisors
- Pet cushion
- Trailering Package.

Every Buick is defined by a host of complementary qualities. Among them is the unparalleled combination of safety, security, and convenience provided by OnStar.* OnStar uses advanced communications technology to enhance your peace of mind whenever you're in your Terraza. All it takes is a single push of the blue OnStar button usually located on the interior rear-view mirror, in the overhead console, or near the radio display – the button connects you with one of our specially trained OnStar Advisors. They are standing by, ready to provide support 24 hours a day, 365 days a year.

What can OnStar Advisors do for you? They can provide a wealth of information and perform a variety of services, including a remote diagnostic check of your vehicle's engine and electrical components. In an emergency, an Advisor will attempt to locate your vehicle, find out what assistance you need, and notify nearby emergency service providers. And if air bags are deployed in your vehicle, an Advisor will contact you to determine if you are in need of assistance.

Another convenient feature is OnStar Hands-Free Calling, a hands-free, voice-activated wireless technology integrated into your vehicle. It's there in case your hand-held phone is lost, forgotten or has a low battery. Even better, there are no additional monthly fees, or additional long distance and roaming charges. And as a new customer, you will receive 30 complimentary minutes good for two months after activation.

Now you can enjoy the peace of mind that comes with knowing you're doing all you can to help keep you, your family, and your vehicle safe. Just ask the almost 150,000 people who have become OnStar subscribers in Canada. How hard does OnStar work for you? The facts speak for themselves: every month in Canada OnStar Advisors handle an average of 9100 routing calls, 2500 emergency calls, 2600 door unlocks, and 625 Roadside Assistance dispatches.

OnStar offers two different service plans, allowing you to select the services that are most convenient for you. The Safe & Sound Plan is included for the first year on Terraza. In addition, the available Directions & Connections Plan offers all the safety and security services included in the Safe & Sound Plan, plus you'll have access to driving directions, information and convenience services and RideAssist. See your dealer for more information on plans and services.

*OnStar services require vehicle electrical system (including battery), wireless service, and GPS satellite signals to be available and operating for features to function properly. Not all OnStar features are available on all vehicles. OnStar Hands-Free Calling requires a Hands-Free enabled vehicle, existing OnStar service contract, and prepaid calling minutes, and is not available in Alaska and some other markets. Calls may be made to the U.S. and Canada only. OnStar voice recognition system may not work with some voices. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Due to the transition of the wireless industry from analogue to digital technology, as of January 1, 2008, OnStar plans to offer service only through equipment that operates on the digital network, which may require the purchase of a system upgrade for eligible vehicles. Call 1.888.4.ONSTAR (1.888.466.7827), TTY 1.877.248.2080 or visit onstar.ca for OnStar's Terms & Conditions, Privacy Policy, and system limitations and details.

COMMITMENT:

We're committed to engineering and manufacturing Buick Terraza so that it is an absolute pleasure to drive. And that's just the beginning. We're also committed to making the ownership experience just as responsive to your specific needs. You'll find that our comprehensive support programs make it easier to purchase or lease a Buick. They also help to protect you and your vehicle down the road. A powerful example of the level of protection you can expect is the Buick New Vehicle Limited Warranty. It's so thorough it covers your vehicle from the roof right down to the tires. So when you drive off the lot of your Buick dealership, you can do so with total confidence. Peace of mind is knowing that your vehicle is built for the long haul, and is backed by a comprehensive warranty.

THE BUICK NEW VEHICLE LIMITED WARRANTY:†

The Buick New Vehicle Limited Warranty is your promise of total warranty protection. It covers every new Buick Terraza for 4 years or 80,000 km.* Complete vehicle repairs are covered,** including parts and labour, with no deductible. The warranty includes:

- 4-year/80,000 km* complete vehicle repair coverage
- 6-year/unlimited km corrosion perforation coverage
- 8-year/130,000 km* coverage on catalytic converters and powertrain control modules (PCMs).

*Whichever comes first.

**To correct any defects in material or workmanship occurring during the warranty period.

Regular maintenance is not included, nor is excessive wear and tear caused by reckless or negligent driving.

EXTENDED POWERTRAIN LIMITED WARRANTY: †

Every Buick Terraza is also covered by a special Powertrain Component Warranty with no deductible for 5 years or 100,000 km.* So you can count on your Buick Terraza for much more than its styling and engineering – today, and down the road.

*Whichever comes first.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:†

- **Roadside Assistance** – 24/7 service via toll-free number during your warranty period, anywhere in Canada or the United States
- **Courtesy Transportation** – may be offered during the warranty period
- **GM Protection Plan (GMPP)** – the only extended services contract backed by the resources and commitment of General Motors, GMPP may be purchased at the time of your sale or lease, or subsequently
- **GM Mobility Program** – you may be eligible for reimbursement of up to \$1000 (taxes included) for adaptive equipment for your GM vehicle
- **GM Accessories** – personalize your vehicle with GM Accessories, specifically engineered for your new GM vehicle
- **GM Goodwrench Service** – with GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE:

- **GMAC Financing** – on the spot financing at your GM dealership††
- **GMAC SMARTLEASE** – a smart alternative to traditional financing††
- **The GM Card** – eligible cardholders may be able to redeem up to \$3500 on GM Card® Earnings toward the total purchase price or lease down payment on selected vehicles. For more information on The GM Card please call 1-800-461-3279.†

INFORMATION RESOURCES:

You can find more information about these programs from your GM dealer, or at these information centres:

- The GM Web site at gmcanada.com
- The GM Customer Communication Marketing Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users) – for information about any GM product or service, including The GM Card and the GM Mobility Program
- For information about GMAC, visit gmcanada.com or call 1-800-616-4622.

†Conditions and limitations apply.

TERRAZA STANDARD & OPTIONAL FEATURES

SAFETY AND SECURITY	CX	CXL
Air bags – dual-stage, driver and front-passenger, frontal	S	S
Air bags – driver and front-passenger, seat-mounted side-impact	0	S
Air bags – second row, seat-mounted side-impact	0	0
Brake/transmission shift interlock	S	S
Door locks – power, programmable with delayed locking	S	S
Door locks – sliding side doors, child-security	S	S
Headlights – Daytime Running Lights with automatic light control	S	S
Keyless entry system – remote, extended range	S	S
OnStar In-Vehicle Communications and Assistance Service – includes one-year Safe & Sound Plan	S	S
Safety restraints – front seat pre-tensioners	S	S
Safety restraints – LATCH (Lower Anchors and top Tethers for Children), 2nd-row	S	S
Theft-deterrent system – alarm, audible/visible	S	S
Theft-deterrent system – PASS-Key III	S	S
Traction control – electronic, full-function (FWD)	S	S
Ultrasonic rear parking assist – audible/visible rear obstacle detection	0	S

MECHANICAL	CX	CXL
Battery – ACDelco with run-down protection	S	S
Brakes – power, 4-wheel disc	S	S
Brakes – 4-wheel anti-lock braking system (ABS)	S	S
Drive – front-wheel (FWD models)	S	S
Drive – Versatrak, all-wheel drive, fully automatic on-demand (AWD models)	S	S
Engine – 3.5L 3500 V6 with SFI		
Horsepower – 201 @ 5200 rpm, Torque – 216 lb.-ft. @ 4000 rpm (FWD)	S	–
Horsepower – 196 @ 5600 rpm, Torque – 213 lb.-ft. @ 3200 rpm (AWD)	S	S
Engine – 3.9L V6 VVT with SFI*		
Horsepower – 240 @ 6000 rpm, Torque – 240 lb.-ft. @ 4800 rpm (FWD)	0	S
Engine block heater	S	S
Exhaust system – aluminized stainless steel	S	S
StabiliTrak – vehicle dynamic control, integrated chassis control system (FWD)	S	S
Steering – power, rack-and-pinion	S	S
Suspension – 4-wheel independent with automatic rear level control and inflator kit	S	S
Transmission – 4-speed automatic with overdrive	S	S
Vehicle starter system – remote	0 ¹	S
Trailer Towing Package – 1588 kg (3500 lb.) capacity, includes heavy-duty radiator and transmission oil cooler, trailer wiring harness, heavy-duty signal flasher and higher output alternator (does not include hitch)	0	0

*Interim availability

1 – Not available on AWD model.

EXTERIOR	CX	CXL
Body panels – two-sided galvanized steel (except roof and aluminum engine hood)	S	S
Bumper – rear protection, black*	0	0
Glass – Solar-Ray tinted, including windshield; deep-tinted behind front doors	S	S
Mirrors – foldaway, power remote control, heated	S	S
Moldings – bodyside, body-colour with chrome inserts	S	S
Roof rack – roof-mounted, black, includes side rails only	S	–
Roof rack – roof-mounted, sport brushed aluminum, includes side rails only	–	S
Side doors – dual, side sliding	S	S
Side door – power passenger-side, sliding with remote open/close feature	S	S
Side door – power driver-side, sliding with remote open/close feature ²	0	0
Tires – P225/60R17 all-season touring	S	S
Wheels – 17" x 6.5" steel with bolt-on wheel covers (FWD) (A) ³	S	–
Wheels – 17" x 6.5" aluminum (B) ³	S ⁴	S
Wheels – 17" x 6.5" Chrome-Tech aluminum (C) ³	–	0
Windshield wipers – 2-speed with variable delay (intermittent)	S	S
Wiper/washer – rear-window (fixed intermittent)	S	S
Left Hand Power Sliding Door Package – includes power driver-side sliding door, ultrasonic rear parking assist and DVD entertainment system	0	0

*Regular production accessories, dealer installed.

2 – Included with Left Hand Power Sliding Door Package.

3 – Wheels shown on page 18.

4 – Optional on CX FWD.

INTERIOR	CX	CXL
Air conditioning – dual-zone	S	S
Air conditioning – rear (includes rear heating and cooling)	S	S ⁵
Auxiliary power outlet – front	S	–
Auxiliary power outlets – front and rear	–	S
Cargo convenience net – rear	0	0
Cargo convenience centre – rear, removable four-compartment cargo organizer	S	S
Console – Overhead Rail System with overhead storage bin	S	S
Console – Lifestyle overhead storage bin, includes CD/DVD case and First Aid Kit*	0	0
Cruise control – electronic with resume, coast and decelerate/accelerate features	S	S
Defogger – electric rear-window	S	S
Floor mats – front, 2nd- and 3rd-row, carpeted	S	–
Floor mats – front, 2nd- and 3rd-row, carpeted with contrasting edge	–	S
Instrumentation – analogue gauges with Driver Information Centre (includes tachometer, speedometer, coolant temperature and fuel gauges), low oil pressure, GM Oil Life System and low coolant level indicator	S	S
Lighting – overhead courtesy, Overhead Rail System courtesy, cargo area, reading lights, programmable delayed entry/exit with ignition key removal and theatre dimming	S	S
Retained accessory power	S	S
Steering column – tilt adjustable	S	S
Steering wheel – leather-wrapped	S	S
Steering wheel – sound system controls	0	S
Storage – cupholders and a centre non-locking console, front door map pockets, 3rd-row covered armrests with storage and glovebox	S	S
Sunshades – LH and RH padded; illuminated vanity mirrors	S	S
Transmitter – universal, 3-channel programmable remote	S	S
Windows – power, driver/passenger express-down	S	S
Windows – power, swing-out rear quarter	S	S

5 – Includes rear controls.

*Regular production accessory, dealer installed.

SEATS	CX	CXL
Custom Cloth reclining front bucket seats with inboard armrests, two 2nd-row captain's chairs and 3rd-row 50/50 removable folding split-bench seat (7-passenger)	S	–
Leather-appointed seating surfaces⁶ , heated, reclining front bucket seats with inboard armrests, two 2nd-row captain's chairs and 3rd-row 50/50 removable folding split-bench seat (7-passenger)	–	S

TOWING

3.5L 3500 V6 with SFI (FWD) 3.29 final drive ratio/1588 kg (3500 lb.)[†] maximum gross trailer weight^{††}

3.5L 3500 V6 with SFI (AWD) 3.69 final drive ratio/1588 kg (3500 lb.)[†] maximum gross trailer weight^{††}

3.9L V6 with SFI (FWD) 3.29 final drive ratio/1588 kg (3500 lb.)[†] maximum gross trailer weight^{††}

[†]Requires V92 Trailer Towing Package. Capacity applies with no more than two people. Without V92 maximum trailering capacity is 907 kg (2000 lb.).

^{††}Includes weight of trailer, cargo, passengers and equipment. All towing recommendations are subject to change.

Trailer tongue load should be 10% of the maximum trailer weight but should not exceed the load rating specified for that vehicle, engine or hitch combination. See your dealer or refer to the Terraza Owner's Manual for details.

A word about this brochure

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your Buick dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

Privacy statement

At General Motors of Canada Limited ("GM Canada") we respect your privacy and value our relationship with you. Your personal information will be protected, will never be sold, and will be used only by GM Canada, our affiliates, dealers/retailers, and service suppliers (only to provide services). If you wish to be removed from GM Canada marketing communications, would like to limit only certain marketing communications from us, would like a listing of our specific uses or further information about those with whom your information is shared, or would like further information about our Privacy Policy and practices, please contact us at 1-800-GM-DRIVE (1-800-463-7483) or through our Web site at gmcanada.com

A word about assembly

Buicks are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers, and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in Buicks. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

Trademarks

The marks appearing in this Buick Terraza brochure including, but not limited to: General Motors, GM, the GM Canada emblem, the GM Canada Web site address, the GM Accessories logo, Buick, the Buick emblem, Allure, Lucerne, Rainier, Rendezvous, Terraza, and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Delco, QuietTuning, SMARTLEASE, Solar-Ray and StabiliTrak are trademarks of General Motors Corporation and/or General Motors of Canada Limited, its subsidiaries, affiliates or licensors.

TERRAZA

A STORY ONLY GENERAL MOTORS CAN TELL.

General Motors' commitment to setting the highest standards in quality, safety, innovation, and fuel efficiency are matched by an equally strong commitment to the community.

DID YOU KNOW?

QUALITY: GM plants swept the J.D. Power Initial Quality Study^{SM*} rankings for North and South America: Gold and Silver Plant Quality Awards for the Canadian Oshawa #2 and #1 car plants, in addition to the Bronze Plant Quality Award for the Hamtramck, Michigan plant.

SAFETY: General Motors is the only automotive manufacturer committed to offering a full range of cars, trucks, and SUVs that provide safety protection before, during and after a collision.

GM vehicles are equipped with a range of features and technologies that help drivers

avoid collisions, reduce the risk of injury should a collision prove unavoidable, and help you get the assistance you need after a collision.

INNOVATION: GM is at the forefront of automotive technology with breakthrough features such as OnStar and XM Satellite Radio.

FUEL EFFICIENCY: GM offers more cars than any other automaker in Canada that get better than 7.0 L/100 km in highway driving. GM has also won more EnerGuide fuel-efficiency awards than any other car company.

GM IS COMMITTED TO CANADA

INVESTMENT: GM invests more in Canada than any other car company: The \$2.5 billion Beacon Project represents the largest automotive investment in Canadian history.

EMPLOYMENT: GM directly employs over 20,000 people in Canada – more than any other car company.

DESIGN: GM is the only car company that designs, engineers and builds cars in Canada.

GM IS BEHIND YOU AND YOUR VEHICLE

GM is equally comprehensive in the way it backs its Buick vehicles. All Buick models include:

- 4-year/80,000 km** complete vehicle repair coverage
- 6-year/unlimited km corrosion perforation coverage
